SUNY Buffalo State
Undergraduate Catalog
2016–2017

SUNY Buffalo State
1300 Elmwood Avenue
Buffalo, NY 14222-1095
suny.buffalostate.edu http://suny.buffalostate.edu

Nondiscrimination Notice
Pursuant to College policy, the College is committed to fostering a diverse community of outstanding faculty, staff, and students, as well as ensuring equal educational opportunity, employment, and access to services, programs and activities, without regard to an individual’s race, color, national origin, religion, creed, age, disability, sex, gender identity, sexual orientation, familial status, pregnancy, predisposing genetic characteristics, military status, domestic violence victim status, or criminal conviction. Employees, students, applicants or other members of the College community (including but not limited to vendors, visitors, and guests) may not be subjected to harassment that is prohibited by law, or treated adversely or retaliated against based upon a protected characteristic.

The College's policy is in accordance with federal and state laws and regulations prohibiting discrimination and harassment. These laws include the Americans with Disabilities Act (ADA), Section 504 of the Rehabilitation Act of 1973, Title IX of the Education Amendments of 1972, Title VII of the Civil Rights Act of 1964 as Amended by the Equal Employment Opportunity Act of 1972, and the New York State Human Rights Law. These laws prohibit discrimination and harassment, including sexual harassment and sexual violence.

Inquiries regarding the application of Title IX and other laws, regulations and policies prohibiting discrimination may be directed to Dr. Karen A. Clinton Jones, Chief Diversity Officer and Title IX Coordinator, Buffalo State College, 1300 Elmwood Avenue, 415 Cleveland Hall, Buffalo, New York 14222; or by phone (716) 878-6210 or fax (716) 878-6234. Inquiries may also be directed to the United States Department of Education’s Office for Civil Rights, 32 Old Slip 26th Floor, New York, N.Y., 10005-2500; Tel. (646) 428-3800; Email; OCR.NewYork@ed.gov.

This catalog is current as of May 2014. The college reserves the right to cancel any course described in this catalog and to change any rules governing curriculum, administration, tuition, fees, admissions, regulations affecting students, dates, and course content. Each student is expected to have knowledge of the information contained in this catalog and in other college publications. This catalog describes all undergraduate programs of the college. For graduate programs, consult the graduate catalog. For programs offered during the summer, consult the summer session schedule.

The offices of the vice presidents supplied copy for their respective areas of responsibility. The Academic Affairs Office coordinated the collection of data for this catalog.

This publication is available in large print or other accessible formats upon request; contact the Academic Affairs Office.
Buffalo State is accredited by the Middle States Commission on Higher Education, 3624 Market Street, Philadelphia, PA 19104; 267-284-5000. The Middle States Commission on Higher Education is an institutional accrediting agency recognized by the U.S. secretary of education and the Commission on Recognition of Postsecondary Accreditation. Buffalo State also is accredited by the Board of Regents, University of the State of New York. In addition, the following professional organizations have determined that Buffalo State programs meet their accreditation requirements:

Academy of Nutrition and Dietetics, Accreditation Council for Education in Nutrition and Dietetics (ACEND)*

Accreditation Association for Ambulatory Health Care (Weigel Health Center)

Accreditation Commission for Programs in Hospitality Administration (ACPHA)

Accrediting Council on Education in Journalism and Mass Communications (ACEJMC)

American Alliance of Museums (Burchfield Penney Art Center)

Association of Technology, Management, and Applied Engineering (ATMAE)

Council on Academic Accreditation in Audiology and Speech-Language Pathology (CAA)**

Council for the Accreditation of Educator Preparation (CAEP)***

Council for Interior Design Accreditation (CIDA)

Council on Social Work Education (CSWE)

Engineering Technology Accreditation Commission (ETAC)****

Forensic Science Education Programs Accreditation Commission (FEPAC)

International Association of Counseling Services (Counseling Center)

National Association of Schools of Art and Design (NASAD)

National Association of Schools of Music (NASM)

National Association of Schools of Theatre (NAST)

* SUNY-Buffalo State's Didactic Program in Nutrition and Dietetics is accredited by the Accreditation Council for Education in Nutrition and Dietetics of the Academy of Nutrition and Dietetics, 120 South Riverside Plaza, Suite 2000, Chicago, IL 60606-6995, (312)899-0040 ext 5400. http://www.eatright.org/ACEND

A Place to Learn, Grow, and Prepare for Your Future
Students find that Buffalo State provides the best of both worlds—a suburban-like campus in a vibrant, metropolitan neighborhood. The stimulating intellectual and cultural environment offers many informal social and recreational opportunities. The focus is on academics, with an emphasis on applied, marketable skills grounded in a strong liberal arts education. Buffalo State is large enough to offer a tremendous variety of educational programs, yet small enough to offer personal attention in small classes.

Excellent, Comprehensive Academic Offerings
Buffalo State’s 166 major and minor undergraduate programs include several unavailable at any other State University of New York (SUNY) institution: communication design, creative studies, fashion and textile technology, fibers, forensic chemistry, metals/jewelry, urban and regional analysis and planning, and wood/furniture design. The college’s visual arts program is one of the largest and most comprehensive within SUNY. Building on its historical foundation as a teachers college, Buffalo State continues to earn national recognition for the quality of its teacher-preparation programs.

Quality Learning Environment
Buffalo State fosters a learning environment that focuses on advancing each student’s potential. With one faculty member for every 17 students, students interact directly with qualified, committed instructors—four out of five hold the highest degrees in their fields.

Support programs assist students through mentoring, tutorials, workshops, and independent learning experiences. Honors curricula provide enrichment opportunities for advanced students. Campus resources address the specific needs of minority students, students with disabilities, and adult learners.

Diverse Student Body
Buffalo State’s 11,000-plus students represent the largest and most diverse student body of the SUNY colleges. The college enrolls significant proportions of nontraditional (adult), first-generation, and disadvantaged students with demonstrated potential.

Hands-on Career Preparation
Buffalo State and the Western New York community offer plenty of convenient opportunities for students to "learn by doing" through internships with local organizations.

Students gain valuable skills through involvement with applied research and community service programs sponsored by campus centers.

Students preparing to be teachers are involved in classrooms early in their academic careers, and they learn in a variety of educational settings—urban, rural, and suburban. Undergraduate students are encouraged to engage in original research, with assistance from faculty mentors.

Those who wish to learn by experiencing distant places and cultures can earn college credit by participating in a variety of study abroad and national student exchange opportunities.

Convenient, Attractive Campus
The college’s park-like setting features landscaped green space and outdoor gathering spots, along with an eclectic mix of modern and traditional architecture. With 38 buildings on one campus, every destination is within easy walking distance. Forming a "town square" for the college community, four core buildings, including E. H. Butler Library and the Campbell Student Union, are situated around a central, open quadrange.

Vibrant, Metropolitan Neighborhood
Home to the Burchfield Penney Art Center and the Performing Arts Center at Rockwell Hall, Buffalo State’s campus is a featured attraction of Buffalo’s Elmwood Museum District. Nationally recognized cultural and recreational amenities are within easy walking distance, including the Albright-Knox Art Gallery and the historic 367-acre Delaware Park. Distinctive shops and restaurants help give "the Elmwood strip" its characteristic flavor.

Buffalo and Beyond
Buffalo State students enjoy all the advantages of living in New York State's second-largest metropolitan area. Downtown Buffalo features national touring productions at Shea’s Performing Arts Center, AAA minor-league baseball at Coca-Cola Park, Sabres hockey and major concerts at HSBC Arena, and trendy night life along Chippewa Street. Niagara Falls—one of the world’s most visited natural wonders—is a half-hour away; cosmopolitan Toronto, Canada’s largest city, is about a two-hour drive from campus.

The State University of New York
As a comprehensive public university, the State University of New York provides a meaningful educational experience to the broadest spectrum of learners. More than 414,000 students are pursuing traditional study in classrooms and laboratories or are working at home, at their own pace, through
such innovative institutions as the SUNY Learning Network
and Empire State College.

The Covenant

Buffalo State Is Committed to Providing:

Superb Teaching Faculty
Buffalo State faculty members are:

- Dedicated teachers.
- Nationally renowned scholars who bring the latest re-
search to the classroom.
- Degreed professionals, not teaching assistants.
- Among the best in SUNY—more than 50 have received
the SUNY Chancellor’s Award for Excellence.

Innovative and Relevant Programs

- The Intellectual Foundations 2014 (IF 14) or core curric-
ulum ensures that students have a broad-based education.
- The professional curriculum—the academic major—
prepares students for career success.
- Accredited professional programs.*
- State-of-the-art technologies, facilities, and library.

An Excellent Learning Environment

- The only SUNY campus in a major metropolitan area,
offering exceptional cultural and recreational opportuni-
ities—all within walking distance.
- A dynamic and diverse faculty, staff, and student body.
- Strong student support and academic services, delivered
by a committed professional staff.
- Outstanding library, with a strong technical and comput-
ing infrastructure.

The Buffalo State Student Is Committed to:

First and Foremost, Being a Student
Academics is the driving, paramount goal of student life. It
means a dedication to study and being fully prepared for
classroom, laboratory, or studio.

Making Progress Toward a Degree
Advance through your program at the expected pace, whether
you are a full-time, part-time, day, or evening student.

Graduating
*Copies of accreditation papers are on file and may be
viewed upon request.

Oath of Matriculation

As a new student to Buffalo State, being now admitted to the
rite of matriculation in baccalaureate studies, I do pledge to be
an exemplary learner; to place the highest value on my intellec-
tual, personal, and professional growth; and to respect learning
and knowledge.

My priority is to be an educated person, to make significant
progress in my program of study, and to graduate. As a student
at Buffalo State, I will conduct myself with dignity, honesty,
and civility, respecting the views and diverse backgrounds of
my teachers and peers, enhancing the quality of life of my
community, and promoting the welfare and esteemed reputa-
tion of Buffalo State. This I pledge to myself.
Facilities, Services, and Special Programs

Academic Opportunities Cluster
University College
South Wing 510, (716) 878-3093

Muriel A. Howard Honors Program
http://honors.buffalostate.edu/
The Muriel A. Howard Honors Program, a special admissions program, rewards students with opportunities for applied internships, scholarships, and research. Participants engage in special seminars and have access to their own residence hall and lounge.

Campus Academy for the Scholarship of Teaching and Learning (CASTL)
Buffalo State is a participant in the Teaching Academy Campus Program, designed to foster a network of campuses that provides the structure and support for promoting the scholarship of teaching and learning. Both faculty and staff benefit from the research conducted at Buffalo State. The work of faculty who study the improvement of college teaching is reflected in relevant, meaningful learning experiences for students.

Academic Standards and Intervention
Twin Rise 100
716-878-5222
http://academicstandards.buffalostate.edu/

Academic Intervention
South Wing 110, (716) 878-3734

The Academic Intervention program provides guidance and support to undeclared students who have been placed on academic warning (GPA below 2.0 after a student’s first semester at Buffalo State) or on academic probation (GPA below 2.0 after a student’s second or later semester at Buffalo State).

Academic Standards Office
Twin Rise 100
716-878-5222
http://academicstandards.buffalostate.edu/
The Academic Standards Office assists in upholding the academic policies of Buffalo State and maintaining the academic integrity of the college. The office provides assistance to students in interpreting academic policies and compliance standards that may affect their academic status or financial aid eligibility. Faculty and staff are encouraged to contact the Academic Standards Office for assistance in resolving academic appeals and probationary student issues.

Barnes & Noble at Buffalo State Bookstore
Campbell Student Union, (716) 878-5509
http://buffalostate.bncollege.com

The bookstore carries a wide range of merchandise, including textbook rental, new, used, and digital textbooks; trade books; special-order books; emblematic clothing; art, school, and office supplies; greeting cards; gifts; and computer supplies. The store features a Starbucks Café with computers and wireless access. The store accepts cash, personal checks, credit cards, and Bengal Bucks. A bookstore deferment program is available. The bookstore is a service of Barnes & Noble College Bookstores Inc.

Buffalo State Dining Services
Campbell Student Union 105K, (716) 878-4128
http://www.dineoncampus.com/BSC/

Buffalo State Dining understands and caters to the unique needs and expectations of today’s college students. We ensure each student’s dining experience is distinctive, memorable and satisfying. We nourish students with great food, healthy menu options and stimulate their minds by meeting and exceeding their expectations. Buffalo State Dining offers many dining locations throughout campus, including an all-you-care-to-eat dining hall, Argo Tea, Café Oh-Le, On The Go, Choc-O-Late, and a food court containing nine venues including Subway, Salsarita’s, SpO’T Coffee, Jamba Juice, Train Grill, The Bengal Creamery (Featuring your favorite Ice Creams), 2.Mato (Italian Cuisine), Chop’d (Made to Order Salads) and more.

Meal plans are available with many resident and commuter plan options. Meal Plans are required for resident students who have not reach junior status (60 credits). Each plan gives our students the convenience, variety and savings that fit every student’s needs. All dining locations accept tax-free dining dollars, cash, credit cards and Bengal Bucks. To purchase a meal plan or to add funds to your student account go to www.dineoncampus.com/BSC, visit E.H. Butler Library Room 108, or call 716-878-5152.
Burchfield Penney Art Center at Buffalo State  
(716) 878-6011  
www.burchfieldpenney.org

In November 2008, the new Burchfield Penney Art Center opened to the public. The $33 million structure is the first new art museum to be built in Buffalo in more than a century and is the first "green" art museum in New York State. The museum is home to more than 7,800 works by more than 600 artists from Western New York, including the largest public collection of works by Charles E. Burchfield. The Burchfield Penney is accredited by the American Association of Museums. General admission to the Burchfield Penney is free to faculty, staff, and students of Buffalo State. Gallery hours are Tuesday, Wednesday, Friday, and Saturday from 10:00 a.m. to 5:00 p.m., Thursday from 10:00 a.m. to 9:00 p.m., and Sunday from 1:00 to 5:00 p.m. The Museum Store, offering one-of-a-kind gifts by Western New York artisans and merchandise celebrating Burchfield, is open during gallery hours.

Campbell Student Union  
Campbell Student Union 400, (716) 878-3136  
http://studentunion.buffalostate.edu/

The Campbell Student Union is located in the center of campus and is your on campus "Home Away from Home"! We house an exciting blend of student services, activities, and recreation designed to help you make the most of your college experience. The Barnes & Noble Bookstore, USG Game Room, and Campbell Student Union Information Center are located in this facility, as are the offices of the Dean of Students, the Associate Vice President for Student Success, Campus Dining Services, United Students Government (USG), the International Student Affairs Office, and the Student Life Office. The campus radio station, WBNY-FM 91.3, makes its home here, along with 19 other diverse student organization offices. The Student Union offers a variety of newly renovated, state of the art programming space for the campus community, along with several informal lounges, café, and study areas, and the state of the art Residential and Retail dining facilities. Stop by for a cup of coffee, a meal with friends or faculty members, shoot some pool, and then stay for a fashion show, a band, a lecture, and all of the other fun things we have to offer!

Career Development Center  
http://cdc.buffalostate.edu/  
Volunteer & Service Learning Center  
http://vslc.buffalostate.edu/  
Cleveland Hall 306, (716) 878-5811

The Career Development Center (CDC) provides a full range of career counseling services to help students select a major, plan a career, apply to graduate school, and identify internship and employment opportunities. They also connect students with current occupational information, including salary, qualifications and educational requirements. Assessment and exploration programs are available to assist in selecting a career well-suited to students' interests, strengths, and other personal characteristics. In addition to hosting ORCA, a website listing full-time, summer, and part-time jobs, as well as internships and volunteer opportunities, the CDC links students with employers through job fairs, on-campus interviews, and job-search programs. The CDC also houses the Volunteer and Service-Learning Center (VSLC), where students can find a wide-range of both long and short-term volunteer opportunities including Alternative Break, Community Service Days, and Volunteer Fair. The VSLC also supports service-learning courses, giving students the opportunity to apply what they learn in the classroom and make a difference in the community.

Center for Excellence in Urban and Rural Education  
Caudell Hall 107, (716) 878-3610

CEURE—the Center for Excellence in Urban and Rural Education—is committed to the enhancement of high-need urban and rural schools through the recruitment, retention, and continuing education of highly qualified teachers, as well as the support of reform efforts and research about effective schools. To support educational reform and school improvement, CEURE partners with schools, community groups, foundations, and other institutions of higher education across Western New York.

CEURE offers a variety of programs and services to school partners and campus colleagues. Partnerships are developed in conjunction with our undergraduate and graduate teacher-education programs, and include such collaborative efforts as:

- specialized staff-development programs for teachers and administrators;
- alternative certification opportunities for high-need subject-area teachers;
- internship opportunities;
- future and nascent teacher mentorship and support programs;
- school partnership projects that employ teacher-education majors as tutors;
- grant submission and program implementation.

Child Care Center (Buffalo State Child Care Center)  
Buckham Hall, (716) 878-5335

The Buffalo State Child Care Center is open to the children of Buffalo State students, faculty, and staff. The Center is also open to children of community members. Accredited by the National Association for the Education of Young Children (NAEYC) and licensed by the New York State Office of Children and Family Services, the Center accepts children between the ages of 6 weeks and 5 years on a first-come, first-served basis. A summer school-age program is also available for children (up to age 12). The Center is committed to providing developmentally appropriate programs in a safe, predictable environment, where children can develop socially, emotionally, cognitively, and physically.

College Writing Program  
South Wing 130, (716) 878-5451  
http://writing.buffalostate.edu/  
http://writing.buffalostate.edu/
The College Writing Program provides oversight for the writing courses required of all Buffalo State students, CWP 101 and CWP 102. CWP 099 is a non-credit-bearing course which is sometimes required to prepare students for those writing courses. It is administered by Academic Support Programs. The College Writing Program also provides support for the Intellectual Foundations 2014 (IF 14) Writing Across the Curriculum requirement and administers the Writing Help Center located in Butler Library.

Computing and Technology Services
Twin Rise 206, (716) 878-4611
http://cts.buffalostate.edu

Computing and Technology Services supports computing hardware, software, and networking for instruction, research, and administrative activities on campus. There are many public and department-specific networked labs as well as wireless access available across campus. Labs are equipped with up-to-date computers and a variety of standard and curriculum-specific state-of-the-art software to support the educational needs of the campus. Campus computing- and technology-related questions can be directed to the Computing Help Desk, chd@buffalostate.edu, located in E. H. Butler Library. Visit the CTS website for additional information and supporting materials.

Continuing Professional Studies
Cleveland Hall 210, (716) 878-5907
http://continuingstudies.buffalostate.edu/

Continuing Professional Studies is the academic home of programs for adult students at Buffalo State. In partnership with schools and departments, Continuing Professional Studies provides high-quality credit and noncredit courses, workshops, and certificate programs to both traditional and nontraditional learners using a variety of locations, schedules, and technologies. Continuing Professional Studies manages Summer Session, January Term (J-Term), Veterans Services/Certification Office, Individualized Studies, evening and weekend programs for adult students, online learning programming and development, conference planning, non-credit programming and Say Yes advisement.

Continuing Professional Studies is responsible for recruitment, admissions, and advisement of adult student cohorts at Buffalo State on and off campus. These students typically seek degree completion opportunities using experiential learning options. These options include CLEP and course by contract. Continuing Professional Studies enrolls students in the nontraditional adult student degree, Individualized Studies undergraduate degree, as a part of this option. INS300W portfolio assessment is offered as an opportunity to earn up to 30 credits for learning from life experiences.

Counseling Center
Weigel Health Center, Second Floor, (716) 878-4436
http://counselingcenter.buffalostate.edu/

The Counseling Center provides professional psychological services to students experiencing developmental or situation-specific concerns. The Center also provides outreach and public education efforts to assist campus stakeholders in understanding the scope of psychological issues and directing students to appropriate resources. The staff includes licensed psychologists, licensed clinical social workers, a case manager, and a part-time psychiatrist. Information shared in counseling is confidential and is protected to the full extent of the law.

Dean of Students and Student Judicial Affairs
Campbell Student Union 306, (716) 878-4618

The Dean of Students Office
http://deanofstudents.buffalostate.edu/ and the Student Judicial Affairs Office provide leadership for defining and promoting campus wide expectations for student conduct and behavior. These are expressed in the Compact for a Civil and Caring Academic Community
http://deanofstudents.buffalostate.edu/compact, a set of principles that describes how those who live, study, and work together as members of our college community should treat each other: with civility and respect, with care and concern, and with a commitment to the academic purpose for which Buffalo State exists. The compact is meant to foster conversation, interaction, and reflection on behavior as a way to promote understanding of self and others in the context of a shared community. Use of the compact is encouraged to help promote the expectations arising from its premise that Buffalo State is and should be a civil and caring academic community.

The dean of students works closely with students and student groups to further their intellectual, emotional, and social development. The dean serves as an advocate for the rights of students; offers individual student support; provides programs, services, and co-curricular opportunities; and contributes to policy development. The dean's office will assist victims of sexual violence and assault and helps ensure compliance with victim rights under Title IX of the Civil Rights Act. The dean also provides parents with information about college policies and procedures, along with referrals for assistance to both on- and off-campus resources.

The dean convenes a Students of Concern Care Team
http://www.buffalostate.edu/deanofstudents/x618.xml to respond whenever a student's behavior appears troubled or disturbed, creating cause for concern. The Care Team will investigate reports and determine appropriate action or referral. Emergency concerns must be directed to University Police at (716) 878-6333. The Care Team works closely with faculty to provide awareness and support for dealing with students in difficulty in a compassionate and humane manner while ensuring safety for the campus community.

The Code of Students' Rights, Freedoms, and Responsibilities http://www.buffalostate.edu/studentaffairs/x527.xml is Buffalo State's code of student conduct. The code is administered by the Student Judicial Affairs Office to provide students with a due process review of any complaints made by or against them. Hearing boards composed of students, fac-
uity, and staff consider evidence and issue findings to respond to disciplinary violations.

Disability Services Office
South Wing 120, (716) 878-4500

Buffalo State ensures access to its academic programs, services, and activities on campus to otherwise qualified individuals with disabilities in accordance with guidelines established by the Rehabilitation Act of 1973, Section 504, and by the Americans with Disabilities Amendment Act of 2009. Disability Services http://disabilityservices.buffalostate.edu/ provides advocacy and coordinates appropriate accommodations for students with disabilities. To receive services, students should contact Disability Services and provide appropriate disability-related documentation. If you believe you may have an undiagnosed disability, please feel free to contact the office and you will be referred to the correct resource.

If you are in need of academic tutoring, please contact the Academic Skills Center http://academicsupport.buffalostate.edu/academic-skills-center.

Educational Opportunity Program
University College
South Wing 710, (716) 878-4225
http://eop.buffalostate.edu/

The Arthur O. Eve Educational Opportunity Program (EOP) was established in 1967 to fulfill New York State’s commitment to access to higher education. The program is for students of all racial and ethnic backgrounds who have the talent and ability to succeed in college but have been placed at a disadvantage for access by financial and academic circumstances.

First-Year and Academic Support Programs

Academic Advisement Center
South Wing 110, (716) 878-5223
http://academicsupport.buffalostate.edu/academic-advisement-center

The Academic Advisement Center assists students in making the academic and personal choices that help them identify and accomplish their educational, professional, and personal goals. The Academic Advisement Center serves all Buffalo State students, but regards undeclared students as its primary constituency.

Academic Skills Center
South Wing 330, (716) 878-4041
http://academicsupport.buffalostate.edu/academic-skills-center

The Academic Skills Center provides free tutoring and workshops for all Buffalo State students seeking supplemental instruction in their courses. Its team of professional tutors is ready to address questions regarding both coursework and scholarship. Tutors meet with students one-on-one or in small groups, handling an array of subjects that include business, humanities, languages, math, science, statistics, and writing.

Academic Support Programs
South Wing 310, (716) 878-5303
http://academicsupport.buffalostate.edu

The Academic Support Programs unit offers services that are designed to help ensure successful study at Buffalo State. Units include the Academic Advisement Center, the Academic Skills Center, Collegiate Science and Technology Entry Program (C-STEP), developmental college success courses, and Credit for Experiential Learning.

Credit for Experiential Learning
South Wing 310B, (716) 878-5303

Buffalo State recognizes college-level experiential learning and regards such potential academic credit as similar to transfer credit. Students demonstrate that their experiential learning is comparable to specific Buffalo State credit-bearing courses. Such equivalence can be demonstrated through the course-challenge process or through portfolio preparation. Both options are ultimately reviewed by the appropriate academic department. Students may receive as many as 30 credit hours through experiential learning review. Any credit awarded will be recorded as credit (cr) on students’ transcripts, rather than by letter grade. Credit for experiential learning is limited to matriculated students at Buffalo State.

First-Year Programs
Twin Rise 100, (716) 878-5906
http://universitycollege.buffalostate.edu/firstyear

Buffalo State offers several courses and programs designed to help new students refine and strengthen academic skills that will serve as a basis for success. UNC 100, UNC 111, UNC 120, and UNC 150 offer entering students access to small classes.

Learning Communities
Twin Rise 100, (716) 878-5906
http://learningcommunities.buffalostate.edu/

Learning Communities (LC) provide a cluster of courses that incoming first-year students take in common around a central theme or concept. These courses fulfill Intellectual Foundations general education requirements. In addition, LC students who are campus residents live in a shared residential area. All LC students—residential and commuter—have access to their own gathering places with computers and kitchens. They meet with other students, faculty, and professional staff members at special LC events.

Great Lakes Center
Science Building 261 and Porter Avenue, Buffalo, (716) 878-4329
http://greatlakescenter.buffalostate.edu/

The Great Lakes Center brings together more than 25 affiliated faculty from eight academic departments at Buffalo State.
to conduct research in aquatic ecology, fisheries, environmental toxicology and chemistry, urban ecology, watershed dynamics, and environmental education.

The center consists of a complex of laboratories on the main campus and an aquatic research laboratory on the 4.5-acre site at the junction of Lake Erie and the Niagara River. The Great Lakes Center also maintains two 28-foot vessels, a 25-foot heavy lifting work boat, several Boston Whalers, an electrofishing boat, johnboats, and a number of smaller boats for near-shore work, as well as a variety of sampling instruments.

**Instructional Design Office**

**Instructional Design**
Bulger Communication Center 106, (716) 878-3877
http://rite.buffalostate.edu/iss.html

Instructional Support Services provides support for the design and development of online, hybrid, and web-enhanced courses. We offer workshops on campus supported technology to support the integration of technology in teaching and learning. The office also supports students by providing assistance with Blackboard and can assist students in locating online courses within the SUNY system
http://open.suny.edu/ http://open.suny.edu/. Additional assistance with Blackboard be located on the Instructional Resources Blackboard Website
http://rite.buffalostate.edu/student-support.html
http://rite.buffalostate.edu/student-support.html , contacting the Open SUNY Support Help Desk at 1-844-673-6786 (1-844-OPENSUNY) or by submit an online request on the Open SUNY website
http://open.suny.edu/support/contact-us/current-students/

**Equipment Loan**
Bulger Communication Center 204, (716) 878-4535
http://ir.buffalostate.edu/equipment-loan.html

IR Equipment Loan provides various types of A/V equipment for use on campus- including Smart Carts, sound systems, conferencing devices, banner stands, and A/V accessories. The office also offers training and consultation for events setups involving audio or video needs. Faculty, staff, students, and student groups at Buffalo State can borrow equipment for on-campus use, free of charge.

**Intellectual Foundations**
University College
Twin Rise 100, (716) 878-5906
http://intellectualfoundations.buffalostate.edu/

The Intellectual Foundations program is the general education program at Buffalo State. Serving as the college’s liberal arts curriculum since fall 2006, the Intellectual Foundations program promotes an understanding of the continuity of human history, the depth of inherited knowledge, the validity of diverse modes of inquiry, the value of artistic expression, and the richness of our collective experience. Its purpose is to develop the skills and habits of the mind required for a life of intellectual curiosity and civic engagement.

**International and Exchange Programs**
http://studyabroad.buffalostate.edu/
University College
South Wing 410, (716) 878-4620

**Center for China Studies**
South Wing 430D, (716) 878-6328

The Center for China Studies promotes and coordinates research, scholarly exchanges, academic programs, and economic development with China. Center activities advance the intellectual, personal, and professional growth of students, faculty, staff, and the general community by providing an international perspective regarding China in the context of an ever-changing and diverse world.

**International Education Office**
South Wing 410B, (716) 878-4620
http://studyabroad.buffalostate.edu/

International study is available in more than 50 countries overseas through Buffalo State and SUNY-sponsored programs. The International Education Office coordinates Buffalo State-sponsored international study in Australia, Canada, China, England, Italy, the Netherlands, Puerto Rico, Romania, and Spain. Faculty and staff may develop short-term study sessions in other countries as well.

**International Graduate Programs for Educators**
South Wing 430, (716) 878-6832

International Graduate Programs for Educators fosters lifelong academic, intellectual, and personal success through the promotion and dissemination of research, information, publications, and other resources focusing on learning, teaching, and productivity styles. The center delivers overseas master’s, graduate, and professional development programs taught by faculty members in the Computer Information Systems, Creative Studies, Educational Foundations, and Elementary Education and Reading departments. The program’s office is an affiliated center of the International Learning Styles Network.

**International Student Affairs Office**
Campbell Student Union 400, (716) 878-5331
http://internationalstudentaffairs.buffalostate.edu/

Various services are available to international students through the International Student Affairs Office, including academic advisement and personal counseling. In addition, the office helps students regarding visas, work permits, and regulations of the Department of Homeland Security. A one-day international orientation program is provided for new international students at the beginning of each semester. The office distributes numerous publications, including Information for New Students from Abroad, International Student/Scholar Orientation Guidebook, Directory of Faculty and Staff with International Qualifications, Guide to Businesses and Attractions in Western New York, and Newsletter International. The office also administers English-language competency and placement exams. International Student Affairs coordinates the American Host Family and International Friendship programs, pairing international students with American families. It coordinates a Global Perspectives
program in the Western New York community, an English Conversation program, a Residence Hall Peer Mentor program, a Faculty/Staff Resource program, and the college’s International Alumni program. The office organizes international cultural events, workshops, and seminars throughout the year on campus.

Special Programs Office
South Wing 420C, (716) 878-4328
The Special Programs Office administers National Student Exchange and the Visiting Student Program.

National Student Exchange
South Wing 420
www.nse.org
National Student Exchange is designed to expand the scope and variety of academic, social, and cultural experiences available to students. It enables qualified students to spend a semester or a year at one of more than 200 colleges and universities in the United States, its territories, and Canada. The program, organized through the National Student Exchange Consortium, provides an inexpensive means of studying in another state by paying tuition at Buffalo State or at the host school at the resident rate. To be eligible, a student must be in good academic standing and have a minimum GPA of 2.5.

Visiting Student Program
Buffalo State students may attend participating colleges and universities for a semester or a year and transfer credit hours to Buffalo State. Students should consult with their academic advisers about institutions that best meet their educational goals. Departmental approval is required as part of the application process, which is coordinated by the Special Programs Office. Deadlines are May 1 for the fall semester and November 1 for the spring semester. There is no visiting student status during the summer.

Library (E. H. Butler Library)
(716) 878-6300
library.buffalostate.edu

E. H. Butler Library is committed to supporting the scholarship, research, and creativity of the Buffalo State academic community with more than a million research materials, including more than 670,000 printed books, a growing number of electronic books, and access to full-text articles from thousands of periodicals.

Butler Library’s Information Commons brings together important services to help you successfully complete your academic projects. Librarians are available to provide expert research assistance. The Writing Help Center, a partnership with the College Writing Program, assists students with writing and composition of all kinds. Computing Help Desk staff members provide technical assistance with campus computers, printers, and network issues. The Bengal ID Card Office offers support in all areas of operation relating to the official card used for dining, printing, vending machines, and library services.

Computer labs are located on the first floor of the library, and wireless access is available throughout the library building. StudyQuad and QuietQuad, open 24 hours a day during the fall and spring semesters, feature computers with a variety of software applications, an assistive technology room, quiet study space, and group study rooms. Argo Tea offers gourmet coffee and tea, as well as a variety of snacks.

Our specialized collections include the Curriculum Materials Lab, which contains books for children and adolescents, and textbooks for elementary and secondary grades; Archives/Special Collections, which houses the official and historical documents of the college dating from the 1860s to the present; and the Creative Studies Library, a non-circulating collection that supports the International Center for Studies in Creativity at Buffalo State.

Orientation and New Student Programs Office
Porter Hall 14J, (716) 878-5336
http://orientation.buffalostate.edu/

First-year and transfer students actively engage in the enriching educational experiences offered at Buffalo State during their orientation session. Interacting with faculty, confirming course schedules, learning about student services, and a variety of social activities are included in orientation. First-year students meet on campus for a two-day orientation program the week before classes begin. Transfer students receive academic advisement throughout the summer, and come to campus for a one-day program the week before classes begin to become acquainted with Buffalo State. Both orientation programs offer an opportunity to form relationships with faculty, staff, upper-class students, and incoming peers inside and outside academic majors. Attendance is mandatory and a program charge is required. Parent/family member programs are offered as an optional program, and run concurrently with the new student orientations.

Performing Arts Center
Rockwell Hall 210, (716) 878-3032
Box Office: (716) 878-3005
http://music.buffalostate.edu/facilities/pac

The Performing Arts Center (PAC) at Rockwell Hall is an 856-seat multipurpose theater that enhances the cultural vitality of the campus and Western New York community. The PAC hosts a variety of events each year. Lectures, concerts, musicals, and more highlight the annual calendar of more than 150 events. The Great Performers Series showcases world-class artists from a wide range of performance genres. The Artsplorations Series offers Western New York schoolchildren the opportunity to attend a live theater performance. The Buffalo State Music Department presents more than 50 concerts each year at the PAC, featuring the Philharmonia, Wind and Jazz Ensembles, Chamber Music Ensembles, and Choral presentations.

Pre-Law Advisement
School of Natural and Social Sciences, Dean’s Office
Classroom Building A113, (716) 878-6674
Buffalo State provides pre-law advisement to assist students who plan to attend law school. Faculty members knowledgeable of the legal profession are available for consultation on such matters as recommended undergraduate courses, LSATs, and law school admissions practices. Students interested in pre-law advisement should contact the chair of the Pre-Law Advisement Committee early in their Buffalo State studies for consultation and a copy of the pre-law handbook.

Pre-Medical and Pre-Health Professional Advisement
School of Natural and Social Sciences, Dean’s Office Classroom Building A113, (716) 878-6674

Health professions schools require a strong undergraduate preparation in the sciences. Buffalo State offers all the courses (biology, chemistry, mathematics, and physics) required for admission to medical, dental, osteopathic, veterinary, optometry, podiatry, chiropractic, and other health professions schools. Individual schools have their own requirements, and Buffalo State offers a course of study that should meet the requirements of any health professions school. The entrance examinations for medical, dental, and other health professions schools test for mastery of material from these courses.

It is very important that students who are interested in the health professions contact the pre-health adviser as soon as possible (freshman or sophomore year) to begin the advisement process and to plan the application process. The pre-health professions adviser and the Pre-Health Advisory Committee assist students who are interested in entering one of the health professions by providing advice about the application process and preparing supporting materials for students’ applications.

Reserve Officer Training Corps
U.S. Army Reserve Officer Training Corps (ROTC) classes are offered at Buffalo State through Canisius College. Military science classes are intended to introduce students to Army leadership principles and basic military concepts. Military science classes are offered free of charge to all interested, and no commitment or obligation is required. Students may enroll in these courses during the Buffalo State registration period. Contact Battalion Recruiting Officer, Rebecca Sparacino (LTC, Retired), (716) 888-3239, rotec1@canisius.edu, for more information.

Residence Life Office (On-Campus Housing)
Porter Hall, (716) 878-3000 http://residelife.buffalostate.edu/

A variety of on-campus housing options are available at Buffalo State, including traditional-style housing (Neumann, Perry, Porter, and Cassey halls) for first-year students; suite-style facilities (Towers 1-4, North Wing) for sophomores, juniors, seniors, and international students; and fully furnished apartments (Moore Complex and the Student Apartment Complex) for sophomores, juniors and seniors. Several units in Moore Complex are designated for students with dependent children (under the age of 18). Other housing options include honors student housing, Native American, Diversity, Music and Theater suites. Year-round housing is provided for students with dependent children (Moore Complex), interna-
tion of approved off-campus credit-bearing program must be included.

Other exceptional circumstances will be considered by the Parking Appeals Committee. Requests for exceptions to this policy are to be submitted in writing by the student to Director of Parking Services, Buffalo State College, 1300 Elmwood Avenue, Buffalo, NY 14222. Requests will be reviewed by the Parking Appeals Committee. Decisions of this board are final and not subject to further appeal.

All waivers to this policy will be issued for a specific period of time as determined by the committee. If a student who has been issued a waiver to this policy receives a violation to the campus parking policy, the waiver will be revoked.

Speech-Language-Hearing Clinic

Caudell Hall, (716) 878-3530
http://speech.buffalostate.edu/speech-language-hearing-clinic

The Speech-Language-Hearing Clinic provides speech, language, and hearing services to individuals of all ages. Services are provided by graduate students in the Speech-Language Pathology Department under the direct supervision of faculty and professional staff members who are licensed by New York State and hold the Certificate of Clinical Competence from the American Speech-Language-Hearing Association.

State-of-the-art equipment aids clinic staff in the diagnosis and remediation of a variety of disorders, including articulation and phonological disorders; language impairments in children; aphasia; hearing, voice, and fluency disorders; and traumatic brain injury. The staff also works with people who wish to modify their accents. Services are free to Buffalo State students.

The Buffalo State Speech-Language-Hearing Clinic does not discriminate in the delivery of clinical services on the basis of race or ethnicity, gender, age, religion, national origin, sexual orientation, or disability.

Student Government (United Students Government)

Campbell Student Union 402, (716) 878-6701
www.usgbuffstate.org

USG is the United Students Government, representing the students of Buffalo State since 1971. USG is headed by students who are elected each year by the undergraduate student body. USG is maintained with the support of a professional staff and funding through the mandatory student activity fee. In addition to the activities of the student government, USG supports over 60 funded and recognized student organizations, each providing general and specialized events and activities for students with diverse interests. Some of the services USG provides to students include the Dental Clinic, USG Game Room, Press Services, USG Media Sign, and Whispering Pines College Camp; a one square mile piece of property in Franklinville, New York with two visitor lodges for which USG member organizations are given priority to reserve.

USG consists of three operating branches of governance: the executive branch, responsible for establishing long-term goals for student government; the senate, the legislative branch of USG; and the judicial council. All undergraduate students are members of USG and are eligible to run for any elected position for which they are qualified. Senate meetings are held every Tuesday night during the academic year at 8:45pm in the Assembly Hall of the Campbell Student Union and are open to the general student body to attend.

Student Life Office

Campbell Student Union 400, (716) 878-4631
http://studentlife.buffalostate.edu/

The Student Life Office provides experiences which enhance students’ co-curricular life on campus. Student Life. Whether through campus activities such as Weeks of Welcome or Union Bash; advisement of clubs and organization or the development of specialized programs such as mentor programs, leadership workshops or mentoring programs. The staff is here to assist our Buffalo State students in gaining the most of the co-curricular experience on campus. Opportunities for students to participate in more than 80 recognized student organizations, student leadership roles, campus committees, United Students Government, community service programs, and educational programs collectively enhance the campus community as well as the collegiate experience for each student.

The Student Life Office encompasses the following areas: campus activities, including Weeks of Welcome and Union Bash; Greek Life, overseeing many fraternities and sororities; leadership development series; and specialized programs for commuter students. The office also coordinates the nationally recognized NIA Mentor Program, which pairs incoming students of color with faculty and staff mentors as well as peer mentors for year-long relationships. Student Life collaborates with students, faculty, staff, alumni, and community leaders to provide innovative and purposeful programs to prepare students for a diverse and changing world.

Student Success Office

Campbell Student Union 223, (716) 878-3506
http://studentsuccess.buffalostate.edu/

Student Success is responsible for coordinating, supporting and managing programs in Student Affairs that help to facilitate student retention and graduation through the synergy of the offices of Orientation and New Student Programs, Residence Life, and Student Life, Dining and Auxiliary Services and the Buffalo State Child Care Center. Student Success manages a comprehensive institutional approach to the administration of Student Success by collaborating with external and internal constituencies, faculty, staff, academic departments and student support services to attain student success goals. Two initiatives that are under Student Success that supports students and retention efforts are Mapworks and the COMPASS program. Student Success works closely with faculty and staff to promote best practices in student retention and coordinates Student Affairs division-wide assessment initiatives to ensure we are meeting student retention goals. The office also works with other units across the
College to foster a campus climate that is welcoming and supportive of our diverse student population.

**Undergraduate Research Office**

South Wing 510, (716) 878-3093
http://undergraduateresearch.buffalostate.edu/

The Undergraduate Research Office coordinates campus efforts to encourage and support undergraduate research and creativity in ways that build on scholarly and creative interaction between students and faculty.

**Transportation Services**

As an urban campus, Buffalo State is a very accessible, walkable college and is located in a vibrant district and surrounded by trendy cafes, restaurants, shops, and Victorian-styled housing.

Information on various modes of transportation for traveling to and from Buffalo State, campus parking, and much more, is accessible at our Transportation Services Web site http://financeandmanagement.buffalostate.edu/transportation-services.

**University Police**

Chase Hall 100, (716) 878-6333
http://police.buffalostate.edu

The State University Police Department at Buffalo State is the law-enforcement agency responsible for crime prevention and control, criminal investigations, traffic and parking supervision, physical plant security, disaster coordination, community policing, and the maintenance of public order. The department offers many special services, including personal-safety awareness education, a motorist assistance program, a safety escort service, and a found-property department.

To make arrangements for educational programs, complete the request form at http://police.buffalostate.edu/educational-programs

**Crime Statistics Availability**

A copy of the Buffalo State campus crime statistics as reported annually to the U.S. Department of Education will be provided upon request. Please direct all requests to the Chief of University Police, Chase Hall, Buffalo State, 1300 Elmwood Avenue, Buffalo, NY 14222, (716) 878-6332. Information also can be obtained from the U.S. Department of Education Web site at http://ope.ed.gov/security http://ope.ed.gov/security or University Police’s Web site at http://police.buffalostate.edu/.

**Parking Rules and Regulations**

The rules governing motor vehicles on campus are intended to ensure maximum pedestrian and vehicular safety and to establish the most convenient arrangements possible for students, staff, and visitors. Motor vehicles may park in any of the designated areas shown on the campus map. Only vehicles with special permits authorizing them to park in spaces designated for persons with disabilities are allowed to park in such spaces. All vehicles parked on the grounds of Buffalo State must display valid college parking permits. Maps and parking permits are available in the Parking Services office, Chase Hall 126 and at http://suny.buffalostate.edu/parking http://suny.buffalostate.edu/parking

Parking is prohibited:
- On all roadways
- In all fire lanes
- On lawns, grass, or grounds
- On or over painted lines in parking areas or crosswalks
- In such a way as to interfere with free and proper use of a roadway or pedestrian crossings
- The department may authorize towing of any vehicle found to be in violation of the college’s rules and regulations. Violations will result in parking fines and/or summonses. The college assumes no responsibility for automobiles and/or their contents. Rules regarding parking for persons with disabilities are strictly enforced. Parking tickets may be paid online at http://suny.buffalostate.edu/parking

Paying fines is also possible in the Student Accounts Office, Moot Hall 260. Payments may also be made via US Mail to SUNY Buffalo State Parking Services, Chase 126, 1300 Elmwood Avenue, Buffalo, NY 14222 (check or money order only). For more information, call the Parking Services Office at (716) 878-3041.

**Veterans Services/Certification Office**

Cleveland Hall 210, (716) 878-5907
http://continuingstudies.buffalostate.edu/veteran-and-military-services

The Veterans Services/Certification Office provides one-stop support services for veterans entering college. The office coordinates support services for current and prospective students who are veterans, service persons, or dependents or survivors of veterans with Veterans Affairs educational benefits. Support services include recruitment and advisement, admissions and financial aid counseling, 9/11 bill packaging, and liaison to student veterans organization. The office also provides information regarding free parking, securing in-state status for active duty military and reservists, and orientation fee billing.

Information on current regulations affecting educational benefits, tutorial assistance, and dependency allowance also is provided. The attendance form can be found at http://continuingstudies.buffalostate.edu/veteran-and-military-services
Weigel Health Center
(716) 878-6711
http://weigel.buffalostate.edu/

The Weigel Health Center provides health and wellness services for all registered students. In addition to diagnosing and treating illness and injury, the professional staff stresses health education and preventive medicine. Students are seen on an appointment basis or a walk-in basis if a clinician is available. There is no charge for most services. Laboratory services are available at Weigel Health Center. Some services may be sent to an outside lab which may result in insurance co-pays.

The Health Promotions program provides the campus community with workshops, trainings, events, and campaigns. Topics include: bystander intervention, wellness, stress, sexual health, tobacco prevention, alcohol and other drug abuse prevention. Internship and volunteer opportunities are available to students. Educational resources also are available for student research or classroom projects.

All students must be in compliance with New York State law regarding immunizations. Measles, mumps, and rubella immunizations are provided at no charge at the center for those students who need vaccinations. Students must be in compliance to register for classes. New York State Public Law and SUNY Buffalo State also requires that all students enrolled complete and return the Meningitis Information Response Form to Weigel Health Center. The form is available at http://weigel.buffalostate.edu/

Due to construction of the new Science and Mathematics Complex, the Whitworth Ferguson Planetarium is now closed. A new state-of-the-art planetarium will be open in the final phase of construction, currently scheduled for 2018. When re-opened, the Whitworth Ferguson Planetarium will continue to serve as a unique Buffalo State resource for the Western New York community. Students studying astronomy, geology, and other courses will use the planetarium as an immersive visualization laboratory. The planetarium will again offer public programs about the planets, stars, constellations, and recent advances in the exploration of the universe as well as programs for schoolchildren, scout groups and a variety of other private groups.

Whitworth Ferguson Planetarium
Science Building 115, (716) 878-4911
Department of Earth Sciences and Science Education
http://www.fergusonplanetarium.net
Admission to SUNY Buffalo State is based on the academic and personal qualifications of the applicant, and is granted without regard to race, sex, ethnicity, national origin, sexual orientation, religion, age, disability, marital or veteran status of individuals. Detailed information regarding procedures is available at admissions.buffalostate.edu. Questions and requests for applications should be directed to the Admissions Office, Moot Hall 110, (716) 878-4017; admissions@buffalostate.edu.

Freshman Admission
Admission is based on academic performance in high school and on space availability. Successful applicants will be those who submit a completed application (i.e., application form, standardized test scores, essay, and high school transcript) with a demonstrated competitive high school curriculum. Special attention is given to grades in math, English, science, history, and foreign language. Students who apply without demonstrated success in a competitive curriculum may be reviewed using an "holistic review" which includes a variety of factors (e.g., standardized test scores, letters of recommendation, strength of high school program completed, extra-curricular participation). Enrolling freshmen must hold a high school diploma, TASC/GED, or New York State-recognized equivalent.

Early Decision
Buffalo State does not participate in Early Decision. Freshman admission decisions are made on a rolling basis beginning in November for fall applicants. Processing continues until new-student enrollment is at capacity. Applicants are encouraged to submit their application as early as possible. Please refer to the Buffalo State website for additional information about the application process at http://admissions.buffalostate.edu.

Early Admission
Well-qualified high school juniors may apply to Buffalo State for full- or part-time study during their senior year in high school under the early admission option. The college offers several options:
- Enrollment on a part-time basis while attending high school.
- Enrollment as a full-time freshman during the last semester of the senior year.
- Enrollment as a freshman for the entire academic year instead of completing the senior year of high school.

The college arranges with the high school to have remaining diploma requirements fulfilled by taking appropriate freshman courses; therefore, high school diploma requirements are met while college credit is earned. Early-admission students are not eligible for federal financial aid.

Admission to All Education Programs
Entry into an educator preparation program at the undergraduate level requires a High School Average of 85% or higher which is considered equivalent to a collegiate GPA of 3.0. Transfer students applying to educator preparation programs must demonstrate a GPA of 3.0 either in the last semester of full time study or as a cumulative average from multiple colleges, whichever is a better representation of ability. Candidates applying to educator preparation programs must submit an SAT or ACT score at the time of admission to the college. Prospective candidates who do not yet demonstrate a 3.0 GPA and/or high school average of 85% or higher should consult advisors in the specific educator preparation program of choice for suggested pathways to achieve successful candidacy.

Educational Opportunity Program
The Arthur O. Eve Educational Opportunity Program (EOP) is designed to provide special admission and counseling to individuals who are academically disadvantaged and in need of financial assistance. Applicants must be New York State residents with a high school diploma or its equivalent. They must show academic promise but not qualify for admission under general admission standards. Candidates must have a family income equal to or less than published standards. Refer to the Buffalo State website for income guidelines, guidelines and application instructions at http://eop.buffalostate.edu.

International Students
Applicants should possess the equivalent of 12 years of elementary and secondary education, and must provide evidence of proficiency in the English language and the ability to meet the financial costs of attending college. Accepted students receive an I-20 form or a DS-2019 form enabling them to
obtain, respectively, an F-1 (student) visa or a J-1 visa from the U.S. Embassy or Consulate in their home country.

All international students must enroll in a group health insurance plan available through the college unless they carry a health insurance policy that provides comparable coverage and the plan is approved by the medical director of the Weigel Health Center. The premium is subject to change each year. There also are rates for coverage during any semester. Please see International Student Health Insurance in the Finance section for information regarding premium amounts. The insurance premium must be paid to the Student Accounts Office, Moot Hall. International students must take their receipts to the International Student Health Insurance Office in Weigel Health Center 201 to prove they have paid for the College Student Health Insurance and to have their enrollment in the plan processed. Failure to do so will automatically cancel registration.

Approximately $34,762 USD a year will be necessary to cover all expenses. Students are to make arrangements prior to entering the country. International students who reside on campus may live in the international residence hall, which remains open during the holidays, or in any other residence hall, provided they move out of the residence hall during holidays. (See International Student Health Insurance Office for additional information regarding international students.) This college is authorized under federal law to enroll non-immigrant alien students.

Transfer Students

A student who has taken at least 3 credit hours of college-level work at a college or university after receiving a high school diploma (or its equivalent) will be considered a transfer applicant. Transfer admission is based on academic performance in college and on space availability. All transfer applicants must submit an official final copy of their high school transcript prior to enrolling at Buffalo State. If 24 or more college credit hours have been taken at the time of application, all previous college academic records are reviewed; if fewer than 24 credits have been taken, the high school transcript and other supporting documents may be factored in the review process (see Freshman Admission).

A minimum GPA of 2.0 out of 4.0 is necessary for consideration, although some programs are very competitive and will require a higher minimum GPA for admission (e.g. Admission to All Education Programs. Transfer students with 60 or more credit hours at the time of enrollment must apply for and be admitted to a specific program. Those with 59 or fewer credit hours may apply for undeclared status. No student who is on academic probation at another institution or who has been academically dismissed in the past year will be accepted.

Previously earned credit will be evaluated for all accepted transfer students. Accepted students may view their audit on Degree Works (http://registrar.buffalostate.edu/degree-works), the college’s online tool which shows your progress towards graduation (i.e. transfer credits, coursework completed and coursework required).

A maximum of 88 credit hours may be transferred from bachelor degree programs at regionally accredited institu-
Special Credit
In addition to credit awarded for traditional college work, up to 45 credit hours may be accepted from the following combined sources:

<table>
<thead>
<tr>
<th>Source</th>
<th>Maximum Credit Hours</th>
</tr>
</thead>
<tbody>
<tr>
<td>1. Published examinations</td>
<td>30</td>
</tr>
<tr>

</tr>
</tbody>
</table>

Further details may be found in the section on Academic Policies.

Military Credit
Credit for military experience and training provided by the Armed Forces will be granted on a case-by-case basis. In addition to credit awarded for traditional college work, every effort is made to award credit for learning acquired in military service that satisfies degree completion, consistent with recommendations of the American Council on Education (ACE) and/or those awarded by the Community College of the Air Force. Official documents (AARTS, SMART, Community College of the Air Force or DANTES transcripts) should be submitted directly to the Office of Admissions.

State University of New York Transfer Guarantee
An opportunity to continue full-time study at a four-year State University college is guaranteed to all New York State residents who transfer directly from a SUNY or CUNY two-year college with an A.A. or A.S. degree. To be eligible, students must:

- File an application with the SUNY Application Services Center by March 1 for fall admission or October 1 for spring admission.
- Provide four-year campuses with an official two-year college transcript, showing three semesters of completed studies, by March 15 for fall admission or by October 15 for spring admission.
- Complete any required supplemental application materials by April 15 for fall admission or by November 15 for spring admission.

The transfer guarantee becomes effective if applicants are denied admission at all SUNY four-year college choices. All applications at baccalaureate campuses must be complete.

First-time freshmen who expect to receive an A.A. or A.S. degree from Erie Community College, Finger Lakes Community College, Genesee Community College, Jamestown Community College, Monroe Community College, or Niagara County Community College, and are in a parallel program may file a single application for admission to one of the two-year colleges and to Buffalo State. These students follow a definitive curriculum at the two-year college, and receive counseling and advisement that will facilitate enrollment into a parallel program at Buffalo State upon completion of the associate’s degree. They will matriculate at Buffalo State as juniors and must meet current admission requirements for their major at the time of matriculation. They can expect to earn the baccalaureate degree for most programs in four additional semesters, provided they take at least 15 credit hours per semester. Students planning to pursue programs requiring certification (e.g., Education) may require more than four semesters of full-time study to finish. Further details are available from the Undergraduate Admissions Office at Buffalo State or the transfer counseling office at the participating two-year college.

Admission Procedures
The college participates in the SUNY application (freshman and transfer) and the national Common Application (freshman only). These forms can be completed and submitted online at www.suny.edu/student, admissions.buffalostate.edu (http://admissions.buffalostate.edu), or www.commonapp.org. Admission decisions are made on a rolling basis beginning in mid-September for spring applicants and mid-December for fall applicants. Processing continues until new-student enrollment goals have been met. Applicants are encouraged to submit their application and supporting materials as early as possible to receive timely consideration.

All matriculating students born on or after January 1, 1957, must submit proof of immunity to measles, mumps, and rubella. Students who cannot show proper proof of immunity will not be permitted to register. A completed health report and physician’s certificate must be on file at the college’s Weigel Health Center.

With the exception of EOP participants, all accepted students must submit a $125 advance tuition deposit. This deposit is applied to the fall or spring semester tuition bill (whichever is appropriate).

Refunds of the tuition deposit are made only under the following circumstances:

1. A refund request must be made within 30 days after the date of acceptance, or by May 1 for summer/fall terms or November 1 for spring term, whichever is later, but prior to the first day of registration.
2. If the college withdraws a conditional acceptance.
3. If the student withdraws to enter military service.
4. If the college comptroller deems that conditions beyond the student’s control warrant a refund and appropriate documentation is provided.

Requests for tuition deposit refunds must be received in writing and include the appropriate documentation.

SUNY Buffalo State Undergraduate Catalog 2016–2017 19
Non-degree Status

Non-degree status enables individuals to take college courses for credit without working toward a degree. Students may enroll in up to 11 credit hours of coursework each semester on a space-available basis. Credits earned may be applicable to a degree at the college if the student applies and is accepted as a formally matriculated student. The only entrance requirement is a high school diploma or its equivalent. Students who have been academically dismissed from any institution must wait one full year from the time of dismissal before enrolling under non-degree status. You may apply online https://bscintra.buffalostate.edu/non-degree/ or download and complete a one-page non degree application http://admissions.buffalostate.edu/sites/admissions.buffalostate.edu/files/uploads/Documents/nondegreeapp514.pdf to be submitted to the Admissions Office. Non-degree students are not eligible for financial aid.

Adult learners without college experience who do not qualify for matriculated study may also enroll as part-time, non-degree students. After completing 15 credit hours of college-level coursework with a minimum GPA of 2.0, they are eligible for degree study pending a completed application. The credit hours that they have earned will be applicable to their degree.

Students are responsible for completing the degree requirements in effect at the time they reach matriculated status.

Readmission

Students who attended Buffalo State previously in a matriculated status and wish to re-enroll must apply for a specific program and have their applications reviewed by the appropriate department. Readmitted students are required to follow the major/degree requirements in effect for the semester in which they are readmitted, as outlined in the undergraduate catalog for that semester/year. If other courses have been taken at other institutions since leaving the college, official transcripts must be submitted.

Undergraduate and graduate students who discontinue attendance without taking a leave of absence can register for classes, without applying for readmission, for up to four fall and spring semesters beyond the semester in which they were last registered, unless they attend another institution, in which case a readmission application is required. Baccalaureate graduates and undergraduate students with less than a 2.0 cumulative average retain registration eligibility for only one fall or spring semester beyond the semester in which they were last registered.

Effective summer 2014, all new transfer and readmitted students at Buffalo State are required to fulfill Intellectual Foundations 2014 (IF 14) requirements regardless of their initial matriculation date into a regionally accredited four-year institution or two-year college. Students who have been academically dismissed must wait one full year from the time of dismissal before being considered for readmission. If readmitted, all coursework taken previously will be considered in computing the cumulative average.

Readmission forms http://www.buffalostate.edu/admissions/documents/readmissionapp0612.pdf are available online.

Summer Session

Departments often choose to offer creative or unique courses in the summer, including online courses. A number of scheduling options are available beginning in late May and running through mid-August. Summer Session courses and course registration dates are posted in January online at http://suny.buffalostate.edu/summer

Students from other colleges are required to complete a non-degree application for admission in advance of registration.

January Term (J-Term)

The January Term or J-Term is a three week mini-term that occurs during the first three weeks of January. It is an opportunity to earn 1-6 credits. For federal aid financial aid processing, the J-Term is considered part of the spring semester.

Matriculated student must secure approval from an appropriate academic adviser to register for more than 6 credit hours. Probationary students seeking to override the 6 credit limit must make the request at their dean’s office.

There is no cross-registration during summer or January Term.

Tuition and Fees

Students are charged per credit hour for J-Term (in addition to their spring charges). Students that attend during J-Term cannot gain federal eligibility for spring. A separate aid application is required for J-Term financial aid. The application is available in November of each year.

http://suny.buffalostate.edu/applying#sessions

http://suny.buffalostate.edu/applying#sessions

Evening Study

Buffalo State maintains no separate evening division. Instead, all students—whether part time or full time, day or evening—are admitted through the Admissions Office. As a result, the provision of basic college services is direct and efficient. Students enjoy the flexibility of being able to switch between day and evening schedules simply on the basis of the courses for which they register. The general programs, policies, procedures, and course descriptions throughout this catalog apply to day and evening students alike.

Of the college’s more than 100 undergraduate academic majors, the 10 available to evening students are career and technical education; computer information systems; electrical engineering technology, electronics; electrical engineering technology, Smart Grid; industrial education; mechanical engineering technology; media production; social work; and urban and regional analysis and planning. Evening-available minors are computer information systems, criminal justice, quality, and safety studies. The courses for each of these programs are sequenced over several semesters so that evening students are able to fit them into their schedules. Courses are offered on weekends and online.

20 SUNY Buffalo State Undergraduate Catalog 2016–2017
Student Retention

The college routinely collects and maintains data regarding student persistence and graduation rates. Buffalo State graduation rates compare most favorably with national benchmarks, averages, and graduation rates for other similar public metropolitan institutions. Further information is available upon request.
Electronic bills (eBills) are now the exclusive billing method for all Buffalo State student account balances. Paper bills are no longer mailed to students. Students should print their QuikPAY statement if needed. All e-billing notifications will be sent to your Buffalo State student email address.

Students are required to pay tuition and fees upon receipt of invoice with cash, credit card, or through a deferred payment plan. Deductions will be made under various financial aid programs upon approval of the Financial Aid Office. Room and board charges must be paid prior to arrival on campus. These charges are usually included in the bill covering tuition and fees. The rates listed below are subject to review and may change without prior notice.

Further information concerning payment is available in the Student Accounts Office, Moot Hall 260, (716) 878-4121, www.studentaccounts.buffalostate.edu.

Resident (for tuition purposes)—As established by the State University Board of Trustees, an individual university registrant is considered a New York State resident and is charged in-state tuition rates when that individual is determined to have a permanent and principal home in New York State for 12 months prior to registration. Those who do not meet this requirement are presumed to be out-of-state residents and are charged out-of-state tuition rates unless satisfactory proof is presented to show that domicile in New York State has, in fact, been established.

Tuition
Tuition for full-time Buffalo State undergraduate students is $3,235 per semester for New York State residents and $8,160 per semester for out-of-state students. Tuition for part-time undergraduate students is $270 per credit hour for New York State residents and $680 per credit hour for out-of-state residents.

Fees
Activity Fee
A mandatory activity fee of $75 per semester for full-time students and $6.25 per credit hour for part-time students is collected to support the activities of more than 80 student groups on campus.

Athletic Fee
A mandatory athletic fee of $159.50 per semester for full-time students and $13.30 per credit hour for part-time students is collected to support intercollegiate athletics.

College Fee
A mandatory college fee of $12.50 per semester for full-time students and $.85 per credit hour for part-time students is collected to support intercollegiate athletics.

Health Fee
All full-time students are required to pay a $153.50 per-semester health fee; part-time students pay $12.80 per credit hour per semester. This fee provides basic medical assistance to students on campus through the Weigel Health Center. A mandatory health fee is collected by all units of the State University system.

Technology Fee
A mandatory technology fee of $163.00 per semester for full-time students and $13.60 per credit hour for part-time students is collected to provide enhancements to campus technology.

**Transportation Fee**
A mandatory fee of $52.00 per semester for full-time students and $4.35 per credit hour for part-time students is collected for the Buffalo State-Niagara Frontier Transportation Authority (NFTA) CRAM (College Riders Accessing Metro) Pass Program. Under this program, all undergraduate students receive an NFTA Metro Pass, which provides unlimited use of the extensive NFTA bus services on and around campus and all NFTA bus and rail services throughout the region.

**Waiver for Off-Site Distance-Education Students**
Waiver for off-site distance-education students
Students enrolled exclusively in off-campus or distance learning courses with no on-campus meetings may be eligible for a waiver or refund of the student health fee (not the mandatory health insurance), athletic fee and transportation fee provided they are not concurrently enrolled in on-campus courses. If a student is enrolled in both on-campus and off-campus or distance learning courses, the fees apply to all courses for which the student is registered.

Broad-based fee waivers are granted on a per-semester basis for Buffalo State students who meet one of these three conditions:
- Those who are enrolled in study-abroad
- Those who reside outside of Erie and Niagara counties and are enrolled exclusively in on-line courses that never meet on campus
- Those who reside outside of Erie and Niagara counties and are enrolled exclusively in other types of classes that never meet on campus

Summer session is deemed one semester for consideration of broad-based fee waivers. Fee waivers are not automatic. Student seeking fee waivers must apply for them.

**Parking Fee**
Students who wish to park on campus pay $70 per academic year and $10 for summer-only permits.
The parking fee is refundable within the first two weeks of class upon surrender of the parking permit.

**Room and Board**
Residence hall room rates are $3,891 per semester for a double-occupancy room. Room rental does not include telephone service, which students arrange with the telephone company. Some single rooms are available, but the college cannot guarantee these accommodations. Meal plan rates vary, starting at $2,475 per semester. Residence hall room rates and meal plan rates are subject to change.

**Miscellaneous Expenses**
Miscellaneous expenses will vary depending on the academic program, personal spending habits, and commute distance.

**Mandatory Student Health Insurance**
The Buffalo State student health insurance plan has been developed especially for Buffalo State students. The plan provides coverage for sickness and injuries that occur on and off campus, and includes cost-saving features to keep the coverage as affordable as possible.

All full-time domestic undergraduate and graduate students who attend Buffalo State are eligible and automatically enrolled in the Buffalo State student health insurance plan unless an online waiver verifying proof of health insurance coverage is completed by the applicable deadline. Part-time domestic students are eligible to purchase this coverage; however, they are not automatically enrolled in the plan. Spouse and dependent coverage is available. Please visit www.weigel.buffalostate.edu for enrollment information or a waiver form, or contact the Weigel Health Center at (716) 878-6711. International students must purchase SUNY International Health Insurance or have comparable coverage.

**International Student Health Insurance**
All international students must be enrolled in a group health insurance plan either through SUNY Buffalo State or a private group plan that has comparable coverage. Students with a private health insurance policy with comparable coverage to the SUNY-mandated health insurance, may request to waive the SUNY Buffalo State insurance with approval by Weigel Health Center. The premium is $1,301.00 per year for August 15, 2015 through August 14, 2016. Premiums are pro-rated for coverage during the academic year. The premium is subject to change each year. All American students studying abroad must carry this insurance.

**Summer Session Tuition and Fees**
Tuition and fees are charged at the credit-hour rate for all courses taken during Summer Session.

**An Estimated Budget**
Estimated college costs can be found in the following table for the 2016–2017 academic year. Costs may vary according to a student’s place of residence, academic program, and individual needs. All tuition rates, fees, and fines are subject to change without notice as directed by the State University Board of Trustees.

Automatic Payment Plan

The college has established a payment plan to assist students and their families in meeting the cost of tuition, fees, room, and board. Information and online enrollment is available from the Student Accounts website at www.studentaccounts.buffalostate.edu.

Refund Policies

All financial refunds are sent to students in the following order:

1. Transferred electronically to the student’s bank account if a direct deposit application is on file in the Student Accounts Office.
2. Mailed to the permanent address of record on file in the Registrar’s Office. Students are responsible for informing the Registrar’s Office of any address change.

Tuition Refunds

Tuition refunds will be processed only if the student officially withdraws through the Registrar’s Office. Students given permission to cancel their registration are responsible for payment of tuition according to the following schedule:

<table>

Room Rental Refunds

During the fall and spring semesters, a refund can be made only if a student withdraws due to circumstances beyond his or her control. Questions covering refunds are addressed in the residence hall license.

Board Charge Refunds

Refunds are calculated according to college and federal regulations and guidelines, less a $20 service charge for processing. No refunds are given after the drop/add session at the start of each semester. Contact the Buffalo State Campus Dining Services Office, Campbell Student Union 223, for additional information.

Activity Fee

College Fee

Health Fee

Athletic Fee

Technology Fee

These fees are refunded only when registration is canceled during drop/add period.

Parking Fee

The Parking Fee is refundable within the first two weeks of class upon surrender of parking permit.

Service Fees

The following fees are administered to comply with mandatory SUNY policy:

Late Registration Fee

Registrations on "late registration day" (the first day of classes) or later are charged a mandatory $40 late registration fee that cannot be waived or deferred. Exceptions are registrations for graduate workshops, independent study, special projects, contracts, and any course requiring performance auditions. Registrations for independent study, special projects, and contracts turned in after the second week of classes that generate the only registration for a student will also be assessed the $40 late fee.

Billing Fee

A billing fee of $30 is assessed to each delinquency notice sent by the college. Late filing of financial aid does not waive this fee. All financial aid should be filed by March 1st.

Late Payment Fee

A $30 fee is charged if the final semester bill is not paid by the due date.

Late Drop/Add Fee

A $20 late drop/add fee is charged for each transaction after the first week of classes. Independent study, special projects, or contracts added after the second week of classes also are charged this fee.

Academic Transcript Fee

There is a $5 fee for each transcript request.

Returned-Check Fee

A $20 fee is charged for each check returned by the bank or any declined credit card transaction. The fee is nonrefundable and cannot be waived. An additional billing fee is charged on any transaction covering a course and/or room registration.
If payment is not received within 10 days from the date of notification, the account is referred to the New York State Attorney General’s Office for collection and handling.

New York State Debt-Collection Mandate

The State University reserves the right to withhold academic records from any student who has not satisfied or made provision to satisfy all obligations incurred in the State University system. Unpaid accounts are, in due course, turned over to an external collection agency. Collection costs are added to the amount of indebtedness.
The goal of the Financial Aid Office is to assist students with securing sufficient funding to cover their educational expenses. Annually, 85 percent of all undergraduate students receive some form of financial aid (federal, state, institutional, and/or private) while attending SUNY Buffalo State.

Staff members in the Financial Aid Office, Moot Hall 230, are available year-round to assist students and their families with the financial aid application process. The staff adheres to the industry's Code of Conduct.
http://financialaid.buffalostate.edu/conduct

Contact the Financial Aid Office at (716) 878-4902 and/or finaid@buffalostate.edu. Additional financial aid information is available on-line at http://financialaid.buffalostate.edu/

Application Procedures

There are multiple steps in the financial aid application process. Students must file the Free Application for Federal Student Aid (FAFSA) after Oc 1st of each year to apply for aid for the upcoming year. We encourage students to apply by Buffalo State’s priority filing deadline date.

The FAFSA can be found on-line at www.fafsa.gov. http://www.fafsa.gov To expedite this process, a student and the parent of a dependent student will need to have an FSA ID; apply at https://fsaid.ed.gov/npas/index.htm. The FSA ID serves as the electronic signature on official financial aid documents.

After submitting the FAFSA, a student will receive a Student Aid Report (SAR) from the federal processor. This form contains the data the student entered on the FAFSA. The Department of Education will send it to the student either by e-mail (3-5 days; if signature page used: 2 weeks) or postal mail (7-10 days; if signature page used: 2 weeks). Students must review the SAR carefully for errors (the form highlights items that may need attention) and follow directions for making corrections. Students are encouraged to submit corrections promptly to avoid long delays in processing of application. Students should retain a copy of the SAR for their records.

Financial Need

Based on financial information provided on the FAFSA, a thorough analysis of the student’s and/or parent’s financial strength, including income, assets, and number of family members in college, will be conducted by the federal processor and the applicants’ Expected Family Contribution (EFC) is computed. The EFC is the amount of money a family can reasonably be expected to contribute. Financial Aid is then awarded based on the resulting comparative measure of need.

Financial need is determined by taking the Cost of Attendance (an estimated budget that includes tuition, fees, room, board, books, supplies, transportation, and a personal allowance) and subtracting from it the Expected Family Contribution (EFC). Students can be funded only up to the amount of the Cost of Attendance.

Approximately 30% of Buffalo State students will be required to complete the review of a student’s financial aid eligibility. This may include the submission of the IRS Tax Return Transcript and other supporting documents. This verification process is required to ensure the accuracy of information provided on the FAFSA. If selected, students and parents will be required to provide the office with the requested documentation before aid will be disbursed to the student.

It is very important for students to respond to all requests for additional documentation in a timely fashion.

Eligibility for Federal Financial Aid

Eligibility for financial aid is based on many factors, including but not limited to citizenship status, matriculation status, enrollment status, financial need, and satisfactory academic progress.

To be considered eligible for federal financial aid, students must:
• be in good academic standing;
• be a U.S. citizen or eligible non-citizen;
• be registered for selective service (males only);
• be matriculated;
• be registered for at least 6 credit hours (except for Pell Grant and TEACH Grant);
• not be in default on a previous educational loan;
• have a high school diploma or equivalent: General Education Development (GED) certificate or Home Schooled.

Matriculation

To be eligible for most forms of financial aid, students must be U.S. citizens or eligible non-citizens and matriculated into degree or certificate programs. Only courses required for a student’s current program of study are eligible for federal aid.
In most cases, students must be enrolled at least half time (6 credit hours) in courses required for their program to be eligible for federal financial aid. Students may be eligible for a Federal Pell Grant and TEACH Grant when enrolled less than half time.

Overawards
An overaward can occur when students are awarded other forms of assistance (e.g., scholarships, tuition waivers, loans, etc.) that causes them to exceed their financial need or cost of attendance. As a result of an overaward, students may have portions of their aid reduced or canceled, which may leave an outstanding balance on their student account.

Students should notify the Financial Aid Office in writing immediately if they receive additional awards or funds that were not included in their award package.

Withdrawal from Classes
If a student who has received financial aid funds withdraws, takes a leave of absence, or drops out during a semester, a portion of the federal financial aid may need to be repaid to the granting institution. In some situations, students may have incurred full liability for charges but only have "earned" a portion of the aid they were awarded. In such cases, the unearned portions of aid will be returned, but students will still owe the full balance to the college. Students who unofficially withdraw (i.e., stop attending classes without formally withdrawing from school) may also be subject to returning a portion of the aid they received. Students considering withdrawing from all courses should consult with the Financial Aid Office before taking any actions.

Return of Title IV (R2T4) Funds
Federal regulations mandate a Return of Title IV Funds calculation when a student receiving Title IV financial aid (e.g. Pell, Perkins, SEOG, and Direct Loans) completely withdraws. If a student never attends, ceases enrollment or withdraws from all courses in the semester and he/she received federal financial aid, the college must determine if these funds are required to be returned to the appropriate financial aid programs within forty-five (45) days.

R2T4 Calculation
The R2T4 calculation may result in a reduction of the student’s federal loan(s) and grant(s) if he/she attended 60 percent or less of the semester. The R2T4 calculation is based on the following:

- The number of days the student attended
- The institutional charges assessed
- The total amount of federal Title IV aid awarded, accepted and/or disbursed

As a result, the school and the student may be required to return any "unearned" federal aid received.

Unofficial Withdrawal
Federal Title IV financial aid is processed for a student under the assumption that the student will attend courses for the entire period for which the financial assistance is provided. A registered student who failed to earn a passing grade in at least one course is presumed to have "unofficially withdrawn" for federal Title IV financial aid eligibility purposes. The Financial Aid Office will work with the student and his/her faculty members to ascertain official proof regarding the student's last date of attendance (known as the withdrawal date) for the semester and perform the R2T4 calculation to determine the "unearned" federal financial aid that must be returned to the designated program(s). The student will be notified by U.S. Postal mail regarding the results of R2T4 calculation.

Academic Withdrawal
While there is no academic penalty associated with the ‘W’ grade, there may be financial aid implications regardless of the reason (e.g. medical; etc.). Any student who received federal Title IV financial aid funding (e.g. Pell Grant, Direct Loans, Perkins Loan, etc.) will have their eligibility recalculated in order to determine:

- the amount of financial aid the student is eligible to retain
- the amount of "unearned financial aid" that must be returned

Additionally, the calculation will be based on the earliest date documented on the official Academic Withdrawal form.

Withdrawal from Modular (Mini-Session/Term) Courses
A student who withdraws from a modular course(s) before the start of a future course within the same payment period (semester) will be considered as withdrawn for Return of Title IV (R2T4) purposes.

An exception is made if the student provides written notification affirming his/her intent to attend a future course (prior to the start of the course) within the payment period or the student provides affirmation of attendance by enrolling/registering in a future course within the same payment period after the original withdrawal date. Written notification MUST be received prior to the first day of the future course.

Notification of attendance in a future course must be made in writing by submitting the Affirmation of Future Attendance form. It is the responsibility of the student to provide complete, accurate and timely information to the Financial Aid Office, Moot Hall, 230.
Unearned Aid

A determination regarding the percentage of the semester the student completed must be performed and this will reveal the percentage of the federal Title IV aid that the student has earned. The total amount of federal aid disbursed to the student, or that could have been disbursed to the student minus the amount of federal aid earned by the student equals the amount of federal loan(s) and grant(s) that is unearned and that must be returned: (688.22(e)).

Total Title IV Disbursable Aid - (minus) Title IV Aid Earned

\[ \text{Title IV Loan(s) and Grant(s) to be Returned} \]

If the college is required to return any unearned aid, we will reduce or cancel the federal award(s), debit the student’s account and return the unearned portion of aid to the U.S. Department of Education. This adjustment may result in a balance due to Buffalo State. It is the student’s responsibility to repay the “unearned” portion of aid that was charged back to the student account.

Post- Withdrawal Disbursement

A post- withdrawal disbursement of federal Title IV aid occurs when the amount of federal aid earned by the student is greater than the amount of the federal aid disbursed for the semester. A student eligible for a post- withdrawal disbursement will receive written notification from the college. Students receive a notification via U.S Postal mail that they have the right to accept or decline, some, or all, of the post-withdrawal disbursement that is being offered. It is the responsibility of the student to provide written notification to the Financial Aid Office if accepting a post-withdrawal loan disbursement; the post-withdrawal disbursement of Title IV loan proceeds will be made as soon as possible but no later than 180 days after the date the student withdrew.

R2T4 Distribution of Financial Aid Refund

Refunds returned to the U.S. Department of Education on behalf of the student are distributed among the financial aid programs in the following order:
1. Unsubsidized Federal Direct Stafford Loan
2. Subsidized Federal Direct Stafford Loan
3. Federal Perkins Loan
4. Federal Direct Parent Loan for Undergraduate Students
5. Federal Pell Grant
6. Federal Supplemental Educational Opportunity Grant
7. Federal Graduate Plus Loans for Graduate Students

Notification

Students will receive official written notification indicating the type and amount of aid returned to the U.S. Department of Education.

c. The following grade designations are considered to be attempted credit hours but are not considered to be successfully completed: I, N, X, W, U, E, EV, IP and F grades.
d. All courses removed through the academic clemency process will be counted as attempted credit hours. On a case-by-case basis, academic clemency may be subject to appeal.
e. Noncredit remedial courses are no longer counted in the Pace calculation.
f. Transfer credit hours posted to the official transcript record will be counted as attempted credit hours.

3. Maximum Time Frame/Degree Completion within 150 percent of the average Length of the Program - Quantitative Component

a. Students must complete their first baccalaureate degree within 150 percent of the normal time required to complete a bachelor’s degree. For example, credit hours cannot exceed 180 attempted credit hours for a program with a published length of 120 credit hours.
b. Federal financial aid eligibility will be terminated when a student has attempted 180 credit hours (for a degree published with a 120 credit hours requirement); there is no waiver of the maximum time frame standard for any reason.
c. Federal financial aid eligibility will be terminated when the Financial Aid Office determines it is not mathematically possible for a student to complete his/her degree program within the maximum time frame.
d. A student pursuing a double major or degree must earn his or her first bachelor’s degree within the 150 percent maximum time frame standard.
c. A student that completed all coursework required for a major or degree is ineligible for a Pell grant even if an Application for Undergraduate Degree form is not on file.

All students must be accepted into a major before completing 60 credit hours to continue to be eligible for federal aid.

Readmission to the college after an absence does not automatically mean reinstatement of federal aid eligibility.

Repeated Courses
Courses that are repeated to improve a grade are counted as attempted each time they are taken but are only counted as completed once.

Financial Aid Warning
A student who fails to maintain cumulative GPA or meet Pace requirements is placed on Financial Aid Warning as long as it is mathematically possible to recover in one payment period. There is no action required by the student; federal aid eligibility continues for one payment period/semester.

Appeal Process for Special Circumstances
If the student is still not making satisfactory academic progress after the Financial Aid Warning semester, he or she is ineligible for federal financial aid until the required standard(s) is achieved. Only transcript updates (e.g. grade change; retro-drop; etc.) made within one calendar year from the date the student became ineligible for federal aid will be considered during the appeal process.

A student has a right to appeal the loss of federal financial aid eligibility if mitigating circumstances (events totally beyond the student’s control) existed. All SAP appeals should be submitted to the Academic Standards Office, Twin Rise 100.

Financial Aid Probation
A student who fails to maintain the cumulative GPA and/or meet the Pace rate standard is placed on Financial Aid Probation only if the student has successfully appealed. The student will continue to receive federal financial aid for one payment period/semester. The student must meet SAP at the end of the probationary period or comply with the requirements of an Academic Plan (contractual agreement that ensures the student is able to meet overall SAP requirements by a specified point in time).

If the student is still not making Satisfactory Academic Progress or fails to meet the Academic Plan requirements after the probationary period, he or she will become ineligible for federal financial aid until all three SAP standards are successfully met.

Federal Financial Aid Sources
There are three basic federal financial aid categories that constitute a student’s individual award package: grants and scholarships (do not need to be repaid), loans (must be repaid), and jobs (Federal Work-Study position).

Eligibility for the Federal Pell Grant
The Federal Pell Grant Program provides need-based grants to low-income undergraduate students to promote access to postsecondary education. The student’s Expected Family Contribution (EFC) determines eligibility for this grant. The maximum Pell Grant is set by the U.S. Department of Education each award year. The amount of the Pell Grant a student will receive depends on the student’s EFC and several factors, including cost of attendance (tuition and fees, room and board, books, and supplies) and the amount of time the student attends college (whether a full academic year or less, and whether full time or part time). Students cannot receive Pell Grant funds from more than one college at a time. Students may receive up to 12 full-time semesters of a Pell Grant (or part-time Equivalent) or until they have completed the requirements for a bachelor’s degree; whichever happens first.

Eligibility for Federal Supplemental Educational Opportunity Grant (FSEOG)
The Federal Supplemental Educational Opportunity Grant (FSEOG) program is only for undergraduates with exceptional financial need. Pell Grant recipients with the lowest expected family contributions (EFCs) will be considered first for a FSEOG. Similar to the Pell Grant, the FSEOG does not have to be repaid.

Eligibility for the Federal TEACH Grant
TEACH Grant eligibility is determined after the fall or spring semester starts. Those students who meet the eligibility requirements will be invited to apply for the TEACH Grant. Students must complete Entrance Counseling and an annual Service Agreement.

In exchange for receiving a TEACH Grant, students must agree to serve as a full-time teacher in a high-need field in a public or private elementary or secondary school that serves low-income students.

A TEACH Grant recipient must teach for at least four academic years (within eight calendar years). If a student fails to complete his or her service obligation, all amounts of TEACH Grants that were received will be converted to a Federal Direct Unsubsidized Loan. Students must then repay this loan to the U.S. Department of Education. Interest will be assessed from the date the grant(s) was disbursed. Note: TEACH Grant recipients will be given a six-month grace period before entering repayment if a TEACH Grant is converted to a Federal Direct Unsubsidized Loan. All federal loans require students to be enrolled in at least six (6) credit hours of required coursework each semester.

Eligibility for Federal Perkins Loans
The Perkins Loan is a low interest federally funded loan program for students who demonstrate exceptional financial need. Students who have been awarded a Federal Perkins Loan will be required to complete an electronic Master
Promissory Note (e-MPN) and entrance counseling. Students complete these tasks at SUNY Student Loan Service Center’s website http://slsc.albany.edu/ecsiprom.html. These requirements must be completed and received by the college before the loan can be disbursed. Failure to do so by the deadline will mean forfeiture of the loan. Once a Federal Perkins Loan MPN is on file at the college, subsequent loans should not require additional MPNs. Recent changes to the Perkins Loan Program can be found at http://financialaid.buffalostate.edu/perkins-loans. The Perkins Loan Program is scheduled to expire for all students on September 30, 2017.

Eligibility for Federal Direct Loans

Federal Direct Loans are low-interest loans for eligible students to help cover the cost of higher education.

Federal Direct Subsidized Loans are for students with financial need. Students are not charged interest while in school at least half time and during grace periods and deferment periods. A first-time borrower becomes ineligible for a Federal Direct Subsidized Loan once the borrower has received Federal Direct Subsidized Loans for a period that is 150% of the published length of the borrower's current educational program.

Students are not required to demonstrate financial need to receive a Federal Direct Unsubsidized Loan. Students can pay the interest while in school and during grace periods and deferment or forbearance periods, or students can allow it to accrue and be capitalized (that is, added to the principal amount of the loan). Students who choose not to pay the interest as it accrues will have an increased total amount to repay because interest will be charged on a higher principal amount.

First time Federal Direct Loan borrowers must sign a Master Promissory Note. The electronic Master Promissory Note (e-MPN) is the agreement to pay back any Direct Loans. The e-MPN is available online https://studentloans.gov/myDirectLoan/index.action.

On-line Entrance Counseling is required for first-time Direct Loans borrowers. Entrance Counseling will educate students on the rights and responsibilities associated with receiving funds that must be repaid. To satisfy the online Entrance Counseling https://studentloans.gov/myDirectLoan/index.action requirements, students must complete the tutorial and pass a quiz. Failure to comply with this requirement will prevent the disbursement of the student’s loan proceeds.

The U.S. Department of Education’s issued FSA ID https://fsaid.ed.gov/naps/index.htm is required to complete Entrance Counseling and the e-MPN.

Eligibility for Federal Direct PLUS Loan for Parents of Undergraduate Students

The Federal Direct PLUS loan is a loan in the parent’s name to assist their undergraduate dependent student when there is a gap between the cost of education and the student’s own financial aid. These loans are federally regulated and require credit approval. The PLUS loan has a fixed interest rate, and if a parent is not credit worthy, the student may be eligible for an additional Federal Direct Unsubsidized Loan.

If a parent receives credit approval, he or she will also need to complete a Direct PLUS Master Promissory Note at www.studentloans.gov https://studentloans.gov/myDirectLoan/index.action. If a parent is applying for a PLUS loan for more than one student in college, a separate MPN is required for each student. If more than one parent is applying for a PLUS loan for the same student, each parent must complete a MPN.

Eligibility for Federal Work-Study

The Federal Work-Study program provides employment opportunities in various on-campus offices and off-campus community service agencies. Students who qualify for the Federal Work-Study program will be paid at an hourly rate and receive biweekly paychecks for the hours worked. Federal Work-Study is not credited to the student’s account. It is the responsibility of the student to secure employment. Federal Work-Study positions are limited; therefore, there is no guaranty of eligibility from one year to the next. Students are encouraged to complete the FAFSA by the priority filing date to receive full consideration to participate in the Federal Work-Study program.

Eligible students will receive a letter before the start of the semester with details regarding the steps to use the job database, Online Resource for Career Advancement (ORCA), to research available positions. Students who do not qualify for Federal Work-Study or who are not successful in securing a job may be able to secure employment with the assistance of the Career Development Center located in Cleveland Hall 306.

Scholarships

Buffalo State offers many institutional scholarships to students demonstrating outstanding leadership qualities, academic abilities, and/or financial need. Students may review current scholarship opportunities in Academic Works; apply at http://financialaid.buffalostate.edu/academic-works http://financialaid.buffalostate.edu/academic-works. Additionally, staff in the Financial Aid Office, Moot Hall 230, can assist students in locating scholarships offered by agencies not affiliated with Buffalo State.

Eligibility for New York State Financial Aid

Eligibility for Tuition Assistance Program

The Tuition Assistance Program (TAP) is a grant program for New York State residents who are enrolled full time (12 or more credit hours per semester). The on-line TAP application can be accessed after completing the FAFSA by linking to it directly from the FAFSA Confirmation Page. If you
miss the TAP link after finishing the FAFSA, you must wait five business days until your FAFSA data is received by HESC. After the information is received, you can complete a TAP on the Web http://www.hesc.ny.gov/pay-for-college/apply-for-financial-aid/nys-tap.html application.

To be eligible for TAP, students must:
Be accepted into a major prior to their completion of 60 credit hours
- Pre-major and undeclared status are unacceptable for TAP purposes once a student has earned 60 credit hours

Enroll full-time each semester only in courses that apply to the program of study or major
- Minimum of 12 new credit hours required
- Enrollment in course(s) previously failed or withdrawn from is allowed as part of the minimum 12 credit hours

Maintain satisfactory academic progress according to the published TAP chart below.

Students enrolled for less than 12 credit hours can apply for Aid for Part-Time Study (APTS).

SUNY Tuition Credit (SUNYTC)

SUNYTC is a SUNY grant for TAP-eligible students that helps to offset the rising tuition cost.

* Only EOP students can receive a ninth or 10th payment.
** TAP payments are measured by TAP points, with students usually being charged six points every semester they receive a TAP award.
*** Students who received a TAP payment in 2009 or earlier are evaluated under a different eligibility chart. EOP students are also evaluated under a different eligibility chart.

Eligibility for Aid for Part-Time Study

Aid for Part-Time Study (APTS) is a grant program for New York State residents who are enrolled for 3–11 credit hours per semester.

Applications are available on-line http://www.financialaid.buffalostate.edu/forms and in the Financial Aid Office, Moot Hall 230.

Satisfactory Academic Progress (State)

To receive TAP/APTS, students must be in good academic standing as defined by two components: pursuit of program and satisfactory academic progress. Pursuit of program tracks withdrawal from courses that result in a student being enrolled for fewer than 12 credit hours in a semester. Satisfactory academic progress looks at both a student’s cumulative GPA and the accumulation of credit hours toward a degree. A student’s academic standing is then measured on the TAP Academic Eligibility Chart, above.

It should be noted that when using the chart, only semesters that a student receives a TAP/APTS payment are considered. Students who first receive TAP grants at the start of their junior year would be required to meet the standards represented by the first column. Students are limited to receiving eight semesters of TAP grants, except EOP students, who can receive 10 semesters of TAP. All students must be accepted into a major prior to completing 60 credit hours to continue to be eligible for TAP/APTS. Pre-major and undeclared status are unacceptable for TAP/APTS purposes once a student has earned 60 credit hours.

Students who fail to maintain good academic standing become ineligible for TAP/APTS until they achieve the appropriate standards. In exceptional situations, students who become ineligible may be granted a one-time waiver of their ineligibility. All waiver requests should be submitted to the Academic Standards Office, Twin Rise 100.
Arthur O. Eve Educational Opportunity Program (EOP)

EOP provides educational access for academically and economically disadvantaged students who reside in New York State. EOP is an alternative means of acceptance to SUNY Buffalo State for students who show ability and motivation despite the effects of economic and academic struggles. Students who do not meet the college's general academic admissions standards may instead qualify for admission through EOP. Application for the program is made on the SUNY Application for Admission. If a student isn't admitted initially into the college through EOP, he or she cannot join the program at a later time.

Military, Veteran, and Dependent Benefits
(Location: Cleveland Hall Room 210)

Military, Veterans, and/or Dependents (i.e., Spouse/Child) may be able to receive aid for approved postsecondary study. To find out what your eligibility is, please contact Veteran and Military Services at (716) 878-5907.

Aid for Students with Disabilities

Students with disabilities pursuing higher education may be eligible for assistance through the state Adult Career and Continuing Education Services – Vocational Rehabilitation http://www.acces.nysed.gov/vr/do/home.html (ACCES-VR) or Office of Children and Family Services, Commission for the Blind and Visually Handicapped http://www.ocfs.state.ny.us/main/cbvh/ (CBVH). Criteria and funding vary.

Applications and eligibility requirements may be obtained at the Buffalo-area offices or at your local area offices for ACCES-VR and CBVH.

Eligibility for Native Americans

The U.S. Bureau of Indian Affairs offers need-based grants for college to applicants who are enrolled tribal members of an American Indian, Eskimo, or Aleut tribe, band, or group recognized by the Bureau of Indian Affairs. An application is necessary for each year of study and must be accompanied by an official needs analysis from the Financial Aid Office after submission of the FAFSA.

First-time applicants also must submit tribal enrollment certification from the bureau, agency, or tribe that records enrollment for the tribe. Applications are available from the education office of the tribe, band, or group with which you are affiliated or possess membership. For further information, contact the Bureau of Indian Education at (202) 208-6123 or http://www.bie.edu.

New York State also offers grants to Native Americans who are members of one of the Native American tribes located on reservations within New York State. Applications and program details may be obtained from the Native American Education Program Unit, State Education Department, Room 461EBA, Albany, NY 12234, (518) 474-0537.

Eligibility for Summer Aid

Students wishing to apply for summer financial aid must complete the supplemental Summer Aid Application form that becomes available by early-April each year.

Summer financial aid eligibility is predicated upon a student's remaining eligibility from the fall and spring semesters. However, Pell grant eligibility for students graduating during the summer or fall semesters will be calculated based on the valid FAFSA from the upcoming academic year. Students are encouraged to seek guidance from the Financial Aid Office before registering for summer classes.

Eligibility for Study Abroad Programs

Many Buffalo State students take advantage of the National Student Exchange (NSE) and Study Abroad programs. Financial aid is available for both of these programs. Students must submit the official exchange budget sheets to the Financial Aid Office, as well as have a processed FAFSA on file to receive federal financial aid for participation in the NSE and Study Abroad programs.

To receive TAP for either of these programs, tuition payment must be to a New York State institution.

Award Notification

After you are accepted and have a valid Free Application for Federal Student Aid (FAFSA) on file, the Financial Aid Office will generate a SUNY Award Letter detailing the aid you are eligible to receive based on program eligibility requirements. Students must accept, revise, or decline award(s) by the prescribed deadline date. Failure to accept aid by the deadline date may result in the loss of some types of financial aid.

The Financial Aid Office will send a hard copy SUNY Award Letter to all new students (freshmen, transfer and graduate). Continuing students will receive an e-mail notification directing them to view their award package online in Banner. All students are given the opportunity to accept as is, reduce or decline any award offered via Banner. Some aid programs require additional steps to complete the application process.

All students are responsible for monitoring their campus e-mail and their financial aid status on-line by accessing Banner.

TAP Notification

New York State TAP award notifications are sent to students directly from Higher Education Services Corporation (HESC) shortly after the state budget is set each year. TAP awards are school specific and must have "SUC Buffalo" on the certificate to be valid at Buffalo State; TAP code is 0905. Actual award dollars are sent directly to the Student Accounts Office.
The following college academic procedures, policies, and guidelines apply to all students and all college sessions. Students are responsible for determining their academic programs and for meeting every degree requirement. Faculty or professional staff members who act as advisers are obligated only to assist students in meeting this responsibility. Clarification of any requirements for the baccalaureate degree may be obtained from the academic adviser, department chair, or academic dean. Check with the Academic Standards Office, Twin Rise 100, (716) 878-5222, for clarification of other regulations or procedures. A list of academic policies can be found at http://academicaffairs.buffalostate.edu/academic-policies http://academicaffairs.buffalostate.edu/academic-policies

Degree Audit System
Students’ academic progress toward meeting graduation requirements is recorded in the Degree Works audit system. Copies of up-to-date audit sheets should be secured before advisement and can be obtained online at http://registrar.buffalostate.edu/degree-works. Necessary corrections or questions about the audit sheet information should be brought to the attention of the student’s academic adviser.

Role of Students and Faculty in the Advisement Process
Effective academic advisement is the interaction between a qualified adviser who is knowledgeable and supportive and a serious student who is motivated and receptive, as together they evaluate and plan the student’s course of study. The task of the adviser is to provide guidance and information for the student to make efficient progress in the pursuit of an academic goal. The adviser is responsible for being well informed and ready to provide aid in the selection of specific areas and courses, and for helping the student fulfill academic regulations and interpret administrative policies. The task of the student is to seek advisement, to understand, and to be responsible for decisions. The student should be familiar with the sources of information on requirements, regulations, and policies. The college bears the responsibility for establishing procedures and providing a setting conducive to good advisement.

Notification of Rights under the Family Educational Rights and Privacy Act (FERPA)
The Family Educational Rights and Privacy Act (FERPA) affords students certain rights with respect to their education records. These rights include:

1. The right to inspect and review the student’s education records within 45 days of the day the college receives a request for access. A student should submit to the registrar, dean, head of the academic department, or other appropriate official a written request that identifies the record(s) the student wishes to inspect. The college official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the college official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.

2. The right to request the amendment of the student’s education records that the student believes are inaccurate, misleading, or otherwise in violation of the student’s privacy rights under FERPA. A student who wishes to ask the college to amend a record should write the college official responsible for the record, clearly identify the part of the record the student wants changed, and specify why it should be changed.

If the college decides not to amend the record as requested, the college will notify the student in writing of the right to a hearing. The student will be notified of the right to request a hearing regarding the request for amendment. Additional information pertaining to the hearing procedures will be provided to the student when notified of the right to a hearing.

3. The right to provide written consent before the college discloses personally identifiable information from the student’s education records, except to the extent that FERPA authorizes disclosure without consent. The college discloses education records without a student’s prior written consent under the FERPA exception for disclosure to school officials with legitimate educational interests. A school official is a person employed by the college in an administrative, supervisory, academic or research, or support staff position (including law enforcement unit personnel and health staff); a person or company with whom the college has contracted as its agent to provide a service instead of using college employees or officials (such as an attorney, auditor, or collection agent); a person serving on the College Council; or a...
student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks; and National Student Clearinghouse officials. A school official has a legitimate educational interest if the official needs to review an education record to fulfill his or her professional responsibilities for the college. Upon request, the college also discloses education records without consent to officials of another school in which a student seeks or intends to enroll.

Buffalo State hereby designates the following categories of student information as public or directory information. Such information may be disclosed by the institution for any purpose, at its discretion.

a. Name, address, electronic mail address, telephone listing, dates of attendance, enrollment status (e.g., undergraduate or graduate; full-time or part-time), class level, and academic adviser.

b. Most recent educational agency or institution attended; major field of study; degrees, honors, and awards received.

c. Participation in officially recognized activities and sports, weight and height of members of athletic teams, date and place of birth, photographs.

Currently enrolled students may withhold disclosure of any category of information under the Family Educational Rights and Privacy Act of 1974. To withhold disclosure, written notification must be received by September 15 in the Registrar’s Office, Moot Hall, Buffalo State, 1300 Elmwood Avenue, Buffalo, NY 14222-1095. Nondisclosure of information will commence thereafter and be effective until September 14 of the following year. Written notification to withhold disclosure must be made each academic year.

Buffalo State assumes that failure on the part of any student to specifically request the withholding of categories of directory information by the deadline date indicates individual approval for disclosure.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by Buffalo State to comply with the requirements of FERPA. The name and address of the office that administers FERPA is Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Ave., SW, Washington, DC 20202-5901.

**Academic Calendar**

Check the Academic Calendar, including general student deadlines, at http://suny.buffalostate.edu/academic-calendar

http://suny.buffalostate.edu/academic-calendar

**Registration Information**

All currently registered students who will continue their studies during the next regular semester are expected to register within two weeks of their first day of registration eligibility. Procedures for registering can be found on the Registrar’s Office website. Course listings are posted on the web in March for fall and in October for spring. For links to up-to-date registration and course information, go to http://registrar.buffalostate.edu/registration

http://registrar.buffalostate.edu/registration

Students should check their Gmail account regularly, especially during registration. Students on a waitlist should check their Buffalo State Gmail at least daily. Email notifications are sent when a seat becomes available. All correspondence to faculty members or college staff should be sent from a student’s Buffalo State Gmail account.

To receive accurate information about registration eligibility and to maintain registration eligibility, students should remember the following:

- Notify the Registrar’s Office of any change of address within two weeks.
- Students subject to possible academic dismissal under probation regulations should register. Students clearly subject to dismissal should not begin a new semester or summer session until the appropriate dean has determined their status.
- Academic advisement is mandatory for all matriculated students.
- Students with outstanding financial obligations will not be allowed to register at any time.
- Not attending the first class meeting does not withdraw a student from a class.
- Students with 2.0 or higher GPAs who discontinue attendance without taking a leave of absence can register for classes without applying for readmission for up to four fall or spring semesters beyond the semester in which they were last registered. Baccalaureate graduates and students with less than 2.0 cumulative GPAs retain registration eligibility for only one fall or spring semester beyond the semester in which they were last registered.

**Course Load**

The average course load for matriculated undergraduates is 15–16 credit hours a semester. Should a matriculated student desire to register for more than 19 credit hours, the approval of the appropriate academic adviser must be secured. Students in majors should consult with their faculty adviser, and undeclared students not affiliated with EOP, SSSP, or AIM should consult with the coordinator of the Academic Advisement Office, Twin Rise 100. Students on academic probation or academic warning (below a 2.0 cumulative grade point average) can enroll in a maximum of 15 credit hours. All students should consult with their academic adviser for proper guidance and review for overload. Probationary students seeking an override to their 15 credit limit must make the request at their dean’s office.

To graduate in four years (eight semesters), at least 15 credits must be earned each semester to earn the minimum 120 credits required for a degree. Some majors require more than 120 credits.

**Attendance**

There is no uniform attendance policy set by the college. Attendance regulations are established by each instructor and will be distributed at the start of each semester.
Auditing Courses

Persons may audit or take courses without earning credit, on a space-available basis, with the approval of the department chair and the instructor of the course. A person auditing a course will attend without formal recognition, will not be on the official class list in the Registrar’s Office, will not be required to meet the requirements of the course, and will not be charged tuition or fees for the course. Auditors must submit a non-degree application http://admissions.buffalostate.edu/sites/admissions.buffalostate.edu/files/uploads/Documents/nondegreeapp514.pdf, along with supporting documents from the appropriate faculty, to the Admissions Office, Moot Hall, before auditing a course.

Exception: Auditing is not permitted in any study-abroad program.

Adding or Dropping Courses

Registration is continuous from the opening of registration through the end of the first week of classes. Dropping a course during that time removes all record of the course from the student’s transcript. Dates and instructions for registration are posted on the web each semester. For up-to-date registration dates, go to http://registrar.buffalostate.edu/. By the end of registration, students should recognize that they have made a serious commitment to complete the courses for which they are registered. It is expected that students will complete any necessary changes to their schedule before the first day of classes in a semester or Summer Session. Changes during the first week of classes (first two days of a Summer Session, or January Term) should be the exception.

Withdrawal from Courses

Instructors are required to notify students of their academic standing no later than the end of the ninth week of the semester, or after two-thirds of a summer session or January Term. If a student does not officially withdraw from a course and stops attending, a grade of F will be recorded.

Students who wish to leave a course after the drop/add period and before the final withdrawal date (the end of the 10th week of the semester, or after two-thirds of a Summer Session or January Term) may withdraw via Self Service Banner. Nonattendance at the first class meeting does not withdraw a student from a class.

Students withdrawing from some coursework may be eligible for a refund in accordance with the college refund schedule, which is posted each term at http://studentaccounts.buffalostate.edu/. Beyond the end of the refund schedule’s time limit, full charges are assessed. Student-teaching courses have different deadlines. Students should check with their departments.

Withdrawals remain on the transcript and are recorded as W’s but do not count in credit hours or GPAs. Withdrawal from a course may affect eligibility for financial aid in the current semester and in future semesters. For additional information about financial aid eligibility, refer to the financial aid section of this catalog, or online at http://financialaid.buffalostate.edu/.

Before withdrawing from a course, careful thought should be given to the reasons for withdrawing and possible consequences. Course Withdrawals can have a negative impact on both your progress toward graduation and eligibility for financial aid. Withdrawal from Course should be used infrequently and considered an action of last resort. It is to your advantage to read the instructions under Withdrawal from Course at http://registrar.buffalostate.edu/withdrawal-course before withdrawing.

Academic Clemency

Any student is eligible to apply for Academic Clemency when he or she applies for matriculated readmission to the college through the Admissions Office. The student’s last semester of enrollment must have been at least three years prior to the application for readmission. Students can request clemency for up to two semesters of work (consecutive or nonconsecutive). These semesters are to be determined by the student in consultation with appropriate offices (Dean, Educational Opportunity Program, etc.). A decision of clemency includes all coursework taken within the semester(s) at Buffalo State; it is not selectively applied.

Clemency is applied only after a student has registered for an upcoming semester.

Leave of Absence, Medical Leave of Absence, Withdrawal from College

The Undergraduate Application for Leave of Absence/Withdrawal from College form can be obtained in the Academic Advisement Office, South Wing 110, (716) 878-5336, or in the student’s academic department office. Students in a major should begin the application process by conferring with their department chair. Undeclared students should meet with the coordinator of the Academic Advisement Office. Refunds of tuition, if applicable, will be made on a prorated basis as outlined for that semester. Financial aid recipients who withdraw or take a leave of absence may owe a refund of aid they received for the semester. For additional information about financial aid, refer to the financial aid section of this catalog or http://financialaid.buffalostate.edu/, Moot Hall 210.

Medical Leave of Absence

Medical leaves of absence of varying lengths of time are granted for documented serious injury or illness. After obtaining a Leave of Absence/Withdrawal form, students requesting a medical leave of absence should report to the Weigel Health Center. To receive a medical leave of absence, students must complete the form and provide a physician’s statement that includes the specific semester(s) for which the leave is being requested, diagnosis/reason for the leave request, and a recommendation from the physician that the medical leave be granted.

Leave of Absence

Matriculated students who wish to leave the college for personal or financial reasons may be granted leaves of absence.
of two full years (four fall/spring semesters) beyond the semester in which they were last registered, as long as they are in good academic standing with a minimum GPA of 2.0. A leave will not be granted to study at another college or university.

An application for a leave during a semester already in progress must be received in the Registrar’s Office, Moot Hall, no later than the last working day before the Critique and Evaluation Period. These approved leaves will begin at the date the request is received in the Registrar’s Office.

Withdrawal from College
To maintain good academic standing and eligibility for readmission to the college, students finding it necessary to withdraw must do so officially. Failure to file for withdrawal will result in the recording of an E grade in each course in which the student is registered. When it is impossible to withdraw in person, it must be done in writing from the student to the dean. Students withdrawing officially with no outstanding obligations or commitments to the college are considered to be in good academic standing.

The chair and associate dean must sign the Withdrawal from College form. A request to withdraw from the college must be received in the Registrar’s Office, Moot Hall, no later than the last working day before the critique and evaluation period.

Grading
The college uses letter grades to indicate the status of a student at the completion of a course. All grades are awarded at the sole discretion of the faculty member responsible for the course. A grade must be submitted for every student on the course roster at the end of the semester. Students will be apprised of evaluation policies in each class at the beginning of every semester. This information will also include notification, where appropriate, that the plus/minus grading system will be used as determined by the instructor. Instructors will inform students of their standing in each course by the end of the ninth week of the semester, or two-thirds of a Summer Session or January Term. Mid-term grades may be available on Banner for some courses. Questions regarding grading policies or an individual grade received in a particular course should be addressed to the instructor or to the department chair.

Grades awarded by the college:

<table>
<thead>
<tr>
<th>Grade</th>

</tr>
</tbody>
</table>

Explanation of Grades

S, U S (satisfactory) and U (unsatisfactory) grades are reserved for student teaching or other field experiences that are not readily evaluated by the normal letter grades and basic skills courses.

P, F P (pass) and F (fail) grades are given for courses taken on a pass-fail basis (see description below). They may be submitted only under proper authorization.

W W (withdrawn) grades may be submitted only when coursework normally carries over from one semester to another and when it is necessary to delay grading to a subsequent semester. N grades may be submitted only with the permission of the department chair or program coordinator.

Incomplete Grades
An incomplete grade is a temporary grade issued for medical emergencies or life crises. Students must request an incomplete grade directly from the instructor. An incomplete grade is converted to a letter grade by the 10th week of the following spring or fall semester. If the work is not completed by that time, the instructor will submit a grade based upon the amount of work completed. If the instructor who granted the incomplete is not able to evaluate the student’s fulfillment of course requirements during the stipulated time period, the chair or program coordinator is responsible for changing the grade. Anyone not completing the course requirements within this time will automatically have a grade of E recorded.

Pass-Fail Option
The pass-fail option permits any matriculated student to take a course for credit without receiving a letter grade of A, B, C, D, E, or EV. Students may enroll in one course each semester or summer on a pass-fail basis. All sessions combined make up the summer semester. A pass (P) grade provides credit but no quality points and is not counted in total hours used to determine cumulative average. A fail (F) grade is treated as a failure although the hours are not used in computing the cumulative average.

A pass-fail credit may be applied toward a degree. Courses required for the student’s major and minor cannot be taken on a pass-fail basis. Courses taken as part of early childhood and childhood education program concentrations and distributions may not be taken pass-fail.

Any course, except English composition 100-level courses and those required for completion of a major or a minor,
may be taken on a pass-fail basis. Students must declare their intention to do so by the end of the 10th week of classes in any semester or after two-thirds of a Summer Session or January Term. After receiving the approval signature of the student’s adviser, a declaration of intent must be filed with the Registrar’s Office, Moot Hall, by the published deadline. An instructor may choose to substitute a letter grade for the pass if written consent from the student is received and the form is submitted prior to the end of the semester. Once an application for pass-fail has been submitted, the pass-fail option for that semester has been exhausted. Subsequent filing of a substitution form to receive a letter grade does not allow submission of another pass-fail application for that semester.

Students may not use pass-fail to repeat a course for which a grade of C– or below was earned.

Note: Students are cautioned that the amount of pass-fail work permitted may jeopardize their chances for admission to graduate or professional school or for career placement.

**Unit of Credit (Credit Hour)**

The semester hour is the unit of course credit. It represents completion of one 50-minute class period per week for one semester. A course having three class periods a week will earn 3 semester hours of credit. Studio and laboratory classes usually earn 1 credit for each two hours of attendance unless otherwise indicated. The college expects student preparation of two hours for each hour in class.

**Quality Point System**

The quality point system is used for determining GPAs, as follows:

<table>
<thead>
<tr>
<th>Grade</th>
<th>Quality Value</th>
</tr>
</thead>
<tbody>
<tr>
<td>A</td>
<td>4.0</td>
</tr>
<tr>
<td>A–</td>
<td>3.67</td>
</tr>
<tr>
<td>B+</td>
<td>3.33</td>
</tr>
<tr>
<td>B</td>
<td>3.0</td>
</tr>
<tr>
<td>B–</td>
<td>2.67</td>
</tr>
<tr>
<td>C+</td>
<td>2.33</td>
</tr>
<tr>
<td>C</td>
<td>2.0</td>
</tr>
<tr>
<td>C–</td>
<td>1.67</td>
</tr>
<tr>
<td>D+</td>
<td>1.33</td>
</tr>
<tr>
<td>D</td>
<td>1.0</td>
</tr>
<tr>
<td>E</td>
<td>0.0</td>
</tr>
<tr>
<td>EV</td>
<td>0.0</td>
</tr>
</tbody>
</table>

No other letters carry quality point value.

**Term GPA**

A student’s term GPA is computed by dividing the total number of quality points by the total number of credit hours attempted in one semester. Only grades carrying quality points are included. For example, consider a student with the following courses and grades at the end of a semester:

<table>
<thead>
<tr>
<th>Course</th>
<th>Grade</th>
<th>Credit</th>
<th>Quality Point Value</th>
<th>Points</th>
</tr>
</thead>
<tbody>
<tr>
<td>MAT 161</td>
<td>B−</td>
<td>4</td>
<td>(x2.67)</td>
<td>10.68</td>
</tr>
<tr>
<td>SOC 101</td>
<td>A</td>
<td>3</td>
<td>(x4)</td>
<td>12.00</td>
</tr>
<tr>
<td>ENG 250</td>
<td>E</td>
<td>3</td>
<td>(x0)</td>
<td>0</td>
</tr>
<tr>
<td>HEW 101</td>
<td>C</td>
<td>1</td>
<td>(x2)</td>
<td>2.00</td>
</tr>
<tr>
<td>PHI 220</td>
<td>D+</td>
<td>3</td>
<td>(x1.33)</td>
<td>3.99</td>
</tr>
</tbody>
</table>

The student has attempted 14 credit hours, successfully completed 11, and earned 28.67 quality points. The formula for computing this student’s term average follows: 28.67 / 14 = 2.04

(Term Quality Points / Term Credit Hours) = (Term GPA)

If the student had taken an additional 3-credit-hour course, DES 371, and received a P grade, the average would not change. If the student received an F grade in DES 371 using the pass-fail option, the average would not change.

**Cumulative GPA**

A student’s cumulative GPA is computed by dividing the total number of quality points by the total number of credit hours attempted in all semesters of attendance at Buffalo State. As with the semester GPA, only grades carrying quality points are included. Courses taken at other institutions are not included.

**Change of Grade**

Grades submitted at the end of the semester are considered final. In case of a clerical error or other extenuating circumstance resulting in an incorrect grade, a request for a grade change must be submitted by the instructor, with full written justification, to the appropriate associate dean. In the even that the original instructor is incapacitated or otherwise unavailable, a change of grade may be submitted by the department chair. The appropriate associate dean must approve all grade changes and forward the grade change form to the Registrar’s Office, Moot Hall 210.

Once a student has completed a bachelor’s degree, a final average for that degree is computed. Courses from that degree may not be repeated, and that final average is not affected by any subsequent coursework at Buffalo State.

**Repeating Courses**

A student may repeat a given course once for which a C–, D+, D, or E grade was earned. The course must have the same prefix, number, title, and credit hours. The repeated course must be taken at Buffalo State. Only the second grade and those semester hours completed will be used in determining the GPA. A student may not repeat a course a third time.

All grades remain on the permanent record. Students may not use pass-fail to repeat a course for which a C–, D+, D, or E grade was earned. A passing grade will not replace an F or U grade, since F and U are not computed in the GPA. Courses with letter grades above C– cannot be repeated.

Courses that were illegally repeated will not be used in computing the cumulative average. Practicum courses may differ. Check with the department that offered the course. Repeating courses affects financial aid. Check with the Financial Aid Office for the current policy.

Once a student has completed a bachelor’s degree, a final average for that degree is computed. Courses from that degree may not be repeated, and that final average is not affected by any subsequent coursework at Buffalo State.
Declaring an Academic Major

All students must declare a major before completing credits that would result in achieving "junior class level" standing (60 hours). It is recommended that all students declare a major upon completing 30 credit hours. Before declaring a major, students should seek the advice of the chair of the department or the associate dean of the school/college responsible for the major. A Change of Major form, available from the chair or the associate dean, must then be completed and sent to the Registrar’s Office. Some academic programs have special requirements that the student must meet before being admitted as a major. For example, fine arts candidates must submit a portfolio of representative work. The department chair or program coordinator can provide information on specific requirements.

Changing a Major

Incoming first-year students who want to change their major before the start of their first semester may initiate the major change process with the University College Dean’s Office. First-year students who want to change their major after the start of their first semester may initiate the major-change process by contacting the department office of the new major to gain the approval of the department chair.

Continuing students who want to change their major may initiate the major-change process by contacting the department office of the new major to gain the approval of the department chair.

If the department chair of the new department approves the change, a Change of Major Form will be forwarded to the Registrar’s Office for recording. Change requests should be made at least four weeks before registration for the next semester to allow students to register for courses in the new major. Departments may refuse a student’s request for acceptance to a major based on published requirements and prerequisites.

A student on probation will not be permitted to transfer to a new major without the approval of the associate dean of the new major.

Academic Minors

Buffalo State academic minors are specially conceived sequences of courses designed to allow students to achieve important goals. A minor may be used to complement the major course of study, broaden and enhance career opportunities, gain expertise in an area of interdisciplinary studies, or provide in-depth study in a subject of special interest. While an academic minor is an optional study program, students often find it an excellent way to make strategic use of all college elective courses.

Each minor program consists of 18–21 credit hours of coursework. A minimum cumulative GPA of 2.0 is required for admission to a minor program, and at least three of the courses in each minor must be completed at the college.

Second Major, Single Degree

A student may fulfill the requirements for two majors and receive a designation on the official transcript indicating the completion of a baccalaureate degree in one major with the fulfillment of requirements of a second major. The student must identify a primary major in which the degree will be awarded. In fulfilling the requirements of a second major, the student will make careful use of electives. The student completes an Application for Undergraduate Degree at the Registrar’s Office indicating on the application the degree major and the second major. Go to www.buffalostate.edu/registrar for a link to a page where students can download a copy of the application. Upon receipt of the degree, the student’s transcript will contain two entries: the major degree and a notation that “this student has also completed all requirements for a second major in the appropriate area.”

The primary major adviser does regular advisement of the student. Students opting for a second major should contact the department involved, request a review of their progress and academic advice concerning the second major, and complete a Change of Major form to be filed with the Registrar’s Office. Only one baccalaureate degree may be awarded for a four-year, 120-credit-hour program.

Dual Baccalaureate Degrees

The awarding of two degrees at the baccalaureate level may occur under the following circumstances. Coursework in fulfillment of requirements for two baccalaureate degrees (B.S. or B.A. or both) may be undertaken simultaneously or concurrently, but requires significant additional coursework (at least 32 credit hours, usually one additional year) in distinctly different fields. An exception to this requirement is the bachelor of fine arts, in which two degrees may be awarded upon the fulfillment of the requirements of each degree. Students must earn a minimum of 152 credit hours to qualify for two baccalaureate degrees. Students returning at a later semester for their second Undergraduate degree must also earn 152 credits. Students pursuing dual baccalaureate degrees should seek academic advisement from the appropriate faculty advisers or department chairs in both majors to ensure that all dual degree requirements have been fulfilled. The maximum number of degrees awarded at the baccalaureate level is two.

Dents may not elect a minor from the same discipline as their major program. A minor may include no more than 9 total hours that overlap with the student’s major disciplinary requirements. A minor may include no more than half of its credit hours at the lower-division level. Students who complete the minor with a minimum GPA of 2.0 will have the minor recorded on their official transcript.

Only matriculated students who intend to seek an undergraduate degree may be accepted into a minor program. A minor may be earned simultaneously only while completing a major degree program.

Students interested in selecting a minor program should contact the coordinating department as soon as possible and complete a Change of Major/Minor form. A listing of all minors and requirements is on file in each department and
dean’s office. Only the coordinating department provides advisement on individual minors.

For a list of minors, please refer to Undergraduate Minor Programs at a Glance chart on page 57.

**Basic Writing Requirement**

The college requires all matriculated students to demonstrate college-level skills in composition.

**Basic Writing Requirement for Freshmen**

Entering freshmen will be placed in the appropriate writing-level course through the College Writing Program’s placement policy. See www.buffalostate.edu/writingprogram for the placement policy. Students are placed at one of the three levels:

- CWP 099
- CWP 101
- CWP 102

**Basic Writing Exemption**

The writing program director will forward any basic writing exemptions to the registrar.

CWP 099 is a noncredit course and may not be used to meet any degree requirements. CWP 099, CWP 101, and CWP 102 will be graded on an A-through-F basis. A through D are officially passing grades; however, courses with a prerequisite of CWP 101 or CWP 102 require a C or higher in the class. This means that a student cannot enroll in CWP 102 until he or she has earned at least a C in CWP 101 (grades of C or below do not meet the requirement). Course challenges will not be permitted.

Students who are considering taking a composition course at another institution that they expect will fulfill the Buffalo State basic writing requirement must seek prior permission from the College Writing Program director. The basic writing requirement is usually completed by the end of the sophomore year.

**Basic Writing Requirement for Transfer Students**

If two composition courses equivalent to CWP 101 and CWP 102 are transferred, the basic writing requirement is satisfied. If one composition course equivalent to CWP 101 is transferred, the student must complete CWP 102. If no composition courses are transferred, the student must confer with an academic adviser and follow the requirement stated for freshmen (above). Transfer students must complete the basic writing requirement within their first 45 credit hours at Buffalo State College.

**Basic Writing Requirement for International Students**

International students registering at Buffalo State are required to take the placement examination administered by the College Writing Program if they do not have SAT/ACT scores. They must register for the appropriate College Writing Program course(s) designated for nonnative English speakers. International students must complete the Basic Writing requirement before declaring a major. Information on these requirements and ESL instruction is available through the International Student Affairs Office, Campbell Student Union 400. Individual and group supplemental instruction in English as a Second Language is available through the Academic Skills Center, South Wing.

**Graduation Requirements**

Go to suny.buffalostate.edu/registrar/forms.xml to download the Application for Undergraduate Degree. All students expecting to qualify for a degree must fulfill the following requirements:

1. File Application for Undergraduate Degree with the Registrar’s Office, Moot Hall 210, by the specified date. Failure to make application before the date may eliminate the student from the Commencement program and delay the granting of the degree.
2. Students must meet all financial obligations to the college and return all college property.
3. Students must meet all curricular requirements. They must have completed the prescribed curriculum for their major. If requirements have changed since they were admitted to a program, they may choose to graduate under the old or new requirements.
   a. Students must maintain a minimum cumulative GPA of 2.0 for all coursework taken at the college. The minimum cumulative GPA for the courses taken in the major field must also be 2.0. The minimum cumulative GPA for courses taken in a minor is 2.0.
   b. Students must complete the 33-39 credit hours of Intellectual Foundations 2014 requirements.
   c. All candidates must have completed a minimum of 33 credit hours of upper-division coursework, courses generally considered advanced and numbered 300-499.
   d. A minimum of 32 credit hours, including the last 16, must be completed at the college.
   e. A minimum of 120 academic credit hours must be completed.
   f. Students must complete at least 6 credit hours in their major at Buffalo State.
4. Education majors leading to certification for teaching in the early childhood and upper-elementary grades must fulfill a drug-education requirement and should file a certification application with the Teacher Certification Office, Chase Hall 222.
5. No students will be cleared for graduation until all grades of I, N, or X have been replaced with an appropriate letter grade.

**Commencement Ceremony**

Commencement is held each year at the end of the spring semester to honor the previous fall semester December graduates and the current May and August degree candidates. Information is mailed in March to December graduates, as well as to May and August degree candidates who apply for their degrees by the appropriate deadlines. For more information, visit the Buffalo State Commencement website at http://commencement.buffalostate.edu http://commencement.buffalostate.edu.
Dean’s Honor List
Students must meet all of the following criteria to be eligible for the Dean’s Honor List:
1. Must earn a minimum term GPA of 3.5.
2. Must complete a minimum of 12 credit hours of letter grade work (i.e., A, B, C, or D). Grades of S and P are not considered. Students are ineligible for the Dean’s Honor List if they have an incomplete grade or grades of I, N, X, or U in a course for that semester.
3. All courses must be taken at Buffalo State.

Part-Time Dean’s List
Part-time, matriculated students (students carrying less than a 12-credit-hour course load per semester) will become eligible for Part-Time Dean’s List only after prior completion of 12 credit hours of letter grade work (A–E) at Buffalo State. The Dean’s List designation will be determined once a year at the end of the spring semester for courses taken during that semester and the preceding fall semester.

Eligibility also requires the following:
1. A minimum GPA of 3.5 for all coursework taken in that academic year
2. No grades of I, N, X, or U in a course during that year
3. Completion of at least 12 hours of letter grade work per academic year

Baccalaureate Academic Honors/Gold Honors Cord
An honors citation is given to graduating students who have achieved a minimum cumulative GPA of 3.5 for all work completed. Students with a cumulative average of 3.8 to 4.0 will be designated summa cum laude; 3.65 to 3.79 magna cum laude; and 3.5 to 3.64 cum laude. To be considered for an honors citation, a student must complete a minimum of 54 credit hours at Buffalo State.

Degree candidates with a minimum GPA of 3.5 who have completed or have in progress 54 credit hours at Buffalo State may be eligible for academic honors. These students are invited to wear a gold cord at Commencement to signify their academic achievement, and they are recognized in the Commencement program. Honors cords are issued to degree candidates based on their current GPA in their last semester. They will be notified by Academic Affairs separately from the Commencement Information Brochure, which is sent to degree candidates’ homes in March. They also will be on a list at Commencement Headquarters, where caps, gowns, and honors cords are purchased.

Muriel A. Howard Honors Program
The Muriel A. Howard Honors Program addresses the needs of academically gifted students. Open to a select number of incoming freshman, transfer, and local students, the Muriel A. Howard Honors Program requires students to earn honors credits across disciplines in the arts, humanities, social sciences, math/science, and applied science and technology. Students must maintain a minimum cumulative GPA of 3.5 to remain in the program. Students interested in this program should contact the Admissions Office at (716) 878-5713.

Honors in Majors
Many departments have programs leading to baccalaureate degrees with honors. Generally, these departments require special criteria for admission to the departmental major and 6 credit hours of predetermined honors work to earn the distinction. Students interested in departmental honors programs should contact the department of their choice. The following majors can be pursued as baccalaureate degrees with honors: anthropology, biology, earth sciences, economics B.A., geology, history, philosophy, psychology B.A., psychology B.S., and social studies education (7–12).

Honors Convocation
This recognition of academic excellence is held each spring semester. Students with a minimum cumulative GPA of 3.5 after earning 45 credit hours are invited to attend the Honors Convocation with family members and a faculty guest. Transfer students are eligible after completing 30 credit hours at Buffalo State.

Academic Probation and Dismissal
Good Academic Standing
All students not on Academic Probation are considered to be in good academic standing and are eligible to participate in extracurricular activities at Buffalo State. Any Buffalo State student with a cumulative GPA of a 2.0 or above, on Academic Warning, or on Academic Probation is eligible to register for coursework at Buffalo State.

Academic Warning
Many students go through an adjustment period when beginning their baccalaureate studies at Buffalo State. Therefore, any student—freshman or transfer—whose first-semester GPA is less than 2.0 and who has not met any of the terms for academic dismissal from Buffalo State will be on Academic Warning in his or her second semester of study at the college. However, if a student’s GPA is less than a 2.0 and the student has met one or more of the reasons for academic dismissal from Buffalo State, the student may still be immediately dismissed at the discretion of the college.

In accordance with the Buffalo State Advisement Policy, students on Academic Warning may be subject to an advisement hold in order to encourage a discussion with the student’s academic adviser to help build an effective academic strategy before the student may register for additional coursework at Buffalo State. An extended Academic Warning semester may be granted at the discretion of the college if the student has demonstrated exceptional academic progress during the Academic Warning term. Students on Academic Warning may be ineligible for financial aid based on failure to meet federal and/or state aid eligibility standards. Students on Academic Warning are limited to registering for 15 credits per semester, unless special permission to register for additional credits is granted by their Dean’s office.

Academic Probation
A student is on Academic Probation if the student’s cumulative Buffalo State GPA is less than 2.0 after the second se-
mester of study at Buffalo State. However, if a student’s GPA is less than a 2.0 and the student has met one or more of the reasons for academic dismissal from Buffalo State, the student may be immediately dismissed at the discretion of the college without a probationary semester. A student on Academic Probation has until the completion of the next semester (i.e., spring or fall) to raise the cumulative GPA to a 2.0 or higher.

In accordance with the Buffalo State Advisement Policy, students on Academic Probation may be subject to an advisement hold in order to encourage a discussion with the student’s academic adviser to help build an effective academic strategy before the student may register for additional coursework at Buffalo State. Students on Academic Probation may be ineligible for financial aid based on failure to meet federal and/or state aid eligibility standards. Students on Academic Probation are not eligible to participate in extracurricular college activities. Students on Academic Probation are limited to registering for 15 credits per semester, unless special permission to register for additional credits is granted by their Dean’s office.

Academic Eligibility for Financial Aid

Financial aid guidelines require that to continue to receive financial aid, students must show evidence of making satisfactory academic progress toward a degree. For additional information about financial aid eligibility, refer to the financial aid section of this catalog or visit http://financialaid.buffalostate.edu http://financialaid.buffalostate.edu/.

Academic Misconduct

All students are expected to display honesty and integrity in completing course requirements and college academic regulations. Academic misconduct refers to any form of plagiarism or cheating on examinations or assignments, and is inconsistent with the aims and goals of Buffalo State.

Faculty may require students to use textual similarity detection software (e.g., Turnitin.com) in courses at Buffalo State. Textual similarity detection software compares submitted student text to a database of millions of previously published documents, including those on the public Internet, a proprietary collection of published articles, as well as every student paper previously submitted to the detection service. When similarities between student text and an existing document are found, the software identifies those similarities for instructor and/or student review. (Similarity alone is not evidence of academic misconduct, as such material may be correctly cited.) This software may be used as an educational tool to assist students in learning how to properly cite resources, decrease instances of academic misconduct, and/or assist in the identification of acts of academic misconduct.

Instances of academic misconduct include, but are not limited to, prior acquisition or possession of an examination and submission of false data, submission of the work of another individual without proper acknowledgment, and performance of work in a course for another individual while registered in the same course. As a result of an admission of academic misconduct, an instructor may issue a written warning; allow the student to resubmit the work, telling the student what grade penalty, if any, will be assessed; submit a recalculated grade; or submit a failing grade with a "J" designation (to appear only on the internal audit system but not on the student’s official transcript; possible grades are EJ, FJ, UJ, WJ). Grade points for the failing grade will be averaged even if the student repeats the course. No penalty for an alleged instance of academic misconduct may be imposed unless the student has been apprised of the allegation, the penalty, and the procedures of due process that are available under this policy. Neither the instructor nor the student should be represented or accompanied by an attorney. A student has the right to appeal allegations of academic misconduct as outlined in the Academic Misconduct Policy at www.buffalostate.edu/academicaffairs/x607.xml.

A statement outlining formal college policies and procedures to be followed in cases of alleged academic misconduct will be on file in each dean’s office, in the Academic Standards Office, in the Student Life Office, and at www.buffalostate.edu/academicaffairs/x607.xml. Cases of severe infractions of acceptable standards may be brought before the Academic Misconduct Board, chaired by the appeals director of academic standards, and may result in academic dismissal.
Graduate Courses
Students who have completed more than 106 credits by the end of the previous semester at Buffalo State may register for graduate-level courses if they have maintained a minimum cumulative GPA of 2.5. A maximum of 6 graduate credit hours may be taken as a senior. The combined enrollment of undergraduate and graduate courses should not exceed 15 hours per semester. Courses taken in this manner are related to a graduate program of study and will not apply toward an undergraduate degree. These courses may be applied toward an advanced degree if they are acceptable to the department. The six-year time limitation on the completion of the master’s degree program applies to these as well as to other credits.

An undergraduate request to enroll in a graduate course must be made by contacting the academic department offering the course. Permission must be granted by the instructor and department chair.

4 + 1 Undergraduates Enrolling in Graduate Courses
Students who have been accepted into one of Buffalo State’s 4+1 programs, combining undergraduate and graduate study, may register for graduate-level courses during their senior year based on department requirements and guidance. A maximum of nine credit hours (divided between the first and second semester of a student’s senior year) may be taken during the senior year, and students need to maintain academic eligibility, as outlined by the admission requirements into the program, throughout the senior year. The combined enrollment of undergraduate and graduate courses should not exceed departmental guidelines.

The graduate courses taken in this manner are related to a graduate program of study and will not apply toward an undergraduate degree. The six-year limitation on the completion of the master’s degree program applies to these as well as other credits.

Graduate Programs of Study
The Graduate School offers 40 master’s programs, two certificate of advanced study programs, five graduate certificate programs, and 9 postbaccalaureate teacher certification programs. For more information see postbaccalaureate and graduate program options. Nearly 2,000 students enrolled in graduate study at Buffalo State find that a graduate degree allows them entry into new or related fields or eligibility for promotion in their current fields.

Specialized graduate degree programs include art conservation, creative studies, educational technology, teaching bilingual exceptional individuals, literacy specialist and a certificate of advanced study in art conservation. While teacher education remains a tradition at Buffalo State, other graduate programs in adult education, applied economics, and higher education and student affairs administration are unique within SUNY. New and applied programs in music education, great lakes ecosystem science, public and nonprofit management (MPA), museum studies, professional applied and computational mathematics, science education, and students with disabilities 7-12 generalist and students with disabilities 7-12 subject extensions offer exceptional opportunities for professional advancement.

Other notable graduate degree programs include criminal justice, industrial technology, applied economics, biology, English, history, and multidisciplinary studies.

Applying for Graduate Study
Students holding bachelor’s degrees from an accredited college or university are eligible to apply for graduate study at Buffalo State. International applicants must submit transcript evaluations and the Test of English as a Foreign Language (TOEFL) or International English Language Testing System (IELTS) scores. Admissions applications, application online fee payment, transcript request forms, and supplemental department materials are available to download www.buffalostate.edu/graduateschool/admissions http://www.buffalostate.edu/graduateschool/admissions or contact the Graduate School Office, Cleveland Hall 204 or email gradoffc@buffalostate.edu.

In accordance with federal regulations, all students are required to submit a final transcript with a degree posted to the Graduate School by the start of their graduate work for financial aid eligibility.

Alternative Methods of Earning College Credit
Advanced Placement Examinations
Credit may be granted for acceptable scores in approved Advanced Placement examinations, provided the subjects meet the curricular requirements of the specialized units of the college. Approved examinations include New York State College Proficiency Examinations (CPEP), College Entrance Examination Board Advanced Placement Examinations (AP), and College Entrance Examination Board College Level Examinations (CLEP).

Students receiving the lowest passing grade may be admitted to an advanced course but will receive no credit for the beginning course that was exempted. All other passing grades carry college credit. Before taking such an examination for credit, students already enrolled at the college must receive advance approval from the appropriate department chair. When the examination subject is the same as or overlaps a college course already credited, no new credit will be granted.

Course Challenge
Each department determines which courses may be challenged by examination. Matriculated undergraduate students may earn credit hours by challenging the specially designated courses. The following rules apply:
1. Total challenge credit may not exceed 30 credit hours.
2. A course in which a student is currently enrolled may not be challenged.
3. A course may not be challenged more than once.
4. Credit earned will be recorded as credit (cr) only rather than by grade.
5. No credit will be awarded when the challenged area duplicated an area for which credit already has been awarded.
6. A student must be matriculated to register for a course challenge.

Contract
Taking a course by contract is one form of independent study open to students who have reached sophomore level and are in good academic standing. If a course is not offered in a given semester, students may request to take a course by contract. Application forms are available in the academic department and the Registrar’s Office, Moot Hall, and must be filed with that office by the established deadline each semester. Both the instructor and the department chair must sign applications.

Students are provided with a course outline, bibliography, statement of responsibilities, and dates by which responsibilities are to be met. Students may then pursue the course independently under the guidance of a faculty member. The number of conferences, type of evaluation, and culminating activity will be decided by the faculty member and the student before registering for the course. These requirements must be filed with the department chair.

Freshmen are also eligible to take courses by contract under special circumstances. They may do so if
1. they are in their second semester of a one-year course and have a grade of A or B in the first semester part of the course;
2. they have successfully challenged the preceding course in the sequence;
3. they have entered the college with excellent high school records or have done honors work in pertinent fields in high school.

Credit for Experiential Learning
Credit for college-level experiential learning is available. Matriculated students who consider their previous learning experience as college-level creditable may enroll in INS 300, Educational Assessment and Portfolio Development. This course is open to matriculated students who must attend an information session in August to become familiar with the portfolio development process. In INS 300, students will conduct a self-appraisal and inventory of all potentially creditable prior learning. The portfolio will be treated as an application to appropriate departments for the award of college credit.

Within the guidelines noted below, credit for experiential learning follows essentially the same principle as transfer credit; students may receive credit for knowledge gained elsewhere. Students may receive a maximum of 30 credit hours. Credit will be awarded on the basis of its correspondence to existing Buffalo State courses. Credit earned will be recorded as credit (cr) only, rather than by grade.

For information regarding credit for experiential learning, students should contact the Individualized Studies coordinator, South Wing 310, (716) 878-5303.

Cross-Registration
There are two cross registration programs available for undergraduate students who are full-time at Buffalo State and are matriculated (have declared a major).

The SUNY Cross Registration Agreement is for students cross-registering at a SUNY college. Students may cross register for up to 6 credit hours per semester (fall and spring). Transcripts are forwarded automatically to Buffalo State at the end of the semester. Courses are recorded as transfer credits (credit hours and grade do not count in cumulative GPA). If a student drops below full-time status at their home institution, they may be liable for tuition at the host institution. "Course equivalency" information must be provided on the form in addition to approval of the department chair offering the course equivalent at Buffalo State, approval of department chair in which student is majoring, and student signature. All forms must have appropriate signatures before they are returned to the Registrar’s Office for a verification signature. Students must then take the completed cross-registration approval to the appropriate campus where they will register according to the procedures at that campus.

The Western New York Consortium of Registrar’s Cross-Registration Agreement is for students cross-registering at one of the private colleges that participate in the WNY Consortium Agreement. Students may enroll in one course per semester (fall and spring). Transcripts are forwarded automatically to Buffalo State at the end of the semester. Courses are recorded as if they had been taken at Buffalo State (credit hours and grade counts in cumulative GPA). If a student drops below full-time status at their home institution, they may be liable for tuition at the host institution. Advisor or department chair signature is required along with student signature. All forms must have appropriate signatures before they are returned to the Registrar’s Office for a verification signature. Students must then take the completed cross-registration approval to the appropriate campus where they will register according to the procedures at that campus.

There is no cross-registration during summer or January Term.

Cross-registration forms are available in the Registrar’s Office, Moot Hall, or online at suny.buffalostate.edu/registrar/forms.xml http://www.buffalostate.edu/registrar/forms.xml .

Off-Campus Study
Courses may be taken at other institutions for transfer credit as long as prior approval from the department chair is obtained and the Study Off Campus Form from the Registrar’s Office, Moot Hall, is completed and returned to that office. Students are urged to have transcripts of all coursework completed elsewhere forwarded to the Registrar’s Office as soon as possible. Coursework undertaken elsewhere, other than by cross-registration, will be recorded as transfer credit on the college transcript.

Independent Study (499)
Independent study provides students with the opportunity to pursue a topic that may be covered only briefly or not at all in regular course offerings. Students may choose a faculty sponsor who is an expert in the selected topic and together determine all aspects of the study, including the method of evaluation. The chair of the sponsoring department must approve the description of the study.

Students electing to do independent study should have a degree of knowledge in the area they have chosen, in addition to a strong motivation to work alone much of the time. In-
dependent study is never a substitute for a course already being offered that term.

Specific requirements for independent study:
1. Sophomores, juniors, and seniors who have successfully completed basic courses or their equivalent in the area of study chosen are eligible to participate. They need a minimum GPA of 2.0 and a minimum GPA of 2.0 the previous semester, plus a minimum GPA of 2.0 in work completed in the selected area. Freshmen who have successful advanced preparation in the selected area may also be allowed this option.
2. The study must be relevant to the student’s total program, and the student must derive special benefit from supervision by the college staff. The study must meet standards established for such programs by the department or program.
3. No independent study may be undertaken for fewer than 3 credit hours. A maximum of 30 credit hours in all areas may be taken independently by a student. No more than two independent studies may be taken in one semester.

Further information is available from the department chair and program coordinator. Application forms are available in the academic department and the Registrar’s Office, Moot Hall, and must be filed with that office by the established deadline each semester.

Project (495)
Upper-division students may undertake a project related to a required course for up to 3 credit hours per project. No more than 6 credit hours of academic project work are allowed.
Application forms are available in the academic department and the Registrar’s Office, Moot Hall, and must be filed with that office by the established deadline each semester.

Internship (488)
Internship programs provide students with guided and supervised field experiences (experiential learning) as part of their degree programs. Students who wish to participate in the program must have a minimum GPA of 2.0 and a background of courses or experience within the area of interest. Approval for experiential learning situations must be obtained from either the student’s adviser or the chair of the department within which the student is a major, the supervising faculty member, and the chair of the department within which credit will be granted. An individual student will be permitted to apply a maximum of 15 credit hours toward the baccalaureate degree.

Topics Courses (189 and 389)
The topics format provides the opportunity for in-depth study and examination of rapidly and significantly changing disciplinary issues, topics, or practices, and may be used to accommodate requests of external agencies or the specialized resources of visiting faculty members. Students may accumulate a maximum of 9 credit hours in one discipline.

Military Service Educational Experience
College credit hours may be awarded for education received through military service, specialty schools, technical training schools, and basic training programs. Request for such credit should be made to the Admissions Office, Moot Hall. Documents showing completion of such courses should accompany all requests.

Evaluation of this experience is based on its relation to college degree requirements and recommendations suggested by the American Council on Education Credit Manual.

Credit by Evaluation
Up to 45 credit hours may be accepted from the following sources:

<table>
<thead>
<tr>
<th>Source</th>
<th>Maximum credit hours</th>

</tbody>
</table>

Published examinations: Included in this category are nationally given subject and general examinations sponsored by the College Level Examination Program (CLEP), Advanced Placement Program (APP), and College Proficiency Examination (CPE). Passing grades are required for credit.

Courses from noncollegiate organizations: For credits to be granted, the institution must be approved by the State Education Department and listed in its Guide to Educational Programs in Noncollegiate Organizations. Noncollegiate organizations are those whose primary function is not education, such as the American Institute of Banking. Such credit applies primarily to the major and is determined by the appropriate department.

Courses from proprietary institutions: The institution must be approved by the State Education Department and listed in its official publication of approved institutions. Proprietary institutions are privately owned and for-profit, such as ITT Technical Institute. Such credit is applied primarily to the major and is determined by the appropriate department.

Transcript of Academic Record
Official transcripts of records are not issued directly to students but will be forwarded upon request to authorities whom the student may designate.

A student copy may be ordered for personal use. The fee is $5 for each transcript requested. Proper photo identification is required when picking up the student copy. Transcript request forms are available in the Registrar’s Office, Moot Hall, or at suny.buffalostate.edu/registrar/transcript.xml. Transcripts will not be furnished for students who have incurred a financial obligation to the college. Transcript requests sent by mail must include the student’s name, current address, student (Banner ID or Social Security) number, dates of attendance, graduation date (if applicable), name and address of the party to whom the transcript is to be sent, the student’s signature authorizing release of the transcript, and a $5 check or money order payable to Buffalo State. All checks or money orders must include the last four digits of the student’s Banner ID number or Social Security number.

Transcript requests by telephone or fax cannot be honored. All requests are acted upon in the order in which they are received. Sufficient time is necessary for processing; requests
should be made well in advance of the date needed, usually at least two weeks.

**Teacher Certification Office**

Buffalo State maintains a Teacher Certification Office in Caudell Hall 101 that serves as a resource for Buffalo State students, faculty, and staff. The Teacher Certification Office verifies program completion so that Buffalo State graduates may apply for New York State teacher certification. The Teacher Certification Office also verifies completion of teacher education programs for graduates applying for out-of-state certification, provides teacher certification examination bulletins, and is a resource for certification requirements in all 50 states.

**New York State Certification**

All students who successfully complete an approved program in teacher education may be recommended to the New York State Education Department for a teaching certificate if they have met all requirements, including at least one student-teaching placement in an urban setting and the required seminars. In addition, the New York State Education Department requires both a background check through a fingerprinting process and satisfactory performance on a series of examinations before a certificate can be issued.

Graduates are able to apply for a New York State Teacher Certification online through the TEACH Online Service system at [www.highered.nysed.gov/tcert/teach](http://www.highered.nysed.gov/tcert/teach). In order for the Teacher Certification Office to provide verification of program completion to the New York State Office of Teaching, students need to provide the certification office with permission to release this information. Release forms may be obtained from the office’s website or the Teacher Certification Office.

All teacher certification candidates who are applying for Initial Certification and Professional Certification through our Teacher Certification Office are required to complete two clock hours of coursework or training in the following four seminars:

- S.A.V.E. (School Anti-Violence Education Workshop)
- Child Abuse Identification Workshop
- Drug and Alcohol Awareness Seminar
- Fire and Arson Safety Seminar

Information regarding these seminars may be obtained from departmental offices and the Teacher Certification Office or website. Students completing an early childhood education and/or childhood education B.S. program through Buffalo State may be required to take an additional HIV/Exposure Seminar.

**Teacher Certification Examination**

Successful completion of identified portions of the New York State Teacher Certification Examinations (NYSTCE) is required for New York teaching certificates in all areas. Information can be obtained from departmental offices and the Teacher Certification Office.

**Interstate Certification**

As a participant in the Interstate Certification Project, New York State has reciprocity agreements with a number of other states, allowing Buffalo State graduates to be certified there. These include reciprocity for classroom teachers, vocational teachers, and administrative personnel in various states. The New York State Teacher Certification Examinations may not be acceptable in other states. Students should check with individual states to determine specific requirements.

**Certification for B.S./B.A. Degree Holders**

Holders of a B.S. or B.A. degree who wish to become certified may complete certification requirements through additional coursework at the undergraduate level or through specially designed postbaccalaureate or master’s degree programs. It is advised that they communicate with the appropriate department to determine the required admissions procedure. Please note: A department may require the completion of subject matter courses in the major area to remove any deficiencies. All professional education requirements and any subject matter courses must be completed prior to the student teaching semester. A full semester (12–15 credit hours) of student teaching, including at least one urban placement, must be successfully completed.

Holders of a B.S. or B.A. degree interested in early childhood education and/or childhood education only should contact the Graduate School, Cleveland Hall 204, for application to a special postbaccalaureate degree program.

**Transportation to Off-Campus Instructional Sites**

Students are responsible for providing their own transportation to off-campus sites for required courses, including student teaching and participation.

**Transfer Students**

Credit hours previously earned will be evaluated for all transfer students upon admission to the college. A maximum of 88 credit hours may be transferred from other regionally accredited institutions, with no more than 66 credit hours transferred from two-year colleges. Most credit hours earned at other institutions will be accepted, although the college cannot guarantee how credit hours earned at two-year institutions will relate to bachelor’s degree requirements. The most common cases in which transfer credit hours are not accepted follow:

1. Developmental courses in mathematics, English, and learning skills
2. Courses in theology or religion with sectarian emphasis

Only credit is transferable. Grades, quality points, and cumulative averages do not transfer.

The evaluation of transfer credit hours is recorded in Degree Works, the audit system located at [http://registrar.buffalostate.edu/degree-works](http://registrar.buffalostate.edu/degree-works). The system records the major and general college requirements that have already been fulfilled, and those that remain.

Departments reserve the right to refuse to accept transfer credit hours in fulfillment of their own major requirements. Whether or not a course fulfills a major requirement may be open to discussion with the department chair or academic adviser, and it is useful to have a copy of the catalog from the previous institution available.
Student Complaints, Grievances, and Appeals

SUNY Buffalo State complies with New York State Education regulations requiring that campuses have procedures in place for filing complaints and seeking resolution of perceived problems.

Academic Appeals: Waiver of Academic Regulations

Students are expected to adhere to all regulations of the college. However, unusual and extenuating circumstances may warrant a modification of certain regulations.

Students should not request a waiver of any regulations without very strong evidence to justify the waiver. Requests for waivers are made by completing an Academic Appeals Petition available in the Academic Standards Office, Twin Rise 100, or on the Academic Standards website at www.buffalostate.edu/academicstandards/x463.xml.

The assistant dean for University College/director of Academic Standards, makes decisions on requests for waivers that do not relate to a student’s major after consulting with the Academic Appeals Committee. The assistant dean’s decision is final. A minimum of one month is necessary to process academic appeals.

Decisions on requests for a waiver related to a student’s major are made by the appropriate department chair in accordance with procedures established by the department or area faculty. Requests for application of AP and/or transfer credit should be taken directly to the Admissions Office; these requests do not require an Academic Appeals Petition.

Student Complaints Regarding Discrimination

If the complaint involves alleged harassment or discrimination based on race, sex, ethnicity, national origin, sexual orientation, gender identity, religion, age, disability, or marital or veteran status, the student should use procedures administered through the Equity and Campus Diversity Office. Acts of discrimination should be reported immediately to this office for confidential discussion of the alleged acts. Students have 90 days from the alleged act of discrimination or 90 days after receipt of a grade to file a complaint. A copy of the procedures may be obtained in Cleveland Hall 415.

Student Complaints Regarding Nonacademic Issues

If the complaint involves nonacademic issues, the student should deal with procedures administered by the Dean of Students Office, Campbell Student Union 306. However, students are encouraged to seek resolution of the perceived problem directly in the unit in question before initiating processes that are more formal.

Student Complaints Regarding Academic Issues

The procedures outlined in the next section pertain to complaints about academic issues other than those dealing with waiver of collegewide academic regulations or graduation issues, which are addressed by petitions to the Academic Appeals Committee. The college seeks to resolve student grievances as promptly and informally as possible. No adverse action will be taken against any student initiating a complaint.

Students who feel aggrieved regarding any aspect of the academic program have a right to request a resolution by bringing the matter to the attention of the appropriate college personnel. The academic appeals process regarding a waiver of academic regulations is outlined under Waiver of Academic Regulations section. If the perceived problem pertains to a grade or the conduct of a particular course, students should follow the Student Academic Grievance Procedures, below.

Student Academic Grievance Procedures

The procedures that follow pertain to alleged violations or misapplication of college and/or course policies. They are also directed at a student grievance alleging that the student has been treated unfairly, in violation of established academic policy or practice. These procedures reflect the college’s commitment to a fair and prompt resolution of student academic grievances. These procedures begin with an informal process but include a formal process that centers on hearings and recommended resolution of the grievance in a way that maximizes the opportunity for a full and impartial solution.

Request to waive or otherwise alter college academic policies shall continue to be the province of the Academic Appeals Committee (see Waiver of Academic Regulations).

The procedures below do not deal with grievances that are based on issues of sexual harassment or discrimination. Such grievances are handled through the Equity and Campus Diversity Office. Similarly, complaints that deal with other nonacademic issues are administered by the Dean of Students Office (see previous section).

For academic grievances, students are advised to retain all documentation from the course, including (but not limited to) the syllabus, tests, quizzes, papers, and any graded evaluations. These materials are required to substantiate any grievance.

1. Jurisdiction

A grievance shall include, but not be restricted to, a complaint by a student

a. That college regulations and/or policies have been violated or misapplied to him or her
b. That he or she has been treated unfairly, defined in terms of established academic policy or practice governing or affecting students at the college

2. Time Limit

a. At the informal level before the fifth week of the following semester
b. At the formal level before the 10th week of the following semester

3. Grievance Resolution Process

The process includes the possibility of hearings at two levels: the department and the faculty.

a. At the department level, a student with a complaint should attempt to resolve the complaint informally with the faculty or staff member involved. The assistance of the chair may be sought to resolve the dispute to the satisfaction of both parties. A student must initiate the process no later than five weeks into the following semester. The student who is not able to achieve resolution with the instructor may initiate a formal grievance or grade appeal process no later than 10 weeks into the following semester by preparing a written statement, which includes the following:

1. A statement of the case in detail
2. All information about the conference with the instructor
3. A statement of the reasons the student believes he or she is aggrieved or, in the case of a grade, why it should be reconsidered

4. All relevant supporting materials, which should be identified and listed in an index

The student shall submit complete copies of the written statement and attachments to the chair of the department and the faculty member identified in the grievance. The chair shall carefully review the statement, confer with the student and instructor, and attempt to reach a resolution of the dispute. The chair may ask members of the department to serve as a committee to review the materials and assist him or her in reaching a decision. The chair’s response must be made within 10 academic days of the date of the student’s request.

In conformance with state regulations, the department shall maintain adequate documentation about each formal complaint and its disposition for at least six years after final disposition of the complaint. If the department chair is the party against whom the grievance is brought, the student should initiate a review at the dean’s level, which follows:

b. If the matter is not resolved to the student’s satisfaction at the departmental level, he or she may request a hearing at the faculty level by writing to the dean of the faculty and forwarding the documentation to that office. The request must be made within 10 academic days of the receipt of the recommendation of the department chair. The dean or designee shall convene a three-person committee drawn from a panel of available faculty within 10 academic days. Such committee shall include one faculty member from the department in which the faculty member resides. Furthermore, after the committee is constituted, the faculty member and the student have the right to review the committee membership and request alternative members in the event it is believed a member of the committee is not neutral. The committee shall meet and review the materials presented and solicit a response from the instructor to each count of the student’s case. In the case of a grade appeal, the committee will familiarize itself with the standards and objectives of the course and evaluative material presented. Concerns shall be limited to consideration of the fairness of the application of the standards and objectives, and whether the standards and objectives were made known to the student in a reasonable manner. The difficulty of the standards shall not be an issue.

The burden of proof shall be on the student, who may be asked to appear before the committee.

In the case of a grade appeal, if the majority of the committee feels no case can be made, the original grade will remain. If it finds that the standards and objectives were not reasonably known to the student or were unfairly applied, it may recommend a different grade and give its reasons for so recommending. The committee shall report its findings in writing to the student, the instructor, and the dean.

If the panel recommends a different grade, the instructor shall have 10 academic days from receipt of the panel’s report to inform the dean of the faculty of the intent to change the grade. If necessary, the dean may direct that the grade be changed. A change of grade shall not be interpreted as an admission of unfairness in grading.

In the case of a grievance, if the majority of the committee members adjudge the grievance to be without foundation, written notification of their findings will be forwarded to the student, the instructor, and the dean of the faculty. If, in the judgment of the committee, there is a basis for the grievance, a written report will be forwarded to the dean of the faculty with specific recommendations for redress. Copies shall be forwarded to the student and the instructor.

The dean of the faculty will notify all parties of his or her final decision regarding the grievance within 10 academic days of receipt of the committee’s findings and recommendations.

In conformance with state regulations, the dean’s office shall maintain adequate documentation about each formal complaint and its disposition for at least six years after the final disposition of the complaint.

4. Committees

Committee members shall be drawn from a list of faculty nominated by departments. In naming the committee to hear a grievance, the dean shall take care to ensure that no member has an interest in the case being heard.

5. Confidentiality

Once the grievance committee has been convened to hear a complaint, principals and committee members shall have the obligation to maintain the confidentiality of the proceedings and of all materials presented.

6. Review

This procedure must be reviewed after two years. The review process should identify any irregularities in grade changes. To facilitate this review, a copy of all documentation/findings at the formal level shall be retained in the department office.

Complaints to State Education Department

Any individual who continues to feel aggrieved after pursuing the options outlined previously, is unable to resolve the problems, or believes the institution has not properly addressed the concerns may file a written complaint with the State Education Department within three years of the alleged incident.

The complainant may telephone the Postsecondary Complaint Registry to request a complaint form at (212) 951-6493 or write to the New York State Education Department, Postsecondary Complaint Registry, One Park Ave., 6th Floor, New York, NY 10016.

Academic Levels (Class Level)

Students are given class designations according to the number of credit hours they have earned. Undergraduate levels are:

- Freshmen 0 to 29 credit hours
- Sophomores 30 to 59 credit hours
- Juniors 60 to 89 credit hours
- Seniors 90 or more credit hours

SUNY Buffalo State Undergraduate Catalog 2016–2017 47
Students Unable to Attend Classes on Certain Days Because of Religious Beliefs

1. No person shall be expelled from or be refused admission as a student to an institution of higher education because he or she is unable, due to religious beliefs, to register for or attend classes, or to participate in any examination, study, or work requirements, on a particular day or days.

2. Any student in an institution of higher education who is unable, because of his or her religious beliefs, to attend classes on a particular day or days shall, because of such absence on the particular day or days, be excused from any examination or any study or work requirements.

3. It shall be the responsibility of the faculty and the administrative officials of each institution of higher education to make available to each student who is absent from school, because of his or her religious beliefs, an equivalent opportunity to register for classes or make up any examination, study, or work requirements that he or she may have missed because of such absence on any particular day or days. No fees of any kind shall be charged by the institution for making available to the said student such equivalent opportunity.

4. If registration, classes, examinations, study, or work requirements are held on Friday after 4:00 p.m. or on Saturday, similar or makeup classes, examinations, study, or work requirements shall be made available on other days, where it is possible and practical to do so. No special fees shall be charged to the student for these classes, examinations, study, or work requirements held on other days.

5. In effectuating the provisions of the Education Law, it is expected that faculty and administrative officials will exercise the fullest measure of good faith. No adverse or prejudicial effects shall result to any student for availing himself or herself of the provisions of this section.

6. Any student who is aggrieved by the alleged failure of any faculty or administrative official to comply in good faith with the provisions of this section shall be entitled to maintain an action or proceeding in the supreme court of the county in which such institution of higher education is located for the enforcement of his or her rights under this section.

7. The term "religious beliefs" shall mean beliefs associated with any corporation organized and operated exclusively for religious purposes, which is not disqualified for tax exemption under Section 501 of the United States Code.

8. At Buffalo State, we sharpen the mandate of the state and endorse the policy that prohibits administering evaluative examinations on Rosh Hashanah, Yom Kippur, and Good Friday.

Assessment

Buffalo State is committed to fostering the academic achievement and personal development of its students. To carry out this commitment, the college continuously gathers information about the effectiveness of its academic programs, the progress of students toward educational and personal goals, and the achievements and perspectives of alumni. This information is used to monitor program effectiveness, to recognize educational trends and opportunities, and to develop a sound, factual basis for academic planning.

Each Buffalo State student is expected to participate in the college’s assessment efforts. Academic programs use various assessment methods. Student participation in these activities may be a completion requirement for some degree programs.

Academic Advisement

Students who have declared a major must seek advisement by contacting the chair of the department responsible for their major. Advisement for undeclared students affiliated with the Arthur O. Eve Educational Opportunity Program (EOP), Student Support Services Program (SSSP), Muriel A. Howard All-College Honors, or Academic Intervention (AI) should contact those programs for advisement. Other undeclared majors should consult with the Academic Advisement Office, South Wing 110.
SUNY Buffalo State is organized into five schools: the School of Arts and Humanities, the School of Education, the School of Natural and Social Sciences, the School of the Professions, and the Graduate School. Each school contains specific departments responsible for the degree programs offered there. Each school reports to an academic dean who is responsible for the administration of the departments and the degree programs residing in that area. Students should consult with their dean, usually by appointment, when issues remain unresolved after having met with their department chair. All the major areas of study or interdisciplinary programs described below fall under the responsibility of one or more of the departments.

Each program description gives valuable information concerning all aspects of each course of study offered at Buffalo State. This information includes the department offering the program, the degree that is granted, an explanation of the program’s content and purpose, special admission requirements, required credit hours in the major field and outside of the field, the number of electives allowed, and total degree requirements.

School of Arts and Humanities
The following undergraduate departments are in the School of Arts and Humanities: Art Education, Communication, Design, English, Fine Arts, Interior Design, Modern and Classical Languages, Music, Philosophy, and Theater. The School of Arts and Humanities also offers interdisciplinary degree programs in Arts and Letters, Television and Film arts, and Writing.

School of Education
The following undergraduate departments are in the School of Education: Adult Education, Business and Marketing Education, Career and Technical Education, Elementary Education and Reading, Exceptional Education, Family and Consumer Sciences Education, Social and Psychological Foundations of Education and Technology Education. The School of Education also offers degree programs in individualized studies.

School of Natural and Social Sciences
The following undergraduate departments are in the School of Natural and Social Sciences: Anthropology, Biology, Chemistry, Earth Sciences and Science Education, Economics and Finance, Geography and Planning, Health, Nutrition and Dietetics, History and Social Studies Education, Mathematics, Physics, Political Science, Psychology, and Sociology. The School of Natural and Social Sciences also offers degree programs in individualized studies.

School of the Professions
The following undergraduate departments are in the School of the Professions: Business, Computer Information Systems, Creative Studies, Criminal Justice, Engineering Technology, Fashion and Textile Technology, Hospitality and Tourism, Social Work, and Speech-Language Pathology. The School of the Professions also offers degree programs in individualized studies.

University College
University College is the academic home of Buffalo State first-year and undeclared students, providing support for their transition to college life and assistance in determining their best selection of majors and careers. University College strives to serve students by being a place that challenges them to think in new ways; to make intentional and appropriate personal and academic choices; and to find meaningful connections to faculty, staff, and fellow students. University College coordinates efforts to ensure that Buffalo State students are glad they came to this college and find it a place to earn success as scholars.

Continuing Professional Studies
Continuing Professional Studies is the academic home of programs for adult students at Buffalo State. In partnership with schools and departments, Continuing Professional Studies provides high-quality credit and noncredit courses, workshops, and certificate programs to both traditional and nontraditional learners using a variety of locations, schedules, and technologies. Continuing Professional Studies manages Summer Session, January Term, Veterans Services/Certification Office, individualized studies, evening and weekend programs for adult students, online learning programming and development, conference planning, and noncredit programming.
Students entering Buffalo State before fall 2006 or who were readmitted in fall 2006 should consult with their adviser for general education requirements.

Students entering Buffalo State between fall 2006 and spring 2014 should consult with their adviser and http://intellectualfoundations.buffalostate.edu/if-fall-2006-spring-2014 http://intellectualfoundations.buffalostate.edu/if-fall-2006-spring-2014 for general requirements.

The Intellectual Foundations 2014 (IF 14) program is required of all undergraduates entering Buffalo State who begin their college careers in summer 214 or later. For the most-up-to-date information, consult http://intellectualfoundations.buffalostate.edu/if-2014-fall-2014 http://intellectualfoundations.buffalostate.edu/if-fall-2006-spring-2014.

Transfer Students
Transfer Students with AA, AS, BA, BS degrees are expected to:

- Satisfy the knowledge, competencies, and skills areas in the SUNY GER as defined by the 2010 Policy (Trustee Resolution 2010-006) of the Board of Trustees. Requirements are satisfaction of two competencies and satisfaction of 7 of 10 of the knowledge and skills areas including two required areas.
- Earn 30 credits of courses approved by SUNY GER.
- Satisfy the SUNY Buffalo State diversity requirement via course completion or transfer course equivalency.

Mission of the Intellectual Foundations 2014 Program
Intellectual Foundations 2014 (IF 14) is the general education, or liberal arts, curriculum at Buffalo State. It encompasses the SUNY General Education Requirements and is designed to provide the intellectual and creative foundations for all educated persons regardless of their chosen profession. IF 14 promotes an understanding of the continuity of human history, the depth of inherited knowledge, the validity of diverse modes of inquiry, the value of artistic expression, and the richness of our collective experience. The purpose of IF 14 is to develop the sills and habits of mind required for a life of intellectual curiosity and civic engagement.

Intellectual Foundations 2014 Program Requirements
The Intellectual Foundations 2014 (IF 14) program constitutes 33-39 of the 120 credit hours necessary for graduation, divided among 11 areas of knowledge and 3 areas of intellectual skills and competencies. In each of the 11 areas of knowledge, students may select from lists of approved courses. These lists are updated each semester, and only those courses that appear on the list during the semester the student successfully completes those courses may be applied to the IF 14 requirements. The 3 areas of intellectual skills and competencies in major courses or their equivalents.

The courses that meet the IF 14 requirement as of this printing are listed on the following pages with the specific categories and credit distribution. For up-to-date course listings: http://intellectualfoundations.buffalostate.edu/courses-and-requirements http://intellectualfoundations.buffalostate.edu/courses-and-requirements

If you have questions about the Intellectual Foundations 2014 requirements or which requirements you should be following, please consult your department office or the Academic Advisement Center, University College, South Wing 110, (716) 878-5223. For the most current information about Intellectual Foundations requirements, visit http://intellectualfoundations.buffalostate.edu/if-2014-fall-2014 http://intellectualfoundations.buffalostate.edu/if-fall-2006-spring-2014.

Categories and Credit Distribution
Under the Intellectual Foundations 2014 requirements, student must complete the requisite number of credit hours in the following categories:

- 6 credit hours Basic Writing and Oral Communication:
  - CWP 101 and CWP 102 or equivalent
- 3 credit hours Mathematics/Quantitative Reasoning*
- 3 credit hours Cognate Foundations: Arts†
- 3 credit hours Cognate Foundations: Humanities†
- 3 credit hours Cognate Foundations: Natural Sciences†
- 3 credit hours Cognate Foundations: Social Sciences†
- 3 credit hours Foundations of Civilizations: American His-
Additional Degree Requirements

In addition to the liberal arts education coursework described on the following pages, all undergraduate degree candidates must meet the following college-wide graduation requirements:

- Successful completion of required coursework in the declared major
- Successful completion of at least 120 credit hours, of which at least 33 must be upper division. At least 32 credits must be taken at Buffalo State, including the last 16 credits
- Final minimum overall cumulative GPA of 2.0
- Final minimum major GPA of 2.0
- Final minimum cumulative GPA for courses taken in a minor is 2.0
- Successful clearing of all I, N, or X grades

Course Coding System

A four-character code is used to identify which Intellectual Foundations 2014 requirement(s) a course fulfills. This information is printed in the legend of the online undergraduate class schedule. The IF 2014 codes are as follows:

<table>
<thead>
<tr>
<th>Code</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>AH14</td>
<td>American History</td>
</tr>
<tr>
<td>AR14</td>

</tbody>
</table>

3 credit hours Foundations of Civilizations: Western Civilization
3 credit hours Foundations of Civilizations: Non-western Civilization
0–6 credit hours Global Engagement††
3 credit hours Diversity
0 credit hours Critical Thinking
0 credit hours Information Management
33–39 Total credit hours

*Students cannot be exempted from this requirement. Students must complete MAT 097 or MAT 098 or the equivalent before taking the Mathematics and Quantitative Reasoning required course unless they have completed three years of high school math or attained an SAT math score of 460 or an ACT math score of 16.
††Course must be outside of the primary major prefix.
††Proficiency may be wholly or partially completed prior to college.

Students may count mathematics and quantitative reasoning, foundations of civilizations, diversity, and global engagement courses toward their major and minor requirements.

Global Engagement Requirement

Discuss this requirement with your academic adviser. Students can satisfy the Global Engagement requirement through four options:

Option 1 Study a Foreign Language
Option 2 Pass a Proficiency Exam at the Novice-High Level
Option 3 Participate in a Study Abroad Experience
Option 4 Participate in a Global at Home and Abroad Experience

For Option 1, students must demonstrate proficiency in a single foreign language equivalent to the successful completion of one year of college-level work (102-level proficiency or equivalent).

Students who have successfully completed foreign language study on the high school level may register for the appropriate course. Successful completion of one language through the second year in high school satisfies the global engagement requirement. Proficiency in foreign language also may be achieved by completing 6 credits on the College-Level Examination Program test (see section on Alternative Methods of Earning College Credit).

Sign language may be substituted for foreign language for students in the following majors (listed on the Registrar website http://buffalostate.edu/registrar/documents/Intellectualfoundations.htm#Language):

- Anthropology

Department (Major) Requirements

A major consists of no fewer than 24 credit hours and usually no more than 42 credit hours in a particular field of study. Each department sets its own requirements. To receive a degree in a particular major, students must complete at least 6 credit hours in their major at Buffalo State. Courses and sequences of a major are determined by individual departments with the approval of the College Senate, Academic Affairs, and the president.

Second Majors and Minors

Courses selected to satisfy the general education requirement may be used to fulfill any part of the requirements of a second major or a minor.

Electives

The number of unrestricted elective courses varies according to the individual program. These courses are needed to make up the 120 credit hours required for graduation. Check the individual program requirements to determine the number of electives allowed. These courses are taken in addition to general education and departmental credit hours.
• Business Administration
• Criminal Justice
• Childhood Education and Early Childhood Education
• Communication Programs (ALL)
• Exceptional Education
• Education Programs (ALL)
• Hospitality Administration
• Interior Design
• Speech-Language Pathology
• Social Work
• Theater

For information regarding the proficiency exam, Option 2, contact the Assistant Dean of International and Exchange Program, (716) 878-4620. For further information about Options 3 and 4, contact University College, Twin Rise 100, (716) 878-5906.

Upper-Division Course Requirement
All students must complete a minimum of 33 credit hours of upper-division coursework (300–400 levels) to be eligible for graduation. An exception is made for foreign language courses (see foreign language requirement). Specific information can be obtained through the appropriate major departments.

Intellectual Skills and Competencies
Writing, critical thinking, and information management represents a critical components of a Buffalo State education. The infusion of these skills and competencies into all types of courses across the curriculum is widely encouraged.

Basic Writing Requirement
The college requires all matriculated students to demonstrate college-level skills in composition. For more information, see Basic Writing Requirement in the Academic Policies section of this catalog.

Academic Minors
Buffalo State academic minors are specially conceived sequences of courses designed to allow students to achieve important goals. A minor may be used to complement the major course of study, broaden and enhance career opportunities, gain expertise in an area of interdisciplinary studies, or provide in-depth study in a subject of special interest. While an academic minor is an optional study program, students often find it an excellent way to make strategic use of all college elective courses.

Each minor program consists of 18–21 credit hours of coursework. A minimum cumulative GPA of 2.0 is required for admission to a minor program, and at least three of the courses in each minor must be completed at the college. Students may not elect a minor from the same discipline as their major program. A minor may include no more than 9 total hours that overlap with the student's major disciplinary requirements. A minor may include no more than 2 courses at a lower division level. Students who complete the minor with a minimum GPA of 2.0 will have the minor recorded on their official transcript.

Only matriculated students who intend to seek an undergraduate degree may be accepted into a minor program. A minor may be earned simultaneously only while completing a major degree program.

Students interested in selecting a minor program should contact the coordinating department as soon as possible and complete a Change of Major/Minor form. A listing of all minors and requirements is on file in each department and dean’s office. Only the coordinating department provides advisement on individual minors.

For a list of minors, please refer to Undergraduate Minor Programs at a Glance.
### Intellectual Foundations Courses

The courses listed below will satisfy the relevant Intellectual Foundations 2014 requirement. Choose the number of required courses and credits from each of the following categories. (Most courses equal 3 credits.)

#### Basic Written and Oral Communication
- CWP 101
- CWP 102

#### Mathematics/Quantitative Reasoning
- ECO 305
- MAT 103
- MAT 114
- MAT 122
- MAT 124
- MAT 126
- MAT 161
- MAT 311
- PHI 107

#### Mathematics/Quantitative Reasoning
- ECO 241
- ENG 243

Foreign Language (Global Engagement Option 1)
Proficiency in a foreign language equivalent to at least the 102 level may be demonstrated by success in a foreign language in high school or completion of one of the following:

- CHI 101 and CHI 102
- FRE 101 and FRE 102
- FRE 110
- GER 101 and GER 102
- GRK 101 and GRK 102
- ITA 101 and ITA 102
- LAT 101 and LAT 102
- SLP 101* and SLP 102*
- SPA 101 and SPA 102

Sign language may substitute for a foreign language for students in selected majors.

*Students in selected majors.

Upper Division
200 level foreign languages count as upper division courses.

Global Engagement
- CHI 101/102
- FRE 101/102
- GER 101/102
- GRK 101/102
- ITA 101/102
- LAT 101/102
- SLP 101/102*
- SPA 101/102

*Sign Language may substitute for a foreign language for students in certain majors.
# UNDERGRADUATE MAJOR AND MINOR PROGRAMS

## Undergraduate Major Programs at a Glance

*Evening study available. See minor programs on page 57 for full listing of Undergraduate Minors.

ANTHROPOLOGY (B.A.)

BA-NS ANT

Anthropology Department

Bachelor of Arts (HEGIS 2202)

Classroom Building B107 (716) 878-6110

Anthropology is the exploration of what it means to be human. Although anthropology is often associated with faraway places and remote excavations, anthropologists are increasingly involved in research on such topics as education, health, food, migration, sports, tourism, and cultural identity. The study of anthropology provides a broad-based approach to the understanding of human culture (past and present) and human biology. The anthropological perspective is global, holistic, and involves considerable time-depth. The major exposes students to the primary subdivisions within the field: archaeology, social cultural anthropology, physical/biological anthropology, linguistics, and folklore. The B.A. in anthropology prepares students for further academic training at the graduate level, but can also lead directly to careers in nonacademic (applied) areas, such as forensics, contract archaeology, cultural resource management, museum work, social services, education, government, and market research. Internships, archaeological field schools, and a departmental honors program are available to students in this major.

Intellectual Foundations Requirements 33-39 cr

Student Learning Outcomes for Anthropology, B.A.

ART (B.A.)

BA-AH ART

Fine Arts Department

Bachelor of Arts (HEGIS 1002)

National Association of Schools of Art and Design (NASAD) Accredited

Upton Hall 502 (716) 878-6014

The Art program provides students with the opportunity to study a wide variety of visual arts media. Together with basic instruction in drawing, design, and art histo-
A portfolio review is required for admission to upper level courses of the program.

Students complete a total of 12 studio electives beyond the studio foundations courses, including a concentration in at least one studio area. This requires careful advisement to complete courses in a timely manner.

Students are expected to assume the costs of materials they use in art education courses, and there may be an additional instructional charge for materials used in classes.

Students are expected to work a minimum of two additional hours each week outside of class for each credit granted for that class.

Students are responsible for any additional certification requirements established by the New York State Education Department, Teacher Certification Division, including the NYS Teacher Certification Examinations and mandated seminars.

Studio (FAR and DES) Electives Selected by Advisement 12 courses

100 hours of observation with a certified teacher, as required by New York State, are built into required courses.

Applicants who do not yet meet all admissions criteria should consult with the department.

Student Teaching:

- Eligibility for student teaching is determined by the Art Education Department.
- Placement is arranged by the art education coordinator of student teaching.
- Student teaching experiences are provided in cooperating elementary, middle, and high schools.
- Transportation to/from the student teaching assignment is the student’s responsibility.
- Students enrolled in the student teaching semester devote full time to their practicum assignment.
- Prior written approval must be obtained from the chair of the Art Education Department for a student to enroll for any other coursework during a student teaching assignment except for AED400: Student Teaching Seminar.
- All students anticipating a student teaching assignment must show proof of having a test for tuberculosis within three months of the assignment.

Transfer Students:

- Students transferring to the art education major as juniors should follow the SUNY Fine Arts transfer path.
- Those who wish to complete their programs in a timely manner should plan their schedules of coursework in art education with great care, and with an academic adviser.
- Art teacher certification is a function of the Office of Teaching Initiatives, NYS Education Department, Albany- www.highered.nysed.gov/tcert/ For infor-
mation, contact the Buffalo State Teacher Certification Office - http://teachercertification.buffalostate.edu

- Post-baccalaureate (Certification-Only) Program (see below): This program is for students who have already earned a B.S./B.A./B.F.A. degree in a studio area and are interested in earning art teacher initial certification.

Intellectual Foundations Requirements 33-39 cr

ART EDUCATION (PK–12, PTCP)

Postbaccalaureate Teacher Certification Program
Program Code: UG-PBC-AH
Major Code: AED
HEGIS 0831

Art Education Department
National Council for Accreditation of Teacher Education (NCATE) Accredited
National Association of Schools of Art and Design (NASAD) Accredited
Michael E. Parks, Chair
Upton Hall 315, (716) 878-4106
http://arteducation.buffalostate.edu/

Enrollment in all teacher education programs follows the guidelines for "Admission to Teacher Education Programs" found in this catalog. Applicants who do not yet meet all admissions criteria should consult with the department.

The Art Education program prepares students for initial certification to teach visual arts in pre-kindergarten through grade 12 (PK–12) in New York State schools. The program develops art education professionals who:

- understand contemporary art and culture and are committed to teaching students in meaningful and critical ways.
- consider teaching to be a dynamic and continuing process utilizing current media technology.
- are sensitive to issues of diversity and capable of adapting their teaching strategies to meet individual needs.
The Art Education Postbaccalaureate Certification-only Program is a non-degree program designed for students who have earned a baccalaureate degree in fine arts, design, art education (or other arts-related area) from an accredited college or university and are seeking a New York State initial certification to teach visual art. After successfully completing the teacher-certification program and passing required New York State teacher certification exams, students are eligible to apply for New York State initial certification through Buffalo State’s Teacher Certification Office http://teacher certification.buffalostate.edu. No certificate is awarded by Buffalo State. Students are expected to complete the entire sequence of coursework and are responsible for any additional certification requirements established by the New York State Teacher Certification Division, including fingerprinting and several state-mandated seminars. Students in the program may elect to attend part time or full time, yet must attend full time during the student teaching semester. Courses are usually offered during the day to accommodate practical experiences in public schools.

Advisement:
Academic advisers are assigned by the department and must be consulted each semester in order to register for courses and finish in a timely manner. Students remain responsible for fulfilling department and college requirements specific to the program.

Financial Assistance:
For financial aid purposes, students in this program are considered fifth-year undergraduates, eligible for undergraduate loans.

Admission Requirements:
A bachelor’s degree in fine arts, design, art education, or other arts-related field from an accredited college or university with a minimum cumulative GPA of 3.0 (4.0 scale). A portfolio review is required, as well as a transcript review of studio and art history courses taken. Students are sometimes required to take additional courses in specific studio areas.

personal skills, a sense of aesthetics, critical thinking abilities, attention to detail, and
Because these graduates leave Buffalo State with communication and interpersonal skills, a sense of aesthetics, critical thinking abilities, attention to detail, and experience working independently or as part of a team, they can develop successful careers in administration, marketing, sales, law, business management, customer relations, human resource management, event planning, cultural tourism, and more. We urge all arts and letters majors to engage in an off-campus internship before graduation to enhance skills and because it is attractive to potential employers.

Students seeking double majors, or second degrees should be aware that Arts and Letters is rarely allowed as a second major or second degree, and only when the disciplines are significantly dissimilar.

Intellectual Foundations 2014 Requirement 33-39 cr

Total Required Credit Hours in the Major 39 cr

A. Primary Concentration (18 cr)
Courses selected by advisement (at least 9 credit hours in upper division except student teaching in one of the following areas:
Art Education (with certain limitations)
Communication
Dance
Design
English
Fine Arts
Modern and Classical Languages (not allowing 101-102)
Music
Philosophy and Humanities
Theater

B. Secondary Concentration (9 cr)
Select a second area from list above (at least 3 of the 9 credit hours must be in upper division)

C. Arts and Humanities Courses (9 cr)

D. Senior Paper or Project (3 cr)
A capstone experience under the guidance of the faculty adviser, this activity must be approved by the adviser and the topic forwarded to the dean before work is begun.

All College Electives 42-48 cr
Total Required Credit Hours 120 cr

ARTS AND LETTERS (B.A.)

BA-AH ALT

Dean's Office, School of Arts and Humanities

Bachelor of Arts (HEGIS 4901)
Rockwell Hall 222 (716) 878-6326

The B.A. degree program in Arts and Letters provides the opportunity to craft a customized major for students who are interested in the study of any of the forms of human expression, creativity, and culture, and whose career/life plans would be served by an academic scope broader than that offered by any single department.

Because these graduates leave Buffalo State with communication and interpersonal skills, a sense of aesthetics, critical thinking abilities, attention to detail, and

BIOLOGY (B.A.)

BA-NS BIO

Biology Department

Bachelor of Arts (HEGIS 0401)
Science Building 261 (716) 878-5203

The B.A. degree program in the biological sciences prepares students for several options, including various employment opportunities at the bachelor’s degree level, and entrance to graduate or professional schools.

A departmental honors program is also available. Students should contact the department for additional information.

BIO 111 Introduction to Biology is the required initial biology course in the program. Students must earn a C or better in BIO 111 to take more advanced biology courses.

Academic Performance Policy: Students who have a GPA of less than 2.0 in BIO-prefixed courses required for the major at the end of a semester will be placed on departmental probation. Students will then have two semesters to raise their GPA to a 2.0 or greater in BIO-prefixed required courses or they will be dismissed from the department.

**Business Department**

**Bachelor of Science (HEGIS 0506)**

Chase Hall 302 (716) 878-4239

The bachelor of science degree in business administration prepares students for leadership roles in management and marketing in both domestic and international business, and public and nonprofit organizations. During the first two years of the program, students acquire a foundation in accounting, economics, and computers, as well as in the arts, humanities, and social and natural sciences. The last two years are devoted to upper-division courses in management, marketing, human resources, law, finance, production and operations management, and a capstone course in business strategy. Upon acceptance into the program, students will be required to choose and complete a 15-hour concentration in one of the following areas: management, marketing, or international business.

**Admission Requirements:** Transfer students are accepted into the program on a competitive basis. No freshmen are accepted directly into the program. Students interested in business as a major may be admitted as a pre-business major (0424) until completion of entrance requirements. Prior to acceptance into the program, students will be required to attain competency in mathematics and English composition, and have a minimum cumulative GPA of 2.5.

Transfer students must take all concentration courses, the six hours of upper-division business elective courses, BUS 430, and BUS 460 at Buffalo State College. Transfer courses with D or less will not be accepted into the major.

Department of Career and Technical Education

Bachelor of Science (HEGIS 0838.01)

National Council for Accreditation of Teacher Education (NCATE) Accredited

Bacon Hall 316S (716) 878-4717
N. John Popovich, Ed.D. Department Chair

The B.S. degree program in business and marketing education leads to initial certification to teach business and marketing subjects in New York State.

Enrollment in all teacher education programs follows the guidelines for "Admission to Teacher Education Programs" found in this catalog. Applicants who do not yet meet all admissions criteria should consult with the department.

In this teaching field, applicants for a teaching certificate must also have an equivalent of one year of occupation-related work experience, which they may obtain through the field experience courses as part of the business electives.

BUSINESS AND MARKETING EDUCATION (PTCP)

UG-PBC-ED BME

Department of Career and Technical Education

Postbaccalaureate Teacher Certification Program

HEGIS (0838.01)

National Council for Accreditation of Teacher Education (NCATE) Accredited

Bacon Hall 316S (716) 878-4717

Enrollment in all teacher education programs follows the guidelines for "Admission to Teacher Education Programs" found in this catalog. Applicants who do not yet meet all admissions criteria should consult with the department.

This program is for students currently holding a bachelor's degree and/or master's degree and would like to pursue teaching business and marketing education in a secondary school environment in New York State. To be eligible for admission,* the following requirements must be satisfied: (1) Completion of a bachelor's or master's degree from an accredited college or university with a concentration of at least 36 credit hours in business and business-related courses, such as computer science and economics, with a minimum 2.5 GPA. The department will accept up to 6 credits in either CIS and/or economics. All other courses should match the required courses in the business/marketing education major. (2) Provide a résumé. (3) Provide a statement of qualification (essay format).

Note: This program is considered a postbaccalaureate program. Interested students should apply through the Graduate School.

Business Core 36 cr

Accepted courses per review of Business and Marketing Education Program.

Professional Core 33 cr

BME 301/  CTE 301  Principles of Business/Marketing and Technology Education
BME 302/  CTE 302  Curriculum and Evaluation in Business/Marketing and Technology Education
BME 303  Instructional Strategies in Business and Marketing Education
BME 411/  CTE 404  Applied Teaching Methods in Business Education
BME 415  Student Teaching (6)
### CAREER AND TECHNICAL EDUCATION (B.S.)*

**BS-ED CTE**

#### Department of Career and Technical Education

**Bachelor of Science (HEGIS 0839.03)**

- National Council for Accreditation of Teacher Education (NCATE) Accredited
- Bacon Hall 316S (716) 878-4717

Enrollment in all teacher education programs follows the guidelines for "Admission to Teacher Education Programs" found in this catalog. Applicants who do not yet meet all admissions criteria should consult with the department.

This program prepares career and technical teachers for teaching positions in city high schools, area vocational schools (BOCES), technical institutes, correctional facilities, and community college technical programs. It provides theoretical and practical preparation in planning, instructing, and managing the learning environment for students who have or will have extensive work experience in agricultural education, business and marketing education, family and consumer sciences, subject education, health careers education, technical education, or trade education. Students in career and technical education complete coursework in career and technical education to be recommended for initial certification (grades 7-12) in New York State in one of over 83 certification titles. A complete listing of Certification Titles and Codes for Career and Technical Subjects can be found on the New York State Education Department Web site: [www.highered.nysed.gov/cert/certificate/careertech_certcodes.htm](http://www.highered.nysed.gov/cert/certificate/careertech_certcodes.htm).

Enrollment in all teacher education programs follows the guidelines for "Admission to Teacher Education Programs" found in this catalog. Applicants who do not yet meet all admissions criteria should consult with the department.

**Admission Requirements:**

1. Verified full-time trade experience: four years with high school diploma, or two years with an A.A.S. degree in the occupational area, or one year with a B.S. degree and 36 credit hours of coursework in the occupational area, or a work-study arrangement (see EPOT, below).

2. High school diploma or equivalent: High school students interested in entering the program prior to completing the required work experience may apply for the EPOT program (Early Preparation of Occupational Teachers). Applicants must be able to locate a position in their trade. They will take courses in the evening, leading to a B.S. degree and teacher certification, while learning their trade in a paid position. The program takes about five years to complete.

3. Admission review.

4. Trade proficiency verified by a practical and theoretical examination.

5. Students entering the program must take Buffalo State College’s math and English competency exams prior to the completion of 9 hours of college credit.

*B Evening study available.*

---

### CAREER AND TECHNICAL EDUCATION (PTCP)*

**UG-PBC-ED CTE**

#### Department of Career and Technical Education

**Postbaccalaureate Teacher Certification Program (HEGIS 0839.03)**

- National Council for Accreditation of Teacher Education (NCATE) Accredited
- Bacon Hall 316S (716) 878-4717

Enrollment in all teacher education programs follows the guidelines for "Admission to Teacher Education Programs" found in this catalog. Applicants who do not yet meet all admissions criteria should consult with the department.

This program is designed for students who have earned a baccalaureate degree in an area other than career and technical education (CTE) from an accredited college or university, and intend to complete the coursework required for New York State certification as a career and technical teacher.

This postbaccalaureate teacher certification program prepares career and technical teachers for positions in high schools, vocational schools, technical institutes, correctional facilities, and community colleges. It provides theoretical and practical preparation in planning, instructing, and managing the learning environment for students who have or will have extensive work experience in a specific trade.

After successfully completing the teacher certification program and passing required New York State teacher certification exams, students are eligible to apply for New York State certification through the Teacher Certification Office, Cauldell Hall 101. No degree or certificate is awarded by Buffalo State.

This program is offered during the evening at Buffalo State. Some courses are offered via interactive distance learning at off-campus BOCES sites.

CERAMICS (B.F.A.)

BFA-AH CER

Design Department

Bachelor of Fine Arts (HEGIS 1009)

National Association of Schools of Art and Design (NASAD) Accredited

Upton Hall 212 (716) 878-6032

The B.F.A. degree in Ceramics is a studio-intensive program of study focused on developing the aesthetic, conceptual, and technical skills necessary to foster creativity as students work toward developing their individual identities as visual designers/artists. This degree offers students a specialized studio-oriented education in preparation for advanced or graduate studies, or for beginning careers as professional designers or artists.

Students begin with foundation courses in two-dimensional design, three-dimensional design, drawing, art history, and design history, along with courses in metals, fibers, and wood. Major courses in ceramics and sculpture complete the requirements. Internship opportunities are available. The remaining credit hours are completed in required Intellectual Foundations courses and in other chosen studio courses.

Admission Requirements: There is no entrance portfolio review for admission. All students will enter the ceramics major with a bachelor of science (BS-AH CER) intent, and complete a selection of foundation and major course(s) before a commit-to-major portfolio review for continuation in the B.S. or admission into the bachelor of fine arts program (BFA-AH CER). Commit-to-major portfolio reviews are conducted by faculty and generally take place during the sophomore year. After passing the portfolio review, to continue in the B.F.A. degree program a 3.0 GPA must be maintained in the major.

Transfer students are urged to submit their portfolios the semester before transfer in order to facilitate placement in departmental courses and/or for possible commit-to-major portfolio review. Please call the Ceramics Program for additional information. As a condition of graduation, each B.F.A. student will be required to mount an individual exhibition of his/her work.

The Design Department reserves the right to retain students’ work for official purposes, such as exhibitions, catalogs, teaching aids, or permanent collections, and to use images of the students and their work for publicity and recruitment. Students are expected to assume the costs of materials used in courses. Some studio courses may have an additional charge for materials used in class. Students enrolled in a studio course are expected to work a minimum of two additional hours each week outside of class for each credit granted for that class and the hours gradually increase as the student progresses in the major.

The Design Department may be in the process of curricular revision. Please refer to the college Web site or the department for updated information.

CERAMICS (B.S.)

BS-AH CER

Design Department
Bachelor of Science (HEGIS 1009)

National Association of Schools of Art and Design (NASAD) Accredited
Upton Hall 212 (716) 878-6032

The B.S. degree in Ceramics is a studio degree with a strong academic component. This degree offers students a broadly grounded educational experience as a basis for beginning careers as professional designers or artists.

Students begin with foundation courses in two-dimensional design, three-dimensional design, drawing, and design history, along with courses in metals, fibers, and wood. Major courses in ceramics focus on developing the aesthetic, conceptual, and technical skills necessary to foster creativity as students work toward developing their individual identities as visual designers/artists. Internship opportunities are available. The remaining credit hours are completed in required Intellectual Foundations courses and in other academic subjects of the student’s choosing. The academic component offers opportunities to gain a broader base of knowledge, as well as knowledge in other disciplines related to the major field of study.

Admission Requirements: There is no entrance portfolio review for admission. All students will enter the ceramics major with a bachelor of science (BS-AH CER) intent, and complete a selection of foundation and major course(s) before a commit-to-major portfolio review for continuation in the B.S. degree program or admission into the bachelor of fine arts program (BFA-AH CER). Commit-to-major portfolio reviews are conducted by faculty and generally take place during the sophomore year. After passing the portfolio review, to continue in the B.S. degree program a 2.5 GPA must be maintained in the major. Transfer students are urged to submit their portfolios the semester before transfer in order to facilitate placement in departmental courses and/or for possible commit-to-major portfolio review. Please call the Ceramics Program for additional information.

The Design Department reserves the right to retain students’ work for official purposes, such as exhibitions, catalogs, teaching aids, or permanent collections, and to use images of the students and their work for publicity and recruitment. Students are expected to assume the costs of materials used in courses. Some studio courses may have an additional charge for materials used in class. Students enrolled in a studio course are expected to work a minimum of two additional hours per week outside of class for each credit earned. Students enrolled in a studio course are expected to work a minimum of two additional hours per week outside of class for each credit granted for that class and the hours gradually increase as the student progresses in the major.

The Design Department may be in the process of curricular revision. Please refer to the college web site or the department for updated information.

### CHEMISTRY (B.S.)

**BS-NS CHE**

**Chemistry Department**

**Bachelor of Science (HEGIS 1905)**

Science Building 267 (716) 878-5204

The chemistry B.S. degree program offers students a strong background in chemistry while providing students with two concentration options, traditional chemistry and biochemistry. Both concentrations are approved by the American Chemical Society. Graduates of this program are fully prepared to assume entry-level positions as chemists with industrial or governmental laboratories, or to begin more specialized programs of study at the graduate level. The biochemistry concentration prepares students for both professional programs in health-related professions and advanced studies in biochemistry.

**Admission Requirements:**

Transfer Admission Requirements: Transfer students from two-year colleges should have earned credit for course equivalent to CHE 111, CHE 112, CHE 114, CHE 201, CHE 202, CHE 203, CHE 204, CHE 301, MAT 161, MAT 162, MAT 263, PHY 111, PHY 112, and BIO 211 or BIO 214 (biology course required for biochemistry concentration only) to avoid possible delays in the completion of the degree program. Transfer students must complete a minimum of 10 credits in chemistry at Buffalo State. Chemistry courses taken elsewhere may be substituted for similar courses at Buffalo State only if they have the same or equivalent prerequisites. Chemistry courses not meeting this criterion may be transferred as elective credit.

### A. Required Courses (28 cr)
- CHE 111 Fundamentals of Chemistry I (4)
- CHE 112 Fundamentals of Chemistry II (3)
- CHE 114 Fundamentals of Chemistry Laboratory II (1)
- CHE 201 Organic Chemistry I
- CHE 202 Organic Chemistry II
- CHE 203 Organic Chemistry Laboratory I (1)
- CHE 204 Organic Chemistry Laboratory II (1)
- CHE 301 Analytical Chemistry (4)
- CHE 305 Physical Chemistry I
- CHE 306 Physical Chemistry II
- CHE 307 Physical Chemistry Laboratory I (1)
- CHE 308 Physical Chemistry Laboratory II (1)

### B. Concentration Courses

*Students are required to complete one of the following concentrations:*
Admission Requirements: To be considered for admission to the Childhood education major (CED), students must have an 85% High School average or a cumulative GPA of 3.0, as well as submitted ACT or SAT scores as part of the application process. For students currently enrolled at Buffalo State, an acceptable intervention (DASA Training). Successful Graduates will be recommended for New York State Initial Certification to teach children from first to sixth grade (Childhood, CED).

Transfer Students: Most courses taken at an accredited institution and relevant to a Buffalo State degree program will be accepted, but the majority of professional sequence courses applied to the Childhood education major must be courses completed at Buffalo State. Grades for transfer courses are generally used in computing the required 3.0 cumulative GPA for admission to the major. Students planning to transfer as juniors into the Childhood program and wishing to complete their program in four semesters must seek advisement at the institution in which they initially enrolled to assure that the prerequisite course equivalencies are met. In addition to academic requirements, students are required to complete all seminars specifically required by New York State for program completion and graduation, including School Violence Prevention and Intervention (SAVE); Identification and Reporting of Child Abuse and Maltreatment; Alcohol and Other Drug Avoidance; Fire and Arson Safety; HIV and the Classroom; and Harassment, Bullying, Cyberbullying, and Discrimination in Schools: Prevention and Intervention (DASA Training). The seminar requirements are subject to change.

Total Required Credit Hours 123 cr

*Up to 6 general education (IF 14) courses (math/quantitative reasoning, American Civilization, Western Civilization, Non-western Civilization, Humanities, Natural Science, Global and Diversity) may overlap with required major, distribution, and concentration courses. Advisement is strongly encouraged.

The total number of required hours will vary with course selection. Students should refer to the Elementary Education Handbook and an academic adviser for more detailed information.

**CHILDHOOD EDUCATION AND ENGLISH EXTENSION (GRADES 1–6 AND ENGLISH 7–9, B.S.)**

BS-ED CEN

Elementary Education and Reading Department

Bachelor of Science (HEGIS 0802)

National Council for Accreditation of Teacher Education (NCATE) Accredited
Bacon Hall 302 (716) 878-5916

Enrollment in all teacher education programs follows the guidelines for "Admission to Teacher Education Programs" found in this catalog. Applicants who do not yet meet all admissions criteria should consult with the department.

Admission Requirements: To be considered for admission to the Childhood Education with English Extension major (CEN), students must have an 85% High School average or a cumulative GPA of 3.0, as well as submitted Act or SAT scores as part of the application process. For students currently enrolled at Buffalo State, an acceptable application to the department includes evidence that the above requirements have been met. A description of relevant experiences and a writing sample regarding the applicant’s experiences that have helped solidify plans to pursue teaching is required. Applications to CEN are available in Bacon 302. Acceptance into the department enables students to proceed through the curricular courses of their selected major. Childhood with English extension education majors must complete one year of college-level study of one language other than English. Typically, two years of high school study of one language is equivalent to one year of college-level work. Childhood education with English extension majors must also complete a distribution requirement of at least 6 credit hours in each of the following areas: mathematics, science, social studies, and English (not including ENG/CWP 101 and ENG/CWP 102).

English Extension Majors also complete a 30-credit-hour concentration in English as outlined in the elementary education handbook, available in Bacon 302 and the college website.

Many of the courses in our professional sequence are taught in authentic settings for clinically-rich mentored experiences. As a result, the teacher candidates will have observation, tutoring, and teaching experiences in a variety of placements in our Professional Development Schools Consortium. In addition, English Extension majors will take ENG 463 in the semester prior to student teaching. See the English department for details about course availability and orientations. Student Teaching: The culminating courses for the Childhood with English extension major include two supervised student teaching experiences with children at different age levels in different types of schools. Eligibility and placement for each student teaching experience is determined by the department offices in cooperation with public schools in the greater Buffalo area. It is expected that students in this major will have at least one urban teaching experience.

Graduates in this major will be recommended for New York State Initial Certification to teach children in grades 1–6 and 7–9 English.

Transfer Students: Most courses taken at an accredited institution and relevant to a Buffalo State degree program will be accepted, but the majority of professional sequence courses applied to the childhood education with English extension major must be courses completed at Buffalo State. Grades for transfer courses are generally used in computing the required 3.0 cumulative GPA for admission to the major. Students planning to transfer as juniors into the Childhood program with English extension and wishing to complete their programs in four or five semesters must seek advisement at the institution in which they initially enrolled to assure that the prerequisite course equivalencies are met. Since graduates in extension programs will receive two certifications, it may require an additional semester of college work.

In addition to academic requirements, students are required to complete all seminars specifically required by New York State for program completion and graduation, including School Violence Prevention and Intervention (SAVE); Identification and Reporting of Child Abuse and Maltreatment; Alcohol and Other Drug Avoidance; Fire and Arson Safety; HIV and the classroom; and Harassment, Bullying, Cyberbullying, and Discrimination in Schools: Prevention and Intervention (DASA Training). The seminar requirements are subject to change.

in each of the following areas: mathematics, science, social studies, and English (not including ENG/CWP 101 and ENG/CWP 102).

French Extension Majors also complete a 30-credit-hour concentration in French as outlined in the elementary education handbook, available in Bacon 302, and on the Buffalo State website.

Many of the courses in our professional sequence are taught in authentic settings for clinically-rich mentored experiences. As a result, the teacher candidates will have observation, tutoring, and teaching experiences in a variety of placements in our Professional Development Schools Consortium. In addition, French Extension majors take FLE 300 or FLE 401 in the fall semester closest to their student teaching experience. See the Modern and Classical Languages department for availability and orientations.

Student Teaching: The culminating courses for the Childhood with French Extension major include two supervised student teaching experiences with children at different age levels in different types of schools. Eligibility and placement for each student teaching experience is determined by the department office in cooperation with public schools in the greater Buffalo area. It is expected that students in this major will have at least one urban teaching experience.

Graduates in this major will be recommended for New York State Initial Certification to teach children in grades 1–6 and 7–9 French.

Transfer Students: Most courses taken at an accredited institution relevant to a Buffalo State degree program will be accepted, but the majority of professional sequence courses applied to the Childhood education with French extension major must be courses completed at Buffalo State. Grades for transfer courses are generally used in computing the required 3.0 cumulative GPA for admission to the major. Students planning to transfer as juniors into the childhood program with French extension and wishing to complete their program in four or five semesters must seek advisement at the institution in which they initially enrolled to assure that the prerequisite course equivalencies are met. Since teacher candidates will qualify for two certifications, most extension programs may require an additional semester.

In addition to academic requirements, students are required to complete all seminars specifically required by New York State for program completion, including School Violence Prevention and Intervention (SAVE); Identification and Reporting of Child Abuse and Maltreatment; Alcohol and Other Drug Avoidance; Fire and Arson Safety; HIV and the Classroom; and Harassment, Bullying, Cyberbullying, and Discrimination in Schools: Prevention and Intervention (DASA Training). **COMMUNICATION DESIGN (B.F.A.)**

BFA-AH CMD

**Design Department**

**Bachelor of Fine Arts (HEGIS 1009)**

National Association of Schools of Art and Design (NASAD) Accredited

Upton Hall 212 (716) 878-6032

The B.F.A. degree in Communication Design is a studio-intensive program of study. This degree offers students a specialized studio-oriented education in preparation for advanced or graduate studies, or for beginning careers as professional designers.

Students begin with foundation courses in two-dimensional design, three-dimensional design, color, art history, and design history. The major is completed with courses in communication design and selected major electives. Internships are required of senior level majors.

The remaining credit hours are completed in required Intellectual Foundations courses and in other chosen studio courses.

All students entering the communication design major enter with a bachelor of fine arts (BFA-AH CMD) intent, and are required to pass a portfolio review for admission into the upper division. Commit-to-major portfolio reviews are conducted by faculty and generally take place during the sophomore year after the completion of selected foundations courses, as well as the first course in the intended major. To continue in the B.F.A. degree program, a 3.0 GPA must be maintained in the major.

Transfer students are urged to submit their portfolios the semester before transfer in order to facilitate placement in departmental courses and/or for possible commitment-to-major portfolio review. Please call the Design Department for additional information.

The Design Department reserves the right to retain students’ work for official purposes, such as exhibitions, catalogs, teaching aids, or permanent collections.
on Education in Journalism and Mass Communication.

**Career Opportunities:** Students in Communication Studies prepare for careers in organizational communication, research, media analysis, public relations, lobbying, speechwriting, fundraising, and other fields that require a liberal arts education enhanced with communication expertise. The major also provides a base for graduate education in communication, law, management, and other professional areas.

The profile of a successful communication studies graduate is a person with strong writing and speaking proficiency, keen ethical insight, competence in analyzing and thinking critically, and skill in working effectively both independently and in teams.

**Admission Requirements:** Incoming freshman and transfer students can declare the major. A 2.6 in the major is needed to register for certain required upper-division courses (300- and 400-level).

See communication.buffalostate.edu communication.buffalostate.edu for application forms and additional information, including a list of equivalent core courses at community colleges. Transfer students from two-year schools may apply only core courses toward this major for a maximum of 12 credits. Students generally require four semesters of study after completing communication core courses.

Academic Standards: Only grades of C or higher may be applied toward requirements for any communication degree; courses with lower grades must be repeated. Consistent with standards of the Accrediting Council for Education in Journalism and Mass Communication, the number of communication courses that students may take is capped, encouraging a broad-based liberal arts education. The department encourages students to take minors or second majors, and requires evidence of an academic concentration or area of expertise outside the Communication Department.

## COMPUTER INFORMATION SYSTEMS (B.S.)*

### Computer Information Systems Department

**Bachelor of Science (HEGIS 0702)**

Technology Building 203 (716) 878-5528

The computer information systems program prepares students for entry-level positions, such as programmer, systems analyst, or network support in the computer field, and provides them with the technical knowledge and managerial skills necessary for a wide range of subsequent career paths. There is a growing demand in all sectors for individuals with this combination of capabilities. This program was developed with the cooperation of employers and information systems professionals and, unlike a computer science program, its emphasis is on commercial applications of computers rather than theory.

**Admission Requirements:** Transfer students from parallel A.S. or A.A.S. programs in computer information systems or computer science, and students from nonparallel programs who have completed a programming course equivalent to CIS 151, are accepted directly into the CIS major on a competitive basis providing they have a minimum cumulative GPA of 2.5 and a minimum GPA of 2.0 in major courses from the transfer institution. Freshmen and transfer students who do not meet these requirements for admission to the CIS major are accepted into the CIS premajor (0824) with no special requirements. Premajors are expected to take CIS 151 within three semesters of entering the premajor. Freshmen who have 6 credits of AP computer science can be accepted directly into the CIS major (0825). CIS premajors, undeclared students, and students in other majors at Buffalo State can be admitted to the CIS major when they have (a) completed CIS 151 (or an equivalent transfer course) with a minimum grade of C or achieved a minimum GPA of 2.0 in CIS major courses taken at Buffalo State, and (b) achieved a minimum cumulative GPA of 2.5 at Buffalo State.

The CIS department is in the process of curricular revision. Please refer to college Web listings or the department for updated information.

*Evening study available.
Concentration in Policing: CRJ 202, CRJ 301, CRJ 409

Concentration in Major:

- Policies and Operations of the Criminal Justice System and Relationships Between Crime and Crime Control within the Context of a Democratic Society. The program characteristic of a criminal justice major is a multidisciplinary academic program that examines the characteristics and operations of the criminal justice system and relationships between crime and crime control within the context of a democratic society. The program explores social, cultural, political, and organizational influences on criminal justice policies and operations from both theoretical and real-world perspectives.

Concentrations in Major:

- Criminal Justice
- Intelligence Analysis
- Corrections

B.S.-SP CRJ

Criminal Justice Department

Bachelor of Science (HEGIS 2105)

Classroom Building C114 (716) 878-4517

Criminal justice is a multidisciplinary academic program that examines the characteristics and operations of the criminal justice system and relationships between crime and crime control within the context of a democratic society. The program explores social, cultural, political, and organizational influences on criminal justice policies and operations from both theoretical and real-world perspectives.

Concentrations in Major:

- Concentration in Policing: CRJ 202, CRJ 301, CRJ 409
- Concentration in Corrections: CRJ 204, CRJ 306, CRJ 406, CRJ 420
- Concentration in Intelligence Analysis: CRJ 250, CRJ 355, CRJ 450, CRJ 455

Admission Requirements: Students are not accepted to the criminal justice major during their first semester at Buffalo State. However, students can be admitted as premajors to receive the benefit of departmental information and advisement. A minimum of 12 credit hours of coursework must be completed with a minimum cumulative GPA of 2.5. A student is then eligible to apply for admittance as a criminal justice major. Transfer students from community colleges are accepted based upon their academic average and according to their date of application.

Degree Requirements

Intellectual Foundations Requirements

Total Required Credit Hours in Criminal Justice 33-39 cr

A. Core Courses (18 cr)

SWK 301 Poverty and Public Policy

All College Electives 39 - 45 cr
Total Required Credit Hours 120 cr
After completing the supervised practice requirements, individuals may take the or pre-apply for a ACEND statement signed by the DPND program director. Graduates are then eligible to apply for a ACEND for entry level dietitians. Graduates of the program receive a verification registration examination administered by the Commission on Dietetic Registration. Passing the registration examination earns the credentials of registered dietitian Nutritiost (RDN). Career opportunities are available to dietitians in health facilities, food service organizations, government agencies, and consulting work. Some individuals use this program to prepare for graduate study in nutrition-related areas.

Admission Requirements: Students are admitted as freshmen or transfers. Transfer students, undeclared students, or students changing majors or desiring a major in this program must have a minimum GPA of 2.75 in previous college credit. Undeclared students or those changing majors to dietetics must fill out a Change of Major form.

Academic Requirements: All DPND students are required to maintain a cumulative GPA of 2.75 to continue as juniors as defined by the program. DPND student cumulative GPAs will be reviewed prior to starting any DPND junior courses (NFS 401, Medical Nutrition Therapy I and/or NFS 330, Integrative and Functional Nutrition). Students failing to meet the GPA requirement cannot advance in the program until they have met the required GPA and therefore, cannot graduate with a degree in dietetics.

**B. Courses for ADA Requirements (27 cr)**

To satisfy the clinical requirements of the A.N.D., students are required to take the following courses, which may be substituted for electives.

- NFS 445 Nutrition Care A (4)
- NFS 446 Nutrition Care B (4)
- NFS 447 Nutrition Care C (5)
- NFS 448 Nutrition Care D (5)
- NFS 449 Nutrition Care E (Nutritional Care of Long-Term Patients) (2)
- NFS 450 Senior Practicum in Dietetics (4)
- NFS 451 Speciality Practice (1)
- NFS 471 Experiences in Health-Care Food Service Systems

**Required Courses Outside the Major (32 cr)**

The ADA requires completion of subjects outside nutrition to satisfy academic requirements. Courses meeting these requirements are identified below; they may be taken as electives or used in fulfilling the Intellectual Foundations requirements.

- BIO 100 Principles of Biology
- BIO 210 Microbiology
- BIO 308 Human Anatomy and Physiology
- BIO 309 Human Anatomy and Physiology Lab (1)
- CHE 111 Fundamentals of Chemistry I (4)
- CHE 112 Fundamentals of Chemistry II
- CHE 114 Laboratory for Fundamentals of Chemistry II (1)
- CHE 321 Principles of Organic Chemistry (4)
- CHE 322 Biological Chemistry (4)
- MAT 311 Introductory Probability and Statistics (or equivalent)
- PSY 101 Introduction to Psychology

**Total Required Credit Hours** 125 cr

---

**DIDACTIC PROGRAM IN NUTRITION AND DIETETICS (B.S.)**

BS-SP DIE DID

Dietetics and Nutrition Department

**Bachelor of Science (HEGIS 1306)**

Caudell Hall 207 (716) 878-5913

The program provides students with the academic requirements established by ACEND for entry-level dietitians. Graduates of the program receive a verification statement signed by the DPND program director. Graduates are then eligible to apply for a ACEND-accredited supervised practice program via dietetic internships or pre-professional practice programs that are available throughout the country. After completing the supervised practice requirements, individuals may take the

registration examination administered by the Commission on Dietetic Registration.

**Total Required Credit Hours** 123-129 cr

**All College Electives** 0 cr
Elementary Education and Reading Department

Bachelor of Science (HEGIS 0802)

National Council for Accreditation of Teacher Education (NCATE) Accredited
Bacon Hall 302 (716) 878-5916

Enrollment in all teacher education programs follows the guidelines for "Admission to Teacher Education Programs" found in this catalog. Applicants who do not yet meet all admissions criteria should consult with the department.

Admission Requirements: To be considered for admission to the Combined Childhood and Early Childhood education major (ECC, grades birth-6), students must have an 85% High School average or a cumulative GPA of 3.0, as well as submitted ACT or SAT scores as part of the application process.

For students currently enrolled at Buffalo State, an acceptable application to the department includes evidence that the above requirements have been met. A description of relevant experiences and a writing sample regarding the applicant’s experiences that have helped solidify plans to pursue teaching is required. Applications to ECC are available in Bacon 302. Acceptance into the department enables students to proceed through the curricular courses of their selected major.

Combined Childhood and Early Childhood education majors must complete one year of college-level study of one language other than English. Typically, two years of high school study of one language is equivalent to one year of college-level work. Combined education majors must also complete a distribution requirement of at least 6 credit hours in each of the following areas: mathematics, science, social studies, and English (not including ENG/CWP 101 and ENG/CWP 102).

Many of the courses in our professional sequence are taught in authentic settings for clinically-rich mentored experiences. As a result, the teacher candidates will have observation, tutoring, and teaching experiences in a variety of placements in our Professional Development Schools Consortium. Combined education majors are required to complete a 30-credit hour academic concentration in addition to the professional program requirements; the concentration seeks to broaden students’ academic backgrounds. Descriptions of the approved concentrations can be found in the Elementary Education Department Handbook for Majors, available on the department website, or from the department office. Currently, the concentration may be chosen from: American studies, English, Liberal Arts, foreign language, mathematics, science, social studies or urban studies.

Student Teaching: The culminating courses for the Combined education majors (ECC) include two supervised student teaching experiences with children at different age levels in different types of schools. Eligibility and placement for each student teaching experience is determined by the department office in cooperation with public schools in the greater Buffalo area. It is expected that students in these majors will have at least one urban teaching experience. Successful graduates will be recommended for New York State Initial Certification to teach children from birth through grade 6 (Combined Childhood and Early Childhood, ECC). Transfer Students: Most courses taken at an accredited institution and relevant to a Buffalo State degree program will be accepted, but the majority of professional sequence courses applied to the Combined Childhood and Early Childhood education major must be courses completed at Buffalo State. Grades for transfer courses are generally used in computing the required 3.0 cumulative GPA for admission to the major. Students planning to transfer as juniors into the Combined program and wishing to complete their program in four semesters must seek advisement at the institution in which they initially enrolled to assure that the prerequisite course equivalencies are met.

Since the teacher candidate will graduate with recommendation for two certification areas, Combined majors should anticipate an additional semester of college work.

In addition to academic requirements, students are required to complete all seminars specifically required by New York State for program completion and graduation, including School Violence Prevention and Intervention (SAVE); Identification and Reporting of Child Abuse and Maltreatment; Alcohol and Other Drug Avoidance; Fire and Arson Safety; HIV and the Classroom; and Harassment, Bullying, Cyberbullying, and Discrimination in Schools: Prevention and Intervention (DASA Training). The seminar requirements are subject to change.

Eligibility and placement for each student teaching experience is determined by the department office in cooperation with public schools in the greater Buffalo area. It is expected that students in these majors will have at least one urban teaching experience.

Successful Graduates will be recommended for New York State Initial Certification to teach children from birth through grade 2 (early childhood, ECE).

Transfer Students: Most courses taken at an accredited institution and relevant to a Buffalo State degree program will be accepted, but the majority of professional sequence courses applied to the early childhood education major must be courses completed at Buffalo State. Grades for transfer courses are generally used in computing the required 3.0 cumulative GPA for admission to the major. Students planning to transfer as juniors into the early childhood programs and wishing to complete their programs in four semesters must seek advisement at the institution in which they initially enrolled to assure that the prerequisite course equivalencies are met.

In addition to academic requirements, students are required to complete all seminars specifically required by New York State for program completion and graduation, including School Violence Prevention and Intervention (SAVE); Identification and Reporting of Child Abuse and Maltreatment; Alcohol and Other Drug Avoidance; Fire and Arson Safety; HIV and the Classroom; and Harassment, Bullying, Cyberbullying, and Discrimination in Schools: Prevention and Intervention (DASA Training). The seminar requirements are subject to change.

*Up to 6 general education (IF 14) courses (math/quantitative reasoning, American Civilization, Western Civilization, Non-western Civilization, Humanities, Natural Science, Global and Diversity) may overlap with required courses in the major which could reduce the total number of credit hours required. Advisement is strongly encouraged.*
The total number of required hours will vary with course selection. Students should refer to the Elementary Education Department Handbook and an academic adviser for more detailed information.

**EARTH SCIENCES (B.S.)**

Earth Sciences and Science Education Department

Bachelor of Science (HEGIS 1917)

Science Building 271 (716) 878-6731

The Earth Sciences program offers students the opportunity to develop a broad understanding of the earth as a dynamic, interacting system of land, sea, atmosphere, and solar system. The student, in consultation with a faculty adviser, will select one of the three concentrations, usually after completion of 9 GES credit hours. The concentrations, leading in potentially different career directions, are Earth Science (for secondary education Earth Science candidates), Environmental Earth Sciences, and Geology. Earth Sciences majors may not minor in Astronomy.

Coursework in chemistry, calculus, and physics is expected, particularly for students intent upon careers in the geosciences, contemplating graduate study, or seeking certification as a secondary Earth Science teacher. The recommended courses are CHE 111, CHE 112, MAT 126, MAT 127, PHY 111, PHY 112 and upper-division courses in chemistry, mathematics and physics. Each student should choose the appropriate courses by advisement, beginning with entry into the major.

Student majors are given many opportunities to pursue independent research under faculty supervision or an internship experience. Students may find additional information about undergraduate research possibilities from faculty members, and by visiting the Undergraduate Research Office http://undergraduate.research.buffalostate.edu/.

A departmental honors program also is available. Students should contact the department for additional information.

**ECONOMICS (B.A.)**

Economics and Finance Department

Bachelor of Arts (HEGIS 2204)

Classroom Building B207 (716) 878-4606

The B.A. degree program in economics provides a solid foundation in the basic skills to formulate decisions as consumers, resource owners, and managers in business, government, and nonprofit organizations. This program is designed to prepare students to participate in the global economy by providing a strong focus on the international aspects of economics. Students who choose this program are encouraged to complement the international focus of the program by taking additional courses in history, political science, and geography. In addition to providing preparation for a variety of management positions in business, government and not-for-profits, the program offers an excellent preparation for graduate work in international business, economics, politics and law.

**Admission Requirements:** Transfer or uncommitted students must have a minimum GPA of 2.0 in all previous college credits.

Transfer Students: Most courses taken at an accredited institution and relevant to the B.A. degree program will be accepted, but the majority of courses applied to
Financial economics is the rigorous study of financial markets (bonds, derivatives, swaps, and equities) and their related institutions. Preparing for graduate work in business, government, and nonprofit organizations, and providing excellent skills and analytical techniques that are necessary to understand changes in the broad economic environment and be able to formulate decisions as consumers, resource owners, and managerial personnel in business, government, and nonprofit organizations. Students choose a concentration in either applied economics or financial economics.

The B.S. degree program in economics provides a solid foundation in the basic skills and analytical techniques that are necessary to understand changes in the broad economic environment and be able to formulate decisions as consumers, resource owners, and managerial personnel in business, government, and nonprofit organizations. Students choose a concentration in either applied economics or financial economics and complete additional required courses and specialized electives. Both concentrations prepare students for entry-level management positions in business, government, and nonprofit organizations, and provide excellent preparation for graduate work in business administration, economics, and law.

Financial economics is the rigorous study of financial markets (bonds, derivatives, swaps, and equities) and their related institutions.

ENGLISH EDUCAtion (7–12, B.S.)

BS-AH ENS

English Department

Bachelor of Science (HEGIS 1501.01)

Ketchum Hall 326 (716) 878-5416

The English B.S. degree program in secondary education leads to a New York
State Initial Certificate for teaching English in grades 7–12.

Freshmen with a high school GPA below 85 and transfers with fewer than 30 credits or a GPA below 3.0 are admitted into the English major and may switch to English education upon meeting departmental requirements. Freshmen with a high school GPA of 85 or above and transfers with more than 30 credits and a GPA of 3.0 or above can be admitted directly into English education.

Admission Requirements: 30 credits of college coursework; mandatory meeting with the English education coordinator; a 3.0 GPA and/or a strong indication of the professional disposition required to be a successful teacher. Evidence of professional dispositions can be indicated in a variety of ways: faculty recommendations, completed professional disposition forms, interview with English Education Committee, and/or evidence of relevant extracurricular activities.

Intellectual Foundations Requirements 33-39 cr

Total Required Credits in English (Literature and Language) 39 cr

(21 credits must be upper division)

A. Required Courses (15 credits)

ENG 100 Introduction to Literary Interpretation (Must be taken immediately after completion of freshman composition requirement or within first year of transfer to English Department.)

ENG 317 Shakespeare for Future Teachers (Students can also take ENG 315 or ENG 316.)

ENG 354 Ethnic American Literatures

ENG 370 Foundations of Language

ENG 461 Young Adult Literature

B. Area Courses in Literature (24 credits)

1. Two courses in British literature, at least one before 1850.
   Pre-1850 options: ENG 210, ENG 211, ENG 252, ENG 313, ENG 314, ENG 315, ENG 316, ENG 415, ENG 416, ENG 417, ENG 420. Other options: ENG 212, ENG 252, ENG 418, ENG 419, ENG 421, ENG 422, ENG 455. If students use ENG 315 or ENG 316 to satisfy their Shakespeare requirement (see above), they cannot use it to satisfy their pre-1850 requirement.

2. Two courses in American literature, at least one prior to 1900. Pre-1900 options: ENG 220, ENG 441, ENG 442, ENG 445. Other options: ENG 221, ENG 240, ENG 241, ENG 243, ENG 353 ENG 443, ENG 444

3. One course in World literature. Options: ENG 130, ENG 131, ENG 230, ENG 330, ENG 331, ENG 332, ENG 335, ENG 337, ENG 345, ENG 346, ENG 350, ENG 351. The following courses from the Modern and Classical Languages Department can apply to these areas with approval of the English Department chair: FRE 331, FRE 341, GER 337, GER 338, HUM 320, ITA 336, MCL 337, MCL 338.

4. Three other English courses in linguistics, literature, theory or writing.

Note: Other courses, such as topics courses, when appropriate, can fulfill major requirements. Discuss questions with advisor.

ENGLISH EDUCATION (7–12, PTCP)

PBC-AH ENS

English Department

Postbaccalaureate Teacher Certification Program (HEGIS 1501.01)

National Council for Accreditation of Teacher Education (NCATE) Accredited

Ketchum Hall 326 (716) 878-5416

Enrollment in all teacher education programs follows the guidelines for "Admission to Teacher Education Programs" found in this catalog. Applicants who do not yet meet all admissions criteria should consult with the department.

The English secondary education post-baccalaureate certification-only program prepares students to create productive learning environments, plan and execute effective instructional activities in the English language arts, monitor and assess student learning, address the special developmental needs of students at the middle-school level and in high school, and work effectively with learners having diverse backgrounds or special needs. It takes approximately three to four semesters to complete certification requirements at Buffalo State. Students in this program take both undergraduate- and graduate-level courses and will be billed appropriately for each type. Graduate credits can be applied to a master's degree at Buffalo State. For financial aid purposes, students will be considered fifth-year undergraduates eligible for undergraduate loans. To apply for the program, students should request an application from the Graduate Studies and Research Office, Cleveland Hall 204.

Admission Requirements: (1) Bachelor’s degree in English with courses in Shakespeare, ethnic American literature, young adult literature, and world literature, or completion of an undergraduate degree in a related discipline with 36 credit hours of coursework in English, including courses in Shakespeare, ethnic American literature, young adult literature, and world literature. Applicants who do not meet these admission requirements can take courses at Buffalo State to become eligible to apply. (2) The study of a language other than English. Applicants must have
Enrollment in all teacher education programs follows the guidelines for "Admission to Teacher Education Programs" found in this catalog. Applicants who do not yet meet all admissions criteria should consult with the department.

Undergraduate majors in exceptional education study within a cross-categorical program focusing on the education of students who have a variety of regular and special instructional needs. Included are students in disability groups traditionally associated with intellectual and developmental disabilities, physical/neurological disabilities, and learning and behavioral difficulties.

Graduates of the program typically obtain positions as teachers in inclusive classrooms, resource rooms, self-contained classrooms, special schools, residential facilities, or as consultant teachers in general education settings. Students who pursue initial certification in both childhood special education and childhood education are particularly well qualified to work with students with special needs in integrated education settings. Students in exceptional education complete coursework in elementary education and special education to be recommended for initial certifications as a teacher of childhood education (grades 1–6) and childhood special education (grades 1-6) in New York State.

Candidates for initial certification in both childhood education and childhood special education must achieve passing scores on the Liberal Arts and Sciences Test (LAST), the Assessment of Teaching Skills-Written (ATS-W), Multi-Subject Content Specialty Test, and the Students with Disabilities Content Specialty Test of the New York State Teacher Certification Exam (NYSTCE).

Admission Requirements: Students must provide evidence of potential for success to be admitted into the exceptional education program. Entering freshmen who express an interest in exceptional education on their applications to Buffalo State will be assigned to premajor status (0301) and will be accepted into exceptional education (0299) after (1) successfully completing 12 credit hours at Buffalo State, (2) successfully completing CWP 101 and CWP 102, (3) earning at least two minimum grades of C in two Intellectual Foundations courses, (4) completing the mathematics/quantitative reasoning requirement, and (5) earning a minimum cumulative GPA of 3.0.

Transfer students from other colleges who are not directly accepted into the exceptional education program by the Admissions Office will be accepted as exceptional education premajors (0301) provided they have not completed 60 or more credit hours prior to attending Buffalo State. They will be accepted as majors (0299) after (1) successfully completing 12 credit hours at Buffalo State; (2) waiving/successfully completing CWP 101 and CWP 102; (3) earning at least two minimum grades of C in two cognate foundations courses, unless waived by an associate of arts or associate of science degree; (4) passing the mathematics/quantitative reasoning requirement, unless waived; and (5) earning a minimum cumulative GPA of 2.6.

Buffalo State students who are undeclared or wishing to change to an exceptional education major from another major will be accepted directly into the program (0299) after (1) successfully completing CWP 101 and CWP 102; (2) earning at least two minimum grades of C in two cognate foundations courses, (3) passing the mathematics/quantitative reasoning requirement, and (4) earning a minimum cumulative GPA of 3.0. Students who meet criteria 1, 2, and 3 above will be accepted as premajors (0301) if their cumulative GPA is between 2.5 and 2.59, and they have not completed 60 or more credit hours. They can be accepted into the major only after earning a cumulative GPA of 3.0.

*Up to 6 general education (IF 14) courses (math/quantitative reasoning, American Civilization, Western Civilization, Non-western Civilization, Humanities/English, Natural Science, Global and Diversity) may overlap with required courses in the major, distribution, and concentration which could significantly reduce the total number of credit hours required. Advisement is strongly encouraged.

**Some concentration courses may overlap general education (IF 14) courses. Advisement is strongly encouraged.

Family and Consumer Sciences Education (B.S.)

Department of Career and Technical Education

Bachelor of Science (HEGIS 1301.01)

Bacon Hall 316S (716) 878-4717

Enrollment in all teacher education programs follows the guidelines for "Admission to Teacher Education Programs" found in this catalog. Applicants who do not yet meet all admissions criteria should consult with the department.

The Family and Consumer Sciences Education Undergraduate Program offers a broad knowledge of family and consumer sciences, plus skills in planning and communicating this knowledge to others.

The Bachelor of Science degree program in Family and Consumer Sciences Education leads to initial K-12 certification to teach Family and Consumer Sciences. Graduates from the Family and Consumer Sciences Education program are prepared to teach Family and Consumer Sciences. The Bachelor of Science degree in Family and Consumer Sciences Education is necessary for certification in order to obtain a teaching position.

Fashion and Textile Technology (B.S.)

Department of Fashion and Textile Technology

Bachelor of Science (HEGIS 1303)

Technology Building, 303 (716) 878-3478

The fashion and textile technology department at Buffalo State is the only baccalaureate department in Western New York that offers a variety of career preparation options for the multifaceted, global fashion industry. Faculty expertise, continuous updating of technology-based curriculum, and industry partnerships contribute to the strength of the program. Class sizes are small, allowing individual atten...
Students are encouraged to participate in extracurricular programmatic activities and regional and national competitions. Students have achieved top honors in national apparel and textile design competitions. Internships are available in the Buffalo area and elsewhere in the United States. Affiliations with industry and professional organizations include the American Apparel and Footwear Association (AAFA), which has endorsed the department; the Costume Society of America (CSA); the American Collegiate Retailing Association (ACRA); and the International Textile and Apparel Association (ITAA).

The fashion and textile technology department is designed to prepare students for employment in the apparel, textile, and fashion industries. Employment opportunities exist in textiles, retail management, CAD design for textiles and apparel, apparel production, product development, textile testing/quality control, home furnishings, and government agencies. Examples of available positions include technicians in testing labs to set safety and performance standards, CAD (print, weave, knit, technical, or fashion graphic) apparel designers, trend and design specialists, private label costing and sourcing, CAM production, stylists, colorists, entrepreneurs, fashion/visual merchandisers, merchant representatives, fashion journalists, logistics specialists, U.S. customs agents, and theater costume designers.

Graduates have been employed by most major apparel and textile companies, including, but not limited to: Abercrombie & Fitch, Calvin Klein, Dior, Ralph Lauren, Macy’s, Fisher-Price, New Era, Eastman Machine Co., AccuMED Technologies Inc., GAP and GAP Kids, Lord & Taylor, Bureau Veritas testing labs, Limited, Oxford Industries, Swavelle/Mill Creek, Tony Walker & Co., Tobin Home Fashions, Toppers, Tommy Hilfiger, Graco Home Fashions International, Park B. Smith, Appollo Patio Furniture Design, Target, Dillards, and Victoria’s Secret.

Graduates have been employed by most major apparel and textile companies, including, but not limited to: Abercrombie & Fitch, Calvin Klein, Dior, Ralph Lauren, Macy’s, Fisher-Price, New Era, Eastman Machine Co., AccuMED Technologies Inc., GAP and GAP Kids, Lord & Taylor, Bureau Veritas testing labs, Limited, Oxford Industries, Swavelle/Mill Creek, Tony Walker & Co., Tobin Home Fashions, Toppers, Tommy Hilfiger, Graco Home Fashions International, Park B. Smith, Appollo Patio Furniture Design, Target, Dillards, and Victoria’s Secret.

**Department Information:** The curriculum for the fashion and textile technology department is divided into two parts: the required 21 credit hours of core coursework and one or more specialized concentrations: fashion merchandising, apparel design, apparel product development, or fashion/textile design. Individuals who have extensive work experience in the fashion field are encouraged to explore earning college credit by course challenge or experiential learning.

Fashion and textile technology majors may spend their senior year studying a specialty topic at the Fashion Institute of Technology (FIT) in New York City in a "three-one" program, earning a B.S. from Buffalo State and an associate's degree from FIT. North Carolina State University and other institutions have exchange programs. Study abroad opportunities are available in several countries.

Scholarships and Financial Aid: Students may apply for departmental scholarships. Financial assistance through the college is also available. Buffalo State is one of a select group of institutions whose students compete for the annual YMA Fashion Scholarship Fund which offers competitive $5000 scholarships to approximately 125 students nationally every year.

Students begin with foundation courses in two-dimensional design, three-dimensional design, drawing, painting, art history, and design history, along with courses in ceramics, metals/jewelry, and wood. Major courses in fibers complete the requirements. Internship opportunities are available. The remaining credit hours are completed in required Intellectual Foundations courses and in other chosen studio courses.

Admission Requirements: There is no entrance portfolio review for admission. All students will enter the fibers major with a bachelor of science (BS-AH FIB) intent, and must complete a selection of foundation and major course(s) before a commit-to-major portfolio review for admission into the bachelor of fine arts program (BFA-AH FIB). Commit-to-major portfolio reviews are conducted by faculty and generally take place during the sophomore year. After passing the portfolio review, to continue in the B.F.A. degree program a 3.0 GPA must be maintained in the major. Transfer students are urged to submit their portfolios the semester before transfer in order to facilitate placement in departmental courses and/or for possible commit-to-major portfolio review. Please call the Design Department for additional information. As a condition of graduation, B.F.A. students will be required to mount an individual exhibition of their work.

The Design Department reserves the right to retain students’ work for official purposes, such as exhibitions, catalogs, teaching aids, or permanent collections, and to use images of the students and their work for publicity and recruitment.

Students are expected to assume the costs of materials used in courses. Some studio courses may have an additional charge for materials used in class. Students enrolled in a studio course are expected to work a minimum of three additional hours each week outside of class for each credit granted for that class.

The Design Department may be in the process of curricular revision. Please refer to the college’s Web site or the department for updated information.

The B.S. degree in Fibers is a studio degree with a strong academic component. This degree offers students a broadly grounded educational experience as a basis for beginning careers as professional designers or artists.

Students begin with foundation courses in two-dimensional design, three-dimensional design, drawing, painting, and design history, along with courses in ceramics, metals/jewelry, and wood. Major courses in fibers focus on developing the aesthetic, conceptual, and technical skills necessary to foster creativity as students work toward developing their individual identity as visual designers/artists. Internship opportunities are available. The remaining credit hours are completed in required Intellectual Foundations courses and in other academic subjects of the student’s choosing. The academic component offers opportunities to gain a broader base of knowledge, as well as knowledge in other disciplines related to the major field of study.

**Admission Requirements**: There is no entrance portfolio review for admission. All students will enter the fibers major with a bachelor of science (BS-AH FIB) intent and complete a selection of foundation and major course(s) before a commit-to-major portfolio review for continuation in the B.S. degree program. Commit-to-major portfolio reviews are conducted by faculty and generally take place during the sophomore year. After passing the portfolio review, to continue in the B.S. degree program a 2.5 GPA must be maintained in the major. Transfer students are urged to submit their portfolios the semester before transfer in order to facilitate placement in departmental courses and/or for possible commit-to-major portfolio review. Please call the Design Department for additional information.

The Design Department reserves the right to retain students’ work for official purposes, such as exhibitions, catalogs, teaching aids, or permanent collections, and to use images of the students and their work for publicity and recruitment. Students are expected to assume the costs of materials used in courses. Some studio courses may have an additional charge for materials used in class. **FORENSIC CHEMISTRY (B.S.)**

### BS-NS FRC

### Chemistry Department

**Bachelor of Science (HEGIS 1999.20)**

Forensic Science Education Programs Accreditation Commission (FEPAC) accredited.

Science Building 267 (716) 878-5204

Forensic chemistry is a program of professional study whose graduates are prepared to assume entry-level positions as forensic scientists in federal, state, local, and corporate laboratories.

### Admission Requirements

Prospective majors must complete CHE 111, CHE 112, and CHE 114 (or the equivalents) with minimum grades of C before applying to the program. Students who have not yet met these requirements will be accepted into the pre-forensic chemistry program (FRCW) and will be formally admitted to the major upon completion of the previously stated requirements.

### Admission Recommendations

Transfer students from two-year colleges should also have earned credit for courses equivalent to CHE 201, CHE 202, CHE 203, CHE 204, MAT 161, MAT 162, MAT 163, MAT 164, PHY 111, and PHY 112 (or BIO 211) to avoid possible delays in the completion of the degree program. Transfer students must complete a minimum of 10 credit hours in chemistry at Buffalo State. Chemistry courses taken elsewhere may be substituted for similar courses at Buffalo State only if they have equivalent prerequisites. Chemistry courses not meeting this criterion may be transferred as elective credit.

**Important Note**: Individuals seeking an internship or employment in a forensic science laboratory may be required to undergo an extensive background check including a lie detector test, fingerprinting, and drug testing.

French Education (7-12, PTCP)

PBC-AH FRE

Modern and Classical Languages Department

Postbaccalaureate Teacher Certification Program (HEGIS 1102.01)

National Council for Accreditation of Teacher Education (NCATE) Accredited
Bishop Hall 122 (716) 878-5414

Enrollment in all teacher education programs follows the guidelines for "Admission to Teacher Education Programs" found in this catalog. Applicants who do not yet meet all admissions criteria should consult with the department.

The French (7-12) post-baccalaureate teacher certification program leads to eligibility for New York State initial certification to teach French in grades 7-12. This program is designed for students who have earned a baccalaureate degree in French or a related field from an accredited college or university and intend to complete the coursework required for New York State certification to teach French in middle or high schools.

The program supplies the background knowledge necessary for teachers to implement the New York State Learning Standards for Languages Other Than English (LOTE) 7-12. It also meets the standards set by national professional organizations such as the American Council of Teachers of Foreign Languages (ACTFL) and the National Council for Accreditation of Teacher Education (NCATE).

Students are responsible for any additional certification requirements, including the Liberal Arts and Sciences Test (LAST), the Assessment of Teaching Skills--Written (ATS-W), Content Specialty Test (CST) in French, Oral Proficiency Interview (OPI), and all seminars required for initial certification. It takes three to four semesters of coursework, field experiences, and student teaching to complete certification requirements.

To student teach, a student must have achieved a minimum GPA of 2.75 in French coursework and overall, and must have earned a minimum grade of C in FLE300, FLE340 and FLE401. Also, the student must complete an ACTFL-Approved Oral Proficiency Interview (OPI) in order to demonstrate Advanced-Low Proficiency in French. If Advanced-Low is not achieved, an additional upper-level French course, chosen in consultation with the student’s advisor, must be successfully completed.

After successfully completing the teacher certification program and passing all required tests, students are eligible to apply for New York State Initial Certification through the Teacher Certification Office, Caudell Hall, 112 Buffalo State College. No degree or certificate is awarded by Buffalo State College.

Financial Assistance: For financial aid purposes, students who are fully admitted into the program are considered fifth-year undergraduates, eligible for undergraduate loans, when applicable.

Admission Requirements.*

1. A bachelor’s degree from an accredited college or university with a minimum cumulative grade point average (GPA) of 2.75 (4.0 scale), a major in French language, literature, culture (or a closely related discipline with a minimum of 30 hours in French).
2. A minimum GPA of 2.75 in French coursework.
3. A completed application form submitted to the Graduate Office at Buffalo State College.
4. Official transcripts from all previous college/university work.**
5. A personal interview with the program coordinator, department chair, or other designated official.
6. Successful completion of two written essays (one English, one French), administered by the department as part of the interview process.

*Applicants who do not meet these minimum requirements should contact an Modern and Classical Languages advisor.

**Students who received degrees from institutions outside the United States must have their transcripts evaluated by a recognized evaluation service.

Program Requirements
The Department of Modern and Classical Languages offers a French B.A. program with two program tracks: (1) Francophone Studies, (2) Professional French. These two tracks provide students with the intellectual foundations and the linguistic and cultural proficiency required for a variety of career and academic paths. The Francophone Studies track is recommended for students interested in pursuing a career, such as translation or interpreting, which requires a graduate degree and a more in-depth knowledge of the culture, society, and history of the French-speaking world. The Professional French track is recommended for students willing to use their French skills in the workplace immediately upon graduation with the B.A. degree.

**Residency Requirements** 6 cr

GEOGRAPHY (B.A.)

BA-NS GEG

Geography and Planning Department

Bachelor of Arts (HEGIS 2206)
Classroom Building A213 (716) 878-6216

Geography is the study of location and temporal and spatial relationships between humans and their environment. The Geography major provides students with a basic foundation of the discipline while allowing them to focus on a geographic subject area in the following concentrations: meteorology & climatology, watershed & ecosystems, economic geography & development, or Geographic Information Systems (GIS).

Intellectual Foundations Requirements  33-39 cr
Total Required Credit Hours  39 cr
A. Required Courses (21 cr)
  GEG 101  World Natural Environments
  GEG 102  Human Geography
  GEG 325  Maps and Mapmaking Using GIS
  GEG 390  Quantitative Methods in Geography and Planning
  GEG 396  Research Methods
  GEG 430  Senior Thesis

Select one course from the following:
  GEG 300  World Regional Geography
  GEG 359  Arctic Geography
  GEG 360  Geography of Asia
  GEG 362  Geography of the United States and Canada
  GEG 364  Geography of Europe

B. Concentration Courses (12 cr)
  Selected by advisement

Meteorology and Climatology Concentration
  GEG/GES 241  Meteorology
  GEG 303  Global Climatology
  GEG 382  Weather Forecasting
  GEG 383  Severe & Unusual Weather
  GEG 384  Atmospheric Science
  GEG 385  Paleoclimatology
  GEG 386  Applied Climatology

GEG 478  Global Change
GEG 480  Air Pollution Applications

Watershed & Ecosystems Concentration
  GEG 307  Conservation and Environmental Management
  GEG 316  Watershed Pollution
  GEG 365  Soil Science and Management
  GEG 375  Principles of Hydrology
  GEG 421  Watershed Analysis
  GEG 423  Biogeography
  GEG 478  Global Change
  PLN 360  Environmental Impact Assessment

Economic Geography & Development Concentration
  GEG 305  Principles of Economic Geography
  GEG 309  Introduction to Urban Geography
  GEG 310  Urban Transportation Planning
  GEG 409  Industrial Geography
  GEG 416  Geographies of Development
  GEG 419  Globalization, Technology, Competition & Service Economies
  GEG 461  Issues in Southeast Asia Environment and Sustainable Development

GIS Concentration
  GEG 405  Urban Analysis Using GIS
  GEG 418  Remote Sensing
  GEG 425  Fundamentals of GIS
  GEG 427  Corporate Applications Using GIS
  GEG 428  Environmental Assessment and Planning Applications Using GIS
  GEG 429  Advanced Topics in GIS
  GEG 485  Interactive & Web-based Mapping

B. Electives (6 cr)
Selected by advisement

Any two upper-division Geography courses

All College Electives  42-48 cr
Total Required Credit Hours  120 cr

Student Learning Outcomes for Geography, B.A.

GEOLOGY (B.A.)

BA-NS GEO

Earth Sciences and Science Education Department

Bachelor of Arts (HEGIS 1914)
Science Building 271 (716) 878-6731

The geology program offers students a variety of opportunities to investigate the materials that constitute and the processes that shape the earth. Classroom, laboratory, and field work provide a base for careers related to energy, the environment, and the exploration for and production of petroleum and mineral resources. Graduates of the program are prepared to enter these fields and/or pursue advanced study in the geosciences.

Coursework in calculus and physics is strongly recommended, particularly for students contemplating graduate study. The recommended courses are MAT 126, MAT 127, PHY 111, PHY 112, and upper-division courses in chemistry, mathematics and physics. Each student should choose the appropriate courses by advisement, beginning with entry into the major.

Student majors are strongly encouraged to pursue independent research under
Health and Wellness Program

HEW 204 Personal Health
HEW 225 Introduction to Disease Prevention
HEW 279 Physical Adaptation to Exercise 1
HEW 302 Exercise Principles and Techniques
HEW 305 Community Health and Wellness
HEW 307 Exercise, Fitness, and Nutrition
HEW 310 Health Standards and Emergency Care 1
HEW 312 Methods and Materials in Health and Wellness

HEW 401 Assessment and Evaluation in Health and Wellness
HEW 411 Critical Issues in Health and Wellness
HEW 412 Health and Wellness Programs

1 BIO 100 is a prerequisite for HEW 279 and HEW 310.

B. Electives (9 cr)
HEW 301 Kinesiology
HEW 308 Women’s Health Issues
HEW 320 Psychoactive Drugs and Health
HEW 326 Introduction to Health Data Visualization Analytics
HEW 330 Principles of Personal Training
HEW 345 Wellness, Fitness, and Aging
HEW 425 Alcohol Problems
HEW 488 Internship (6 cr or 9 cr)

All College Electives 39-45 cr
Total Required Credit Hours 120 cr

HEALTH AND WELLNESS (B.S.)

BS-NS HEW

Health and Wellness Department

Bachelor of Science (HEGIS 0837)
Buckham Hall A100 (716) 878-6501

The health and wellness program prepares undergraduate students to assume roles as health/wellness professionals in private business and industry, community organizations, and healthcare environments. Students will be able to administer effective health/wellness programs in organizations that advance preventive medicine and positive lifestyle habits. Students also may participate in the Health and Wellness Student Association; which educates students through lectures, guest speakers, attending conferences, and field trips on ways to achieve a healthier lifestyle.

Admission Requirements: Applicants must have a minimum cumulative GPA of 2.5.

Intellectual Foundations Requirements 33-39 cr
Total Required Credit Hours in Health and Wellness 42 cr
A. Required Courses (33 cr)

HEW 204 Personal Health
HEW 225 Introduction to Disease Prevention

HISTORY (B.A.)

BA-NS HIS

History and Social Studies Education Department

Bachelor of Arts (HEGIS 2205)
Classroom Building C205 (716) 878-5412

The program ensures both a knowledge and an understanding of the foundations of the development of humankind, stimulates thinking about interaction of ideas, develops facility with written and verbal expression, increases confidence in articulating ideas, and encourages the critical awareness of self so important to an educated individual. Special emphasis is placed on the development of the abilities to analyze, synthesize, and communicate.

A departmental honors program is also available. Students should contact the department for additional information.

Intellectual Foundations Requirements 33-39 cr
Total Required Credit Hours in History 39 cr
A. American History (6 cr)
HIS 106 History of American Life I
HIS 107 History of American Life II

B. European History (6 cr)
Select two courses from the following:
HIS 115 Foundations of Western Civilization
HIS 116 Europe Since 1500
HIS 117 Twentieth-Century Europe

C. World History (6 cr)
Two electives in Asian, African, Middle Eastern, or Latin American history.

Research and Writing Seminar (3 cr)
HIS 300 Research and Writing Seminar

Historiography Seminar (3 cr)
HIS 400 Senior Seminar in History or
HIS 490 Senior Seminar in Historiography

Upper-Division History Electives (15 cr)
Three 300-level history courses.
Two 400-level history courses.
All College Electives 42-48 cr
Total Credit Hours 120 cr

**HOSPITALITY ADMINISTRATION (B.S.)**

BS-SP HTR

**Hospitality and Tourism Department**

**Bachelor of Science (HEGIS 1307)**

Accreditation Commission for Programs in Hospitality Administration (ACPHA)

Accredited

Caudell Hall 207 (716) 878-5913

The hospitality and tourism curriculum prepares graduates for management positions in various aspects of the hospitality industry. Career opportunities exist for managers in restaurants, hotels, clubs, casino and gaming, resorts, catering operations, residential and health care, school and university food service, sales, production, travel and tourism, and other components of industry/business.

The department’s mission is to educate and develop proven hospitality professionals by integrating a strong core curriculum with a deliberate emphasis on experiential learning. The department is defined by its extraordinary focus on student development, and is firmly grounded in producing graduates that excel in communication, teamwork, professionalism, and problem solving.

**Admission Requirements:** Transfer or undeclared students desiring to major in this program must have a minimum GPA of 2.0 in previous college credits.

**Intellectual Foundations Requirements**

- Total Required Credit Hours in Individualized Studies 39-45 cr

**Total Required Credit Hours in Hospitality Administration** 42 cr

**INDIVIDUALIZED STUDIES (B.S.)*

BS-UC INS

**Continuing Professional Studies**

**University College**

**Bachelor of Science (HEGIS 4901)**

Cleveland Hall 210 (716) 878-5907

South Wing 310 (716) 878-5303

The individualized studies program provides students with a vehicle to design their own unique programs of study. The program allows students to investigate a theme, an issue, a problem, or a particular career interest and to formulate a specific curriculum accordingly. Individualized studies provides appreciable academic advisement so that students can integrate and synthesize several academic fields.

The program offers students a choice between two distinct options. Students may combine any two compatible minor programs (Track I) or develop their own programs of study by drawing upon the offerings of two to four different academic fields (Track II). Students in both tracks complete all collegewide degree expectations: the Intellectual Foundations requirements and unrestricted electives. Both tracks require a senior-level integrating research project as a culminating degree experience.

Since individualized studies is particularly attractive to working adult students, it recognizes and embraces college-level experiential learning generated outside the formal classroom.

**Admission Requirements:** Entering students must have a minimum 2.3 GPA and must expect to complete a minimum of 36 credit hours under individualized studies advisement once accepted into the major.

*Evening study available.

**Intellectual Foundations Requirements** 39–66 cr

**Total Required Credit Hours in Individualized Studies** 39–45 cr
INDUSTRIAL TECHNOLOGY (B.S.)*

BS-SP TEC

Engineering Technology Department

Bachelor of Science (HEGIS 0925)

Accreditation: Association of Technology Management and Applied Engineering (ATMAE.org http://www.ATMAE.org)

Technology Building 126 (716) 878-6017

The industrial technology program, through its two concentrations, provides students with the opportunity to develop a specialty within a broader framework of technical operations knowledge. By selecting the manufacturing concentration, the student specializes in direct manufacturing support of a technical or managerial nature. Knowledge of management principles, physical sciences, technology of industry, and liberal arts is employed to optimize manufacturing processes, materials, and personnel. The quality concentration allows the student to develop the ability to assist the product or service organization in obtaining the maximum level of quality performance in a lean environment. This concentration requires a professional internship that places the student in a specialty position in a local organization as a culminating activity.

Program graduates have filled positions as industrial engineers, manufacturing engineers, quality-assurance specialists, directors of technology, production/lean operations managers, corporate trainers, cost estimators, purchasing managers, first line supervisors, supply chain managers, distribution supervisors, safety engineers, drafting specialists, technical writers, web masters, and technical sales and marketing specialists.

Admission Requirements: This program accepts freshmen, sophomores, and transfer students.

*Evening study available.

Student Learning Outcomes for Industrial Technology, B.S.

INTERNIOR DESIGN (B.F.A.)

BFA-AH INT

Interior Design Department

Bachelor of Fine Arts (HEGIS 1009)

Council for Interior Design Accreditation (CIDA) Accredited

National Association of Schools of Art and Design (NASAD) Accredited

Upton Hall 212 (716) 878-5252

The Interior Design B.F.A. degree offers students a specialized studio-oriented education in preparation for advanced or graduate studies, or for beginning careers as professional interior designers. Students gain a thorough knowledge of design processes and technical skills, including computer-aided design and traditional drafting and rendering. Construction methods, lighting design, materials specification, and color use are emphasized to support specializations within the major. Studios offer design exploration in spatial experimentation, residential design, retail design, public buildings, office planning, and industry standards for sustainable design principles, and culminates in the Undergraduate Thesis Project. Students enrolled in a studio course are expected to work a minimum of two additional hours each week outside of class for each credit granted for that class.

Interior design graduates are prepared for careers in independent practice and employment in interior design and architectural firms, institutions, corporations, and other settings. Following completion of this program, plus two years interior design work experience, students are eligible to apply and sit for the professional, nationally recognized NCIDQ (National Council for Interior Design Qualification) licensing exam. They may then apply for a "Certified Interior Designer" designation and the right to practice in New York State.

The Interior Design Department is committed to the intellectual, personal, and professional growth of the students. Through varied and increasingly complex coursework, coupled with a strong community-based project component, the students and faculty have and will continue to enhance the region in terms of residential, health care, and commercial designs, as well as culturally sensitive and public-interest projects. These projects connect the students, faculty, and community in a dynamic relationship, inspire students to expand their horizons, and create life-long learners. The program is rigorous and comprehensive, resulting in professional and innovative designers actively sought after by regional and national employers.
**Requirements for Acceptance to Major:**

1. Successful completion of the Skills Competency Exam following IDE 151, IDE 152, and IDE 153. The one-day exam evaluates entry-level ability to visualize, design, and communicate spatial solutions to a simple problem through scaled drafting, rendering, and model-building.
2. A minimum cumulative GPA of 2.6 after the freshman year.
3. Transfer Students: Acceptance to the major is determined after reviewing a portfolio of work during an interview with the chair of the Interior Design Department; transcripts are evaluated on a case-by-case basis.

**JOURNALISM (B.A.)**

**Communication Department**

**Bachelor of Arts (HEGIS 0602)**

Accrediting Council on Education in Journalism and Mass Communications (Accredited)

Bishop Hall 210 (716) 878-6008

This major allows students who enjoy writing the flexibility to tailor a program based on reporting and presentation of news, and other journalistic writing through print, broadcast and online media. It meets the needs of students preparing for a career in which research and interviewing abilities, accurate and objective reporting, legal and ethical insight, and competence in editing are central to professional practice. Compare this major with communication studies, media production, and public communication.

This is the only Journalism program at any SUNY school that is affiliated with the Accrediting Council on Education in Journalism and Mass Communications. Only four other undergraduate programs in New York State are accredited.

Career Opportunities: Students prepare for careers as reporters, anchors, commentators, and news directors for radio, television, and internet-based media, and as reporters, editors, and columnists on newspapers, magazines, blogs, and other digital media.

The profile of a successful journalism graduate is a person with a strong writing proficiency and a compelling use of language, good speaking and listening skills, keen ethical insight and legal awareness, and competence in presentation of information in a particular format (written, visual, and/or digital).

**Admission Requirements:** Incoming freshmen and transfer students can declare the major. A 2.6 GPA in the major is needed to register for required upper division courses (300 and 400 levels).

See suny.buffalostate.edu/communication for application forms and additional information, including a list of equivalent core courses at community colleges. Transfer students from two-year schools may apply only core courses toward this major for a maximum of 12 credits. Students generally require four semesters of study after completing communication core courses.

**Academic Standards:** Only grades of C or higher may be applied toward requirements for any communication degree; courses with lower grades must be repeated. Consistent with standards of the Accrediting Council for Education in Journalism and Mass Communication, the number of communication courses that students may take is capped, encouraging a broad-based liberal arts education. The department encourages students to take minors or second majors, and requires evidence of an academic concentration or area of expertise outside the Communication Department.

**MATHEMATICS (B.A.)**

**Mathematics Department**

**Bachelor of Arts (HEGIS 1701)**

Bishop Hall 317 (716) 878-5621

Pure mathematics studies the basic concepts and structures that underlie all of mathematics. Traditionally, pure mathematics has been classified into two general fields: analysis and algebra. Analysis deals with the continuous aspects of mathematics and algebra is concerned with sets of objects and operations on these objects. Our undergraduate program is designed so that students will become familiar with each of these fields. Students may also explore other topics such as logic, number theory, and subjects within applied mathematics.

**Admission Requirements:** High school mathematics through Regents Course III is recommended.

**Total Required Credit Hours in Mathematics**

MATHEMATICS—APPLIED (B.S.)

BS-NS AMT

Mathematics Department

Bachelor of Science (HEGIS 1703)
Bishop Hall 317 (716) 878-5621

The applied mathematics B.S. program is directed toward a career goal for computer- and mathematics-related government, industrial, or business employment. It may also provide a basis for entry into graduate school in mathematics, applied mathematics, computer science, or other related disciplines.

Admission Requirements: Four years of college preparatory mathematics is recommended.

Intellectual Foundations Requirements 33–39 cr

Total Required Credit Hours in Mathematics 53 cr

A. Required Courses (35 cr)

MAT 161  Calculus I (4)
MAT 162  Calculus II (4)
MAT 163  Using Technology to Explore Calculus I (1)
MAT 164  Using Technology to Explore Calculus II (1)
MAT 202  Introduction to Linear Algebra
MAT 241  Computational Tools for Applied Mathematicians I

MAT 263  Calculus III
MAT 264  Using Technology to Explore Calculus III (1)
MAT 270  Discrete Mathematics I
MAT 366  Computational Tools for Applied Mathematicians II
MAT 381  Probability Theory
MAT 382  Mathematical Statistics
MAT 495  Special Project

B. Concentration Courses Selected by Advisement (18 cr)
Students must choose one of three concentrations:

Concentration in Statistics

Required Courses (6 cr)

MAT 383  Applied Statistics I
MAT 484  Applied Statistics II

Select four courses from the following (18 cr):

MAT 315  Differential Equations
MAT 316  Intermediate Differential Equations
MAT 319  Mathematical Biology
MAT 370  Applied Networks
MAT 390  Introduction to Operations Research
MAT 404  Applications of Linear Algebra
MAT 411  Complex Variables
MAT 417  Introduction to Real Analysis I
MAT 461  Numerical Analysis
MAT 481  Stochastic Processes
MAT 490  Seminar
MAT 499  Independent Study

Concentration in Numeric Computation

Required Courses (6 cr)

MAT 390  Introduction to Operations Research
MAT 461  Numerical Analysis

Select four courses from the following (18 cr):

MAT 315  Differential Equations
MAT 316  Intermediate Differential Equations
MAT 319  Mathematical Biology
MAT 370  Applied Networks
MAT 383  Applied Statistics I
MAT 404  Applications of Linear Algebra
MAT 411  Complex Variables
MAT 417  Introduction to Real Analysis I
MAT 461  Numerical Analysis
MAT 481  Stochastic Processes
MAT 490  Seminar
MAT 499  Independent Study

Concentration in Computational Discrete Mathematics

Required Courses (6 cr)

MAT 318  Mathematical Modeling

Mathematics Department

Bachelor of Science (HEGIS 1701.01)

National Council for Accreditation of Teacher Education (NCATE) Accredited

Bishop Hall 317 (716) 878-5621

Enrollment in all teacher education programs follows the guidelines for "Admission to Teacher Education Programs" found in this catalog. Applicants who do not yet meet all admissions criteria should consult with the department.

The B.S. in mathematics with adolescent certification is directed to a career goal of teaching. This program includes the course requirements leading to New York State certification to teach mathematics in grades 7–12.

Admission Requirements:

SUNY has a standard admissions requirement of a 3.0 GPA for entry into an educator preparation program at the undergraduate or graduate level or a rank in the top 30th percentile of the high school class for entry into an undergraduate educator preparation program as a first-year student.

For first-year students, four years of college preparatory mathematics is recommended; top 30th percentile or an 85% high school average; submission of ACT or SAT score.

Transfer students with a 3.0 GPA from either their last college or the combined average of all previous colleges, whichever is higher, will be admitted directly into Mathematics Education (BS-NS MTS).

Students who do not meet admissions requirements will be admitted into the Mathematics (BA-NS MAT) major, but will be tagged with the code MATE, Mathematics with an Interest in Education.

Intellectual Foundations Requirements 30-33 cr

Total Required Credit Hours in Mathematics 44 cr

B. Electives (9 cr)

Select three courses from the following:

MATHEMATICS EDUCATION (7–12, PTCP)

PBC-NS MTX

Mathematics Department

Postbaccalaureate Teacher Certification Program (HEGIS 1701.01)

National Council for Accreditation of Teacher Education (NCATE) Accredited
Bishop Hall 317 (716) 878-5621

For information about this program, see the Graduate Catalog.

Enrollment in all teacher education programs follows the guidelines for "Admission to Teacher Education Programs" found in this catalog. Applicants who do not yet meet all admissions criteria should consult with the department.
*Evening study available.

**MECHANICAL ENGINEERING TECHNOLOGY (B.S.)*

BS-SP MET

Engineering Technology Department

Bachelor of Science (HEGIS 0925)

The Mechanical Engineering Technology program is accredited by the Engineering Technology Accreditation Commission of ABET, http://www.abet.org *
Technology Building 126 (716) 878-6017

The bachelor’s degree in the mechanical engineering technology program is designed to give the student a broad education in the areas of mechanical design, mechanics, stress analysis, thermosciences, and manufacturing. Graduates are in high demand and are employed by manufacturing companies, consulting firms, government agencies, testing laboratories, and other enterprises that require people with strong mechanically oriented backgrounds. Graduates work as mechanical designers developing new products, manufacturing supervisors solving problems of producing these products for performance or quality, as plant engineers improving or maintaining factories, and in technical sales selling these products. The duties of technologists may involve overseeing installation, operation, maintenance, and repair to ensure that machines and equipment are installed and functioning according to specifications; specifying system components; supervising drafters in developing the design of products; testing and evaluating products; and/or developing cost estimates.

*Evening study available.

**MEDIA PRODUCTION (B.A.)**

BA-AH MDP

Communication Department

Bachelor of Arts (HEGIS 0603)

Accrediting Council on Education in Journalism and Mass Communications (Accredited)

Bishop Hall 210 (716) 878-6008

This major (formerly called broadcasting) allows students flexibility to tailor a program based on production of audio and/or visual messages using various electronic media. It meets the needs of students preparing for a career integrating many elements: research, planning, writing and other aspects of preproduction; studio and field experience in technical production; post-production activities, such as editing; and media management areas. Compare this major with communication studies, journalism, and public communication.

This is the only program in broadcasting and production at any SUNY school that is affiliated with the Accrediting Council on Education in Journalism and Mass Communications. Only four other undergraduate programs in New York State are accredited.

Career Opportunities: Students in media production prepare for careers in radio or audio production, television or video production, Web design, music production, media sales and management, related technical areas, and other fields that require a liberal arts education enhanced with production skills. Specific job titles associated with this major include writer, producer, director, videographer, editor, Web designer, and production manager.

The profile of a successful media production graduate is a person with strong skills in using computers, cameras, and other technical equipment, writing and speaking proficiency, keen ethical insight, analytical and creative competence, and management abilities.

Admission Requirements: Incoming freshmen and transfer students can declare the major. A 2.6 GPA in the major is needed to register for required upper-division
courses (300- and 400-level).

See suny.buffalostate.edu/communication for application forms and additional information, including a list of equivalent core courses at community colleges. Transfer students from two-year schools may apply only core courses toward this major for a maximum of 12 credits. Students generally require four semesters of study after completing communication core courses.

Academic Standards: Only grades of C or higher may be applied toward requirements for any communication degree; courses with lower grades must be repeated. Consistent with standards of the Accrediting Council for Education in Journalism and Mass Communication, the number of communication courses that students may take is capped, encouraging a broad-based liberal arts education. The department encourages students to take minors or second majors, and requires evidence of an academic concentration or area of expertise outside the Communication Department.

### METALS/JEWELRY (B.F.A.)

**BFA-AH MJD**

**Design Department**

**Bachelor of Fine Arts (HEGIS 1009)**

National Association of Schools of Art and Design (NASAD) Accredited

Upton Hall 212 (716) 878-6032

The B.F.A. degree in metals/jewelry design is a studio-intensive program of study focused on developing the aesthetic, conceptual, and technical skills necessary to foster creativity as students work toward developing their individual identities as visual designers/artists. This degree offers students a specialized studio-oriented education in preparation for advanced or graduate studies, or for beginning careers as professional designers or artists.

Students begin with foundation courses in two-dimensional design, three-dimensional design, drawing, art history, and design history along with courses in ceramics, fibers, and wood. Major courses in metals/jewelry design and sculpture complete the requirements. Internship opportunities are available. The remaining credit hours are completed in required Intellectual Foundations courses and in other chosen studio courses.

**Admission Requirements:** There is no entrance portfolio review for admission. All students will enter the metals/jewelry design major as a bachelor of science (BS-AH MJD) and complete a selection of foundation and major course(s) before a commit-to-major portfolio review for admission into the bachelor of fine arts program (BFA-AH MJD). Commit-to-major portfolio reviews are conducted by faculty and generally take place during the sophomore year. After passing the portfolio review, to continue in the B.F.A. degree program a 3.0 GPA must be maintained in the major. Transfer students are urged to submit their portfolios the semester before transfer in order to facilitate placement in departmental courses and/or for possible commit-to-major portfolio review. Please call the Design Department for additional information. As a condition for graduation, each B.F.A student will be required to mount an individual exhibition of his/her work.

The Design Department reserves the right to retain students’ work for official purposes, such as exhibitions, catalogs, teaching aids, or permanent collections and to use images of the students and their work for publicity and recruitment. Students are expected to assume the costs of materials used in courses. Some studio courses may have an additional charge for materials used in class. Students enrolled in a studio course are expected to work a minimum of two additional hours each week outside of class for each credit granted for that class.

The Design Department may be in the process of curricular revision. Please refer to the college Web site or the department for updated information.

Admission Requirements

Design Department

Bachelor of Science (HEGIS 1009)

National Association of Schools of Art and Design (NASAD) Accredited
Upton Hall 212 (716) 878-6032

The B.S. degree in metals/jewelry design is a studio degree with a strong academic component. This degree offers students a broadly grounded educational experience as a basis for beginning careers as professional designers or artists.

Students begin with foundation courses in two-dimensional design, three-dimensional design, drawing, and design history, along with courses in ceramics, fibers, and wood. Major courses in metal/jewelry design focus on developing the aesthetic, conceptual, and technical skills necessary to foster creativity as students work toward developing their individual identities as visual designers/artists. Internship opportunities are available. The remaining credit hours are completed in required Intellectual Foundations courses and in other academic subjects of the student’s choosing. The academic component offers opportunities to gain a broader base of knowledge, as well as knowledge in other disciplines related to the major field of study.

Admission Requirements: There is no entrance portfolio review for admission. All students will enter the metals/jewelry design major as a bachelor of science (BS-AH MJD) and complete a selection of foundation and major course(s) before a commit-to-major portfolio review for continuation in the B.S. degree program. Commit-to-major portfolio reviews are conducted by faculty and generally take place during the sophomore year. After passing the portfolio review, to continue in the B.S. degree program a 2.5 GPA must be maintained in the major. Transfer students are urged to submit their portfolios the semester before transfer in order to facilitate placement in departmental courses and/or for possible commit-to-major portfolio review. Please call the Design Department for additional information.

The Design Department reserves the right to retain students' work for official purposes, such as exhibitions, catalogs, teaching aids, or permanent collections, and to use images of the students and their work for publicity and recruitment. Students are expected to assume the costs of materials used in courses. Some studio courses may have an additional charge for materials used in class. Students enrolled in a studio course are expected to work a minimum of two additional hours each week outside of class for each credit granted for that class.

Bachelor of Arts (HEGIS 1005)

National Association of Schools of Music (Accredited)
Rockwell Hall 203 (716) 878-6401

The Bachelor of Arts in Music degree is a liberal arts program that provides students with the broad knowledge and skills to prepare for graduate study and careers in a variety of fields including performance, composition, music instruction, arts entrepreneurship and management, and sound design/recording arts. Students complete a 33-credit musical core requirement in aural skills, theory/composition, and history; a 10-credit performance requirement comprised of applied lessons and ensembles; 10 credits of music electives; and a capstone experience selected from recital, senior thesis, internship, or special project options. Multiple enrichment programs throughout the academic year—such as the Music Forum guest lecture series on career issues in the arts—enhance student engagement and experience across the discipline.

For current information regarding policies and procedures for music program acceptance, continuance, and completion, visit http://music.buffalostate.edu/programs/ba

Bachelor of Music (HEGIS 1005)

National Association of Schools of Music (Accredited)

Rockwell Hall 203 (716) 878-6401

Enrollment in all teacher education programs follows the guidelines for "Admission to Teacher Education Programs" found in this catalog. Applicants who do not yet meet all admissions criteria should consult with the department.

The Music Education program leads to a New York State Initial Certificate for teaching general, vocal, and instrumental music in New York State schools at the pre-kindergarten through grade 12 levels. The program requires intensive study in music performance, music history, music theory, and methodology of teaching, with an emphasis on world music and urban culture.

For current information regarding policies and procedures for music program acceptance, continuation, and completion, visit suny.buffalostate.edu/music/documents/handbook.pdf.

In addition to the course requirements for music education majors, the class piano sequence is strongly recommended in the freshman and sophomore years of study:
MUS 161 Class Piano I (1)
MUS 162 Class Piano II (1)
MUS 261 Class Piano III (1)
MUS 262 Class Piano IV (1)

Total Required Credit Hours 133-139 cr

*Up to 6 general education (IF 14) courses (math/quantitative reasoning, American Civilization, Western Civilization, Non-western Civilization, Global and Diversity) may overlap with required courses in the major which could significantly reduce the total number to 120-121 credit hours required. Advisement is strongly encouraged.

PAINTING (B.F.A.)

BFA-AH PTG

Fine Arts Department

Bachelor of Fine Arts (HEGIS 1002)

National Association of Schools of Art and Design (NASAD) Accredited

Upton Hall 502 (716) 878-6014

All freshmen and transfer students enter the B.F.A. program through required portfolio review. Those admitted as freshmen or as transfers with fewer than four semesters in college must be examined for the major prior to their last four semesters in the program. Students admitted as upper-division transfers must be examined for the major at the end of the first semester in the program.

The application for a major is the most critical evaluation in the program. Eligibility will be determined by a two-member faculty committee on the basis of an interview with the student and a review of his or her portfolio. Each B.F.A. student will be required to mount an individual exhibition of his or her work. It will be planned and installed with the advice of the student’s faculty adviser, but no grade will be assigned. The Fine Arts Department reserves the right to retain students’ artwork for
official purposes, such as exhibits, catalogs, or teaching aids.

Admission Requirements: Admission to the B.F.A. program is based on an interview and portfolio examination by the Fine Arts Department. The portfolio is to be presented in person or mailed along with a statement of intent as stipulated by the department and should contain examples of work that the candidate believes best display his or her abilities.

Students are expected to assume the costs of materials they use in their courses. All studio courses may have an additional instructional charge for materials used in class. Students enrolled in a studio course are expected to work a minimum of two additional hours each week outside of class for each credit granted for that class.

Intellectual Foundations Requirements 33-39 cr

PHOTOGRAPHY (B.F.A.)

BFA-AH PHO

Fine Arts Department

Bachelor of Fine Arts (HEGIS 1011)

B.A. in Fine Arts is a rigorous and challenging program that prepares students for careers in the arts or for graduate study. The program is designed to provide a solid foundation in the principles and practices of art, while also allowing students to explore their individual interests and creative potential.

The discipline emphasized in our B.F.A. program is art photography - specifically the creation of art to be displayed in museums, sold in galleries, or published in books. Graduates of our program may also find receptive employers in advertising and editorial illustration.

A major is required to mount an individual exhibition of his or her work in their senior year. It will be planned and installed with the advice of the student’s Studio adviser, but no grade will be assigned.

Students are expected to assume the costs of certain materials and cameras (film and digital) needed to make photographs. Cameras and other photography equipment are not provided to do course work by the college. However, we do provide a well-equipped computer/digital-printing lab for color, a black-and-white film developing lab, and a print-enlarging lab to make traditional monochromatic silver prints. All photography courses have a materials fee. This fee covers chem-
istry, ink jet inks, certain ink jet papers, and some other materials. The fee does not cover film, cameras, flash equipment, and other equipment and supplies needed by all majors. Students enrolled in a studio course are expected to work a minimum of two additional hours each week outside of class for each credit granted for that class.

The study of photography in the Fine Arts emphasizes creativity, craft, and making memorable pictures. Our courses teach film and digital camera craft, traditional film developing and print enlarging, the use of electronic flash, the use of computers and ink jet printers, color management, and Photoshop as used by photographers. Some of our students go on to do graduate degrees and to teach. Our graduates include self-employed artists, freelance photographers, and teachers. The art world, advertising, photojournalism, education, and industry are some fields in which our graduates have found employment.

Admission Requirements: High school students applying for admission to the B.F.A. photography major need only state his/her intent to major in photography to be accepted to the major, assuming required G.P.A. and other college admissions standards are met. A portfolio is not required. A transfer student who has studied photography elsewhere seeking advanced placement may be accepted directly into the major, but must show a portfolio of photographs to be evaluated at the Area Coordinator's discretion, for appropriate placement here. The portfolio must contain 10, silver black-and-white, 8"x10" prints enlarged from film, and 10, 8.5"x11" color ink jet prints. These prints should represent the applicant's strongest pictures.

The Fine Arts Department reserves the right to retain students' artwork for use in exhibits, catalogs, or as teaching aids.

### PHYSICS (B.S.)

#### BS-NS PHY

#### Physics Department

#### Bachelor of Science (HEGIS 1902)

Science Building 262 (716) 878-6726

The physics B.S. program gives a broad background in the fundamental concepts and applications of physics. This background is appropriate for further study in graduate school, or for scientific employment in physics or physics-related fields.

Students in this program may pursue a four-year physics degree or they may
choose the "three-two" option.

Transfer students must take a minimum of 8 credit hours of upper-division courses, including PHY 410, in the Buffalo State Physics Department.

"Three-Two" Physics-Engineering Option

This program offers an ideal combination of basic and applied science. Students in the Cooperative (three-two) Physics-Engineering Program attend the college for three years pursuing a liberal arts curriculum in physics. After three years, students transfer to the engineering school of their choice and complete the requirements for an engineering degree in two more years. Cooperating engineering schools include Binghamton University and the University at Buffalo (both SUNY universities), and Clarkson University.

Admission Requirements: Mathematics preparation through precalculus is required.

Intellectual Foundations Requirements 28 cr

Total Required Credit Hours in Physics 45 cr

A. Required Core Courses (32 cr)
PHY 111 University Physics I (5)
PHY 112 University Physics II (5)
PHY 213 University Physics III
PHY 305 Modern Physics I
PHY 306 Modern Physics II
PHY 310 Computational Physics Laboratory (2)
PHY 320 Introduction to Theoretical Physics (4)

B. Additional Required Courses for the "Three-Two" Option (3 cr)
PHY 324 Electric Circuits
PHY 410 Advanced Physics Laboratory
PHY 440 Electricity and Magnetism I

Plus 10 credit hours of engineering courses, transferred from engineering school.

C. Additional Required Courses for Four-Year Physics B.S.-Only Degree (13 cr)
PHY 324 Electric Circuits
PHY 410 Advanced Physics Laboratory
PHY 425 Classical Mechanics (4)
PHY 435 Introduction to Quantum Mechanics
PHY 440 Electricity and Magnetism I
PHY 441 Electricity and Magnetism II

Total Required Credit Hours Outside the Major 26 cr

CHE 111 Fundamentals of Chemistry I (4)
CHE 112 Fundamentals of Chemistry I (3)
CHE 114 Fundamentals of Chemistry II Laboratory (1)
MAT 161 Calculus I (4)
MAT 162 Calculus II (4)
MAT 163 Using Technology to Explore Calculus I (1)
MAT 164 Using Technology to Explore Calculus II (1)

MAT 264 Using Technology to Explore Calculus III (1)
MAT 315 Differential Equations

All College Electives 21 cr

Total Required Credit Hours 120 cr

Bachelor of Science (HEGIS 1902.01)

National Council for Accreditation of Teacher Education (NCATE) Accredited
Science Building 262 (716) 878-6726

Enrollment in all teacher education programs follows the guidelines for "Admission to Teacher Education Programs" found in this catalog. Applicants who do not yet meet all admissions criteria should consult with the department.

The physics B.S. degree program in secondary education leads to a New York State Initial Certificate for teaching both physics and general science in grades 7-12. Students seeking admission to the B.S. physics education program should initially enroll in the B.S. physics program. After successfully completing at least two required physics courses at Buffalo State with a GPA in these courses of 2.75 or higher, students apply for admission to the B.S. physics education program during the semester they complete SED 200. A minimum GPA of 2.75 in physics courses is required for admission to SED 405, SED 407, and SED 408.

Intellectual Foundations Requirements 33-39 cr

Total Required Credit Hours: 147-159 cr

*Up to 6 general education (IF 14) courses (math/quantitative reasoning, American Civilization, Western Civilization, Non-western Civilization, Global and Diversity) may overlap with required courses in the major which could significantly reduce the total number to 129-141 credit hours required. Advisement is strongly encouraged.*

**POLITICAL SCIENCE (B.A.)**

BA-NS PSC

Political Science Department

**Bachelor of Arts (HEGIS 2207)**

Classroom Building B218 (716) 878-6116

Political science is the study of government and politics. The major is divided into four areas: American politics, international politics, comparative politics, and political theory. A variety of courses is offered in each of these areas. Minors are offered in public administration, political science, legal studies and international relations.

Students gain an understanding of government and politics through a combination of theoretical analysis and practical experience; interning in national, state, or local government; or participating in the Washington Program. Students are prepared for an array of career options in the public and private sectors. The department offers special advisement for graduate study, pre-law, and public administration.

The Bachelor of Arts program enables students to concentrate in international relations or public administration and policy, or to develop a more individualized program under the general political science concentration.
Students will choose one of the following concentrations:

PUBLIC LEGAL STUDIES CONCENTRATION

A. Required Courses (16 cr)

- PSC 101: Introduction to Government and Politics
- PSC 102: Introduction to American Government and Politics
- PSC 203: Political Analysis
- PSC 204: Political Statistics
- PSC 250: Introduction to Law
- PSC 317: U.S. Constitutional Law
- PSC 320: U.S. Civil Liberties
- PSC 399: Research Skills
- PSC 470: Senior Seminar related to Public Legal Studies
  OR
  PSC 488: Internship related to Legal Studies

B. Political Science Distribution Requirements (12 cr)

1. American Government and Politics (6 cr)
   - Must take two of the following courses:
     - PSC 312: Legislative Process
     - PSC 321: Civil Procedure
     - PSC 420: Contemporary Constitutional Issues
     - PSC 421: Discrimination and the Constitution
     - PSC 485: Moot Court

2. International Relations/Comparative Government (3 cr)
   - Must take one of the following courses:
     - PSC 308: International Organizations and International Law
     - PSC 309: International Political Economy

3. Political Theory and Philosophy (3 cr)
   - Must take one of the following courses:
     - PSC 351: History of Political Thought I
     - PSC 355: American Political Thought
     - PSC 450: Contemporary Political Thought

All College Electives 44-50 cr

Total Required Credit Hours 120 cr

PRINTMAKING (B.F.A.)

BFA-AH PRT

Fine Arts Department

Bachelor of Fine Arts (HEGIS 1009)

National Association of Schools of Art and Design (NASAD) Accredited
Upton Hall 502 (716) 878-6014

All freshman and transfer students are welcomed into the BFA program.

Each B.F.A. student will be required to mount an individual exhibition of his or her work. It will be planned and installed with the advice of the student’s faculty adviser, but no grade is assigned. The Fine Arts Department reserves the right to retain students’ artwork for official purposes, such as exhibits, catalogs, or teaching aids.

Admission Requirements: Admission to the B.F.A. program is open. Newly declared majors need to schedule a meeting with their new advisor in the major to review their work and become familiarized with the program’s requirements.

Students are expected to assume the costs of materials they use in their courses. All studio courses may have an additional instructional charge for materials used in class. Students enrolled in a studio course are expected to work a minimum of two additional hours each week outside of class for each credit granted for that class.

Intellectual Foundations Requirements 33-39 cr

Total Required Credit Hours in Fine Arts 78 cr

A. Required Courses (45 cr)

- DES 101: Two Dimensional Design
- FAR 101: Drawing I
- FAR 102: Drawing II
- FAR 103: Modeling
- FAR 104: Themes and Issues in Contemporary Arts
- FAR 210: Introductory Painting
- FAR 220: Introductory Photography
- FAR 230: Introductory Printmaking
- FAR 240: Introductory Sculpture
- FAR 250: Art History I
- FAR 251: Art History II
- FAR 363: Twentieth-Century Art
- FAR 470: Senior Seminar in Fine Arts

Two art history electives.

B. Printmaking (21 cr)

- FAR 331: Intermediate Printmaking I
- FAR 332: Intermediate Printmaking II
- FAR 333: Advanced Printmaking (three courses) (9)
- FAR 430: Senior Studio in Printmaking (6)

C. Art Electives (12 cr)

All College Electives 3-9 cr

Total Required Credit Hours 120 cr

PSYCHOLOGY (B.A.)

BA-NS PSY

Psychology Department

Bachelor of Arts (HEGIS 2001)

Classroom Building C312 (716) 878-6215

Students in the B.A. degree program receive a broad and comprehensive background in the science of psychology, which will qualify them to seek entry to graduate or professional schools, or to apply for jobs that require a liberal arts training. The department’s approach is both theoretical and empirical at all levels. The broad content areas represented include learning, perception, lifespan development and aging, animal behavior, industrial/organizational psychology, social processes, and normal and abnormal behavior.

B.A. Honors in Psychology: Departmental honors are for students who are performing exceptionally well in their courses. The honors designation is an adjunct to the B.A. degree with an added emphasis on independent work, and requires that students conduct a comprehensive original research project under the supervision of a faculty mentor. To be considered, students must have at least 24 credit hours in psychology from Buffalo State with a minimum GPA of 3.5, and a minimum GPA of 3.25 in all courses taken at Buffalo State. In addition to the required courses in the B.A. degree program, honors students must take PSY 496 and PSY 498. A 42-credit-hour sequence of psychology courses is required for a B.A. honors degree. This requirement is identical to that of the B.A. degree except that PSY 496 is used as a psychology elective and PSY 498 is an additional required course. Students should see their adviser no later than the junior year for more information about the honors option.
It is strongly recommended that all Psychology majors take BIO 101 Human Biology as part of their Intellectual Foundations coursework.

**PSYCHOLOGY (B.S.)**

### Bachelor of Science (HEGIS 2001)

<table>
<thead>
<tr>
<th>Classroom Building</th>
<th>C312</th>
<th>(716) 878-6215</th>
</tr>
</thead>
</table>

A specialized B.S. degree in psychology is offered in the following concentrations:

- Biological psychology
- Clinical psychology
- Environmental psychology
- Industrial/organizational psychology
- Psychology of aging
- Psychology of infancy

The B.S. program is designed for a very limited number of students who seek an intensive preparation in each of the above areas. Emphasis is placed upon intensive practicum work and independent study. Students have the opportunity to work closely with a faculty mentor.

**Admission Requirements:**

1. The student must be enrolled in the B.A. program and be in good academic standing at the college before he or she can apply to the B.S. program.
2. The student applying for the B.S. program must have received a minimum grade of B in the first course of the required sequence of B.S. courses for that concentration.
3. For guidance in the application process, the potential B.S. applicant must meet with the faculty coordinator for the specialized B.S. concentration in which the student is interested.
4. A psychology department faculty member must formally sponsor the student.
5. The student must be able to complete a minimum of one academic year of supervised work with his or her sponsor in the B.S. program prior to graduation.
6. Final acceptance into the B.S. program requires approval of the candidate by the psychology department.

**B.S. Honors in Psychology:** Departmental honors are for students who are performing exceptionally well in their courses. The honors designation is an adjunct to the B.S. degree with an added emphasis on independent work, and requires that students conduct a comprehensive original research project under the supervision of a faculty mentor. To be considered, students must have at least 24 credit hours in psychology from Buffalo State with a minimum GPA of 3.5, and a minimum GPA of 3.25 in all courses taken at Buffalo State. In addition to the required courses in the B.S. degree program, honors students must take PSY 496 and PSY 498. A 42-credit-hour sequence of psychology courses is required for a B.S. honors degree. PSY 496 and PSY 498 may be used, where applicable, as elective courses in these programs. Students should see their adviser no later than the junior year for more information about the honors option.

114  SUNY Buffalo State Undergraduate Catalog 2016–2017
B. Concentration Courses (21–24 cr)

Students are required to complete one of the following concentrations. At least two courses for each concentration must be at the 400 level (excluding the courses listed in group A).

**Biological Psychology Concentration (24 cr)**
((Take 5 of the following courses by advisement))

- PSY 304 Learning: Theory and Research
- PSY 308 Sensation and Perception
- PSY 321 Comparative Animal Behavior
- PSY 376 Health Psychology
- PSY 421 Physiological Psychology
- PSY 441 Introduction to Neuropsychology

Elective courses selected by advisement (9 cr).

**Clinical Psychology Concentration (24 cr)**

- PSY 311 Personality: Theory and Research
- PSY 411 Abnormal Psychology
- PSY 480 Psychotherapy: Theory, Research, and Procedures
- PSY 481 Psychological Tests and Measurements

Elective courses selected by advisement (12 cr).

**Environmental Psychology Concentration (24 cr)**

- PSY 370 Environmental Psychology I
- PSY 470 Environmental Psychology II

Elective courses selected by advisement (18 cr).

**Industrial/Organizational Psychology Concentration (24 cr)**

- PSY 365 Psychology in the Workplace
- PSY 367 Organizational Behavior
- PSY 466 Personnel Psychology

Elective courses selected by advisement (15 cr).

**Psychology of Aging Concentration (21 cr)**

- PSY 327 Adult Development and Aging I
- PSY 355 Lifespan Developmental Psychology
- PSY 427 Adult Development and Aging II

Elective courses selected by advisement (12 cr).

**Psychology of Infancy Concentration (21 cr)**

- PSY 355 OR Lifespan Developmental Psychology OR Child Development
- PSY 356 The Competent Infant
- PSY 417 The Atypical Infant

Elective courses selected by advisement (12 cr).

All College Electives 39-48 cr

- Biological Psychology (18–36 cr)
- Clinical Psychology (18–36 cr)
- Environmental Psychology (24–36 cr)
- Industrial/Organizational Psychology (18–36 cr)
- Psychology of Aging (21–39 cr)
- Psychology of Infancy (21–39 cr)

Total Required Credit Hours 120 cr

---

**Bishop Hall 210 (716) 878-6008**

This major allows students flexibility to tailor a program based on strategic communication through the disciplines of public relations, advertising, and related fields. It meets the needs of students preparing for a career in which research, strategic planning, implementation of creative tactics, and evaluation are central, whether to advance an organization, promote a product, or advocate a cause. Compare this major with communication studies, journalism, and media production. See communication.buffalostate.edu communication.buffalostate.edu

This is the only program in public relations and advertising at any SUNY college that is affiliated with the Accrediting Council on Education in Journalism and Mass Communications. Only five other undergraduate programs in New York State are accredited.

**Career Opportunities:** Students in public communication prepare for careers in public relations and advertising, as well as fundraising, organizational communication, research, lobbying, marketing communication, and other fields that require a liberal arts education enhanced with communication expertise.

The profile of a successful public communication graduate is a person with strong writing and speaking proficiency, keen ethical insight, competence in research and planning, and skill in working effectively both independently and in teams.

**Admission Requirements:** Incoming freshmen and transfer students can declare the major. A 2.6 GPA in the major is needed to register for required upper-division courses (300- and 400-level).

See communication.buffalostate.edu communication.buffalostate.edu for application forms and additional information, including a list of equivalent core courses at community colleges. Transfer students from two-year schools may apply only core courses toward this major for a maximum of 12 credits. Students generally require four semesters of study after completing communication core courses.

**Academic Standards:** Only grades of C or higher may be applied toward requirements for any communication degree; courses with lower grades must be repeated. Consistent with standards of the Accrediting Council for Education in Journalism and Mass Communication, the number of communication courses that students may take is capped, encouraging a broad-based liberal arts education. The department encourages students to take minors or second majors and requires evidence of an academic concentration or area of expertise outside the Communication Department.

**Intellectual Foundations Requirements** 33-39 cr

**Total Requirements** 42 cr

A. Communication Core (12 cr)

- COM 100 Media Literacy
- COM 210 Converged Media Writing
- COM 215 Introduction to Visual Communication
- SPC 205 Introduction to Oral Communication

**Note:** Students must have a minimum GPA of 2.6 in the major to register for certain upper-division courses (300- and 400-level).

B. Major Requirements (18 cr)

- COM 301 Principles of Public Relations and Advertising
- SPC 307 Group Communication
- COM 308 Public Relations Writing
- COM 322 Communication Graphics

Sculpture (B.F.A.)

BFA-AH SCL

Fine Arts Department

Bachelor of Fine Arts (HEGIS 1002)

National Association of Schools of Art and Design (NASAD) Accredited
Upton Hall 502 (716) 878-6014

High school students applying for admission to the B.F.A. sculpture major need only state his/her intent to major in sculpture to be accepted to the major, assuming required G.P.A. and other college admission standards are met. A portfolio is not required. All students, including transfer students, must undergo a formal portfolio review after completion of FAR 342 (Intermediate II) or the equivalent course for a transfer student.

Each B.F.A. student will be required to mount an individual exhibition of his or her work. It will be planned and installed with the advice of the student’s faculty advisor, but no grade will be assigned.

The Fine Arts Department reserves the right to retain student artwork for official purposes, such as exhibits, catalogs, or teaching aids.

Admission Requirements: Admission to the B.F.A. program for high school students is made by stating his/her intent to major in sculpture when applying to the college, assuming G.P.A. and other college admission standards are met. A portfolio is not required. All students, including transfer students, must undergo a formal portfolio review after completion of FAR 342 (Intermediate II) or the equivalent course for a transfer student. The portfolio is to be presented in person or mailed along with a statement of intent as stipulated by the department and should contain examples of work that the candidate believes best display his or her abilities.

Students are expected to assume the costs of materials they use in their courses. All studio courses may have an additional instructional charge for materials used in class. Students enrolled in a studio course are expected to work a minimum of two additional hours each week outside of class for each credit granted for that class.

Intellectual Foundations 14 Requirements

Social Studies Education (7–12, B.S.)

BS-NS SSS

History and Social Studies Education Department

Bachelor of Science (HEGIS 2201.01)

National Council for Accreditation of Teacher Education (NCATE) Accredited
Classroom Building C205
(716) 878-5412

Enrollment in all teacher education programs follows the guidelines for "Admission to Teacher Education Programs" found in this catalog. Applicants who do not yet meet all admissions criteria should consult with the department.

The social studies B.S. degree program in secondary education prepares students to meet the educational requirements leading to New York State Initial Certification in Adolescence Education required to teach social studies in grades 7–12. The program includes a knowledge base that provides the background knowledge necessary for teachers to implement the NYS Learning Standards for students in grades 7–12.

Admission Requirements: Applicants must have a minimum cumulative GPA of 3.0, a minimum GPA of 3.0 in all history and social science courses.

Prerequisites for Student Teaching: See prerequisites for SSE 409 and SSE 410.

A departmental honors program is also available. Students should contact the department for additional information.

The social studies content core constitutes a 42-credit major in social studies that consists of study in economics, government, and a minimum of 30 credit hours of study in the history and geography of the United States and the world (see total required credit hours in social studies, below). All program majors are required to complete a minimum of 100 clock hours of field experience related to coursework prior to student teaching. These field experiences consist of observations, individual tutoring, and the teaching of small groups of students under the supervision of certified teachers. These experiences are an integral component of the pedagogical core courses specified in the previous section, with learning outcomes specified and their achievement evaluated by course instructors.

Students complete a minimum of 30–35 clock hours of field experience in each of three courses: SSE 200, SSE 303, and SSE 309. Another course, SSE/HIS 488, is available and will be used by transfer students and others who may have a deficiency in field experience. The department has established relationships with several "high-need" urban and suburban school districts where field experiences are held. All majors will have study and experiences that together provide a solid foundation for teaching in high-need schools.

To student teach, students are required to have a minimum cumulative GPA of 3.0 and a minimum GPA of 3.0 in the social studies major, as well as obtain a minimum grade of C in SSE 303 and SSE 309. All majors meeting these requirements
must enroll in two practicum courses following completion of all other coursework and satisfaction of English and math competency requirements. Placements for these practica include urban and suburban settings. The urban placements may be in high-need districts that provide opportunities for student teachers to work with students from diverse backgrounds, including socio-economically disadvantaged students, students with disabilities, and students who are English-language learners. Experiences include individual and group instruction, daily and long-view planning, unit teaching, classroom management and routine procedures, use of audiovisual aids, community resources, record-keeping, evaluation procedures, and participation in the total school program.

Intellectual Foundations Requirements 33-39 cr
Program majors should enroll in an introductory psychology course, such as PSY 101, to satisfy their Intellectual Foundation requirements. It is recommended that majors take history courses to meet their Foundations of Civilization requirements.

Total Required Credit Hours in Social Sciences 42 cr

A. History of the Western Hemisphere (12 cr)
Basic U.S. History

SOCIAL STUDIES EDUCATION (7–12, 5–6 EXTENSION, B.S.)

BS-NS SSX

History and Social Studies Education Department

Bachelor of Science (HEGIS 2201.01)
National Council for Accreditation of Teacher Education (NCATE) Accredited
Classroom Building C205
(716) 878-5412

Enrollment in all teacher education programs follows the guidelines for "Admission to Teacher Education Programs" found in this catalog. Applicants who do not yet meet all admissions criteria should consult with the department.

The social studies secondary education program prepares students to meet the educational requirements leading to New York State Initial Certification in Adolescence Education required to teach social studies in grades 7–12, with an extension for middle childhood that qualifies the holder to teach social studies in grades 5–9. The program supplies a knowledge base that provides the background knowledge necessary for teachers to implement the NYS Learning Standards for students in grades 5–12.

Admission Requirements: Applicants must have a minimum cumulative GPA of 2.75, a minimum GPA of 2.75 in all history and social science courses.

Prerequisites for Student Teaching: See prerequisites for SSE 409 and SSE 410.

A departmental honors program is also available. Students should contact the department for additional information.

The social studies content core constitutes a 42-credit major in social studies that consists of study in economics, government, and a minimum of 33 credit hours of study in the history and geography of the United States and the world (see “Total Required Credit Hours in Social Studies,” below).

All program majors are required to complete a minimum of 150 clock hours of field experience related to coursework prior to student teaching. These field experiences consist of observations, individual tutoring, and the teaching of small groups of students under the supervision of certified teachers. These experiences are an integral component of the pedagogical core courses specified in the previous section, with learning outcomes specified and their achievement evaluated by
course instructors.

Students complete a minimum of 30-35 clock hours of field experience in each of three courses: SSE 200, SSE 303, and SSE 309. Another course, SSE/HIS 488, will be used by students to complete the additional 50 clock hours in field experience required for the grades 5–6 extension. The department has established relationships with several "high-need" urban and suburban school districts where field experiences are held. All majors will have study and experiences that together provide a solid foundation for teaching in high-need schools.

To student teach, students are required to have a minimum cumulative GPA of 2.75 and a minimum GPA of 2.75 in the social studies major, as well as obtain a minimum grade of C in SSE 303 and SSE 309. All majors meeting these requirements must enroll in two practicum courses following successful completion of all other coursework, and satisfaction of English and math competency requirements. Placements for these practica include urban and suburban settings. The urban placements may be in high-need districts that provide opportunities for student teachers to work with students from diverse backgrounds, including socio-economically disadvantaged students, students with disabilities, and students who are English-language learners. Experiences include individual and group instruction, daily and long-term planning, unit teaching, classroom management and routine procedures, use of audiovisual aids, community resources, record-keeping, evaluation procedures, and participation in the total school program.

**Intellectual Foundations Requirements** 33-39 cr

Program majors should enroll in an introductory psychology course, such as PSY 101, to satisfy their Intellectual Foundations requirements. It is recommended that majors take history courses to meet their civilizational requirements.

**SOCIAL STUDIES EDUCATION (7–12, PTCP)**

PBC-NS SSX

**History and Social Studies Education Department**

**Postbaccalaureate Teacher Certification Program (HEGIS 2201.01)**

National Council for Accreditation of Teacher Education (NCATE) Accredited Classroom Building C205 (716) 878-5412

Enrollment in all teacher education programs follows the guidelines for "Admission to Teacher Education Programs" found in this catalog. Applicants who do not yet meet all admissions criteria should consult with the department.

The social studies education (7–12) postbaccalaureate certification-only program prepares persons with undergraduate degrees in history or social science, or with a 36-credit concentration in history and/or social science courses, to meet the disciplinary content and educational requirements leading to New York’s Initial Certificate in adolescence education required to teach social studies in grades 5–12. The program supplies the background knowledge necessary for teachers to implement the NYS Learning Standards for social studies in grades 5–12. It also meets the standards set by national professional organizations such as the National Council for the Social Studies and the National Council for the Accreditation of Teacher Education.

Admission Requirements: Applicants must have an existing undergraduate degree with a 36-credit concentration in history and/or social science courses, as well as a minimum 2.75 cumulative GPA; a minimum 2.75 GPA in all history and social science courses.

Students complete a minimum of 30-35 clock hours of field experience in each of three courses: SSE 200, SSE 303, and SSE 309. The department has established
relationships with several high-need urban and suburban school districts where field experiences are held. All majors will have study and experiences that together provide a solid foundation for teaching in high-need schools.

To meet NCATE certification requirements, the total social studies subject matter coursework must include no less than 40 percent of a total four-year program, with an area of concentration of at least 18 semester hours in one academic discipline. The program of study must include economics, government, and a minimum of 30 semester hours of study in the history and geography of the United States and the world. All students’ history/social science coursework must include the following or the equivalent of the following:

Total Required Credit Hours in Content Area Courses 50 cr

A. Basic U.S. History (9 cr)
   HIS 106  American Life I
   HIS 107  American Life II
   HIS 415  History and Government of New York State

B. Basic World History (9 cr)
   HIS 230  World Civilizations
   Select two courses from the following:
   HIS 115  Foundations of Western Civilization
   HIS 116  Europe Since 1500
   HIS 117  Twentieth-Century Europe

C. Other World History (6 cr)
   Two Asian, Middle-Eastern, or African history courses

D. Geography (6 cr)
   GEG 300  World Regional Geography
   Select one course from the following:

SOCIAL STUDIES EDUCATION (7–12, 5–6 EXTENSION, PTCP)

PBC-NS SSX

History and Social Studies Education Department

Postbaccalaureate Teacher Certification Program (HEGIS 2201.1)

National Council for Accreditation of Teacher Education (NCATE) Accredited Classroom Building C205 (716) 878-5412

Enrollment in all teacher education programs follows the guidelines for “Admission to Teacher Education Programs” found in this catalog. Applicants who do not yet meet all admissions criteria should consult with the department.

The social studies education (7–12; 5–6 extension) postbaccalaureate certification-only program prepares persons with existing undergraduate degrees who have a history or social science major to meet the disciplinary content and educational requirements leading to New York State’s Initial Certificate in adolescence education required to teach social studies in grades 5–12. The program supplies the background knowledge necessary for teachers to implement the NYS Learning Standards for social studies in grades 5–12. It also meets the standards set by national professional organizations such as the National Council for the Social Studies and the National Council for the Accreditation of Teacher Education.

Admission Requirements: Applicants must have an existing undergraduate degree with a 36-credit concentration in history and/or social science courses, as well as a minimum 2.75 cumulative GPA; a minimum 2.75 GPA in all history and social sciences courses.

Students complete a minimum of 30–35 clock hours of field experience in each of three courses: SSE 200, SSE 303, and SSE 309. Another course, SSE/HIS 488, will be used by students to complete the additional 50 clock hours in field experience required for the 5-6 extension. The department has established relationships with several high-need urban and suburban school districts where field experiences are held. All majors will have study and experiences that together provide a solid foundation for teaching in high-need schools.

### Total Required Credit Hours in Social Work (B.S.)* 95 cr

**BS-SP SWK**

### Social Work Department

**Bachelor of Science (HEGIS 2104)**

Council on Social Work Education Accredited

Classroom Building C115 (716) 878-5705

The social work program prepares students for social work practice at the first professional level. Consistent with accreditation standards, the social work courses cover the following areas: human behavior and the social environment, social welfare policy and services, intervention methods, research, values and ethics, diversity, social and economic justice, populations at risk, and field instruction.

Social work is an upper-division major that builds on a liberal arts base. Academic evaluation includes GPA, class performance, and conduct that is ethical and professional. Interested students should contact the department for specific information on these academic standards.

**Admission Requirements:** At the time of application, students are required to have:

- Completed 45 credit hours
- Attained a minimum GPA of 2.5
- Successfully completed the SUNY Buffalo State required college Writing (CWP 101/102 with a "C" or better), Introduction to Statistics (Math 311) or Social Statistics (SOC 301) or Statistics in Psychological Research (PSY 306), in addition to Human Biology (BIO 101).
- Progress toward completing the liberal arts foundation (a recommended course in each of the following areas: sociology, psychology, political science, anthropology, economics, history, philosophy, literature, and the arts). However, at a minimum, must have a course in Sociology and Psychology.

*Evening courses are available. Evening and weekend field practicum is available on an extremely limited basis.*

*The Social Work program is designed to begin in the fall semester. The program may accept a student in the spring or summer semesters.*

**SOCIOLGY (B.A.)**

**BA-NS SOC**

**Sociology Department**

**Bachelor of Arts (HEGIS 2208)**

Classroom Building B307 (716) 878-5411

The B.A. degree in sociology presents a general program to prepare students for a wide variety of positions in business, industry, government, health-related services, or social services. It is also designed to prepare undergraduate students for graduate work in the study of sociology, law, public administration, media studies, demography, crime/deviance, or other social science disciplines. Its emphasis upon scholarly research culminates in either Internship in Sociology (SOC 488) or Seminar in Sociology (SOC 49D). The freedom of choice in selection of courses permits students to develop a particular specialty within sociology, either to meet special career interests or to meet graduate program requirements.

SUNY Buffalo State Undergraduate Catalog 2016–2017

54th Edition

Speech-Language Pathology (B.S.)

BS-SP SLP

Speech-Language Pathology Department

Bachelor of Science (HEGIS 1220)

Ketchum Hall 208 (716) 878-4412

The undergraduate program in speech-language pathology prepares students with a strong foundation in normal acquisition of speech, language, and hearing, and provides an introduction to the field of communication sciences and disorders. The undergraduate curriculum provides students with necessary prerequisite courses for graduate study. The master's degree is required for the initial teaching certificate, the license to practice speech-language pathology, and for the Certificate of Clinical Competence (CCC) awarded by the American Speech-Language Hearing Association, www.asha.org. The master's degree program in speech-language pathology
pathology is accredited by the Council on Academic Accreditation in Audiology and Speech-Language Pathology (CAA) of the American Speech-Language Hearing Association (ASHA).

Admission Requirements: Undeclared, change of major and transfer students are eligible to apply for admission to the department as a junior. A minimum GPA of 3.0 is required for admission, no exceptions.

Academic Performance Policy: Students who have a GPA of less than 3.0 in SLP-prefixed courses required for the major at the end of a semester will be placed on departmental probation. The student will then have one semester to raise their GPA to a 3.0 or greater in SLP-prefixe required courses or they will be dismissed from the department.

TECHNOLOGY EDUCATION (B.S.)

BS-SP TED

Career and Technical Education Department

Bachelor of Science (HEGIS 0839.01)

National Council for Accreditation of Teacher Education (NCATE) Accredited Bacon 316S (716) 878-4717

Enrollment in all teacher education programs follows the guidelines for "Admission to Teacher Education Programs" found in this catalog. Applicants who do not yet meet all admissions criteria should consult with the department.

The technology education program prepares students to teach technology and the technological systems utilized in problem solving. The four systems emphasized are construction, manufacturing, communication, and transportation. The program is laboratory oriented, teaching the important role of engineering a product or service through selecting and systemizing knowledge for the solution of a problem. Graduates are recommended for an initial certificate to teach technology education in grades K–12.

Career and Technical Education Department

Postbaccalaureate Teacher Certification Program (HEGIS 0839.01)

National Council for Accreditation of Teacher Education (NCATE) Accredited Bacon 316S (716) 878-4717

Enrollment in all teacher education programs follows the guidelines for "Admission to Teacher Education Programs" found in this catalog. Applicants who do not yet meet all admissions criteria should consult with the department.

This program is designed for students who have earned a baccalaureate degree in a technology-related field from an accredited college or university and intend to complete coursework required for New York State certification to teach technology. It generally takes at least three semesters for a person with a degree in engineering or architecture to complete this program.

The professional semester, also known as student teaching, is completed with two
A bachelor’s degree from an accredited college or university.
2. Completion of 36 credit hours of coursework in technology or a technologically-related area, such as engineering, architecture, engineering technology, electrical technology, or industrial technology.
3. Evidence of coursework or professional experience from among the following areas: biotechnical systems, communication systems, structural systems, production systems, and transportation systems.

Applications for admission may be obtained online at suny.buffalostate.edu/graduateschool or from the Graduate School, Cleveland Hall 204, (716) 878-5601.

Admission Requirements:
1. New York State Certification Exams: LAST, ATS-W, and CST. Registration materials for these exams may be obtained from theTeacher Certification Office, Chase Hall 222.
2. Seminars:
   a. S.A.V.E. (School Anti-Violence Education) workshop
   b. Child abuse identification workshops
   c. Drug and alcohol awareness seminar
   d. Fire and arson safety seminar

### TELEVISION AND FILM ARTS (B.A.)

**BA-AH TFA**

**Television and Film Arts**

**Bachelor of Arts (HEGIS: 0603)**

Bishop Hall 210 (716) 878-3180

The Television and Film Arts major (TFA) at Buffalo State—an interdepartmental program encompassing the Communication, English, and Theater departments—prepares students for a variety of careers in the entertainment industry. The goal of the major is to teach the TFA student to hone his/her vision and storytelling skills, thus facilitating pursuits in such dynamic fields as screenwriting, producing, and directing.

The TFA program recognizes that creative content is paramount in today’s age of multi-media and to that end, encourages its students to tell stories across all media. The program is dedicated to excellence in teaching and scholarship, cultural enrichment, and service, providing TFA majors with an appropriate mix of criticism, theory, practical application, and real-life internship opportunities passionately designed to help them succeed.

**Required TFA Courses:** This series of eight courses provides students with the foundational skills needed for success in the TFA major. The lower-division courses emphasize the history of storytelling, writing fundamentals, film as a vehicle for literature, and basic television production. The upper-division courses emphasize film criticism; collaboration across production roles; working independently as an “auteur”; and writing, producing, directing, and editing professionally produced stories exhibited in a public forum.

In addition to required courses, TFA offers electives related to two professional tracks: (1) writing and storytelling, and (2) directing and producing. Students may take all their major electives from a single track, or they can blend courses from both tracks.

**Writing and Storytelling Track:** This track is designed for the TFA major who wishes to pursue a career as a screenwriter. Students will write a full-length feature screenplay, and immerse themselves in the history of motion pictures and theater.

**Directing and Producing Track:** This track is designed for the TFA major who wishes to pursue a career as a director or producer. Students will write, produce, direct, and edit advanced video projects, and be introduced to set design and the business of performing arts.

**Admission Requirements:** Admission to the television and film arts program is very competitive (15 students admitted each year) and based upon an application, letter of recommendation, and submission of creative work (including screenplays, short stories, poetry, and/or videos/films). All submitted materials are reviewed by the Television and Film Arts Advisory Committee.

**Intellectual Foundations General Education Requirements** 33-39 cr

THEATER (B.A.)

Bachelor of Arts (HEGIS 1506)

National Association of Schools of Theater (Accredited)
Donald Savage Theater Building 222 (716) 878-6416

The Theater Department introduces students to all aspects of theater and the entertainment industries. The theater season includes both faculty- and student-directed productions presented on campus. These productions are attended by members of both the college and the community. Through advisement, students may focus their studies in the following concentrations: acting, directing, dramaturgy, design/technical, and general study. The department also emphasizes direct application of theater skills beyond the stage in the form of various outreach projects. High standards afford a foundation for careers in professional theater, television, and film. A 19-credit-hour minor program in theater is also available.

WOOD/FURNITURE (B.F.A.)

BFA-AH WFD

Design Department

Bachelor of Fine Arts (HEGIS 1009)

National Association of Schools of Art and Design (NASAD) Accredited
Upton Hall 212 (716) 878-6032

The B.F.A. degree in Wood/Furniture Design is a studio-intensive program of study focused on developing the aesthetic, conceptual and technical skills necessary to foster creativity as the student works toward developing their individual identity as a visual designer/artist. This degree offers students a specialized studio-oriented education in preparation for advanced or graduate studies or for beginning careers as professional designers or artists.
Students begin with foundation courses in two-dimensional design, three-dimensional design, drawing, art history and design history along with courses in ceramics, fibers and metal/jewelry. Major courses in wood/furniture design complete the requirements. Internship opportunities are available. The remaining credit hours are completed in required Intellectual Foundations courses and in other chosen studio courses.

**Admission Requirements:** There is no entrance portfolio review for admission. All students will enter the wood/furniture design major as a bachelor of science (BS-AH WFD) and complete a selection of foundation and major course(s) before a commit-to-major portfolio review for continuation in the B.S. or admission into the bachelor of fine arts program (BFA-AH WFD). Commit-to-major portfolio reviews are conducted by faculty and generally take place during the sophomore year.

After passing the portfolio review, to continue in the B.F.A. degree program a 3.0 GPA must be maintained in the major. Transfer students are urged to submit their portfolios the semester before transfer in order to facilitate placement in departmental courses and/or for possible commit-to-major portfolio review. Please call the Design Department for additional information. As a condition for graduation each B.F.A. student will be required to mount an individual exhibition of his/her work.

The Design Department reserves the right to retain students’ work for official purposes, such as exhibitions, catalogs, teaching aids, or permanent collections and to use images of the students and their work for publicity and recruitment. Students are expected to assume the costs of materials used in courses. Some studio courses may have an additional charge for materials used in class. Students enrolled in a studio course are expected to work a minimum of two additional hours each week outside of class for each credit granted for that class and the hours gradually increase as the student progresses in the major.

The Design Department may be in the process of curricular revision. Please refer to the college Web site or the department for updated information.

### Design Department

#### Bachelor of Science (HEGIS 1009)

- National Association of Schools of Art and Design (NASAD) Accredited
- Upton Hall 212 (716) 878-6032

The B.S. degree in Wood/Furniture Design is a studio degree with a strong academic component. This degree offers students a broadly grounded educational experience as a basis for beginning careers as professional designers or artists.

Students begin with foundation courses in two-dimensional design, three-dimensional design, drawing and design history along with courses in ceramics, fibers and metal/jewelry. Major courses in wood/furniture design focus on developing the aesthetic, conceptual and technical skills necessary to foster creativity as their individual identity as a visual designer/artist. Internship opportunities are available. The remaining credit hours are completed in required Intellectual Foundations courses and in other academic subjects of the student’s choosing. The academic component offers opportunities to gain a broader base of knowledge, as well as knowledge in other disciplines related to the major field of study.

**Admission Requirements:** There is no entrance portfolio review for admission. All students will enter the wood/furniture design major as a bachelor of science (BS-AH WFD) and complete a selection of foundation and major course(s) before a commit-to-major portfolio review for continuation in the B.S. degree program or admission into the bachelor of fine arts program (BFA-AH WFD). Commit-to-major portfolio reviews are conducted by faculty and generally take place during the sophomore year. After passing the portfolio review, to continue in the B.S. degree program a 2.5 GPA must be maintained in the major. Transfer students are urged to submit their portfolios the semester before transfer in order to facilitate placement in departmental courses and/or for possible commit-to-major portfolio review. Please call the Design Department for additional information.

The Design Department reserves the right to retain students’ work for official purposes, such as exhibitions, catalogs, teaching aids, or permanent collections and to use images of the students and their work for publicity and recruitment. Students are expected to assume the costs of materials used in courses. Some studio courses may have an additional charge for materials used in class. Students enrolled in a studio course are expected to work a minimum of two additional hours each week outside of class for each credit granted for that class and the hours gradually increase as the student progresses in the major.

Writing (B.A.)

BA-AH WRT

English Department

Bachelor of Arts (HEGIS 1507)
Ketchum Hall 326 (716) 878-5416

The Writing B.A. degree program offers students an opportunity to combine the study and practice of the craft of writing with the study of literature, theater, television and communication arts. The writing degree program allows for the development of skills in creative writing, journalistic writing, literary writing, and/or professional writing. Students can take courses from a variety of disciplines to fulfill their requirements. The program is intended for students interested in the advanced study and practice of writing.

UNDERGRADUATE MINOR PROGRAMS

AFRICAN AND AFRICAN AMERICAN STUDIES MINOR

School of Natural and Social Sciences
Upton Hall 308D, 716-878-3675

The African and African American Studies minor delineates the roles played by the people of Africa in countries all over the world. People of African descent live not only in the United States, but also in Canada, the Caribbean islands, Europe and South America. The minor deals with contributions made by Africa and the Black Diaspora to the global community. It focuses on Africana studies, which includes African, African American, and Caribbean people and their impact on a broad range of disciplines, including but not limited to: anthropology, art, history, culture, language and literature, political science, sociology, and gender studies.

Total Required Credit Hours 18 cr

A. Required Courses (3 cr)
AAS 100 Introduction to Africana Studies

B. Literature, Arts and Language (6 cr)
ENG 240 African American Literature to 1940
ENG 241 African American Literature since 1940
DAN 230 Survey of African American Dance
DAN 234 The History of the Black Dance Movement
DAN 250 Jazz Dance
FAR 380 Art of Africa
FAR 366 African American Art
MUS 209 Sub-Saharan African Music and Cultures
MUS 305 Modern Jazz

AAS 189 Topics Course
AAS 389 Topics in African And African American Studies
AAS 488 Internship
AAS 495 Special Project
AAS 499 Independent Study
Or any class from B and C

ANTHROPOLOGY MINOR

Anthropology Department
Classroom Building B107, 716-878-6110

Anthropology is the exploration of what it means to be human. The study of anthropology provides a broad-based approach to the understanding of human culture (past and present) and human biology. The anthropological perspective is global, holistic, and involves considerable time-depth. The minor exposes students to the primary subdivisions within the field: archaeology, cultural anthropology, folklore, linguistics, and physical anthropology. The minor in anthropology can complement all majors, for example in forensic science, social sciences, museum work, social services, education, government, and market research.

Total Required Credit Hours 18 cr

Required Courses (6 cr)
ANT 100 Human Origins
ANT 101 Understanding Culture

Electives (12 cr)
One upper division physical anthropology or archaeology course.
One upper division cultural anthropology course.
Two other upper division courses under advisement.

APPAREL CONSTRUCTION AND PATTERNMAKING MINOR

Apparel and Textile Technology Department
Technology Building 303, (716)878-3478

The 18-credit minor consists of six classes focusing on the techniques and skills required to draft and create original garment designs. This program will introduce students to the processes and technology associated with fashion design as well as the creative and technical considerations of the apparel industry. Students will have the opportunity to design and create their own apparel using different equipment and software programs.

The apparel construction and patternmaking minor creates opportunities for interdisciplinary specialization. For instance, a theater major could look into a career in costume design and development; a fiber arts major could learn how to express their designs in wearable art.

This minor is open to all students not majoring in fashion and textile technology who have completed at least one semester of full-time study at Buffalo State and who are in good academic standing at this institution (2.00 or better G.P.A.). The curriculum is composed of 18 credit hours taken from the fashion and textile technology program and will provide a basic background in the subject area. All of the hours are normally taken at Buffalo State with a maximum of 6 semester hours at the lower division level. A maximum of three courses of transfer credit will be permitted.

Total Required Credit Hours 18 cr

Required Courses (18 cr)
FTT 109 Fundamentals of Apparel Construction
FTT 224  Pattern Drafting and Grading for Industry
FTT 324  Industrial Apparel Assembly
FTT 326  Traditional/Computer Flat Pattern
FTT 327  2D/3D Computer Patternmaking
FTT 328  Apparel Design III: Draping

ART HISTORY MINOR

Recognizing the value of a historical knowledge of the visual arts for students majoring in other disciplines, the Fine Arts Department offers an academic minor in art history.

Total Required Credit Hours 21 cr

Required Courses (21 cr)
- FAR 250  Art History I
- FAR 251  Art History II

One Course from each of these five areas
Ancient  Choose 1
- FAR 351  Art of the Ancient World
- FAR 353  Art of Egypt and the Near East
- FAR 354  Art and Culture of Greece
- FAR 355  Art and Culture of Rome

Medieval  Choose 1
- FAR 352  Islamic Art and Culture
- FAR 356  Early Medieval Art
- FAR 357  Late Medieval Art
- FAR 369  Art of the Middle Ages

Renaissance and Baroque  Choose 1
- FAR 358  Early Renaissance Art in Italy
- FAR 359  High Renaissance and Mannerism
- FAR 361  Italian Baroque Art
- FAR 367  Baroque Art of Northern Europe
- FAR 373  Art and Culture of Venice 1300-1800
- FAR 469  Art and Architecture of Siena

Modern/Contemporary Art  Choose 1
- FAR 325  History of Photography
- FAR 362  Nineteenth Century Art
- FAR 363  Twentieth Century Art
- FAR 364  Art After 1940
- FAR 365  American Art

Non-Western Art  Choose 1
- FAR 352  Art and Culture of Islam
- FAR 353  Art of Egypt and the Near East
- FAR 375  Introduction to Asian Art
- FAR 376  Indian Art
- FAR 377  Art of China and Japan
- FAR 380  Art of Africa

ART THERAPY MINOR

About the Program:
Art therapy is a mental health profession in which qualified art therapists facilitate client’s use of art media, the creative process, and the resulting artwork to explore emotions, resolve conflicts, develop interpersonal skills, manage behaviors, reduce stress, increase self-esteem and self-awareness, and achieve insight. Art therapy is used in individual, group, and family assessment and treatment to improve and enhance the physical, mental, and emotional well-being of individuals of all ages including children, adolescents, adults, and older adults. Art therapists work in a variety of settings such as hospitals, clinics, public and community agencies, schools, wellness centers and private practice.

A master’s degree and extensive post-graduate clinical experience are required for entry-level practice in art therapy. The Buffalo State art therapy minor is designed to introduce students to the profession of art therapy. Those students preparing for graduate study will be advised regarding the prerequisite undergraduate coursework required for admission to graduate art therapy programs approved by the American Art Therapy Association, the national professional organization that maintains the standards for education and training leading to the art therapist clinical credential and board certification.

Admission Requirements:
This minor is open to all students who have completed at least one semester of full-time study at Buffalo State and who are in good academic standing (2.00 or better GPA).

Transfer credits: A maximum of 6 transfer credits are accepted toward fulfillment of the minor.

Program Requirements:
The Buffalo State art therapy minor requires 21 credits including three core courses in art therapy and four courses in related prerequisite electives. The following curriculum lists the core and their prerequisite courses.

Please note that prerequisite courses are selected as per advisement with the art therapy advisor. Students should seek faculty advisement prior to registration for each semester they are enrolled in the minor. Students planning on graduate studies in art therapy will be advised to take prerequisite courses that will fulfill graduate entrance requirements.

Other majors-only courses in psychology, exceptional education, and social work may fulfill the prerequisite contingent upon approval of the art therapy minor coordinator. Also note that the minor program of study may contain no more than three courses at the 100 or 200 level.
Asian Studies Minor

History and Social Studies Education
Classroom Building C205, (716)878-6216

Asian Studies, an Interdisciplinary Minor, is intended to enhance and broaden the academic experience of students majoring in many academic or professional programs at Buffalo State. It provides students with the opportunity to acquire the knowledge and experience to appreciate the richness of Asian civilization, to relate professionally with Asians, and to deal competently with Asia-related concepts and issues. The Asian Studies Minor serves to prepare students for professions requiring a fundamental knowledge of Asian society or for future graduate work in Asian-related fields of study. The program allows students either to attain a broad overview of Asian civilization or to focus more specifically on a particular region or field of interest. Students should apply for the minor after completing any one of the required courses with a grade of C or better.

Total Required Credit Hours 18 cr

Language Requirement (6 cr)*
  CHI 101  Beginning Chinese I
  CHI 102  Beginning Chinese II

Required Courses (6 cr)
Select two of the following:
  GEG 360  Geography of Asia
  FAR 375  Introduction to Asian Art
  HIS 307  History of India
  HIS 310  History of East Asia: The Traditional Era
  HIS 320  Modern History of Japan and Korea
  HIS 338  Modern History of China
  HIS 460  Patterns of History in Southeast Asia

Interdisciplinary Electives (6 cr)**
Select two of the following:
  NFS 108  Food Culture and Civilization in the Far East
  SOC 208  Sociology of Contemporary China
  HIS 210  Modern Asia
  ANT 306  Peoples of Asia
  PHI 324  Zen Buddhism
  FAR 376  Indian Art
  FAR 377  Art of China and Japan
  GEG 461  Issues in Southeast Asia Environment and Sustainable Development

*At least six credit hours of Asian language study other than Chinese (e.g., Japanese, Korean, Malay, Thai, Hindi) completed elsewhere may be accepted to satisfy this requirement. Alternatively, at least six credit hours of service learning or other credit bearing programs of study in Asia may be accepted as a substitute for the language requirement.

**Students may take one lower division elective from the Interdisciplinary Electives category.

Astronomy

Earth Science and Science Education Department
Science Building 271, 878-6731

The astronomy minor program allows students to expand their interest in outer space and celestial bodies into a richly rewarding, lifelong vocation. This program may provide a Physics student with the initial knowledge base for a career in astronomy or prepare a student interested in Science Secondary Education for a career in Planetarium Education. The program is supported by two faculty and staff members and by the Whitworth Ferguson Planetarium.
Please note the following restrictions:

1. The Biology BA program allows 3 credit hours of 300 level Biology courses to be applied to the minor.
2. The Biology Minor is not available to students majoring in Biology.
3. Biology "majors" cannot use Biology courses for their majors.
4. A maximum of 1 credit of Biology seminar (BIO 361/362) is allowed.
5. A maximum of 3 transfer courses (12 credits maximum) will be accepted as part of the Biology minor. The Department Chairperson will judge the acceptability of transfer courses.
6. A student considering the Biology minor should check for prerequisite requirements when planning the program. Prerequisite requirements are listed in the Undergraduate Catalog.

**BIOLOGY MINOR**

### Biology Department

Science Building 261, 878-5203

The Minor in Biology (20 credits) is designed for students majoring in another department who would like to develop an additional focus of study by completing a set of courses in Biology. This option may be appropriate for students in a wide range of fields. Chemistry majors with an interest in biochemistry could profit from more background in cellular and molecular biology. Earth Science majors with an interest in paleobiology could select courses in organismal biology, ecology and evolution. Pre-health students not majoring in Biology can use the Biology Minor as an opportunity to take a coherent set of courses to prepare for entrance exams (e.g. the MCAT). The Biology Minor is also appropriate for students whose major is not in the natural sciences. For example, students interested in careers in technical writing or journalism, or students planning a career as a lawyer specializing in environmental or biotechnology issues could benefit from a minor in Biology.

Important policy reminder: Current College policy states that a maximum of 3 courses from a student's academic major can be used to fulfill the requirements of a minor. For example, if a Business major earns the credits for the required Business courses of Principles of Macroeconomics, Econometrics and Corporation Finance, only THREE of these courses can be used to satisfy the requirements of an Economics Minor.

### CHEMISTRY MINOR

**CHE**

Chemistry Department

Science Building 267, 716-878-5204

All students interested in earning a minor in chemistry must complete one year of general chemistry and at least one semester of organic chemistry with lab. In addition, another eight (8) credit hours must be selected by advisement and in accordance with each student's background and interests. Many chemistry courses have prerequisites, so care must be taken when taking elective courses.

<table>
<thead>
<tr>
<th>Total Required Credit Hours</th>
<th>20 cr</th>
</tr>
</thead>
</table>
Required Courses (12 cr)

- CHE 111: Fundamentals of Chemistry I (4)
- CHE 112: Fundamentals of Chemistry II (4)
- CHE 201: Organic Chemistry I (5)
- CHE 203: Organic Chemistry Laboratory I (1)
- CHE 321: Principles of Organic Chemistry (4)

or, instead of CHE 201 and 203, a student may substitute:

- CHE 321: Principles of Organic Chemistry (4)

Electives (8 cr)

- CHE 202: Organic Chemistry II
- CHE 204: Organic Chemistry Laboratory II (1)
- CHE 300: Chemistry & Medicine
- CHE 301: Analytical Chemistry (4)
- CHE 310: Literature of Chemistry (1)
- CHE 315: Environmental Chemistry
- CHE 331: Principles of Physical Chemistry
- CHE 305: Physical Chemistry I
- CHE 306: Physical Chemistry II
- CHE 307: Physical Chemistry Laboratory I (1)
- CHE 308: Physical Chemistry Laboratory II (1)
- CHE 322: Biological Chemistry (4)
- CHE 470: Biochemistry I
- CHE 360: Introduction to Inorganic Chemistry
- CHE 403: Instrumental Analysis (4)
- CHE 462: Advanced Inorganic Chemistry
- CHE 471: Biochemical Techniques (2)
- CHE 472: Biochemistry II

Transfer students may apply credit taken at another institution up to a maximum of two courses (8 – 10 credits). The Department of Chemistry will be the sole judge of "equivalency."

**COACHING MINOR**

**COACHING AND PHYSICAL EDUCATION**

Classroom Building A113, 878-4519

The coaching minor educates and prepares non-physical education education major students to coach interscholastic teams. Students may focus their interests in training in one or more sport specialties. Students who successfully complete the coaching minor also fulfill the New York State Coaching Certification requirements.

**Total Required Credit Hours** 18 cr

**COMPUTER INFORMATION SYSTEMS MINOR**

**CIS**

Computer Information Systems Department
Technology Building 203, (716)878-5528

The Minor in CIS is a good complement to any major whose graduates will interact with computerized information systems. Interested students should take CIS 151, and earn at least a 2.0, before applying for the minor. Students with a 2.0 or better in a transfer course equivalent to CIS 151 can declare the minor at any time.

**Total Required Credit Hours** 18 cr

* Up to three of the requirements can be satisfied via approved transfer credit.

**CREATIVE STUDIES MINOR**

**CRS**

International Center for Studies in Creativity
Chase Hall 244, (716)878-6223

Creativity is an effective resource that resides in all people and within all organizations. Our more than 40 years of research has conclusively demonstrated that creativity can be nurtured and enhanced through the use of deliberate tools, techniques, and strategies. Through our undergraduate courses, our students develop essential life skills that they can apply to their personal and professional lives.

Some of the core competencies developed through the undergraduate minor...
Select three courses from the following:

- Expertise in facilitating problem-solving teams
- Enhanced ability to manage diverse groups
- Ability to develop, implement, and support an environment that nurtures creative thinking
- Learn a practical skill set for individual and group problem solving
- Ability to use problem solving tools to define complex problems, to generate creative solutions, and to transform solutions into action
- Learn theories and models for managing and coping with change in a complex world
- Increased effectiveness in decision making
- Sound theoretical base for understanding creativity
- Learn strategies to nurture the creative talent of others
- Enhanced leadership capabilities

Total Required Credit Hours: 18 cr

Required Courses (15 cr)
- CRS 205 Introduction to Creative Studies
- CRS 302 Creative Approaches to Problem Solving
- CRS 303 Creative Leadership through Effective Facilitation
- CRS 304 Developing Creative Problem Solving Skills
- CRS 320 Applications of Creativity and Innovation

Electives (3 cr)
- Plus 3 credit hour approved elective

To apply for the Creative Studies minor or for additional information about these courses, contact Mike Fox.

CRIMINAL JUSTICE MINOR

Criminal Justice Minor

Classroom Building C114, (716)878-4517

The Criminal Justice minor is open to all students not majoring in Criminal Justice who have completed at least one semester of full-time study at Buffalo State College and who are in good academic standing at this institution (2.0 G.P.A. or better). The Criminal Justice Minor is intended to complement the student’s major course of study, broaden and enhance career opportunities, and provide expertise in an area of interdisciplinary studies. The curriculum is composed of 18 credit hours taken from the Criminal Justice program and will provide a basic background in the subject area. All of the hours are normally taken at Buffalo State College with a maximum of 6 credit hours at the lower division level. A maximum of three courses of transfer credit will be permitted.

Total Required Credit Hours: 18 cr

Required Courses (9 cr)
- Mandatory - all three required
  - CRJ 101 Introduction to Criminal Justice
  - CRJ 201 Criminal Law and Procedure
  - CRJ 303 Criminal Justice Theory and Ideology

Electives (9 cr)
- Select three courses from the following

CRJ 302 Criminal Justice and the Community
CRJ 305 The Juvenile Justice System
CRJ 306 Probation, Parole, and Community Corrections
CRJ 307 Comparative Criminal Justice Systems
CRJ 317 Constitutional Issues in Criminal Justice
CRJ 320 Criminal Courts
CRJ 406 Correctional Institutions and Programs
CRJ 409 Advanced Issues in Law Enforcement

DANCE MINOR

Theater Department

Savage Building 222, 878-6416

Buffalo State offers a bachelor of arts degree in arts and letters with a concentration in dance. Students receive a liberal arts education with dance as the primary course of study.

The dance program also offers a 21-credit-hour minor. This minor is rigorous and highly selective. It is meant to enhance a major where the study of dance in art, science, education, and culture is critical.

In addition, the dance program offers a course of study for the dance enthusiast and advocate. This series satisfies Buffalo State’s mission to provide quality liberal arts study through the Intellectual Foundations program.

The dance minor is designed for students with previous experience. The program focuses on studio techniques, theory, history, and composition.

Students who enter the dance minor with appropriate prior dance training will not be required to accrue credits in lower-division studio technique courses. Only six credits of lower-division courses may be applied to the 21-credit-hour dance minor. Upper-division courses may be substituted with faculty permission if the student is ready for the next technical level.

Total Required Credit Hours: 21 cr

Required Courses (15 cr)
- DAN 224 Dance Appreciation
- DAN 303 Dance Composition
- Choose 1

Lower Division Studio Technique
- DAN 200 Modern Technique I
- DAN 220 Ballet Technique I
- DAN 230 Survey of African-American Dance

Upper Division Studio Technique
- Choose 1

- DAN 302 Modern Dance Technique II
- DAN 312 Modern Dance Technique III
- DAN 330 Ballet II
- DAN 340 Ballet III

Electives (6 cr)
- Choose 1

DAN 200 Modern Technique I

- DAN 220 Ballet Technique I
- DAN 230 Survey of African-American Dance
- DAN 234 History of the Black Dance Movement
- DAN 250 Jazz Dance
- DAN 302 Modern Dance Technique II
- DAN 312 Modern Dance Technique III
- Choose 1

Rehearsal and Performance (1 cr. Repeatable up to 6 times)
DAN 330  Ballet II
DAN 340  Ballet III
DAN 350  Tap Dance for the Stage: Elementary (1 cr.)
DAN 401  Teaching Dance
DAN 450  Tap Dance for the Stage: Intermediate (1 cr.)
DAN 495  Special Project (1-3 cr.)
DAN 499  Independent Study (3-6 cr.)

DESIGN MINOR

Design Department
Upton Hall 212, 716-878-6032

The Design Department offers a Minor in all four Craft Areas: Ceramics, Fiber/Weaving, Jewelry/Metal, and Wood/Furniture Programs. (Please note that the entry level course in Jewelry/Metal has DES 101 as a prerequisite.

Total Required Credit Hours 21 cr

Required Courses (3 cr) Select one course with advisement
DES 101  Introduction to 2DI
DES 103  Introduction to 3DI

Electives (18 cr) Select 18 credits from one of the following programs:

Ceramics
DES 220  Ceramics I
DES 320  Ceramics II
DES 321  Ceramics Junior Studio, repeatable
DES 421  Ceramics Senior Studio, repeatable

Fibers
DES 242  Fibers I
DES 342  Fibers II
DES 344  Fibers Junior Studio, repeatable
DES 444  Fibers Senior Studio, repeatable

Metals/Jewelry
DES 230  Introduction to Jewelry
DES 330  Applied Jewelry Techniques
DES 331  Jewelry Junior Studio, repeatable
DES 431  Jewelry Senior Studio, repeatable

Wood/Furniture
DES 250  Wood Design I
DES 350  Wood Design II
DES 351  Wood Junior Studio, repeatable
DES 451  Wood Senior Studio, repeatable

Ceramics Advisors: Robert Wood, Upton Hall 129A, 878-4414 woodrl@buffalostate.edu
Colleen Toledano, Upton Hall 130, 878-5154 toledacse@buffalostate.edu

Fibers Advisor: Jozef Bajus, Upton Hall 413, 878-4133; bajusj@buffalostate.edu

Metals/Jewelry: Tara Nahabetian, Upton Hall 238, 878-4904; Saracino, Upton Hall 236A, 878-4730

Wood/Furniture Advisor: Sunhwa Kim, Upton Hall 235C, 878-4768; kims1@buffalostate.edu

DEVIANCE MINOR

Sociology Department
Classroom Building B307, 878-5411

The Minor in Deviance Program introduces students to the sociological analysis of deviance. The program emphasizes courses directly related to deviant behavior and social institutions.

Total Required Credit Hours 18 cr

Required Courses (6 cr)
SOC 100  Introduction to Sociology
SOC 370  Sociology of Deviant Behavior

Deviance Electives (9 cr)
SOC 380  Sociology of Crime
SOC 381  Sociology of Violence
SOC 382  Sociology of Law
SOC 383  Sociology of Punishment/Corrections
SOC 390  Juvenile Delinquency
SOC 392  Sociology of Sexual Behavior
SOC 393  Sociology of Mental Illness

Sociology Electives (3 cr)
SOC 240  Analyzing Social Problems
SOC 330  Social Psychology
SOC 340  Sociology of the City
SOC 350  Power, Class, and Inequality
SOC 351  Sociology of Race and Ethnicity

DIGITAL MUSIC PRODUCTION MINOR

Music Department
Rockwell Hall 203, 716-878-6401

The minor in Digital Music Production is an interdisciplinary program that offers hands-on experience in the increasingly relevant field of music technology. It provides students with a comprehensive and up-to-date knowledge of hardware and software tools for electronic music composition, ensemble performance, sound recording and music production. For more information, please contact the DMP minor coordinator and visit http://music.buffalostate.edu/programs/digital

Total Required Credit Hours 21 cr

Required Courses (12 cr)
PHY 103  Understanding Sound
DMP 221  Introduction to Sound Recording and Reinforcement
DRAFTING TECHNOLOGIES FOR INTERIOR DESIGN MINOR

DTD

Interior Design Department
Upton Hall 212, 716-878-6032

It is often desirable for students of technology, fashion, urban planning, mechanical engineering, business, and so on to pursue a concentrated, but not all-encompassing, study of drafting techniques outside of their major field. With knowledge of manual and computer-aided drafting, along with model making and color rendering, students will have wider professional and academic opportunities available upon graduation. While students may learn computer-aided drafting through online tutorials informally, the formal recognition of a minor program increases job prospects for the students beyond their major area of study.

Total Required Credit Hours 21 cr

Required Courses
IDE 103 Digital Presentation Methods
IDE 151 Mechanical & Perspective Drawing
IDE 204 Construction Documentation
IDE 302 Computer Applications I
IDE 352 Computer Applications II
IDE 403 Professional Practice
IDE 488 Internship

DRW

DRAWING

Fine Arts
Upton Hall 502, (716) 878-6014

It is often desirable for students to pursue a concentrated, but not all-encompassing, study of an art discipline outside of their major field. This widens the students’ perspective, increases their professional and job-related opportunities and enhances qualifications for those planning to pursue a graduate degree, as well as satisfies other personal interests. Some students do this now but receive no formal recognition of their work. This Minor Program in Drawing meets the needs of these students and recognizes their efforts and achievements. All the courses that comprise the Drawing minor are offered in regular rotation by the Fine Arts Department.

Total Required Credit Hours 18 cr

Required Courses (18 cr)
FAR 101 Drawing I
FAR 102 Drawing II
FAR 230 Introductory Printmaking
FAR 300 Drawing III
FAR 345 Figure Modeling
FAR 400 Drawing IV

ECONOMIC POLICY ANALYSIS MINOR

BEC

Economics and Finance Department
Classroom Building B207, 716-878-4606

Total Required Credit Hours 21 cr

Required Courses (9 cr)
ECO 201 Principles of Macroeconomics
ECO 202 Principles of Microeconomics
ECO 305 Statistics for Economics
(May substitute MAT 311)

Electives (12 cr)
ECO 301 Economics of Labor Relations
ECO 302 Women in the Economy
ECO 312 Urban Economics
ECO 325 Industrial Organization
ECO 350 Public Finance
ECO 355 Economics of Energy & the Environment
ECO 403 Comparative Economic Systems
ECO 404 Economics of Development
ECO 411 Regional Economics

Important policy reminder: Current College policy states that a maximum of 3 courses from a student’s academic major can be used to fulfill the requirements of a minor. For example, if a Business major earns the credits for the required Business courses of Principles of Macroeconomics, Economic Statistics and Corporation Finance, only THREE of these courses can be used to satisfy the requirements of an Economics Minor.

ENERGY SYSTEMS MINOR

ENY

Engineering Technology Department
Technology Building 126 (716) 878-6017

The Energy Systems minor is designed for a specific group of students enrolled in Mechanical Engineering Technology and Electrical Engineering Technology. Energy Systems minor is multidisciplinary minor combining electrical and mechani-
cal (thermal) aspects of the energy field.

Energy Systems minor will be available for physics majors or any other majors with proper background in mathematics and physics.

Total Required Credit Hours 18 cr

For Electrical Engineering Technology Students
Required Courses (18 cr)
- ENT 311 Thermodynamics
- ENT 312 Fluid Mechanics
- ENT 411 Heat Transfer
- ENT 481 Renewable Distributed Generation and Storage
- ENT 482 Smart Grid from the Systems Perspective
- ENT 491 Operations and Management of Modern Grid

For Mechanical Engineering Technology Students
Required Courses (18 cr)
- ENT 371 Electric Machines
- ENT 471 Power Systems I
- ENT 472 Power Systems II
- ENT 481 Renewable Distributed Generation and Storage
- ENT 482 Smart Grid from the Systems Perspective
- ENT 491 Operations and Management of Modern Grid

Prerequisite courses
Prerequisite course for EET students is ENT 301 Mechanics 1, which is a required course for all Engineering Technology majors. All students take it as part of their major no matter if they will enroll in the minor or not. Therefore, it is not a hidden prerequisite.

Prerequisite course for MET students is ENT 331 Electric Circuits, which is a required course for all Engineering Technology majors. All students take it as part of their major no matter if they will enroll in the minor. Therefore, it is not a hidden prerequisite.

---

ENGLISH EDUCATION MINOR

English Department
Ketchum Hall 326, 716-878-5416

The minor in English Education incorporates courses from the English Department in literature, writing, and English Education (content, pedagogy, and contemporary theories of teaching and learning) that provide students with an understanding of how to effectively teach reading and writing to people of any age from diverse backgrounds, and to critically read the world around them, including popular culture, social media, and current events.

This minor also gives students an opportunity to develop their knowledge of Shakespeare, Young Adult Literature and Multicultural Literature, and to refine their own critical interpretation and creative writing skills in those courses devoted to literature and composition.

For the minor, students choose 7 courses (21 credit hours) from the list of approved courses from the English Department. Students design their program with an adviser or with the English Education Program Coordinator.

Total Required Credit Hours 21 cr

Required Courses (21 cr)
- ENG 190 Introduction to Literary Interpretation
- ENG 200 Field Work in Secondary English Education
- ENG 309 Teaching and Evaluating Writing
- ENG 307 Teaching and Tutoring Writing
- ENG 311 Methods of Teaching Language
- ENG 317 Shakespeare for Future Teachers
- ENG 315 Shakespeare I
- ENG 316 Shakespeare II
- ENG 354 Ethnic American Minority Literatures
- ENG 461 Young Adult Literature

---

ENVIRONMENT AND SOCIETY MINOR

EVS

Sociology Department
Classroom Building B307, 878-5411

The Minor in Environment and Society offers students an opportunity for comprehensive interdisciplinary study of “human-environment” interactions, providing the skills to think holistically about environmental problems and solutions. The “Core” courses are particularly geared toward developing an understanding of the environment as socially constructed and interactive rather than as an objective reality.

Total Required Credit Hours 18 cr

Required Courses (9 cr)
- SOC 353 Environment and Society
- HIS 330 U.S. Environmental History
- ENG 247 Nature Writing

Social Science Electives (6 cr)
- ANT 367 Culture and Ecology
- PSC 305 Environmental Policy
- PSC 306 Politics of Energy
- ECO 355 The Economics of Energy and the Environment
- PSY 370 Environmental Psychology

Natural Science Electives (3 cr)
- BIO 104 Environmental Biology
- BIO 213 Introduction to Ecology, Evolution, and Behavior
- ENS 300 Environmental Studies
- ENS 100 Urban Environmental Science
- GEG 101 World Natural Environments
- GEG 307 Conservation and Environmental Management
- GEG 478 Global Change
- GES 101 Introductory Geology
- GES 223 Environmental Earth Science
- GES 460 Environmental Field Methods and Analysis

---

ENVIRONMENTAL SCIENCE MINOR

ENV

Earth Science and Science Education Department
The environmental science minor is designed to provide a broad base of knowledge in the various natural science disciplines that compose environmental science. The minor gives students the background necessary to understand and evaluate complex environmental issues. The program also provides a basic understanding of the interrelationships of the physical, biological, and human dimensions of the environment.

**Total Required Credit Hours** 21-23 cr

**Required Courses (21-23 cr)**

**Biology:** 3-4 cr (select one)
- BIO 104 Environmental Biology
- BIO 213 Introduction to Ecology, Evolution, and Behavior (4 cr)

**Physical Environment:** 3 cr (select one)
- GEG 101 World Natural Environments
- GES 101 Introductory Geology

**Seminar 3 cr**
- ENS 300 Environmental Studies

**Society and Policy:** 3 cr (select one)
- ANT 367 Culture and Ecology
- ECO 355 The Economics of Energy and the Environment
- HIS 330 U.S. Environmental History
- PSC 305 Environmental Policy
- PSY 370 Environmental Psychology
- SOC 353 Environment and Society

**Human Impact on the Environment:** 3 cr (select one)
- ENS 100 Urban Environmental Science
- GES 223 Environmental Earth Science
- SCI 231 Pollution, Environment, and Society

**Environmental Science:** 6-7 cr (select two)
- BIO 315 Ecology (4 cr)
- CHE 315 Environmental Chemistry
- GEG 307 Conservation and Environmental Management
- GEG 365 Soil Science and Management
- GEG 375 Principles of Hydrology
- GEG 386 Applied Climatology
- GEG 421 Watershed Analysis
- GEG 478 Global Change
- GES 310 Great Lakes Environmental Issues
- GES 350 Environmental Geochemistry
- GES 452 Hydrogeology
- GES 460 Environmental Field Methods and Analysis
- PLN 360 Environmental Impact Assessment

* In this category, students may also choose one environmentally related internship (488), independent project (495), or independent study (499) in one of the following departments: Biology, Chemistry, Earth Science and Science Education, Geography and Planning.

**Electives (6 cr)**
- PHIL 311 Ethics Bowl
- PHIL 310 History of Ethics
- PHIL 314 Contemporary Ethics
- EH 310 Seminar
- GEG 478 Global Change
- GES 452 Hydrogeology
- GES 460 Environmental Field Methods and Analysis

A minimum cumulative GPA of 2.0 is required for admission to the minor program and at least three of the courses must be completed at SUNY Buffalo State. Philosophy majors may elect to pursue the Ethics Minor.

---

**EXERCISE SCIENCE MINOR**

**Health and Wellness Department**

Houston Gym 202, 716-878-6501

This minor emphasizes that physical activity is inextricably linked to longevity and disease prevention. Individuals with an exercise science minor will be better prepared to pursue a career in personal training, corporate fitness, strength and conditioning, or graduate school in applied exercise, physical therapy, kinesiology, or clinical exercise physiology. Students with an exercise science minor will be better equipped to successfully pass highly recognized certifications in the strength and conditioning industry.

**Total Required Credit Hours** 21 cr

**Required Courses (15 cr)**
- BIO 100 Principles of Biology
- BIO 101 Human Biology
- HEW 279 Physical Adaptation to Exercise
- HEW 302 Exercise Principles and Techniques
- HEW 330 Principles of Personal Training
- HEW / HPR 301 Kinesiology

**Electives (6 cr)**
- HEW 307 Exercise, Fitness & Nutrition
- NFS 102 Introductory Nutrition
- HPR 335 Prevention & Care of Athletic Injuries
- HEW 310 Health Standards & Emergency Care

---

**ETHICS MINOR**

**ETH**

**Philosophy and Humanities**

Bishop Hall 231, 878-5136

The ethics minor is designed to help students critically examine their values and develop a principled framework for making more ethical decisions.

**Total Required Credit Hours** 18 cr

**Required Courses (9 cr)**
- PHI 102 Introduction to Ethics
- PHI 351 Ethics Bowl
- PHI 310 History of Ethics
  OR
- PHI 314 Contemporary Ethics

**Electives (9 cr)**
- PHI 110 Meaning of Life
- PHI 210 Existentialism
- PHI 301 History of Political Philosophy
- PHI 308 Love and Sex
- PHI 310 History of Ethics
- PHI 312 Philosophy of Law
- PHI 314 Contemporary Ethics
- PHI 401 Seminar

---

**Science Building 271, 878-6731**
**FASHION DESIGN MINOR**

**Fashion and Textile Technology Department**

**Technology Building 303, (716)878-3478**

The 21-credit minor consists of seven courses that focus on the creativity, technology, and techniques required to design and construct apparel. This program introduces students to the processes and technology associated with designing and creating apparel, as well as the creative and technical considerations in the fashion industry. Students have the opportunity to design and create their own apparel using different equipment and software programs.

The fashion design minor creates opportunities for interdisciplinary specialization. For instance, a communication major could combine fields for a career in fashion public relations, or a theater major could delve into costume design.

The minor is available to any student who is not currently majoring in the fashion and textile technology program.

**FILM STUDIES MINOR**

**FLM**

**English Department**

**Ketchum Hall 326, (716)878-5700**

The interdisciplinary minor in Film Studies is a flexible program that incorporates courses in the history, culture, and theory of film, and makes connections between film and literature as narrative art forms. The Film Studies Minor also gives students experience in developing their critical and creative writing skills in courses devoted to film criticism and screenwriting.

For the minor, students choose seven courses (21 credits) from the list of approved courses from the English, Communication, and Modern and Classical Languages Departments and the Television and Film Arts program. Students design their program with their adviser or with the director of Film Studies; their programs must be approved by the English Department chair.

**FORENSIC ANTHROPOLOGY MINOR**

**FAN**

**Anthropology Department**

**Classroom Building B107, 716-878-6110**

The focus is the discovery, preservation and interpretation of material evidence, emphasizing the significance of context. The application of findings as evidentiary in legal cases is the goal. The required courses build on the traditional skills and knowledge of physical anthropology and field archaeology, with recovery and analysis of fragmentary data and reconstruction of earlier events as primary proficiencies.

**FRENCH & FRANCOPHONE CULTURE MINOR**

**FFC**
### Modern and Classical Languages

**Bishop Hall 122, 878-5414**

Whether you are thinking about an international career or just yearn for a life of travel, a minor in French & Francophone Culture can prepare you for the world ahead, or signal to employers and graduate schools that you are ready for international opportunities. A minor involves taking six courses, as described below, and can augment your major program.

### Geography and Planning

**Classroom Building A213, (716)878-6216**

The geographic information systems (GIS) minor allows students to gain the depth needed for many of the jobs available today requiring knowledge of spatial analysis and geographic data processing capabilities. GIS applications are found in many fields; such as business planning and operations management, epidemiology, criminology, land use planning and economic development, environmental management and conservation, military operations, emergency management, infrastructure management, transportation planning, operations and management, and library sciences. The list goes on. The GIS minor provides students in any discipline the background and skills to use the technology to support decisions in their field of interest.

### Geography Minor

**GEG**

**Geography and Planning**

**Classroom Building A213, (716)878-6216**

The objective of this minor is to acquaint the student with the differences and similarities that exist from place to place on Earth’s surface in both natural and cultural environments. It is designed to accommodate a range of interests from the very general to specific subject matter within geography. Education majors who would be involved with a social science curriculum would also find this minor beneficial.

**Electives (6 cr)**

Two upper-division Geography courses selected by advisement

### Geology Minor

**GEO**

**Earth Science and Science Education Department**

**Science Building 271, 878-6731**

The geology minor requires a broad selection of courses in geology and earth sciences, chosen through advisement. It is designed for a diverse clientele, many of whom desire to strengthen their employability. Candidates for this program may...
include science majors contemplating a future in geophysics or geochemistry, students in environmental fields with a geological aspect, and students who may wish to be involved in land use planning.

**Total Required Credit Hours**

19-23 cr

**Required Courses (7 cr)**

- GER 101 Introductory Geology
- GER 102 Historical Geology
- GER 103 Introductory Geology Lab (1 dr)

**Electives (12-16 cr)**

Choose four upper-level geology (GES) courses (12-16cr) by advisement.

---

**GERMAN MINOR**

**Modern and Classical Languages**

Bishop Hall 122, 878-5414

Whether you are thinking about an international career or just yearn for a life of travel, a minor in German can prepare you for the world ahead, or signal to employers and graduate schools that you are ready for international opportunities. A minor involves taking six courses, as described below, and can augment your major program.

**Total Required Credit Hours**

21 cr

**Required Courses (6-18 cr)*

- GER 301 German Conversation and Composition
- GER 302 German Conversation and Composition

- GER 101 Beginning German I
- GER 102 Beginning German II
- GER 201 Intermediate German I
- GER 202 Intermediate German II

**Electives (3-15 cr)**

**Areas of Advanced Study**

- GER 337 Modern German Literature in Translation
- GER 338 German Film and Related Literature in Translation
- GER 339 Modern German Culture
- GER 401 Twentieth Century German Literature
- GER 450 Directed Readings I
- GER 451 Directed Readings II
- GER 495 Special Project
- GER 497 Workshop

*Students who begin with GER 101 must select one (1) course within the advanced study area. Students who begin with GER 102 must select two (2) courses within the advanced study area. Students who begin with GER 201 must select three (3) courses within the advanced study area. Students who begin with GER 202 or higher must select four (4) or more courses from the advanced study area for a total of 21 credits.

**Courses in English translation must have the readings done in German, exams and papers must be written in German for credit towards minor.

---

**GERONTOLOGY MINOR**

**AGE**

**Psychology Department**

Classroom Building C312, 878-6215

The Gerontology Minor draws together courses from a number of academic disciplines around the theme of human aging. Students will learn about physical, social, and psychological changes that occur in adulthood; ways of addressing older adults’ needs; and how to promote successful aging.

The Gerontology Minor is an interdisciplinary minor. The following academic departments are involved in the minor: Anthropology, Biology, Health and Wellness, Psychology, Social Work, and Sociology. The minor is open to majors from any department and is seen as complementing the training the student receives in his or her major.

**Objectives of the Minor:**

- Students will acquire a core foundation in the study of aging as an interdisciplinary field.
- Students will have an individualized experience in the field of aging that is tailored to their unique interests and/or career goals.
- Students will understand the breadth of the field of aging by being able to select from a broader array of elective coursework that reflects the multiple disciplines in the study of gerontology.

**Requirements of the Gerontology Minor:**

- Minor program requirements may not overlap more than 9 credit hours with a student’s major program requirements.
- Students from any major may take the Gerontology Minor.
- Students must have a minimum 2.0 cumulative average for admission into the minor.
- A maximum of 3 courses of transfer credit will be permitted.

**Total Required Credit Hours**

18-21 cr

**Required Courses (9 cr credits including prerequisites)**

- PSY 327 Adult Development and Aging I 1 (prerequisite: PSY 101)
- HEW 345 Wellness, Fitness, and Aging

**Electives (select any three by advisement, 9-12 cr including prerequisites)**

- FIN 110 Personal Finance
- FIN 345 Estate Planning
- HEW 225 Introduction to Disease Prevention
- NFS 102 Introduction to Nutrition
- PSY 388 Psychology of Death and Dying 1
- PSY 427 Adult Development and Aging II 1
- SLP 220 Introduction to Communication Disorders (for non-SLP majors)
- SLP 405 Communication Disorders II (for SLP majors or by permission) 1
- SOC 352 Sociology of Aging 1
- SWK 321 Elderly and Social Services
- XXX 488 Internship

OR
XXX 495 Independent Study

1 Requires prerequisite. Consult adviser and Undergraduate Catalog.

HISTORY MINOR

History and Social Studies Education
Classroom Building C205, (716)878-6216

Students may choose one of two alternatives in the History minor: American History or European History. A History minor can help students understand how historians find evidence about the ways people once lived, and create meaningful interpretations of the past that are relevant to modern life. Seeing how individuals in the past made choices that impact us today, students can better understand how such choices contribute to change, now and in the future. A minor in the study of history can be of great value in a career because students learn to conduct research, write well, and think critically.

American History Minor

Total Required Credit Hours 18 cr

Required Courses (6 cr)
- HIS 106 American Life I
- HIS 107 American Life II

Upper Division Electives (12 cr)
Four upper-division American history courses

European History Minor

Total Required Credit Hours 18 cr

Required Courses (6 cr)
- HIS 116 Europe Since 1500
- HIS 115 Foundations of Western Civilization
  or
- HIS 117 Twentieth Century Europe

Upper Division Electives (12 cr)
Four upper-division European history courses

HOSPITALITY ADMINISTRATION MINOR

Hospitality Administration Department
(Buckham Hall A238, (716)878-5913)

Students are required to take 18 credit hours, distributed in the following manner, to fulfill the requirements of a minor in hospitality and tourism.

- Courses within the minor provide for both general and specialized preparation.
- The minor program is not available to students majoring in hospitality administration.

Required Courses (9 cr)
- HTR 110 Introduction to Hospitality and Tourism
- HTR 368 Hotel Operations
- HTR 400 Catering Management

Electives (9 cr)
Choose any three of the following by advisement
- HTR 100 Multicultural Foods
- HTR 200 Sanitation and Safety in Food Service
- HTR 305 Applied Culinary Arts
- HTR 330 Fundamentals of Bakeshop Production
- HTR 335 Wine Essentials
- HTR 365 Menu Design and Development
- HTR 375 Events Management
- HTR 380 Advanced Training for Hospitality
- HTR 385 Private Club Management
- HTR 390 Strategic Marketing in Hospitality
- HTR 408 Convention and Meeting Management
- HTR 418 Tourism Management
- HTR 468 Hotel Management

INDIGENOUS STUDIES MINOR

Anthropology Department
Classroom Building B107, 716-878-6110

This interdisciplinary minor includes the cultures, histories, languages, literatures, and contemporary legal and political issues of the indigenous cultures of North America. Electives allow investigation of Central and South America. The Indigenous Studies minor draws on information presented in Anthropology, History, English, Elementary Education and Reading, Geography and Planning, Communication, and Modern and Classical Language courses.

Total Required Credit Hours 21 cr

Required Courses (15 cr)
- ANT 100 Human Origins
- ANT 300 Indigenous Peoples of Western North America
  OR
- ANT 301 Indigenous Peoples of Eastern North America
- ENG 353 Native American Literature
- HIS 349 History of American Indians

-- All prerequisite courses for the hospitality major are included in the minor program.

-- Only degree-seeking, matriculated students may be accepted into the minor program.

-- The minor program is not available to students majoring in hospitality administration.

SUNY Buffalo State Undergraduate Catalog 2016–2017 141
Plus 3 credits

Internship, independent project, OR independent study related to Indigenous peoples of the Americas in a participating department including Anthropology, History & Social Studies Education, Geography & Planning, English, Elementary Education & Reading, Modern & Classical Languages & Communication.

### INTELLIGENCE ANALYSIS MINOR

**INA**

**Criminal Justice Minor**

**Classroom Building C114, (716)878-4517**

Intelligence Analysis, as an academic minor area of study, provides students with an understanding of the theoretical, conceptual, and technological dimensions of intelligence analysis. The intelligence community seeks people who have an interest in history, local and national government, current world events, geographic and planning knowledge, as well as those who are curious and think broadly and critically about a problem. Through a multidisciplinary course of study, students will gain an extensive understanding of local, regional, national, and international issues that will enhance their analysis of critical problems.

The Intelligence Analysis minor is open to all students at Buffalo State who have a GPA of 2.5 or better. The Intelligence Analysis Minor is intended to provide a structured intellectual framework for students interested in pursuing analyst careers in government intelligence agencies, military intelligence or law enforcement. The minor may also appeal to the traditional liberal arts student who is interested in history, local and national government, current world events, geographic and planning knowledge, as well as those who are curious and think broadly and critically about a problem. Through a multidisciplinary course of study, students will gain an extensive understanding of local, regional, national, and international issues that will enhance their analysis of critical problems.

The minor consists of 21 credit hours taken from a multidisciplinary mix of departments. A minor may include no more than half of its credit hours at the lower-division level. A maximum of three courses of transfer credit will be permitted. Intelligence Analysis (Minor)

Politics course
Must select at least one International Relations course and one Comparative
Electives (9 cr)
Required Courses (9 cr)

International Relations Minor

Political Science Department
Classroom Building B218, 716-878-6116

The international relations minor primarily focuses on the interactions and inter-
connectedness of nation-states at the international level, but also encompasses
other participants in international affairs, such as international organizations, non-
governmental organizations, sub-national entities, and individual citizens. The
minor emphasizes the conceptual and methodological tools used to examine
international relations and investigates the crucial global issues and agendas of
our time. These global issues include international and local conflicts, terrorism,
international trade and economic integration, international development, intern-
tional organizations, and the protection of human dignity.

Students will be challenged with evaluating opposing world views and contentious
issues. Upon the completion of this program, students will be better prepared to
enter into a professional career or further their education, armed with analytical
thinking and writing skills, and develop a broader and more informed vision of
international relations.

Total Required Credit Hours 18 cr

Required Courses (9 cr)

PSC 230  International Relations
PSC 330  American Foreign Policy
GEG 300  World Regional Geography

Electives (9 cr)
Must select at least one International Relations course and one Comparative
Politics course

International Relations

PSC 302  International Conflict and Peaceful Resolution
PSC 305  Environmental Policy
PSC 308  International Organizations and International Law
PSC 309  International Political Economy
PSC 333 / AAS 333  African International Relations
PSC 336  Latin America in World Politics
PSC 337  The Politics of Globalization

Comparative Politics

PSC 240  European Political Systems
PSC 340  Politics of Developing Countries
PSC 341  Government, Politics, and Policies of the European Union

Important policy reminder: Current College policy states that a maximum of 3 courses from a student’s academic major can be used to fulfill the requirements of a minor. For example, if a Business major earns the credits for the required Business courses of Principles of Macroeconomics, Economic Statistics and Corporation Finance, only THREE of these courses can be used to satisfy the requirements of an Economics Minor.

ITALIAN MINOR

ITA

Modern and Classical Languages
Bishop Hall 122, 878-5414

Whether you are thinking about an international career or just yearn for a life of
travel, a minor in Italian can prepare you for the world ahead, or signal to employ-
ers and graduate schools that you are ready for international opportunities. A
minor involves taking six courses, as described below, and can augment your
major program.

Total Required Credit Hours 21 cr

ITA 406  Nineteenth Century Italian Literature
ITA 410  Modern Italian Literature
ITA 450  Directed Readings I
ITA 451  Directed Readings II

*Students who begin with ITA 101 must select one (1) course within the advanced study area. Students who begin
with ITA 102 must select two (2) courses within the advanced study area. Students who begin with ITA 201 must
select three (3) courses within the advanced study area. Students who begin with ITA 202 or higher must select four (4)
or more courses from the advanced study area for a total of 21 credits.

**Courses in English translation must have the readings done in Italian, exams and papers must be written in Italian for
credit towards minor.

LEADERSHIP MINOR

LDR

International Center for Studies in Creativity
Chase Hall 244, (716)878-6223

The leadership minor program is designed for all students interested in studying and
applying leadership theory and practice. The leadership minor supports the
mission of Buffalo State in preparing a diverse population of students for leader-

SUNY Buffalo State Undergraduate Catalog 2016–2017 143
ship roles and responsibilities in a challenging world. The minor serves as a nexus for connecting and integrating the insights of a variety of disciplines in understanding the complex phenomenon of leadership. Out of multiple modes of inquiry, students acquire frameworks that guide creative and critical thinking, and inform the practice of leadership in relevant contexts.

**Legal Studies Minor**

**ENG**

**English Department**

Ketchum Hall 326, 716-878-5416

On the assumption that there is a correlation between mastery of language and success in virtually every field, the English Department devised a minor curriculum intended to strengthen student abilities in several areas connected with language. First and foremost, the minor in Literary Studies places an emphasis on training students to communicate lucidly, purposefully, and concisely, whether they be writing for a livelihood or using the skill as an adjunct to another expertise. The study of literature is also recognized for its ability to acquaint persons with the theory and philosophy. The Moot Court capstone course requires students to use analytical and problem-solving skills to construct factually sound and logically consistent oral arguments.

   - ENG 337  Modern European Literature
   - ENG 345  World Literature after 1945
   - ENG 346  Non-Western Literature after 1945
   - ENG 350  Twentieth Century Drama I
   - ENG 351  Twentieth Century Drama II

C. Elective Courses in Literature (6 cr hrs)*
Choose two more courses in English Literature.

- ENG 130  Biblical and Classical Literature
- ENG 131  Medieval and Renaissance Literature
- ENG 151  Introduction to Poetry
- ENG 210  British Literature to 1700
- ENG 211  British Literature 1700-1900
- ENG 212  British Literature Since 1900
- ENG 220  American Literature to 1865
- ENG 221  American Literature since 1865
- ENG 230  Comparative Literature
- ENG 231  Women in Literature

Total Required Credit Hours: 18 cr hrs

- ENG 240  African-American Literature to 1940
- ENG 241  African American Literature since 1940
- ENG 243  Latina/o Literature
- ENG 252  British Modernism
- ENG 253  Twentieth Century Literature II
- ENG 255  The Short Story
- ENG 260  Children’s Literature
- ENG 313  Milton
- ENG 314  Chaucer
- ENG 315  Shakespeare I
- ENG 316  Shakespeare II
- ENG 330  The Bible as Literature
- ENG 331  French Literature in Translation
- ENG 332  Russian Literature in Translation
- ENG 333  Medieval and Renaissance European Literature
- ENG 337  Modern European Literature
- ENG 345  World Literature after 1945
- ENG 346  Non-Western Literature after 1945
- ENG 350  Twentieth Century Drama I
- ENG 351  Twentieth Century Drama II
- ENG 353  American Indian Literature

*At least one of the five Area and Elective Courses in Literature (categories B and C combined) must be a course in literature before 1900, to be chosen by advisement.

**With adviser approval, ENG 370, ENG 380, ENG 390, or a literature course from another department may be used to fulfill one of the two Elective Courses in Literature (category C).

MATHMATICS MINOR

MAT

Mathematics Department
Bishop Hall 317, 878-5621

Total Required Credit Hours: 20-23 cr

Required Courses (11-14 cr)
Select one of the following
- MAT 126  Applied Calculus
- MAT 161*  Calculus I

Select one of the following
- MAT 127  Applied Calculus II
- MAT 162*  Calculus II

Select one of the following
- MAT 202  Introduction to Linear Algebra
- MAT 270  Discrete Mathematics I
- MAT 263*  Calculus III

*MAT 161, MAT 162, and MAT 263 have one-hour co-requisites, MAT 163, MAT 164, MAT 264, respectively.

Electives (9 cr) Choose 9 credit hours from the list below. All courses are 3 credit hours. Prerequisites are noted in parentheses.
Choose three from the following (9 cr)

Required Courses (6 cr)

Total Required Credit Hours

Elective Content Courses (6 cr)
Two elective classes from related field of study (may be chosen from major field of study)
Selected by advisement

Total Required Credit Hours

Choose one from the following (3 cr)

Any course not selected to fulfill the above requirements

Museum Studies Electives (6 cr)
Selected by advisement

MUSEUM STUDIES MINOR

MST

History and Social Studies Education

Classroom Building C205, 878-5412

The minor in museum studies is designed to provide students with the knowledge and expertise to work in the museum setting. It supplements majors in the Schools of Natural and Social Sciences, Arts and Humanities, Education, and the Professions. An important feature is its flexibility, allowing students to customize the program according to individual interests. The minor will complement the studies of history, anthropology, art history, geography, music, urban planning, art education, social studies education, childhood education, creative studies, and others. It offers students the opportunity to develop interests in material culture exhibition, preservation, and presentation, administration, curation, and museums as tools for learning. The minor reflects the mission of SUNY Buffalo State for community engagement and allows students to explore career options by working for cultural institutions/not-for-profit agencies through internships and to prepare for advanced graduate study.

Required Courses (6 cr)

Field Experience (3 cr)

HIS/MST Electives

MUSEUM

Museum Studies Electives

HIS/MST 379 Museums and Civic Engagement
HIS/MST 381 The Role of the History Museum
HIS/MST 420 Administration of the Historical Agency or Art Museum
HIS/MST 425 Museum Preservation and Practice
HIS/MST 480 Digital Collections

Selected by advisement

Elective Content Courses

Painting Minor

PTG
Fine Arts Department
Upton Hall 502, 878-6697

It is often desirable for students in areas such as art education and design to pursue a concentrated, but not all-encompassing, study of an art discipline outside of their major field. This widens the students' perspective, increases their professional and job-related opportunities and enhances qualifications for those planning to pursue a graduate degree, as well as satisfies other personal interests. Many students do this now but receive no formal recognition of their work. This minor program in painting meets the needs of these students and recognizes their efforts and achievements.

Total Required Credit Hours 18 cr

Required Courses (18 cr)
- FAR 101 Drawing I
- FAR 220 Introductory Painting
- FAR 311 Intermediate Painting I
- FAR 312 Intermediate Painting II
- FAR 313 Advanced Painting (6 cr)

PHILOSOPHY MINOR

PHI

Philosophy and Humanities
Bishop Hall 231, 878-5136

The philosophy minor engages students in philosophy through the articulation and critical examination of the concepts, values, positions and arguments of others and the development and defense of their own.

Total Required Credit Hours 18 cr

Required Courses (0 cr)
Electives (18 cr)
- PHI 101 Introduction to Philosophy
- PHI 102 Introduction to Ethics
- PHI 103 Introduction to Logic
- PHI 107 Introduction to Mathematical Logic
- PHI 110 Meaning of Life
- PHI 204 Philosophy of Religion
- PHI 207 Philosophy in Literature
- PHI 210 Existentialism
- PHI 300 Problems of Philosophy
- PHI 301 History of Political Philosophy
- PHI 305 Philosophy of Language
- PHI 307 Symbolic Logic
- PHI 308 Philosophy of Love and Sex
- PHI 309 Knowledge and Justification
- PHI 310 History of Ethics
- PHI 312 Philosophy of Mind
- PHI 314 Contemporary Ethics
- PHI 317 Ancient Philosophy
- PHI 318 Modern Philosophy
- PHI 324 Zen Buddhism
- PHI 333 Philosophy of Natural Science
- PHI 347 Western Thought: Homer to Alexander
- PHI 351 Ethics Bowl
- PHI 401 Problems in Philosophy Seminar

PHOTOGRAPHY MINOR

PHO

Fine Arts Department
Upton Hall 502, 878-6697

It is often desirable for students in areas such as art education and design to pursue a concentrated, but not all-encompassing, study of an art discipline outside of their major field. This widens the students' perspective, increases their professional and job-related opportunities and enhances qualifications for those planning to pursue a graduate degree, as well as satisfies other personal interests. Many students do this now but receive no formal recognition of their work. This minor program in photography meets the needs of these students and recognizes their efforts and achievements.

Total Required Credit Hours 21 cr

Required Courses (21 cr)
- FAR 101 Drawing I
- OR
- FAR 103 Modeling
- FAR 220 Introductory Photography
- FAR 321 Intermediate Photography I
- FAR 322 Intermediate Photography II
- FAR 323 Advanced Photography (6 cr)
- FAR 325 History of Photography

PHYSICS

PHY

Physics Department
Science Building 262, 878-5004

Physics helps students understand the world; it is the most basic and fundamental science. In addition, physics provides the basis of many other sciences, including chemistry, oceanography, seismology, and astronomy (and it can be applied to biology or medical science). The physics minor provides an excellent way for mathematics-minded students to enhance their undergraduate experience.

Total Required Credit Hours 18-21 cr

Required Courses (16 cr)
- PHY 111 University Physics I (5 cr)
- PHY 112 University Physics II (5 cr)
- PHY 213 University Physics III
- PHY 305 Modern Physics I

Electives (4-7 cr)
- PHY 306 Modern Physics II
- PHY 308 Optics

No student may declare a minor in the same discipline as their major, therefore, a Philosophy major may not declare a philosophy minor.
PHYSICS

PHY 310  Computational Physics Laboratory (2 cr)
PHY 315  Heat and Thermodynamics
PHY 320  Introduction to Theoretical Physics (4 cr)
PHY 324  Electric Circuit Analysis
PHY 410  Advanced Physics Laboratory
PHY 425  Classical Mechanics (4 cr)
PHY 440  Electricity and Magnetism I

Prerequisites:
MAT 161  Calculus I (4 cr)
MAT 163  Using Technology to Explore Calculus I (1 cr)
MAT 162  Calculus II
MAT 164  Using Technology to Explore Calculus II (1 cr)
MAT 263  Calculus III
MAT 234  Using Technology to Explore Calculus III (1 cr)

All courses are 3 credits unless otherwise indicated.

POLITICAL SCIENCE MINOR

PSC

Political Science Department
Classroom Building B218, 716-878-6116

Total Required Credit Hours 18 cr

A. Required Courses: Choose one (3 cr)
PSC 101  Introduction to Government and Politics
PSC 102  Introduction to American Government and Politics
PSC 103  Great Political Issues

B. Distribution Requirements: Choose one course from each category (9 cr)

American Government, Politics, and Public Law
PSC 210  American Presidency
PSC 218  African American Political Culture
PSC 225  Women in American Politics
PSC 250  Introduction to Law
PSC 311  Interest Groups
PSC 312  Legislative Process
PSC 315  State and Local Government and Politics
PSC 317  U.S. Constitutional Law
PSC 320  U.S. Constitution and Civil Liberties
PSC 321  Civil Procedure
PSC 326  Politics and Media
PSC 360  Public Administration
PSC 410  Political Behavior and Public Opinion
PSC 421  Discrimination and the Constitution
PSC/CRI/ SOC 485 Special Project

International Relations and Comparative Government
PSC 230  International Relations
PSC 240  European Political Systems
PSC 305  Environmental Policy
PSC 308  International Organizations and International Law
PSC 309  International Political Economy
PSC 330  American Foreign Policy
PSC 333  African International Relations
PSC 335  International Relations of the Middle East
PSC 336  Latin America in World Politics
PSC 337  The Politics of Globalization
PSC 340  Politics of Developing Countries

PSC 341  Government, Politics, and Policies of the European Union
PSC 342  Russian Politics
PSC 345  Politics and History of the Middle East

HIS 313

Political Theory or Political Analysis

PSC 203  Political Analysis
PSC 204  Political Statistics
PSC 250  Introduction to Law
PSC 318  Democracy and Peace: Principles and Practices in the Urban Experience
PSC 351  History of Political Thought I
PSC 352  History of Political Thought II
PSC 353  American Political Thought
PSC 375  Race/Sex/Politics of Myth and Story
PSC 450  Contemporary Political Thought

C. General Electives in Political Science (6 cr)
Note: Courses not used to fulfill sections A and B may also be used as general electives in Political Science.
PSC 203  Political Analysis
PSC 204  Political Statistics
PSC 215  Urban Government
PSC 306  Politics of Energy
PSC 313  Civic Engagement
PSC 316  Urban Ethnic Politics
PSC 318  Democracy and Peace: Principles and Practices in the Urban Experience
PSC 319  GLBTQ Politics
PSC 327  Practical Politics
PSC 325  Welfare Politics
PSC 360  Public Administration
PSC 364  American Public Policy
PSC 389  Topics in Political Science
PSC 390  Italian American Experience
PSC 415  Urban Public Policy
PSC 495  Special Project
PSC 497  Washington Semester
PSC 499  Independent Study

PRINTMAKING MINOR

PRT

Fine Arts Department
Upton Hall 502, 878-6697

It is often desirable for students in areas such as art education and design to pursue a concentrated, but not all-encompassing, study of an art discipline outside of their major field. This widens the students’ perspective, increases their professional and job-related opportunities and enhances qualifications for those planning to pursue a graduate degree, as well as satisfies other personal interests. Many students do this now but receive no formal recognition of their work. This minor program in printmaking meets the needs of these students and recognizes their efforts and achievements.

Total Required Credit Hours 18 cr

Required Courses (15 cr)
FAR 101  Drawing I
FAR 230  Introductory Printmaking
FAR 331  Intermediate Printmaking I
FAR 332  Intermediate Printmaking II
FAR 335  Papermaking
Electives (3 cr)
- FAR 333: Advanced Printmaking
- FAR 335: Papermaking (may be repeated)

FAR 230, 331, and 332 must cover work in at least two separate media.

### Professional French Minor

### Psychology Minor

**PSY**

#### Psychology Department
Classroom Building C312, 878-6215

The field of psychology is broad and relevant to a variety of disciplines. The minor is offered for those students who wish to follow a systematic plan of study in psychology while completing a major in another department. Specifically, the minor is designed to give students a broad background in psychology. As designed, the minor is flexible and should meet the needs of many students. Accordingly, students should seek advisement to determine what courses would best suit their own particular interests and needs. To fulfill the requirements of the minor, students will be required to take 21 hours in psychology to be distributed in the following manner:

#### Total Required Credit Hours 21 cr

<table>

**Bio/Cognitive Psychology**

- PSY 304 Learning: Theory and Research
- PSY 308 Sensation and Perception
- PSY 321 Comparative Animal Psychology
- PSY 330 Psychological Power of Language
- PSY 340 Cognitive Psychology

**Social/Developmental Psychology**

- PSY 325 Social Behavior
- PSY 327 Adult Development and Aging I
- PSY 335 Life-span Developmental Psychology
- PSY 336 Child Development
- PSY 337 Adolescent and Young Adult Development
- PSY 370 Environmental Psychology I

**Clinical/Applied Psychology**

- PSY 311 Personality: Theory and Research
- PSY 365 Workplace Psychology
- PSY 367 Organizational Psychology
- PSY 375 Forensic Psychology
- PSY 376 Health Psychology
- PSY 392 Abnormal Psychology
- PSY 393 Abnormal Child Psychology

2. Students must complete three additional courses at the 300- or 400-level. At least one of these courses must be at the 400-level. (9 credits)

Note: PSY 306 and PSY 450 are highly recommended for students planning to go to graduate school in Psychology or a related field.

### Public Administration and Nonprofit Management Minor

**PUB**

#### Political Science Department
Classroom Building B218, 716-878-6116

Public administration focuses on the formation and management of public agencies. Studies in public administration may focus on issues such as public resources, accountability, and the description, analysis, and solutions of contemporary management problems in government, nonprofit, and many other agencies.

#### Total Required Credit Hours 18 cr

<td>Administrative Processes in Public and Nonprofit Sectors</td>
</tr>
</tbody>
</table>

Note: PSY 306 and PSY 450 are highly recommended for students planning to go to graduate school in Psychology or a related field.
B. Electives: Choose one (3 cr)

- PLN 315  Principles of Urban and Regional Planning
- ECO 320  Managerial Economics
- SWK 320  Social Services Organizations
- BUS 325  Human Resource Management
- ECO 350  Public Finance
- BUS 360  Principles of Management
- SWK 362  Sociology of Organizations
- PSY 367  Organizational Behavior
- CRJ 402  Advanced Administration in Criminal Justice
- PAD 368  Comparative Public Administration
- PAD 389  Topics in Public Administration

Electives (3 cr) Chose one of the following

- TEC 311  Materials Science and Testing
- TEC 321  Measurement Systems
- TEC 323  Quality Improvement Through the Design of Experiments
- TEC 324  Quality in the Service Sector

Every candidate for the minor in religious studies must take six courses from the list below, based on advisement

Required Courses (0 cr)

Electives (18 cr)

- REL 104  Introduction to Religious Studies
- REL 105  Introduction
- REL 121  Introduction to Jewish Thought
- REL 189  Introduction to Islam
- REL 205  Introduction to the Old Testament
- REL 206  New Testament
- REL 303  Women in Global Religions
- REL 306  Writings of John
- REL 321  World Religions
- REL 329  Contemporary Christian Thought
- REL 332  Mysticism
- REL 350  Holocaust
- REL 488  Internship in Religious Studies
- ANT 381  Religion, Myth and Magic
- ENG 130  Biblical and Classical Literature
- ENG 330  Literature of the Bible
- FAR 250  Art History I
- FAR 251  Art History II
- FAR 359  High Renaissance and Mannerisms
- FLA / MCL 337  Greek and Roman Mythology
- HIS 313 / PSC 345  Politics and History in the Middle East
- HIS 405  The Renaissance and Reformation
- PHI 102  Introduction to Ethics
- PHI 204  Philosophy of Religion
- PHI 310  History of Ethics
- PHI 324  Zen Buddhism
- SOC 420  Sociology of Religion

No student may declare a minor in the same discipline as their major, therefore, a Philosophy major may not declare a philosophy minor.

Safety Studies Minor

The major social problem of our nation in terms of wasted human and national resources is that of accidents and public health and safety as affected by numerous industrial and social processes. Safety Science and Technology is, without a doubt, the principal source of help for humanity in effectively controlling those accidents and processes which result in personal injury or death, property destruction, and degradation of the social and natural environments.

The safety minor is designed to provide the basic preparation needed by individuals for entry into the public and private health and safety professions. Courses available within the minor provide an opportunity for both general and specialized preparation in safety, risk assessment, and public policy to meet a variety of student interests and needs.

All or part of the 18 semester hours of safety course work needed to satisfy the requirements of the minor may be taken from the elective category of the degree...
requirements for the college major.

**Total Required Credit Hours** 18 cr

**Required Courses (9 cr)**

- SAF 305 Fundamentals of Safety
- SAF 333 Occupational Safety
- SAF 340 Community Safety

**Electives (9 cr) Three of the following**

- SAF 310 Personal Safety and First Aid
- SAF 320 Product Safety
- SAF 360 Industrial Hygiene
- TEC 402 Ergonomics
- TEC 465 Safety Management
- TEC 488 Safety Internship/Externship

---

**SCULPTURE MINOR**

**Fine Arts Department**

Upton Hall 502, 878-6697

It is often desirable for students in areas such as art education and design to pursue a concentrated, but not all-encompassing, study of an art discipline outside of their major field. This widens the students' perspective, increases their professional and job-related opportunities and enhances qualifications for those planning to pursue a graduate degree, as well as satisfies other personal interests. Many students do this now but receive no formal recognition of their work. This minor program in sculpture meets the needs of these students and recognizes their efforts and achievements.

**Total Required Credit Hours** 18 cr

**Required Courses (15 cr)**

- FAR 101 Drawing I
- FAR 240 Introductory Sculpture
- FAR 341 Intermediate Sculpture I
- FAR 342 Intermediate Sculpture II
- FAR 343 Advanced Sculpture

**Required Courses (18 cr)**

- FAR 343 Advanced Sculpture (may be repeated)
- FAR 345 Figure Modeling

---

**SOCIOLOGY MINOR**

**Sociology Department**

Classroom Building B307, 878-5411

The Minor in Sociology Program introduces students to the basic coursework and concepts in the discipline. By requiring an introductory course and emphasizing sociological theory, the program provides a structured introduction and the freedom to select three elective courses.

**Total Required Credit Hours** 18 cr

**Required Courses (9 cr)**

- SOC 100 Introduction to Sociology
- SOC 330 Social Psychology
- SOC 350 Power, Class, and Inequality
- SOC 400 Foundations of Social Thought
- SOC 408 Contemporary Sociological Theory

**Electives (9 cr)**

May be fulfilled by any SOC courses not already taken

---

**SOCIAL WELFARE MINOR**

**Social Work Department**

Classroom Building C115, (716)878-5705

The academic portion examines the historical socio-cultural significance of citizenship, poverty, social welfare, diversity, and market economies and develops skills to solve local and global problems. The student is also involved in community service in which he/she gains a comprehensive hands-on understanding of the roles of individuals and institutions in developing and sustaining social outcomes. The minor curriculum serves to enhance the student's preparation for careers in the government, non-profits, law, politics, health, and social planning.

Acceptance criteria: CWP 102 and a minimum GPA of 2.5.

**Total Required Credit Hours** 18 cr

**Required Courses (9 cr)**

- SWK 220 Introduction to Social Work
- SWK 301 Poverty and Public Policy
- PSC 102 Introduction to American Government and Politics

**Electives (9 cr) Select three of the following**

- SOC 312 Women in Society
- SOC / AAS 321 The African-American Family
- SOC 350 Power, Class, and Inequality
- SOC 351 Sociology of Race and Ethnicity
- EXE 100 Nature and Needs of Individuals with Special Needs
- HIS 363 American Identity in Transition: Diversity and Pluralism in the U.S.
- PSC 375 Race, Sex, and Politics of Myth and Story

A minor may include no more than two courses at the lower division.

The minor will accept a maximum of three courses of transfer credit.

---

**SPANISH MINOR**

**Modern and Classical Languages**

Bishop Hall 122, 878-5414

Whether you are thinking about an international career or just yearn for a life of travel, a minor in Spanish can prepare you for the world ahead, or signal to employers and graduate schools that you are ready for international opportunities. A minor involves taking six courses, as described below, and can augment your
major program.

Total Required Credit Hours 21 cr

Required Courses (6-18 cr)*
- SPA 301 Introduction to Hispanic Culture
- SPA 302 Introduction to Hispanic Media
- SPA 101 Beginning Spanish I
- SPA 102 Beginning Spanish II
- SPA 201 Intermediate Spanish I
- SPA 202 Intermediate Spanish II

Electives (3-15 cr)
Areas of Advanced Study

Language and Linguistics
- SPA 305 Spanish Phonetics
- SPA 317 Business Spanish
- SPA 405 Old Spanish
- SPA 415 Advanced Spanish Grammar and Composition
- SPA 416 Advanced Conversation
- SPA 421 Structure of Modern Spanish

Culture and Civilization
- SPA 306 The Civilization and Culture of Spain
- SPA 309 Culture and Civilization of Latin American

Peninsular Literature
- SPA 307 Spanish Authors Pre-1800
- SPA 308 Spanish Authors 1800-Present

Spanish American Literature
- SPA 310 Spanish American Literature Authors 1492-1810
- SPA 311 Spanish-American Authors 1810-Present

*Students who begin with SPA 101 must select one (1) course within any advanced study area.

SPEECH MINOR

Communication
Bishop Hall 210, 878-6008

The minor involves six courses (18 hours) within the Communication Department. It is designed for students in majors in which oral communication plays an integral role in career success. Students majoring in criminal justice, education, English, and business have found this minor to be particularly useful.

Total Required Credit Hours 18 cr

Required Courses (3 courses; 9 credit hours)
- SPC 103 Introduction to Human Communication
- SPC 205 Introduction to Oral Communication
- SPC 306 Public Speaking

Electives (3 courses; 9 credit hours)
- SPC 307 Communication and Group Process
- SPC 309 Persuasion
- SPC 311 Intercultural Communication
- SPC 315 Media Performance
- SPC 321 Rhetorical Criticism
- SPC 389 Special Topics in Speech -- Criticism
- SPC 401 Communication Research
- SPC 407 Organizational Communication

SPC 422 Mass Media Criticism

A maximum of 9 credits toward this minor may be transferred from other schools.

THEATER MINOR

Theater Department
Savage Building 222, 878-6416

Often a student enrolled in a major other than theater has great enthusiasm and talent for theater arts. In that case, a minor in theater is an excellent way to augment your education and to document your these aptitudes. Graduate schools and employers will see that you have a talent for theater arts, as well as experience in such areas as collaborative problem solving and project management. The minor requires 19 credits, as described below.

Total Required Credit Hours 19 cr

Required Courses (10 cr)
- THA 106 Introduction to Theater
  OR
- THA 216 Theater Fundamentals
- THA 226 Acting I
- THA 317 History of Theater (Ancient to Renaissance)
  OR
- THA 318 History of Theater (Renaissance to Modern)
- THA 230 Theater Practicum I (1 cr.)

Electives (9 cr)
- THA 200 Introduction to Acting: The Actor's Instrument
- THA 218 Script Analysis I: Play Reading
- THA 227 Acting II: Scene Study
- THA 234 Theater Design and Technology
- THA 235 Costume Construction
- THA 300 Voice and Movement II
- THA 316 Script Analysis
- THA 325 Business of Performing Arts
- THA 327 Acting III: Advanced Scene Study
- THA 329 Acting IV: Solo Show
- THA 332 Period Styles: Roots and Regeneration
- THA 333 Scene Painting
- THA 334 Costume Construction II
- THA 335 Costume Design
- THA 336 Lighting Techniques
- THA 337 Set Design I
- THA 338 Digital Design Media for Theater
- THA 340 Play Writing
- THA 350 Directing I
- THA 370 Stage Makeup
- THA 400 Voice and Movement III
- THA 421 Black Drama
- THA 426 Advanced Acting
- THA 435 Advanced Costume Design
- THA 437 Set Design II
- THA 450 Directing II
- THA 470 Ensemble Theater
**URBAN AND REGIONAL PLANNING MINOR**

**PLA**

**Geography and Planning**  
*Classroom Building A213, (716) 878-6216*

The objective of this minor is to introduce students to the discipline of Planning and to familiarize them with some of the fundamental approaches to the discipline. It is primarily designed for arts and science majors who would like to enhance their employment opportunities in a planning or related area, or who desire to pursue graduate training in such an area.

**Total Required Credit Hours**  
21 cr

**Required Courses (12 cr)**
- PLN 215 Introduction to Urban and Regional Planning
- PLN 315 Principles of Urban & Regional Planning
- PLN 325 Maps and Mapmaking Using GIS
- PLN 401 Comprehensive Planning Principles

**Electives (9 cr): Selected by advisement**
- PLN 225 Planning Methods
- PLN 310 Urban Transportation Planning
- PLN 340 Land Use Planning and Zoning
- PLN 341 Housing & Real Estate
- PLN 350 Planning for Sustainable Communities
- PLN 360 Environmental Impact Assessment
- PLN 370 Water Resource Planning
- PLN 380 Neighborhood Revitalization
- PLN 410 Sustainable Transportation Planning
- GEG 309 Introduction to Urban Geography

**WOMEN AND GENDER STUDIES MINOR**

**WGS**

**Women and Gender Studies Interdisciplinary Unit**  
*Classroom Building B328, 878-4591*

Women and Gender Studies is an interdisciplinary field that examines women’s experiences, as well as gender and sexuality. Women and Gender Studies examines a range of issues, including how gender influences women and men’s lives and experiences in society and politics; the portrayal of women and men in arts, literature, and media; sociocultural and biological influences on gender development; how gender influences thoughts and behavior; how gender intersects with other forms of diversity, such as race, class, and culture; the nature of sexuality; and feminist theory and scholarship.

**Total Required Credit Hours**  
18 cr

**Required Courses (3 cr)**
- WGS 101 Introduction to Women and Gender Studies
- SOC 312 Women in Society

**Electives (15 cr) - 9 or more credits must come from Group A**

**Group A: Women and Gender as Primary Focus**
- AED 365 Seminar in Feminist Art and Criticism
- ANT 332 Women and Men in Prehistory
- ANT 340 Women in Anthropological Perspective
- CRJ 450 Gender and the Administration of Justice
- ECO 302 Women in Economy
- ENG 231 Women in Literature
- ENG 385 Gender and Sexuality in Literature
- HEW 308 Women’s Health Issues
- HIS 302 History of Women in America
- HIS 445 History of Women and Gender in the Middle East
- PSC 225 Women in American Politics
- PSY 387 Psychology of Gender
- REL 303 Women in Religion
- SOC 212 Feminist Theory
- SOC 310 Sociology of Sex and Gender
- WGS 189 Topics in Women and Gender Studies
- WGS 389 Topics in Women and Gender Studies
- WGS 488 Internship
- WGS 495 Independent Project

**Additional Notes:** Students may not take more than two lower level courses.

**Urban Civic Education Minor**

**UCE**

**Social and Psychological Foundations of Education**  
*Bacon 312H, 878-6771*

The Urban Civic Education Minor is an interdisciplinary program housed in the Department of Social and Psychological Foundations of Education. The minor emphasizes civic agency and is designed to inform the student about public work, public achievement, and community organizing. Students are required to take a total of nineteen (19) credit hours. All minors are required to take SPF 203: Schools and Society, and SPF 366: Cultural Proficiency and Public Achievement. The minor encourages active participation through service learning and Public Achievement models and reflection in the processes of social, political, and personal change.

**Total Required Credit Hours**  
19 cr

**Required Courses (7 cr)**
- SPF 203 Schools and Society (3 credits)
- SPF/SOC 366 Cultural Proficiency and Public Achievement (4 credits; 2nd SL experience)

**Electives (12 cr) Take four courses from the following:**
- AAS 425 Race, Ethnicity, and The Administration of Social Justice
- CRS 303 Creative Leadership
- EXE 245 Community Service with Individuals with Special Needs
- HIS 341 African Americans and Civil Rights
- PHI 334 Philosophy of Social Sciences
- PSC 311 Interest Groups
- PSC 316 Urban Ethnic Politics
- PSC 318 Democracy and Peace: Principles and Practices in the Urban Experiences
- SOC 100 Introduction to Sociology
- SOC 351 Sociology of Race and Ethnicity
- SOC 322 Sociology of Childhood and Youth
- SWK 301 Poverty and Public Policy

**Entry to Minor:** 2.00 GPA  
**Transfer Credit:** A maximum of 6 upper division credits are accepted toward fulfillment of the minor.

**Additional Notes:** Students may not take more than two lower level courses.
### Writing Minor

**WTG**

**English Department**

Ketchum Hall 326, 716-878-5416

The writing minor offers students an opportunity to design a writing program that coincides with their major and/or their career plans. Writing is perhaps the single most important skill students can develop, and the writing minor gives interested students a wide degree of flexibility in designing a program that increases that skill. The minor allows for the development of skills in creative writing, journalistic writing, and/or professional writing of various kinds. It should appeal to English majors, communication majors, and students in applied or professional areas seeking a strong writing component in their studies.

Students design their program with the coordinator of the Writing major, the English Department chair, or the Communication Department chair. Both the English Department chair and the Communication Department chair must approve the plan. Students can focus their minor program on creative, journalistic, or professional writing, or they can take a combination of courses from these different areas.

Course Coding System

At the time of the printing of this catalog, all incoming students at Buffalo State College, both first-year and transfer students, are required to fulfill requirements. Students starting their education before fall 2006 are required to fulfill general education (GE2K) requirements via petition and should consult their department adviser about whether that would be advantageous. See page 00 of this catalog for more information.

Banner codes are used to identify which Intellectual Foundations requirement(s) a course fulfills. The Intellectual Foundations codes are as follows:

- AHIF = Foundations of Civilizations: American History
- ARIF = Cognate Foundation: Arts
- BWIF = Basic Writing
- DIIF = Diversity
FLIF = Foreign Language
HUIF = Cognate Foundations: Humanities
MQIF = Mathematics/Quantitative Reasoning
NSIF = Cognate Foundations: Natural Sciences
NWIF = Foundations of Civilizations: Non-Western Civilizations
OCIF = Basic Oral Communication
SSIF = Cognate Foundations: Social Sciences
TSIF = Technology and Society
WCIF = Foundations of Civilizations: Western Civilization

Here’s a sample course listing:

ANT 300
INDIGENOUS PEOPLES OF WESTERN NORTH AMERICA
3, 3/0; DIIF, NWIF
Prerequisite: ANT 100 or permission of instructor. Way of life of the original inhabitants of Western North America; reconstructing life during the seventeenth, eighteenth, and nineteenth centuries using archaeology, historical documents, and oral tradition. Tribal nations of the Plains, Northwest Coast, Southwest, Great Basin, Plateau, and California. Effects of European exploration and colonization and the persistence of indigenous Western North American peoples in the modern world.

Here’s what it means:

ANT 300
This is an anthropology course, number 300.

INDIGENOUS PEOPLES OF WESTERN NORTH AMERICA
Name of course.
3, 3/0
Number of semester credit hours the course earns, Number of lecture hours the class meets per week/Number of studio or lab hours per week.

DIIF, NWIF
This course satisfies two requirements in Intellectual Foundations: Diversity (DIIF) and the Foundations of Civilizations Non-Western Civilizations (NWIF).

Prerequisites:
Prerequisites or requirements you must fulfill before registering for a course. For this course, students must have taken ANT 100 first.
The remainder of the course listing describes the subject matter.

AAS - AFRICAN AND AFRICAN AMERICAN STUDIES

AAS 100
INTRODUCTION TO AFRICANA STUDIES
3, 3/0; DI14
Critical and systematic study of the historical and contemporary thought and experiences of continental and diasporic African peoples. Overview of the social, political, and economic forces that shaped and continue to affect continental and diasporic African experiences. The agency, creativity, perspectives, and experiences of African peoples. Contemporary issues affecting Africans and African Americans. Offered every semester.

AAS 189
TOPICS COURSE
3, 3/0
Offered occasionally.

AAS 218
AFRICAN AMERICAN POLITICAL CULTURE
3, 3/0
Political beliefs, attitudes, and practices that pertain to African American politics in a cultural context; causality and linkage inherent in the reciprocal relationship between African Americans and the American political system. Offered fall only.
Equivalent course: PSC218

AAS 221
THE HISTORY OF BLACK EDUCATION IN AMERICA
3, 3/0
The role of blacks in the American educational system. Changes that have taken place to improve or retard education for blacks. Approaches for providing meaningful education for blacks now and in the future. Offered occasionally.
Equivalent courses: EDU221

AAS 222
THE DEVELOPMENT OF MODERN EDUCATION IN AFRICA
3, 3/0
Educational changes in Africa from the colonial era to the present and their effects on social and political issues in Africa and abroad. Offered occasionally.
Equivalent courses: EDU222

AAS 230
SURVEY OF AFRICAN AMERICAN DANCE
3, 3/0
Technique, practice, readings, and projects in dance and black culture; current practices of black dance in relation to Euro-American techniques. Offered alternate years.
Equivalent course: DAN230

AAS 234
HISTORY OF THE BLACK DANCE MOVEMENT
3, 3/0
The development of African American dance and the contributions of African American dancers; emphasis on how traditional African dance forms evolved into and influenced the contemporary dance vernacular. Offered spring only.
Equivalent course: DAN234

AAS 240
AFRICAN AMERICAN LITERATURE
3, 3/0, DI14, HU14
African American slave narratives, poetry, fiction, essays, and drama from the eighteenth century to 1940. The influence of spirituals, gospel, the blues, jazz, sermons, and fable stories on African American writing; the Harlem Renaissance of the 1920s and 1930s; and the development of African American revolutionary thought. Offered fall only.
Equivalent course: ENG240

AAS 241
AFRICAN AMERICAN LITERATURE SINCE 1940
3, 3/0
Realism, naturalism, modernism, and postmodernism in African American literature; black revolutionary thought and artistry in the 1960s and 1970s; neo-slave narratives; African American poetry, fiction, essays, and drama from 1940 to the present; influence of spirituals, gospel, the blues, jazz, sermons, and folktales on contemporary African American writing. Offered spring only.

AAS 304
MODERN JAZZ
3, 3/0
Prerequisite: MUS 206. An explanation of the history and development of modern jazz from 1941 to the present. Offered occasionally.
Equivalent course: MUS305

AAS 305
PEOPLES OF AFRICA
3, 3/0
Cross-cultural comparisons of indigenous and modern African nations. Emphasis is placed upon regional, linguistic, social, political, religious, economic, and aesthetic characteristics, as well as historical and recent population migrations on the African continent and the surrounding islands. Offered occasionally.
Equivalent course: ANT305
AAS 306
HISTORY OF AFRICA TO 1919
3, 3/0
Indigenous development and early empires of Africa; the impact of Islam; Western contact and the slave trade; the development of European colonialism; the partition of Africa and colonial administrative policies of the European powers; the waning of European power as a result of World War I. Offered occasionally.
Equivalent course: HIS 306

AAS 321
THE AFRICAN AMERICAN FAMILY
3, 3/0; D14
The relationship of American social institutions and the African American family; familial relations within the African American family. Useful for students who will interact with a diverse population in their careers, e.g., education and service occupations. Offered spring only.
Equivalent course: SOC 321

AAS 322
AFRICAN AMERICAN HISTORY
3, 3/0
Heritage of black Americans; African Americans' existence under slavery; their role in influencing historical events; activity in the Civil War period; the freed men during reconstruction; migration to the north and adjustment to urban life. African American leaders, institutions, and ideas, and their impact on modern America. Offered every semester.
Equivalent course: HIS 322

AAS 333
AFRICAN INTERNATIONAL RELATIONS
3, 3/0
African international politics vis-à-vis international relations theory, models, and concepts; power; multipolarity; bipolarity; pan-Africanism, North-South debate; approaches to international politics; and state and international organizations as international actors. Offered occasionally.
Equivalent course: PSC 333

AAS 340
ETHNOMUSICOLOGY
3, 3/0
Prerequisite: MUS 303. Lectures, readings, and recordings introducing principal musical traditions of selected non-Western cultures, such as African, Indie, and Sinitic. Consideration of the African American tradition, including jazz and rock. Includes individual projects of music or cultural analysis. Required for music majors. Offered occasionally.
Equivalent course: MUS 340

AAS 341
AFRICAN-AMERICANS AND CIVIL RIGHTS
3, 3/0
History of the landmark court decisions, laws, and governmental policies regarding the civil rights of African Americans. Examines some of the historic relationships among race, racism, law, and public policy in America. Focuses on resistance, protest, and the quest for equality in America. Offered alternate years.
Equivalent course: HIS 341

AAS 351
SOCIOLGY OF RACE AND ETHNICITY
3, 3/0; D14
Prerequisite: SOC 100. The study of racial and ethnic groups in American and other societies; focuses on forms, causes, and effects of prejudice and ethnic conflicts, and the changing relationships of these groups to the larger society. Possible solutions to social problems involving issues of race and ethnicity are also explored. Offered every semester.
Equivalent course: SOC 351

AAS 380
ART OF AFRICA
3, 3/0
The history of art in Africa from prehistory through the twentieth century. Arts from diverse regions of the continent are examined in their cultural context, with an emphasis on local and regional variations in style and iconography in the domestic, sacred, and royal arts. African responses to the development of slavery, imperialism, and other external stimuli are considered in relation to the use and trade of raw materials and the creation of new symbolic forms. Offered alternate years.
Equivalent course: FAR 380

AAS 389
TOPICS IN AFRICAN AND AFRICAN AMERICAN STUDIES
1-3, 1-3/0
Examination of current issues or topics in African and African American Studies offered occasionally.

AAS 411
AFRICAN FAMILY
3, 3/0
The family, kinship, and marriage among the peoples of Africa. Emphasis on the interrelationships of kinship with other aspects of culture. Offered occasionally.
Equivalent course: ANT 411

AAS 421
BLACK DRAMA IN AMERICA
3, 3/0
Thematic and technical development of black American drama. Offered occasionally.
Equivalent course: THA 421

AAS 425
RACE, ETHNICITY, AND THE ADMINISTRATION OF JUSTICE
3, 3/0
Prerequisite: CRJ 101. The current state of race relations in society and the criminal justice system. Examination of the historical experiences of different racial and ethnic groups in the United States, including the use of law and the criminal justice system as a means of social subordination, affecting the criminality of minority groups and informal aspects of criminal justice, such as power, discretion, and authority. Offered occasionally.
Equivalent course: CRJ 425

AAS 468
READINGS IN AFRICAN AMERICAN HISTORY
3, 3/0
Prerequisite: Upper-division status. Major historical writings on selected periods and topics in African American history. Readings, discussions, and writing book reviews and bibliographic essays. Offered alternate years.
Equivalent course: HIS 468

AAS 469
BLACK PROTEST AND LEADERSHIP IN THE U.S. IN THE TWENTIETH CENTURY
3, 3/0
The black protest movements and leaders in twentieth-century America. Offered alternate years.
Equivalent course: HIS 469

AAS 495
SPECIAL PROJECT
1-3, 0/0

AAS 499
INDEPENDENT STUDY
3-9, 0/0
Prerequisite: Faculty adviser permission must be secured prior to registration. Offered occasionally.

AED 100
ESSENTIALS OF VISUAL ARTS
3, 2/2; AR14
Non-art majors only. The development of visual and perceptual awareness through expressive learning processes inherent in the visual arts. Experience with a variety of media that will accommodate individual interpretations of art concepts that generate the formations, judgments, and decisions of a liberal arts educated individual. Offered every semester.

AED 200
FUNDAMENTALS OF ART INQUIRY
3, 3/0; AR14
Establishes the individual student's critical framework for looking at works of art and develops his or her knowledge and understanding of contempo-
AED 300  
**FOUNDATIONS IN ART EDUCATION**  
3, 2/2  
Prerequisites: Art education major or department chair permission and successful completion of English composition/basic communication and mathematics skills competency requirements. A writing-intensive introductory course that integrates instructional planning, learning theories, and teaching practices with the visual arts in education and society. Required for education majors. Offered every semester.

AED 301  
**THEORETICAL CONSTRUCTS IN ART EDUCATION**  
3, 2/2  
Prerequisites: Art education major, AED 300, or department chair permission, and one course in psychology. AED 301 is a writing intensive course that examines traditional and contemporary theories and practices relevant to current art education environments, learners, and communities and is required for art education majors. Required for art education majors. Offered every semester.

AED 302  
**FUNCTIONS AND PRACTICE IN ART EDUCATION**  
3, 2/2  
Prerequisites: Art education major, AED 300, AED 301, and one course in sociology or anthropology. Studies of contemporary theories, functions, and practices in the visual arts including context, content, and processes necessary in the design of instructional planning, implementation, and evaluation of visual art teaching. Practicum experiences in local educational settings. Required for art education majors. Offered every semester.

AED 303  
**ELEMENTARY STUDENT TEACHING IN ART**  
6, 0/0  
Prerequisites: Art education major, AED 302, ATS 325, satisfaction of departmental requirements, and approval of AED coordinator of student teaching. Students are assigned to a supervised elementary teaching placement for five full days a week for approximately seven consecutive weeks. Students are required to effectively demonstrate content knowledge, pedagogical preparation, instructional delivery, classroom management, knowledge of student development, collaboration with school professionals, and reflective practice. Offered every semester.

AED 304  
**SECONDARY STUDENT TEACHING IN ART**  
6, 0/0  
Prerequisites: Art education major, AED 302, ATS 325, satisfaction of departmental requirements, and approval of AED coordinator of student teaching. Students are assigned to a supervised secondary teaching placement for five full days a week for approximately seven consecutive weeks. Students are required to effectively demonstrate content knowledge, pedagogical preparation, instructional delivery, classroom management, knowledge of student development, collaboration with school professionals, and reflective practice. Offered every semester.

AED 310  
**ART MEDIA AND METHODS EXPLORATION**  
3, 2/2  
Prerequisites: For ATS minors: ATS 320 and one visual arts studio course, or instructor permission; for AED majors: Junior or senior status, or instructor permission. Development of practical skill and knowledge in art media, methods, and resources for educational and/or therapeutic purposes. Hands-on exploration of culturally diverse traditional and nontraditional art tools and materials that are appropriate for school and community settings; media analysis for application to promoting developmental and/or therapeutic goals. Offered occasionally.

AED 315  
**ARTS IN LIVING**  
3, 2/2; WC14  
Contemporary and historic art forms as they apply to everyday living. Discussion and analysis of the individual significance and interrelatedness of architecture, industrial design, the graphic arts, painting, sculpture, music, and theater arts in the context of the history of Western civilization. Participation in creative activities related to the course. Offered every semester.

AED 319  
**ART FOR ELEMENTARY AND EXCEPTIONAL EDUCATION TEACHERS**  
3, 2/2  
Prerequisites: education major, art therapy minor, or instructor permission. Foundational knowledge of children’s development in relation to art pre-K through middle school; theories and approaches to provision of art experiences in non-arts classrooms including arts integration and cross-curricular connections; introductory skills in art media and processes. Offered annually.

AED 365  
**SEMINAR IN FEMINIST ART AND CRITICISM**  
3, 3/0  
Prerequisites: Fulfillment of English composition/basic communication requirement and sophomore status. Women’s creative achievements in visual art. Varieties of feminist visual art and criticism and their relationship to contemporary culture. Portrayal of women and the ways in which cultural definitions of gender shape artistic expression. Offered occasionally.

AED 398  
**ART, SOCIETY AND NEW MEDIA TECHNOLOGIES FOR ART EDUCATORS**  
3, 2/2  
Prerequisites: Art education major. Critical examination and uses of new media technologies in art education within socio-cultural contexts. Pedagogical tools for teaching media technologies to children and youth (pre-K through 12th grade). Offered every semester.

AED 400  
**STUDENT TEACHING SEMINAR**  
3, 3/0  
Relationship of art education theories to teaching practices used in the contemporary school art program. Crucial issues in art education. Problems of beginning art teachers. The value of current professional literature in the resolution of issues and problems. Required for art education majors. To be taken concurrently with or immediately following student teaching. Offered every semester.

AED 488  
**INTERNSHIP**  
1-12, 0/0  
Prerequisites: Upper-division status and/or permission of instructor, minimum cumulative GPA of 2.5, and background coursework appropriate to the internship setting. Guided, supervised field experiences for qualified students in community-based agencies or settings. Interns apply and enhance knowledge gained through formal instruction demonstrating operational skills as practitioners in prospective specializations. Offered occasionally.

AED 495  
**SPECIAL PROJECT**  
1-3, 0/0  
Prerequisite: Upper-division status. Project undertaken and meeting hours arranged individually with instructor. Offered occasionally.

AED 499  
**INDEPENDENT STUDY**  
3-12, 0/0  
Prerequisites: Sophomore, junior, or senior status and minimum cumulative GPA of 2.5 (overall, previous semester, and in major courses). Studies arranged and meeting hours undertaken individually with instructor. Offered occasionally.

ANT 100
HUMAN ORIGINS
3, 3/0; NS14
Introduction to physical anthropology and archeology. Physical anthropology: evolutionary theory and genetics, the human fossil record, and the study of non-human primates. Archeology scientifically reconstructs past cultures: the basics of archeological data and dating methods. The transformation from a hunting and gathering lifestyle to one based on food production and the consequences of this transformation that include, in some instances, the development of complex sociopolitical institutions and state societies. Offered every semester.

ANT 101
UNDERSTANDING CULTURE
3, 3/0; NW14
Human behavior and culture; formation of personality; nature of social structure, interaction, and the satisfaction of human needs. Cross-cultural comparisons. Recommended as a first or second course in anthropology. Offered every semester.

ANT 189
TOPICS COURSE
1-3, 1-3/0
Offered occasionally.

ANT 220
CASE STUDIES IN PHYSICAL ANTHROPOLOGY
3, 3/0
Introduction to physical anthropology through detailed examination of exemplary case studies covering a broad range of topics in physical anthropology. The process of inquiry in physical anthropology, including initial conception of the research question, methodology, results, and conclusions. Ethics of physical anthropology research. Offered occasionally.

ANT 244
FOLKLORE AND LIFE
3, 3/0; SS14
Prerequisite: CWP 102. Introduction to the major genres of folklore and folk life and their function in contemporary society; including roots music, ethnic and occupational folklore, rites of passage and calendar customs, and traditional narratives. The relationship between folklore and popular culture. Offered every semester.

ANT 250
HISTORICAL ARCHAEOLOGY
3, 3/0; AH14
Prerequisite: ANT 100. Archaeology of the United States from 1500 through the American Civil War. Material life and diversity of sociocultural experiences in the United States during this period. Offered spring odd years.

ANT 300
INDIGENOUS PEOPLES OF WESTERN NORTH AMERICA
3, 3/0; D14, NW14
Prerequisite: ANT 100. Way of life of the original inhabitants of Western North America; reconstructing life during the seventeenth, eighteenth, and nineteenth centuries using archaeology, historical documents, and oral traditions. Tribal nations of the Plains, Northwest Coast, Southwest, Great Basin, Plateau, and California. Effects of European exploration and colonization and the persistence of indigenous Western North American peoples in the modern world. Offered fall even years.

ANT 301
INDIGENOUS PEOPLES OF EASTERN NORTH AMERICA
3, 3/0; D14, NW14
Prerequisite: ANT 100. The way of life of the original inhabitants of Eastern North America. Reconstructing life during the sixteenth and seventeenth centuries using archaeology, historical documents, and oral traditions. Details of the early seventeenth-century Wendat/Huron Haadensouance/Five Nation Iroquois and Powhatan confederacies. Highlights the effects of European exploration and colonization and the persistence of indigenous Eastern North American peoples in the modern world. Offered fall even years.

ANT 303
THE ANTHROPOLOGY OF EUROPE
3, 3/0; WC14
Prerequisite: ANT 101. Introduction to the anthropology of Europe and European culture. The course discusses the traits and development of distinctive cultural features of European peoples through cultural histories of Europe in general and ethnographic case studies. It relates the development and influence of Western civilization to other regions of the world. Offered alternate years.

ANT 305
PEOPLES OF AFRICA
3, 3/0
Prerequisite: ANT 101. Cross-cultural comparisons of indigenous and modern African nations. Emphasis is placed upon regional, linguistic, social, political, religious, economic, and aesthetic characteristics as well as historic and recent population migrations on the African continent and the surrounding islands. Offered occasionally. Equivalent course: AAS 305

ANT 306
PEOPLES OF ASIA
3, 3/0
Prerequisite: ANT 101. Cross-cultural comparisons of indigenous and modern nations of Asia. Emphasis on regional, linguistic, social, political, religious, economic, and aesthetic characteristics as well as historic and recent population migrations on the Asian continent and surrounding islands. Offered occasionally.

ANT 307
URBAN ANTHROPOLOGY
3, 3/0
Prerequisite: ANT 101. Study of the origins and evolution of cities around the world; their impact upon the human family and other social relationships, and the physical environment. Early and recent viewpoints on life in cities, suburbs and rural communities. Offered occasionally.

ANT 308
ARCHAEOLOGICAL METHOD
6, 0/0
Prerequisite: ANT 100. Laboratory and field methods in archeology. Opportunity for practical experience with various archaeological techniques. Offered summer only.

ANT 310
MESOAMERICAN ARCHAEOLOGY
3, 3/0; NW14
Prerequisites: ANT 100. Overview of ancient civilizations of Mesoamerica, including Olmecs, Maya, Monte Albans, Teotihuacans, Toltecs, and Aztecs using archaeological evidence, hieroglyphic texts, iconography, and ethnohistorical sources. Comparative analysis of art, architecture, religion, political structure, economic and social organization of societies in Mesoamerica from archeal foraging groups through Spanish contact. Offered spring even years.

ANT 312
ARCHAEOLOGY OF NORTH AMERICA
3, 3/0
Prerequisite: ANT 100. Prehistory of North America beginning with earliest human presence, including the Paleo-Indian period; Archaic, Woodland, and Mississippians in the East; periods comparable in time in the West. Offered spring even years.
ANT 315
RESEARCH METHODS IN CULTURAL ANTHROPOLOGY
3, 3/0
Prerequisite: ANT 101. Research methods in cultural anthropology covering fieldwork, participant-observation, sampling, measurements, documentation, statistical and cross-cultural methods. Offered fall even years.

ANT 321
PRIMATOLOGY
3, 3/0
Prerequisite: ANT 100. Study of living prosimians, monkeys, and apes, including taxonomy, social organization, feeding and ranging, community ecology, and conservation; field studies of natural populations. Offered fall even years.

ANT 322
RESEARCH METHODS IN PRIMATOLOGY
3, 1/4
Prerequisite: ANT 321. Study and practice of behavioral observation techniques used in primatology. Independent research project on the primates at the Buffalo Zoo. Presentation of research results to the campus community (e.g., the Student Research and Creativity Celebration) and at the Buffalo Zoo.

ANT 323
ANTHROPOLOGY OF DISEASE
3, 3,0
Prerequisites: ANT 100. Study of ill health from an anthropological perspective. Biological anthropology; how cultural activities contribute to the spread of disease; how disease manifests itself in the archaeological record; how the language used for disease impacts thinking about disease; how anthropologists contribute to the fight against disease. Understanding epidemiological concepts via current events. Offered spring odd years.

ANT 324
THE HUMAN SKELETON
3, 3,0
Prerequisite: ANT 100. Hands-on experience with natural human skeletons to learn all bones, landmarks, and features of the bones; how to determine the side of the body the bone came from, determine if a bone is from a male or female, estimate age at death, and estimate stature of the individual. Offered fall only.

ANT 325
FORENSIC ANTHROPOLOGY
3, 3,0
Prerequisite: ANT 324. Forensic applications of the recovery and identification of human skeletal remains. Determination of age, sex, and ancestry. Also taphonomy, differentiating human from animal remains, analysis and significance of traumatic events, and search and recovery techniques. Offered spring only.
Equivalent course: CRJ 325

ANT 326
THE HUMAN FOSSIL RECORD
3, 3,0
Prerequisite: ANT 100. Human evolution as derived from the fossil record. Major fossil hominid discoveries, their interpretation, and their place in the development of the human species. Offered spring even years.

ANT 327
INTRODUCTION TO MEDICAL ANTHROPOLOGY
3, 3,0; NW14
Prerequisite: ANT 101. An overview of the history and development of medical anthropology including taxonomies and practices of medicine worldwide. Theories and procedures in illness, sickness, health and well-being and from a variety of cultural perspectives, historical and contemporary, Eastern and Western. Stone Age, folk, shaman, traditional Western and herbal medicine, including healing and religion, homeopathy, and anthropological study of health-care institutions. Offered fall even years.
Equivalent course: HEW 327

ANT 329
WORLD PREHISTORY
3, 3,0; NW14
Prerequisite: ANT 100. An overview of the major developments in human culture as inferred from the archaeological record. Past cultures of hunter-gatherers, the first farmers, and early civilizations will be described as well as their legacy for the modern world. Offered summer odd years.

ANT 330
PACIFIC ISLANDERS
3, 3,0
Prerequisite: ANT 101. Introduction to Pacific Islanders including origins, languages, ecology, cultural identity and agency, political struggles. Experience of indigenous communities. Representations of the Pacific originating inside and outside the region. Encounters and transformation by first inhabitants, explorers, missionaries, colonists, and recent global flows of people, culture, and capital. Offered occasionally.

ANT 332
GENDER AND ARCHEOLOGY
3, 3,0; NW14
Prerequisites: ANT 100 or instructor permission. Gender, sex, cultural construction of gender roles, alternative genders, impact of gender roles on social structure, and reflection of gender and gender roles on the material culture of past human societies. Archaeological evidence of gender including art, iconography, burial patterns, human remains, settlement patterns, architecture, and craft production.

ANT 340
WOMEN IN ANTHROPOLOGICAL PERSPECTIVE
3, 3,0
Prerequisite: ANT 101. The study of women's position with attention to political, social, and cultural influences on female status in a cross-cultural perspective. Offered occasionally.

ANT 341
INDIGENOUS ART OF NORTH AMERICA
3, 3,0
Prerequisites: ANT 100 or instructor permission. The study of art from an anthropological perspective using case studies from the Indigenous cultures of North America from the pre-contact period until today. Examination of art and material culture within Indigenous communities. How material culture and art can be used as evidence for human behavior, especially ritual behavior. Historical factors affecting the production and use of material culture and art. Continuity and change within material culture/artistic repertoires. Offered spring odd years.

ANT 344
FOLKLORE & FANTASY IN POPULAR CULTURE: FROM MIDDLE-EARTH TO HOGWARTS
3, 3,0
Prerequisites: CWP 102 or equivalent, upper class standing. How J. R. R. Tolkien, the creator of modern fantasy writing, based his mythology for England on the work of 18th and 19th century folklorists. Influence of the work of myth scholars, primarily Joseph Campbell, on George Lucas and other film makers in the Star Wars trilogies and similar films and television series. Creation of folk groups (fandoms) based on fantasy novels and films, especially since the rise of the Internet. Offered spring odd years.

ANT 350
GLOBAL MARRIAGE PRACTICES
3, 3,0; NW14
Prerequisites: Upper level standing. Cross-cultural and comparative marriage practices through a comparative examination of kinship, gender, and economy in different places. Interdisciplinary materials in Anthropology, Sociology, History, Legal Studies, Women and Gender Studies, and Popular Culture. Offered fall odd years.

ANT 362
URBAN FOLKLORE
3, 3,0
Folklore in the urban environment. The role of folklore in the creation and preservation of ethnic, occupational and community identity. Folklore in the media and popular culture. Offered fall even years.

ANT 365
PRACTICING ANTHROPOLOGY
3, 3,0
Prerequisite: ANT 101. The application of anthropology and anthropological perspectives to contemporary community and world issues and problems. Focus on the practice of anthropology as a career outside academia, in social services, international relations, government positions, community organiz-
ing, etc. The relevance of anthropological principles in day-to-day life. Offered occasionally.

ANT 367
CULTURE AND ECOLOGY
3, 3/0
Prerequisite: ANT 101. Overview of the anthropological study of culture and ecology-environmental anthropology-the evolutionary and comparative study of various cultures' relations, both biological and cultural, to their environments. Industrial and nonindustrial adaptations to and understandings of the environment. Human-to-nature relations, the study of place, and environmentalism. Offered spring odd years.

ANT 370
THE ANTHROPOLOGY OF CONTEMPORARY ISSUES
3, 3/0
Prerequisite: ANT 101. An anthropological perspective of some of the principal dilemmas of the contemporary world, including technological, demographic, ideological, and cultural problems, which provide much of the content of our daily news and have implications for the survival of our species. Offered spring even years.

ANT 377
ANCIENT CIVILIZATION
3, 3/0; NW14
Prerequisite: ANT 100. Examination of the nature of early civilizations; possible factors involved in both their rise and fall. Old World civilizations studied: Mesopotamia, Egypt, the Indus Valley, China, the Aegean Islands, and Europe (Greece and Italy). New World civilizations examined: Mesoamerica and the Andes region of South America. Similarities and differences considered. Offered fall even years.

ANT 380
LANGUAGE AND CULTURE
3, 3/0
Prerequisite: ANT 101. Concepts of language and culture as symbolic systems. Introduction to phonetics, phonemics, morphemics, syntax, and semantics from a cross-cultural and cross-lingual perspective. Exploration of the relationship between grammatical structure and modes of perception and cognition as related to world views and systems of values, with special emphasis on the Sapir-Whorf hypothesis and the work of Chomsky. Offered spring odd years.

ANT 381
RELIGION, MAGIC, AND CULTURE
3, 3/0; NW14
Prerequisite: ANT 101. Descriptions and analysis of world religious beliefs and practices, universal phenomena with many manifestations. Examination of the place of religion and spirituality in widely diverse cultures, including discussion of magic, trance, altered states, cults, Wicca, Santeta, voodoo, and late-twentieth-century religions. Offered spring odd years.

ANT 383
ETHNOGRAPHY OF TURKEY
3, 3/0; NW14
Prerequisites: Junior or senior standing. The transition to the Republic through the collapse of the Ottoman Empire and the nationalist movement which fought the War of Independence. Modernization, secularization, and westernization policies and the creation of a secular and laicist state. Mass rural-urban migration, struggles over Islamist movements, and nationalism through ethnographies.

ANT 385
VISUAL ANTHROPOLOGY
3, 3/0
Prerequisites: ANT 101 or SOC 100. How technology of the still camera transformed relationship to imagery, perception of time and movement through splitting and flattening of representations into "realistic" images. Basics of still cameras as a research tool; how to collect informants' images as data. Meaning, use of images, representations, and power of visual data. Offered fall odd years.

ANT 388
FOLKLORE & AMERICAN ROOTS MUSIC
3, 3/0
Prerequisites: CWP 102 and upper class standing. The richness and diversity of American roots music, with emphasis on the relationship of roots music to folklore and popular culture. Ways in which mediated a transmission and technology have contributed to the development of and dissemination of roots music. Offered fall odd years.

ANT 389
TOPICS IN ANTHROPOLOGY
3, 3/0
Analysis of current areas of research interest in anthropology. Emphasis on using concepts and methods from the subfields of anthropology to study a specific problem or series of problems. Offered every semester.

ANT 400
ANCIENT MATERIALS
3, 3/0
Prerequisite: ANT 329 or ANT 312. The study of technology and production in its broadest sense. Raw materials used to create material culture as defined archaeologically, such as stone, bone, wood, clay, and metal. Datasets from ethnographic and archaeological films and reports; hands-on experimental archaeology projects. How archaeologists use material culture as evidence for past human behavior, e.g., measurement of lithic flakes, creating typologies of ceramic shards. Offered spring even years.

ANT 405
HISTORY OF ANTHROPOLOGICAL THOUGHT
3, 3/0
Prerequisite: ANT 101. Important contributions in the development of anthropological theory to the present. Includes theories of Boas, Kroeber, Lévi-Strauss, Malinowski, and Tylor. Offered occasionally.

ANT 411
AFRICAN FAMILY
3, 3/0
The family, kinship, and marriage among the peoples of Africa. Emphasis on the interrelationships of kinship with other aspects of culture. Offered Occasionally. Equivalent course: AAS 411

ANT 412
SEMINAR IN SOCIAL-CULTURAL ANTHROPOLOGY
3, 3/0
Prerequisite: ANT 101. The concept of culture and ethnographic research. Value of cultural anthropology and ethnographic research and their relevance to problems faced by people today. Intellectual, social, and political trends that have shaped the development of the field of cultural anthropology. Cultural anthropological theory, research design, research practice. Offered fall only.

ANT 415
SEMINAR IN ARCHAEOLOGY
3, 3/0
Prerequisites: ANT 329 or ANT 312. Value of archaeology and its relevance to the problems faced by people today. Benefits from archaeology and how they are achieved. Intellectual, social, and political trends that have shaped the development of the field of archaeology. Archaeological theory and research design in depth. Negotiating between the different stakeholders in archaeological projects. Oral and written communication of archaeological findings. Offered spring only.

ANT 418
SEMINAR IN PHYSICAL ANTHROPOLOGY
3, 3/0
Prerequisites: CWP 102 and ANT 100. Value of physical anthropology and its relevance to the problems faced by people today. Benefits from physical anthropology and how they are achieved. Intellectual, social, and political trends that have shaped the development of the field of physical anthropology. Physical anthropology theory and research design in depth. Negotiating between the different stakeholders in physical anthropology projects. Written communication of physical anthropological findings. Offered spring only.

ANT 488
INTERNSHIP IN ANTHROPOLOGY
1-12, 0/0
Supervised fieldwork in community agencies, organizations, and milieux where students develop and apply practical and anthropological knowledge and skills. Students interact in diverse cultural settings, and experience and establish connections of potential use in the job market. Preparatory conferences, ongoing seminars with the faculty supervisor, a log/journal of the field experience, and a final report. Offered spring only.

SUNY Buffalo State Undergraduate Catalog 2016–2017 161
BIO 100
PRINCIPLES OF BIOLOGY
3, 3/0; NS14
Non-majors only. The unifying principles of modern biology with special emphasis on cell biology, metabolism, and genetics. Offered every semester.

BIO 101
HUMAN BIOLOGY
3, 3/0; NS14
Non-majors only. Biological principles of the human condition with particular emphasis on physiology of normal body function with regard to nutrition, disease, psychoactive agents, reproduction and contraception, and aging. Contemporary health-related issues. Offered every semester.

BIO 104
ENVIRONMENTAL BIOLOGY
3, 3/0; NS14

BIO 111
INTRODUCTION TO BIOLOGY
4, 3/0
The chemicals of life. Cell organelles. Metabolism and energy transformations. Cell division, gene expression, Mendelian and population genetics. Biotechnology as an approach to understanding life, human health. Emphasis will be placed on developing students' ability to understand and use biological concepts at the college level. Offered every semester.

BIO 210
MICROBIOLOGY
3, 2/2
Prerequisite: BIO 100 or BIO 111. Non-majors only. Morphology and physiology of bacteria. General application to household science, sanitation, hygiene, and infectious disease. Offered fall only.

BIO 211
INTRODUCTION TO CELL BIOLOGY AND GENETICS
4, 3/3

BIO 212
INTRODUCTION TO ORGANISMAL BIOLOGY AND DIVERSITY
4, 3/3
Prerequisite: BIO 111, C or better. Origins and history of life. Functional biology of animals and plants studied in an integrated fashion. Survey of morphology, physiology, development, reproduction and life cycles of animals, plants, fungi and microbes. Offered occasionally.

BIO 213
INTRODUCTION TO ECOLOGY, EVOLUTION, AND BEHAVIOR
4, 3/3

BIO 214
INTRODUCTION TO CELL BIOLOGY
4, 3/3
Prerequisites: CHE 111 and CHE 112. Structure of biological macromolecules; organization of eukaryotic and prokaryotic cells; and basic cell processes. Offered occasionally.

BIO 300
BIOSTATISTICS
4, 3/3
Prerequisites: Algebra, upper-division status. Statistical inference as a guide to decision making during biological investigations. Elements of experimental design. Exploratory data analysis. Tabular, graphical, and written interpretation of results. Application of inferential techniques including confidence intervals, t-tests, analysis of variance, chi-square analysis of contingency tables, and linear regression and correlation. Offered spring only.

BIO 301
CELL PHYSIOLOGY
4, 3/3
Prerequisites: BIO 211 or BIO 214 and CHE 201. Basic concepts in cell physiology with an emphasis on transport across cell membranes, cell communication, and excitability of nerve and muscle cells. Labs introduce students to a variety of techniques employed to study cell physiology including biochemistry, cellular electrophysiology, and fluorescence microscopy. Offered alternate years.

BIO 303
GENETICS
4, 3/3
Prerequisites: BIO 211 or BIO 214, CHE 111 and CHE 112. Principles of Mendelian, molecular and population genetics. Classic and molecular experimental methods for studying of gene structure, transmission, expression. Offered occasionally.
GENES IN POPULATIONS

BIO 350
Prerequisites: BIO 211 or BIO 214, CHE 111, CHE 112, and upper 4, 3/3

ECOLOGY

BIO 315
Prerequisites: BIO 212, BIO 213, CHE 111, CHE 112. Ecosystems, biotic communities, interspecific and intraspecific relationships, biogeochemical cycles, energy flow, population ecology, introduction to analysis of community composition, effects of humanity in modifying natural environments. Several half-day or all-day field trips may be required. Offered fall only.

GENERAL MICROBIOLOGY

BIO 316
Prerequisites: BIO 211 or BIO 214, CHE 111, CHE 112. Microorganisms and techniques of observing their morphology, growth characteristics, and distribution. The relationship of microorganisms to human activities. Offered spring only.

COMPARATIVE VERTEBRATE ANATOMY

BIO 321
Prerequisites: BIO 212 and BIO 213. Function, evolution, and development of the diversity of vertebrate structure. Rigorous dissections of representative vertebrate morphologies (e.g., preserved sharks, amphibians, cats, etc.). Offered alternate years.

ICHTHYOLOGY

BIO 325
Prerequisites: BIO 212 and BIO 213. Study of the biology of fishes: structure and function (anatomy and physiology), systematics, evolution, diversity, zoogeography, and ecology. Offered alternate years.

PLA-nt Physiology

BIO 408
Prerequisites: BIO 212, BIO 213, CHE 112. Plant physiological processes including photosynthesis, respiration, transpiration, translocation, photosynthesis and tropisms; plant water potential, effects of hormones, soil nutrients, environmental stress; plant anatomy in relation to physiological function; use of instrumentation to measure physiological performance. Offered alternate years.

MAMMALOGY

BIO 414
Prerequisites: BIO 212 and BIO 213. Introduction to the study of mammals: including classification, distribution, ecology, and behavior as they relate to life histories of mammals; identification of mammals in the field and laboratory; and field methods of mammalian studies. Offered alternate years.

LIMNOLOGY

BIO 418
Prerequisites: BIO 212, BIO 213, CHE 111, and CHE 112. Physical, chemical, and biological factors that influence freshwater life and the ecological interactions in freshwater communities. Lectures, demonstrations, and field trips. Offered alternate years.

INVERTEBRATE STRUCTURE AND FUNCTION

BIO 421
Prerequisites: BIO 212 and BIO 213. Functional approach to the morphology, physiology, adaptation, ecology, reproduction, and evolution of invertebrates. Offered alternate years.

MORPHOLOGY OF VASCULAR PLANTS

BIO 426
Prerequisites: BIO 212 and BIO 213. A study of the comparative structures, reproductive cycles, and phylogenetic relationships among the vascular plants. Interactions between structure and function and ecological adaptations will be considered. Offered alternate years.

VERTEBRATE STRUCTURE AND FUNCTION

BIO 428
Prerequisites: BIO 212 and BIO 213. Comparative study of vertebrates with emphasis on their anatomy, adaptations, ecology, and phylogenetic relationships. Offered alternate years.
BIO 429
FISHERIES BIOLOGY
4, 3/3
Prerequisites: BIO 212 and BIO 213. Ecology and management of fish populations. Sampling techniques and fisheries-management techniques (including stocking, hatcheries, and aquaculture programs). Feeding, behavior, and life history of fishes. Offered alternate years.

BIO 430
STREAM ECOLOGY
4, 3/3
Prerequisites: BIO 212, BIO 213, junior or senior status. Biological, chemical, geomorphic, and hydrologic features affecting the ecology of flowing water systems. Emphasis on freshwater invertebrate life histories, adaptations, and community structure in shallow streams. Offered alternate years.

BIO 431
AQUATIC ENTOMOLOGY
4, 3/1
Prerequisites: Biology 212 and BIO 213. Survey of the classification, taxonomy, and identification of aquatic insects. Emphasis on aquatic insects of northeastern North America, their life histories, adaptations, and community structure in streams and wetlands. Offered alternate years.

BIO 433
ORNITHOLOGY
4, 3/3
Prerequisites: BIO 212, BIO 213. Introduction to the study of birds including a survey of the diversity of avian behaviors, life history strategies, mating systems, ecology, and physiological-morphological specializations of flight. Offered alternate years.

BIO 450
RECOMBINANT DNA TECHNOLOGY
4, 2/4
Prerequisites: BIO 303 or BIO 350, CHE 201. Extensive hands-on experience using the techniques of biotechnology. Emphasis on techniques involving the construction of recombinant DNA molecules and their analysis. Offered alternate years.

BIO 488
BIOLOGY INTERNSHIP
1-15, 0/0
Prerequisites: Minimum cumulative and biology GPA of 2.5; BIO 211, BIO 212, BIO 213, BIO 214; faculty adviser and department chair permission. An opportunity to apply learned principles and methodologies in a workplace setting. Offered every semester.

BIO 495
SPECIAL PROJECT
1-3, 0/0
Prerequisites: Faculty adviser and department chair permission. Offered every semester.

BIO 498
HONORS RESEARCH
1-3, 0/0
Prerequisites: BIO 111, BIO 212, and BIO 213, BIO 214; completion of 70 or more credit hours; minimum GPA of 3.4 in biology major and minimum cumulative GPA of 3.0. Independent investigation of an original scientific problem, completed over two semesters with transition to the second semester dependent upon satisfactory completion of research proposal during the first semester. Submission of a final written report of investigation and an oral presentation of work at a scientific meeting. Offered every semester.

BIO 499
INDEPENDENT STUDY
3-12, 0/0
Prerequisites: Faculty adviser and department chair permission. Offered every semester.
**BUS - BUSINESS**

**BUS 116**
INTRODUCTION TO BUSINESS  
3, 3/0  
Modern business functions. Economic and social aspects, organization and management, operations, marketing functions, management control and decision making, financial risk and management, and career information for a changing business climate. Offered every semester.

**BUS 117**
INTRODUCTION TO RETAILING  
3, 3/0  
Role and function of retailing as a channel of distribution, the relationship and responsibilities to the producer and consumer. Offered occasionally.

**BUS 189**
TOPICS COURSE  
1-3, 0/0  
Offered occasionally.

**BUS 201**
FOUNDATIONS OF LEADERSHIP  
3, 3/0  
History of leadership and leadership as an ongoing process of challenge, growth, and development. Students learn the foundational concepts of leadership, assess their own leadership styles, and discuss issues relevant to leadership. Provides opportunities for the practice of leadership skills in campus and community organizations. Offered every semester. Equivalent courses: CRS201, UNC201

**BUS 212**
INTRODUCTION TO ACCOUNTING  
3, 3/0  
Introduction to the accounting cycle and double-entry bookkeeping. Students analyze business transactions, apply rules of debits and credits, and prepare income statements and balance sheets. Offered every semester.

**BUS 300**
INTERNATIONAL BUSINESS  
3, 3/0  

**BUS 305**
WORKFORCE DIVERSITY IN THE TWENTY-FIRST CENTURY  
3, 3/0; DI14, DIIF  
Prerequisite: Junior/senior status. Workforce diversity as the positive acknowledgement of the way in which people are different. Recognizes gender, age, religion, and cultural background, and work and life responsibilities. Teamwork develops an understanding and awareness of cultural diversification in the workforce. Offered every semester.

**BUS 312**
FINANCIAL ACCOUNTING  
3, 3/0  
Introduction to the fundamental accounting theories and methods underlying financial statements and the use of accounting information by decision makers. Offered every semester.

**BUS 313**
MANAGERIAL ACCOUNTING  
3, 3/0  
Prerequisite: BUS 312. Managerial accounting focuses on accumulating, processing, reporting, and interpreting decision-relevant financial information which are used in managing an organization. Topics include cash flow analysis, time value of money, cost behavior, budgeting, and elements of cost accounting. Offered every semester.

**BUS 320**
PRINCIPLES OF MARKETING  
3, 3/0  
Survey course on concepts, policies, and marketing goods and services. Includes consumer behavior, target markets, marketing programs and ethics. Offered every semester.

**BUS 321**
MARKETING ON THE INTERNET  
3, 3/0  
Prerequisite: BUS 320, business major. Foundations and rationale for Internet marketing. Marketing objectives and strategies for Web sites, online promotion, and advertising. Web site design tools, research on customers, and legal and ethical issues. Students evaluate Web sites and design their own online marketing sites. Offered spring only.

**BUS 323**
SALES METHODS AND TECHNIQUES  
3, 3/0  
Prerequisite: BUS 320, business major. Foundation in sales principles and techniques. Emphasis on the personal development of sales skills, analysis of characteristics, behavior, and motivation of buyers, and the use of the selling process to achieve customer satisfaction. Offered fall only. Equivalent course: BMET323W

**BUS 324**
BUSINESS COMMUNICATION  
3, 3/0  
Prerequisite: BUS 360, business major. Fundamental principles and tools for effective communication within organizations. Experiential exercises will be used to assist in developing written and oral communication skills. Offered every semester. Equivalent course: BUS324W

**BUS 325**
HUMAN RESOURCE MANAGEMENT  
3, 3/0  
Prerequisite: Business major. Theoretical and practical knowledge in the major areas of human resource management including selecting, training, developing, evaluating and compensating employees. Offered every semester.

**BUS 327**
ADVERTISING CONCEPTS AND PRACTICES  
3, 3/0  
Prerequisite: BUS 320, business major. Introduction to the field of advertising, including discussion of research, target marketing media selection and evaluation, goal setting and budgeting, and the development of advertising campaigns. Offered every semester.

**BUS 329**
SALES MANAGEMENT  
3, 3/0  
Prerequisite: BUS 320, business major. Sales management function within modern organizations including sales-force operation, sales strategies, leadership, ethics, recruitment, selection, and motivation of staff. Sales management as a vital business function within the context of a global economy. Offered spring only.

**BUS 330**
MARKETING MANAGEMENT  
3, 3/0  
Prerequisite: BUS 320, business major. Marketing-oriented thinking in today's competitive environment; analyzing needs, identifying opportunities, and bringing valued offerings to targeted customer groups; analyzing, planning, implementing, and controlling marketing strategies. Includes recent themes: customer relationship management, technology/Internet revolution, brand building, and global marketing from a marketing manager's perspective. Offered every semester.
BUS 334
BUSINESS LAW I
3, 3/0
Legal principles applicable to business enterprises and operations including advisory and judicial systems; contracts and sales; commercial paper, secured transactions, property, torts, and appropriate sections of the Uniform Commercial Code. Offered every semester.

BUS 335
BUSINESS LAW II
3, 3/0
Prerequisite: BUS 334, business major. The nature of real and personal property; trusts, wills and estates; creditor's rights and secured transactions; government regulation of business; administrative law; insurance, and evidence. Topics may include taxation of income, arbitration in resolving contract disputes, and Rule 10 b-5 of the Securities and Exchange Commission. Offered every semester.

BUS 340
SECURITIES
3, 3/0
Prerequisite: Junior/senior status. Securities and securities markets. Emphasis on investment markets and their interaction with the macroeconomics system. Offered occasionally. Equivalent course: BUS340W

BUS 341
COMMODITIES
3, 3/0
Prerequisite: Junior/senior status. Commodities futures trading. Special emphasis on terminology, hedging procedures, trading procedures, and price-making influences.

BUS 347
RETAIL MANAGEMENT
3, 3/0
Prerequisite: BUS 320, business major. Introduction to trends and developments in retailing and to the operation of retail organizations. Strategic planning, financial control, merchandising, site selection, store organization, pricing and promotion. Offered every semester.

BUS 348
ELECTRONIC COMMERCE
3, 3/0
Prerequisite: BUS 320, business major. Introduction to the principles and practices of electronic commerce including EDI, electronic payment, online promotion, electronic shopping and distribution, online stores and malls, security, intellectual property rights, and legal issues. Select tools and skills required for navigating the Internet and creating a Web site. Offered fall only.

BUS 350
CURRENT PRACTICES IN BUSINESS TECHNOLOGY
3, 3/0
Prerequisite: BUS 360, business major. Instruction in the use of information technology and business computer applications including spreadsheets, graphic presentations, networking, database management, word processing and office automation. Emphasis on using computers and computer-based information in the decision-making process. Offered every semester.

BUS 360
PRINCIPLES OF MANAGEMENT
3, 3/0
Introduction to the basic functions of management, including strategic and operational planning, developing organizational structure and behavior, leadership, motivation, and effective control systems. Offered every semester. Equivalent course: BUS360W

BUS 363
BUSINESS IN THE WESTERN HEMISPHERE
3, 3/0
Prerequisite: BUS 360, business major. Survey of business practices in the Western Hemisphere including economic, cultural and political differences among countries, regional trade agreements, and trade practices. Select countries are compared in terms of management, marketing and human resources practices, organizational communications, and business ethics. Offered fall only.

BUS 365
ENTREPRENEURSHIP
3, 3/0
Prerequisite: BUS 360, business major. The functions performed by entrepreneurs such as searching for opportunities and gathering resources to convert into growth-oriented, profitable ventures. Students conduct research, identify opportunities, and prepare a business plan. Offered every semester.

BUS 366
MANAGEMENT INFORMATION SYSTEMS
3, 3/0
Prerequisites: CIS 101 and BUS 360, business major. A balanced framework for the successful management of today’s increasingly complex array of information. Tools for dealing with and improving the management of information in a variety of business settings using application software such as Microsoft Office. Offered every semester.

BUS 367
STRATEGIC MANAGEMENT OF INNOVATION AND TECHNOLOGY
3, 3/0
Prerequisite: BUS 360, business major. Strategic management in newly created and established firms from the perspectives of various functional groups (e.g., research and development, manufacturing, management, and marketing) and levels of general management (business, project, corporate) involved in the process of technological innovation. Offered occasionally.

BUS 368
SPORTS MANAGEMENT AND MARKETING
3, 3/0
Prerequisite: BUS 360, business major. The administration, coordination, and evaluation of event-related sports. Open to business and non-business majors. Provides professional and general education base for careers in sports and recreational management and marketing. Offered every semester.

BUS 369
ORGANIZATIONAL CHANGE AND DEVELOPMENT
3, 3/0
Prerequisite: BUS 360, business major. The process of organizational change; conceptual foundation, principles, and practical applications for use in the design and development of organizations to improve organizational effectiveness in dynamic and competitive environments.

BUS 378
BUSINESS PROFESSIONAL PRACTICE
1-12, 3/0
Business majors may elect to take up to 12 credit hours of field experience. Introductory, part-time experience usually generates 3 credit hours, whereas a full-time culminating experience could generate as many as 12 credit hours. Credit, training, and evaluation criteria to be arranged by business instructor in charge of field experience. Offered every semester.

BUS 403
CONSUMER BEHAVIOR
3, 3/0
Prerequisite: BUS 320, business major. Psychological, sociological, and cultural factors that influence consumer behavior and decision making. Emphasis on the importance of understanding consumer behavior in formulating marketing programs and marketing strategies. Offered every semester.

BUS 404
MARKETING RESEARCH
3, 3/0
Prerequisite: BUS 320, business major. Research methods and techniques used to collect data and provide information for solving marketing problems, design, sampling, data collection, analysis and interpretation, and report preparation. Orientation from the perspective of users of marketing research. Offered every semester.

BUS 410
ACCOUNTING ANALYSIS
3, 3/0
Prerequisites: BUS 313 and junior/senior status. Management fundamentals and economic concepts of the firm. Application of accounting concepts and techniques in preparing, presenting, and interpreting the accounting infor-
mation used by management in planning and controlling operations. Offered occasionally.

BUS 412
INCOME TAXATION
3, 3/0
Fundamentals of federal income taxation. Course focuses on concepts related to gross income, deductions, credits, and property transactions. Offered spring only.

BUS 413
TAXATION OF CORPORATIONS
3, 3/0
Prerequisite: Junior/senior status. Federal taxation of corporate income and shareholders; includes organizing and capitalizing the corporate entity, determining tax liability, dividends and other non-liquidating distributions, stock redemptions, liquidations, and other corporate entities, such as S corporations and LLCs. Offered occasionally.

BUS 417
INTERNATIONAL ACCOUNTING
3, 3/0
Prerequisites: Business major and completion of BUS 312, BUS 313, and ECO 314. Designed to familiarize students with the accounting issues arising from national differences in accounting systems, standards, terminology, disclosure patterns, tax policies, fluctuations in exchange and inflation rates, and managerial options for dealing with these issues. Offered spring only.

BUS 420
INTERNATIONAL MARKETING
3, 3/0
Prerequisite: BUS 320, business major. Concepts, theory, and practice of international marketing. Competitive global environment, trade issuers, cultural factors, and global marketing strategy formulation and implementation. Offered every semester.

BUS 424
INTERNATIONAL BUSINESS COMMUNICATION
3, 3/0
Prerequisite: BUS 324, business major. Preparation for the complex communication tasks encountered in the world of international business. Cultural aspects that influence communication including language, environment and technology, social organization, contexting, authority conception, nonverbal communication, and temporal conception. Emphasis on understanding social and cultural differences and developing effective communication strategies for the global corporation. Offered fall only.

BUS 425
INTERNATIONAL AND CROSS-CULTURAL TRAINING
3, 3/0
Prerequisite: Business major. Analysis, selection, design, implementation, and evaluation of training programs to increase functional capabilities in international and multicultural environments. Emphasis on communication strategies, human response to cultural settings, and procedures for increasing performance. Offered spring only.

BUS 426
CREATIVE OPPORTUNITIES IN LEADERSHIP AND MANAGEMENT PRACTICES
3, 3/0
Prerequisites: BUS 360 and BUS 325, junior/senior status. Detailed analysis of creative problem-solving techniques. Case problems and business projects that reinforce management functions and approaches. Places students in the role of an individual manager and team members in practical application of management theory. Offered occasionally.
Equivalent course: BUS426W

BUS 428
ADVANCED MERCHANDISING
3, 3/0
Prerequisite: BUS 326 or permission of instructor. Techniques of merchandising fashion apparel, accessories, housewares, major and minor appliances, and furniture. Major approaches used in planning and analyzing sales and stock records, and the use of operating and financial data to make profitable merchandising decisions as well as market planning. Offered occasionally.

BUS 430
STRATEGIC MANAGEMENT
3, 3/0
Prerequisite: Business major; senior status. Methods and techniques commonly used in strategic management decision making. Provides a background in strategic analysis and implementation of strategy in a competitive global environment. Employs competitive simulations, case studies, and applied research projects. Offered every semester.

BUS 440
BUSINESS SENIOR SEMINAR
3, 3/0
Prerequisite: Senior status. Designed to help business students in the transition to professional employment. Career paths and employment opportunities, employee-benefit packages and policies, Affirmative Action programs, Equal Employment Opportunity, on-the-job considerations, and related subjects. Offered every semester.
Equivalent course: BUS440W

BUS 460
PRODUCTION AND OPERATIONS MANAGEMENT
3, 3/0
Prerequisite: BUS 360. Overview of the major concepts and models in the production and operations process in manufacturing and services organizations. Includes detailed examination of production systems, materials planning, project management, and quality. Offered every semester.
Equivalent course: TEC460

BUS 473
INTERNATIONAL MANAGEMENT
3, 3/0
Prerequisite: BUS 360, business major. Through an approach that blends theory and practical exercises, students will learn the fundamentals of managing in a global economy. Offered every semester.

BUS 490
FIELD EXPERIENCE
1-3, 0/0
Prerequisites: Junior/senior status, permission of instructor. Provides non-business students the opportunity to have experience related to their majors in public or private agencies, business organizations, or educational institutions. Offered occasionally.

CEL - COMMUNITY ENGAGED LEARNING

CEL 189
TOPICS IN COMMUNITY ENGAGEMENT
1-6, 1-6/0
Examination of topics or practices related to community engagement; offered occasionally.

CEL 301
COMMUNITY PERSPECTIVES AND EXPERIENCES
3, 1/2
Community experiences contextualized through readings on contemporary social issues and social justice as they relate to the city of Buffalo historically and currently. Students will serve 100 hours at a community organization over the course of one semester.

CEL 389
1-6, 1-6/0
Examination of disciplinary issues, topics, or practices related to community engagement; offered occasionally.

CHE - CHEMISTRY

CHE 100
CHEMISTRY AND SOCIETY
3, 3/0; NS14, NSIF
Non-mathematical approach to the study of matter. Presentation of the fundamentals of chemistry followed by socially relevant topics such as toxic waste management, environmental pollution, space technology, agricultural chemistry, chemistry of consumer products, food processing, polymers, and plastics. Offered every semester and J Term.
CHE 101
GENERAL CHEMISTRY I
3, 2/3; NS14, NSF
Basic principles of chemistry, including atomic and molecular structure; gases, liquids, solids, and solutions; chemical reactions; acids and bases. Not open to chemistry majors. Offered every semester.

CHE 102
GENERAL CHEMISTRY II
3, 2/3
Prerequisite: CHE 101. Continuation of CHE 101. Includes chemical equilibria, electrochemistry, metals and nonmetals, some fundamentals of organic chemistry, polymers, fibers and plastics, natural products, and some fundamentals of biochemistry. Not open to chemistry majors. Offered spring only.

CHE 111
FUNDAMENTALS OF CHEMISTRY I
4, 3/3; NS14, NSF
Fundamental principles of chemistry covering the nature and structure and properties of the atom, chemical bonding, geometry of molecules, the periodic table, the behavior of gases, stoichiometry, and solution chemistry. Includes laboratory experiences exploring these basic principles, introduction to safe laboratory practices, introduction to using basic glassware and analytical balances. Offered every semester.

CHE 112
FUNDAMENTALS OF CHEMISTRY II
3, 3/0
Prerequisites: CHE 111. Co-requisite CHE 112. Continuation of Fundamentals of Chemistry I. Liquids and solids, phase transitions, mixtures, colligative properties, chemical kinetics, chemical equilibria, chemical thermodynamics, electrochemistry, general properties of elements, and complex ion formation.

CHE 114
LABORATORY FOR FUNDAMENTALS OF CHEMISTRY II
1, 0/3
Prerequisites: CHE 111; co-requisite: CHE 112. Laboratory-based exploration of the basic chemical concepts taught in Fundamentals of Chemistry II (CHE 112). Experiments exploring the phases of matter, physical properties of solutions, kinetics, thermodynamics, equilibrium, redox reactions, and basic electrochemistry. Safe laboratory practices and basic laboratory skills, introduction to basic spectrophotometry and the use of pH meters.

CHE 201
ORGANIC CHEMISTRY I
3, 3/0
Prerequisite: CHE 112. Chemistry of carbon compounds. Bonding, stereochemistry, and structural theory. Fundamental reactions of the functional groups considered from the mechanistic standpoint. Offered every semester.

CHE 202
ORGANIC CHEMISTRY II
3, 3/0
Prerequisite: CHE 201. Continuation of CHE 201. The reactions and mechanisms of organic functional groups including aromatic compounds, alcohols, aldehydes, carboxylic acids, and acid derivatives. Spectroscopic techniques (IR, UV, NMR) for the identification of organic molecules are also included. Offered every semester.

CHE 203
ORGANIC CHEMISTRY LABORATORY I
1, 0/3
Prerequisite: CHE 112. Laboratory techniques in organic chemistry including distillation, crystallization, extraction, sublimation, and chromatography are learned by application to the synthesis and purification of organic compounds. Experiments chosen from a variety of possible topics such as isolation of natural products, separation of mixtures, and synthesis. Offered every semester.

CHE 204
ORGANIC CHEMISTRY LABORATORY II
1, 0/3
Prerequisite: CHE 203. Prerequisite or concurrent registration: CHE 202. Continuation of CHE 203. Synthesis, isolation, purification, and identification of organic compounds with emphasis placed on spectroscopic methods of structure determination. Experiments chosen from a variety of possible topics such as multistep syntheses, mechanistic studies, and qualitative organic analysis. Offered every semester.

CHE 300
MEDICATIONS: CHEMICALS FOR YOUR HEALTH
3, 3/0
Prerequisite: CHE 100, CHE 101, or CHE 111. The structure, uses, and physiological effects of common medications, at a level appropriate for the non-science major. Emphasis on consumer issues related to safe and effective use of prescription and nonprescription drugs; drug development and approval; alternative medicines, vitamins, generic drugs, and consumer guides for using drugs wisely. Not open to chemistry or forensic chemistry majors. Offered occasionally.

CHE 301
ANALYTICAL CHEMISTRY
4, 2/6
Prerequisites: CHE 112 and CHE 114. Fundamental principles and laboratory applications of analytical chemistry. Elementary statistics, chemical equilibrium, acids and bases, redox reactions, gravimetry, separations, spectrophotometry, and basic electrochemistry. Laboratory experiences including acquisition of hands-on analytical laboratory skills and guided experiments selected from course topics.

CHE 305
PHYSICAL CHEMISTRY I
3, 3/0
Prerequisites: CHE 202 and PHY 112. Prerequisite or concurrent registration: MAT 263. The first semester of a two-semester sequence in physical chemistry. Topics include gas laws, laws of thermodynamics, state functions, thermochemistry, chemical equilibria, Maxwell relations, and chemical potential. Offered fall only.

CHE 306
PHYSICAL CHEMISTRY II
3, 3/0
Prerequisite: CHE 305, and MAT 263. The second semester of a two-semester sequence in physical chemistry. Topics include quantum chemistry, atomic and molecular structure, molecular and atomic spectroscopies, kinetic theory of gases, and kinetics. Offered spring only.

CHE 307
PHYSICAL CHEMISTRY LABORATORY I
1, 0/3
Prerequisites: CHE 204, CHE 301, and PHY 112, and MAT162, AND CWP/ENG 102. A laboratory study of the principles of physical chemistry covered in CHE 305. Topics include colligative properties, electrical conductivity, azeotropic mixtures, adsorption equilibria, and determination of equilibrium constants. Data analysis is required. Offered fall only. Equivalent course: CHE307W.

CHE 308
PHYSICAL CHEMISTRY LABORATORY II
1, 0/3
Prerequisites: CHE 305 and CHE 307 and MAT 263 AND CWP/ENG 102. A laboratory study of principles of physical chemistry covered in CHE 306. Topics include determination of rate laws; ultraviolet, visible, and infrared spectroscopy; and photochemistry. Data analysis using statistical methods and error analysis is required. Offered spring only. Equivalent course: CHE308W.

CHE 310
LITERATURE OF CHEMISTRY
1, 1/0
Sources of chemical literature. Experiences in chemical information searching and retrieval, including examples of computer searching. Offered fall only.

CHE 315
ENVIRONMENTAL CHEMISTRY AND TECHNOLOGY
3, 3/0; TSF
Prerequisite: CHE 112 or CHE 102. Discussion of chemical reactions in air, water, and soil. Effect of human activities on the chemical environment. Alternative energy sources, pollution-control methods and devices. Offered occasionally.
CHE 321
PRINCIPLES OF ORGANIC CHEMISTRY
4, 3/3
Prerequisite: CHE 102 or CHE 112. Survey of organic chemistry including functional groups and their chemical behavior. Not open to chemistry or forensic chemistry majors. Offered fall only.

CHE 322
BIOLOGICAL CHEMISTRY
4, 3/3
Prerequisite: CHE 202 or CHE 321. Structure and functions of the substances of biochemical interest found in living systems, supplemented by illustrative laboratory work. Not open to chemistry or forensic chemistry majors. Offered spring only.

CHE 331
PRINCIPLES OF PHYSICAL CHEMISTRY
3, 3/0
Prerequisites: CHE 202, MAT 126 or MAT 162, PHY 108 or PHY 112, or permission of instructor. A one-semester survey course exploring the principles of physical chemistry, oriented toward the needs of forensic chemistry majors and students in environmental and health related sciences. Topics include thermodynamics, kinetics, quantum chemistry, and atomic and molecular spectroscopies. Offered fall only.

CHE 360
INTRODUCTION TO INORGANIC CHEMISTRY
3, 3/0
Prerequisites: CHE 202. Descriptive inorganic chemistry of the main group and transition metal elements. Atomic structure and trends in the periodic table. Theories of chemical bonding. Introduction to crystal field, ligand field and molecular orbital theories. Inorganic chemistry of important industrial processes, including metallurgy. Role of metal ions in biological systems. Offered fall only.

CHE 399
INTERNSHIP IN CHEMISTRY
1-6, 0/0
Prerequisite: Permission of instructor. Hands-on experience in approved research and/or development project of current interest to local chemical industry. Offered every semester.

CHE 403
INSTRUMENTAL ANALYSIS
4, 2/6
Prerequisites: CHE 301; CHE 331 or CHE 306 (CHE 306 may be taken concurrently with instructor permission). Principles of analytical instruments and their applications for chemical analysis. Statistics, basic optics, various optical spectroscopic methods, chromatography, electrochemical methods, and mass spectrometry. Laboratory experiments using analytical instruments chosen from in-class topics. Offered every semester.

CHE 406
ANALYTICAL TOXICOLOGY
2, 1/3
Prerequisites: MAT 311 and CHE 301. Introductory analytical toxicology for pharmaceutical, forensic, and clinical analysis. Exploration of the main categories of inorganic and organic toxins, sample collection and treatment, chromatographic separation, spectroscopic and mass spectral determination of various toxic compounds in clinical, forensic, and environmental samples. Offered alternate years.

CHE 430
ORGANIC CHEMISTRY III
3, 3/0
Prerequisite: CHE 305. Advanced topics in theoretical and physical organic chemistry with emphasis on reaction types, mechanisms, and structure. Offered alternate years.

CHE 460
INORGANIC CHEMISTRY
3, 3/0
Prerequisite: CHE 305 or CHE 331. Introduction to modern inorganic chemistry, with special emphasis on periodic variations of structural and bonding patterns among inorganic compounds of the main group and transition elements. Kinetic and thermodynamic factors that govern the preparation and stability of inorganic compounds. Offered spring only. Equivalent courses: CHE400, FOR460

CHE 461
INORGANIC CHEMISTRY LABORATORY
2, 0/6
Prerequisite: CHE 301. Prerequisite or concurrent registration: CHE 460. Laboratory experience in the synthesis and characterization of selected inorganic compounds using a variety of techniques. Equivalent courses: CHE400, FOR461

CHE 460
ADVANCED INORGANIC CHEMISTRY
3, 2/3
Prerequisites: CHE 202, CHE 204, CHE 305, CHE 360, and CHE 306 or concurrent. Physical inorganic and transition metal chemistry. Development of symmetry and its applications to the spectroscopy of inorganic systems. Crystal field, ligand field and molecular orbital theories. Organometallic chemistry, homogenous and heterogeneous catalysis. Metal ions in biological systems. Offered spring only.

CHE 470
BIOCHEMISTRY I
3, 3/0
Prerequisites: CHE 202; BIO 211 recommended. Study of the molecular structure and function of the four major classes of biomolecules: proteins, nucleic acids, lipids, and carbohydrates. Examination of enzyme kinetics, mechanism, and regulation. Examination of the molecular nature of DNA replication and an introduction to recombinant DNA technology. Offered fall only. Equivalent course: CHE401

CHE 471
BIOCHEMICAL TECHNIQUES
2, 1/3; OCIF
Prerequisites: CHE 204 and CHE 301. Prerequisite or concurrent registration: CHE 470. Techniques used in the collection and analysis of experimental data on biochemical systems. Participation in laboratory experiments illustrating biochemical techniques and general biochemical principles. Practice in recording and disseminating data collected in a modern biochemistry laboratory, including record keeping via a laboratory notebook, organizing and writing a scientific report, and giving an oral presentation on scientific results. Offered fall only.

CHE 472
BIOCHEMISTRY II
3, 3/0
Prerequisites: CHE 202, CHE 470, BIO 211 or BIO 214. A continuation of CHE 470 Biochemistry I. Examination of metabolic processes in living systems. Relationship of metabolic enzyme activity to cellular control. The chemistry of genetic information, storage and expression. Offered spring only.

CHE 495
SPECIAL PROJECT
1-3, 0/0
Prerequisite: Faculty project adviser permission. Offered every semester.

CHE 497
CHEMISTRY MICROCROURSE
1-3, 1-3/0
Examination of significant disciplinary issues, topics, or practices; offered occasionally. Offered occasionally. Equivalent course: FOR497

CHE 499
INDEPENDENT STUDY
2-12, 0/0
Prerequisite: Faculty project adviser permission. Offered every semester.

CHI 101
BEGINNING CHINESE I
3, 3/0; FLA, GE14
Fundamentals of Mandarin Chinese with an emphasis on the spoken and written language. Offered fall only.
CHI 102
BEGINNING CHINESE II
3, 3/0; FLA, GE14
Prerequisite: CHI 101 or equivalent. Continuation of CHI 101. Offered spring only.

CHI 201
INTERMEDIATE CHINESE I
3, 3/0; FLA
Prerequisite: CHI 102 or equivalent. Further development of Mandarin Chinese with an emphasis on reading and writing. Offered fall only.

CHI 202
INTERMEDIATE CHINESE II
3, 3/0; FLA
Prerequisite: CHI 201 or equivalent. Continuation of CHI 201. Offered spring only.

CHI 301
CHINESE CONVERSATION AND COMPOSITION I
3, 3/0
Prerequisites: CHI 201. Practice in spoken and written Mandarin Chinese. Offered fall only.

CHI 302
CHINESE CONVERSATION AND COMPOSITION II
3, 3/0
Prerequisites: CHI 301. Practice in spoken and written Mandarin Chinese. Offered spring only.

CHI 389
TOPICS COURSE
3-9, 0/0

CIS - COMPUTER INFORMATION SYSTEM

CIS 101
COMPUTER FUNDAMENTALS
3, 3/0
The character, organization, and use of the computer. The function of the basic components of the computer. A broad survey of application software, as well as its impact on society. Hands-on experience using common software applications such as word processing, spreadsheets, databases, and communications required. Offered every semester.
Equivalent course: ISM101

CIS 105
INFORMATION TECHNOLOGY AND SOCIETY
3, 3/0; TSIF
The impact of information technology (IT) on social, ethical, legal, economic, privacy, intellectual property, and personal issues. Contemporary issues and challenges as affected by historical IT developments (Internet, databases, networks, communications, etc.) Students use current technology to support investigations of related topics and to communicate findings. Offered every semester.

CIS 151
COMPUTER-BASED INFORMATION PROCESSING I
3, 3/0
Description of computers, concepts of languages and programming. Basic properties of computer languages such as branching, looping, array handling, subprograms and functions and their application to the solution of a variety of problems. Emphasis on structured programming language with enhancement of programming skills through use of a contemporary computer programming language to write applications programs. Prospective CIS majors must earn a minimum grade of C in this course. Required for majors. Offered every semester.
Equivalent course: ISM151

CIS 251
COMPUTER-BASED INFORMATION PROCESSING II
3, 3/0
Prerequisite: CIS 151 or equivalent. Continuation of CIS 151. Pointers, data structures, files, lists, abstract data types, and classes. Emphasis on structured programming process using a high-level language. Required for majors. Offered every semester.
Equivalent course: ISM251

CIS 315
COMPUTER ORGANIZATION
3, 3/0
Prerequisite: CIS 151. This course breaks the basic organization of a computer system into a hierarchy of basic levels. Examination of CPU organization, digital logic level, micro-architecture level, and parallel architectures. How each of these levels and components interact to produce a working computer system. Focus is not solely on hardware but more broadly covers the interconnection between the fundamental building blocks of a computer and the relationship between hardware and software. Required for majors. Offered every semester.
Equivalent course: ISM315

CIS 361
FUNDAMENTAL CONCEPTS IN OBJECT-ORIENTED PROGRAMMING
3, 3/0
Prerequisite: CIS 151. An introduction to object-oriented programming. Introduces transfer students who have had the equivalent programming experience in a procedural-oriented environment to the paradigms of the object-oriented environment. Required for CIS majors who have no previous experience with object-oriented programming. Offered fall only.

CIS 370
SYSTEMS ANALYSIS AND DESIGN
3, 3/0
Prerequisite: CIS 151. Introduction to information analysis and system design. Topics include the systems concepts, defining a system, systems analysis, hardware elements, software elements, case studies. Required for majors. Offered every semester.
Equivalent courses: CIS370W, ISM370

CIS 375
PROGRAMMING FOR THE INTERNET ENVIRONMENT I
3, 3/0
Prerequisite: CIS 151 or equivalent. Overview of the Internet and its components, protocols, and software. Students create and maintain Web pages to distribute and collect information and to validate user input, and write applications specifically for the Internet environment. Offered every semester.

CIS 380
MICROCOMPUTER APPLICATIONS
3, 3/0
Prerequisite: CIS 370. Representative microcomputer software packages are used to solve advanced business application problems. Hands-on lab projects form a significant component of the course. Systematic design principles emphasized. Analytical features and data management techniques applied. Integration of data from different packages are practiced. Required for majors. Offered every semester.
Equivalent course: ISM380

CIS 391
INFORMATION SYSTEMS PROJECT MANAGEMENT
3, 3/0
Prerequisite: CIS 370. An examination of current practices in Project Management as applied to Information Systems projects. Hands-on experience with the skills, tools, and techniques required in different phases of an information system project's life cycle, including project selection, project planning, project staffing and organization, task scheduling, project scope management, budgeting and progress reporting, risk management, quality management, project communications and use of appropriate project management software tools. Offered spring only.

CIS 400
VISUAL BASIC PROGRAMMING FOR THE WINDOWS ENVIRONMENT
3, 3/0
Prerequisite: CIS 251 or CIS 361. Students gain experience with an object-oriented, event-driven programming language using a modern integrated development environment. Students write programs utilizing basic data types, control structures, multiple forms, user-defined classes, arrays, and collections and access data from forms, files, and databases. Required for majors. Offered every semester.
<table>
<thead>
<tr>
<th>Course Code</th>
<th>Course Title</th>
<th>Prerequisites/Notes</th>
</tr>
</thead>
<tbody>
<tr>
<td>CIS 405</td>
<td>COMPREHENSIVE COBOL PROGRAMMING</td>
<td>Prerequisite: CIS 251 or CIS 361. Intensive study of COBOL and its use in commercial applications, with emphasis on COBOL, fundamentals and advanced features, program design and style, and file handling. Programming projects involve commercially-oriented applications programs. Offered occasionally. Equivalent course: ISM442W.</td>
</tr>
<tr>
<td>CIS 411</td>
<td>DATABASE SYSTEMS</td>
<td>Prerequisite: CIS 370. The basic concepts and uses of data and database systems. Topics include organization, analysis, and function of database systems. Components of representative relational, network and hierarchical databases will be presented along with programming and design. Required for majors. Offered every semester. Equivalents course: CIS411W.</td>
</tr>
<tr>
<td>CIS 413</td>
<td>MULTIMEDIA WEB PROGRAMMING</td>
<td>Prerequisites: CIS 251 or CIS 361, CIS 375. Integration of text, graphics, animation, and audio and video sources to create multimedia products deliverable via the World Wide Web. Programming with animation, data processing, dynamic content creation, and component manipulation. Emphasizes object-oriented capabilities of contemporary multimedia development tools, objects, methods, events, properties, and functions. Offered spring only.</td>
</tr>
<tr>
<td>CIS 420</td>
<td>DATABASE MANAGEMENT SYSTEMS</td>
<td>Prerequisite: CIS 411. Advanced concepts of database management, including data modeling, features and uses of database management systems, data and database administration, and data dictionary. Offered spring only. Equivalent course: ISM420.</td>
</tr>
<tr>
<td>CIS 425</td>
<td>OBJECT-ORIENTED DEVELOPMENT</td>
<td>Prerequisites: CIS 251 or CIS 361, CIS 370. Object-oriented approach to programming and design, including its history and rationale. Students gain hands-on programming experience using an appropriate object-oriented language. Offered fall only.</td>
</tr>
<tr>
<td>CIS 427</td>
<td>E-COMMERCE SYSTEMS AND TECHNOLOGIES</td>
<td>Prerequisites: CIS 370, CIS 375. Examines technological advancements along with business and organizational issues of electronic commerce. The technological context includes an understanding of tools and concepts such as Web servers, client/servers, communication networks, and e-commerce software. The business context includes components such as payment methods, fulfillment policies, privacy, security, and international issues. Offered spring only.</td>
</tr>
<tr>
<td>CIS 435</td>
<td>COMPUTER SEMINAR</td>
<td>Prerequisite: Permission of instructor. Selected topics from subjects not covered in formal courses. Offered occasionally.</td>
</tr>
<tr>
<td>CIS 470</td>
<td>DATA COMMUNICATIONS</td>
<td>Prerequisites: CIS 151, CIS 315. A comprehensive study of data transmission, packet transmission, and internetworking concentrating on principles. Topics include, but are not limited to, underlying hardware, packet switching, Internet protocols, and network applications. Offered every semester. Equivalent course: ISM470.</td>
</tr>
<tr>
<td>CIS 471</td>
<td>NETWORKING LABORATORY I</td>
<td>Prerequisites: CIS 410, CIS 470. Hands-on experience in installing, configuring, and administering a modern operating system in a networked environment. Topics include network topologies, paradigms, protocols, services, computer security, intrusion recovery and privacy. Offered fall only.</td>
</tr>
<tr>
<td>CIS 473</td>
<td>ENTERPRISE SYSTEMS DESIGN AND ADMINISTRATION</td>
<td>Prerequisites: CIS 251 or CIS 361, CIS 410, CIS 470. Knowledge and skills needed to be a successful member of an enterprise IT technology support group. Discussion includes roles, responsibilities, policies, procedures, and ethical issues. Projects include administration tasks, design issues, implementation plans, and performance-monitoring strategies. Installation and administration of enterprise-wide network hardware and software. Offered spring only.</td>
</tr>
<tr>
<td>CIS 475</td>
<td>PROGRAMMING FOR THE INTERNET ENVIRONMENT II</td>
<td>Prerequisites: CIS 251 or CIS 361, CIS 375, CIS 411. Server-side programming on the Internet. Contemporary server-side programming environment to distribute and collect information, validate user input, and provide dynamic Web content. Forms, databases, templates, cookies and session tracking and their use in dynamic site development examined. Offered fall only.</td>
</tr>
<tr>
<td>CIS 478</td>
<td>INFORMATION SYSTEM SECURITY</td>
<td>Prerequisites: CIS 410, CIS470. A survey of essential topics pertinent to modern computer, network and information security. Topics include fundamental security concepts; Organizational risk assessment and valuation; Attack strategies for operating systems, network and web services; Mitigation techniques, system strengthening (hardening), countermeasures and trade-offs. Offered fall only.</td>
</tr>
<tr>
<td>CIS 488</td>
<td>INTERNSHIP</td>
<td>Prerequisites: CIS 380, upper division status, and permission of instructor. Qualified students are placed in functioning organizations to work as trainees, on special projects or studies, or in a relevant aspect of information systems. Offered every semester. Equivalent course: ISM488.</td>
</tr>
<tr>
<td>CIS 490</td>
<td>SENIOR SEMINAR</td>
<td>Capstone Course.</td>
</tr>
<tr>
<td>CIS 495</td>
<td>SPECIAL PROJECT</td>
<td>Prerequisites: CIS 415.</td>

COM 301  
PRINCIPLES OF PUBLIC RELATIONS AND ADVERTISING  
3, 2/2  
Prerequisite: GPA of 2.6 in a communication major; COM 100, SPC 205, COM 210, COM 215. Principles of strategic integrated communication (public relations and advertising); based on model of formative research, strategy, tactics, evaluation, exploration of public relations and advertising via theoretical base, ethical principles, social responsibilities, functions, and professional aspects. Offered every semester.  
Equivalent courses: COM301W, JBS301

COM 302  
PRINCIPLES OF JOURNALISM  
3, 2/2  
Prerequisites: GPA of 2.6 in a communication major; COM 100 or SPC 103, COM 210, COM 215, SPC 205. Overview of journalism and its historical, ethical, and professional base; focus on news sources, with practice in information-gathering techniques. Offered every semester.  
Equivalent courses: COM302W, JBS302

COM 303  
PRINT NEWS I: REPORTING  
3, 2/2  
Prerequisite: GPA of 2.6 in a communication major; COM 100 or SPC 103, SPC 205, COM 210, COM 215. Practice in news writing for print and online publications; theory, form, and techniques in writing news; focuses on leads and various types of reporting scenarios; experience in writing under deadline pressure. Offered every semester.  
Equivalent course: COM303W

COM 304  
WRITING FOR BROADCAST (TV, RADIO, FILM)  
3, 2/2  
Prerequisites: GPA of 2.6 in a communication major, COM 100, SPC205, COM 210. Practice in organizing and writing for radio, audio media, television, and other visual media; writing in various formats, including commercials, promotional announcements, documentaries, corporate video, and narrative scripts. Offered every semester and summer.  
Equivalent courses: COM201, COM304W, TFA304

COM 308  
PUBLIC RELATIONS WRITING  
3, 3/0  
Prerequisites: GPA of 2.6 in a communication major; COM 100 or SPC 103, SPC 205, COM 210, COM 215. Intensive practice in writing for all types of public relations situations; focus on writing for both news media and organizational media for purposes of both information and advocacy. Offered every semester.  
Equivalent courses: COM308W, JBS308

COM 310  
INTERNATIONAL COMMUNICATION  
3, 3/0  
Prerequisite: Upper-division status. Analysis of the role of international communication in today’s global society through a comparative study of the world’s press and broadcasting systems. Includes journalistic values of other countries, differing philosophies of broadcasting, and the process of international communication within the framework of North-South, social, economic, and political divisions of the late twentieth century. Offered fall only.  
Equivalent courses: COM310W, JBS310

COM 312  
BASIC MEDIA PRODUCTION  
3, 2/2  
Prerequisite: GPA of 2.6 in a communication major, COM 100 or SPC 103, SPC 205, COM 210. Exploration of basic concepts and processes of video and audio media production and editing, including hands-on experience in studio and field production, and both video and audio postproduction; Discussion of career options. Offered every semester.  

COM 317  
MEDIA MANAGEMENT  
3, 3/0  
Prerequisite: GPA of 2.6 in a communication major, COM 100, SPC 205, COM 210, COM 215. Theory and practice in broadcast management, radio and television stations, cable networks, online digital media; focus on structure, budget, sales, regulations, and audience-building aspect of programming and management. Offered every semester.  
Equivalent course: JBS317

COM 322  
COMMUNICATION GRAPHICS  
3, 2/2  
Prerequisites: GPA of 2.6 in a communication major; COM 100, SPC 205, COM 210, COM 215. Theory and practice of information design for organizational and mass media; application for print, digital, and other communication media. Offered every semester and summer.  
Equivalent course: JBS322

COM 325  
FEATURE WRITING  
3, 3/0  
Prerequisites: GPA of 2.6 in a communication major; COM 100, SPC 205, COM 210, COM 215. Theory and advanced practice in writing magazine articles, newspaper features, and similar stories for online publications; writing for specialized audiences; introduction to freelance procedures. Offered every semester.  
Equivalent courses: COM325W, JBS325

COM 327  
LITERARY JOURNALISM  
3, 3/0  
Prerequisites: COM 100 or SPC 103 and COM 210. Exploration of literary excellence in journalistic writing; classic journalistic authors and their stories; relationship of journalism and literature, as well as television and radio scripts and online, long-form narrative. Offered occasionally.  
Equivalent course: HUM327

COM 328  
INTERMEDIATE AUDIO PRODUCTION  
3, 2/2  
Prerequisite: GPA of 2.6 in a communication major, COM 312. Continuing study of the theory, aesthetics, and fundamentals of audio production; emphasis on commercial production for radio and other audio media; introduction to in-studio production setting. Offered every semester.  
Equivalent course: JBS328

COM 329  
INTERMEDIATE VIDEO PRODUCTION  
3, 2/2  
Prerequisite: GPA of 2.6 in a communication major, COM 312 or TFA 301. Continuing study of the theory, aesthetics, and fundamentals of video production; emphasis on visual, auditory, and motion elements of communication in television and video; practice in studio production setting. Offered every semester.  
Equivalent course: JBS329
COM 335
TALK RADIO/TALK TELEVISION
3, 3/0
Prerequisite: Upper-division status. Introduction to various aspects of talk radio and talk television; differences between news reporters and talk-show hosts; relationship with sales and audience analysis; attention to roles of producer, program director, and promotions. Offered fall only.

COM 336
WEB AND SOCIAL MEDIA PRODUCTION
3, 2/2
Prerequisites: GPA of 2.6 in a communication major, COM 100, SPC 205, COM 210, COM 215. Theory and practice of Web-based communication and social media; focus on strategy and design as well as writing for Web and social media. Offered every semester.

COM 337
ELECTRONIC NEWS PRODUCING
3, 2/2
Prerequisites: GPA of 2.6 in a communication major, COM 100, SPC 205, COM 210, COM 215, COM 302. News writing and producing for electronic media in studio setting; theory, form, and techniques of writing and presenting news for radio and television; practice in reporting, writing, and presentation under deadline pressure. Offered every semester.
Equivalent courses: COM 337W, JBS 337

COM 338
ELECTRONIC NEWS REPORTING
3, 2/2
Prerequisite: GPA of 2.6 in a communication major, COM 100, SPC 205, COM 210, COM 215, COM 302, COM 312. News reporting for electronic media in non-studio locations; practice in reporting, writing, and news presentation under deadline pressure; techniques of using cameras and editing equipment. Offered every semester.

COM 340
PHOTOJOURNALISM
3, 2/2
Prerequisite: COM 303. Basic techniques of news photography as practiced by newspapers and magazines, with laboratory and field assignment experience. Note: 35mm camera with meter and full manual controls required. Offered occasionally.

COM 341
FUNDRAISING
3, 3/0
Theory and practice of fundraising and organizational philanthropy; focus on planning, organization, management, marketing, and practical approaches that nonprofit organizations use to raise money from private sources. Offered fall only.

COM 342
AUDIO AND MUSIC IN MEDIA
3, 3/0
Prerequisites: COM 312. Study of the role of audio and music in various media formats; hands on approach to music and sound effect selection, production, manipulation and integration in media. Offered occasionally.

COM 389
TOPICS COURSE
1-9, 0/0
Offered occasionally.

COM 390
SPECIAL TOPICS: JOURNALISTIC WRITING
3, 3/0
Prerequisites: GPA of 2.6 in a communication major, COM 100, SPC 205, COM 210, COM 215. Specialized reporting includes extensive study, research, analysis, and journalistic writing on a special topic, such as sports, business, health, technical, or environmental reporting. Offered every semester.
Equivalent course: COM 390W

COM 392
PUBLIC RELATIONS IN SPORTS
3, 3/0
Prerequisites: CWP 101, CWP 102, COM 210, or admission to sports management minor. Sports public relations and its role in intercollegiate and professional athletics; process and practice of sports information and media relations; topics include writing formats, publications, crisis management, game management, current events, law, and ethics. Offered every semester.

COM 400
COMMUNICATION LAW
3, 3/0
Prerequisites: GPA of 2.6 in a communication major, COM 100, SPC 205, COM 210, COM 215. Study of freedom of speech and the press in the United States, particularly the rights and responsibilities of the media and constraints placed on them under law: libel, privacy, journalistic privilege, free press/fair trial, obscenity, advertising law. Offered every semester.
Equivalent courses: COM 400W, JBS 400

COM 401
APPLIED COMMUNICATION RESEARCH
3, 3/0
Prerequisites: GPA of 2.6 in a communication major; COM 301. Applied research techniques in communication fields; students do original research using content analysis, focus groups, and/or surveys. Offered every semester.
Equivalent course: JBS 401

COM 405
ONLINE NEWSROOM
3, 2/1
Prerequisites: GPA of 2.6 in the journalism major, COM 303, COM 337. Supervised reporting and editing experience through laboratory practice resulting in online publication; theory and practice in news gathering, writing, editing, capturing visual and audio elements of news stories, working under deadline pressure; emphasis on news judgment, research, accuracy, data gathering, interviewing, editing, diversity, legal issues and journalistic ethics. Offered every semester.

COM 408
PUBLIC RELATIONS CASE STUDIES
3, 3/0
Prerequisite: COM 301. Exploration of various genres of public relations; application of strategic principles, techniques, and programs to real-life organizational problems and opportunities. Offered fall only.
Equivalent courses: COM 408W, JBS 408

COM 410
MASS COMMUNICATION HISTORY
3, 3/0
Prerequisite: Upper-division status. Historical survey of the technology and social evolution of journalism and the broadcasting industries, including an analysis of their roles in American society. Offered occasionally.
Equivalent courses: COM 410W, JBS 410

COM 418
CAMPAIGNS IN PUBLIC RELATIONS AND ADVERTISING
3, 2/2
Prerequisites: GPA of 2.6 in the public communication major; COM 301, COM 308, COM 322 or COM 336, COM 401. Capstone experience in strategic integrated communication based on public relations and advertising experience in developing campaigns for actual clients, with focus on formative research, strategy, tactics, and evaluation, as well as client presentation. Equivalent courses: COM 418W, JBS 418

COM 428
ADVANCED AUDIO PRODUCTION
3, 2/2
Prerequisite: GPA of 2.6 in the media production major, COM 328. Capstone experience in producing audio; emphasis on multi-track recording, mixing, music and voice editing. Offered every semester.

COM 429
ADVANCED MULTI-CAMERA STUDIO PRODUCTION
3, 2/2
Prerequisite: GPA of 2.6 in the media production major, COM 329. Capstone experience in studio television production using news and/or other...
genres requiring advanced skills; requires hands-on practice in studio-based productions. Offered every semester.
Equivalent course: JBS429

COM 431
ADVANCED FIELD PRODUCTION
3, 2/2
Prerequisite: GPA of 2.6 in the media production major, COM 329. Capstone experience in producing and directing field video productions for on-campus/off-campus viewing; students specialize in field productions in non-studio locations; use of portable cameras, lighting and sound equipment; production in remote studio settings. Offered fall only.

COM 432
ADVANCED POST-PRODUCTION
3, 2/2
Prerequisite: GPA of 2.6 in a communication major, COM 312. Capstone experience in video post-production; emphasis on post-production editing and editor's role in visual storytelling; hands-on approach to developing both artistic insight and practical skills in editing. Offered every semester.

COM 433
ADVANCED TV DOCUMENTARY PRODUCTION
3, 2/2
Prerequisite: GPA of 2.6 in the media production major, COM 312. Capstone experience in producing and directing television documentaries, with hands-on experience in planning, writing, shooting and editing; focus on analysis and evaluation of documentary productions. Offered spring only.

COM 434
ADVANCED VIDEO PRODUCTION PRACTICUM
3, 2/2
Prerequisite: GPA of 2.6 in the media production major, COM 329. Capstone experience in producing video programming for client- and college-generated on-campus/off-campus uses. Students staff a full production team for public affairs, community service, promotions, entertainment, and other types of programming. Offered fall only.

COM 450
COMMUNICATION AND SOCIETY
3, 3/0
Prerequisites: GPA of 2.6 in a communication major, COM 100/SPC 103, SPC 205, COM 210, COM 215, completion of 21 upper-division COM/SPC courses/Role of communication in society; exploration of contemporary issues in mass media and related disciplines; focus on ethical responsibilities of communication professionals. Offered every semester.
Equivalent course: COM450W

COM 488
INTERNSHIP
1-15, 1/0
Prerequisites: GPA of 2.6 in the journalism, public communication or media production majors and permission of instructor upon recommendation of advisor. COM 301 and COM 308 for internships in public communication major. COM 304 and COM 312 for internships in media production major. COM 302 and COM 303 or 322 for internship in journalism major. Supervised field experiences in a professional setting for students who have completed extensive academic preparation in the discipline. Fifty hours of fieldwork per credit. Offered every semester.

COM 495
SPECIAL PROJECT
1-3, 3/0
Prerequisites: GPA of 2.6 in a communication major and permission of instructor. Offered occasionally.

COM 499
INDEPENDENT STUDY
3-12, 3/0
Prerequisites: GPA of 2.6 in a communication major and permission of instructor. Offered occasionally.

---

CRJ - CRIMINAL JUSTICE

CRJ 101
INTRODUCTION TO CRIMINAL JUSTICE
3, 3/0; SS14, SS1F
An introductory analysis of the agencies and processes of the criminal justice system, including an examination of patterns of crime and victimization; underlying ideologies; procedures, functions and structure; fundamental legal concepts; interaction between various social groups and the criminal justice system; and organization, discretion and decision-making of police, criminal courts, and correctional services. Offered every semester.

CRJ 201
CRIMINAL LAW
3, 3/0
Prerequisite: CRJ 101. The study of substantive criminal law through the analysis of judicial opinions and textual material. In-depth coverage of the elements of crime, such as intent, actus reus, and concurrence, examined within the statutory definition of different forms of offenses and studied within the context of defenses such as justifications, among others. Offered every semester.

CRJ 202
THE POLICE PROCESS
3, 3/0
Comprehensive introduction to the basic elements of policing in the United States, designed to acquaint students with the most current knowledge about police organizations, police officers, police work, and police problems. Offered every semester.
Equivalent course: CRJ202W

CRJ 204
THE CORRECTIONAL PROCESS
3, 3/0
The correctional process from sentencing to parole. Examines legal and administrative processes used in establishing postconviction remedies, criminal sanctions, and social controls on adult offenders. Emphasis on understanding the structure and function of the American correctional system and the processes in establishing correctional custody and treatment. Offered every semester.

CRJ 250
INTRODUCTION TO INTELLIGENCE ANALYSIS
3, 3/0
Survey course that introduces students to the discipline of intelligence in the areas of national security, business, and law enforcement. Provides students with an understanding of how intelligence systems function, how they are used by policymakers, and how they are managed and controlled. Covers such intelligence topics as history, ethics, psychology, and analytical techniques. Offered every semester.

CRJ 301
POLICE ORGANIZATION AND MANAGEMENT
3, 3/0
Prerequisites: CRJ 101 or permission of instructor, upper-division status. Analysis of administrative theory and practice in police systems with emphasis on organization and function, and on issues unique to those systems. Offered every semester.

CRJ 302
CRIMINAL JUSTICE AND THE COMMUNITY
3, 3/0
Patterns of crime in the community and the community's response. Differences between urban and suburban areas, as well as by age, gender, and race. Practices and effects of diversion, community-based corrections, victim-witness programs, crime watch, court watch, restitution, mediation, and dispute-resolution programs. Offered fall only.
Equivalent course: CRJ302W

CRJ 303
CRIMINAL JUSTICE THEORY AND IDEOLOGY
3, 3/0; OCF
Prerequisites: CRJ 101 and CWP 102. Examination of the social, political, cultural, and economic forces that shape the historical and contemporary theories and ideologies of crime and their interactive influences with criminal justice policies and practices. Offered every semester.
Equivalent courses: CRJ203, CRJ303W

CRJ 305
THE JUVENILE JUSTICE SYSTEM
3, 3/0
Prerequisites: CRJ 101, and upper-division status. The structure and function of the juvenile justice system. Statutes and court decisions used to determine jurisdiction over youth. Critical decision-making stages of the juvenile court process. Review of the research concerning the relative effectiveness of treatment and social control programs for youth. Emphasis on the historical, cultural, social, and legal influences governing the processes, priorities, and practices of juvenile justice. Offered every semester.

CRJ 306
PROBATION, PAROLE, AND COMMUNITY CORRECTIONS
3, 3/0
Prerequisites: CRJ 101 and upper-division status. Review of probation, parole, and community corrections; their histories and organizational structures; the nature and effects of the process by which offenders are handled, as well as the dynamics and trends toward change in the field of probation, parole, and community-based corrections. Offered every semester.

CRJ 307
COMPARATIVE CRIMINAL JUSTICE SYSTEM
3, 3/0
Prerequisite: CRJ 101. The major contemporary criminal justice systems and their operations under various cultural contexts. The social, economic, political, and ideological forces that have impacted present-day systems. Methodological issues of comparative research. Offered fall only.
Equivalent course: CRJ307W

CRJ 308
CRIME PREVENTION
3, 3/0
Prerequisite: CRJ 101. The nature and effects of three levels of efforts at crime prevention: those administered by the formal justice system to prevent offenders from repeating offenses, those designed to deal with people identified as likely to commit crime, and those designed to modify the physical and social environments that foster crime. Offered occasionally.

CRJ 310
STATISTICS IN CRIMINAL JUSTICE
3, 3/0
Prerequisite: Majors Only. An introductory overview of statistical principles and statistical techniques in criminal justice research. Introduction of data measurement, data distributions, probability and the normal curve, samples and populations, testing differences between means, analysis of variance, nonparametric tests of significance, correlation, and regression analysis. Includes "hands-on" experience using SPSS for data analysis and interpretation.

CRJ 315
RESEARCH METHODS IN CRIMINAL JUSTICE
3, 3/0
Prerequisites: CRJ 101 and (ECO 305 OR MAT 311 OR PSY 306 OR SOC 301), and upper-division status. Introduction to the research process as practiced in criminal justice: definition of problem, delineating theory, various methods of data collection, examination of validity and reliability, research devices used in everyday criminal justice. Students participate in some aspect of research. Offered every semester.
Equivalent course: CRJ315W

CRJ 317
CONSTITUTIONAL ISSUES IN CRIMINAL JUSTICE
3, 3/0
Prerequisites: CRJ 101 and upper-division status. Constitutional issues in criminal justice through a review of United States Supreme Court decisions regarding law enforcement, prosecution, defense, judicial process, corrections, and community supervision; additional constitutional issues related to the administration of justice. Offered every semester.

CRJ 320
CRIMINAL COURTS
3, 3/0
Prerequisite: CRJ 101. The trial criminal courts, with emphasis on courts for adult offenders. Legal, social, and political processes that affect the dynamics of the criminal trial process. Problems, possible reforms, and decision-making of the participants. Interrelationships that affect and influence court decisions and justice. Offered occasionally.

CRJ 355
CRIME ANALYSIS
3, 3/0
Prerequisite: Junior level status or instructor permission. Crime analysis terminology, techniques, and methodologies. The role and responsibilities of a crime analyst, including the need for analysts to utilize cross-jurisdictional data and provide objective results to policymakers and law enforcement decision-makers. Offered every semester.

CRJ 402
ADVANCED ADMINISTRATION IN CRIMINAL JUSTICE
3, 3/0
Prerequisites: CRJ 101; upper-division status; and completion of introductory course in public administration, business management, or criminal justice administration. Advanced course in management concepts and issues applicable to the administration of criminal justice agencies. Emphasis on a systems model of organizational analysis. External environment of crime control policy and its impact upon agency operations. Internal agency management. The responsibilities and functions of crime control agency managers. Offered spring only.

CRJ 404
WHITE-COLLAR AND CORPORATE CRIME
3, 3/0
Prerequisites: CRJ 101, CRJ 303, and upper-division status. Physical and financial harm caused by wayward corporations, corporate officials, employees, and other white-collar offenders. Emphasis on ethical and legal decision making and regulatory monitoring, and control of white-collar and corporate activity. Offered spring only.

CRJ 406
CORRECTIONAL INSTITUTIONS AND PROGRAMS
3, 3/0
Prerequisites: CRJ 101, CRJ 204, and upper-division status or permission of instructor. Comprehensive survey of adult institutional corrections systems, their programs and services, and the policies and procedures governing the operational, legal, and structural context of correctional environments. Emphasis on the research literature focused on the impacts and outcomes of various correctional intervention strategies. Offered occasionally.
Equivalent course: CRJ406W

CRJ 408
PROSEMINAR IN CRIMINAL JUSTICE
3, 3/0
Investigation, examination, and discussion of topics of current interest in criminal justice. Techniques and analysis of criminal justice research. Offered occasionally.
Equivalent course: CRJ408W

CRJ 409
ADVANCED ISSUES IN LAW ENFORCEMENT
3, 3/0
Prerequisites: CRJ 101, CRJ 202, and upper-division status or permission of instructor. Advanced course on contemporary issues in law enforcement. Provides insight and depth into a broad range of topics and exposes students to experts and specialists from various relevant disciplines. Offered spring only.

CRJ 410
ORGANIZED CRIME
3, 3/0
Prerequisites: CRJ 101, CRJ 303, and upper-division status. Views on organized crime, the controversy surrounding the phenomenon, and efforts at control. Definition of organized crime, its developmental history, and models that define the structure of organized crime in the United States. Theories that explain the existence of organized crime, activities that constitute the “business” of organized crime, the relationship between organized crime and official corruption, techniques used to combat organized crime, and policy implications inherent in responses to organized crime. Offered fall only.
CRJ 420
ADVANCED ISSUES IN PUNISHMENT AND CORRECTIONS
3, 3/0
Prerequisites: CRJ 101, CRJ 204; upper-division status. Critical analysis of contemporary policies, practices, and issues arising from the control and punishment of criminal offenders. Emphasis on the complexity of recent issues, such as disparity in criminal sentencing, use of the death penalty, institutional overcrowding, treatment of institutionalized people, and community supervision of nonincarcerated offenders. Focus of analysis will vary with interests of faculty and students. Offered fall only.

CRJ 425
RACE, ETHNICITY, AND THE ADMINISTRATION OF JUSTICE
3, 3/0; DI14, DI2
Prerequisites: CRJ 101 and upper-division status. The current state of race relations in society and the criminal justice system; the historical experiences of different racial and ethnic groups in the United States and their relation to law and the criminal justice system as victims, offenders, and officials in criminal justice institutions. Offered every semester.
Equivalent course: AAS425

CRJ 430
GENDER AND THE ADMINISTRATION OF JUSTICE
3, 3/0; DI14, DI2
Prerequisites: CRJ 101 and upper-division status. The mutual effects between gender and aspects of criminal justice, including victimization, criminally, law, and the criminal justice process. Includes perspectives on the historical subordination of women, and how law and the criminal justice system can be used to ameliorate that subordination. Offered every semester.

CRJ 440
DRUGS, CRIME, AND DRUG POLICY
3, 3/0
Prerequisites: CRJ 101 and CWP 102. The nature and impact of drug abuse in America and the relationship to criminal behavior. The historical and ideological foundations of national drug-control policy as well as contemporary control and intervention strategies. Offered occasionally.

CRJ 450
TERRORISM AND CRIMINAL JUSTICE
3, 3/0
Prerequisites: CRJ 101. The phenomenon of terrorism from a criminal justice perspective. The history of the phenomenon and contemporary terrorism in both its domestic and international manifestations; theories about terrorism; analytic methods for investigating and combating it, whether perpetrated by state or non-state actors. Offered every semester.

CRJ 455
ADVANCED INTELLIGENCE ANALYSIS
3, 3/0
Prerequisite: CRJ 250. Advanced-level continuation of CRJ 250. Introduces a variety of analytical techniques; provides advanced knowledge, understanding, and application of these techniques; promotes critical thinking and report-writing skills. Offered every semester.
Equivalent course: CRJ350

CRJ 470
ADVANCED SEMINAR IN CRIMINAL JUSTICE
3, 3/0; OCIF
Prerequisites: CWP 102, CRJ 101, CRJ 303, CRJ 315, upper division status, and at least 24 credit hours of criminal justice coursework. Integration of knowledge acquired throughout the criminal justice curriculum into a holistic conception of criminal justice theory, practice, research, and planning. Emphasis on developing advanced scholarship, conceptualization, and critical thinking through writing within the discipline. Offered every semester.
Equivalent course: CRJ470W

CRJ 485
MOOT COURT
3, 3/0; OCIF
Prerequisite: Upper-division status. Simulation of a trial court or appellate court proceeding involving teams of students acting as prosecutor/plaintiffs’ attorneys, defense attorneys, and witnesses. Students develop case strategy, analyze evidence, integrate legal precedent, prepare a written brief, question witnesses, and present oral arguments to the court in opening and closing statements. Final project is a mock trial presentation held in a formal courtroom setting. Offered every semester.

CRJ 488
INTERNESHIP IN CRIMINAL JUSTICE
3-15, 3/0
Prerequisites: Senior-level standing, 3.0 GPA, and permission of instructor. A comprehensive, supervised field experience in criminal justice and related social service agencies. Requires a minimum of 10 hours of work in the agency during a 14-week period (140 total hours) and a weekly academic seminar on campus. The purpose of the internship is to integrate knowledge learned in the academic environment with the experience of day-to-day work in a professional environment. Offered every semester.

CRJ 495
SPECIAL PROJECT
1-3, 0/0
Offered occasionally.

CRJ 499
INDEPENDENT STUDY
3-12, 0/0

CRS - INTERNATIONAL CENTER FOR STUDIES IN CREATIVITY

CRS 201
FOUNDATIONS OF LEADERSHIP
3, 3/0
History of leadership and leadership as an ongoing process of challenge, growth, and development. Students learn the foundational concepts of leadership, assess their own leadership styles, and discuss issues relevant to leadership. Provides opportunities for personal awareness and promotes effective leadership-skill development. Includes opportunities for the practice of leadership skills in campus and community organizations. Offered every semester.
Equivalent courses: BUS201

CRS 205
FOUNDATIONS IN CREATIVE THINKING
3, 3/0
Recognition and nurturing of creative potential. Focus on the creative person, the creative process, the creative product, and the creative environment. Further emphasis on the interactive nature of these elements and individual application in personal and professional settings. Offered every semester.

CRS 302
CREATIVE APPROACHES TO PROBLEM SOLVING
3, 3/0
Prerequisites: CRS 205 or CRS201, CWP 101, and CWP 101. Creative problem-solving methods and techniques. Emphasis on the application of creative problem solving to challenges, goals, and opportunities students face in their personal and professional lives. Offered fall only.
Equivalent course: CRS302W

CRS 303
CREATIVE LEADERSHIP THROUGH EFFECTIVE FACILITATION
3, 3/0
Prerequisite: CRS 302. Learn and practice creativity concepts as they relate to leadership; examination of individual leadership styles and specific methods and techniques to apply concepts and skills. Offered every semester.

CRS 304
DEVELOPING CREATIVE PROBLEM-SOLVING FACILITATION SKILLS
3, 3/0
Prerequisites: CRS 205 and CRS 302. Develop and apply facilitation and leadership skills in a variety of settings. Participate in supervised practice using creative problem-solving techniques with groups and individuals. Offered spring only.

CRS 320
APPLICATIONS OF CREATIVITY AND INNOVATION
3, 3/0
Prerequisite: CRS 205. Exploration of creative processes within a creative environment that produce novel and useful products. The nature of creative people; examination of personal experience in the application of creativity in
the arts, science, education, and business. Personal creative ability developed through class activities, readings, and interaction. Offered spring only.

CRS 389
TOPICS IN CREATIVE STUDIES: APPLYING INTERDISCIPLINARY PRINCIPLES
3, 3/0
This interdisciplinary course examines major principles of creativity and their applications to everyday life-personal, social, professional, avocational. Explores the nature of creative persons and those factors that encourage or inhibit creative expression. Examines research for its various implications and applications. Guest speakers from a variety of disciplines examine creativity from their diverse viewpoints. Participation in the creative process in a variety of ways. Offered occasionally.

CRS 435
EXPERIENCES IN LEADERSHIP
3, 3/0
Prerequisites: CRS 201, CRS 302, CRS 303. As the culminating course in leadership, the capstone experience is designed to synthesize prior coursework and serve as a transition to professional leadership opportunities. This will be primarily achieved through an applied leadership experience in which students will be required to employ knowledge and skills gained from prior courses in the minor program. To enable students to develop an understanding of leadership in applied contexts, they will have the opportunity to interact with and learn from successful leaders in the Western New York region. Finally, students will be required to articulate a vision of themselves as future leaders in their respective professions and communities. Offered alternate years.

CTE - CAREER AND TECHNICAL EDUCATION

CTE 100
COMPREHENSIVE THEORETICAL TRADE OR TECHNICAL SKILLS
15, 0/0
Credit is awarded for satisfactory completion of trade theory. Assessment of competency is based on verification of four years’ employment in a trade normally taught in vocational high school programs. Graduates of community college technical programs in appropriate trades are required to verify two years’ employment. The National Occupational Competency Testing Institute Examination and/or other assessment techniques may be used to determine credit of 15 semester hours. Offered every semester. Equivalent course: VTE100

CTE 200
COMPREHENSIVE TRADE OR TECHNICAL PERFORMANCE SKILLS
15, 0/0
Credit is awarded for satisfactory completion of trade theory. Assessment of competency is based on verification of four years’ employment in a trade normally taught in vocational high school programs. Graduates of community college technical programs in appropriate trades are required to verify two years’ employment. The National Occupational Competency Testing Institute Examination and/or other assessment techniques may be used to determine credit of 15 semester hours. Offered every semester. Equivalent course: VTE200

CTE 301
PRINCIPLES OF BUSINESS/MARKETING AND TECHNOLOGY EDUCATION
3, 3/0
Introduction to the teaching of occupational education courses in public schools; principles, philosophy, and objectives; historical development of occupational education and the development of current issues for an occupational education program. Offered every semester. Equivalent courses: BME301, BME301W, BUS301, FCS301

CTE 302
CURRICULUM AND EVALUATION IN BUSINESS/MARKETING AND TECHNOLOGY EDUCATION
3, 3/0
Introduction to the curriculum and evaluation in business/marketing and technology education. State curriculum and standards, lesson planning, student learning, and curriculum evaluation. Offered every semester. Equivalent courses: BME302, BUS302, FCS302, VTE302

CTE 306
LABORATORY MANAGEMENT
3, 3/0
Organizational factors that influence the success of career-technical education teachers. Includes facility planning, redesign, and managerial phases of the career-technical teacher’s responsibilities. Offered fall only. Equivalent course: VTE306

CTE 311
CAREER MENTORING INTERNSHIP
3, 1/2
Prerequisite: CTE 302. Overview of career awareness for exploration, guidance, and workplace skills. Classroom pedagogy and field experiences provide mentoring opportunities with middle school and high school students or with adults seeking retraining for new career choices. Majors obtain teaching skills while providing service to the community at off-campus locations during class times. Includes demonstrations of various trade skills and career fairs. Classes meet on and off campus. Offered every semester.

CTE 350
SCHOOL AND COMMUNITY RELATIONSHIP FIELD EXPERIENCE
3, 1/2
Prerequisite: CTE major. Overview of school and community relations. Classroom and field experience involves students in the concepts of planning and executing a successful vocational career promotional event. Students are placed off campus at community sites and/or middle school or high school locations. Thirty hours of internships and promotional events at off-site locations are required. Offered fall only.

CTE 402
ASSESSMENT TECHNIQUES IN CAREER AND TECHNICAL SUBJECTS
3, 3/0
Prerequisite: CTE 302. Overview of assessment in classroom, laboratory, internship, and clinical situations. Principles of effective assessment include different approaches and methods of assessment, evaluation, and testing techniques. Addresses portfolio development, reflective journals, authentic and performance assessment, and objective testing as applicable to career and technical subjects. Offered fall only.

CTE 404
APPLIED TEACHING METHODS IN BUSINESS/MARKETING
3, 3/0
Prerequisites: BME/CTE/FCS 301 and BME/CTE/FCS 302. Basic principles and methods of teaching business and marketing subjects. Prepares the student to effectively teach subjects in this area. Offered every semester. Equivalent courses: BME411, BUS411, FCS404, VTE404

CTE 413
STUDENT TEACHING CAREER AND TECHNICAL EDUCATION
6, 0/6
Prerequisites: CTE 302, CTE 404, and NOCTI Trade Examination or equivalent. Career and technical education major and completion of at least 18 credits in CTE required courses. Supervised teaching in career-technical classes in selected career-technical schools, in various types of schools and communities. Three hundred hours of practice teaching in off-site campus programs required. Conferences and reports based upon teaching assignments are required. Seminar discussions consist of professional problems of the beginning teacher. Students should be prepared to accept assignment at any school designated by the student-teacher coordinator. Student-teaching assignments are located throughout Western New York. Offered every semester. Equivalent course: VTE413

CTE 415
PROFESSIONAL DEVELOPMENT SEMINAR
3, 3/0
Prerequisite: Successful completion of the basic writing requirement. Synthesis of pedagogical courses and practice-teaching experience. Analysis of problems that confront teachers. Offered fall only. Equivalent courses: CTE415W, VTE415

CTE 421
OCCUPATIONAL EDUCATION FOR INDIVIDUALS WITH SPECIAL NEEDS
3, 3/0
Planning, coordinating, and delivering programs for individuals with special needs found in secondary and postsecondary schools, rehabilitation centers, and correctional facilities. Development of methods and techniques for teaching and assessing the work potential of individuals with special needs.
Development of self-help devices/adaptive equipment. Identifying instructional resources. Offered every semester.
Equivalent course: VTE421

CTE 435
CURRICULAR PROBLEMS OF CAREER AND TECHNICAL SCHOOLS
3, 3/0
Prerequisites: CTE 302 and CTE 404. Basic principles and foundations of curriculum development for trade and technical programs. Technological, sociological, and educational factors that effect change in curriculum. The integral parts of a curriculum and newer concepts of curriculum programs and materials. Emphasis on curricular problems of teachers and administrators in their individual schools. Offered alternate years.

CTE 479
POSTSECONDARY INSTRUCTION PRACTICUM
6, 1/5
Prerequisites: CTE 302, CTE 404, and NOCTI Trade Examination or equivalent; career and technical education major; completion of at least 18 credit hours in required CTE courses. Part- or full-time teaching assignment in a post-secondary-level, career-technical education program. Develops and refines skills and understandings of the teaching-learning process as it relates to career-technical teaching, under the guidance and supervision of college faculty. S or U grade only. Offered alternate years.

CTE 489
INDUSTRIAL TRAINER PRACTICUM
6, 3/3
Prerequisites: CTE 302, CTE 404, and NOCTI Trade Examination or equivalent; career and technical education major; completion of at least 18 credit hours in CTE required courses; CTE program coordinator approval. Part- or full-time assignment in a business or industrial training program. Develops and refines skills and understandings of occupational training practices, under the guidance and supervision of business and industry training personnel and college faculty. S or U grade only. Offered alternate years.

CTE 492
OCCUPATIONAL PRACTICUM
6, 3/3
Prerequisites: CTE 100 and CTE 200 (NOCTI Trade Examination) or equivalent; career and technical education major. Advanced specialization development for students with prior occupational experience such as on-the-job upgrading, occupational workshops, and in-service institutes. May be taken for credit more than once by advisement. Offered alternate years.

CTE 495
SPECIAL PROJECT
3, 0/0
Offered alternate years.

CTE 497
SPECIAL WORKSHOP
3, 0/0
Offered summer only.

CTE 499
INDEPENDENT STUDY
3-30, 0/0
Offered every summer.

CWP - COLLEGE WRITING PROGRAM

CWP 099
DEVELOPMENTAL COLLEGE WRITING
0, 3/0
A skill-building course designed to reinforce sentence and paragraph structure through emphasis on structure, unity, and coherence. Appropriate for both native students and non-native English speaking students needing skill enhancement in Standard American English. Offered every semester. Equivalent course: ENG099

CWP 101
COLLEGE WRITING I
3, 3/0; BCBW, WO14
Initiation into all phases of the writing process. The study and writing of expository and analytic prose, patterns of organization, and the features of good writing. Writing assignments emphasize rhetorical strategies and essay structure. ESL sections are appropriate for non-native speakers of English. Offered every semester. Equivalent course: ENG101

CWP 102
ARGUMENTATION AND RESEARCH
3, 3/0; BCBW, WO14
Prerequisite: CWP 101 or its equivalent. (See College Writing Program Office, 130 South Wing for placement procedures.) Course focusing on development of academic communication and research skills. Written and oral assignments emphasize argumentation and persuasion, advanced rhetorical strategies, analysis/synthesis, and critical thinking. Offered every semester. Equivalent course: ENG102

DAN - DANCE

DAN 200
MODERN DANCE TECHNIQUE I
3, 1/4; ARIF
Basic tenets and fundamental principles of modern dance. Students develop an understanding of the dancer as the interpretive artist through technical dance instruction, historical introduction and significance, and aesthetic discovery. Students attend live dance performance. Offered every semester.

DAN 201
TEACHING CREATIVE MOVEMENT FOR CHILDREN
3, 1/4
Preparation to teach creative movement to children, kindergarten through sixth grade. Emphasis on studio work directing noncompetitive creative play, cooperative group problem solving, and structured improvisations. Offered alternate years.

DAN 214
INTRODUCTION TO DANCE TECHNIQUES
3, 2/2; AR14, ARIF
A studio course designed to introduce the novice student to the cultural and aesthetic values of dance. Physical practice of a variety of dance techniques: body as the instrument for dance, kinesesthetic awareness, a codified terminology, and the influential aesthetic elements that define various dance techniques. Live dance performance attendance. Offered every semester.

DAN 220
BALLET TECHNIQUE I
3, 1/4; ARIF
Intensive introduction to basic principles of classical ballet. Students develop an understanding of classical dance through the instruction of basic ballet technique, a codified terminology, and the influential aesthetic and historical foundations. Students attend live dance performance. Offered every semester.

DAN 224
DANCE APPRECIATION
3, 3/0; AR14, ARIF
Examination of the cultural and aesthetic values of dance. Analysis of the purpose, creative process, genres, and styles of the art form. Attendance at live dance performance is required. Offered every semester.

DAN 230
SURVEY OF AFRICAN AMERICAN DANCE
3, 1/4; DI14, DIF
The continuity of African American dance from traditional African to contemporary American through dance technique. Introduction to several dance forms: traditional, modern, and jazz; the cultural history that influenced these dance forms; and the contributions of significant choreographers. Students attend live dance performance. Offered alternate years. Equivalent course: AAS230

DAN 234
THE HISTORY OF THE BLACK DANCE MOVEMENT
3, 3/0; DI14, DIF
The development of African American dance and the contributions of African American artists through lecture and film. Emphasis on the evolution of traditional African dance forms and their influence on the contemporary dance vernacular. Students will attend live dance performance. Offered spring only.
DAN 244  
SOCIAL DANCE FORMS  
3, 2/1  
An introduction to social dance as a participatory and culturally-specific dance style from the physical and historical contexts. In addition to physical practice, students will read and discuss articles, attend live dance performance. Offered spring only.

DAN 250  
JAZZ DANCE  
3, 6/0  
Prerequisite: DAN 200, DAN 220, or equivalent. Technique, studies, and compositional problems illustrating the diverse possibilities of jazz dance, with special attention to the ethnic foundation of this form.

DAN 301  
KINESHETIC LEARNING METHODS AND PRACTICES  
3, 3/0  
Prerequisites: CWP102 and Instructor Permission. Examination, application, and analysis of the methods and benefits of the kinesthetic teaching style; including educational theory, purpose, and practice. Research in designing, developing, and implementing psychomotor, cognitive, and affective skill building lesson plans using kinesthetic methods. Attending a live dance performance is required. Offered annually.

DAN 302  
MODERN DANCE TECHNIQUE II  
3, 6/0  
Prerequisite: DAN 200 or Instructor Permission. Principles of movement in relation to dynamics, rhythm, and space. Introduction to improvisation and modern dance history; designed to develop and strengthen technical dance skills and artistry. Students will attend live dance performance. Offered fall only.

DAN 303  
DANCE COMPOSITION  
3, 6/0  
Prerequisite: Instructor Permission. Techniques of composition; practical research in choreography through improvisation; creation of individual and group compositions. Students will attend live dance performance. Offered alternate years.

DAN 310  
DANCE FOR THE MUSIC THEATER  
3, 6/0  
Prerequisite: DAN 250 or Instructor Permission. Emphasizes technique and history of the diverse dance forms required in the music theater. Students will attend live dance performance. Offered occasionally.

DAN 312  
MODERN DANCE TECHNIQUE III  
3, 6/0  
Prerequisite: DAN 302 or Instructor Permission. Continuation of DAN 302. Emphasis on expanding and deepening technical range, quality of movement, and creative ability through improvisation and modern dance history. Offered fall only.

DAN 320  
REHEARSAL AND PRODUCTION  
1, 0/0  
Prerequisite: Audition. Students participate in building a finished dance production, including audition, dance rehearsals, technical rehearsals, and performances. By audition only. May be repeated. Offered every semester.

DAN 324  
DANCE HISTORY  
3, 3/0; WC14, WCIF  
A survey course examining the origins and evolution of folk, social, and concert dance forms from the primitive period to contemporary time. Analysis of the role of major figures and the impact of significant events on the value of dance in society. Students attend live dance performance. Offered spring only.

DAN 330  
BALLET TECHNIQUE II  
3, 3/0  
Prerequisite: DAN 220 or Instructor Permission. Comprehensive examination of the technique and historical background of ballet explored in depth through studio work and lecture; emphasis on strengthening technical range and understanding of basic concepts and vocabulary. Offered spring only.

DAN 340  
BALLET TECHNIQUE III  
3, 3/0  
Prerequisite: DAN 330 or Instructor Permission. Continuation of DAN 330. Intermediate-level ballet technique course with emphasis on applications of idiolectics. Offered spring only.

DAN 350  
TAP DANCE FOR THE STAGE: ELEMENTARY  
1, 2/1  
Prerequisite: DAN 310 or Instructor Permission. First course in a two-semester sequence for majors and minors in the performing arts. Minimum two hours of outside practice weekly plus familiarity with selected readings. Students comprehend and execute an elementary vocabulary of stage tap. Offered fall only.

DAN 401  
TEACHING DANCE  
3, 3/0  
Prerequisite: Instructor Permission. The methods and materials used in teaching dance to students of various ages and backgrounds, explored through research and practical teaching experience. Anatomical and kinesiological principles, injury prevention and treatment.

DAN 450  
TAP DANCE FOR THE STAGE: INTERMEDIATE  
1, 2/0  
Prerequisite: DAN 350 or Instructor Permission. Advanced vocabulary, styles, and solo/duet work. Some creative work required. Comprehend and execute a substantial portion of traditional Broadway requirements. Offered fall only.

DAN 495  
SPECIAL PROJECT  
1-3, 0/0  
Offered every semester.

DAN 499  
INDEPENDENT STUDY  
3, 0/0  
Offered every semester.

DES 101  
INTRODUCTION TO DESIGN TWO DIMENSIONAL I  
3, 1/5  
Basic skills and concepts in two-dimensional design. Logical and intuitive approaches to pure form and natural sources. Emphasis on development of individual solutions. Offered every semester.

DES 102  
INTRODUCTION TO DESIGN TWO DIMENSIONAL II  
3, 1/5  
Prerequisite: DES 101. Continuation of DES 101, involving in-depth assignments stressing composition and form, idea development, design process, and color dynamics, while strengthening skills and control. Offered every semester.

DES 103  
INTRODUCTION TO DESIGN THREE DIMENSIONAL I  
3, 1/5  
Fundamentals of three-dimensional design, with emphasis on the development of skills related to spatial manipulation via form and structure. Development of manipulative skills in various media. Offered every semester.
DES 104  
INTRODUCTION TO DESIGN THREE DIMENSIONAL II  
3, 1/5  
Prerequisite: DES 103.  Advanced concepts and manipulation skills related to three-dimensional design. Conceptualization, visualization, and evaluation related to design objectives. Offered occasionally.

DES 114  
WORKSHOP IN CRAFTS  
3, 1/5; AR14, AR1F  
Hands-on creative studio experience in ceramics, fibers, metals/jewelry, or wood/furniture design. Non-art majors only.

DES 190  
DESIGN SYMPOSIUM  
3, 3/0; AR14, AR1F  
Introductory design course open only to non-majors. Basic concepts and language of design, the application of those concepts in the human environment, and the historical and cultural reference to those concepts. Offered every semester.

DES 220  
CERAMICS I  
3, 1/5  

DES 230  
INTRODUCTION TO JEWELRY MAKING  
3, 1/5  
Prerequisite: DES 101. Exploration of materials and processes in jewelry making, emphasizing creative design. Offered every semester.  
Equivalent course: DES230

DES 242  
FIBERS I  
3, 1/5  
Introduction to traditional and current trends in weaving and surface design, including table-loom weaving, batik, and silk-screen printing. Assignments develop good design through creative expression. Offered every semester.  
Equivalent courses: DES240, DES245

DES 250  
WOOD DESIGN I  
3, 1/5  
Wood as a medium for expression and object design; technical and aesthetic problems. Offered every semester.  
Equivalent course: DES250

DES 270  
VISUAL COMMUNICATION I  
3, 1/5  
Prerequisite: DES 277. Introductory course in communication design involving basic design problems including logotype, stationary, and page layout. Examination of design and printing processes, as well as professional practices and issues. Offered every semester.  
Equivalent course: DES270

DES 271  
LETTERING AND TYPOGRAPHY I  
3, 1/5  
Prerequisite: DES 277. Uses of typographic forms in graphic design; problems in expression and appropriate application and layout; type specification, indication, copy fitting; origins of the Western alphabet. Offered every semester.

DES 277  
COMPUTER GRAPHICS I  
3, 1/5  
Prerequisite: DES 101. Introduction to the Macintosh computer as a graphic design tool. Develop a working understanding of a graphic design page-layout and drawing program. Class sessions include visual presentations, hands-on tutorials, and critiques of assignments. Offered every semester.

DES 307  
COLOR THEORY  
3, 1/5  
Prerequisite: DES 102. Origins, meaning, and dimensions of color; lectures and studio problems in various media, exploring the compositional effects of color. Offered every semester.  
Equivalent course: DES307

DES 312  
HISTORY OF CRAFT: INDUSTRIAL REVOLUTION TO THE PRESENT  
3, 3/0  
Prerequisite: FAR104. Historical and theoretical foundations of crafts from the Industrial Revolution to the present. Developments in craft are considered in relation to new technologies and new media and to specific cultural and intellectual contexts. Offered fall only.  
Equivalent course: DES312W

DES 314  
HISTORY OF GRAPHIC DESIGN: INDUSTRIAL REVOLUTION TO THE PRESENT  
3, 3/0  
Prerequisite: FAR104 or permission of instructor. Examination of the history and theoretical foundations of graphic design from the Industrial Revolution to the present. Developments in graphic design are considered in relation to new technologies and new media and to specific cultural and intellectual contexts. Offered spring only.  
Equivalent course: DES314W

DES 320  
CERAMICS II  
3, 1/5  
Prerequisite: DES 220. Exploration of ceramic form, glaze, and firing methods through assigned problems and individual interests. Lecture and laboratory in glaze materials and glaze design. Course may be repeated up to six credits. Offered every semester.  
Equivalent course: DES320

DES 321  
CERAMICS: JUNIOR STUDIO  
3-12, 1-4/5-20  
Prerequisite: DES 320. Advanced study and experience in the total ceramic process through assigned problems according to individual personal interests. Course may be repeated up to six credits. Offered every semester.

DES 329  
ENAMELING FOR JEWELRY  
3, 1/5  
Prerequisite: DES 230. Exploration of traditional and contemporary methods of enameling for jewelry design. Offered occasionally.

DES 330  
APPLIED JEWELRY TECHNIQUES  
3, 1/5  
Prerequisite: DES 230. Basic and advanced jewelry techniques including lost-wax casting and stone setting. Continued emphasis on the personal, conceptual, and creative development of jewelry design. Offered every semester.  
Equivalent course: DES330

DES 331  
JEWELRY: JUNIOR STUDIO  
3-12, 1-4/5-20  
Prerequisite: DES 330. Advanced exploration of materials and processes used in jewelry making with emphasis on design aspects. Individually selected projects. Course may be repeated up to nine credits. Offered every semester.  
Equivalent course: DES331

DES 336  
METALSMITHING  
3, 1/5  
Prerequisite: DES 235 or DES 330. Advanced concentration in metalworking as a continuation of forming techniques introduced in DES 235. Offered spring only.
Computer Graphics II
3, 1/5
Prerequisite: DES 277. Intermediate-level course using computer-imaging programs. Creative problem solving with photomontage, posters, and publication design assignments. Visual presentations, hands-on tutorials, and critiques of assignments. Offered every semester. Equivalent course: DES 478

Digital 3D 1
3, 2/0
Prerequisites: DES 377, DES 380. Creation of digital 3D objects and environments for print, video, and motion design. Modeling, lighting, and surface-creation methods including hand-drawn, stop motion, and digital. Motion and sound added to graphics, typography and image. History of motion design and animation. Integrates design aesthetics, sequential information presentation, and video preparation for various deployments, e.g. DVD, web/mobile and screen. Offered every semester. Equivalent course: DES 480

Disegno<br>3, 1/5<br>Prerequisite: DES 270. Creative problem solving illustration assignments. In-depth exploration of illustration media and techniques. Examination of professional practice and business issues. Offered every semester.

Design Problems in Visual Communication<br>3, 1/5<br>Design problems in visual communication. Emphasis on creative problem solving and appropriate application to promotional and editorial communication.

Fibers: Junior Studio<br>3, 1/5<br>Prerequisite: DES 242. Intermediate exploration in traditional and experimental techniques of weaving and surface design, including floor-loom weaving and photographic silkscreen printing with an emphasis on creative expression. Offered every semester.

Fibers II<br>3, 1/5<br>Prerequisite: DES 242. Intermediate exploration in traditional and experimental techniques of weaving and surface design, including floor-loom weaving and photographic silkscreen printing with an emphasis on creative expression. Offered every semester.

Motion Design<br>3, 3/0<br>Prerequisites: DES 377, DES 380. Exploration and integration of animation methods including hand-drawn, stop motion, and digital. Motion and sound added to graphics, typography and image. History or motion design and animation. Integrates design aesthetics, sequential information presentation, and video preparation for various deployments, e.g. DVD, web/mobile and screen. Offered every semester. Equivalent course: DES 479

Senior Seminar/Exhibition<br>4, 3/3<br>A series of lectures and discussions concerning topics such as self-presentation concepts. Job and professional interviews. Business practices, recordkeeping, and taxes. Legal contracts and copyrights. Exhibitions and promoting personal work. Offered every semester.

Senior Studio<br>3, 1-4/5-20<br>Prerequisite: DES 321. Development and presentation of the student's personal direction in clay, culminating in a portfolio presentation and a final show. Course may be repeated up to nine credits.

Jewelry: Senior Studio<br>3, 1/5<br>Prerequisite: DES 331. Concentration of studio work by the senior major in jewelry. Students plan and execute a series of problems and projects in consultation with the instructor. Course may be repeated up to nine credits. Offered every semester.

Fibers: Senior Studio<br>3, 1/5<br>Prerequisite: DES 344. Concentration of studio work in surface design and weaving by senior fiber majors. Students plan and execute a series of problems and projects in consultation with the instructor, leading to an exhibition. Portfolio preparation for graduating seniors. Course may be repeated up to nine credits.
DES 451
WOOD DESIGN: SENIOR STUDIO
3-12, 1-4/5-20
Prerequisite: DES 351. Concentration of studio work by senior wood majors. Students plan and execute a series of problems and projects in consultation with the instructor. Course may be repeated up to twelve credits.

DES 472
WEB DESIGN II
3, 2/4
Prerequisites: Communication Design Major, Junior/Senior standing, DES 378. Intermediate concepts and skills involved in designing Internet-based interactive media. Builds on technical and theoretical concepts of DES 378, Web Design I. Current technical standards in web design and online publishing will be covered including multi-device interface design, content management, social media integration and accessibility.

DES 473
GRAPHIC DESIGN
3-9, 1-3/5-15
Prerequisites: DES 377 and DES 380. Advanced problems in advertising, publication, and packaging design. Materials, techniques, and computer processes used in preparation of visual and design presentations/mechanicals. Emphasis on individual solutions to problems typical of those confronting the professional graphic designer. Offered every semester.

DES 475
GRAPHIC DESIGN PRACTICUM
1-6, 1-6/5-30
Prerequisite: Completion of all required courses in graphic design specialization. Practical experience in an advertising agency, design studio, or corporate design office under the sponsorship of an art director, working two days a week for 6 credit hours. Or experience with practical problems in a simulated agency situation, working 10 hours a week for 3 credit hours. Admission by permission of graphic design advisers after portfolio review. Offered every semester.

DES 478
3, 2/4
Equivalent course: DES 377

DES 479
MULTIMEDIA COMPUTER DESIGN
3, 0/6
Prerequisite: DES 377. Introduction to computer design and the authoring process in multimedia. Experience with digital images, video, and sound using current software, culminating in creative interactive presentations and Web page documents. Offered every semester. Equivalent course: DES 379

DES 480
ILLUSTRATION II
3, 1/5
Prerequisite: DES 380. Advanced problems and creative solutions in editorial and advertising illustration using computer drawing software programs. In-depth examination of business issues and professional practice in the illustration field. Offered every semester. Equivalent course: DES 382

DES 488
INTERNSHIP
1-12, 0/0
Prerequisite: DES 421 or DES 431 or DES 444 or DES 451. Guided, supervised exposure to professional design operations through on-the-job experience in an authorized design firm, department, studio, or showroom. For 3 credit hours, student completes 120 contract hours, provides a written report of the work experience, and receives written evaluation from the employer. Offered every semester.

DES 489
MOTION DESIGN 2
3, 2/0
Prerequisites: DES 379, DES 378. Integrates type, graphics and image utilizing the language of motion, emphasizing story and ideation in time-based media. Real-world applications include title/credit sequences, product previsualization, interactive interfaces, advertising, and entertainment.

DES 495
SPECIAL PROJECT
1-3, 1-3/5-15
Offered occasionally.

DES 499
INDEPENDENT STUDY
3-12, 1-4/5-20
Offered every semester.

DMP - DIGITAL MUSIC PRODUCTION

DMP 221
INTRODUCTION TO SOUND RECORDING AND REINFORCEMENT
3, 3/0
Prerequisite: Instructor permission. Introduction to the history, technology, and future of analog and digital audio systems and their application. The physics of sound and the art and science of live sound reinforcement and recording including acoustics, microphone selection and placement, signal processing, mixing, loudspeaker design, editing, digital audio workstation software, MIDI, and sound system design for live venues. Offered fall only.

DMP 222
MUSIC BUSINESS
3, 3/0
An introduction to the fundamental aspects of the music business: music publishing, copyright, artist management, concert promotion, contracts, and career development. Offered annually.

DMP 321
RECORDING TECHNIQUES
3, 3/0
Prerequisite: DMP 221 or instructor permission. Examination of electronic audio systems and their application, including the art and science of sound recording and reinforcement of instrumental and vocal music in live and studio situations. Topics include practical applications of microphone selection and placement, signal processing, mixing, amplification, loudspeaker types, digital audio editing software, MIDI, and sound system design for live venues. Offered spring only. Equivalent course: MUS 222

DMP 331
INTERMEDIATE RECORDING
3, 3/0
Prerequisites: Acceptance into DMP minor, DMP 321. A hands-on approach to digital audio recording and production techniques including recording, microphone techniques, editing, and mixing using professional recording software. Student-led recording sessions. Offered fall only.

DMP 341
ADVANCED RECORDING
3, 3/0
Prerequisites: Acceptance into DMP Minor, DMP 331. In-depth study of recording techniques and tools used in the modern recording industry, advanced mixing techniques used in commercial music, critical listening and music analysis from contemporary recorded music. Student recording, performance and engineering. Offered spring only.

DMP 350
ELECTRONIC MUSIC COMPOSITION I
3, 2/2
Prerequisite: Acceptance into DMP Minor. The creative use of sound and music through the exploration of technology, history, theory, and practice of electronic music since the 1920s. Provides students with a wide range of technical, theoretical, and aesthetic concepts aimed at developing and strengthening music composition skills. The technological nature of the class encompasses the learning of fundamental software tools while favoring a critical-thinking approach to the unique expressive power of electronic music composition. Offered fall only.

DMP 351
ELECTRONIC MUSIC COMPOSITION II
3, 3/0
Prerequisites: Acceptance into DMP Minor, DMP 350. Focus on the creative use of sound, music and video through the exploration of key software tools for electronic music composition, music performance, mixed media,
and sound installations. Advanced technical and theoretical knowledge of electronic music while developing music composition skills. Offered occasionally.

**DMP 352**  
**SOUND SYNTHESIS**  
3, 3/0  
Prerequisite: DMP minor. Exploring the creation and sculpting of analog and digital sound through the control and manipulation of hardware and software music synthesizers. Offered annually.

**DMP 360**  
**DIGITAL MUSIC ENSEMBLE**  
1, 3/0  
Prerequisite: Instructor Permission. Electronic music performance in an ensemble setting with analog and digital musical instruments, portable computing devices and custom digital controllers. Emphasis on new approaches and skills for the performance and composition of electronic and computer music. Offered every semester.

**DMP 431**  
**ADVANCED MIXING TECHNIQUES**  
3, 3/0  
Prerequisites: DMP minor, DMP 341. Advanced mixing techniques to be utilized across multiple genres of music, covering signal flow, audio processing, analytical listening skills and software for music production. Offered annually.

**DMP 450**  
**INTERACTIVE COMPUTER MUSIC**  
3, 3/0  
Prerequisite: Acceptance into DMP Minor, DMP 351. Integrating computers with digital controllers, smart phones, tablets and off-the-shelf gaming devices; exploring real-time interactive music performance, sound synthesis and music composition; concepts and skills for analog and digital synthesis; theoretical and practical knowledge in real-time sound processing techniques. Offered occasionally.

**DMP 491**  
**CAPSTONE IN DIGITAL MUSIC PRODUCTION**  
1-3, 0/0  
Prerequisite: DMP 350 and permission of the instructor. Independent capstone project under the direction of an instructor.

**DMP 495**  
**SPECIAL PROJECT**  
1-3, 0/0  
Offered every semester.

**DMP 499**  
**INDEPENDENT STUDY**  
3, 0/0

---

**ECO - ECONOMICS**

**ECO 101**  
**THE ECONOMIC SYSTEM**  
3, 3/0; SS14, SSIF  
Overview course. Development of fundamental economic concepts, basic economic institutions and their history, and contemporary economic issues. Supply and demand, markets, gross domestic product (GDP), inflation and recession, and the role of government. Economic issues such as energy, environment, education, and health care included when appropriate. Will not count toward the credit hour requirement of majors. Offered every semester.

**ECO 103**  
**ECONOMIC HISTORY OF THE UNITED STATES**  
3, 3/0; AH14, AHIF  
The history of the United States from an economic perspective. U.S. history is understood by studying the development of economic institutions and social change. Causes and effects of changing labor organization and relations, production technique, business and industrial organization, trade patterns, and economic policy. Offered every semester. Equivalent course: ECO103W

**ECO 104**  
**HISTORY OF ECONOMIC DEVELOPMENT IN THE THIRD WORLD**  
3, 3/0  
A history of economic development in Asia, Africa and Latin America for those with no previous college-level background in economics. The course concentrates on the experience of formerly colonized countries over the past 200 years as part of a broad outline of world economic history since 1492. Offered occasionally.

**ECO 189**  
**TOPICS COURSE**  
1-3, 1-3/0  
Offered occasionally.

**ECO 201**  
**PRINCIPLES OF MACROECONOMICS**  
3, 3/0; SS14, SSIF  
The major economic forces-consumer expenditure, business investment, and government spending-and their influence on national income. Money and banking, monetary and fiscal policies, inflation and recession, economic growth, and international monetary problems. Either ECO 201 or ECO 202 may be taken first. Offered every semester.

**ECO 202**  
**PRINCIPLES OF MICROECONOMICS**  
3, 3/0; SS14, SSIF  
Individual units in the economy-consumers, firms, and resource owners-and how their decisions influence market prices and industrial output. Supply and demand, competition and monopoly, corporations, capitalism and socialism, labor, and international trade. Either ECO 201 or ECO 202 may be taken first. Offered every semester.

**ECO 220**  
**ECONOMICS OF SPORTS**  
3, 3/0  
The principles of economic analysis through investigation of the sports industry. Profits, labor conflicts, and other special features of professional and collegiate sports. Offered occasionally.

**ECO 300**  
**LABOR ECONOMICS**  
3, 3/0  
Prerequisite: ECO 202. Competing theories of labor-market operation in market economies. Problems of labor markets (such as unemployment and discrimination). History of the evolution of labor markets in the United States and the role of government in affecting outcomes. Current issues, including increasing international competition in product and labor markets, the impact of technological change in altering workforce skill and educational requirements, and structural change in compensation and occupational distribution. Offered occasionally.

**ECO 301**  
**ECONOMICS OF LABOR RELATIONS**  
3, 3/0  
Present-day techniques in labor-management negotiations, the collective bargaining agreement, the development and structure of organized labor, labor law, and labor economics. Offered occasionally.

**ECO 302**  
**WOMEN IN THE ECONOMY**  
3, 3/0; DI14, DIIF  
Recommended Prerequisites: ECO 201 or ECO 202. Analysis of the economic status of women in the United States and other selected nations as compared to men's status and differentiated by age, race, ethnicity, and marital status. Offered occasionally. Equivalent course: ECO302W

**ECO 304**  
**MONEY AND BANKING**  
3, 3/0  
Prerequisite: ECO 201. The nature and function of money. The American monetary system and the role of the banking system. The structure and functions of the Federal Reserve System. Fundamental monetary theory and its relation to monetary policy. Current problems relating to the impact of monetary policy on prices and employment. Offered every semester.
ECO 307
INTERMEDIATE MICROECONOMICS
3, 3/0
Prerequisites: ECO 202 and MAT 114 or equivalent. Advanced study of individual units in the economy and how their decisions influence market prices and industry output. Includes the theory of consumer demand, the theory of the firm, resource allocation, income distribution, and welfare economics. Required for majors. Offered every semester.
Equivalent course: ECO307W

ECO 308
INTERMEDIATE MACROECONOMICS
3, 3/0
Prerequisites: ECO 202 and MAT 114 or equivalent. Advanced study of aggregate economic activity and its influence on national income. Includes Classical and Keynesian theory, monetary and fiscal policies, business cycles, forecasting, and economic growth. Required for majors. Offered every semester.
Equivalent course: ECO308W

ECO 312
URBAN ECONOMICS
3, 3/0
Prerequisite: ECO 202 or permission of instructor. Application of economic analysis to urban growth, land use, poverty, housing, segregation, pollution, congestion, and urban public finance. Offered alternate years.
Equivalent course: ECO312

ECO 320
MANAGERIAL ECONOMICS
3, 3/0
Prerequisites: ECO 202, ECO 305, and MAT 114 or equivalent. Using economic analysis to formulate and provide guides to the solution of management decision and control problems, and the development of appropriate business policies. Offered alternate years.

ECO 325
INDUSTRIAL ORGANIZATION
3, 3/0
Prerequisite: ECO 202 or permission of instructor. The links between economic theory and structure, conduct, and performance of national and international industry over time. Designed for economics and business majors. Emphasis on price theory, inter- and intra-firm relationships, and industrial policy. Offered alternate years.

ECO 350
PUBLIC FINANCE
3, 3/0
Prerequisites: ECO 202. The nature and growth of public expenditures; principles of taxation; federal, state, and local revenue; introduction to fiscal policy and theory; significance of public debt; selected problems in intergovernmental fiscal relations. Offered alternate years.
Equivalent course: ECO350W

ECO 355
THE ECONOMICS OF ENERGY AND THE ENVIRONMENT
3, 3/0
Prerequisite: ECO 202 or permission of instructor. Micro- and macroeconomic activity imposed by the availability of energy resources and by environmental considerations. Alternative policy strategies relating to energy and the environment are evaluated in terms of their economic impact. Offered alternate years.

ECO 360
INTRODUCTION TO THE ECONOMIC ANALYSIS OF LAW
3, 3/0
Prerequisite: ECO 307 or permission of instructor. Introduction to the study of law from an economic perspective. No prior knowledge of law is required, and all economic concepts needed are presented. Uses economic concepts and reasoning to explain and predict consequences of legal rules.
Includes important issues found in court cases involving contracts, property law, liability, and environmental law. Offered alternate years.

ECO 389
TOPICS COURSE
1-3, 1-3/0
Offered occasionally.

ECO 401
INTERNATIONAL ECONOMICS
3, 3/0
Prerequisites: ECO 201 and ECO 202; ECO 307 recommended. Basic theories of international trade. The international monetary mechanism and the institutions that facilitate its operation. Foreign economic policy and contemporary problems relating to tariffs, payments, balances, devaluation, and gold as a means of setting international payments in balances. Offered fall only.
Equivalent course: ECO401W

ECO 403
COMPARATIVE ECONOMIC SYSTEMS
3, 3/0
Prerequisites: ECO 201 and ECO 202 or permission of instructor. Essential characteristics of different market economies as they have evolved to the present, their strengths and weaknesses, increasing social control, trading and monetary unions, contrast with socialist systems. Offered occasionally.
Equivalent course: ECO403W

ECO 404
ECONOMIC DEVELOPMENT
3, 3/0
Prerequisite: Minimum of two economics courses. The difficulties of economic development, industrialization, and worldwide poverty. Competing theories of economic growth and structural change. Problems of population, natural resources, and environment. The growing interdependency of the U.S. and lesser-developed countries’ (LDCs) economies. The crucial role of women in development, as well as ethnic and other social and cultural relationships. LDCs debt crisis and international finance. Macro- and microeconomic planning models. The policy-making process, development strategies, and specific case studies of LDCs in Africa, Asia, and Latin America. Offered occasionally.
Equivalent course: ECO404W

ECO 405
HISTORY OF ECONOMIC THOUGHT
3, 3/0
Prerequisites: ECO 201 and ECO 202 or permission of instructor. The attempts of key economic thinkers from Aristotle to the present to analyze economic phenomena and provide guidance for economic policy. Offered fall only.
Equivalent course: ECO405W

ECO 407
POLITICAL ECONOMY CLASSICS
3, 3/0
Prerequisite: ECO 201 or ECO 202. In-depth study of classic political economic thought, including Adam Smith’s Wealth of Nations; David Ricardo’s Principles of Political Economy and Taxation; Karl Marx’s Das Kapital, Volume I; and John Maynard Keynes’s General Theory. Relationships between these classics and modern economic thought and socioeconomic phenomena. Offered occasionally.

ECO 411
REGIONAL ECONOMIC ANALYSIS
3, 3/0
Prerequisites: ECO 201 and ECO 202 or permission of instructor; college-level algebra recommended. Analysis of location on economic activity, urbanization patterns, and regional growth and development. Techniques in measuring the level of economic activity of a region, using Western New York as a model. The impact of the Buffalo urban area on the development of the surrounding region. Offered occasionally.
Equivalent courses: ECO411W, GEG411
ECO 412  
**URBAN ECONOMICS**  
3, 3/0  
Prerequisite: ECO 201 or ECO 202 or permission of instructor. Application of economic analysis to urban growth, land use, poverty, housing, segregation, pollution, congestion, and urban public finance. Offered occasionally.  
Equivalent course: ECO412W

ECO 424  
**ECONOMETRICS**  
3, 3/0  
Prerequisites: MAT 126, ECO 201 or ECO 202, and ECO 305 or equivalent statistics course. Introduction to applied statistical analysis, with primary emphasis on business and economic applications. Provides quantitative background for graduate study in economics, business, public administration, and related social science, as well as for many types of employment. Offered every semester.  
Equivalent course: ECO424W

ECO 488  
**INTERNSHIP**  
3-12, 0/0  
Prerequisites: ECO 201, ECO 202, and one relevant elective; minimum cumulative GPA of 2.75; upper-division status. Application and integration of economic concepts and methodologies in an off-campus field setting, under the direction of a faculty supervisor, with the cooperation of a designated field supervisor. A maximum of 3 credit hours of ECO 488, ECO 495, or ECO 499 may be applied toward the major. Offered every semester.

ECO 490  
**SENIOR SEMINAR**  
3, 3/0; OCIF  
Prerequisites: ECO 305, ECO 307, ECO 308, and senior standing. ECO 424 recommended. Capstone course required of all senior economics and finance majors. Investigation and oral presentation of findings of selected advanced topics in economics and finance. Senior thesis on a topic in economics or finance required. Offered every semester.

ECO 493  
**APPLIED ACTUARIAL THEORY**  
3, 3/0  
Prerequisites: MAT 381 and ECO 424. Advanced consideration of actuarial studies and models with an emphasis on applied modeling of actuarial activity and current actuarial processes. Major areas and theories in actuarial sciences as used by companies, government and not-for-profits. Mathematical, statistical, economic and finance models used by actuaries in the field. Analysis of different types of data to understand the financial risks facing different groups. The capstone course for majors in actuarial sciences. Offered occasionally.

ECO 495  
**SPECIAL PROJECT**  
1-3, 0/0  
Prerequisites: ECO 307 and ECO 308 and permission of instructor. A maximum of 3 credit hours of ECO 488, ECO 495, or ECO 499 may be applied toward the major. Offered every semester.

ECO 498  
**HONORS RESEARCH**  
3, 0/0  
Prerequisite: Admission to honors program in economics. A review of the literature and development of the theoretical issues relevant to the research topic. Offered occasionally.

ECO 499  
**INDEPENDENT STUDY**  
3-12, 0/0  
Prerequisites: Permission of instructor. A maximum of 3 credit hours of ECO 488, ECO 495, or ECO 499 may be applied toward the major. Offered every semester.

EDU 121  
**TUTORING STUDENTS WITH A DIVERSE LANGUAGE BACKGROUND**  
3, 3/0  
Prerequisite: Completion of all general education/IF cognates in math and English with a minimum grade of C. Develops socio-cultural awareness and trains tutors for community-based experiences. Prepares students for experiences and unique interactions between culture and education while providing strategies to help second-language learners access the core curriculum. Offered occasionally.

EDU 201  
**INTRODUCTION TO EDUCATION**  
3, 3/0  
Prerequisite: Majors; SPF 202. Introduction to elementary school teaching. Application of major theories, consideration of developmentally appropriate practices relative to New York State and Common Core Learning Standards. Introduction to classroom organization, classroom management, and multi-cultural education; participation in the reflective writing process emphasized. Field experience required, approximately 12-15 hours. Offered every semester.  
Equivalent course: EDF201

EDU 211  
**INTRODUCTION TO LITERACY**  
3, 3/0  
Prerequisite: Majors, EDU 201 or equivalent. Current literacy theories and practices supportive of diverse populations and congruent with New York State Learning Standards. School-based or field placement activities that support course objectives are required, approximately 12-15 hours. Offered every semester.

EDU 220  
**PROGRAMS FOR INFANTS AND TODDLERS**  
3, 3/0  
Prerequisites: Majors; EDF201, SPF202, EDF211. Introduction to the field of early childhood education. Familiarity with the developmental needs and program requirements for infants and toddlers. Students plan developmentally appropriate activities to use with these age groups and implement them in a field placement. Special attention is given to the assessment of young children in the fifty hour field placement. Offered every semester.  
Equivalent course: EDF405

EDU 310  
**TEACHING SOCIAL STUDIES IN THE ELEMENTARY SCHOOL**  
3, 3/0; D14, D15  
Prerequisites: Majors, EDF 211 with a C or higher. Overall GPA of 2.5 or higher. Provides teacher candidates with culturally sensitive pedagogy for selecting, organizing, presenting, and evaluating elementary level social studies curriculum. The arts are used to enhance social studies content for more engaging, culturally responsive, and thoughtful instruction.  
Equivalent course: EDU310W

EDU 311  
**THE TEACHING OF READING AND THE OTHER LANGUAGE ARTS IN THE ELEMENTARY SCHOOL**  
6, 6/0  
Prerequisite: Majors; Overall cumulative GPA of 2.5 in these courses: EDF/SFP 202, EDF/SFP 203, EDF/SFP 302; EDF 201, EDF 211 (exceptional education students will substitute EXE 360 for EDF 201). EDF 211 must have a C or higher. Builds methodological practice from the theoretical scaffold of literacy knowledge and teaching established in EDF 211 and the survey course EDF 201. Participation in classroom practice while exploring in-depth curricular, theoretical, and practical educational frameworks. Junior participants apply skills and processes they have learned in previous courses to teach language arts across the curriculum. Students plan, implement, and evaluate lessons incorporating the NYS and Common Core Standards for English Language Arts; practice and evaluate assessment tools and processes; become reflective practitioners; demonstrate effective techniques for instructional organization in a Professional Development School. Orientation required. Offered every semester.  
Equivalent course: EDU311W
EDU 313
TEACHING SCIENCE IN EARLY CHILDHOOD AND CHILDHOOD SETTINGS
3, 3/0
Prerequisites: Grade of C or better in EDU 211. Explore the teaching of science to elementary students guided by learning theory and current practices. Effective science instruction strategies guided by current standards, will be developed and practiced. Offered every semester.

EDU 316
TEACHING ELEMENTARY SCHOOL MATHEMATICS
6, 3/0
Pre-requisites: Full majors only; overall minimum GPA of 2.5; professional sequence minimum GPA of 2.5; EDU 311 with a grade of C or better; Math 122 or higher. Basic curriculum course for elementary teachers. Students participate in classroom practice while exploring in-depth curricular, theoretical, and practical educational frameworks. Students plan, implement, and evaluate lessons incorporating the NYS and professional organization standards for mathematics, science and technology; practice and evaluate assessment tools and processes; become reflective practitioners; demonstrate effective techniques for instructional organization in a professional development school. Offered every semester.

EDU 312
THE TEACHING OF SCIENCE AND MATHEMATICS
6, 6/0
Prerequisites: Majors; overall cumulative GPA 2.5 or higher; cumulative GPA of 2.5 in the professional sequence, and a C or higher in EDU 311W. Basic curriculum course for elementary teachers. Students participate in classroom practice while exploring in-depth curricular, theoretical, and practical educational frameworks. Students plan, implement, and evaluate lessons incorporating the NYS and professional organization standards for mathematics, science and technology; practice and evaluate assessment tools and processes; become reflective practitioners; demonstrate effective techniques for instructional organization in a Professional Development School. Offered every semester.

EDU 326
EARLY LITERACY AND LANGUAGE DEVELOPMENT
3, 3/0
Prerequisites: ECE or ECC Majors; Overall and Professional Sequence GPAs of 2.5 or higher, EDU 220, C or higher in EDU 311W. May be taken concurrently with EDU 329. Exploration of principles, practices and materials for providing children, Birth-Prechool, with strong foundation to support early literacy skills and language development. Examines theoretical influences on language development, relationship between oral language and early literacy, children's literature, curriculum and assessment. Consideration of implications for enhanced literacy and language outcomes for all children. Offered every semester. Equivalent course: EDU 426

EDU 327
FUNDAMENTALS OF PLAY
3, 3/0
Prerequisites: EDU 211 and EDU 220. Understanding the essence of play from a socio-cultural perspective. Play’s definition and its tenets as they parallel the New York State Common Core Standards for Early Childhood. Play’s categories, social stages, and types of development.

EDU 329
INTEGRATED THEMATIC INSTRUCTION FOR YOUNG CHILDREN
6, 6/0
Prerequisites: ECE or ECC Majors; Overall and Professional Sequence GPAs of 2.5 or higher, EDU 211, EDU 220, EDU 311W with a grade of C or higher. Use of knowledge of child development and learning to provide opportunities that support the physical, social, emotional, cognitive, and aesthetic development of preschool, kindergarten, and primary-grade children. Lessons are taught in a Professional Development School. Offered every semester. Equivalent course: ECS 329

EDU 375
INTEGRATION OF TECHNOLOGY IN EDUCATION
3, 3/0; TSIF
Prerequisites: Majors; EDU 211. Provides the pre-service teacher with an awareness of the current range of instructional and adaptive technologies. Emphasis on curricular integration of technology within the general and special education classroom, and connections between instructional technology and the broader role of technology in society. Offered every semester.

EDU 376
EFFECTIVE TEACHING ELEMENTARY MATHEMATICS
6, 3/0
Prerequisites: Majors; EDU 211, C or higher in EDU 311W, EDU 312, or EDU 329. Minimum Grade of C in teaching methods courses related to specific major (EDU 311, EDU 312, or EDU 329). Minimum Grade of C in major courses, successful completion of English composition/basic communication and mathematics competency requirements. Intended as the teacher candidate's culminating experience. This is the first supervised teaching experience of two-school settings at two developmental levels five full days a week for approximately seven to eight consecutive weeks. Teacher candidates are required to effectively demonstrate content knowledge, pedagogical preparation, instructional delivery, classroom management, knowledge of student development, collaboration with school professionals, and reflective practice. Extension teacher candidates will take EDU 404 and their extension student teaching course. Exceptional Education majors will take EDU 404 and their EXE student teaching course. Early Childhood and Combined Early Childhood/Childhood majors will take EDU 400 and EDU 410. Offered every semester.

EDU 400
PRACTICUM IN ELEMENTARY TEACHING I
6, 0/6
Prerequisites: Majors; Overall minimum cumulative GPA of 2.5; minimum grade of C in teaching methods courses related to specific major (EDU 310W, EDU 311W, EDU 312); minimum cumulative 2.5 GPA in major courses; successful completion of English composition/basic communication and mathematics competency requirements. Intended as the teacher candidate’s culminating experience. Supervised teaching in elementary grades five full days a week for approximately seven to eight consecutive weeks. Individual conferences and seminars with college supervisor. Tutorial and group instruction. Daily and long-range planning, teacher-pupil planning, unit teaching, audiovisual aids, classroom management, record keeping, evaluation techniques. Offered every semester.

EDU 404
PRACTICUM IN ELEMENTARY TEACHING FOR EX ED & MIDDLE SCHOOL EX STUDENTS
6, 0/0
Prerequisites: Extention and Exceptional Education majors only. Minimum cumulative GPA of 2.5; minimum grade of C in teaching methods courses (EDU 310W, EDU 311W, and EDU 312). Minimum GPA of 2.5 in professional sequence/major courses. For elementary education teacher candidates seeking certification in childhood/exceptional education, or childhood with a middle school extension. Intended as the teacher candidate's culminating experience. Supervised teaching experience in an elementary grade setting five full days a week for approximately seven to eight consecutive weeks. Teacher candidates are required to effectively demonstrate content knowledge, pedagogical preparation, instructional delivery, classroom management, knowledge of student development, collaboration with school professionals, and reflective practice. Offered every semester.

EDU 400
PRACTICUM IN ELEMENTARY TEACHING: INTERMEDIATE
6, 0/6
Prerequisites: Majors. Minimum cumulative GPA of 2.5; minimum grade of C in methods courses related to respective major (EDU 310W, EDU 311W, EDU 312); minimum cumulative 2.5 GPA in major courses; successful completion of English composition/basic communication and mathematics competency requirements. For elementary education teacher candidates seeking certification in childhood/exceptional education, or childhood with a middle school extension. Intended as the teacher candidate’s culminating experience. Supervised teaching in elementary grades five full days a week for approximately seven to eight consecutive weeks. Individual conferences and seminars with college supervisor. Tutorial and group instruction. Daily and long-range planning, teacher-pupil planning, unit teaching, audiovisual aids, classroom management, record keeping, evaluation techniques. Offered every semester. Equivalent course: EDU 402W

EDU 402
SEMINAR IN EDUCATION
1-3, 3-0/3
Nature and function of a philosophy of education. Teaching research methods and techniques, crucial issues in education, problems of beginning teachers. To be taken concurrently with EDU 400, EDU 401 and/or EDU 410. Required for all childhood, early childhood, and combined education majors. Offered every semester. Equivalent course: EDU 402W

EDU 404
PRACTICUM IN ELEMENTARY TEACHING FOR EX ED & MIDDLE SCHOOL EX STUDENTS
6, 0/0
Prerequisites: Extention and Exceptional Education majors only. Minimum cumulative GPA of 2.5; minimum grade of C in teaching methods courses (EDU 310W, EDU 311W, and EDU 312). Minimum GPA of 2.5 in professional sequence/major courses. For elementary education teacher candidates seeking certification in childhood/exceptional education, or childhood with a middle school extension. Intended as the teacher candidate's culminating experience. Supervised teaching experience in an elementary grade setting five full days a week for approximately seven to eight consecutive weeks. Teacher candidates are required to effectively demonstrate content knowledge, pedagogical preparation, instructional delivery, classroom management, knowledge of student development, collaboration with school professionals, and reflective practice. Offered every semester.

EDU 410
PRACTICUM IN EARLY CHILDHOOD TEACHING
6, 0/6
Prerequisites: Early Childhood and Combined Education Majors only. Minimum cumulative GPA of 2.5; minimum grade of C in methods courses related to respective major (EDU 220, EDU 310W, EDU 311W, EDU 312, or EDU 329); minimum cumulative 2.5 GPA in major courses; successful completion of English composition/basic communication and mathematics competency requirements. Intended as the teacher candidate’s culminating experience. Provides supervised teaching experience in an early childhood classroom five full days per week for approximately seven to eight consecutive weeks. Effective demonstration of content knowledge, pedagogical preparation, instructional delivery, classroom management, knowledge of...
student development, collaboration with school professionals, and reflectivity of practice. Offered every semester.

EDU 411
PARENTS, SCHOOLS, AND COMMUNITY
3, 3/0
Prerequisite: Early childhood and combined childhood/early childhood majors only; this course may be taken concurrently with student teaching or in a previous semester. Designed to assist students in building partnerships among parents, schools, and diverse communities. Students will learn how to collaborate with families and implement family involvement strategies during student teaching. Special attention will be given to linking families with services offered in the school and community. Offered every semester. Equivalent courses: EDU420, EXE411

EDU 416
TEACHING LITERACY IN MIDDLE AND SECONDARY SCHOOLS
3, 3/0
Prerequisites: Majors, upper division status. Special problems in reading encountered in middle and secondary schools. Includes the reading process, reading skills, and techniques for assessing developing reading skills. Special emphasis on critical reading in content areas. Offered every semester. Equivalent course: SED305

EDU 417
ADOLESCENT LITERACY
3, 3/0
Prerequisites: EDU 416 or equivalent; upper division status. Literacy development of adolescents in multiple contexts. Topics will include adolescents' multiple literacies, assessing literacy abilities, use of technology and materials other than textbooks, integration of literacy across disciplines, and strategies for working with struggling students, English learners, students with disabilities, and advanced students. Offered every semester. Equivalent course: EDU417W

EDU 499
INDEPENDENT STUDY
3-12, 0/0
Offered occasionally.

ELS - ENGLISH LANGUAGE SECONDARY

ELS 099
ENGLISH LANGUAGE SECONDARY PROGRAM
0-3, 3/0
ELSP is a non-degree, non-credit developmental course designed to help students with varying levels of English proficiency through coursework, interaction with native speakers of English, and Individualized language practice. This program consists of six levels of English Language study. Each level has 30 hours of class time per week, plus an additional 3 hours of small conversation group practice.

ENG - ENGLISH

ENG 130
BIBLICAL AND CLASSICAL LITERATURE
3, 3/0; WC14, WCIF
Works selected from Biblical literature and from Latin and Greek literature before Constantine. Offered every semester.

ENG 131
MEDIEVAL AND RENAISSANCE LITERATURE
3, 3/0
Major European writers before 1600. Offered occasionally.

ENG 151
INTRODUCTION TO POETRY
3, 3/0; HU14, HUIF
Verbal and formal techniques of English and American poetry. Prosody, verse forms, conventions, genres, diction, and imagery. Social and historical contexts. Representative authors and periods. Offered every semester. Equivalent course: ENG151W

ENG 160
INTRODUCTION TO LITERATURE AND FILM
3, 3/0; HU14, HUIF
Analysis of film as the creative and critical interpretation of fiction or drama; how such films respond to aesthetic, cultural, technological, political, and ideological influences, both in the source text and in the contemporary moment. Offered summer only.

ENG 190
INTRODUCTION TO LITERARY INTERPRETATION
3, 3/0
Prerequisites: CWP 101 and CWP 102, or the equivalent. The basic types of responses to literature; the defining characteristics of poetry, fiction, and drama; as well as the skills of close reading of literary texts. Students should take this class immediately after completing the freshman writing requirement or within the first year of transferring into the English major. Offered every semester. Equivalent course: ENG190W

ENG 200
FIELD EXPERIENCE IN SECONDARY ENGLISH EDUCATION
3, 3/0
Prerequisites: Standing in the English Education Major or Post Baccalaureate Certification Program. Introduction to the secondary school as an institution and to the teaching of English as a profession. Required observations of teaching English and other areas, 7-12. Limited experimentation with teaching secondary English. Offered every semester.

ENG 201
THE CRAFT OF WRITING
3, 3/0
Prerequisite: CWP 102. Demystifying the act of writing by studying, discussing, and practicing models of the composing process. Offered every semester.

ENG 205
HISTORY OF CINEMA I
3, 3/0; HU14, HUIF
This course provides the student with an understanding of cinema history from 1890 to 1960. Students will examine trends in cinema's aesthetic forms, technical breakthroughs, innovators, cultural antecedents, and impact. Offered every semester.

ENG 206
HISTORY OF CINEMA II
3, 3/1; HU14, HUIF
This course provides the student with an understanding of cinema history since 1960. Students will examine representative trends in cinema's aesthetic form, technical breakthroughs, key innovators, cultural antecedents and cultural impact. Offered every semester. Equivalent course: ENG206W

ENG 210
BRITISH LITERATURE TO 1700
3, 3/0; HU14, HUIF
A study of selected topics, themes, and authors in British literature before 1700. Offered every semester. Equivalent course: ENG110

ENG 211
BRITISH LITERATURE 1700-1914
3, 3/0; HU14, HUIF
A study of selected topics, themes, and authors in British literature from 1700 to 1900. Offered every semester. Equivalent course: ENG111

ENG 212
BRITISH LITERATURE SINCE 1914
3, 3/0; HU14, HUIF
An overview of important movements in British literature from the late Victorian period through contemporary literature, such as Fabianism, Modernism, Marxism, Aestheticism, The Movement and the Angry Young Men, postmodernism, post-Empire writing, Black British writing, and women's and queer literature. Offered fall only.
ENG 220
AMERICAN LITERATURE TO 1865
3, 3/0; HU14, HUIF
Survey of the various genres of influential American writing—including biographies, captivity and slave narratives, essays, poems, short stories and criticism, as well as Gothic, epistolary, sentimental, and Romantic novels—produced between the late seventeenth century and the mid-nineteenth century. Offered every semester.
Equivalent course: ENG140

ENG 221
AMERICAN LITERATURE SINCE 1865
3, 3/0; HU14, HUIF
A study of topics, themes, and authors in American literature after the Civil War. Offered every semester.
Equivalent course: ENG141

ENG 230
COMPARATIVE LITERATURE
3, 3/0; HU14, HUIF
Comparative analyses of the ways in which literary periods, genres, movements, and social forms are shaped by the languages and cultural contexts through which they come into being. Offered every semester.

ENG 231
WOMEN IN LITERATURE
3, 3/0; DI14, DI1F, HU14, HUIF
The images of women in literature as they reflect attitudes about women and their roles. Emphasis on authors and eras varies with instructors. May be taken for credit more than once. Offered every semester.
Equivalent course: ENG231W

ENG 240
AFRICAN AMERICAN LITERATURE TO 1940
3, 3/0; DI14, DI1F, HU14, HUIF
African American slave narratives, poetry, fiction, essays, and drama from the eighteenth century to 1940; the influence of spirituals, gospel, blues, jazz, sermons, and folktales on African American writing; the Harlem renaissance of the 1920s and 1930s; and the development of African American revolutionary thought. Offered fall only.
Equivalent course: AAS240

ENG 241
AFRICAN AMERICAN LITERATURE SINCE 1940
3, 3/0; DI14, DI1F, HU14, HUIF
Realism, naturalism, modernism, and postmodernism in African American literature; black revolutionary thought and artistry in the 1960s and 1970s; neo-slave narratives; African American poetry, fiction, essays, and drama from 1940 to the present; influence of spirituals, gospel, the blues, jazz, sermons, and folktales on contemporary African American writing. Offered spring only.

ENG 243
INTRODUCTION TO LATINO/A LITERATURE
3, 3/0; DI14, DI1F, HU14, HUIF
Introductory study of themes, ideas, and movements in Latino/a literature from the mid-nineteenth century to the present. Offered every semester.

ENG 245
WRITING ABOUT THE ARTS
3, 3/0
Prerequisite: ENG 102 and one arts Intellectual Foundations course. Practice in writing about the arts. Teaches skills essential to developing a discerning critical eye and to communicating critical insights in various forms of writing about the arts. Includes participation in projects that highlight both traditional and contemporary subjects and approaches to arts criticism. Offered alternate years.

ENG 247
NATURE WRITING
3, 3/0
Prerequisite: CWP 102. Students develop an understanding of the nonfiction prose genre of nature writing and improve their ability to produce original work in the genre. Class focuses on reading and analyzing nature writing for its stylistic and thematic features and emphasizes specific writing skills. Explores the connection between the natural and human worlds and various attitudes toward nature as conveyed in examples of the genre. Offered alternate years.
Equivalent course: ENG247W

ENG 252
BRITISH MODERNISM
3, 3/0; HU14, HUIF
British modernism, roughly the period from 1900 to 1940. The historical, intellectual and cultural background as well as the study of some of the major literary figures and their work. Offered spring only.

ENG 253
TWENTIETH-CENTURY LITERATURE II
3, 3/0
Literature in English from 1945 to the present. Offered alternate years.

ENG 255
THE SHORT STORY
3, 3/0; HU14, HUIF
Various examples of influential short fiction produced around the world since the nineteenth century. Familiarizes students with various literary techniques involved in the craft of short fiction.
Equivalent course: ENG355

ENG 260
CHILDREN'S LITERATURE
3, 3/0
Prerequisite: Sophomore, junior, or senior status. Types of children's literature, with attention to the principles of book selection and reading interests of children. Offered every semester.

ENG 266
THE PERSONAL ESSAY
3, 3/0
The personal essay and how it both relates to and diverges from more objective forms of essays often encountered in academic contexts. Students practice close reading of essays and compose original essays with peer and instructor evaluations.
Equivalent course: ENG266W

ENG 300
WRITING FOR THE PROFESSIONS
3, 3/0
Prerequisite: CWP 102. Practice for students who wish to improve their competence in writing and editing for a variety of professions. Offered every semester.
Equivalent course: ENG300W

ENG 301
ADVANCED COMPOSITION
3, 3/0
Prerequisites: CWP 102. Practice in writing academic papers. Writing assignments emphasize stylistic strategies, diction, disciplinary conventions, revision and research. Offered every semester.
Equivalent course: ENG301W

ENG 303
LITERATURE IN FILM
3, 3/1
The motion picture as a vehicle for literature. Analysis and comparison of verbal and pictorial forms. Offered every semester.
Equivalent course: ENG303W

ENG 304
FORMS OF FILM
3, 3/1
Breadth and depth of selected film forms. Emphasis on the film as art, medium of communication, and social document. May be taken for credit more than once when content varies. Offered every semester.
Equivalent course: ENG304W

ENG 305
CREATIVE WRITING: NARRATIVE
3, 3/0
Prerequisite: CWP 102. The writing of narrative. Offered every semester.
Equivalent course: ENG305W
ENG 306
CREATIVE WRITING: POETRY
3, 3/0
Prerequisites: CWP 102, or permission of the instructor. The craft of writing poetry, blending theoretical and practical approaches. Explores a variety of established genres and experimental poetic forms, such as the sonnet, sestina, haiku, cynganedd, concrete poetry, etc. Considers how such forms change across different cultures and eras. Equivalent course: ENG306W

ENG 307
TUTORING AND TEACHING WRITING
3, 3/0
Prerequisite: Fulfillment of English composition/basic communication requirement. Writing-intensive course for undergraduate students who wish to develop better writing skills and gain a theoretical foundation and practical experience in Writing Center tutoring. Explores the role and the craft of the writing tutor. Students gain practical experience in the Writing Center. Offered occasionally. Equivalent course: ENG307W

ENG 308
PEER TUTORING PRACTICUM
1-3, 0/0
Prerequisites: Fulfillment of English composition/basic communication requirement; minimum cumulative GPA of 2.5 in English courses. Students meet weekly with Writing Center director, conduct tutoring sessions, and gain practical experience as writing tutors in the Writing Center. Offered every semester. Equivalent course: ENG308W

ENG 309
TEACHING AND EVALUATING WRITING
3, 3/0
Prerequisite: CWP 102. Methods for teaching and evaluating writing. Includes theories of composition and rhetoric, approaches to teaching composition, ways to respond to writing-in-progress and completed texts, methods of measuring growth, and means to evaluate writing performance. Offered every semester. Equivalent course: ENG309W

ENG 311
METHODS IN TEACHING LANGUAGE
3, 3/0
Prerequisite: CWP 102. English-language teaching strategies for secondary education majors. Grammar, usage, and mechanics instruction; the history of English; the right to one's own language; sociopolitical dimensions of language; discussions of correctness within a range of discourse levels; instruction in family-literacy practices. Offered every semester. Equivalent course: ENG311W

ENG 313
MILTON
3, 3/0
Prerequisite: ENG 190 or permission of instructor. A study of Milton's oeuvre with emphasis on Paradise Lost. Offered spring only. Equivalent course: ENG413

ENG 314
CHAUCER
3, 3/0
Prerequisite: ENG 190 or permission of instructor. A selection of Chaucer's works, including some Canterbury Tales. Offered fall only. Equivalent courses: ENG314W, ENG411

ENG 315
SHAKESPEARE I
3, 3/0
Prerequisite: ENG 190 or THA 316 or permission of instructor. Shakespeare's work to 1600: the sonnets, early tragedies, histories, and comedies. Offered fall only. Equivalent course: ENG315W

ENG 316
SHAKESPEARE II
3, 3/0
Prerequisite: ENG 190 or THA 316 or permission of instructor. Shakespeare's works after 1600: the problem plays, major tragedies, and romances. Offered spring only. Equivalent course: ENG316W

ENG 317
SHAKESPEARE FOR FUTURE TEACHERS
3, 3/0
Prerequisite: ENG 190 or permission of instructor. Intensive study of the Shakespeare plays most often taught in high school English classes. Emphasis on strategies for teaching Shakespeare and on particular needs of high school teachers in multicultural settings. Offered summer, alternate years only.

ENG 320
AUTOBIOGRAPHY AND MEMOR
3, 3/0
Prerequisite: ENG 201 or permission of instructor. A study of the genres of autobiography and memoir with an emphasis on developing mastery in producing written products of the forms. Students read and discuss examples of both autobiography and memoir, write informal and processed examples of the genres, and learn about the process of writing in the genres for publication. Offered alternate years. Equivalent course: ENG320W

ENG 322
REPRESENTATIVE WRITERS
3, 3/0
Prerequisite: ENG 190 or instructor permission. Selected works of a single writer or group of related writers. Supplemental readings of other writers of the period. Offered occasionally.

ENG 325
CREATIVE NON-FICTION
3, 3/0
Prerequisite: ENG 201 or permission of instructor. Reading and writing creative nonfiction, an essay form that consciously uses the stylistics features of fiction and poetry. Offered alternate years.

ENG 327
LITERARY PUBLISHING
3, 3/0
Prerequisite: CWP 102. The applied and historical study of all stages literary publishing from the founding of Poetry: A Magazine of Verse in 1912 to present, including an understanding of both the function of the magazine as a literary force and the interaction of design and text. Practical application via lab hours devoted to editing, designing, and distributing Elm Leaves Journal, SUNY-Buffalo State's literary magazine.

ENG 330
LITERATURE OF THE BIBLE
3, 3/0
Prerequisite: ENG 190 or permission of instructor. The Bible as literature. Equivalent course: ENG330W

ENG 331
FRENCH LITERATURE IN TRANSLATION
3, 3/0
Prerequisite: ENG 190 or permission of instructor. Selected masterpieces of contemporary French literature in translation. Knowledge of French not required. French majors must obtain permission of department chair and course instructor. Offered alternate years. Equivalent course: FRE331

ENG 332
RUSSIAN LITERATURE IN TRANSLATION
3, 3/0
Prerequisite: ENG 190 or permission of instructor. Writers such as Gogol, Pushkin, Turgenev, Goncharova, Tolstoy, Dostoyevsky, and Chekhov. Knowledge of Russian not required. Offered alternate years. Equivalent course: RUS332

</table>
ENG 463
METHODS, MATERIALS, AND PROFESSIONAL DEVELOPMENT FOR TEACHERS OF ENGLISH
6, 6/0; OCIF
Prerequisites: EDF 303, ENG 200; minimum cumulative GPA of 2.75 in major. Methods and materials necessary to become an effective teacher of English. Includes secondary school curriculum, New York State standards for the language arts, planning, assessment, and classroom management. Additional emphasis on professional development with on-site observations, practice teaching sessions, and interactions with public-school teachers and personnel. Offered every semester.

ENG 464
STUDENT TEACHING IN MIDDLE SCHOOL/JUNIOR HIGH SCHOOL ENGLISH
6, 0/0
Prerequisites: ENG 200, ENG 309, ENG 462 or ENG 463, EDF 303, EDF 403, and EDU 416; minimum cumulative GPA of 2.0 2.75 in English; and professional education courses. Full-time practice teaching, five days a week for seven weeks in a middle school/junior high school situation. College supervision biweekly. Elementary extension students teach one situation. Required for upper-division students in secondary English and elementary education extension students. Offered every semester.

ENG 465
STUDENT TEACHING IN SENIOR HIGH SCHOOL ENGLISH
6, 0/0
Prerequisites: ENG 200, ENG 309, ENG 462 or ENG 463, EDF 303, EDF 403, and EDU 416; minimum cumulative GPA of 2.0 2.75 in English; and professional education courses. Full-time practice teaching, five days a week for seven weeks in a senior high school situation. College supervision biweekly. Required for upper-division students in secondary English. Offered every semester.

ENG 488
INTERNSHIP
1-15, 0/0
Prerequisites: Minimum cumulative GPA of 2.0; upper-division status. Field experiences that supplement departmental academic offerings; geared to students’ interests. Faculty intern supervisor and department chair permission necessary. Offered occasionally.

ENG 490
SENIOR SEMINAR
3, 0/0; OCIF
Prerequisites: ENG 190 and 3 credit hours of literature, or permission of instructor. Advanced study of a literary theme, genre, author, period, or theoretical approach. Offered every semester. Equivalent course: ENG490W

ENG 491
WRITING SEMINAR FOR WRITING MAJORS
3, 0/0
Prerequisites: ENG 201 and three hours of literature/writing classes. Senior standing. Writing major. Advanced study of writing, publishing, and literary markets with particular attention to improving and reflecting on literary craft as a dynamic process. Each student will develop a major body of work as a demonstration of individual writing processes, identified points of personal progress, and potential contributions to the literary market.

ENG 495
SPECIAL PROJECT
3, 0/0
Offered occasionally.

ENG 499
INDEPENDENT STUDY
3-12, 0/0
Prerequisites: ENG 390. Substantial research project in literary criticism, literary history, textual studies, or a related field. Offered occasionally.

ENS - ENVIRONMENTAL SCIENCE

ENS 100
URBAN ENVIRONMENT SCIENCE
3, 3/0; NS14, NSIF, TSIF
Survey of environmental science exploring the consequences to Buffalo from environmental and technological changes over the past century. Strong interdisciplinary focus with emphasis on the connections between our urban environment and human health. Topics include air and water quality, environmental stresses in the urban ecosystem, and environmental exposure to urban pollution and human health.

ENS 300
ENVIRONMENTAL CASE STUDIES
3, 0/0
Prerequisites: Completion of IF natural science requirement and upper division standing. BIO104 D AND (CHE100 D OR SCI231 D)Examines environmental literature and case studies on historically important and current environmental issues. Distinctions between facts, opinions and value judgments to evaluate and judge real situations. Global in scope; social contexts and national and global environmental policies. Equivalent course: ENS410

ENT - ENGINEERING TECHNOLOGY

ENT 100
THE AGE OF ENERGY
3, 3/0; TSIF
Energy needs of society and the drive to use renewable energy sources and more efficient forms of transportation; technological, societal, ethical, and economic impact of societies’ energy needs; impact on quality of life issues; hands-on student team projects focusing on solar, wind, hydro; increased efficiency topics such as hybrid/electrical vehicles and house lighting. Offered occasionally.

ENT 101
TECHNICAL DRAWING
3, 0/0
Survey of projection theory, multi-view projection, spatial relationships, and visualization of point, lines, planes and solids; size and shape description through sketching, and computer-aided drawing; standards and conventions, auxiliary views, revolutions, tolerance, dimensions, geometric tolerances, and pictorials. Offered occasionally.

ENT 102
INTRODUCTION TO EQUATION-SOLVING SOFTWARE
1, 1/0
Use of current industry-standard computer software programs that allow users to enter and manipulate mathematical equations; perform calculations; and analyze, plot, and document data. These engineering software programs are invaluable tools to technology majors, who combine engineering principles with mathematics to describe physical phenomena. Offered fall only.

ENT 104
ESSENTIALS OF ELECTRICAL ENGINEERING TECHNOLOGY
3, 2/3
Introduction to the field of Electrical Engineering Technology for majors and non-majors; Introduction to basic electricity, mathematical modeling of circuits, circuit breadboards, electrical instrumentation, computer analysis/circuit simulation and technical reporting. Emphasizes projects, project management and the need for teamwork by conducting projects in the areas of design, simulation and test. Required of all freshmen electrical engineering technology majors. Junior-transfer students will substitute a technical elective course for ENT104. Offered fall only.

ENT 202
INTRODUCTION TO ENGINEERING ECONOMICS AND PROJECT MANAGEMENT
1, 1/0
Prepares students to estimate, plan, and manage projects. Provides exposure to techniques to better prepare students for problems seen in industry. Offered fall only.
ENT 300
ANALYTICAL METHODS FOR TECHNOLOGISTS
3, 3/0
Prerequisite: MAT 127 or MAT 162 with MAT 164. Application of calculus and analytic geometry to problems in technology. Introduction to ordinary differential equations used to analyze mechanical and electrical quantities in technology. Offered every semester.

ENT 301
MECHANICS I
3, 2/3
Prerequisites: MAT 126 or MAT 161 and PHY 107 or PHY 111 or equivalent. Basic principles and applications of statics; equilibrium of rigid bodies, freebody diagrams, friction, centroids, moments of inertia, trusses, frames and machines, and equilibrium of particles. Offered every semester.

ENT 302
MECHANICS II
3, 2/3
Prerequisites: ENT 300 or MAT 315. Principles of dynamics applied to the forces on and motion of rigid bodies and particles; kinematics, kinetics, and energy and momentum methods for both particles and rigid bodies; introduction to mechanical vibration included. Offered every semester.

ENT 303
KINEMATICS
3, 2/3
Prerequisite: ENT 302. Relative motion of machine parts; graphical and analytical techniques presented for position, velocity and acceleration analysis of linkages, chains, rolling bodies, gears and miscellaneous. Offered spring only.

ENT 311
THERMODYNAMICS
3, 2/3
Corequisite: ENT 301. Basic principles of classical thermodynamics and their applications to various engineering technology areas; technical applications of heat-power systems, refrigeration systems, combustion and psychrometrics, and HVAC systems. Offered fall only.

ENT 312
FLUID MECHANICS
3, 2/3
Prerequisite: ENT 311. Introduction to the basic phenomena and principles of fluid flow; fluid properties, fluid statics, conservation of mass, and energy; study of the basic fluid mechanics concepts to the analysis of pipe and duct flow; measurement of fluid properties, pressures, velocities, and forces. Offered spring only.

ENT 314
SOLID MODELING
3, 2/3
Prerequisites: TEC 101 or ENT 101. Three-dimensional (3-D) parts and assembly creation; defining high-level features like cuts and holes in addition to low-level geometry; using parametric modeling; 3-D solid modeling; introduction to finite element concepts for stress and heat testing. Offered fall only.

ENT 321
ANALYSIS OF MANUFACTURING PROCESSES
3, 2/3
Prerequisites: TEC 201 or ENT 201 and MAT 126 or MAT 161 (or equivalent). Quantitative analysis of materials processing and manufacturing casting processes; stress-strain relationships; bulk deformation; sheet metal forming; powder metallurgy; machining and joining processes; surface modifications and nontraditional manufacturing processes. Offered occasionally.

ENT 330
ELECTRICAL CIRCUITS ANALYSIS I
3, 3/2
Prerequisite: PHY 108 or PHY 112. Direct current (DC) electric circuit concepts; basic circuits elements and their characteristics; analysis of series and parallel circuits; modeling and analysis of de circuits with multiple sources; electrical instrumentation and computer analysis tools used in performing laboratory experiments. Required for electrical engineering technology majors. Offered every spring semester.

ENT 331
ELECTRICAL CIRCUITS AND DEVICES I
3, 3/2
Prerequisite: PHY 107 or PHY 111. Introduction to electrical circuit concepts; both DC and AC; analysis of series and parallel circuits; use of superposition theorem to analyze electric circuits with multiple sources; electrical instrumentation and computer analysis tools used in performing laboratory experiments. Required for non-electrical engineering technology majors. Credit is issued for either ENT331 or ENT330, but not for both. Offered every semester.

ENT 332
ELECTRICAL CIRCUITS ANALYSIS II
3, 3/2
Prerequisites: ENT 330 or equivalent. Alternating Current (AC) electric circuit concepts; waveform analysis; analysis of series and parallel AC circuits; electrical instrumentation and computer analysis tools used in performing laboratory experiments. Required for electrical engineering technology majors. Offered every fall semester.

ENT 335
INDUSTRIAL ELECTRONICS
3, 2/3
Prerequisite: ENT 331. Essential industrial machines and automation topics, such as discrete and analog process control, switches and sensors, control systems, industrial controls, LabView, programmable logic controllers, and data acquisition. Laboratory exercises provide practical applications of the industrial electronics that engineering technology graduates are likely to encounter. Offered fall only.

ENT 341
ELECTRONICS
3, 3/2
Prerequisite: ENT 330. Introductory analysis of electronic circuits, with emphasis on semiconductor devices. Offered spring only.

ENT 342
ADVANCED CIRCUIT ANALYSIS
3, 3/0
Prerequisites: ENT 300 and ENT 332. Signal analysis, circuit parameter, time domain circuit, steady state and transient solution, Laplace transforms and applications, topics in frequency domain, network functions, theorems, sinusoidal steady state analysis from pole-zero plots. Introduction to network synthesis. Offered spring only.

ENT 345
DIGITAL SYSTEMS
3, 2/3
Corequisite: ENT 341. Digital logic systems are a major part of modern electrical technology including applications in computers, manufacturing and the communication revolution currently taking place. This is an introductory level course required for all Electrical Engineering Technology majors. Offered fall only.

ENT 346
MICROCONTROLLERS
3, 2/3
Prerequisite: ENT 345. This course introduces the theory and application of microprocessors and microcontrollers and develops proficiency in programming Assembly and C languages, interfacing, as well as prototyping and troubleshooting. Offered spring only.
ENT 351
ANALOG ELECTRONICS
3, 2/3
Prerequisites: ENT 341. Analysis and design of electronic circuits (discrete and integrated) with emphasis on linear analog applications and use of computer simulation software. Offered fall only.

ENT 352
DIGITAL ELECTRONICS
3, 3/2
Prerequisite: ENT 351. Analysis and design of electronic circuits, discrete and integrated, with emphasis on pulse and digital applications. Offered spring only.

ENT 361
PROGRAMMABLE LOGIC CONTROLLERS (PLCs)
3, 2/3
Prerequisite: ENT 331 or TEC 314 or equivalent. A comprehensive treatment of programmable logic controllers (PLCs). Prior knowledge of PLCs is not required. Familiarity with the DOS or MS Windows operating systems is helpful. The standard PLC programming languages are examined: ladder logic, sequential function charts, function block diagrams, instruction lists, structured text, and high-level languages such as Basic, Pascal and C. Numerous laboratory exercises with four PLC brands give students broad exposure to programming, troubleshooting, networking, and PLC system design and startup. Offered occasionally.

ENT 365
MANUFACTURING SYSTEMS DESIGN
3, 3/0
Prerequisite: ENT 321. Introduction of product development; production control; requirements and selection of machines/labor; material handling; equipment selection; storage and warehousing; computer-aided plant layout; site selection and location; facility location analysis and its impact on manufacturing. Offered occasionally.

ENT 371
ELECTRIC MACHINES
3, 2/3
Prerequisite: ENT 332 or equivalent. DC and AC machines and transformers are studied as an integral part of electric power systems. Single and three-phase induction and synchronous machines, DC motors and fractional horsepower motors, including stepper motors. Solid-state motor control; computer tools for study of motor performance. Laboratory experiments illustrate motor performance and measurement techniques. Offered spring only.

ENT 392
MATERIAL SELECTION AND DESIGN FOR MANUFACTURING
3, 2/3
Prerequisites: ENT 301, ENT 321, and TEC 311. Introduction to materials properties for design of structures and components, design/selection/failure of materials, and selection of ferrous/nonferrous/ceramics and polymeric materials. Offered occasionally.

ENT 401
STRESS ANALYSIS
3, 2/3
Prerequisites: ENT 300 or MAT 315. Techniques used to predict stress and strain caused by loads or other effects in structural members and machine elements; use of analytical, numerical and experimental methods. Offered fall only.

ENT 402
SHOCK AND VIBRATION ANALYSIS
3, 2/3
Prerequisites: ENG 302, ENT 401 and junior or senior status. Theoretical, analytical, and experimental methods used in the analysis of shock and vibration in machine elements and structures; free and forced vibration of one and multidegree of freedom systems with introduction to lumped parameter systems and continuous systems; familiarity with instrumentation and experimental techniques developed by performing hands-on laboratory experiments. Offered spring only.

ENT 404
DESIGN OF AUTOMATED MANUFACTURING SYSTEMS
3, 2/3
Prerequisites: ENT 361 and ENT 392. Design for automation; mechanization of parts handling; automated manufacturing and assembly; numerical control and CAD/CAM; industrial robots and implementation, machine vision, microprocessors, principles of lean manufacturing, computer integrated manufacturing, and automated factory. Offered occasionally.

ENT 411
HEAT TRANSFER
3, 2/3
Prerequisite: ENT 312. Heat transfer and its application to various engineering technology areas; extension of thermodynamics and fluid flow analysis. Topics include conduction, convection, radiation, and current areas. Offered fall only.

ENT 414
MANUFACTURING ANALYSIS
3, 3/0
Prerequisite: Upper-division status in ENT or TEC. Analysis of product design and development, economic analysis, break-even analysis, life cycle approach, capacity planning, manufacturing operations economy, allocation of resources, human factors, machines and maintenance, quality control and assurance, measurement of productivity and its effects on manufacturing economics. Offered occasionally.

ENT 420
PROFESSIONAL EXPERIENCE IN MECHANICAL ENGINEERING TECHNOLOGY
1, 1/0
Corequisites/Prerequisites: ENT 411, ENT 421, ENT 335. Prerequisites: ENT 401, ENT 331, ENT 311, ENT 312, ENT 301, ENT 302, TEC 311 and TEC 201. Exposure to professional engineering design concepts/methodologies; MET portfolio development and evaluation of MET subject matter necessary for the senior design project; senior design project proposal development. Required for mechanical engineering technology program. Offered fall only.

ENT 421
MACHINE DESIGN I
3, 2/3
Prerequisites: ENT 303 and ENT 401. Techniques used to design and specify machine elements, i.e., shafts, springs, fasteners, belts, clutches, brakes, chains, bearings, gears, cams, etc. Offered fall only. Equivalent course: ENT421W

ENT 422
MACHINE DESIGN II
3, 2/3
Prerequisite: ENT 420. Advanced topics in machine design. Students design a major project involving preliminary analysis, working drawings, fabrication, and testing of a prototype. Required for mechanical engineering technology majors. Offered spring only. Equivalent course: ENT422W

ENT 433
MICROPROCESSOR APPLICATIONS AND ROBOTICS
3, 3/2
Prerequisite: ENT 432. Theoretical and practical background of the technology used in the application of microprocessors. Programming hardware, interfacing, and application of microprocessors. The elements of robotics with emphasis on the construction and programming of robots. Offered occasionally.

ENT 441
COMMUNICATION TRANSMISSION TECHNOLOGY
3, 2/3
Prerequisite: ENT 332 and senior status. Introduction to the development and technology of digital, RF, microwave and optical fiber communications including transmission line types and characteristics, components, measurement of reflections, power, impedance, and wavelength. Signal structure and protocols used in data communications; computer analysis and design of digital and carrier communication circuits. Offered fall only.
ENT 442
RF AND MICROWAVE COMMUNICATIONS
3, 2/3
Prerequisite: ENT 441. Introduction to wireless communication technology. Free-space and near-earth propagation effects, including RF safety, multipath, and antennas are covered. Receiver and transmitter design, components, and performance. Emphasis on digital representation of signals and transmission of digital data, types of modulation and channel capacity; systems and applications. Offered spring only.

ENT 445
POWER ELECTRONICS
3, 3/0
Prerequisites: ENT 332, ENT 341 (could be taken as co-requisite). The operation of modern, high-power electronic devices as applied to controls, electric machines, and power systems; power diodes, silicon-controlled rectifiers, thyristors, BJTs, MOSFETs, and IGBTs; applications to rectifiers, inverters, controlled rectifiers, AC voltage control, DC step-up and step-down systems, high-voltage DC (HVDC), and flexible AC transmission systems (FACTS); perform laboratory experiments using electrical instrumentation and computer analysis tools; required for power/ machines option of electrical engineering technology majors. Offered fall only.

ENT 461
CONTROL SYSTEMS I
3, 3/2
Prerequisites: ENT 341, ENT 342, and senior status. Applies frequency domain techniques to open-loop and closed-loop systems with emphasis on stability and performance. Classical methods of control engineering are presented: Laplace transforms and transfer functions, root locus analysis, Routh-Hurwitz stability analysis, steady-state error for standard test signals, and second-order system approximations. MATLAB is introduced and utilized extensively for computer-aided analysis. Laboratory exercises provide practical application of the control-system theory. Offered fall only.

ENT 462
CONTROL SYSTEMS II
3, 2/3
Prerequisite: ENT 461. Project centered. Students build, tune, simulate, and model a system (such as a magnetic levitation apparatus) for the purpose of demonstrating skills acquired during previous academic work. Project focuses on practical application of the control-system theory developed in Control Systems I. Offered spring only.

ENT 465
ELECTRICAL DESIGN I
3, 2/3
Prerequisite: Co-requisite: ENT 461 and instructor permission. Advanced topics in electrical and system design, the design process, and project management; a major design project sequence that includes preliminary analysis, working drawings and schematics; preliminary design and its presentation. Offered every fall semester.

ENT 466
ELECTRICAL DESIGN II
3, 2/3
Prerequisite: ENT 465, co-requisite: ENT 462. Advanced topics in electrical and system design, the design process, and application of project management; a major design project sequence that culminates with final analysis, working drawings, schematics, and installation or prototype; final design stages of construction, testing and installation of a significant engineering project. Offered every spring semester.

ENT 471
POWER SYSTEMS I
3, 2/3

ENT 472
POWER SYSTEMS II
3, 2/3

ENT 481
RENEWABLE DISTRIBUTED GENERATION AND STORAGE
3, 2/3
Prerequisites: ENT 331 Electric Circuits or equivalent, and ENT 471 or instructor’s permission. This course introduces renewable and efficient electric power systems. It encourages self-teaching by providing numerous practical examples requiring quantitative analysis. Topics include historical, regulatory, and utility industry perspectives of the electric system as well as most of the electricity, thermodynamics, and engineering economics background needed to understand new power technologies. Offered occasionally.

ENT 482
SMART GRID FROM SYSTEMS PERSPECTIVE
3, 2/1
Prerequisites: ENT 331 or equivalent, and ENT 471 or instructor's permission. A comprehensive understanding of smart grid is needed for stakeholders to enable them to develop systems prospective of Smart Grid and its technologies, increase modeling of Smart Grid from multiple perspectives, to increase economic understanding and decision making around current and future technologies, to understand the role of policy and politics in the advancement of Smart Grid over time, to understand how to educate others in Smart Grid, and to understand basic subsystems of the Smart Grid.

ENT 491
OPERATIONS AND MANAGEMENT OF MODERN GRID
3, 3/0
Prerequisites: Senior status or instructor's permission. This course introduces and explains operations of electric utilities including generation, transmission, distribution, and consumption of electric power, defines system operations and their drivers; discusses impact of deregulation and impact of smart grid technologies on systems operations; introduces concepts of business of system operations, and discusses various management systems used by modern utilities.

ENT 495
SPECIAL PROJECT
1-3, 0/0
Offered spring only.

ENT 497
WORKSHOP
1-3, 0/0
Offered occasionally.

ENT 499
INDEPENDENT STUDY
3-12, 0/0
Offered every semester.

ESL - ENGLISH SECOND LANGUAGE

ESL 303
FOUNDATIONS OF ESL AND BILINGUAL EDUCATION
3, 3/0
Prerequisites: Instructor Permission. Introduction to the historical, psychological, social and philosophical foundations of ESL and Bilingual instruction.

ESL 389
TOPICS COURSE
3, 3/0
Topics Course

ESL 401
METHODS OF TEACHING ESL
3, 2/0
Prerequisites: ESL 303 or Instructor Permission. Exploration of the research, standards, and pedagogical practices that inform professional English as a Second Language teaching.
### EWS - EDUCATION WORKSHOPS

**EWS 094**
**HARASSMENT, BULLYING, AND DISCRIMINATION PREVENTION AND INTERVENTION (DASA)**
3, 3/0
Prerequisites: ESL 401 or Instructor Permission. Methods and materials used to teach core subject areas in English to limited proficiency students, including those with disabilities.

**EWS 097**
**MIDDLE SCHOOL ESL TEACHING**
6, 0/0
Prerequisites: ESL 401 and Instructor Permission. Supervised foreign language teaching in a middle school five days per week for seven weeks with additional participation in school programming required.

**EWS 098**
**HIGH SCHOOL ESL TEACHING**
6, 0/0
Prerequisites: completion of all program requirements; completion of Oral Proficiency Interview; instructor permission. Supervised foreign language teaching in a high school five days per week for seven weeks with additional participation in school programming required.

---

**EWS 099**
**ALCOHOL AND OTHER DRUGS**
0, 3/0
Alcohol and Other Drugs Workshop: Required for all students who graduate/complete programs AFTER December 2003. The objective of this training initiative is to provide general knowledge about alcohol and other drugs and their effects, addiction, dependency, recovery, statistics, and a framework in prevention. Offered every semester.

**EWS 100**
**NATURE AND NEEDS OF INDIVIDUALS WITH SPECIAL NEEDS**
3, 3/0; DI14, DIIF
Individuals who are exceptional due to factors of intelligence, physical development, behavior, and sensory abilities. The causes, characteristics, and implications—educational, social, and vocational—of individuals who deviate from the average or normal. Required for exceptional education majors. Offered every semester.

**EXE 100**
**NATURE AND NEEDS OF INDIVIDUALS WITH SPECIAL NEEDS**
3, 3/0; DI14, DIIF
Individuals who are exceptional due to factors of intelligence, physical development, behavior, and sensory abilities. The causes, characteristics, and implications—educational, social, and vocational—of individuals who deviate from the average or normal. Required for exceptional education majors. Offered every semester.

**EXE 245**
**COMMUNITY SERVICE WITH INDIVIDUALS WITH SPECIAL NEEDS**
1-9, 0/1-9
Service to community agencies with individuals who are exceptional. May be taken for 1, 2, or 3 credit hours. Offered in every semester.

**EXE 360**
**FOUNDATIONS OF TEACHING INDIVIDUALS WITH DISABILITIES**
3, 3/0
Prerequisite: EXE 100, Exceptional Education Major Status, at least 2.6 overall GPA. Corequisite: EXE 561. Application of adaptations and instructional procedures necessary for effective instruction of students with disabilities in various educational settings. Must be taken concurrently with EXE 361. Offered every semester.

**EXE 361**
**FIELD EXPERIENCE IN FOUNDATIONS OF TEACHING INDIVIDUALS WITH DISABILITIES**
1, 0/1
Prerequisite: EXE 100, Exceptional Education Major Status, at least 2.6 overall GPA. Corequisite: EXE 360. Application of adaptations and instructional procedures learned in EXE 360. Must be taken concurrently with EXE 360. Offered every semester.

**EXE 362**
**BEHAVIOR AND CLASSROOM MANAGEMENT**
3, 3/0
Prerequisite: Exceptional Education OR Elementary Education Major Status. Managing the classroom environment to facilitate effective instruction. Various models of behavior management. Exceptional education majors must take this course concurrently with EXE 363. Offered every semester. Equivalent courses: EDF362, EXE306

**EXE 363**
**FIELD EXPERIENCE IN BEHAVIOR MANAGEMENT**
1, 0/1
Prerequisites: exceptional education major. Application of principles of behavior management learned in EXE 362 through on-site participation. Must be taken concurrently with EXE 362. Required for exceptional education majors. Offered every semester.

**EXE 364**
**EDUCATING STUDENTS WITH SEVERE DISABILITIES**
3, 3/0
Prerequisites: EXE 100, Exceptional Education Major Status, 2.6 overall GPA, and 1 from: ECO 305, MAT 103, MAT 114, MAT 122, MAT 124, MAT 126, MAT 161, MAT 311, PHI 107. Characteristics and needs of individuals with severe disabilities and those of their families. Methods to teach and support individuals and families. Offered every semester.
EXE 365
EVALUATION AND ASSESSMENT IN SPECIAL EDUCATION
3, 3/0
Prerequisites: Completed EXE 100, EXE 360, EXE 361, EXE 362, and EXE 363 with grade of C or higher, Exceptional Education Major Status, at least 2.6 overall GPA. Corequisite: EXE 366. Introduction to the educational evaluation and assessment of students with disabilities. Offered every semester.
Equivalent course: EXE 365W

EXE 366
FIELD EXPERIENCE IN EVALUATION AND ASSESSMENT
1, 0/1
Prerequisites: Completed EXE 360, EXE 361, EXE 362, and EXE 363 with a grade of C or better, Exceptional Education Major Status, at least 2.6 overall GPA. Corequisite: EXE 365. Application of principles of evaluation and assessment learned in EXE 365W through on-site participation. Offered every semester.

EXE 367
CURRICULUM FOR CHILDREN WITH MILD DISABILITIES
3, 3/0
Prerequisites: Completed EXE 360, EXE 361, EXE 362, and EXE 363 with a grade of C or higher, Exceptional Education Major Status, at least 2.6 overall GPA. Corequisite: EXE 365. Description and discussion of curricular design and implementation for children with disabilities. Offered every semester.
Equivalent course: EXE 367W

EXE 368
FIELD EXPERIENCE IN CURRICULUM FOR CHILDREN WITH MILD DISABILITIES
2, 0/2
Prerequisites: Completed EXE 360, EXE 361, EXE 362, and EXE 363 with a grade of C or higher, Exceptional Education Major Status, at least 2.6 overall GPA. Corequisite: EXE 367. Application of curriculum design and implementation for children with disabilities. Offered every semester.

EXE 371
FOUNDATIONS OF TEACHING CHILDREN WITH DISABILITIES
3, 3/0
Prerequisite: EDU 211, Elementary Education Major Status. Adaptations, procedures, and management systems necessary for effective instruction of children with disabilities in general education settings. Offered every semester.

EXE 372
FOUNDATIONS OF TEACHING ADOLESCENTS WITH DISABILITIES
3, 3/0
Prerequisite: EXE 100. Adaptations and instructional procedures necessary for effective instruction of adolescents with disabilities. Recommended for secondary education majors. Offered spring only.

EXE 375
INTEGRATION OF TECHNOLOGY IN EDUCATION
3, 3/0; TSIF
Prerequisite: EXE 100, Exceptional Education Major Status, 2.6 overall GPA, CW 102, and 1 from: ECO 305, MAT 103, MAT 114, MAT 122, MAT 124, MAT 126, MAT 161, MAT 311, PHI 107. Can be taken during student teaching for childhood education majors. This course is designed to provide the pre-service teacher with an awareness of the current range of instructional and adaptive technologies. Emphasis is placed on factors relating to curricular integration of technology within the general and special education classroom. Students receive hands-on experience with the use of instructional software, web sites and adaptive/assistive technologies. Offered every semester.
Equivalent course: EDU 375

EXE 389
TOPICS COURSE
1-3, 0/0
Offered occasionally.

EXE 420
PRACTICUM IN SPECIAL EDUCATION
6, 0/6
Prerequisites: Minimum grade of C in EXE 365, EXE 366, EXE 367, EXE 368; minimum cumulative GPA of 2.6 (overall and in major courses). Practicing teaching with students with disabilities in public school classes, private agencies, or residential settings. Offered every semester.

EXE 495
SPECIAL PROJECT
1-3, 0/0
Offered occasionally.

EXE 499
INDEPENDENT STUDY
3-12, 3-12/0
Offered occasionally.

FAR 100
INTRODUCTION TO FINE ARTS
3, 1/5, AR 14, ARIF
The critical bases of procedures in the fine arts. Introductory problems in studio performance. Lecture and studio experience. Non-art majors only. Offered every semester.

FAR 101
DRAWING I
3, 1/5, AR 14, ARIF
Fundamentals of drawing based primarily on the study and representation of objects and nature forms, with problems of analysis, composition, and structure in various media. Includes both lecture and studio experiences. Offered every semester.

FAR 102
DRAWING II
3, 1/5
Prerequisite: FAR 101. Drawing the nude using various media with an emphasis on proportion, anatomy, and pictorial structure. Lecture and studio experience. Offered every semester.

FAR 103
MODELING
3, 1/5
Modeling as an introductory experience in the exploration of three-dimensional form. Development of perceptual and analytical attitudes. Lectures and modeled work dealing with the human figure. Offered every semester.

FAR 104
THEMES AND ISSUES IN THE CONTEMPORARY ARTS
3, 3/0
Introduction to important figures, movements, and concepts in recent art, architecture, and design. Develops students' abilities to visually analyze works of art and to think critically about the role of art and the artist/designer in society. To be taken by all visual arts majors during their first year attending Buffalo State. Offered every semester.

FAR 105
ART APPRECIATION
3, 3/0
Survey of the world of art; exploration of the purposes and content, the elements and principles and various media used by artists.

FAR 189
TOPICS COURSE
3-6, 3/0
Offered every semester.

SUNY Buffalo State Undergraduate Catalog 2016–2017  197
FAR 210
INTRODUCTORY PAINTING
3, 1/5
Prerequisite: FAR 101. Introduction to the methods, techniques, standards, and values of painting. Exploration of color, form, and compositional problems. Lecture and studio experiences. Offered every semester.

FAR 220
INTRODUCTORY PHOTOGRAPHY
3, 1/5
Fundamentals of 35mm camera craft, black-and-white film developing, exposure metering, print finishing and presentation. Introduction to the use of Photoshop, Mac computer, film scanner, and ink jet printer for digital imaging. Lectures, darkroom and fieldwork. Note: 35mm camera with built-in exposure meter and manual mode capability required. Offered every semester.

FAR 230
INTRODUCTORY PRINTMAKING
3, 1/5
Prerequisite: FAR 101. Introduction to printmaking and its basic processes and techniques, involving demonstrations, lectures, and studio experiences in one or more areas such as intaglio, lithography, and relief. Offered every semester.

FAR 240
INTRODUCTORY SCULPTURE
3, 1/5
Prerequisite: FAR 101. The fundamentals of sculptural form. Additive, subtractive, and constructive approaches to sculpture through lecture and studio experiences. Offered every semester.

FAR 250
ART HISTORY I
3, 3/0; AR14, ARIF
World history of painting, sculpture, architecture, and related arts from the Paleolithic period to the end of the medieval period. Offered every semester.

FAR 251
ART HISTORY II
3, 3/0; AR14, ARIF
World history of painting, sculpture, architecture, and related arts from the thirteenth to the twentieth centuries. Offered every semester.

FAR 300
DRAWING III
3, 1/5
Prerequisite: FAR 102. Continuation of FAR 102, with emphasis on the human figure and its relationship to an environment and pictorial structure. Lecture and studio experience. Course may be repeated twice. Offered every semester.

FAR 311
INTERMEDIATE PAINTING I
3, 1/5
Prerequisite: FAR 210. Continuation of FAR 210, working toward a greater awareness of a personal statement. Lecture and studio experience. Offered every semester.

FAR 312
INTERMEDIATE PAINTING II
3, 1/5
Prerequisite: FAR 311. Continuation of FAR 210 and FAR 311, allowing opportunity for more thorough fundamental awareness at a more intense concentration. Lecture and studio experience. Offered every semester.

FAR 313
ADVANCED PAINTING
3-9, 1-3/5-15
Prerequisite: FAR 312. Advanced painting, with media, style, and content based on individual needs. Concentration on individually selected areas of painting. Lecture and studio experience. Course may be repeated three times. Offered every semester.

FAR 316
PAINTING IN SIENA
3, 1/5
Prerequisite: FAR 210 (for art credit); no prerequisite for non-art credit. Upper-level painting course, taught in Siena, Italy. Students work at their level of experience, in the materials and techniques available in Siena. Offered every semester.

FAR 321
INTERMEDIATE PHOTOGRAPHY I
3, 1/5
Prerequisite: FAR 220. An intermediate course in photography emphasizing the making of creative images. Intermediate 35mm camera technique and the use of on-camera electronic flash are taught. The basic Zone system is taught to improve exposure metering skills, to introduce controls for monitoring the development of film, and to familiarize students with contrast curves used in Photoshop. Includes lectures, equipment demonstrations, computer instruction, and fieldwork. Note: 35mm camera with built-in exposure meter, electronic flash, and tripod required. Offered every semester.

FAR 322
INTERMEDIATE PHOTOGRAPHY II
3, 1/5
Prerequisite: FAR 321. Intermediate use of computer, Photoshop, film scanning, ink jet printing, and color management to make creative pictures. Builds upon intermediate skills and introduces digital camera use for computer-based imagemaking in photography. Introduces large format ink jet printing. Includes lectures, equipment demonstrations, and fieldwork. Note: Digital camera (5 mega-pixel or better), 35mm camera, electronic flash, and tripod required. Offered every semester.

FAR 323
ADVANCED PHOTOGRAPHY
3-9, 1-3/5-15
Prerequisite: FAR 322. Devoted to creative work in photography and its integration with digital technology. Advanced camera skills are taught using medium-format and digital cameras. Advanced film exposure and lighting techniques are taught, as well as basic use of Illustrator, Painter, and Poser software. A medium format camera (120/220 film size), tripod, hand-held exposure meter, on-camera and portable studio flash are required. An internship taken concurrently with the last semester of Advanced Photography is encouraged. Course may be repeated up to three times. Offered every semester.

FAR 325
HISTORY OF PHOTOGRAPHY
3, 3/0
The invention and development of photography from the early-nineteenth century to the present. Photography as art, science, communication, and influence upon social patterns and customs. Offered alternate years.

FAR 328
STUDIO PHOTOGRAPHY
3, 1/5
Prerequisite: FAR 323. Introduction to current studio practices used to produce still photographs for commercial and other uses. Medium-format camera, view camera, and studio-lighting techniques. Emphasis on directed and fabricated photographic images. Professional-quality camera, hand-held light meter, and tripod required. Offered occasionally.

FAR 331
INTERMEDIATE PRINTMAKING I
3, 1/5
Prerequisite: FAR 230. Continuation of FAR 230. Emphasis on personal expression and creative possibilities. Includes lecture, demonstrations, and studio experience. Offered every semester.

FAR 332
INTERMEDIATE PRINTMAKING II
3, 1/5
Prerequisite: FAR 331. Continued exploration of printmaking with emphasis on personal expression and creative possibilities. Includes lecture, demonstrations, and studio experience. Offered every semester.
Prerequisites: FAR 250 and FAR 251. The ancient art and culture of Egypt and the Near East from their beginnings in the Neolithic period circa ninth millennium B.C. through the Roman conquest. The cultural and environmental context of art in Egypt and the Near East with emphasis on the development of civilization in the fourth millennium B.C., on craft specialization, and on ethnic diversity resulting in regional styles in art. Offered alternate years. Equivalent course: FAR353W

FAR 354

ART AND CULTURE OF GREECE
3, 3/0
Prerequisites: FAR 250 and FAR 251. The history of art in the cultural and environmental context of Greece from its beginnings in the Neolithic period, ca. 6000 B.C. through the Roman Conquest (first century B.C.). The architecture, sculpture, painting, and minor arts of Greece studied in their cultural context. Offered alternate years. Equivalent course: FAR354W

FAR 355

ART AND CULTURE OF ROME
3, 3/0
Prerequisites: FAR 250 and FAR 251. The history of Roman art during its two main periods, the Republican period and the Roman Empire (circa third century B.C. through fourth century A.D.). Consideration of early influences on the art and culture of Latium, including the art of the Near East and culture of the Villanovans and Etruscans, and the art of Archaic, Classical, and Hellenistic Greece. Offered alternate years. Equivalent course: FAR355W

FAR 356

EARLY MEDIEVAL ART
3, 3/0
Prerequisites: FAR 250 and FAR 251. The art and culture of Europe, Byzantium, and the Near East in the context of the development of Christianity from its early roots through the early twelfth century A.D. Regional forms in art, including sacred and secular building construction, manuscript illumination, metalworking, enameling, and sculpture are examined with emphasis on historical context and religious and philosophical meaning. Offered alternate years. Equivalent course: FAR356W

FAR 357

LATE MEDIEVAL ART
3, 3/0
Prerequisites: FAR 250 and FAR 251. Architecure, sculpture, painting and the decorative arts of the period from ca. 1100 A.D. through the end of the fourteenth century A.D. The new aesthetic of Gothic in the context of philosophical and theological developments in Western Europe, the Crusades, and the growth of cities. Offered alternate years. Equivalent course: FAR357W

FAR 358

ITALIAN RENAISSANCE ART, 1200-1480
3, 3/0
Prerequisites: FAR 250 and FAR 251. Introduction to stylistic, technical and iconographical developments in Italian art and architecture, leading up to and including the Renaissance period, 1200-1400. Examination of the aspirations, achievements and disappointments of major artists within their historical, social and cultural contexts. Offered alternate years. Equivalent course: FAR359W

FAR 359

HIGH RENAISSANCE AND MANNERISM
3, 3/0
Prerequisites: FAR 250 and FAR 251. Introduction to stylistic changes and developments in Italian High Renaissance and Mannerist art. Examination of the aspirations, achievements and disappointments of major artists within their historical, social and cultural contexts. Offered alternate years. Equivalent course: FAR359W

FAR 361

ITALIAN BAROQUE ART
3, 3/0
Prerequisites: FAR 250 and FAR 251. Architecture, sculpture, and painting in Italy during the seventeenth and eighteenth centuries. Emphasis on key centers such as Rome, Venice, Turin, and Naples. Offered alternate years.
FAR 362
NINETEENTH-CENTURY ART
3, 3/0
Prerequisites: FAR 250 and FAR 251. Architecture from the neoclassicism of the Adam brothers to the skyscraper. Painting from David to Cézanne in France, the Nazarenes, and Pre-Raphaelites in Germany and England. Sculpture from Houdon and Canova to Rodin in relationship to the social, political, economic, and intellectual climate of the times. Offered fall only.

FAR 363
TWENTIETH-CENTURY ART
3, 3/0
Prerequisites: FAR 250 and FAR 251. Major trends and works of the twentieth century. Emphasis on historical, artistic, judgmental, and cultural meanings as they reflect twentieth-century and past civilizations. Includes painting, sculpture, architecture, and other areas. Offered spring only.
Equivalent course: FAR363W

FAR 364
ART SINCE 1940
3, 3/0
Prerequisites: FAR 250 and FAR 251. Introduction to art since 1940 within its historical, social, political, and cultural contexts. Offered alternate years.

FAR 365
AMERICAN ART I
3, 3/0
Prerequisites: FAR 250 and FAR 251. Architecture, painting, and sculpture in the United States from the seventeenth century to World War I. Offered alternate years.

FAR 366
AFRICAN AMERICAN ART
3, 3/0
Prerequisites: FAR 250 and FAR 251. Survey of African American Art. Examines African American art as well as the relationship of art to politics and the formation of racial/cultural identity. Offered alternate years.

FAR 367
BAROQUE OF NORTHERN EUROPE
3, 3/0
Prerequisites: FAR 250 and FAR 251. Architecture, sculpture, and painting of the seventeenth and eighteenth centuries in Northern Europe. Emphasis on development in France, Holland, and Germany. Offered alternate years.
Equivalent course: FAR367W

FAR 369
ART OF THE MIDDLE AGES
3, 3/0
Prerequisite: Junior status or permission of instructor. Art of the Middle Ages from the Early Christian period through the end of the Gothic period (ca. third century A.D. – fourteenth century A.D.). Reading, analysis, lecture and discussion of the styles, cultural contexts and regional variations in the medieval art of Europe, the Mediterranean, and the Near East. Offered alternate years.

FAR 371
ART CRITICISM AND THEORY
3, 3/0
Prerequisite: Junior status or permission of instructor. Modern and Post-Modern art criticism and theory in a historical context; reading, analysis, lecture, and discussion of selected texts pertaining to Formalism, Iconography and Semiotics, Modernism, Post-Modernism, Media and Communication, Gender, the “Other” and Institutional Critique. Offered alternate years.

FAR 372
MASTERWORKS OF ARCHITECTURE
3, 0/0
Introduction to masterworks of architecture, emphasizing architecture as a living organism. Buildings selected from various periods and cultures. Styles from early civilizations to the present day, including places of worship and interment, public and commercial structures, and private residences. Offered alternate years.
Equivalent course: FAR372W

FAR 373
VENETIAN ART AND CULTURE, 1300-1800
3, 3/0
Prerequisites: Art History I (FAR 250) and II (FAR 251). The history of Venetian architecture, sculpture, and painting considered within historical, geographical and cultural contexts from the fourteenth through the eighteenth century. Students will undertake original research and will carry out individual projects. Offered alternate years.

FAR 374
THE HISTORY AND CULTURE OF ART COLLECTING AND THE PUBLIC MUSEUM
3, 3/0
Prerequisites: FAR 250 and FAR 251. Study of the history and theory of art collecting in Europe and America within historical, cultural and intellectual contexts. Examination of specific collectors and collections, cultural practices associated with collecting, methods of displaying art and approaches to viewing art. Offered alternate years.

FAR 375
INTRODUCTION TO ASIAN ART
3, 3/0
Prerequisite: FAR 250 and FAR 251; upper-division status. The principal concepts in the art of China, Japan, and India. The relevance of the philosophies of Hinduism, Buddhism, Jainism, Zen tradition, Taoism, and Confucianism to the development of Asian art. Brief histories of civilizations as frameworks for understanding aesthetic and philosophical Asian concepts. Offered alternate years.

FAR 376
INDIAN ART
3, 3/0
Prerequisites: FAR 250 and FAR 251; upper-division status. Introduction to the principal thoughts and concepts of the art of India and its relevance to the philosophies of Hinduism, Buddhism, and Jainism. Includes comparisons with Western art and a brief history of Indian civilization as a framework for the understanding of Indian aesthetic and philosophical concepts as presented in works of art. Offered alternate years.

FAR 377
ART OF CHINA AND JAPAN
3, 3/0
Prerequisite: FAR 250 and FAR 251; upper-division status. Introduction to the principal thoughts and concepts of Chinese and Japanese art and its relevance to the philosophies of Buddhism, Zen tradition, Taoism, and Confucianism. Includes comparisons with Western art and brief histories of Eastern civilizations as frameworks for the understanding of Eastern aesthetic and philosophical concepts as presented in works of art.

FAR 380
ART OF AFRICA
3, 3/0
The history of art in Africa from prehistory through the twentieth century. Arts from diverse regions of the continent are examined in their cultural context, with an emphasis on local and regional variations in style and iconography in the domestic, sacred, and royal arts. African responses to the development of slavery, imperialism, and other external stimuli are considered in relation to the use and trade of raw materials and the creation of new symbolic forms. Offered alternate years.
Equivalent course: AAS380

FAR 382
MODERN AND CONTEMPORARY RUSSIAN ART
3, 3/0
Prerequisites: FAR 250 and FAR 251. Survey of Modern and Contemporary Art in Russia. Examines modern art before the Soviet Revolution, the art and culture of the Soviet Union, and of the Post-Soviet era. Offered alternate years.

FAR 385
NORTHERN RENAISSANCE ART
3, 3/0
Prerequisites: FAR 250 and 251. Survey of artistic developments in Flanders, Holland and Germanic Provinces between 1380 and 1580 within historical, political, religious and cultural contexts. Offered alternate years.
FAR 389
TOPICS COURSE
3, 0/0
Offered alternate years.

FAR 400
DRAWING IV
3, 1/5
Prerequisite: FAR 300. Advanced drawing with media and content based on individual needs. Concentration on individually selected area of development in drawing. Use of model. Lecture and studio experiences. Course may be repeated twice. Offered alternate years.

FAR 410
SENIOR STUDIO IN PAINTING
6, 2/10
Prerequisites: FAR 313, painting major, senior status. A 6 credit-hour concentration of studio work. Students plan and execute a series of problems and projects in consultation with major adviser. Offered every semester.

FAR 420
SENIOR STUDIO IN PHOTOGRAPHY
6, 2/10
Prerequisites: FAR 323, photography major, senior status. A 6 credit-hour concentration of studio work by the senior major in photography. Students outline, plan, and execute a complex and related series of pictures to be made during the semester, which result in a skillful, intelligent, and coherent body of work. Offered every semester.

FAR 430
SENIOR STUDIO IN PRINTMAKING
6, 2/10
Prerequisites: FAR 333, printmaking major, senior status. A 6 credit-hour concentration of studio work. Students plan and execute a series of problems and projects in consultation with major adviser. Offered every semester.

FAR 440
SENIOR STUDIO IN SCULPTURE
6, 2/10
Prerequisites: FAR 343, sculpture major, senior status. A 6-credit-hour concentration of studio work. Students plan and execute a series of problems and projects in consultation with major adviser. Offered every semester.

FAR 469
ART AND ARCHITECTURE IN SIENA
3, 0/0
Firsthand study of Gothic and Renaissance art in Siena, Italy. Includes classroom lectures and visits to the city's major monuments and collections. Offered every semester.

FAR 470
SENIOR SEMINAR IN FINE ARTS
3, 3/0
Prerequisites: FAR 313, FAR 323, FAR 333, or FAR 343; fine arts major. Final evaluative process regarded as a culminating experience in the program. Discussions and lectures in major areas. Theory and significance of selected problems. Critical analysis of the student's work resulting in the preparation of a professional portfolio. Offered every semester. Equivalent course: FAR470W

FAR 471
SENIOR SEMINAR IN ART HISTORY
3, 3/0
Prerequisites: FAR 454, FAR 457, and FAR 459; senior status; art history major; or permission of instructor. Readings, discussions, and research on selected problems in the history of art from antiquity to the twentieth century. Emphasis on gathering and interpreting source material.

FAR 488
INTERNSHIP
1-15, 0/0
Prerequisites: Permission of faculty supervisor; minimum cumulative GPA of 2.0; background of courses or experiences within area of interest; permission of student adviser or major department chair and supervising faculty member and chair of credit-granting department. Guided, supervised field experiences (experiential learning). Offered every semester.

FAR 495
SPECIAL PROJECT
1-3, 0/0
Offered occasionally.

FAR 497
WORKSHOP
3, 0/0
Offered occasionally.

FAR 499
INDEPENDENT STUDY
3-12, 0/0
Offered every semester.

FCS - FAMILY AND CONSUMER SCIENCES
EDUCATION

FCS 301
PRINCIPLES OF BUSINESS/MARKETING AND TECHNOLOGY EDUCATION
3, 3/0
Introduction to the teaching of occupational education courses in public schools; principles, philosophy, and objectives; historical development of occupational education and the development of current issues for an occupational education program. Offered every semester. Equivalent courses: BME301, BME301W, BUS301, CTE301

FCS 302
CURRICULUM AND EVALUATION IN BUSINESS/MARKETING AND TECHNOLOGY EDUCATION
3, 3/0
Introduction to the curriculum and evaluation in business/marketing and technology education. State curriculum and standards, lesson planning, student learning, and curriculum evaluation. Offered every semester. Equivalent courses: BME302, BUS302, CTE302, VTE302

FCS 303
INSTRUCTIONAL STRATEGIES IN BUSINESS AND MARKETING
3, 3/0
Instructional strategies dealing with classroom management, classroom environment, and educational technologies. 100 hours of field experience prior to student teaching required. Offered every semester. Equivalent courses: BME411, BUS411, CTE404, VTE404

FCS 415
STUDENT TEACHING I
6, 0/0
Prerequisites: Senior standing; completion of business core area and BME 411; 2.5 cumulative average in major subject area; 2.0 cumulative average in total program; C or better in CWP 101 and CWP 102; satisfactory completion of (or exemption from) prerequisite EXE 100 Student Speech Clinic if referred. Full-time teaching in a public school for one semester under the supervision of a master teacher and a college supervisor. Offered every semester. Equivalent courses: BME415, BUS415

FCS 416
STUDENT TEACHING II
6, 0/0
Prerequisites: Senior standing completion of business core area and BME 411; 2.5 cumulative average in major subject area; 2.0 cumulative average in total program; C or better in CWP 101 and CWP 102; satisfactory completion of (or exemption from) prerequisite EXE 100 Student Speech Clinic if referred. Full-time teaching in a public school for one semester under the supervision of a master teacher and a college supervisor. Offered every semester. Equivalent courses: BME416, BUS416
FIN 110
PERSONAL FINANCE
3, 3/0
Prerequisite: Successful completion of mathematics basic skills competency requirement. Basics of personal and household finance. Saving, debt reduction, home and automobile financing, retirement planning, investment, and insurance. Offered alternate years. Equivalent course: ECO101

FIN 189
TOPICS COURSE
1-3, 1-3/0

FIN 314
CORPORATION FINANCE
3, 3/0
Prerequisites: ECO 201, or ECO 202 and BUS 312. Introduction to analytical techniques and terminology of corporate financial management. Includes the financial environment, yield-curve analysis, ratio analysis, the DuPont system, pro forma balance sheets and income statements, the Capital Asset Pricing Model, the intrinsic value of stocks and bonds, the time value of money, capital budgeting, and working capital management. Offered every semester. Equivalent course: ECO314

FIN 345
ESTATE PLANNING
3, 3/0
Prerequisite: Upper-division status. Provides financial security during retirement years and facilitates the intended and orderly disposition of property upon disability or death. Addresses concepts and techniques of lifetime financial planning that may lead to increases in one's estate and the conservation of existing assets. Includes a critical evaluation of traditional planning techniques and analysis of major advanced methods, including various living trusts, irrevocable life insurance trusts, charitable remainder trusts, and family-limited partnerships. Offered fall only. Equivalent course: ECO345

FIN 370
TECHNICAL ANALYSIS OF FINANCIAL MARKETS
3, 3/0
Prerequisites: ECO 202 or ECO 201 or ECO 101. Study of the market action of financial products such as securities, bonds, futures, and derivatives through the use of charts and figures. Effects of business, economic, and social "realities" and perceptions on price in financial markets. Market models and theory and the practices and instruments of market players. Technical analysis as a forecasting tool of both market and economic trends in various time frames. Offered fall only.

FIN 389
TOPICS COURSE
1-3, 1-3/0

FIN 400
INTERNATIONAL FINANCE
3, 3/0
Prerequisites: ECO 201 and ECO 202 and FIN 314. Basic theories in international finance and applications, including analysis of exchange-rate markets, international capital markets, multinational capital budgeting, cash management, and international banking. Provides a strong background in international financial markets and international financial policy. Offered fall only. Equivalent course: ECO400

FIN 414
INVESTMENT MANAGEMENT
3, 3/0
Prerequisite: FIN 314. Operating and efficiency characteristics of security markets. The application of institutional, technical, and theoretical approaches to security analysis and evaluation of investment portfolios. Offered spring only. Equivalent course: ECO414

FIN 415
CASES IN CORPORATION FINANCE
3, 3/0
Prerequisite: FIN 314; ECO 307 recommended. Application of the case approach to problems in business finance. Includes working capital financing, term borrowing, capital budgeting, and mergers and acquisitions. Offered occasionally. Equivalent course: ECO415

FIN 416
ADVANCED CORPORATION FINANCE
3, 3/0
Prerequisites: FIN 314. Advanced study of the practice and theory of corporate finance, focusing on topics not covered in introductory corporation finance. Includes advanced debt policy, options, leasing, mergers, international financial management, and pension plans. Offered occasionally. Equivalent course: ECO416

FIN 417
DERIVATIVE SECURITIES
3, 3/0
Prerequisite: FIN 314. How modern securities are created from their basic components. Includes circus swaps, artificial Treasury bills, artificial cash, synthetic puts, and portfolio insurance products. Offered spring only. Equivalent course: ECO417

FIN 418
BOND MARKETS
3, 3/0
Prerequisite: FIN 314. Introduction to bond management. Includes bond pricing, yield measurements, return measurements, duration, convexity, Treasury securities, agency securities, corporate debt, municipal bonds, the term structure of interest rates, mortgage loans, pass-through securities, CMOs, return characteristics of derivative products, and bond hedging using options and futures. Offered fall only. Equivalent course: ECO418

FIN 419
MERGERS AND ACQUISITIONS
3, 3/0
Prerequisites: FIN 314. Identification of firm valuation through mergers and acquisitions; drivers of successful and unsuccessful corporate restructurings; design and evaluation of structured transactions. Strategic planning, investment decisions, and other factors underlying mergers - deal tactics, law, accounting and taxation. Capital market reactions to control transactions; defensive measures against takeover bids. Offered spring only.

FIN 499
INDEPENDENT STUDY
3-12, 0/0

FLE 200
FIELD EXPERIENCE IN FOREIGN LANGUAGE EDUCATION
3, 0/0
Prerequisites: Sophomore status; completion of 302 in language of specialization; minimum GPA of 2.5 in language of specialization or GOOD on MLA scale; proficiency in English (FSI-3); consent of modern and classical languages education coordinator. Ninety hours in a middle, junior high, or senior high school in observation and participation of various types. Conducted by school and college staff. Offered occasionally. Equivalent course: SED200

FLE 201
INTRODUCTION TO TECHNOLOGY IN FOREIGN LANGUAGE EDUCATION
3, 3/0; TSIF
Prerequisite: Official enrollment in French or Spanish foreign language education program. Introduction to the uses and limitations of technology in language instruction with particular emphasis on the principled use of computer-assisted instruction, situated within standards- and research-based language pedagogy. Offered occasionally.
FOR - FORENSIC SCIENCE

FOR 122
SCIENTIFIC CRIMINAL EVIDENCE ANALYSIS
3, 3/3
Scientific techniques that have been adapted and applied to the detection and investigation of crimes. Collection techniques, analytical processes, and value of scientific evidence from the point of view of forensic scientists. Different disciplines, specialties, and careers available in forensic science. Offered spring only.

FOR 312
CHEMISTRY AND CRIMINALISTICS
4, 3/3
Prerequisites: FOR 122, MAT 311 and CHE 201. Chemistry as an investigative aid in the process of criminal justice. Basic chemical, physical, and microscopic techniques used in criminal investigations. Relevant laws and legal issues that impact on scientific evidence. Professional practice and ethics in the field of forensic science. The overall function of the criminalist from the gathering of evidence to the final presentation of expert testimony. Offered fall only.
Equivalent course: CHE312

FOR 412
INTERNSHIP IN CRIMINALISTICS
3, 0/0
Prerequisites: FOR 312, CHE 403, permission of instructor, and senior status. Field experience in a forensic laboratory involving routine and research work in forensic chemistry. Note: Police laboratories sometimes require background checks and/or drug screens prior to placement. While not required by the college, these can affect students' abilities to complete the program. Offered every semester.
Equivalent course: CHE412

FOR 414
FORENSIC CHEMISTRY LABORATORY
3, 2/3
Prerequisites: FOR 312 and CHE 403; BIO 303 or BIO 350 (or concurrent ly). Instruction and laboratory experiences in a wide range of forensic chem-

FLE 240
INTRODUCTION TO LINGUISTICS
3, 3/0
A general introduction to the study of language, including syntax, morphol-ogy, phonetics, phonology, semantics, sociolinguistics, discourse analysis, and language change. Offered fall only.

FLE 300
INTRODUCTION TO THE FOREIGN LANGUAGE CLASSROOM
3, 3/0
Prerequisites: FLE 301 or SPA 301 or equivalent, and one course in French or Spanish literature. Strategies and techniques for teaching reading in the second-language classroom. Students read in the language they are going to teach. Required for all students entering foreign language education programs. Offered fall only.
Equivalent course: SED316

FLE 316
TEACHING READING IN THE SECOND LANGUAGE IN MIDDLE SCHOOLS
3, 3/0
Prerequisites: FLE 301 or SPA 301 or equivalent, and one course in French or Spanish literature. Strategies and techniques for teaching reading in the second-language classroom. Students read in the language they are going to teach. Required for all students entering foreign language education programs. Offered fall only.
Equivalent course: SED316

FLE 340
SECOND LANGUAGE ACQUISITION AND LITERACY
3, 3/0
Prerequisites: Consent of foreign language education coordinator. Introduction to the main components that underpin second-language acquisition and literacy theory, including inter-language systems and sociocultural, psychological, and personality factors. Classroom observations in a middle, high, or senior high school. Conducted by school and college staff. Required for all B.S. French and Spanish Education majors (BS-AH-FRS/SPS) and Foreign Language Education Postbaccalaureate Teaching Certification (PBC-AH-FRS/SPS) students. Offered spring only.

FLE 401
TEACHING FOREIGN LANGUAGE IN MIDDLE AND HIGH SCHOOLS
3, 3/0
Prerequisites or corequisites: Completion of the ACTFL Oral Proficiency Interview. FLE 300, EDF 303, and EDF 403. Exploration of the research and standards that inform professional foreign language teaching. Students in modern and classical languages teacher certification programs should take this course immediately before FLE 407 and FLE 408 (student teaching). Conducted by school and college staff. Offered every semester.
Equivalent course: FLE401W

FLE 403
FOUNDATIONS OF FOREIGN AND SECOND LANGUAGE EDUCATION
3, 3/0
Prerequisites: FLE 300. May be taken concurrently with instructor permis-sion. Introduction to the historical, psychological, social and philosophical foundations of foreign and second language instruction. Offered occasional-ly.

FLE 405
METHODS AND MATERIALS FOR TEACHING FOREIGN LANGUAGES IN HIGH SCHOOLS
3, 3/0
Prerequisites: EDF 303, EDF 403, and consent of modern and classical languages education coordinator. Prerequisite or corequisite: FLE 200. Introduction to the elements of a foreign language curriculum: selecting, organizing, and presenting material; designing classroom activities; evaluating student progress; teacher-pupil relationships. Students in modern and classical languages teacher certification programs should take this course immediately before FLE 407 and FLE 408. Offered occasionally.
Equivalent course: SED405

FLE 406
TECHNIQUES FOR TEACHING AND EVALUATING FOREIGN LANGUAGES IN MIDDLE SCHOOLS
3, 3/0
Prerequisites: EDF 303, EDF 403, and consent of modern and classical languages education coordinator. Prerequisite or corequisite: FLE 200. Development of skills in teaching and testing foreign languages, with special emphasis on applying a communicative syllabus to middle and secondary school language programs. Offered occasionally.
Equivalent course: SED406

FLE 407
STUDENT TEACHING OF FOREIGN LANGUAGES IN THE MIDDLE/JUNIOR HIGH SCHOOL
6, 0/0
Prerequisites: Minimum GPA of 2.5 for all requirements in language of specialization and in professional education; minimum grade of C in FLE 405 and FLE 406; consent of modern and classical languages education coordinator. Teaching under supervision in a middle school or junior high school five days a week, with additional participation in school program. Evaluation by college and school personnel. Offered every semester.
Equivalent course: SED407

FLE 408
STUDENT TEACHING OF FOREIGN LANGUAGES IN THE HIGH SCHOOL
6, 0/0
Prerequisites: Minimum GPA of 2.5 for all requirements in language of specialization and in professional education; minimum grade of C in FLE 405 and FLE 406; consent of modern and classical languages education coordinator. Teaching under supervision in a senior high school five days a week, with additional participation in school program. Evaluation by college and school personnel. Offered every semester.
Equivalent course: SED408

FLE 497
WORKSHOP
3, 0/0
Offered occasionally.

FLE 499
INDEPENDENT STUDY
1-12, 0/0
Offered every semester.
FRE 201 INTERMEDIATE FRENCH I
3, 3/0; FLA

FRE 202 INTERMEDIATE FRENCH II
3, 3/0; FLA
Prerequisite: FRE 201. Continuation of FRE 201. Further development of basic skills with emphasis on reading and writing. Offered every semester.

FRE 203 WORKPLACE FRENCH I
3, 3/0
Prerequisite: FRE 102. Taught in French. Common written and oral interactions in the French-speaking workplace. Language skills and proficiency practice at the intermediate-low level of the ACTFL (American Council on the Teaching of Foreign Languages) scale. Offered fall only.

FRE 204 WORKPLACE FRENCH II
3, 3/0
Prerequisite: FRE 203. Taught in French. Common written and oral interactions in the French-speaking workplace. Language skills and proficiency practice targeted toward the intermediate-mid level of the ACTFL (American Council on the Teaching of Foreign Languages) scale. Offered spring only.

FRE 301 INTRODUCTION TO FRANCOPHONE CULTURE
3, 3/0

3, 3/0
Aspects of the Francophone world (French-speaking Europe, North America, Africa, and the Caribbean). Emphasis on historical, political, economic, and social changes resulting from colonial, neocolonial, and anticolonial periods. French majors and minors must obtain department chair and permission of course instructor. Offered occasionally. Equivalent course: FRE341W

FRE 389
TOPIC COURSE
3, 0/0
Offered every semester.

FRE 402
PEDAGOGICAL FRENCH
3, 3/0
Prerequisites: FRE 301 and FRE 302 or equivalents. Instruction in classroom use of French and exploration of research in French pedagogy. Prepares candidates for the required American Council on the Teaching of Foreign Languages (ACTFL) Advanced-Low proficiency interview in French. Offered occasionally.

FRE 412
STUDIES IN THE FRENCH NOVEL
3, 3/0
Prerequisite: FRE 307, FRE 308, or FRE 309. French and Francophone novels from the Middle Ages to the present. Includes historical introduction to the novel as social phenomenon and introduction to the formal development of the French and Francophone novel. May be limited to one historical period. May be repeated once where content varies. Offered occasionally.

FRE 415
ADVANCED GRAMMAR AND COMPOSITION
3, 3/0
Prerequisites: FRE 301 and FRE 302. Advanced topics of French grammar with work in French composition. Offered occasionally.

FRE 416
ADVANCED CONVERSATION AND COMPOSITION
3, 3/0
Prerequisites: FRE 301 and FRE 302. Advanced conversation dealing with contemporary French civilization and institutions. Recommended for secondary education majors. Offered occasionally.

FRE 420
LITERATURE AND SOCIETY OF FRANCOPHONE CANADA: 1700 TO THE PRESENT
3, 3/0
Prerequisites: One 300-level FRE literature course and instructor permission. Taught in French. Study of the lasting impact of French colonialism on the society, literature, and self-identity of Francophone North America. Offered spring only, alternate years.

FRE 435
FRANCOPHONE AFRICAN LITERATURE IN POST-COLONIAL CONTEXT
3, 3/0
Prerequisites: One 300-level FRE literature course and instructor permission. Taught in French. Study the effects of colonialism on the society, culture, and self-identity of Francophone Africa. Offered fall only.

FRE 440
ORIGINS OF MODERN FRANCE
3, 3/0
Prerequisites: FRE 306 or FRE 307 or FRE 308 or FRE 309, and instructor permission. Taught in French. An examination of the 19th-century intellectual trends, scientific advances, and social welfare initiatives that made France what it is today, as portrayed in the novels of key authors of the period 1850-1890. The influence of contemporary developments in germ theory, urban planning, and social welfare reform on the urban renewal campaign of Emperor Napoleon III. Evolutionary theory and its impact on the ideology and novels of key authors of the naturalist school or literature. Offered fall only, alternate years.

FRE 455
MOLIERE'S COMEDIES IN SOCIO-CULTURAL CONTEXT
3, 3/0
Prerequisites: Instructor permission. Taught in French. Analysis of the life and works of Moliere, the milieu for which he wrote, the conventions of 17th-century French drama, the influence of contemporary political rivalries, social conditions, and court practices on his work and career. Offered fall only, alternate years.

FRE 460
FRANCO-CARIBBEAN LITERATURE, HISTORY & CULTURE
3, 3/0
Prerequisites: At least one previous upper-level, undergraduate literature course in French. History, social issues, syncretic aspects of the French Caribbean culture in literary context. Characteristic literary themes, conflicts, and symbolism in key works of major Franco-Caribbean authors. Taught in French. Offered spring only, alternate years.

FRE 495
SPECIAL PROJECT
1-3, 0/0

FRE 496
SEMINAR I
3, 3/0
Prerequisite: Permission of instructor. Topic chosen by instructor. Offered every semester.

FRE 497
SEMINAR II
1-3, 3/0
Prerequisite: Permission of instructor. Topic chosen by instructor. Offered every semester.

FRE 499
INDEPENDENT STUDY
3-12, 0/0
Offered every semester.

FTT - FASHION AND TEXTILE TECHNOLOGY

FTT 100
CONSTRUCTION FUNDAMENTALS
1, 1/1
Fundamental construction techniques used in the apparel industry; proficiency in basic construction details using both domestic and industrial sewing equipment. Offered occasionally.

FTT 109
FUNDAMENTALS OF APPAREL CONSTRUCTION
3, 2/2
Basic beginning techniques of apparel construction using commercially available patterns; introduction to sewing equipment, measuring techniques, fabric selection, fit, and alterations; evaluation and comparison of garments completed as assignments to similar apparel available through retail sources. Offered every semester.

FTT 110
FUNDAMENTALS OF THE FASHION INDUSTRY
3, 3/0
Introductory course of the global textile and fashion industry; an overview of the textile/apparel design product development process; design principles and elements; quality of the finished product; career opportunities in the fashion industry. Offered every semester. Equivalent courses: FST107, FTT107

SUNY Buffalo State Undergraduate Catalog 2016–2017  205
FTT 150  
INTRODUCTION TO FASHION MERCHANDISING  
3, 3/0  
An introduction to fashion merchandising, including basic market structure, operational patterns in merchandising, and the marketing of fashion. Offered every semester.

FTT 200  
INTRODUCTION TO HAND KNITTING  
3, 2/2  
Gain experience in beginning hand-knit design. Emphasis on the basic principles of hand knitting; structure and types of hand stitches, traditional and ethnic knit designs, and development of original hand-knit designs. Offered occasionally.

FTT 206  
INTRODUCTION TO TEXTILES  
3, 3/0  
Equivalent course: FST206

FTT 208  
INTRODUCTION TO FASHION TECHNOLOGIES  
3, 2/2  
Introduction to a variety of off-the-shelf software programs; preliminary multidisciplinary hands-on experience of how they are used in the fashion industry. Offered every semester.  
Equivalent course: FST208

FTT 224  
PATTERN DRAFTING AND GRADING FOR INDUSTRY  
3, 2/2  
Prerequisites: FTT 109 or instructor permission. Introduction to technical patternmaking skills; emphasis on the development of basic traditional and computer drafting and grading skills; students produce a drafted sloper manually and on the computer that will be graded on the computer into a nested pattern. Offered every semester.  
Equivalent course: FTT325

FTT 250  
FASHION BUYING AND MERCHANDISING PRINCIPLES  
3, 3/0  
Prerequisite: FTT 150. Mathematical factors involved in profitable merchandising; concepts, practices, and procedures, as well as the calculations and interpretations of figures related to operations of stores. Offered every semester.

FTT 300  
KNIT TECHNOLOGY I  
3, 2/2  
Prerequisite: FTT 206 or permission of instructor. Basic principles of computerized machine weft knitting; understanding the relationships of yarn, color, stitch types, and gauge; charting and producing stitch designs by machine. Offered occasionally.  
Equivalent course: FTT414

FTT 303  
FASHION ILLUSTRATION/DRAWING I  
3, 2/2  
Foundation skills in fashion illustration; the fashion figure, poses, and garment and fabric sketching; includes illustration of a garment collection for professional portfolio development. Offered every semester.  
Equivalent course: THA303

FTT 304  
SURFACE PATTERN DEVELOPMENT FOR INDUSTRY  
3, 2/2  
Prerequisites: FTT 208 or instructor permission. Creation of original motifs for prints that are targeted for the fashion products market; professional methods for transforming original motifs into commercial digital surface patterns and/or graphic prints (using Adobe Photoshop & Illustrator); color reduction and cleaning; basic repeat development; colorway development based on manufacturer requirements, awareness of current color and graphic trends, marketability, and industry standards. Offered every semester.

FTT 306  
TEXTILE EVALUATION  
3, 2/2  
Prerequisites: FTT 110, FTT 206. Advanced-level course in textiles; provides an understanding of fabric-performance evaluation; emphasis on standard test methods used by textile/apparel industry; equipment and techniques used in determining selected physical and aesthetic properties of textile products. Offered every semester.  
Equivalent course: FTT336

FTT 308  
FASHION CAD (COMPUTER AIDED DESIGN)  
3, 2/2  
Prerequisites: FTT 208 or instructor permission. Intermediate multi-faceted skill expansion for fashion product design, technical development, using Adobe Photoshop & Illustrator. Fashion product design line/collection development; electronics and Web-based portfolio presentation. Offered every semester.

FTT 310  
SEWN PRODUCTS INDUSTRY  
3, 3/0  
Prerequisites: FTT 306 or permission of instructor. Overview of the apparel manufacturing industry: structure and organization of the industry, design sources, techniques of pattern development, selection of raw materials, manufacturing processes, and quality specifications of the finished product. Offered every semester.  
Equivalent course: FTT310W

FTT 324  
INDUSTRIAL APPAREL ASSEMBLY  
3, 2/2  
Prerequisite: FTT 109. Focus on design room techniques utilized in both couture and mass production of apparel. Emphasis on equipment; appropriate selection of style, color, and fiber content of construction materials; alteration techniques used to achieve proper fitting garments and mastery of selected couture; and industrial construction processes. Offered every semester.

FTT 326  
TRADITIONAL/COMPUTER FLAT PATTERN  
3, 2/2  
Prerequisite: FTT 224 or instructor permission. Introduction to traditional and computer flat pattern method of pattern making; emphasis placed on design and completion of selected items of apparel developed from a basic sloper. Offered every semester.

FTT 327  
COMPUTER PATTERNMAKING  
3, 2/2  
Prerequisites: FTT 326 or instructor permission. Apparel patterns are modified and graded in 2D and simulated in 3D through the use of an industrial multidimensional software; hand pattern drafting techniques are adapted to the computer by creating a virtual custom dress from a body scan and applying pattern modifications in order to create a variety of intermediate to advanced garment style patterns that are simulated in 3D on a virtual avatar. Offered every semester.

FTT 328  
APPAREL DESIGN III: DRAPING  
3, 2/2  
Prerequisites: FTT 109 and FTT 224 or permission of instructor. Clothing design using the draping technique is a pattern-making method that is visual and aesthetic. Emphasis is on the creation of basic garment patterns using draping method. Experience with the manipulation of a variety of two-dimensional fabrics to cover three-dimensional forms using a variety of fabrics to achieve individualized designs. Offered every semester.

FTT 329  
DESIGNING KNIT APPAREL  
3, 2/2  
Prerequisites: FTT 109, FTT 224, or permission of instructor. Design/construction of garments utilizing various types of knit fabrics. Pattern-making practices of the knitswear industry, including industrial methods of measuring, sewing, and finishing original knit designs. Offered fall only.
FTT 348  
HISTORY OF COSTUME  
3, 3/0  
Survey of dress from earliest period to the present with emphasis on the societal influences that have shaped dress design. Offered fall only.

FTT 349  
HISTORY OF TEXTILES  
3, 3/0; NW14, NWIF  
Prerequisites: FTT 206 and junior standing or permission of instructor. Political, cultural, and economic effects of textile production throughout the world. Use of fibers, yarns, fabric construction, color application, and finishes in relation to development of technology, labor movements, and social issues during historic periods on a global basis. Offered alternate years. Equivalent courses: FTT349W, FTT449

FTT 350  
FASHION MERCHANDISING APPLICATIONS  
3, 3/0  
Prerequisites: FTT 208, FTT 250. Hands-on experience with spreadsheet package used in the fashion industry for tasks such as inventory management, pricing, assortment planning, etc. Strategies for next season/year formulated based on analysis and evaluation of data. Preparation of profit/loss statements and presentation of financial report using Power Point. Offered every semester.

FTT 355  
RESEARCH IN FASHION MERCHANDISING  
3, 3/0  
Prerequisite: FTT 150. Introduction to merchandising research; exploration of various research techniques; characteristics of qualitative and quantitative studies. Offered every semester.

FTT 358  
FASHION FORECASTING AND CONSUMER ISSUES  
3, 2/2  
Prerequisite: Prerequisite: FTT 110, FTT 208 or permission of instructor. Study of designer’s work; consumer segmentation and adoption process; analysis of current trends in apparel in order to forecast for specific markets; storyboard presentation. Offered every semester.

FTT 359  
VISUAL MERCHANDISING  
3, 3/0  
Prerequisites: FTT 250 or Instructor’s permission. Importance of visual merchandising in the landscape, with an emphasis on the principles and techniques needed to create strong, impactful visual presentations. Topics include a history of window display and its transition to visual merchandising; design and composition; tools and materials used in the field; mannequins and use of props; lighting and signing; installation of presentations; visual merchandising’s place in store and corporate hierarchy; store design and planning; computers and visual planning; safety. Offered fall only.

FTT 365  
FASHION DIGITAL RETAILING  
3, 3/0  
Prerequisites: FTT150 or Instructor permission. The scope and status of fashion digital retailing; advantages and disadvantages compared to traditional retailing; digital retailing infrastructure; strategies used by small and large apparel brands and retailers; digital marketing concepts and practices; ethical, social and political issues; and key trends in fashion digital retailing.

FTT 410  
ADVANCED PRODUCT DEVELOPMENT  
3, 3/0  
Prerequisite: Prerequisite: FTT 306, FTT 310, or permission of instructor. Advanced apparel production; principles and practices of sourcing raw materials and the costing of finished garments; types of production systems and the sequence of construction operations used to produce selected items of apparel. Offered spring only.

FTT 412  
CAD: APPAREL AND TEXTILE DESIGN FOR INDUSTRY  
3, 2/2  
Prerequisite: FTT 206, FTT 208, or permission of instructor. Advanced techniques for off-the-shelf design software; development of basic understanding and design skills on an industrial print pattern design system; market research relevant to textile/apparel coordinate product development; advanced textile/apparel coordinate product development; advanced apparel/textile design portfolio development for professional product presentation. Offered fall only.

FTT 413  
CAD: WEAVER FOR INDUSTRY  
3, 2/2  
Prerequisite: FTT 206, FTT 208, or permission of instructor. Transition of designing woven designs on paper to industrial design software; develop colorways for repeat designs on 8 24harness looms; designs are applied to end products for merchandising collections targeting specific markets; advanced portfolio-quality presentations. Offered spring only.

FTT 450  
ISSUES IN FASHION AND TEXTILE INDUSTRY  
3, 3/0  
Prerequisites: FTT 110, FTT 206, FTT 306, FTT 310 or permission of instructor. Integration of tracks in fashion textile technology. Overview of global issues facing the textile and apparel industry. Differences of organization and their inherent structural characteristics; national and international scope of the industry related to textiles, merchandising, and apparel manufacturing companies. Discussion of contemporary issues in American textile and apparel industry, including governmental controls, global trade policies, and labor issues. Offered every semester. Equivalent course: FTT450W

FTT 451  
SENIOR PROJECT  
3, 3/0  
Prerequisites: FTT 308 and instructor permission. Fashion students must have completed: 1) up to and including all FTT 300 level core courses, and 2) all their 300 level required courses for their respective areas of concentration-apparel design and product development. Offered spring only.

FTT 452  
FASHION SHOW PRODUCTION  
3, 2/2  
Prerequisite: Upper-division status or permission of instructor. Planning and production of a fashion-promotion event. Utilization of fashion skills to participate in individual and group activities leading to the presentation of a major fashion show. Offered every semester.

FTT 455  
ISSUES IN MERCHANDISING AND FASHION RETAILING  
3, 3/0  
Prerequisite: FTT 250 or permission of instructor. Theory, principles, and practice of apparel merchandising to retail sector; marketing structures at retail level; responsibilities at management level; financial and control functions; case-study analysis. Offered every semester.

FTT 461  
SENIOR SEMINAR IN FASHION PRODUCT DEVELOPMENT  
3, 2/4  
Prerequisites: FTT 310 and FTT 326 or instructor permission. Capstone experience for Product Development students which requires the integration of design, production and marketing of a fashion related product. The class will utilize a team approach and emphasize decision-making skills. Offered spring only.

FTT 475  
SENIOR SEMINAR IN FASHION MERCHANDISING AND MARKETING  
3, 3/0  
Prerequisites: FTT 350, FTT 455 or Instructor permission. Capstone class in fashion merchandising and marketing presenting current practices, trends, and problems in the field; Analysis on contemporary issues in fashion merchandising and marketing by using the case study method and the content analysis; Developing effective business communication skills through writing case study reports and presenting the reports orally at the end of the course. Offered spring only.

FTT 488  
INTERNSHIP/FIELD EXPERIENCE  
1-6, 0/0  
Prerequisites: Upper-division status and permission of instructor. Provides an opportunity to integrate academic knowledge in guided and supervised field experiences (experiential learning) with institutions, businesses and educational organizations, social and/or government agencies in area of...
interest to students as part of their degree program. Approval for experiential learning situations must be obtained from either the student's adviser or the department chair within which the student is a major, the supervising faculty member, and the chair of the department within which the credit will be given. Internship includes structured, supervised field participation, meetings with instructor for response to experiences, and written or other assignments. Students must have at least a 2.5 GPA and background within the area of interest to be considered for this experience. May be taken for a maximum of 6 credits. Offered every semester.

</thead>
<tbody>
<tr>
<td>FTT 499</td>
<td>INDEPENDENT STUDY</td>
<td>3-12, 0/0</td>
<td>Offered occasionally.</td>
</tr>
<tr>
<td>GEG 101</td>
<td>WORLD NATURAL ENVIRONMENTS</td>
<td>3, 3/0; NS14, NSIF</td>
<td>Nature of geography; earth-sun relationships; maps and map interpretation; and classification, distribution, and origins of the major elements of the natural environment: weather, climates, soils, natural vegetation, landforms, and developmental processes. Offered every semester.</td>
</tr>
<tr>
<td>GEG 102</td>
<td>HUMAN GEOGRAPHY</td>
<td>3, 3/0; SS14, SSIF</td>
<td>Introduction to cultural geography through the application of five themes: religion, diffusion, ecology, interaction, and landscape. The distribution of value systems, ethnicity, language, religion, and population as indices of human variety. Cultural impacts of globalization. Offered every semester.</td>
</tr>
<tr>
<td>GEG 199</td>
<td>INTRODUCTION TO COMPUTER USE IN THE SOCIAL SCIENCES</td>
<td>3, 3/0</td>
<td>Hands-on introduction to the application of computers to applied social research problems. Includes review of past practices, current uses, and future trends. Students analyze data using computers to develop insight into the use of computers for social improvement. Equivalent courses: SOC199, SST199</td>
</tr>
<tr>
<td>GEG 206</td>
<td>GEOGRAPHY OF NEW YORK STATE</td>
<td>3, 3/0</td>
<td>Landforms, regions, climates, and natural resources; distribution of population; location and functions of cities; development of transportation; utilization and conservation of soil, mineral, forest, wildlife, and water resources; industrial development. Offered every semester.</td>
</tr>
<tr>
<td>GEG 241</td>
<td>METEOROLOGY</td>
<td>3, 3/0; NS14, NSIF</td>
<td>An introduction to weather, including the makeup of the atmosphere, seasonality, heat and radiation balance, temperature, humidity, and precipitation, atmospheric motion, atmospheric pressure and wind, air masses and fronts, severe weather, meteorological instrumentation, local weather, climate controls, and synoptic forecasting. Includes laboratory modules. Emphasis on the relationship between weather systems, technology, and humans. Offered every semester. Equivalent course: GES241</td>
</tr>
<tr>
<td>GEG 300</td>
<td>WORLD REGIONAL GEOGRAPHY</td>
<td>3, 3/0</td>
<td>National and state geography standards; concept of region; map essentials; physical, cultural, economic, and political geography fundamentals within selected regions. Offered spring only. Equivalent course: GEG200</td>
</tr>
<tr>
<td>GEG 303</td>
<td>GLOBAL CLIMATOLOGY</td>
<td>3, 3/0</td>
<td>Prerequisite: GEG 101. Study of the earth's climate through analysis of climatic controls, classification schemes, and feedback cycles. Includes an examination of past climates and global climate change scenarios. Offered alternate years. Equivalent course: GEG303W</td>
</tr>
<tr>
<td>GEG 305</td>
<td>PRINCIPLES OF ECONOMIC GEOGRAPHY</td>
<td>3, 3/0</td>
<td>Prerequisite: ECO 202. Introduction to the theoretical study of economic geography; location theory; theoretical spatial distribution of economic activities, including agriculture, manufacturing, urban land use, services, and transportation. Offered alternate years. Equivalent course: GEG307W</td>
</tr>
<tr>
<td>GEG 309</td>
<td>URBAN GEOGRAPHY</td>
<td>3, 3/0; DI14, DIIF</td>
<td>Prerequisite: One social science course. Internal spatial structure of American metropolitan areas and their relationships. Spatial arrangements of land uses; ethnics, racial and economic composition of the population; dynamics of population growth and change; influence of minorities on cities and suburbs; geographic consequences of poverty and segregation on growth and change; transportation and fiscal problems confronting local governments. Offered every semester. Equivalent course: GEG309W</td>
</tr>
<tr>
<td>GEG 310</td>
<td>URBAN TRANSPORTATION PLANNING</td>
<td>3, 3/0</td>
<td>Prerequisite: GEG 309 or PLN 315. Comparative study of the modes of transportation, transportation planning, and the benefits and effects of transportation. Emphasis on application to urban transportation. The importance of accessibility to the development of a modern metropolitan transportation system. Offered alternate years. Equivalent course: PLN310</td>
</tr>
<tr>
<td>GEG 316</td>
<td>WATERSHED POLLUTION</td>
<td>3, 3/0</td>
<td>Pre-requisites: CHE 101 or equivalent. Important pollutants and toxic chemicals generated by anthropogenic activities and their transport, transformation, and fate within watersheds. Impacts of these pollutants on soil, forest, and aquatic ecosystems using specific case studies. Offered occasionally.</td>
</tr>
<tr>
<td>GEG 325</td>
<td>MAPS AND MAPMAKING USING GIS</td>
<td>3, 3/0</td>
<td>Maps as essential form of communication. Geographic information systems (GIS) tools for creating digital and hardcopy maps. Spatial thinking, concepts, principals and methods of mapmaking; map development and display using technology. Offered every semester.</td>
</tr>
</tbody>
</table>
GEG 330  
LAND RESOURCE ANALYSIS AND PLANNING  
3, 3/0  
Prerequisite: PLN 315. The principles of land resource management with emphasis on land-use patterns, controls, and policies. Attention to urban, suburban, and rural land-use situations. Offered alternate years.  
Equivalent course: PLN325

GEG 345  
BAHAMAS FIELD EXPERIENCE  
3, 1/4  
Prerequisites: Sophomore or higher standing. A 10-day field study of San Salvador, Bahamas. Coral reefs, sand flats, karst landscapes, vegetation, dunes, caves, indigenous peoples, Columbus’ landfall, historic sites, island culture. Emphasis on lab and field activities. Offered spring only.

GEG 359  
ARCTIC GEOGRAPHY FROM AN INUIT PERSPECTIVE  
3, 3/0; NW14, NWIF  
Prerequisite: One Social Science course. A study of the physical, political, economic and cultural environments of Arctic regions from an Inuit perspective. Topics focus on interaction between the Arctic environment and its peoples before and after Euro-American contact. Students will also study contemporary issues in today’s Arctic. Offered fall only.

GEG 360  
GEOGRAPHY OF ASIA  
3, 3/0; NW14, NWIF  
Prerequisite: One social science course. A regional geographic analysis of south, east, and southeast Asia. Overview of the continent's natural environment. Examination of the principal elements of the cultural environment: demography and ethnicity, urbanization, economy, and political structure. Interaction between the physical and cultural environments. Offered every semester.  
Equivalent course: GEG205

GEG 362  
GEOGRAPHY OF THE UNITED STATES AND CANADA  
3, 3/0; WC14, WCIF  
Prerequisite: One Social Science course. Basic geographic elements of North America including the natural environment, natural resources, economic activities, population, and urbanization. Offered alternate years.  
Equivalent course: GEG202

GEG 364  
GEOGRAPHY OF EUROPE  
3, 3/0; WC14, WCIF  
Prerequisite: One social science course. Physiographic regions, landforms, climate, vegetation, soils, and drainage patterns. Culture regions, language, religion, population, migration, politics, economics, and impacts on the natural environment. Interdependence of regions within Europe and within the global context. Excludes the former Soviet Union. Offered every semester.  
Equivalent course: GEG252

GEG 365  
SOIL SCIENCE AND MANAGEMENT  
3, 3/0  
Prerequisite: GEG 101 or GES 101. Introduction to the study of soils, including physical and chemical properties, weathering and soil formation, productivity and management for agriculture, soil erosion and conservation, engineering properties, soil classification. Includes regular laboratory assignments and fieldwork to enhance understanding of soil properties. Offered occasionally.

GEG 375  
PRINCIPLES OF HYDROLOGY  
3, 3/0  
Prerequisite: GEG 101 or GES 101. Principles of hydrology and its relationship to water resource management. Emphasis on describing the processes governing surface and groundwater movement. Field trip provides example of the practical application of hydrologic principles. Offered alternate years.

GEG 382  
WEATHER FORECASTING  
3, 3/0  
Prerequisites: Upper-division status and GEG 101 or GEG 240 or GES 241. A focus on synoptic and dynamic meteorology, as applied to weather forecasting. Weather conditions will be diagnosed using various case studies. Learn how to develop and to present weather forecasts. Emphasis on practice and interpretation of daily weather and modeled data. Offered alternate years.  
Equivalent course: GES445

GEG 383  
SEVERE AND UNUSUAL WEATHER  
3, 3/0  
Prerequisites: GEG 101 or GEG 241 or GES 241 or equivalent. In-depth look at meteorological phenomena related to severe and unusual weather-related events and patterns, weather-analysis tools, climate-change outlooks, and social implications; planning and management strategies to prepare and respond to severe and unusual weather. Offered alternate years.

GEG 384  
ATMOSPHERIC SCIENCE  
3, 3/0  
Prerequisite: Upper-division status. Study of the earth’s atmosphere as a unique place. Emphasis on atmospheric structure and composition, dynamics of motion, moisture and clouds, atmospheric chemistry, regional and local air pollution, aurora displays, and optical phenomena. Includes a study of atmospheres ranging from those of other planets to indoor air. Offered alternate years.

GEG 385  
PALEOCLIMATOLOGY  
3, 3/0  
Prerequisite: GEG 101. Methods and theories used in reconstructing and dating past climates. Focus on the past 2 million years, including proxies such as ice cores, sediment sequences, packrat middens, tree rings, corals, and historical data. Causes of climate change and human interactions emphasized. Offered alternate years.

GEG 386  
APPLIED CLIMATOLOGY  
3, 3/0  
Prerequisites: Upper-division status; GEG 101 or GES 241 or GEG 241. Use of climatic information in various aspects of our lives to solve practical problems with environmental, social, and economic implications. The importance of climate on agriculture, human health, severe weather management, litigation, commerce, architecture, and city planning. Offered alternate years.

GEG 390  
QUANTITATIVE METHODS IN GEOGRAPHY AND PLANNING  
3, 3/0  
Prerequisites: Upper-division status. Introduction to statistical methods with a focus on spatial and time-series data analysis in geography and planning applications. Statistical theory is reinforced through application of commonly used computer software to solve real world problems. Offered spring only.  
Equivalent course: PLN390

GEG 396  
RESEARCH METHODS  
3, 3/0  
Prerequisites: GEG 390 or PLN390, and 6 upper division credits in GEG/PLN courses. Research theories, designs, and methods relevant to conducting research in geography and planning. Research designs and methodologies for approaches with human subjects, human/social geography, physical geography, field-based research, and planning projects. Development of a research project proposal. Offered fall only.  
Equivalent courses: GEG396W, PLN396, PLN396W

GEG 405  
URBAN ANALYSIS USING GIS  
3, 3/0  
Prerequisites: GEG 309 and GEG 325; or instructor permission. Data and techniques for analyzing urban systems and urban areas using Geographic Information Systems (GIS). Implementation of urban models introduced in GEG 309. Offered alternate years.  
Equivalent course: PLN405

SUNY Buffalo State Undergraduate Catalog 2016–2017  209
GEG 409
INDUSTRIAL GEOGRAPHY
3, 3/0
Prerequisites: Upper-division status. The manufacturing sector, firms, and
industrial location process and activities that have taken place in the United
States; production methods and processes; industrial districts and the princi-
pal factors that affect the locations of firms; local and regional development;
globalization. Offered alternate years.
Equivalent courses: ECO409, GEG409W

GEG 415
PROSEMINAR
3, 3/0
Investigation, examination, and discussion of topics of current interest in
geography. Techniques and analysis of geographic research. Offered occa-
sionally.

GEG 416
GEOGEOGRAPHIES OF DEVELOPMENT
3, 3/0
Prerequisites: Upper division status. Development theories, progress, issues,
and challenges in developing regions around the globe. In-depth analyses of
factors influencing development policies and outcomes; impact of globaliza-
tion on development efforts and practices in developing areas around the
world. Offered alternate years.

GEG 418
REMOTE SENSING
3, 3/0
Prerequisites: GEG or PLN 325. Concepts of remote sensing and its appli-
cations. Principles and methods of electromagnetic radiation, aerial and
space remote sensing. Basics of digital image processing, spatial data capture
and interpretations from remote sensors. Offered alternate years.

GEG 419
GLOBALIZATION, TECHNOLOGY, COMPETITION, AND SERVICE
ECONOMIES
3, 3/0; TSIF
Prerequisite: GEG 101. Examination of globalization, technological ad-
vancements in recent years, and their effects on the service industry and
competitiveness of firms and nations. In-depth studies of the U.S. service
sector, competitive strategies, globalization, and new technologies. Offered
alternate years.

GEG 421
WATERSHED ANALYSIS
3, 3/0
Prerequisites: Upper-division status; GEG 101 or GES 101. Introduction to
the systematic analysis of stream dynamics of watersheds and the impact of
humans on these dynamics. Emphasizes the importance of physical, chemi-
cal, and biological processes in watershed management. Class discussion and
a class project will focus on a practical watershed assessment problem.
Offered alternate years.

GEG 423
BIOGEOGRAPHY
3, 3/0
Prerequisite: Upper-division standing. Global patterns of species distribu-
tions and the historic, environmental, and biological processes underlying
these patterns. Spatial patterns of nature’s geographic variation at multiple
levels, from individuals to ecosystems to biomes. Impacts of humans and
climate change on biogeography. Offered alternate years.

GEG 425
FUNDAMENTALS OF GIS
3, 3/0
Prerequisites: GEG 199 or CIS 101 or competence in computing and
GEG/PLN 325. Principles and methods of spatial data capture, automa-
tion, models and structures of spatial databases, spatial analysis, visualiza-
tion, and map display in Geographic Information systems (GIS) environment.
Fundamentals of spatial analytical methods including spatial database query,
location and geographic coordinate concepts, spatial geocoding, buffering,
map overlay, and spatial modeling. Offered every semester.

GEG 427
CORPORATE APPLICATIONS IN GIS
3, 3/0
Prerequisites: GEG or PLN 325. This course is composed of a series of
lectures, class assignments and projects that are designed to teach students
the fundamentals and application of Geographic Information Systems (GIS)
and geographic analysis within a business environment. Students will learn
how to conduct specialized business GIS related projects. These projects
range from data integration to market assessment and site assessment.

GEG 428
ENVIRONMENTAL ASSESSMENT AND PLANNING APPLICATIONS IN GIS
3, 3/0
Prerequisite: GEG 425 or equivalent. Advanced concepts of GIS with a
focus on spatial analytical applications in GIS for environmental assessment
and planning. GIS theories and software implementations are presented
through lecture and hands-on practice to solve real world environmental and
planning problems. Offered alternate years.

GEG 429
ADVANCED TOPICS IN GIS
3, 3/0
Prerequisites: GEG 425 or equivalent course with permission of instructor.
Builds from the topics covered in GEG 425 Fundamentals of GIS, focusing
more on digital representation of the human and physical environment,
including location referencing from a human perspective, database design,
data quality issues (how to identify and document errors), spatial statistical
analysis using GIS, the fourth dimension (time) in GIS, and understanding
spatial analysis algorithms and models. Introduces programming in a GIS
environment. Offered spring only.

GEG 430
SENIOR THESIS
3, 3/0; OCIF
Prerequisites: GEG/PLN 390 and GEG/PLN 396 C or better and senior
geography or planning major. Research in geography or planning and
presentation of selected research-related topics. Offered spring only.
Equivalent courses: GEG430W, PLN430, PLN430W

GEG 461
ISSUES IN SOUTHEAST ASIA ENVIRONMENT AND SUSTAINABLE
DEVELOPMENT
3, 3/0; OCIF
Prerequisite: GEG 360 and Junior or senior standing. Geography, enviro-
mental problems, and solutions using a sustainable development framework
for countries of Southeast Asia. Sustainable development and environmental
management theory in the context of case studies for the region. Offered
alternate years.

GEG 478
GLOBAL CHANGE
3, 3/0
Prerequisite: GEG 101. Interdisciplinary study of the principles needed to
understand human impacts on the natural environment. Climate variability
and global warming; nutrient cycling; land-use issues; connections and feed-
backs among climate, ecosystems, and biogeochemistry; impacts of global
change on society; policy measures; potential solutions. Offered alternate
years.

GEG 480
AIR POLLUTION APPLICATIONS
3, 3/0
Prerequisites: Upper-division status; GEG 101, GEG 199 or an equivalent
course, GEG 384, and GEG 390 or an equivalent course. Receptor, disper-
sion, and risk assessment modeling techniques to determine the source, fate,
and impact of air pollutants. Overview of atmospheric deposition, regional
transport, and global circulation models. Offered occasionally.

GEG 485
INTERACTIVE AND WEB-BASED MAPPING
3, 3/0
Prerequisite: GEG or PLN 325. Different approaches to communicating
with maps on the Internet. How to create Web-based mapping applications.
Offered occasionally.
GEG 488
INTERNSHIP
1-12, 0/0
Prerequisites: GEG 101 and 6 credit hours of geography or planning coursework at the upper-division level; minimum cumulative GPA of 2.5; background of courses or experience within area of interest; adviser and department chair permission. Guided, supervised field experiences that complement the academic program. Offered every semester.

GEG 495
SPECIAL PROJECT
1-3, 0/0
Offered occasionally.

GEG 499
INDEPENDENT STUDY
3-12, 0/0
Offered occasionally.

GER - GERMAN

GER 101
BEGINNING GERMAN I
3, 3/0; FLA, GE14
Fundamentals of German with emphasis on the spoken and written language. Offered every semester.

GER 102
BEGINNING GERMAN II
3, 3/0; FLA, GE14
Prerequisite: GER 101. Continuation of GER 101. Offered every semester.

GER 201
INTERMEDIATE GERMAN I
3, 3/0; FLA
Prerequisite: GER 102. Further development of basic skills with emphasis on reading and writing. Offered fall only.

GER 202
INTERMEDIATE GERMAN II
3, 3/0; FLA
Prerequisite: GER 201. Continuation of GER 201. Offered spring only.

GER 301
GERMAN CONVERSATION AND COMPOSITION I
3, 3/0
Prerequisite: GER 202. Practice in spoken and written German with emphasis on the spoken language. Offered occasionally.

GER 302
GERMAN CONVERSATION AND COMPOSITION II
3, 3/0
Prerequisite: GER 202. Practice in spoken and written German with emphasis on the written language. Offered occasionally.

GER 337
MODERN GERMAN LITERATURE IN TRANSLATION
3, 3/0
Prerequisite: One literature course. Literary trends, ideas, and techniques of modern German literature as manifested in selected works of major German literary figures. German minors must obtain department chair and course instructor permission. Offered occasionally. Equivalent courses: GER337W, HUM337

GER 389
TOPICS COURSE
3, 0/0
Offered occasionally.

GER 495
SPECIAL PROJECT
3, 0/0
Offered occasionally.

GES - GEOSCIENCES

GES 101
INTRODUCTORY GEOLOGY
3, 3/0; NS14, NSIF
Introduction to physical geology; the earth and the processes operating on and within it; the formation of rocks and minerals; volcanoes, earthquakes, mountain building, continental drift, plate tectonics, glaciers, and the ice ages. Concurrent registration in GES 103 is recommended for geology and earth science majors. Offered every semester.

GES 102
HISTORICAL GEOLOGY
3, 3/0; NS14, NSIF
Introduction to the history of the earth from its formation 4.5 billion years ago. The role of continental drift, seafloor spreading, and plate tectonics in its development. The evolution of life as shown in the fossil record. Offered every semester.

GES 103
INTRODUCTORY GEOLOGY LABORATORY
1, 0/2
Identification of rocks and minerals. Map and aerial photograph interpretation. Offered occasionally.

GES 111
GENERAL OCEANOGRAPHY
3, 3/0; NS14, NSIF, TSIF
Introduction to the science of the sea, including biological, physical, chemical, geological, and environmental aspects of oceanography. Offered fall only. Equivalent course: GES111W

GES 131
INTRODUCTORY ASTRONOMY
3, 3/0; NS14, NSIF
Non-mathematical survey of the astronomical universe. Survey of the sun, planets, ns, comets, stars, and galaxies. Observation, planetarium, and laboratory sessions supplement lectures. Offered every semester.

GES 201
GEOSCIENCES I
4, 3/3
First of a two-course sequence introducing the physical processes that formed Earth and shaped our planet through time. Topics include Earth materials; plate tectonics; climate, ocean, and atmosphere; and deep time. Student experiences through skill-building activities and experiments. Field trips required.

GES 223
ENVIRONMENTAL EARTH SCIENCE
3, 3/0; NS14, NSIF, TSIF
An investigation of the impact of society on the natural environment. Examines natural resources; global climate change; and soil, water, and land use issues. The complex interrelationship of global systems and societies' attempts to control or alter them. The unique perspective of geoscientists to environmental issues. Offered every semester.

GES 224
GEOLOGIC HAZARDS
3, 3/0; NS14, NSIF
Catastrophic geologic events, with an emphasis on earthquakes, volcanism, and landslides. Includes causes, physical effects, prediction, and social implications. Offered alternate years and J Term.

GES 232
THE SOLAR SYSTEM
3, 3/0; NS14, NSIF, TSIF
Makeup and characteristics of our solar system; formation hypotheses; geologic processes acting on solar system bodies; comparison of the planets; the search for other solar systems and life elsewhere. Expansion of solar system
expansion due to advances in technology and its effect on society. Offered every semester.

GES 241
METEOROLOGY
3, 3/0; NS14, NSIF
An introduction to weather, including the makeup of the atmosphere, seasonality, heat and radiation balance, temperature, humidity, and precipitation, atmospheric motion, atmospheric pressure and wind, air masses and fronts, severe weather, meteorological instrumentation, local weather, climate controls, and synoptic forecasting. Includes laboratory modules. Emphasis on the relationship between weather systems, technology, and humans. Offered spring only. Equivalent course: GEG241

GES 300
SEDIMENTOLOGY
3, 2/2
Prerequisites: GES 101 and GES 103 or GES 201. Introduction to the dynamics of erosion, transport, deposition of sedimentary particles, modern and ancient sedimentary environments. Offered fall only.

GES 301
STRATIGRAPHY
3, 3/0
Prerequisites: GES 101 and GES 103 or GES 201; GES 300. Prerequisite or corequisite: GES 102. Basic principles and interpretation of the stratigraphic record, with emphasis on the practical application of stratigraphic data in interpretation of earth history and exploration for fossil fuels and groundwater resources. Offered spring only.

GES 302
INVERTEBRATE PALEONTOLOGY
4, 4/2
Prerequisite: GES 101 or GES 201. Prerequisite or corequisite: GES 102. Invertebrate fossils and their stratigraphic distribution. Offered fall only.

GES 303
MINERALOGY AND PETROLOGY
4, 3/3
Prerequisites: GES 101 and GES 103 or GES 201; one semester chemistry recommended. Crystals, minerals, and rocks, emphasizing description, identification, and origin. Offered fall only.

GES 306
SEDIMENTOLOGY AND STRATIGRAPHY
4, 3/1
Prerequisites: GES 101 and GES 103, or GES 201, or equivalent. The study of sediments and strata. Topics include: properties of fluid flow; sediment transport processes; sediment texture and composition; sedimentary structures; facies and stratigraphic concepts; sedimentary environments; and interpretation of strata. Field excursions in WNY required for some laboratories.

GES 307
GEOMORPHOLOGY
4, 3/3; OCIF, TSIF
Prerequisite: GES 101 or GEG 101 or GES 201. Internal and external processes and structural controls that shape the surface of Earth and other solid solar system bodies. Emphasis on selected geologic environments. Field trips required. Offered spring only.

GES 310
GREAT LAKES ENVIRONMENTAL ISSUES
3, 3/0
Prerequisite: Upper-division status or permission of instructor. Introduction to environmental problems and their causes in the Great Lakes region. Environmental history of the Great Lakes. Case studies of current environmental problems and ongoing restoration efforts. Offered occasionally.

GES 314
GEOLOGICAL OCEANOGRAPHY
3, 3/0
Prerequisite: GES 111 or equivalent. The sediments, structure, and history of the ocean basins. Offered occasionally.

GES 315
MARINE ENVIRONMENTS
3, 3/0
Prerequisite: GES 111 or equivalent. Survey of coastal and deep-sea environments, with focus on the interaction of physical, chemical, biological, and geological processes operating in each. Emphasis on coastal environmental issues, including shoreline erosion and sea-level rise, coastal development, and marine pollution. Offered occasionally.

GES 331
MODERN SOLAR SYSTEM ASTRONOMY
3, 3/0
Prerequisite: GES 131 or equivalent. The moon and planets, their appearance, atmospheres, and surfaces. Planetary magnetic fields, asteroids, meteoroids, comets. Theories of the origin of the planetary system, the possibility of extraterrestrial life. Emphasis on recent problems in our understanding of the solar system. Offered alternate years. Equivalent course: GES331W

GES 332
stellAR AND GALACTIC ASTRONOMY
3, 3/0
Prerequisite: GES 131 or equivalent. How astronomers have determined the properties, energy, masses, and composition of stars, stellar evolution, the structure of the galaxy, and the movement of stars in the galaxy. Offered alternate years. Equivalent course: GES332W

GES 335
METHODS OF OBSERVATIONAL ASTRONOMY
3, 3/0
Prerequisite: GES 131 or equivalent. Locating celestial objects in the night sky. Use of astronomical telescopes to locate, observe, and photograph stars, nebulae, and galaxies. Use of observing aids. Offered alternate years.

GES 339
ASTRONOMY AND COSMOLOGY
3, 3/0
Prerequisite: GES 131 or equivalent. Cosmology, the primeval fireball, quasars, pulsars, black holes, origin of the elements. Offered alternate years. Equivalent course: GES339W

GES 350
ENVIRONMENTAL GEOCHEMISTRY
3, 3/0
Prerequisites: GES 101 or GES 201 and upper-division status. Chemical nature of the earth, emphasizing chemistry associated with the polluted environment. Offered alternate years.

GES 360
FORENSIC GEOSCIENCE
3, 2/2
Prerequisite: Upper-division status or permission of instructor. Application of the principles of earth science to the law. With a "hands-on" approach, and details from actual criminal cases, introduces a variety of geological subjects such as rock and mineral types, geological and topographical maps, fossils, sand and soil. Offered alternate years.

GES 401
IGNEOUS AND METAMORPHIC PETROLOGY
4, 3/3
Prerequisite: GES 303 or permission of instructor. Description, origin, and classification of igneous and metamorphic rocks. Offered occasionally. Equivalent course: GES401W

GES 403
GLACIAL GEOLOGY
3, 3/0
Prerequisite: GES 307. Glacial processes, landforms, and landscapes, with emphasis on New York State. Develops a model for the sequence of glacial events and the causes of climate change. Field trips. Offered occasionally. Equivalent course: GES403W
### GES 405  
**GEOLOGY OF NORTH AMERICA**  
3, 3/0  
Prerequisites: GES 101 or 201 and GES 102. Major physical provinces of the United States and adjacent areas; their geologic history, structure, and topographic development. Offered spring only.

### GES 408  
**STRUCTURAL GEOLOGY**  
4, 3/3  
Prerequisites: GES 101 and GES 103 or GES 201. Folds, faults, and other structural features in sedimentary and metamorphic terrains. Introduction to rock mechanics, regional tectonics. Offered spring only.  
Equivalent course: GES308

### GES 409  
**FLUVIAL GEOMORPHOLOGY**  
3, 3/0  
Prerequisite: GES 307. The variables that influence the behavior of water flowing on the surface of the earth. The effects of flowing water on the landscape. Emphasis on field and lab work. Offered occasionally.  
Equivalent course: GES409W

### GES 410  
**UNDERGRADUATE RESEARCH SEMINAR**  
1, 1/0  
Prerequisites: GES 101 and GES 103 or GES 201; instructor permission. Common topics related to undergraduate research in the geosciences including research methods, handling data, making interpretations, preparing for oral and poster presentations, and preparing for graduate school and professional geology. Must be engaged in (or planning) research with an Earth Sciences faculty member. May be taken more than once. Offered every semester.

### GES 431  
**PLANETARIUM SEMINAR**  
3, 2/2  
Prerequisites: Two semesters of astronomy. The celestial sphere; operating, maintaining, and administering the planetarium; audiovisual aids in the planetarium; planetarium programming; using the planetarium to teach. Includes supervised teaching experience. Offered occasionally.  
Equivalent course: GES431W

### GES 450  
**FIELD GEOLOGY**  
3, 2/3  
Prerequisites: GES 101, GES 303, and GES 408, or permission of instructor. Application of geological principles and techniques in the interpretation of earth features in the field. Offered fall only.  
Equivalent courses: GES404, GES450W

### GES 452  
**HYDROGEOLOGY**  
3, 3/0  
Prerequisites: GES 101 or GEG 101 or GES 201 and at least one 300-level GES course. Fundamentals of the occurrence, movement, and management of our largest resource of readily available fresh water. Includes groundwater protection and remediation of already contaminated supplies to increase environmental awareness. Offered fall only.

### GES 460  
**ENVIRONMENTAL FIELD METHODS AND ANALYSIS**  
3, 2/2; OCIF  
Prerequisites: GES 101 or GES 201, one 300-level GES course, and college algebra. GES 350 is strongly encouraged. Applied study of environmental contaminant migration and distribution with particular emphasis on sampling and detection methods. Discussion of federal and local environmental laws and regulations, classification of hazardous chemicals, and remediation approaches used by environmental professionals. Offered spring only.

### GES 465  
**TECTONICS**  
3, 3/0  
Prerequisites: GES 101 or GES 201 and GES 308W (or equivalent), upper-division status. Advanced principles, evidence and examples of the plate tectonics paradigm as the unifying theory of geology. Topics include kinematics of plates, the nature of plate boundaries and the analysis of theories involved in the current and historical design of the paradigm. Required term project and oral presentations. Offered occasionally.

### GES 488  
**INTERNSHIP**  
3-12, 0/0  
Prerequisites: Senior status as department major, 2.5 GPA overall. Requires department application and approval. Practical work on an individual basis with a participating organization. Offered occasionally.

### GES 495  
**SPECIAL PROJECT**  
1-3, 0/0  
Prerequisite: Approval of a faculty sponsor. Environment-, energy-, geology-, or astronomy-related areas. Offered occasionally.

### GES 498  
**HONORS RESEARCH**  
1-3, 0/0  
Prerequisite: Acceptance in geology or earth science honors program. Includes completion of honor’s thesis and seminar. May be repeated for a maximum of 6 credit hours. Offered occasionally.

### GES 499  
**INDEPENDENT STUDY**  
3-12, 0/0  
Prerequisite: Faculty sponsor permission. Environment-, energy-, geology-, or astronomy-related areas. Offered occasionally.

---

### GRK - GREEK

### GRK 101  
**BEGINNING NEW TESTAMENT GREEK I**  
3, 3/0; FLA, GE14  
Fundamentals of Koine Greek with emphasis on reading. Offered fall only.

### GRK 102  
**BEGINNING NEW TESTAMENT GREEK II**  
3, 3/0; FLA, GE14  
Prerequisite: GRK 101. Continuation of GRK 101. Offered spring only.

---

### GST - GLOBAL STUDIES

### GST 100  
**INTRODUCTION TO GLOBAL STUDIES**  
3, 3/0  
Prerequisites: None. Introduction to key concepts, issues, and approaches used in Global Studies including social, political, historical, economic, and geographic perspectives. Topics include migrations, diasporas, the global image of the United States, intercultural conflicts, and study abroad programs. Required for Global Studies minor.  
Equivalent course: IST100

---

### HEW - HEALTH AND WELLNESS

### HEW 204  
**PERSONAL HEALTH**  
3, 3/0  
The many problems and advances in medicine and public health as they affect the health status of the individual, family, school, and community. Offered every semester and summer.  
Equivalent course: HSC204

### HEW 225  
**INTRODUCTION TO DISEASE PREVENTION**  
3, 3/0  
Introduction to the general principles of disease. Etiology, signs, symptoms, treatment, and management of diseases that affect individual organs in the various body systems. Offered every semester, J Term and summer.
HEW 279
PHYSICAL ADAPTATION TO EXERCISE
3, 3/0
Prerequisite: BIO 100 or BIO 101. Introduction to concepts of human anatomy and physiology as related to exercise and human performance. Includes, but is not limited to, an introduction to the major systems of the body as they relate to exercise. Functions and purpose of the musculoskeletal system and cardiorespiratory system in healthy populations. Introduction to the roles of energy systems during physical activity and exercise. Offered every semester.

HEW 301
KINESIOLOGY: APPLIED ANATOMY AND BIOMECHANICS
3, 3/0
Prerequisite: sophomore standing. Study of the skeletal, neural, and muscular systems and the biomechanical principles of human movement and their relationship to exercise, fitness, and athletic performance. Offered spring and summer.
Equivalent course: HPR301

HEW 302
EXERCISE PRINCIPLES
3, 3/0
Prerequisite: HEW 279. Exercise and its effects on the human body. Practical knowledge of the principles of fitness testing and exercise prescription and application of knowledge to improve fitness and athletic performance in healthy human populations. Offered every semester.
Equivalent course: HPR302

HEW 305
COMMUNITY HEALTH
3, 3/0
Prerequisite: HEW 225. Community health as it relates to world concerns, U.S. interests, and local community concerns. The interrelatedness of health care to various societal issues. Offered every semester.

HEW 307
EXERCISE, FITNESS, AND NUTRITION
3, 3/0
Prerequisite: HEW 279. Basic concepts of nutrition and exercise training to improve fitness and athletic performance. The relationship of exercise and nutrition to the etiology and treatment of eating disorders and obesity. Offered every semester.
Equivalent course: HPR307

HEW 308
WOMEN’S HEALTH ISSUES
3, 3/0
Prerequisite: Upper-division status. Gender differences in health outcomes, health-care practices, and health behavior, with primary emphasis on women. Historical and current perspectives on women’s health issues. Part of Women and Gender studies minor. Offered fall, J Term and summer.
Equivalent course: HPR308

HEW 310
HEALTH STANDARDS AND EMERGENCY CARE
3, 3/0
Prerequisite: BIO 100 or BIO 101 or equivalent. Promotes health and safety standards and provides skills in advanced emergency care. Competencies in various areas of emergency medicine include bandaging, splinting, victim examination, bleeding/shock emergencies, and emergency childbirth. Includes competencies and proficiency in teaching OSHA safety standards for infectious agents. Offered every semester.
Equivalent course: HSC310

HEW 312
METHODS AND MATERIALS IN HEALTH AND WELLNESS
3, 3/0
Prerequisite: HEW 204. Materials and instructional methodology necessary to create, select, and deliver health and wellness programs. Offered every semester.
Equivalent course: HEW312W

HEW 320
PSYCHOACTIVE DRUGS AND HEALTH
3, 3/0
Prerequisite: Sophomore status. Widespread effects of drug abuse, its relationship to health and disease, and the implications and application for education and theory. Offered fall only.
Equivalent course: HSC320

HEW 327
INTRODUCTION TO MEDICAL ANTHROPOLOGY
3, 3/0; NW14, NWIF
Prerequisite: ANT 100 or ANT 101 or permission of instructor. An overview of the history and development of concepts and practices of medicine worldwide. Theories and procedures in illness, sickness, health and well-being and in and from a variety of cultural perspectives, historical and contemporary, East and West, Stone Age, folk, shaman, traditional Western and herbal medicine, including healing and religion, homeopathy, and anthropological study of health-care institutions. Offered occasionally.
Equivalent course: ANT327

HEW 330
PRINCIPLES OF PERSONAL TRAINING
3, 3/0
Prerequisites HEW 279 & HEW 302. Fitness assessment techniques, program design and implementation for a variety of populations, and motivational techniques. Prepares students for employment within the personal training and fitness industry, and for the national certifications offered by the National Strength and Conditioning Association and the American College of Sports Medicine.

HEW 345
WELLNESS, FITNESS, AND AGING
3, 3/0
Prerequisite: Junior/Senior status. Acquaints students of gerontology with the implications of exercise and physical fitness for the quality of life of older citizens. Covers the aging process and its relationship to physiological factors associated with exercise and fitness. Differences in capacities for exercise. Principles for guiding the selection, programming, and supervision of activities. Part of Gerontology minor. Offered spring and summer.
Equivalent course: HPR345

HEW 389
TOPICS COURSE
1-9, 1-9/0
Offered occasionally.
Equivalent course: HPR389

HEW 401
ASSESSMENT AND EVALUATION IN HEALTH WELLNESS
3, 3/0
Prerequisite: Upper-division status. Introduction of concepts surrounding assessment and evaluation of health promotion programs. Topics include assessing genetic, social, personal behavioral, and environmental factors. Incorporates health promotion process and planning, such as needs assessment, evaluation measures, research design, and measurement evaluation. Offered every semester.
Equivalent course: HPR401

HEW 411
CRITICAL ISSUES IN HEALTH AND WELLNESS
3, 3/0
Prerequisite: Senior status. Study of one’s interaction with his or her many environments and the implications for health behaviors. Emphasis on current facts and attitudes important in confronting critical health issues. Offered every semester.
Equivalent courses: HEW411W, HPR411

HEW 412
HEALTH/WELLNESS PROGRAMS
3, 3/0
Prerequisite: HEW 312. Provides an opportunity to use health/wellness concepts. Covers general principles used in the development of health-promotion programs. Specific procedures involved in a fitness profile analysis. Guidelines for implementing physical fitness, nutrition, and weight-control programs. Procedures for stress-management and smoking-cessation programs. Principles presented in class during practical health-planning experiences. Offered every semester.
Equivalent courses: HEW412W, HPR412
### HIS - HISTORY

<table>
<thead>
<tr>
<th>Course Code</th>
<th>Course Title</th>
<th>Description</th>
<th>Prerequisites</th>
<th>Offered</th>
</tr>
</thead>
<tbody>
<tr>
<td>HIS 106</td>
<td>HISTORY OF AMERICAN LIFE I</td>
<td>Exploration and colonization; continental America; shaping an identity; context for the continent; prologue to independence; independence and the new nation; framing a constitution; religious, ethnic, and cultural diversity in the new nation; Jeffersonian Republicanism; nationalism and economic expansion; the emergence of social strains; Jacksonian democracy; religion and reform; expansion and sectional crisis; American life and culture in the mid-nineteenth century; a decade of crisis; the Civil War; aftermath of war. Offered every semester.</td>
<td>3, 3/0; AH14, AH1F</td>
<td>Every semester.</td>
</tr>
<tr>
<td>HIS 107</td>
<td>HISTORY OF AMERICAN LIFE II</td>
<td>The new South; reunion, readjustment, and constitutional freedoms; the West; the economic revolution; the urban society; politics in the Gilded Age; America’s emergence as a world power; the Progressive Era; World War I and its aftermath; the 1920s; the New Deal; from isolationism to globalism; World War II; postwar adjustments; the Kennedy and Johnson years; resurgence Republicanism. Offered every semester.</td>
<td>3, 3/0; AH14, AH1F</td>
<td>Every semester.</td>
</tr>
<tr>
<td>HIS 115</td>
<td>FOUNDATIONS OF WESTERN CIVILIZATION</td>
<td>Major contributions of the Greek, Roman, and medieval civilizations to the creation of Western heritage in philosophy, art, literature, science, political structure, economy, and law. Offered every semester.</td>
<td>3, 3/0; WC14, WC1F</td>
<td>Every semester.</td>
</tr>
<tr>
<td>HIS 117</td>
<td>TWENTIETH-CENTURY EUROPE</td>
<td>Political, social, cultural, and intellectual history of twentieth-century Europe. Factors contributing to World War I. The Versailles settlement. The Russian Revolution and the rise of communism. Collapse of collective security and the rise of fascism and national socialism. Western democracies between the wars. The road to World War II. Restoration of the Atlantic Community. The challenge of the nuclear age. Offered every semester.</td>
<td>3, 3/0; WC14, WCIF</td>
<td>Every semester.</td>
</tr>
<tr>
<td>HIS 120</td>
<td>HISTORY OF AMERICAN URBAN TECHNOLOGY</td>
<td>Development and interaction of technology and urban America, from Indian villages and colonial towns to high technology reindustrialization. American Indian and European traditions, early urban production and planning, industrialism and infrastructure, electricity’s impact, reforms in housing and health, leisure and consumption technology, and technology as a competitive factor in national and international urban development. Offered occasionally.</td>
<td>3, 3/0; TSIF</td>
<td>Occasionally.</td>
</tr>
<tr>
<td>HIS 189</td>
<td>TOPICS COURSE</td>
<td>The history of the twentieth century, emphasizing the interrelationship of events and interaction of movements and ideas within a global context.</td>
<td>1-9, 1-9/0</td>
<td>Occasionally.</td>
</tr>
<tr>
<td>HIS 204</td>
<td>GLOBAL HISTORY OF THE TWENTIETH CENTURY</td>
<td>The history of the twentieth century, emphasizing the interrelationship of events and interaction of movements and ideas within a global context.</td>
<td>3, 3/0</td>
<td>Occasionally.</td>
</tr>
<tr>
<td>HIS 206</td>
<td>A HISTORY OF POLAND</td>
<td>Major Polish historical and cultural achievements through the ages. The growth and development of the nation and state. Scientific, cultural, and religious forces in Polish life.</td>
<td>3, 3/0</td>
<td>Every semester.</td>
</tr>
<tr>
<td>HIS 230</td>
<td>WORLD CIVILIZATIONS I</td>
<td>Origins, cultural achievements, and interrelationships of the various civilizations of the world to approximately 1500 C.E. Topics include the prehistoric era and the origins of human civilization; civilizations of the ancient Near East; early civilizations of Africa and the Americas; East Asian culture and civilization; Indian (South Asian) culture and civilization; Greek and Roman civilization; early civilizations of Southeast Asia; Islamic civilization; the Byzantine empire and medieval Europe. Offered occasionally.</td>
<td>3, 3/0; NW14, NWIF</td>
<td>Occasionally.</td>
</tr>
<tr>
<td>HIS 231</td>
<td>WORLD CIVILIZATIONS II</td>
<td>Origins, cultural achievements, and interrelationships of the various civilizations of the world from approximately 1500 to 1914 (World War I). Topics include European culture and civilization from the Renaissance to World War I; Islamic civilization in Asia and the Middle East; East Asian culture and...</td>
<td>3, 3/0; NW14, NWIF</td>
<td>Occasionally.</td>
</tr>
</tbody>
</table>
and civilization in the late traditional era; African culture and politics in an era of European hegemony; colonial Latin American and the independent states of the postcolonial era; the U.S. and Canada; Western imperialism and global interactions in the modern era. Offered occasionally.

**HIS 300 RESEARCH AND WRITING SEMINAR**
3, 3/0
Prerequisites: CWP 101 and CWP 102. History and social studies education majors only. In-depth instruction on the historical methods of research and writing according to the standards of the profession. Students research, analyze, and interpret historical materials; provide documentation; and communicate lucidly and effectively in writing. Should be taken before enrolling in other upper-division history courses. Offered every semester.
Equivalent course: HIS300W

**HIS 302 HISTORY OF WOMEN IN AMERICA**
3, 3/0; DI14, DI1F
The impact of women on American development from colonial times to the present. Effects of history on the roles and status of women. Changes in women's role in the family, economic contributions, legal status, struggle for equal rights. Women and demographic changes. Developing perceptions of women about society. Political growth and women. Society's regard for women in a historical context and the differences and/or similarities between women from various ethnic, racial, religious, and socioeconomic groups. Offered occasionally.
Equivalent course: HIS302W

**HIS 304 EUROPE FROM NAPOLEON TO THE FIRST WORLD WAR**
3, 3/0
Major influences in nineteenth-century Europe; nationalism, imperialism, Industrial Revolution, democracy, and socialism; causes of World War I. Offered occasionally.
Equivalent course: HIS304W

**HIS 306 AFRICA TO 1800**

READINGS IN AFRICAN AMERICAN HISTORY  
3, 3/0  
The major historical writings on selected periods and topics in African American history. Readings, discussions, and writing book reviews and biographical essays. Offered occasionally.  
Equivalent courses: AAS468, HIS468W

HIS 469  
BLACK PROTEST AND LEADERSHIP IN THE UNITED STATES IN THE TWENTIETH CENTURY  
3, 3/0  
The black protest movements and leaders in twentieth-century America. Offered occasionally.  
Equivalent courses: AAS469, HIS469W

HIS 480  
DIGITAL MUSEUM COLLECTIONS  
3, 3/0  
Digital technology enables museums to make their collections more accessible. Students investigate what is involved in digitizing museum objects through classroom instruction and a class project. To balance theory with practice, students work as a group to develop their own digital collection. Course is taught at Buffalo State College and a local cultural institution. Offered occasionally.

HIS 488  
INTERNSHIP  
1-12, 0/0  
Background of courses or experience within the area of interest; 6 credit hours of lower-division major courses; 6 credit hours of history and social studies education coursework at the upper-division level; minimum cumulative GPA of 2.5 (overall and in major coursework); approval of student adviser and department chair. Internships provide students with guided, supervised field experiences that complement the academic program. Offered occasionally.  
Equivalent course: SSE488

HIS 490  
SENIOR SEMINAR IN HISTORIOGRAPHY  
3, 3/0  
Acquaints history and social studies education majors and others with great works of historic literature in the Western and other traditions. Introduction to the development of historical writing from ancient times to the present. Students are encouraged to assess sources that have been used to record the past and to examine the various methodologies employed by historians in studying the past. Offered every semester.  
Equivalent courses: HIS399W, HIS490W
### HON - All College Honors Program

**HON 100**
**ALL COLLEGE HONORS SEMINAR**
3, 3/0
Prerequisite: Acceptance into All College Honors Program. Introductory course. Introduces students to faculty from across the disciplines. Includes discussion of specific fields of study and their contributions to the betterment of humankind. Promotes student appreciation, critical examination, and application of interrelated concepts and values as defined by works of literature, art, music, scientific endeavor, technology, historical research, pedagogy, and political theory.
Equivalent course: BSC101

**HON 101**
**HUMANITIES SEMINAR**
3, 3/0; HU14, HUIF
Prerequisite: Acceptance into All College Honors Program. Humanities core. Part of an integrated sequence of core courses. Focuses on great ideas and works of various cultures.

**HON 102**
**NATURAL SCIENCE SEMINAR**
3, 3/0; NS14, NSIF
Prerequisite: Acceptance into All College Honors Program. Natural science core. Part of an integrated sequence of core courses. Focuses on the role of science in contemporary society. Students enrolled in this course may not receive credit for SCI 100.
Equivalent course: SCI100

**HON 103**
**ARTS SEMINAR**
3, 3/0; AR14, ARIF
Prerequisite: Acceptance into All College Honors Program. Arts core. Part of an integrated sequence of core courses. Focuses on great ideas and significant works in the arts.

**HON 202**
**SOCIAL SCIENCE SEMINAR**
3, 3/0; SS14, SSIF
A social science core course designed for All College Honor Students as part of an integrated sequence of core courses. This course focuses on the central ideas, epistemology, issues and significant works and in and among the disciplines of the social sciences.
Equivalent course: HON302

**HON 301**
**VALUES AND ETHICS IN THE PROFESSIONS**
3, 3/0; TSIF
Prerequisite: Acceptance into All College Honors Program. Seminar. Theories of value development, value dilemmas. Implications of legal aspects of the ethical practice of human service, educational, and healthcare professions from a personal and professional viewpoint.

---

### HPR - Coaching and Physical Education

**HPR 114**
**JOGGING FOR PHYSICAL FITNESS**
1, 0/2
Offered occasionally.
Equivalent course: HPR114

**HPR 154**
**FITNESS THROUGH SWIMMING**
1, 0/2
Prerequisite: Completion of HPR 153 or demonstration to the instructor of equivalent aquatic ability. Activity aquatic class to increase student's cardio-respiratory fitness level. Swimming skills, workout planning and participation. Offered occasionally.
Equivalent course: HPR154

**HPR 180**
**PHYSICAL FITNESS FOR WOMEN**
1, 0/2
Offered occasionally.
Equivalent course: HPR180

**HPR 198**
**STRENGTH FITNESS**
1, 0/2
Offered occasionally.
Equivalent course: HPR198

**HPR 201**
**TECHNIQUES AND THEORIES OF COACHING SPECIALTY SPORTS**
3, 3/0
Lecture and discussion analysis of athletic coaching. Supervised independent study of the requirements for coaching an approved specialty sport. Offered summer only.
Equivalent course: HPR201

**HPR 202**
**TECHNIQUES AND THEORIES OF SOCCER**
3, 3/0
Analysis of soccer with emphasis on history, present status, rules, techniques, and theories. Offered spring only.
Equivalent course: HPR202
HPR 203
TECHNIQUES AND THEORIES OF FOOTBALL
3, 3/0
Analysis of football with emphasis on history, present status, rules, techniques, and theories. Offered fall only.

HPR 205
TECHNIQUES AND THEORIES OF TRACK AND FIELD
3, 3/0
Analysis of track and field with emphasis on history, present status, rules, techniques, and theories. Offered spring only.

HPR 207
TECHNIQUES AND THEORIES OF BASEBALL/SOFTBALL
3, 3/0
Analysis of baseball with emphasis on history, present status, rules, techniques, and theories. Offered spring only.
Equivalent course: HEW207

HPR 208
TECHNIQUES AND THEORIES OF SWIMMING
3, 3/0
Analysis of swimming with emphasis on history, present status, rules, techniques, and theories. Offered spring only.
Equivalent course: HEW208

HPR 209
TECHNIQUES AND THEORIES OF BASKETBALL
3, 3/0
Analysis of basketball with emphasis on history, present status, rules, techniques, and theories. Offered fall only.
Equivalent course: HEW209

HPR 300
PRINCIPLES, PHILOSOPHY AND ORGANIZATION OF ATHLETICS IN EDUCATION
3, 3/0
Basic philosophy and principles of coaching interscholastic athletics; state, local, and national policies and regulations related to athletics. Partially fulfills New York State requirements for interscholastic coaching certification. Offered fall only.
Equivalent course: HEW300

HPR 301
KINESIOLOGY: APPLIED ANATOMY AND BIOMECHANICS
3, 3/0
Prerequisite: Sophomore status. Study of selected anatomical, physiological, and mechanical principles of movement and their application to human motion. Offered fall only.
Equivalent course: HEW301

HPR 306
ORGANIZATION AND ADMINISTRATION OF INTRAMURAL SPORTS
3, 3/0
Prerequisite: Sophomore status. Critical analysis of the organization and administration of intramural and recreational sports programs. Offered occasionally.

HPR 309
HEALTH SCIENCES FOR COACHING
3, 3/0
Interdisciplinary study of the health sciences as they apply to coaching interscholastic sports. Selected principles of anatomy, kinesiology, and physiology related to coaching; risk minimization; mixed competition; New York State Department of Education selection and classification of athletes; definition of age and maturity of athletes. Partially fulfills New York State requirements for interscholastic coaching certification. Offered spring and summer only.

HPR 319
SOCIOLOGY OF SPORT
3, 3/0
Sport and related social phenomena of social status, norms, goals, values, and organizational network. Offered spring only.
Equivalent courses: HEW319, SOC324

HPR 335
PREVENTION AND CARE OF ATHLETIC INJURIES
3, 3/0
The relationships among conditioning, performance, and injury prevention. Includes techniques and programs of body conditioning for specific sports, and the possible treatment of athletic injuries. A required course for students choosing either to meet minimal standards for coaching certification or to meet the requirements of the coaching minor. Offered fall only.
Equivalent course: HEW335

HPR 389
TOPICS COURSE
3, 3/0

HPR 488
INTERNSHIP
1-15, 0/0
Prerequisites: Upper-division status and instructor permission. The integration of theoretical knowledge with practical field experience in coaching interscholastic sports. Offered fall only.
Equivalent course: HEW488

HPR 495
SPECIAL PROJECT
1-3, 0/0
Offered occasionally.
Equivalent course: HEW495

HPR 499
INDEPENDENT STUDY
3-9, 0/0
Offered occasionally.

HTR 100
MULTICULTURAL FOODS
3, 1/2
Cultural overview of the foods and food habits of selected groups. Common foods, meal patterns, special-occasion foods, and the role of food in society. The impact of the groups on the American lifestyle. Offered fall, spring and summer only.

HTR 110
INTRODUCTION TO HOSPITALITY AND TOURISM
3, 3/0
Overview of the hospitality/tourism industry: hotels, resorts, tourism and travel, convention management, casinos and gaming, food service (commercial and noncommercial), and culinary arts. Emerging trends in the industry and available career opportunities. Offered fall, spring and summer only.

HTR 200
SANITATION AND SAFETY IN FOOD SERVICE
3, 3/0
Causes of and conditions leading to food-borne illnesses. Evaluation of potential hazards of food service operations and measures to control them. Students take the SERVSAFE sanitation certificate examination, offered by the National Restaurant Association's Educational Foundation, at the end of the course. Offered fall and J Term only.

HTR 300
FOOD AND BEVERAGE MANAGEMENT
4, 1/6
Prerequisite: HTR 110. Students work at Campus House, the hospitality training facility. Students are required to apply various food production, purchasing, and sanitation principles while participating in labs. Emphasis on preparing high-quality products and providing high-quality service. Offered fall, spring and summer only.
Equivalent course: NFS300

HTR 305
APPLIED CULINARY ARTS
3, 2/2
Prerequisite: HTR 110. This course is designed to provide students with the progressive skills and knowledge needed to build on their existing culinary
HTR 318
CULTURAL TOURISM
3, 3/0
Prerequisite: HTR 110. A practical approach to understanding regional
cultural attractions and the economic impact they have on the community.
The course examines the historical context of cultural tourism and the struc-
ture of local cultural attractions through guided tours, guest presentations,
and participation in the regional cultural tourism efforts. Offered spring
only.

HTR 330
FUNDAMENTALS OF BAKE SHOP PRODUCTION
3, 1/4
Prerequisite: HTR 110. Designed to provide students with an overview of
bakeshop concepts, which include knowledge base and production skills
necessary to create fundamental bakery products. Offered spring and sum-
mer only.

HTR 335
WINE ESSENTIALS
3, 3/0
Prerequisite: HTR 110. A presentation of the origins and history of wines.
At the completion of the course, students will have had exposure to wine-
making, wine service, and wine tasting. Students will learn to evaluate varia-
tions and quality of wines. Offered fall only.

HTR 340
INDUSTRY EXPERIENCE
1-3, 1/9
Prerequisites: Completion of CWP 101, CWP 102 and HTR 110; major
GPA of at least 2.0. Opportunity to integrate technical knowledge with
industry experience in hospitality and tourism enterprises. Supervised field
experience, meeting with instructor, and structured written assignments. May
be taken for a maximum of six credits. Offered fall, spring and summer only.
Equivalent courses: HTR340W, NFS340

HTR 348
TOURISM AND WORLD TRAVEL
3, 3/0
Prerequisite: HTR 110. Overview of world tourism and travel and the im-
pact of tourism on world trade, geopolitical understandings, and cultural
exchange. Introduction to career opportunities in the industry. Offered
occasionally.

HTR 350
COMPUTER APPLICATIONS FOR HOSPITALITY
3, 3/0
Prerequisites: HTR 110. Focuses on computer technology and application in
the hospitality industry. Emphasis on computer hardware, available software,
and the impact technology has played in the industry. A thorough explora-
tion of Web-based information will enhance real-world applications. Of-
fered fall and spring only.
Equivalent course: NFS350

HTR 361
PRINCIPLES OF MANAGEMENT IN FOOD SERVICE
3, 3/0
Prerequisite: HTR 110. Application of management principles in food ser-
vice systems. Offered fall only.
Equivalent courses: HTR361W, NFS361

HTR 365
MENU DESIGN AND DEVELOPMENT
3, 3/0
Prerequisites: HTR 110. A complete study of restaurant menus including
historic perspective, the current state of the food service industry, detailed
menu analysis, pricing, mechanics, menu production and service. Financial
planning and ethical management will also be covered. Offered fall only.
Equivalent course: NFS365

HTR 368
HOTEL OPERATIONS
3, 3/0
Prerequisite: HTR 110. Organization, function, and management of the
rooms and divisions of hotels, resorts, and other lodging facilities; security;
facilities management; front-office management. Offered fall, spring and
summer only.
Equivalent course: NFS368

HTR 370
COST CONTROLS IN HOSPITALITY
3, 3/0
Prerequisite: HTR 110 and successful completion of Mathamatic and Quan-
titive Reasoning requirement. Relevant accounting and financial concepts
and procedures. Interrelationships between costs and their impact on gross
margins and net incomes. Strategies to control fixed and variable costs.
Offered fall, spring and summer only. Offered fall only.
Equivalent course: NFS370

HTR 375
EVENTS MANAGEMENT
3, 2/0
Prerequisite: HTR 110. The best practices in modern event management
and the three dimensions of event leadership: event administration, an insel-
er’s vocabulary, and industry certification standards. An overview of event
projects, new product developments, business meetings, seminars and con-
ferences and exhibitions. Fieldwork opportunities, in special events on cam-
pus and off campus.

HTR 380
ADVANCED TRAINING IN HOSPITALITY
3, 3/0
Prerequisite: HTR 110. Review of training principles used to design, imple-
ment, and evaluate administrative programs for the hospitality industry.
Application of theoretical concepts to hospitality-tourism related situations.
Offered fall and spring only.
Equivalent course: NFS380

HTR 385
PRIVATE CLUB MANAGEMENT
3, 3/0
Prerequisite: HTR 110. This course is an in depth study of the private club
industry. Emphasis is on club needs assessment, development of programs
for members and other audiences, overcoming challenges that external and
government agencies pose for managers, golf course maintenance, and capi-
tal improvement projects for club and resort facilities. Issues related to
finance and board governance and structure will also be analyzed. Offered
fall only.

HTR 389
TOPICS COURSE
3, 0/0
Offered Occassionally.

HTR 390
STRATEGIC MARKETING IN HOSPITALITY
3, 3/0
Relevant principles and concepts of marketing; theories of market segmenta-
tion and positions; various theories will be discussed using the analysis ap-
proach. Students will be required to develop a marketing plan and analyze
hospitality case studies. Price, promotion, and consumer behavior are dis-
cussed in detail. Offered fall, spring and summer only.
Equivalent course: NFS390

HTR 400
CATERING MANAGEMENT
3, 1/4
Prerequisite: HTR 110. Provides students with an understanding of catering
principles as well as management experiences through the execution of
specially booked functions; opportunities to apprentice in planning, organiz-
ing, supervising, preparing, and serving food and beverage for planned ca-
tered events. Offered fall and spring only.
HUM 100
INTRODUCTION TO HUMANITIES
3, 0/0; HU14, HUIF
Introduction to some central topics in the humanities. Humans' attempts to give meaning to their lives through literary, philosophical, and creative expression.

HUM 490
SENIOR SEMINAR
3, 3/0
Prerequisites: HUM 100, HUM 300, and upper-division status. Research methodologies and examples of research in the humanities. Students may choose to research and develop their own articulated areas of engagement in the humanities by taking HUM 495 concurrently with this culminating-experience course. Senior-level course; required for humanities majors. Offered occasionally. Equivalent course: HUM490W

HUM 495
SPECIAL PROJECT
3, 0/0

HUM 499
INDEPENDENT STUDY
3, 0/0

IDE - INTERIOR DESIGN

IDE 101
INTRODUCTION TO INTERIOR DESIGN
3, 3/0
Introductory survey of the theory and practice of interior design. Emphasis is given to the impact of interior space upon the physical, social, psychological, and aesthetic needs of people. Offered fall only. Equivalent course: DES260

IDE 103
DIGITAL PRESENTATION METHODS
3, 1/5
Introductory course integrating basic research methods, digital file management, presentation techniques, and three-dimensional modeling. Creation of e-portfolios of student work using introductory research methods, 2D graphics, desktop publishing, and 3D modeling software programs. Offered fall only.

IDE 104
ELEMENTS AND PRINCIPLES OF INTERIOR DESIGN
3, 1/4
Corequisites: IDE 101 and IDE 103. Introduction to the elements and principles of space and form as the fundamental vocabulary of interior design.

IDE 151
MECHANICAL AND PERSPECTIVE DRAWING
3, 1/5
Prerequisites: IDE 101, IDE 102, DES 101. Corequisites: IDE 152, IDE 153. Studio exploration of architectural drafting conventions and the methods to produce mechanically generated descriptive drawings, including orthographic, isometric, and perspective drawings. Skills are utilized in practical application and collaboration with the IDE 151 and IDE 153 studios. Offered spring only. Equivalent course: DES309

IDE 152
INTRODUCTION TO COLOR RENDERING
3, 1/5
Prerequisites: IDE 101, IDE 102, DES 101. Corequisites: IDE 151, IDE 153. Studio introduction to interior design problem-solving processes, design analysis techniques, conceptual ideation, and spatial studies utilizing communication methods in various two-dimensional media. Offered spring only.
IDE 153
SPATIAL EXPLORATIONS AND MODEL BUILDING
3, 1/5
A series of small experimental projects introduce, explore, and apply three-
dimensional design elements and principles to the creation and representation
of the built environment and interior design problems. Different media
methods of building sketch, study, and scale models are introduced as tools
for designing and producing spatial representations. Offered spring only.

IDE 201
INTERIOR DESIGN I
3, 1/5
Prerequisites: IDE 151, IDE 152, IDE 153, and successful completion of the
skills competency exam. Corequisite: IDE 202. A series of small experimen-
tal projects explores how two-dimensional and three-dimensional de-
sign elements and principles are applied specifically to interior design
problems. Concept design, development, and articulation are emphasized
and represented through the use of sketches, mechanical drawings, and perspec-
tive tools, as well as models. Skills and knowledge are utilized in practical
application and collaboration with IDE 202. Offered fall only.
Equivalent course: DES310

IDE 202
CONSTRUCTION FUNDAMENTALS I
3, 3/0
Corequisite: IDE 201. Investigation of basic construction systems and
materials related to the built environment. Covers the principles of structure
and behavior (engineering principles) and enclosures and aesthetics (architec-
tural design principles). With increasing specificity, material properties affect-
ing installation and appearance are observed and knowledge is utilized in collabora-
tive projects with IDE 301. Materials that are examined include wood, concrete, stone, metal, synthetics, and glass. Offered fall only.
Equivalent course: DES364

IDE 203
FURNITURE THEORY AND APPLICATION
3, 3/0
Corequisites: IDE 251, IDE 252. Exploration of the furniture elements
found within interior design; the interrelation of construction, strength of
materials, and styles; and how modern day furniture, theory, and applications
have been influenced by and have evolved due to mass production, material
development, and ergonomics. Offered fall only.
Equivalent courses: DES363, IDE255

IDE 204
MATERIALS, SPECIFICATIONS, AND CONSTRUCTION DOCUMENTATION
3, 1/4
Prerequisites: IDE 103 and IDE 151. The study of a) interior finishes,
materials, and various interior components; b) professional specification,
code restrictions, and environmental concerns of materials; and c) under-
standing and creation of construction documentation of interior spaces.
Offered fall only.
Equivalent courses: DES363, IDE255

IDE 205
HISTORY OF INTERIOR DESIGN AND ARCHITECTURE I
3, 3/0; WC14, WC15
A comprehensive survey of the major historical periods of architecture and
interiors from antiquity to the advent of the Industrial Revolution. Offered
fall only.

IDE 251
INTERIOR DESIGN II
3, 1/5
Prerequisite: IDE 201 OR DES 310. Corequisites: IDE 252, IDE 253.
Small- to medium-scale residential projects facilitate the exploration of func-
tional criteria inherent in the design of interior spaces. Problem analysis,
identification of client and user needs, selection of interior finishes and
materials; a detailed, developed layout plus selection of furniture, fixtures,
and equipment are emphasized. Offered spring only.
Equivalent course: DES360

IDE 252
CONSTRUCTION FUNDAMENTALS II
3, 3/0
Prerequisite: IDE 202. Corequisite: IDE 251. Exploration of advanced
construction techniques and materials used in the built environment, with
specific emphasis on building systems. Illustrates the principles and philoso-
phy of current building systems and how they relate to appearance, composi-
tion, and installation. Knowledge is utilized in practical application and col-
laboration with the IDE 251 studio course. Offered spring only.

IDE 254
HISTORY OF INTERIOR DESIGN AND ARCHITECTURE II
3, 3/0
Prerequisites: IDE 205. A comprehensive survey of the major historical
periods of architecture and interiors from the Industrial Revolution to the present. Offered spring only.

IDE 301
INTERIOR DESIGN III
3, 1/5
Prerequisite: IDE 251 OR DES 360. Corequisites: IDE 302, IDE 303.
Medium-scale design projects are used to explore the principles of retail
design and merchandising, focusing on the translation of clearly stated pro-
gram goals and objectives into unique spatial solutions. Offered fall only.
Equivalent course: DES361

IDE 302
COMPUTER APPLICATIONS FOR INTERIOR DESIGN I
3, 1/4
Corequisites: IDE 301 and IDE 303. Intermediate-level course. Integrates
computer presentation software to augment concurrent Interior Design
studio, professional practice, and stand-alone projects. Digital 3-D modeling
and 2-D presentation tools, in conjunction with computer-aided design
(CAD) software, are used to translate students’ fundamental manual presen-
tation techniques to digital drawing, modeling, and layout. Offered fall only.
Equivalent course: DES369

IDE 303
INTERIOR DETAILING
3, 1/5
Prerequisite: IDE 251. Corequisites: IDE 301, IDE 302. Interior designs are
taken from concept to construction via micro-design projects. Emphasis on
the exploration and marriage of materials, construction techniques, proto-
type modeling, and drawing conventions as professional communication
tools. Material interfaces and transitions are designed; lighting is integrated;
notes, reference marks, and key tag conventions are implemented; and pro-
fessional project sets are completed. Course includes manual and computer-
aided drafting techniques. Offered fall only.
Equivalent course: DES369

IDE 351
INTERIOR DESIGN IV
3, 1/5
Prerequisite: IDE 301 or DES 361. Corequisites: IDE 352, IDE 353. In-
formation-gathering research and analysis is the basis to solve the functional
and spatial requirements of complex public buildings, such as museums,
libraries, health-care facilities, and cinemas. Special emphasis is placed on
adjacencies, circulation, articulation, and the shaping of space. Offered
spring only.
Equivalent course: DES460

IDE 352
COMPUTER APPLICATIONS FOR INTERIOR DESIGN II
3, 1/4
Prerequisite: IDE 302. Corequisites: IDE 351, IDE 353. Advanced topics of
instruction in Computer Aided Architectural Drafting. Instruction focuses
on creation and manipulation of the three-dimensional virtual built environ-
ment; including lighting and rendering techniques to create presentation-
level graphics. The course also presents an introduction to Building Infor-
mation Modeling (BIM) software. Offered spring only.
Equivalent course: DES460

IDE 353
INTERIOR DESIGN PROFESSIONAL PRACTICE AND SPECIFICATIONS
3, 1/5
Corequisites: IDE 351, IDE 352. Introduction to the business principles,
practices, and ethics of the interior design profession. Emphasizes regional
standards, codes, means, methods, and client interaction. Professional speci-
fication creation guidelines cover product performance, code restrictions,
and environmental concerns. Curriculum includes an integrated service-
learning community service component. Offered fall only.
Equivalent courses: DES367, IDE403
IDE 354
GLOBAL DESIGN STUDY TOUR
3, 1/5
Prerequisites: open for visual arts sophomores, juniors, and seniors with a cumulative GPA of 2.5 or better, instructor permission required. The Global Design Study Tour provides an opportunity to travel and experience a wide range of different cultural and geographical settings and their impact on interior design, art and architecture. Students will study exemplary global designs with an awareness and respect for cultural and social diversity. Offered occasionally.

IDE 355
LIGHTING DESIGN
3, 1/5
Concurrent Enrollment: IDE 351. Designing with light, illumination principles, design criteria, specifications, and systems applied to public and private interiors. Hands-on experience using a lighting lab, case studies, and 3-D projects reinforce lecture material in a studio setting. Offered spring only. Equivalent courses: DES461, IDE402

IDE 389
TOPICS COURSE
3, 3/0

IDE 401
INTERIOR DESIGN V
1-3, 1-3/5-15
Prerequisite: IDE 351 OR DES 460. Corequisite: IDE 402. Large-scale office planning design projects are used to explore the functional and aesthetic requirements of complex administrative buildings. Anthropometric requirements; physical, sociological, and psychological needs; and the research, analysis, and programming skills needed for designing interior workspaces are emphasized. Offered fall only. Equivalent course: DES416

IDE 403
PROFESSIONAL PRACTICE
3, 3/0
Introduction to the business principles, practices and ethics of the Interior Design profession. Emphasis is placed on regional standards, codes, means, methods, organizational charts, and client interaction. Résumé and portfolio creation, preparation for internship, and job interviews, business development and marketing material creation. Equivalent course: IDE353

IDE 451
INTERIOR DESIGN VI THESIS STUDIO
3, 1/5
Prerequisite: IDE 401. Constitutes the final studio experience prior to graduation and features one major design project. Students focus their design initiative with increased objectivity and adopt a comprehensive approach to the interior design process utilizing proposal, research, schematic design, construction documentation, material selections, specifications, technical writing, and presentation. Offered spring only.

IDE 488
INTERIOR DESIGN INTERNSHIP
3, 0/6
Prerequisite: IDE 351. Guided and supervised exposure to professional interior design operations through on-the-job work experience in an authorized design firm, department, studio, or showroom. To earn 3 credit hours, students must complete 135 contract hours with the firm, provide a written report of the work experience, and receive a written evaluation from the employer. Offered fall only. Equivalent course: DES488

IDE 499
INDEPENDENT STUDY
3-12, 0/0
Prerequisite: Faculty adviser permission.
ITA 307
SURVEY OF ITALIAN LITERATURE
3, 3/0
Prerequisite: ITA 202. Readings and discussions of major works from the origins through the cinquecento. Offered occasionally.

ITA 308
SURVEY OF ITALIAN LITERATURE
3, 3/0
Prerequisite: ITA 202. Readings and discussions of major works from the seicento to the ottocento. Offered occasionally.

ITA 410
MODERN ITALIAN LITERATURE
3, 3/0
Prerequisite: One upper-division Italian course. Readings and discussions of representative novels and short stories of the twentieth century. Offered occasionally.

ITA 450
DIRECTED READINGS I
3, 3/0
Prerequisite: Permission of instructor. Variable topics. Offered occasionally.

ITA 451
DIRECTED READINGS II
3, 3/0
Prerequisite: Permission of instructor. Variable topics. Offered occasionally.

ITA 499
INDEPENDENT STUDY
3, 0/0
Offered every semester.

LAT - LATIN

LAT 101
BEGINNING LATIN I
3, 3/0; FLA, GE14
Fundamentals of Latin with emphasis on reading.

LAT 102
BEGINNING LATIN II
3, 3/0; FLA, GE14
Prerequisite: LAT 101. Continuation of LAT 101.

LIB - LIBRARY

LIB 100
INTRODUCTION TO LIBRARY RESEARCH METHODS
1, 1/0
Overview of library collections and services to maximize research efficiency. Research strategies and tools, including the online library catalog, periodical and reference databases, and Web resources. Open to all students. Recommended for freshmen and sophomores.

LIB 300
ADVANCED LIBRARY RESEARCH METHODS
3, 3/0
Advanced library research strategies with critical thinking and evaluation skills. Emphasizes selecting and using appropriate print and online sources to conduct specialized research. Recommended for students with upper-division status and those planning to pursue graduate studies.

LIB 495
SPECIAL PROJECT
1-3, 0/0
SPECIAL PROJECT

LIB 499
INDEPENDENT STUDY
3-12, 0/0

MAT - MATHEMATICS

MAT 097
BASIC MATHEMATICS
0, 3/0
Provides the necessary mathematics background needed to pass college-level algebra; covers polynomials, rational expressions, exponents and roots, solving equations and inequalities. Offered every semester.

MAT 098
BASIC MATHEMATICS
0, 3/0
Computer-based instruction presentation. Information is presented primarily by computer program with instructor intervention. Instructor interacts with the program by evaluating pre-tests and placing students appropriately in the course continuum. Students are encouraged to complete the entire course of study, but may exit the course when they achieve a score at or above the minimum competency exam. One hour per week attendance is required. Offered every semester.

MAT 103
INTRODUCTION TO MATHEMATICS
3, 3/0; MQ14, MQIF
Some of the greatest achievements of mathematical thought, highlighting the beauty and creativity of these ideas. Topics include Fibonacci numbers; the golden rectangle; estimation; comparing infinities; fractals; the Pythagorean Theorem; the five platonics solids; and selected topics from probability and statistics. Designed for liberal arts majors who do not plan to take further math courses. Offered every semester. Equivalent course: MAT103W

MAT 114
FUNCTIONS AND MODELING
3, 3/0; MQ14, MQIF
Prerequisite: 3 years of high school mathematics or equivalent. Describe and explore real-world functions, data, and phenomena through graphic, numeric, symbolic, and verbal representations. Use elementary functions (linear, polynomial, power, and exponential) to investigate and analyze applied problems (supported by the use of appropriate technology). Offered every semester.

MAT 121
ELEMENTARY MATHEMATICS FROM AN ADVANCED STANDPOINT I
4, 4/0
Prerequisite: 3 years of high school math or equivalent. First course of a two-semester sequence on the fundamental concepts of elementary mathematics: positional numeration systems, number and operations, proportional reasoning, and number theory. Emphasis on problem solving, understanding the concepts and procedures of elementary mathematics, mathematical modeling, the use of manipulatives, and effective communication of mathematical ideas. Offered every semester.

MAT 122
ELEMENTARY MATHEMATICS FROM AN ADVANCED STANDPOINT II
4, 4/0; MQ14, MQIF
Prerequisite: MAT 121 or equivalent. Second course of a two-semester sequence on the fundamental concepts of elementary mathematics: 2- and 3-dimensional geometry, measurement, probability, statistics, linear and non-linear functions. Emphasis on problem solving, understanding the concepts and procedures of elementary mathematics, mathematical modeling, the use of manipulatives, and effective communication of mathematical ideas. Offered every semester.

MAT 124
FUNCTIONS AND MODELING II
3, 3/0; MQ14, MQIF
Prerequisite: MAT 114 with a minimum grade of C, or equivalent. A precalculus course designed for students who have completed a minimum of three years of New York State Regents high school mathematics or the equivalent. Topics include analysis of polynomial, rational, exponential, logarithmic, and trigonometric functions from graphical, symbolic, numerical, and verbal perspectives with an emphasis on modeling and applications of those func-
ations in real-world contexts. No credit given to students who have previously completed MAT 126 or MAT 161 or equivalent. Offered every semester.

MAT 126  
APPLIED CALCULUS I  
4, 4/0; MQ14, MQIF  
Prerequisite: MAT 124 with a minimum grade of C, or four years of Regents high school mathematics. Intuitive introduction to differential and integral calculus. Analysis of functions, derivatives of algebraic, exponential, and logarithmic functions, applications of the derivative, anti-derivatives of simple algebraic, exponential and logarithmic functions, area and the fundamental theorem of calculus. Graphical, symbolic, numerical, and verbal representations are used for all topics. Designed for students majoring in disciplines that use calculus as a tool. No credit given to students who have previously completed MAT 161 or equivalent. Offered every semester.

MAT 127  
APPLIED CALCULUS II  
4, 4/0  
Prerequisite: MAT 126 with a minimum grade of C, or equivalent. Continuation of MAT 126. Techniques of integration; applications of integration; introduction to differential equations including separation of variables, first order linear equations, and their applications; Taylor polynomials; Newton’s method; partial derivatives; and optimization of functions of two and three variables. Graphical, symbolic, numerical, and verbal representations are used for all topics. Designed for students majoring in disciplines that use calculus as a tool. Credit issued for either MAT 127 or MAT 162 (or equivalents), but not for both. Offered every semester. Equivalent course: MAT162

MAT 161  
CALCULUS I  
4, 4/0; MQ14, MQIF  
Prerequisite: MAT 124 with a minimum grade of C, or equivalent. Corequisite: MAT 163. Graphic, symbolic, and numeric representation and analysis of functions; limits; continuity; derivatives and antiderivatives of algebraic, trigonometric, exponential, and logarithmic functions; applications of the derivative and antiderivative. Appropriate for math majors and students in partner disciplines requiring understanding of fundamental principles of calculus with emphasis on deductive reasoning and proof. Offered every semester.

MAT 162  
CALCULUS II  
4, 4/0  
Prerequisite: MAT 161. Corequisite: MAT 164. A continuation of MAT 161. Area accumulation functions; definition of the definite integral; fundamental theorem of calculus; integration techniques; applications of integrals; improper integrals; sequences and series; function approximation. Graphic, symbolic, and numeric representations are used throughout the course. Appropriate for math majors and students in partner disciplines requiring understanding of fundamental principles of calculus with emphasis on deductive reasoning and proof. Offered every semester.

MAT 163  
USING TECHNOLOGY TO EXPLORE CALCULUS I  
1, 1/0  
Prerequisite or corequisite: MAT 161 or equivalent. Exploration of Calculus I using a programmable graphing calculator. Offered every semester.

MAT 164  
USING TECHNOLOGY TO EXPLORE CALCULUS II  
1, 1/0  
Prerequisite or corequisite: MAT 162 or equivalent. Exploration of Calculus II, using a computer algebra system. Offered every semester.

MAT 202  
INTRODUCTION TO LINEAR ALGEBRA  
3, 3/0  
Prerequisite: MAT 161 or MAT 126. Vectors and vector spaces; linear dependence, basis and dimension; matrices and determinants; linear systems; linear transformations; eigenvectors; invariant subspaces. Offered every semester.

MAT 223  
ELEMENTARY AND MIDDLE SCHOOL MATHEMATICS FROM AN ADVANCED STANDPOINT  
4, 4/0  
Prerequisite: MAT 121, MAT 122. Deepens and extends content introduced in MAT 121 and MAT 122 through study of analytic and synthetic geometry, transformational geometry, statistics and fundamental concepts of probability. Emphasis on mathematical reasoning and problem solving, mathematical modeling, use of appropriate tools, and effective communication of mathematical ideas prominent in upper elementary and middle school.

MAT 241  
COMPUTATIONAL TOOLS FOR APPLIED MATHEMATICIANS I  
3, 3/0  
Prerequisite: MAT 161 and MAT 163 or equivalent or permission of instructor. Fundamental concepts of problem solving by computer as applied to mathematics. Computer organization, operations and functions, algorithm development, programming techniques. Numerical methods as used in calculus, linear algebra, geometry, etc. Uses a computer language to be applied in this and other mathematics classes. Offered fall only. Equivalent course: MAT141

MAT 263  
CALCULUS III  
4, 4/0  
Prerequisite: MAT 162 with a minimum grade of C, or equivalent. Multivariable spaces and functions, multivariable derivatives, multivariable integrals, and vector analysis. Offered every semester.

MAT 264  
USING TECHNOLOGY TO EXPLORE CALCULUS III  
1, 1/0  
Prerequisite: MAT 164. Prerequisite or corequisite: MAT 263. Exploration of Calculus III using a Computer Algebra System. Offered every semester.

MAT 270  
DISCRETE MATHEMATICS  
3, 3/0  
Prerequisites: 4 years of high school mathematics or equivalent. Fundamental principles used in discrete mathematics. Topics include logic, mathematical induction, sets, relations, functions, permutations, combinations, recursion, and graph theory. Offered every semester.

MAT 300  
TECHNIQUES OF PROOF  
3, 3/0  
Prerequisite: MAT 161 AND MAT 270. A gateway to upper-division mathematics with an emphasis on mathematical structures, techniques of proof, and the effective written and oral communication of mathematical ideas. Designed to ease the transition from lower-division mathematics to more theoretical courses such as abstract algebra and real analysis. Students are required to submit written work and make oral presentations. Offered every semester.

MAT 301  
FUNDAMENTALS OF ABSTRACT ALGEBRA  
3, 3/0  
Prerequisite: MAT 202 and MAT 300. Fundamental concepts of abstract algebra: sets, mappings, binary operations, relations; algebraic structures of groups, rings, fields, and applications. Offered every semester. Equivalent course: MAT301W

MAT 302  
ABSTRACT ALGEBRA II  
3, 3/0  
Prerequisite: MAT 301. Quotient fields of integral domains, polynomials, rings; Euclidean domains, ideals, and factorization; finite fields, extension fields, splitting fields. Applications to geometric constructions and solvability chosen from contemporary areas of coding theory, block designs, etc. Offered occasionally. Equivalent course: MAT302W

SUNY Buffalo State Undergraduate Catalog 2016–2017  229
MAT 304  GAMES AND LINEAR PROGRAMMING  
3, 3/0
Prerequisite: Three years of Regents high school mathematics. Elementary techniques for finding optimal choices among game strategies and in linear programming problems using the fundamental minimax theorem and the simplex method. Applications in such areas as business, industry, economics, social sciences, and behavioral sciences. Not open to 0718, 0719, or 0721 majors. Offered occasionally.

MAT 309  DISCRETE MATHEMATICS II  
3, 3/0
Prerequisite: MAT 270. Automata, modules, group codes, linear machines, polynomial rings, cyclic codes, minimum polynomials, context-free grammars, tree automata, and pushdown automata. Offered occasionally.

MAT 311  INTRODUCTORY PROBABILITY AND STATISTICS  
3, 3/0; MQ14, MQIF
Prerequisite: Three years of Regents high school mathematics. Descriptive statistics; probability and random variables; binomial, normal, and t distributions; estimation and tests of hypotheses concerning means, proportions, and differences between means and proportions. Does not count toward the 0718, 0719, or 0721 majors. Offered every semester. Equivalent course: MAT111

MAT 315  DIFFERENTIAL EQUATIONS  
3, 3/0
Prerequisite: MAT 263 or permission of instructor. Preliminary ideas on order, degree, and solutions; formation of differential equations; differential equations of first-order linear equations with constant coefficients; special high-order equations; simultaneous equations; linear equations of the second order; series solutions. Offered fall only.

MAT 316  INTERMEDIATE DIFFERENTIAL EQUATIONS  
3, 3/0
Prerequisite: MAT 315. Laplace transform; inverse Laplace transform and applications; partial differential equations; Fourier series; boundary value problems; transform methods application. Offered spring only.

MAT 318  MATHEMATICAL MODELING  
3, 3/0
Prerequisites: MAT 162 and MAT 202. Construction, interpretation and application of mathematical models; various modeling paradigms such as deterministic, probabilistic, discrete and continuous modeling. Models which provide valuable insights into contemporary topics from different fields that may include bio-medical applications, financial mathematics, cellular automata models, mathematical methods for data collection and analysis in geology, mathematical tools for GIS, and weather prediction. Offered fall only.

MAT 319  MATHEMATICAL BIOLOGY  
3, 3/0
Prerequisite: MAT 161 with a minimum grade of C, or equivalent. A project-oriented, introductory mathematical modeling course with an emphasis on the construction and analysis of mathematical models of biological events and phenomena. Mathematical topics include matrix algebra, difference and differential equations. Biological topics include population dynamics, dynamics of infectious disease and models of molecular evolution. Offered spring only.

MAT 322  MODERN GEOMETRY  
3, 3/0
Prerequisite: MAT 270. Euclidean constructions; theorems of Menelaus and Ceva; cross-ratio; harmonic points; orthogonal circles; isometries and similarities in the plane; introduction of projective geometry. Offered every semester. Equivalent course: MAT322W

MAT 325  PROBABILITY AND STATISTICS  
3, 3/0
Prerequisites: MAT 127 or MAT 162 and MAT 270, and MAT 311 or permission of instructor. Probability (graphic representations, descriptions of probabilistic events, combinatorics and combinatorial probability); discrete and continuous probability distributions; descriptive statistics; estimation and tests of hypotheses concerning means, proportions, variance and standard deviation and differences between means and proportions. Offered every semester.

MAT 351  ELEMENTARY THEORY OF NUMBERS  
3, 3/0
Prerequisite: Four years of Regents high school mathematics. Divisibility; Euclid's algorithm; numbers; prime factorization theorem; Euler's phi-function; Diophantine analysis; congruence; theorems of Fermat, Euler, and Wilson. Offered every semester.

MAT 366  COMPUTATIONAL TOOLS FOR APPLIED MATHEMATICIANS II  
3, 3/0
Prerequisites: MAT 164, MAT 241, and MAT 270; or permission of instructor. Structured programming, verification of program validity, data structures, combinatorial problems, flow network, algorithms, random number generators, simulation of random and nonrandom processes. Offered spring only.

MAT 370  APPLIED NETWORKS  
3, 3/0
Prerequisites: MAT 202 and MAT 270. Introduction to network and graph theoretic concepts. Properties with application in computational mathematics, social science, decision making, and physical science. Offered occasionally.

MAT 381  PROBABILITY THEORY  
3, 3/0
Prerequisites: MAT 270 and either MAT 127 or MAT 162. Probability models; discrete and continuous random variables and their distributions or densities; multivariate distributions; mathematical expectation; special distributions and densities. Offered every semester. Equivalent course: MAT111

MAT 382  MATHEMATICAL STATISTICS  
3, 3/0
Prerequisites: MAT 263 and MAT 381. Sampling distributions; central-limit theorem; point and interval estimation; tests of hypotheses. Offered spring only.

MAT 383  APPLIED STATISTICS I  
3, 3/0
Prerequisites: MAT 382 or MAT 325 or MAT 311 and MAT 381. Categorical data analysis; simple linear regression and correlation; multiple linear regression; experimental design models (one, two or more factors); nonparametric statistics. Offered spring only.

MAT 390  INTRODUCTION TO OPERATIONS RESEARCH  
3, 3/0
Prerequisites: MAT 202 and MAT 270. Optimization of real-world problems modeled by linear objective functions subject to systems of linear inequalities and solved by either the two-phase revised simplex method or by the network simplex method. Mathematics behind these methods. Applications in diverse areas such as business management, industry, economics, finance, game theory, geometry, and networks. Offered spring only.

MAT 401  INTRODUCTION TO COMPUTABILITY  
3, 3/0
Prerequisites: MAT 270 and either MAT 301 or MAT 351. Introduction to topics in finite automata and Turing machines, including universal Turing machines and abstract computability. Offered occasionally.
MAT 404
APPLICATIONS OF LINEAR ALGEBRA
3, 3/0
Prerequisites: MAT 202, MAT 263, and MAT 264. Eigenvalue problems; diagonalizing matrices; linear programming; simplex method; applications to areas such as business, industry, economics, social sciences, and behavioral sciences. Offered fall only.

MAT 411
COMPLEX VARIABLES
3, 3/0
Prerequisite: MAT 263. Complex numbers; analytic functions; elementary functions; contour integration; integral theorems; Taylor series; Laurent series; uniform convergence; calculus of residues; mappings and applications. Offered every semester.

MAT 417
INTRODUCTION TO REAL ANALYSIS I
3, 3/0
Prerequisite: MAT 263 AND MAT 300. Elementary real analysis, including properties and axioms of the real number system; relations and functions; sequences; continuity; differentiation; infinite series; power series; Riemann integral. Offered every semester.

MAT 418
INTRODUCTION TO REAL ANALYSIS II
3, 3/0
Prerequisite: MAT 417 or equivalent. Continuation of MAT 417 with topics chosen from: Riemann-Stieljes integration; improper integrals; infinite series; series of functions; partial differentiation; Jacobians; implicit function; multiple integrals; Fubini's Theorem. Offered occasionally.

MAT 431
MATHEMATICAL LOGIC
3, 3/0
Prerequisites: MAT 270 and MAT 202. Validity, deductibility, and completeness in propositional and predicate logics; first-order formal theories and informal theories in the context of set theory. Offered occasionally.

MAT 461
NUMERICAL ANALYSIS
3, 3/0
Prerequisites: MAT 202, MAT 263, and MAT 264. Numerical solutions (and error analysis) to linear and nonlinear equations; interpolation; curve fitting; function approximation; numerical differentiation and integration; differential equations. Offered occasionally.

MAT 471
INTRODUCTION TO TOPOLOGY
3, 3/0
Prerequisites: MAT 270 and either MAT 301 or MAT 417. Introduction to topology: sets and functions; metric spaces; topological spaces; connectedness; compactness; separation. Offered occasionally.

MAT 481
STOCHASTIC PROCESSES
3, 3/0
Prerequisite: MAT 325 or MAT 381. Random walks, Brownian motion, Markov chains and applications, continuous-time processes including exponential distribution and Poisson processes, software applications. Offered occasionally.

MAT 484
APPLIED STATISTICS II
3, 3/0
Prerequisite: MAT 383. Logistic regression, survival analysis, time series analysis. Offered occasionally.

MAT 490
SEMINAR
1-3, 1-3/0
Prerequisite: Senior mathematics major or permission of instructor. Investigation of topics of current interest to mathematicians, such as group theory; graph theory; differential geometry; measure theory; sampling theory. Emphasis on oral presentations and discussions. Offered occasionally.

MAT 491
CAPSTONE RESEARCH IN MATHEMATICS
3, 3/0
Prerequisites: MAT 301 or MAT 417 and senior status; or permission of instructor. Independent research under the direction of the instructor. Composition of a research paper and presentation of results at a seminar for faculty and students. Offered spring only.

MAT 495
SPECIAL PROJECT
1-3, 0/0
Offered occasionally. Equivalent course: AMT495

MAT 499
INDEPENDENT STUDY
3-12, 0/0
Offered every semester.

MCL - MODERN AND CLASSICAL LANGUAGES

MCL 100
ITALIAN CINEMA I
3, 3/0; HU14, HUIF
Masterpieces of Italian cinema 1940-1970s. Taught in English. Offered spring and J Term only.

MCL 189
TOPICS COURSE
1-9, 0/0

MCL 205
LANGUAGE, DICTION AND SOCIETY
3, 3/0
The role of language perception in society; focus on how accent and pronunciation shape societal opinions of speakers, with respect to race, gender, socioeconomic standing, and other factors. Offered occasionally.

MCL 337
GREEK AND ROMAN MYTHOLOGY
3, 3/0
Prerequisite: One college-level literature course. Stories of the gods, goddesses, and heroes of Greece and Rome as presented in Greek and Roman literature. Emphasis upon determining possible origins and meanings of the myths studied. Offered every semester. Equivalent courses: FLA337, MCL337W

MCL 338
INTRODUCTION TO CLASSICAL GREEK DRAMA
3, 3/0
Prerequisite: One literature course. Origin of European drama as a distinct literary form. Characteristics of Greek tragedy and theatrical conventions. Study of works by major playwrights, with emphasis on cultural patterns of the time. Equivalent course: FLA338

MCL 488
INTERNSHIP
1-15, 0/0
Prerequisite: Upper-division status and permission of instructor and department chair. Overall 2.5 GPA and 2.5 GPA in upper-division courses in specific language area. Guided and supervised field experiences (experiential learning) of degree programs. Supervised on-site activities for qualified students; training sessions, seminars and reports. Offered every semester.

MCL 495
SPECIAL PROJECT
3, 0/0
Prerequisite: Permission of instructor. Offered every semester.

MCL 499
INDEPENDENT STUDY
3-12, 0/0
Prerequisite: Permission of instructor. Offered every semester.
MED 200
FIELD EXPERIENCE IN SECONDARY EDUCATION MATHEMATICS
3, 1/0
Classroom and field experience designed to help students contemplating careers in secondary mathematics education; provides important background for students’ roles as citizens and as parents. Required for secondary education mathematics majors. Offered every semester.
Equivalent course: SED200

MED 300
FIELD EXPERIENCE: METHODS IN THE TEACHING OF SECONDARY SCHOOL MATHEMATICS
3, 2/0
Corequisite: MED 308. Supervised field experience at the middle and/or high school level. Emphasis on implementing pedagogical knowledge, understanding, and practice consistent with state and national mathematics teaching standards discussed in MED 308. Students design and deliver lessons and assessments in a variety of settings (small group, large group) during 30 hours of clinical experience at local schools. Offered every semester.

MED 307
USES OF TECHNOLOGY IN THE TEACHING OF MATHEMATICS
3, 3/0; TSIF
Prerequisites: Upper division status and permission of instructor. Introduction to the educational application of technology to the teaching of mathematics through problem solving and exploration. Students will use: graphing calculators (e.g., TI-84 and TI-Nspire) with data collection tools and dynamic software to explore Algebra, Geometry and Statistics (such as Geometer’s Sketchpad, Cabri, Geogebra, and Fathom) in order to develop classroom lessons. Instructional use of additional technology such as interactive whiteboards and mathematical APPS for smart devices will be explored. Students will evaluate technology resources as they produce lesson plans and unit plans for use in the mathematics classroom. Offered every semester.
Equivalent course: SED307

MED 308
METHODS IN THE TEACHING OF SECONDARY SCHOOL MATHEMATICS
3, 3/0
Minimum of 30 hours of MAT courses completed with a GPA of 2.75. Minimum of 9 hours of Professional courses including MED 200 and MED 307 with a GPA of 2.5. Permission of instructor. Corequisite: MED 300. Introduction to the research based practice of classroom teaching for the prospective secondary mathematics teacher. Students create lesson plans for instruction that engage all learners through the use of virtual and concrete models, technology, innovative curricula, and mathematical modeling; evaluation and assessment; meeting the needs of diverse learners; classroom management in a variety of settings (i.e., small group, large group). Lectures, peer presentations, construction and critique of lesson plans, use of media, and research of teaching strategies. Offered every semester.
Equivalent courses: MED308W, SED308

MED 309
FIELD EXPERIENCE: METHODS IN TEACHING OF SECONDARY SCHOOL MATHEMATICS
3, 3/0
Prerequisites: Must be enrolled in 0524; a minimum of 24 hours of the math concentration completed with a GPA of 2.5 or higher; a minimum of 6 hours of professional education courses completed with a GPA of 2.5 or higher; permission of instructor. Corequisite: MED 308. Preparation to teach mathematics in grades 5-9. Includes techniques and models used to teach mathematics at the middle-school level in the context of current research on how children learn mathematics. Offered spring only.

MED 383
LEARNING AND TEACHING PROBLEM SOLVING
3, 3/0
Prerequisites: MAT 162, MAT 127, MAT 270, and upper-division status. Experiences in mathematical problem solving; learning through problem solving; consideration of diverse perspectives and problem-solving approaches; strategies for teaching the use of a problem-based approach; the historical and current roles of problem solving in secondary mathematics. Offered every semester.
Equivalent course: MED383W

MED 406
STUDENT TEACHING OF MATHEMATICS IN THE LOWER MIDDLE GRADES 5-6
6, 0/0
Prerequisites: Completion of MED 200, MED 307, MED 309, MED 383W, SPF 303, all required mathematics courses, and 6 credit hours of upper-division mathematics courses; minimum GPA of 2.5 in all mathematics and education coursework; senior status. Lower middle school laboratory experiences, goals of lower middle school education, psychological influences, teaching models, assessment techniques, classroom management, total involvement in lower middle school activities, practicum. Offered occasionally.

MED 407
STUDENT TEACHING OF MATHEMATICS IN JUNIOR HIGH/MIDDLE SCHOOL
6, 0/0; OCF
Prerequisites: Completion of MED 308 and MED 300 or MED 309 with a minimum grade of C; completion of all mathematics coursework; minimum cumulative GPA of 2.5 in all major mathematics courses; completion of all education courses with a minimum cumulative GPA of 2.5; senior status; and instructor permission. Supervised teaching experience five full days a week for approximately eight consecutive weeks in an early secondary mathematics classroom. Effective demonstration of content knowledge, pedagogical preparation, instructional delivery, classroom management, knowledge of student development, collaboration with school professionals, and reflectivity of practice required. Offered every semester.
Equivalent course: SED407

MED 408
STUDENT TEACHING OF MATHEMATICS IN HIGH SCHOOL
6, 0/0; OCF
Prerequisites: MTS major; completion of MED 308 and MED 300 with a minimum grade of C; completion of all mathematics degree coursework; minimum cumulative GPA of 2.5 in all major mathematics courses; completion of all education courses with a minimum cumulative GPA of 2.5; senior status; and instructor permission. Supervised teaching experience five full days a week for approximately eight consecutive weeks in an early secondary mathematics classroom. Effective demonstration of content knowledge, pedagogical preparation, instructional delivery, classroom management, knowledge of student development, collaboration with school professionals, and reflectivity of practice required. Offered every semester.
Equivalent course: SED408

MED 499
INDEPENDENT STUDY
3-12, 0/0
Offered every semester.

MST - MUSEUM STUDIES

MST 450
MUSEUM INTERNSHIP
3-6, 0/0
Prerequisites: Upper-division status and permission of instructor. For students interested in gaining practical experience in museum work. Assignment to a particular museum is based on a student’s major-related disciplines. Students in areas such as history, anthropology, art history, education, and the natural sciences are eligible. Offered occasionally.
Equivalent course: HIS450

MST 488
INTERNSHIP
3-15, 3/0
Prerequisite: Approval of the faculty supervisor. Supervised field experience in a variety of settings to supplement classroom instruction. Offered occasionally.

MST 495
SPECIAL PROJECT
1-3, 0/0
Prerequisite: Faculty supervisor permission. Research conducted under the supervision of a faculty member. Offered occasionally.
MUS 110  
ACCOMPANIST COACHING SESSION  
1, 0/2  
Corequisites: MUS 171, 173, 271, 273, 371, 373, 471, or 473 applied lessons. Provides students enrolled in the applied music lesson sequence the opportunity to meet and rehearse privately with a staff piano accompanist and have an accompanist present in their applied lesson. Emphasis on memorization techniques, solo and ensemble performance techniques, and musical interpretation. Includes solo or chamber repertoire currently under preparation for collegium, jury, or recital performance. Offered every semester.

MUS 111  
ACCOMPANYING FOR PIANISTS  
1, 1/0  
Prerequisite: Music Majors only. For piano students who wish to gain chamber experience. Students assigned to a vocalist, instrumentalist, or ensemble and will be required to attend weekly applied lessons or rehearsals as well as a coaching/masterclass session with an assigned coach. Offered every semester.

MUS 112  
APPLIED MUSIC  
1, 1/0  
Prerequisites: Permission of instructor. Previous performance experience, audition and ensemble participation required. Individual lessons for voice or instrument. Private lesson fee possible. Offered occasionally.

MUS 113  
BRASS TECHNIQUES  
1, 1/0  
Prerequisite: Music education majors. Pre-professional training in performing and teaching methodologies for trumpet, horn, trombone, baritone, and tuba. Offered every semester.

MUS 114  
Percussion techniques  
1, 1/0  
Prerequisite: Music education majors. Pre-professional training in performing and teaching methodologies for percussion instruments. Offered every semester.

MUS 115  
STRING TECHNIQUES  
1, 1/0  
Prerequisite: Music education majors. Pre-professional training in performing and teaching methodologies for violin, viola, violoncello, and contrabass. Offered every semester.

MUS 116  
WOODWIND TECHNIQUES  
1, 1/0  
Prerequisite: Music education majors. Pre-professional training in performing and teaching methodologies for flute, clarinet, oboe, bassoon, and saxophone. Offered every semester.

MUS 119  
Vocal Pedagogy  
1, 1/0  
Prerequisites: Majors only. A cooperative class in teaching voice for pre-music educators. Vocal process, and practical teaching will be examined, discussed, analyzed, and practiced. Repeatable. Offered spring and summer only.

MUS 122  
INTRODUCTION TO MUSIC STUDIES AND CAREERS  
2, 2/0  
Provides historical, philosophical, and practical foundations needed for a career in music. Experiences that integrate library, research, teacher observation and analysis, reading, and writing skills with regard to the profession will be utilized to assist students’ exploration and confirmation of his or her decision to enter the field. Offered fall only.

MUS 123  
CLASS VOICE FOR NON-MAJORS  
1, 0/1  
Co-requisite: MUS 335 BSC Chorale. Study and perform vocal music as a singer. Expand the student’s knowledge of singing and sight singing.

MUS 161  
CLASS PIANO I  
1, 0/2  
This is the first in a sequence of four group piano courses designed for those music students who need to improve their piano skills. The first two semesters focus on developing general musicianship skills, such as sight reading from the grand staff, melody harmonization, technique, improvisation, ensemble performance, practicing, and use of basic theory skills at the keyboard. Offered every semester.

MUS 162  
CLASS PIANO II  
1, 0/2  
Prerequisite: C or better in MUS 161 or audition. Continuation of the skills acquired in MUS 161. Offered every semester.

MUS 171  
APPLIED MUSIC  
1, 1/0  
Prerequisite: Music Major and Audition. Individual lessons for voice or instrument. Required for music majors. Private lesson fee possible. Concert attendance required. Offered every semester.

MUS 173  
APPLIED MUSIC  
1, 1/0  
Prerequisite: Music Major and Audition. Individual lessons for voice or instrument. Required for music majors. Private lesson fee possible. Concert attendance required. Offered every semester.

MUS 201  
SURVEY OF WESTERN MUSIC HISTORY  
3, 3/0; AR14, ARIF  
Introduction to music from the Middle Ages to the present; study of forms and styles, composers and performers, cultural and social backgrounds, and parallel developments in other arts. Lecturer and listening assignments. Concert attendance required. Equivalent courses: MUS201W, MUS301, MUS329

MUS 206  
FOUNDATIONS OF AMERICAN POPULAR MUSIC 1900-1950  
3, 3/0; AR14, ARIF, DI14, DIIF  
Prerequisite: CWP 102. This survey course studies the historical developments that helped formulate today’s popular music, including the roots of blues, jazz, and rock music in America.

MUS 208  
SURVEY OF WORLD MUSIC CULTURES  
3, 3/0; AR14, ARIF  
Survey of representative art and popular music cultures of Africa, Asia, the Middle East, and Latin America. Lectures and listening assignments. Concert attendance required.

MUS 209  
SUB-SAHARAN AFRICAN MUSIC AND CULTURES  
3, 3/0; NW14, NWIF  
Study of the cultures of sub-Saharan Africa focused on the histories and musics from four specific regions. Two-thirds of class time is in lecture format; one-third is dedicated to learning and performing African rhythms on percussion instruments.
MUS 210
MUSIC THEORY FOR NON-MAJORS
3, 3/0; AR14, ARIF
Music notation, aural and written. Scales, intervals, triads, seventh chords, rhythms, simple and compound meters, elementary ear-training, dictation, analysis, and composition.

MUS 218
AURAL PERCEPTION I
1, 0/3
Corequisite: MUS 230. A laboratory course for those with basic music-reading skills. Reinforces theoretical music concepts through sight singing, rhythmic, melodic dictation, and basic musicianship. A diagnostic test is given at the beginning of the semester. Required for music majors.

MUS 219
AURAL PERCEPTION II
1, 0/3
Prerequisites: MUS 218 and MUS 230. Corequisite: MUS 231. Continuation and development of the melodic, rhythmic, and musicianship skills acquired in MUS 218. Required for music majors.

MUS 220
TECHNOLOGY APPLICATIONS FOR MUSIC EDUCATION
2, 2/0
Prerequisites: MUS 230 and MUS 231, or permission of instructor. Students gain knowledge of current technology applications suitable for music instruction, including administrative applications, software for notation and composition, and MIDI-based sequencing, as well as teaching methods and strategies for using technology in music classrooms and ensembles; incorporates extensive hands-on activities.

MUS 223
SACRED MUSIC IN WESTERN SOCIETY
3, 3/0; HU14, HUIF
Prerequisites: none. Examines the creation, use, influence and position of sacred music throughout the course of Western history; Analyze how this music reflects the cultural values of the society in which it was created and also demonstrates the beliefs and attitudes of the various institutions that supported its creation and provided the context for its performance; Explore how the understanding of this repertoire may be made more meaningful by reflective personal experience and inspire a broader awareness of humanity.

MUS 224
MUSIC AND POLITICAL ACTION
3, 3/0; WC14, WCIF
Prerequisites: CWP 101 and CWP 102. Chronological overview of significant political, social, military, and religious events and along with the music associated with those important events. Students will be introduced to various composers, musical styles, musical forms and musical selections as they directly relate to historically significant circumstances, events, and movements within World and American History. While previous musical experience is helpful, it is not required.

MUS 230
MUSIC THEORY I
3, 3/0
Prerequisite: Music Majors only. Corequisite: MUS 218. Fundamentals of music, including notation, scales, modes, tonality, key signatures, intervals, basic chords, basic harmony, voice leading, melodic structures, and the general stylistic features of the various epochs of Western music. Required for Music Majors.

MUS 231
MUSIC THEORY II
3, 3/0
Prerequisites: MUS 230 and MUS 218. Corequisite: MUS 219. Continuation of the fundamentals of music, with emphasis on harmony, voice leading, and simple formal structures within the contexts of the various historical periods of Western music. Required for music majors.

MUS 261
CLASS PIANO III
1, 0/2
Prerequisite: C or better in MUS 162 or audition. This course and MUS 262 are designed for music students who are working toward successful completion of the piano proficiency exam. The skills developed are those used by music educators in the elementary or secondary classroom: Sight reading, melody harmonization, accompanying, score reading, and improvisation.

MUS 262
CLASS PIANO IV
1, 0/2
Prerequisite: C or better in MUS 261 or audition. Continuation of the skills acquired in MUS 261.

MUS 271
APPLIED MUSIC
1, 1/0
Prerequisite: Music Majors only and audition. Individual lessons for voice or instrument. Required for music majors. Private lesson fee possible. Concert attendance required.

MUS 273
APPLIED MUSIC
1, 1/0
Prerequisite: Music Majors only and audition. Individual lessons for voice or instrument. Required for music majors. Private lesson fee possible. Concert attendance required.

MUS 290
PHILHARMONIA ORCHESTRA
1, 1/0; AR14, ARIF
Prerequisite: Audition. Participation in the Buffalo State College Philharmonia Orchestra, a college-community ensemble composed of qualified Buffalo State student musicians and experienced community musicians. The orchestra serves as the principal vehicle for increasing student awareness, of symphonic repertoire, orchestral excerpts, and performance protocol as directly related to an orchestral ensemble. Repertoire is planned and organized to provide students with a diverse exposure to important classical, pops, and seasonal programming. May be taken more than once.

MUS 302
MUSIC HISTORY: ANTIQUITY THROUGH BAROQUE
3, 3/0
Prerequisite: One theory course or permission of instructor. Listening, identification, analysis, and study of musicological and sociohistorical trends in the medieval, Renaissance, and Baroque style periods.

MUS 303
MUSIC HISTORY: CLASSIC THROUGH MODERN
3, 3/0
Prerequisite: MUS 302. Listening, identification, analysis, and study of musicological and socio-historical trends, with focus on the eighteenth, nineteenth, twentieth, and twenty-first centuries, including opera, oratorio, solo song, chamber music, symphony, and contemporary forms. Equivalent course: MUS303W

MUS 305
MODERN JAZZ
3, 3/0
Prerequisite: MUS 206. History and development of modern jazz from 1941 to the present. Equivalent courses: AAS304, MUS305W

MUS 306
URBAN BLUES AND ROCK
3, 3/0
Prerequisite: MUS 206. Sources and development of the idioms, style, and sound media of this music. Equivalent course: MUS306W

MUS 313
CHAMBER CHOIR
1, 1/0
Prerequisite: Audition. A select vocal ensemble of mixed voices that studies personal programming. May be taken more than once.

MUS 314
WIND ENSEMBLE
1, 1/0
Prerequisite: Some prior performance experience on a wind or percussion instrument used in standard band instrumentation. Rehearsals and performances include historical and contemporary wind and percussion literature.
MUS 318
AURAL PERCEPTION III
1, 0/3

MUS 319
AURAL PERCEPTION IV
1, 0/3
Prerequisites: MUS 330 and MUS 318. Corequisite: MUS 331. Continuation and development of the harmonic, melodic, rhythmic, and musicianship skills acquired in MUS 318. Required for music majors. Equivalent course: MUS 319W.

MUS 321
COMPOSITION, IMPROVISATION AND ARRANGING
3, 3/0
Prerequisite: Upper-level music major or equivalent. Introduction to the musical and technical aspects of directing and developing an instrumental ensemble. Use of baton, score reading, and observation. Ensemble work.

MUS 322
INSTRUMENTAL CONDUCTING
2, 2/0
Prerequisite: Instructor permission. Study and perform vocal jazz music within an ensemble of 12-16 auditioned musicians. Traditional approaches and skills to the performance and study of vocal jazz music will be developed while significantly expanding the student’s knowledge of vocal jazz repertoire, performance practice and vocal techniques.

MUS 323
VOCAL JAZZ ENSEMBLE
1, 0/2
Prerequisites: Instructor permission. Study and perform vocal jazz music within an ensemble of 12-16 auditioned musicians. Traditional approaches and skills to the performance and study of vocal jazz music will be developed while significantly expanding the student’s knowledge of vocal jazz repertoire, performance practice and vocal techniques.

MUS 326
JAZZ ENSEMBLE
1-12, 0/0
Prerequisite: Audition. Training and supervised performance in jazz and dance band combination. May be repeated.

MUS 330
MUSIC THEORY III
3, 0/3
Prerequisite: MUS 231. Corequisite: MUS 318. Analysis and theoretical understanding of compositional techniques of Western art music of the late seventeenth, eighteenth, and nineteenth centuries. Required for music majors.

MUS 331
MUSIC THEORY IV
3, 3/3

MUS 333
CHORAL CONDUCTING
2, 2/0
Prerequisites: MUS 219 and MUS 119. Corequisite: MUS 335 or MUS 313. Fundamentals of rehearsing, developing, and conducting choirs for students with choral and vocal background. May require observation of off-site choral ensemble rehearsals and performances. Required for music education majors.

MUS 334
PERCUSSION ENSEMBLE
1, 1/0
Prerequisite: Audition or permission of instructor. An exploration of sophisticated percussion literature by modern composers or transcriptions of other works for percussion instruments. The ensemble performs on standard percussion instruments, such as timpani, marimba, vibraphone, snare drum, tom toms, and other struck objects. Repeatable.

MUS 335
BUFFALO STATE COLLEGE CHORALE
1, 0/3
Rehearsal and performance of representative choral music from a diverse repertoire including classical, pop, gospel, spirituals, jazz, folk, and show music. Presentation of the fundamentals of choral singing. May be repeated.

MUS 337
STRING ENSEMBLE
1, 1/0
Prerequisite: Audition or permission of instructor. Performing ensemble surveying standard chamber music repertoire for string instruments, such as quartet, quintet, or piano trios. Repeatable.

MUS 338
BRASS ENSEMBLE
1, 1/0
Prerequisite: Audition or permission of instructor. Chamber group consisting of trumpets, trombones, French horns, euphoniums, baritones and tubas. Explores body of chamber music written or transcribed for brass instruments. Repeatable.

MUS 339
WOODWIND ENSEMBLE
1, 1/0
Prerequisite: Audition or permission of instructor. Chamber group consisting of combinations of woodwind instruments, including clarinet choir, flute quartet, saxophone quartet, mixed trios, quartets, quintets, or larger. Explores body of chamber music written or transcribed for woodwind instruments. Repeatable.

MUS 341
CHAMBER MUSIC FOR PIANISTS
2, 2/0
Prerequisites: Music majors only. For piano students who seek to gain experience working in small and large ensemble settings. Students will be assigned to a chamber or large ensemble, and must attend weekly rehearsals and coaching/master class sessions. Offered every semester.

MUS 345
ELEMENTARY MUSIC METHODS
3, 3/0
Prerequisites: Permission of instructor; music education interview. Gain knowledge and skills in the areas of teaching methods and strategies for elementary music education; extensive hands-on and writing activities.

MUS 346
FIELD EXPERIENCE IN ELEMENTARY MUSIC
1, 0/3
Corequisite: MUS 345. Observation and application of instructional procedures learned in MUS 345 through on-site participation in local schools.

MUS 347
THE HISTORY OF PSALMODY
3, 3/0
Prerequisites: None. A comprehensive survey of music based on the texts of the Biblical Book of Psalms. Analyses of the origins, literary structures, content and organization of the psalms; the development of various music performance practices; the tracing of the historical musical development of their settings; and the past and continuing influence of this repertoire on the cultural development of Western Civilization.

MUS 349
WEST AFRICAN DRUMMING ENSEMBLE
1, 1/0
Prerequisite: Instructor permission. Introduction to traditional West African rhythms on djembes, dundun drums, and iron bells. Students explore cultural contexts and learn to give and respond to rhythmic signals, learn to play different rhythms simultaneously, and learn culturally and rhythmically appropriate improvisation techniques.
MUS 351
THE AMERICAN MUSICAL
3, 3/0
Historical study of the American musical focusing on the interrelationship between the disciplines of music, theatre, and dance.
Equivalent courses: MUS351W, PAR350

MUS 353
FIELD EXPERIENCE IN MUSIC FOR EXCEPTIONAL LEARNERS
1, 0/0
Corequisite: MUS 345. Observation and application of adaptations and instructional procedures appropriate for music with exceptional learners through on-site participation in local schools.

MUS 360
SECONDARY INSTRUMENTAL MUSIC METHODS
3, 3/0
Prerequisites: MUS 345, MUS 362. Knowledge and skills in the areas of teaching methods and strategies for secondary instrumental music education; includes extensive hands-on and writing activities.

MUS 361
FIELD EXPERIENCE IN SECONDARY INSTRUMENTAL MUSIC
1, 0/0
Prerequisite: MUS 362 or permission of instructor. Corequisite: MUS 360. Observation and application of instructional procedures learned in MUS 360 through on-site participation in local schools.

MUS 362
SECONDARY CHORAL METHODS
3, 3/0
Prerequisite: MUS 345 or permission of instructor. Corequisite: MUS 363. Knowledge and skills in the areas of teaching methods and strategies for secondary choral music education; extensive hands-on and writing activities.

MUS 363
FIELD EXPERIENCE IN SECONDARY CHORAL MUSIC
1, 0/0
Prerequisite: MUS 345 or permission of instructor. Corequisite: MUS 362. Observation and application of instructional procedures learned in MUS 362 through on-site participation in local schools.

MUS 364
FIELD EXPERIENCE IN COMMUNITY MUSIC
1, 0/0
Prerequisite: Instructor Permission. Develop pedagogical skill and knowledge through teaching in an after-school music program. Working closely with a mentor, students will gain valuable pre-service teaching experience as they prepare for student teaching and careers as music educators.

MUS 365
INTRODUCTION TO EARLY CHILDHOOD MUSIC AND MOVEMENT
3, 2/0
Prerequisites: Instructor Permission. Exploring the methods used to guide young children’s music and movement development within a wide variety of early childhood music education settings. Field placement activities that support course objectives are required, approximately 12-15 hours. Offered annually.

MUS 371
APPLIED MUSIC
1-2, 1/0
Prerequisite: Music Major only and audition. Individual lessons for voice or instrument. Required for music education majors. Private lesson fee possible. Concert attendance required.

MUS 373
APPLIED MUSIC
1-2, 1/0
Prerequisite: Music Major and audition. Individual lessons for voice or instrument. Required for music education majors. Private lesson fee possible. Concert attendance required.

MUS 410
RECITAL ACCOMPANIST
1, 0/1
Co-requisites: MUS 110 and MUS 171, 173, 271, 273, 371, 373, 471, or 473 applied lessons. For students enrolled in the applied music lesson sequence and preparing for a recital. Meet and rehearse privately with a staff piano accompanist. Emphasis on preparation for performance, solo and ensemble performance techniques, and musical interpretation.

MUS 422
SEMINAR IN MUSIC LEADERSHIP, MANAGEMENT, AND ADMINISTRATION
3, 3/0
Prerequisite: MUS 273. Seminar course in theoretical and applied concepts of leadership, management, and administration for musicians and music educators. Case studies, frameworks, and practical scenarios of music classrooms, orchestras, and community arts organizations will be presented, discussed, researched, and analyzed.

MUS 440
ETHNOMUSICOLOGY
3, 3/0; OCIF
Prerequisites: MUS 302 and MUS 303 or permission of instructor. Lectures, readings, recordings, and hands-on participation in class, with emphasis on understanding the theories and methodologies used to study music as an aspect of human culture. Examination and discussion of case studies from different regions of the world, as well as independent fieldwork research. Required for music majors.
Equivalent courses: MUS340, MUS340W, MUS440W

MUS 457
STUDENT TEACHING IN ELEMENTARY MUSIC
5, 0/0
Prerequisites: Successful completion of all music coursework, including 100 documented observation hours, the piano proficiency exam, the Music Department Student Teaching Application, and Criteria for Student Teaching. Corequisites: MUS 458 and MUS 460. Supervised full-time teaching internship for a half semester in an elementary school setting. Required culminating experience for music education majors seeking New York State certification.

MUS 458
STUDENT TEACHING IN SECONDARY MUSIC
5, 0/0
Prerequisites: Successful completion of all music coursework, including 100 documented observation hours, the piano proficiency exam, the Music Department Student Teaching Application, and Criteria for Student Teaching. Corequisites: MUS 457 and MUS 460. Supervised full-time teaching internship for a half semester in a middle or high school setting. Required culminating experience for music education majors seeking New York State certification.

MUS 460
STUDENT TEACHING SEMINAR
2, 2/0
Prerequisites: Permission of instructor. Corequisites: MUS 457 and MUS 458. Study of current issues in music education and the challenges of the beginning teaching experience. Students will participate in weekly discussions centered on such topics as music education philosophy in action; curriculum development and evaluation; assessment of musical behaviors; discipline (prevention and intervention); time management; and meeting state and national standards in music.

MUS 471
APPLIED MUSIC
1-2, 1/0
Prerequisite: Music Major and audition. Individual lessons for voice or instrument. Required for music education majors. Private lesson fee possible. Concert attendance required.

MUS 473
APPLIED MUSIC
1, 1/0
Prerequisite: Music Major and audition. Individual lessons for voice or instrument. Private lesson fee possible. Concert attendance required.
MUS 488
INTERNSHIP
1-6, 0/0
Prerequisites: Permission of Internship Coordinator; Minimum 2.5 GPA in Major, Minimum 2.0 GPA Overall. Guided and supervised exposure to professional artistic administration and/or operations through on-the-job work experience in an authorized administrative, business, or performance setting. Will write a written report of the work experience based on journal entries, and receive written evaluations from the Internship Site Supervisor and Internship Coordinator.

MUS 491
CAPSTONE IN MUSIC
1-3, 0/0
Prerequisite: MUS 273 and permission of the instructor. Independent capstone project under the direction of an instructor. Equivalent course: DMP491

MUS 495
SPECIAL PROJECT
1-3, 0/0
Prerequisite: Permission of instructor. Required for B.A. music students in the final semester of study. For current music B.A. capstone guidelines, please visit www.buffalostate.edu/music/documents/capstoneproposaldraft.pdf.

MUS 499
INDEPENDENT STUDY
3-12, 0/0

NFS - DIETETICS AND NUTRITION

NFS 100
INTRODUCTION TO FOOD PREPARATION
3, 2/2
A study of the composition of food and scientific principles of food preparation and cookery. Students learn food selection, storage, and preparation skills.

NFS 102
INTRODUCTORY NUTRITION
3, 3/0; NS14, NSIF
A basic science in human nutrition focuses on knowledge of chemical structure, dietary sources, requirements, functions, digestion, absorption, transportation, utilization, and excretion of essential nutrients and other substances.

NFS 105
FOOD AND PEOPLE
3, 3/0; TSIF
The use of technology and science for food production, preservation, processing, and safety profoundly influences nutritional, economic, social, ethical, legal, and personal issues. Concerns about the impact of technology on environment, health, culture, and hunger/malnutrition are addressed. Course prepares students to understand the concepts of food, nutrition, food culture, and food safety for optimal health.

NFS 108
FOOD CULTURE AND CIVILIZATION IN THE FAR EAST
3, 3/0; NW14, NWIF
A study of food culture in context with civilizations of the Far East. Focuses on the relationship between the development of food habits/culture and civilization as influenced by political, socioeconomic and cultural factors, and international relations.

NFS 110
APPLIED PRINCIPLES OF MANAGEMENT IN DIETETICS/FOOD SERVICES
3, 3/0
Management principles and concepts explored through class assignments that simulate real-world situations and prepare students for advanced study and application in management. Equivalent course: NFS361

NFS 111
APPLIED MANAGEMENT IN DIETETICS I
3, 3/0
Prerequisites: Majors only. First of a four course sequence, this course focuses on advanced management principles and concepts as they apply to health care, dietetics and food services. Student will engage in assignments that will prepare them to become skilled in specific areas of dietetics practice and food service management.

NFS 200
APPLIED FOOD CHEMISTRY
3, 2/2
Prerequisites: NFS 100 and CHE 112, recommended co-requisite CHE 321. A study of the structure, properties, and analysis techniques of food components: carbohydrates, fats, proteins, color, flavor, toxins, additives and evaluation of commercial food products and their role in the diet.

NFS 210
FOOD SERVICE SYSTEMS MANAGEMENT IN HEALTH CARE
3, 3/0
Prerequisite: NFS 110. In-depth analysis of the procurement process, menu development, food production and delivery, quality standards, and financial management of food service systems and related subsystems.

NFS 211
APPLIED MANAGEMENT IN DIETETICS II
3, 3/0
Prerequisites: NFS 111. Majors only. Second of a four course sequence, this course focuses on concepts and practices consistent with the practice of human resource management, financial management, safety, and infection control as they apply to health care food service management. Students will engage in assignments that will prepare them to become skilled in specific areas of dietetics practice and food service management.

NFS 230
INTRODUCTION TO DIETETICS
2, 2/0
Prerequisites: None. Overview of the dietetics profession: career options, professional development, career portfolio development, professional organization, code of ethics, standards of practice, professional values, creativity. Academy of Nutrition and Dietetics position papers, introduction to legislative process, professional issues and trends, and professional references and resources.

NFS 280
INTRODUCTION TO COMPLEMENTARY AND ALTERNATIVE MEDICINE
3, 3/0
An overview of complementary and alternative medicine (CAM) that includes alternative medical systems, complementary use of CAM therapies, mind-body interventions, and biologically-based therapies such as herbal and natural products and physical therapies. Provides the opportunity to get acquainted with major types of CAM modalities and the regulatory and legal policies on CAM for safe use of the therapies. Students will learn how to search evidence-based information and scientific data on CAM and become familiar with the general topics on the subject.

NFS 300
FOOD PROCESSING I
2, 2/0
Prerequisite: NFS 200. A study of the commercial food preservation and packing techniques, storage, food safety and food laws, and genetic engineering.

NFS 302
ADVANCED NUTRITION
3, 3/0
Prerequisite: NFS 102 or equivalent and CHE 321, recommended co-requisite CHE 322. This course lays the foundation for medical nutrition therapy courses and includes in-depth study of macronutrient intermediary metabolism with applications to practice; the study of macronutrients involved in bone metabolism, red blood cell information, antioxidant functions, and water and electrolyte balance; and evaluation of functional foods and their role in health. Equivalent course: NFS440
NFS 310
PERSONNEL MANAGEMENT IN DIETETICS/FOOD SERVICES
3, 3/0
Prerequisite: NFS 210. Management concepts and practices consistent with the management of human resources in a health care organizational setting. The application of operational strategy in terms of fulfilling the mission of an organization competing in today's market.

NFS 311
APPLIED MANAGEMENT IN DIETETICS III
3, 3/0
Prerequisites: NFS 100; NFS 102. Majors only. Third of a four-course sequence, this course focuses on food service systems and related subsystems involving an in-depth analysis of menu development and modifications for disease states. Procurement, food production, distribution, and service, and marketing applicable to dietetics and health care food service management are also covered.

NFS 315
LIFE CYCLE AND COMMUNITY NUTRITION I
3, 3/0
Prerequisites: NFS 102 Introduction to Nutrition. A study of the physiological changes during pregnancy, lactation, and older adult aging; growth and development during infancy, preschool, school age and adolescence; the food and nutrition needs, specific nutritional concerns and nutritional services and nutritional programs available.

NFS 316
LIFE CYCLE AND COMMUNITY NUTRITION II
3, 3/0
Prerequisites: NFS 315 Life Cycle and Community Nutrition I. A study of the nutritional issues and chronic disease prevention in adult life; community nutrition services available to adults and identifying and developing community nutrition programs.

NFS 330
INTEGRATIVE AND FUNCTIONAL NUTRITION
1, 1/0
Prerequisite: NFS 102 or equivalent and junior or senior standing or permission of instructor. A one-credit course provides an introduction to integrative and functional nutrition (IFN) and complementary and alternative medicine (CAM). The course focuses on dietary supplements that include vitamins, minerals, functional foods, phytochemicals, nutraceuticals for disease prevention and treatment. An emphasis will be given to the regulatory (legal, ethical and moral) issues of dietary supplements. The goal of the course is to prepare students to have competency in IFN as a part of medical nutrition therapy.

NFS 334
CONTEMPORARY NUTRITION
3, 3/0
Examination of nutrition. The functions, requirements, food sources, and results of deficiency and excess for each nutrient. Topics of current interest, such as weight control. Food fads and government nutrition policies. Not open to dietetics majors.

NFS 389
TOPICS COURSE
3, 0/0

NFS 401
MEDICAL NUTRITIONAL THERAPY I
4, 2/4
Prerequisites: NFS 302, CHE 322, BIO 308, BIO 309. First of three course sequence examining interrelationships of pathophysiology, biochemistry, genetics and nutrition as related to medical nutritional therapy. Emphasis will be given to the nutrition care process, nutritional assessment and role of nutrition in preventing and treating diseases/disorders: obesity/weight management, cardiovascular disease, drug-nutrient interactions, and disordered eating.

NFS 402
MEDICAL NUTRITIONAL THERAPY II
3, 2/2
Prerequisites: NFS 401 and for DEP co-requisite NFS 446. Second of a three course sequence examining the interrelationships of pathophysiology, biochemistry, genetics and nutrition as related to medical nutritional therapy. Emphasis on role of nutrition in preventing and treating disease/disorders: diabetes mellitus, hypoglycemia, renal, dysphagia, chronic obstructive pulmonary disease, and cystic fibrosis. Equivalent course: NFS 442

NFS 403
MEDICAL NUTRITIONAL THERAPY III
3, 3/0
Prerequisites: NFS 402 and for DEP co-requisite NFS 447. Third of a three-course sequence examining the interrelationships of pathophysiology, biochemistry, genetics, and nutrition as related to medical nutritional therapy (MNT). Addresses MNT for cancer, upper and lower gastrointestinal (GI) disorders, exocrine pancreas, hepatobiliary, and pulmonary disease, metabolic stress (including sepsis, SIRS, head trauma, and burns), acid/base disorders, acquired immune deficiency syndrome (AIDS), parenteral and enteral nutrition.

NFS 405
PRINCIPLES OF NUTRITION EDUCATION
2, 2/0
Prerequisites: NFS 316 and NFS 401. Co-requisites: For students in Coordinated Program in Dietetics NFS 402 and 446. Theories and methods of learning communication, and counseling as they apply to nutrition education and counseling settings; development, implementation, and assessment of instructional unit utilizing various forms of multimedia.

NFS 411
APPLIED MANAGEMENT IN DIETETICS
2, 1/2
Prerequisites: NFS 311. Majors only. Fourth of a four-course sequence, this course focuses on the principles of health care quantity recipe development, therapeutic modification of recipes and food production, with hands on food preparation opportunities. Students will learn the importance of facility equipment and design. Students will be taught principles of food safety and become ServSafe® certified.

NFS 419
INTRODUCTION TO CLINICAL PRACTICE
2, 2/0
Introduction to medical terminology and abbreviations, use of medical records, medical-record documentation, application of interviewing and counseling to clinical practice, usual hospital diets, and reimbursement for nutritional therapy.

NFS 420
DIETETIC EXPERIENCE
3, 1/0
Prerequisites: NFS 403. Formalized observation/experience in a variety of health care settings such as clinical, community, food service, regulatory agencies, etc.; research paper and consumer education.

NFS 430
INTRODUCTION TO NUTRITION RESEARCH
3, 3/0
Prerequisites: NFS 402, MAT 311 or ECO 305. An introduction to nutrition research. Students explore various research designs and characteristics of quantitative nutrition studies. Places emphasis on the evidence analysis process with regard to clinical trials and use of information technologies to locate and apply evidence-based guidelines.

NFS 445
NUTRITIONAL CARE A
3, 0/9
First in a series of nutritional care courses promoting professional development for dietetic practice. Emphasis on basic skills for a professional role and application of normal nutrition knowledge. Interviewing skills, use of dietary tools and techniques, and planning and teaching nutrition education classes are fostered through observation and practice. Clinical experiences with well individuals throughout the life span provide opportunities for learning and self-evaluation. Clinical dress code required.

NFS 446
NUTRITIONAL CARE B
4, 0/12
Prerequisite: NFS 445. Corequisite: NFS 402. Students are assigned patients in acute-care settings to correlate with Applied Nutrition II theory. Students assess nutritional status, define nutritional needs, plan for nutritional care, and implement care on a beginning level after establishing criteria for evaluation of care for selected patients. Clinical dress code required.
NFS 447  
NUTRITIONAL CARE C  
5, 0/15  
Prerequisite: NFS 446. Corequisite: NFS 403. Students refine and apply knowledge and skills in providing nutritional care for individuals (adults and children) with acute and chronic nutritional problems or diseases. Clinical dress code required.

NFS 448  
NUTRITIONAL CARE D  
5, 0/10  
Prerequisites: NFS 403 and NFS 447. Establish priorities among required activities to provide care for patients in an assigned hospital unit; provide nutritional care to groups of patients; integrate pertinent information about individual patients with theoretical knowledge to develop appropriate nutritional care plans; make appropriate use of available resources; develop appropriate levels of nutritional care to patients independently and in concert with existing nutritional-care systems. Clinical dress code required.

NFS 449  
NUTRITIONAL CARE E (NUTRITIONAL CARE OF LONG-TERM PATIENTS)  
2, 0/0  
Prerequisites: NFS 447 and co-requisites NFS 448, NFS 450, and NFS 451. Long-term care as a health delivery system; provide nutritional care to chronically ill patients in a long-term care facility. Clinical dress code required.

NFS 450  
SENIOR PRACTICUM IN DIETETICS  
4, 0/0  
Prerequisites: NFS 447 and clinical faculty permission. Co-requisites: NFS 448, NFS 449, and NFS 451. Supervised planning, implementation, and evaluation of professional practice goals in a selected area of dietetic practice, such as acute care, long-term care, nutrition education, or community-service programs; minimal supervision. Clinical dress code required. Equivalent course: NFS 450 W

NFS 451  
SPECIALITY PRACTICE  
1, 0/3  
Prerequisites: NFS 447 and co-requisites NFS 448, NFS 449, and NFS 450. Participation in dietetic practice for a selected area. Clinical dress code required.

NFS 471  
EXPERIENCES IN HEALTH CARE FOOD SERVICE SYSTEMS  
3, 0/3  
Prerequisite: NFS 310. Permission of instructor. Application of knowledge and principles of food systems management in a health care facility. Emphasis on functions of a food service system, human resource management, quality assurance program, and cost analysis activities. Clinical dress code required.

NFS 499  
INDEPENDENT STUDY  
3-12, 0/0

---

PAD 307  
METROPOLITAN GOVERNANCE  
3, 3/0  
Prerequisites: PAD 360 or instructor permission. Metropolitan governance focuses on the development and implementation of public policy goals in metropolitan regions. Topics include: types of local governments and their responsibility and authority; public-private partnerships; economic growth and decline; intergovernmental relations; urban and neighborhood renewal.

PAD 360  
PUBLIC ADMINISTRATION  
3, 3/0  
Introduction to public administration: analysis of government administration in its social, economic, and political settings; the role of public administration in formulating public policy; organization and management in public services; personnel and financial management. Equivalent course: PSC 360

PAD 368  
COMPARATIVE PUBLIC ADMINISTRATION  
3, 3/0  
Introduction to cross-cultural, cross-national, or cross-institutional study of public administration institutions and practices; the administrative systems of European countries and the processes of administrative change in developing countries; the evolution of bureaucracy. Equivalent course: PSC 368

PAD 370  
CANADIAN PUBLIC ADMINISTRATION  
3, 3/0  
Canadian public administration institutions and processes and the development of public policy; the federal level; secondary attention to provincial and local administration and policy; similarities and differences with other administrative systems, especially the United States. Equivalent course: PSC 370

PAD 389  
TOPICS IN PUBLIC ADMINISTRATION  
3, 3/0  
In-depth study of current issues of substantial political significance, such as: public personnel administration, defense policy, computers and political science, environmental policy, political communication, health policy, and human rights.

PAD 390  
RESEARCH METHODS IN PUBLIC ADMINISTRATION  
3, 3/0  
Prerequisites: Junior or senior standing. Design, execution, and interpretation of research for public and nonprofit managers. Includes quantitative, qualitative, and mixed research methods, constructing and testing hypotheses, data collection and analysis, use of SPSS for data analysis, use of EndNote for research and literature reviews, ethical consequences of social science research, preparing a research paper.

PAD 435  
ADMINISTRATIVE PRACTICES IN PUBLIC AND NONPROFIT SECTORS  
3, 3/0  
Prerequisites: PAD 360 or instructor permission. Public and nonprofit management and organizational theories, policies and practices. History of public and nonprofit management systems; public and nonprofit organizational structures; distinctions and similarities in mission, values, and cultures. Effective management and leadership in public and nonprofit organizations; the political environment, power, and policy affecting public and nonprofit management; organizational goals and effectiveness; planning, strategy and decision making in the public and nonprofit sectors.

PAD 488  
INTERNSHIP  
1-15, 0/0  
Field experiences that supplement departmental academic offerings; geared to students’ interests. Faculty intern supervisor and department chair permission necessary.

---

PHI 101  
INTRODUCTION TO PHILOSOPHY  
3, 3/0; HU14  
Introduction to the literature and problems of philosophy.
PHI 102
INTRODUCTION TO ETHICS
3, 3/0; HU14
Various views of how we ought to live and how society should be organized, considered in the context of discussions about the "good" life and the "good" society.

PHI 103
INTRODUCTION TO LOGIC
3, 3/0
Prerequisites: None. Introduction to practical reasoning and argumentation relevant to everyday life; recognition, classification, evaluation, and construction of everyday arguments.

PHI 107
INTRODUCTION TO MATHEMATICAL LOGIC
3, 3/0; MQ14
Prerequisite: Basic proficiency in mathematics as specified by the requirements for the Mathematics and Quantitative Reasoning component of Intellectual Foundations. Introduction to two types of mathematical models for assessing the correctness of reasoning. Venn diagrams discussed as geometrical mathematical models for assessing categorical syllogisms. Sentential logic and monadic predicate logic discussed as systems of algebraic mathematical models for assessing the reasoning associated with these systems.

PHI 110
THE MEANING OF LIFE
3, 3/0; HU14
Exploration of a number of fundamental philosophical questions that make their way into everyday life, specifically related to the question, "What is the meaning of my life?" or its Socratic equivalent, "How ought I to live?" Critical analysis of classical and contemporary works—philosophical and autobiographical—develop clearer, more informed, and better-reasoned views about the questions, if not the answers.

PHI 111
ETHICS FOR SCIENTISTS
3, 3/0
Introduction to philosophical ethics with special emphasis on issues pertaining to science. Ethical theories and ethical implications of scientific discoveries. Evolution and ethics, human nature, the fact-value distinction. May include selected topics in applied ethics, e.g. personhood, environmental ethics, bioethics. Offered annually.

PHI 204
PHILOSOPHY OF RELIGION
3, 3/0
Critical analysis of the philosophical assumptions that support religious belief. Focus on problems arising from philosophical assumptions such as the existence of God, omnipotence, omniscience, foreknowledge, and the existence of evil.

PHI 207
PHILOSOPHY IN LITERATURE
3, 3/0
The relationship of philosophy to literature through a consideration of the nature of language, the methods of language analysis, the relation of knowledge to fiction, and the function of myth and metaphor in presenting philosophical ideas. Equivalent course: PHI207W

PHI 210
EXISTENTIALISM
3, 3/0
The problem of the meaning and value of life considered in a context of various philosophical and literary works of religious and nonreligious existentialists, including Kierkegaard, Nietzsche, Heidegger, and Sartre.

PHI 300
PROBLEMS OF PHILOSOPHY
3, 3/0
Selected problems in epistemology, metaphysics, ethics, and certain movements in contemporary philosophy.

PHI 301
HISTORY OF POLITICAL PHILOSOPHY
3, 3/0; WC14
Prerequisite: Upper-division status or one course in philosophy. Examination of moral presuppositions and justifications of forms of government and economic systems, as well as interrelations between government and economics.

PHI 302
PHILOSOPHY OF ART AND BEAUTY
3, 3/0
Prerequisite: Upper-division status or one course in philosophy. The basic concepts presupposed in any critical examination of the arts, including painting, literature, and music.

PHI 304
PHILOSOPHY OF LAW
3, 3/0
Prerequisite: Upper-division status or one course in philosophy. The nature and justification of legal institutions; emphasis on the problem of legal punishment and on the legal enforcement of morality.

PHI 305
PHILOSOPHY OF LANGUAGE
3, 3/0
Prerequisite: Upper-division status or one course in philosophy. Recent works by analytical philosophers in the foundations of language; meaning, reference, and necessity.

PHI 307
SYMBOLIC LOGIC
3, 3/0
Prerequisites: PHI 107 or Instructor Permission. First-order logic with identity and its uses in evaluating ordinary language arguments. Syntax, semantics, and system of natural deduction.

PHI 308
PHILOSOPHY OF LOVE AND SEX
3, 3/0
Prerequisite: Upper-division status or one course in philosophy. Classic and contemporary philosophic theories of the nature, value, and purpose of human love and sexuality; discussions of Plato, Aquinas, Ortega, Sartre, and Kierkegaard; value judgments implicit in the concepts of "good sex," "true love," and the "good" society. May include selected topics in applied ethics, e.g. personhood, environmental ethics, bioethics. Offered annually.

PHI 309
KNOWLEDGE AND JUSTIFICATION
3, 3/0
Prerequisites: One PHI course or Instructor Permission. Investigation of knowledge and justification; topics may include perception, memory, consciousness, reason, and testimony as sources of knowledge and justification, the nature, structure, and scope of knowledge and justification, and skepticism.

PHI 310
HISTORY OF ETHICS
3, 3/0; WC14
Prerequisite: Upper-division status or one course in philosophy. Historical study of the writings of great Western philosophers as they examine ethical questions about self-interest, freedom, duty, and happiness in regard to the moral life. Includes Plato, Aristotle, Kant, Mill, and Hume.

PHI 312
PHILOSOPHY OF MIND
3, 3/0
Prerequisites: One PHI course or Instructor Permission. Investigation of the mind-body problem; Cartesian dualism, logical behaviorism, the identity theory, functionalism, eliminative materialism, property dualism, qualia, and intentionality.

PHI 314
CONTEMPORARY ETHICS
3, 3/0
Prerequisite: Upper-division status or one course in philosophy. Historical and analytical study of important developments in twentieth-century ethical
theory; naturalism, noncognitivism, prescriptivism, rationalism; the ideas of Rawls, Nozick, Gauthier, and Gewirth.

PHI 317
ANCIENT PHILOSOPHY
3, 3/0
Prerequisites: Upper-division status or one course in PHI. Readings in selected primary texts (in translation) of significant philosophers of Ancient Greece and Rome. Particular emphasis on Plato and Aristotle and their contribution to the intellectual development of Western thought.

PHI 318
MODERN PHILOSOPHY
3, 3/0
Prerequisites: PHI 317. Readings in selected primary texts from modern philosophers such as Descartes, Spinoza, Leibniz, Locke, Berkeley, Hume, and Kant; focus on the original visionary contribution of each thinker to the intellectual development of Western thought; learning to read a philosophical work.

PHI 324
ZEN BUDDHISM
3, 3/0
Prerequisite: Upper-division status or one course in philosophy. Zen as a paradoxical method by which suffering of existence is transformed into everyday enlightenment; contemporary practices of Zen and its historical origins in Buddha's "complete and unexcelled" enlightenment and in Lao-tzu's living in harmony with the Tao.

PHI 333
PHILOSOPHY OF NATURAL SCIENCES
3, 3/0
Prerequisites: CWP 102. The structure and nature of science. Epistemological and ontological implications of scientific theories (e.g., quantum mechanics, evolutionary biology). The role of evidence, confirmation, falsification in science.

PHI 334
PHILOSOPHY OF SOCIAL SCIENCES
3, 3/0
Prerequisites: CWP 102. The structure and nature of the social sciences. Epistemological and ontological implications of social scientific theories. Analysis of social constructed facts and institutions. Rational-choice and decision-theory models of explanation.

PHI 347
WESTERN THOUGHT: HOMER TO ALEXANDER
3, 3/0; WC14
Prerequisites: CWP 101 and CWP 102. The development of Hellenic and Hellenistic thought and its influence on the modern world. Examination of tensions between naturalistic, conventional, and religious worldviews. Special emphasis on the role such tensions played in the development of philosophy.

PHI 351
ETHICS BOWL
3, 3/0
Prerequisite: One PHI course or instructor permission. Preparation for a competition in which students are judged on their ability to deploy intricate ethical reasoning in addressing case studies from practical and professional ethics. Students develop well-informed opinions about ethically complex, everyday scenarios, orally present these opinions and supporting arguments, and provide critical oral responses to the arguments of other students and judges. Some students compete in the regional and/or national Intercollegiate Ethics Bowl, others in the Buffalo State Ethics Bowl.

PHI 401
PROBLEMS IN PHILOSOPHY SEMINAR
3, 3/0
Prerequisites: CWP 102, and upper-division status or one PHI course. Intensive analysis of selected topics in philosophy. Offered annually.

PHI 402
SEMINAR IN HISTORY OF PHILOSOPHY
3, 3/0
Prerequisites: CWP 102, PHI 317, and PHI 318. Intensive study of particular figures or periods in the history of philosophy. Offered occasionally.

PHI 495
SPECIAL PROJECT
1-3, 0/0

PHI 498
HONORS RESEARCH
1-3, 0/0

PHI 499
INDEPENDENT STUDY
3-12, 0/0

PHY 100
PHYSICS FOR NON-SCIENCE MAJORS
3, 3/0; NS14, NSIF
A non-mathematical consideration of historical world views in physics and their relevance to society. May not be substituted for PHY 107, PHY 108, PHY 111, or PHY 112. Not open to physics majors.

PHY 103
UNDERSTANDING SOUND
3, 2/2; NS14, NSIF
The basics of sound, intended for non-science majors. Wave characteristics and behavior, applied to sonic phenomena. Interfaces of sound with humans and society (music, hearing, sound production and recording).

PHY 104
PHYSICS FOR K-8 TEACHERS
3, 2/2; NS14, NSIF
Prerequisite: Acceptance to Pre-K-8 teaching majors or pre-majors. High school algebra and writing. Nature of science, energy transfer, force interactions, systems, Newton’s Laws, magnetic, gravitational, light, and thermal interactions, conservation of energy, and simple circuits as appropriate for teachers of K-8 science. Meets National Science Education Standards 5 (NRC) and the New York State Education Department (NYSED) learning standards for Math Science and Technology and elementary and intermediate physical standards (Standard 4). Inquiry-based classroom co-mingles laboratory with lecture.

PHY 105
INTRODUCTION TO PHYSICS
3, 3/0
Builds skills commonly used in physics classes. Class activities designed to help students learn problem-solving skills using mathematical formulations, observation, data taking, data analysis, and theoretical interpretation in the context of physics.

PHY 107
GENERAL PHYSICS I
4, 3/2; NS14, NSIF
Algebra-based study of mechanics, measurement, kinematics, Newton’s laws, gravity, conservation of energy and momentum, and rotation; laboratory.

PHY 108
GENERAL PHYSICS II
4, 3/2
Prerequisite: PHY 107. Algebra-based study of electricity and magnetism: static electricity (including electricity fields and potential), current electricity and circuits, magnetism and electromagnetic interactions; laboratory.

PHY 111
UNIVERSITY PHYSICS I
5, 4/2; NS14
Calculus-based treatment for science majors of particle motion, kinematics, mechanics, Newtonian dynamics, energy transformation, conservation laws of energy and momentum, gravitation, and rotation; laboratory. Required for physics majors.
PHY 112
UNIVERSITY PHYSICS II
5, 4/2
Prerequisite: PHY 111 or equivalent. Continuation of PHY 111. Calculus-based introduction to heat, electricity, magnetism, and optics; laboratory. Required for physics majors.

PHY 189
TOPICS COURSE
1-3, 1-3/0

PHY 213
UNIVERSITY PHYSICS III
3, 3/0
Prerequisites: PHY 111 and PHY 112 or equivalent; calculus. Continuation of PHY 111 and PHY 112. Calculus-based introduction to physical optics, kinetic theory, classical wave motion, and interference phenomena; introduction to special relativity. Required for physics majors.

PHY 304
OPTICS AND VISION FOR TEACHERS AND ARTISTS
3, 2/2; TSIF
Prerequisites: Any college or high school introductory physics course; CWP 101; any first-year MAT or instructor permission. Phenomena of light, vision, color, and photography, as appropriate for teachers of science and visual arts majors. Meets the National Science Education Standards (NRC) and the New York State Education Department (NYSED) learning standards for Math, Science and Technology and elementary and intermediate physical setting standards (Standard 4). Inquiry-based classroom co-mingles laboratory with lecture using handheld apparatus and demonstrations in the lecture theater and take-home laboratory activities using everyday materials. Can be used as a sequence with PHY 104.

PHY 305
MODERN PHYSICS I
3, 3/0
Prerequisites: PHY 111, PHY 112, PHY 213, and MAT 263 or equivalent. Principles of relativity; concepts of waves, particles, atomic structure; introduction to quantum theory. Required for physics majors.

PHY 306
MODERN PHYSICS II
3, 0/0
Prerequisite: PHY 305. Molecular structure; solid state; nuclear physics.

PHY 308
OPTICS
3, 3/0
Prerequisites: PHY 111 and PHY 112 or equivalent; calculus. Fundamentals of geometrical and physical optics; the nature and propagation of light; Fraunhofer and Fresnel diffraction, polarization; single, double slit and grating diffraction, lasers, and holography.

PHY 310
COMPUTATIONAL PHYSICS LABORATORY
3, 1/4
Prerequisites: PHY 111. Introduction to basic computational techniques using physics material from intermediate-level courses. Required for physics majors.

PHY 315
HEAT AND THERMODYNAMICS
3, 3/0
Prerequisites: PHY 111 and PHY 112 or equivalent; calculus. First, second laws; entropy; chemical potential; enthalpy; free energy; Gibbs function; Maxwell relations; phase transitions; and statistical mechanics of classical and quantum distributions.

PHY 320
INTRODUCTION TO THEORETICAL PHYSICS
4, 4/0
Prerequisites: PHY 111, PHY 112, and MAT 263. Introduction to advanced mathematical applications: partial differential equations, complex numbers, special functions, boundary value problems, orthogonal functions and expansions, matrices, and integral transform techniques. Required for physics majors.

PHY 323
STATICS
3, 3/0
Prerequisites: PHY 111 and PHY 112. Application of mechanics to the study of static equilibrium of rigid and elastic bodies. Includes composition and resolution of forces; moments and couples; equivalent force systems, free-body diagrams; equilibrium of particles and rigid bodies; forces in trusses and beams; friction forces; first and second moments of area; moments and product of inertia; methods of virtual work and total potential energy.

PHY 324
ELECTRIC CIRCUIT ANALYSIS
3, 2/2
Prerequisites: PHY 213 and MAT 263. Calculus-based treatment of DC and AC circuits with introduction to commonly used analysis methods; laboratory. Equivalent course: PHY 324W.

PHY 410
ADVANCED PHYSICS LABORATORY
3, 0/6; SCIF
Prerequisite: PHY 305 or equivalent. Selected advanced experiments chosen from the areas of mechanics, thermal physics, sound, optics, electricity and magnetism, and modern physics. Equivalent course: PHY 410W.

PHY 412
PHYSICS SEMINAR
1-3, 1-3/0
Prerequisites: 15 credit hours in physics and MAT 162 or equivalent. Readings, reports, and discussion of current job opportunities and/or problems and research in physics. May be repeated up to three times.

PHY 425
CLASSICAL MECHANICS
4, 4/0
Prerequisites: PHY 320 or equivalent and PHY 410. Vectorial particle mechanics in one, two, and three dimensions; rigid body motions in three dimensions; motion in central force fields; moving reference frames; forced harmonic oscillators; and introduction to mechanics in Lagrangian and Hamiltonian formulation.

PHY 435
INTRODUCTION TO QUANTUM MECHANICS
3, 3/0
Prerequisites: PHY 305, PHY 320, or equivalent and PHY 310. Postulates of quantum mechanics with selected examples; uncertainty principle; operator formalisms; Heisenberg and Schroedinger representations; angular momentum; spin.

PHY 440
ELECTRICITY AND MAGNETISM I
3, 3/0
Prerequisite: PHY 320, MAT 263, or equivalent. Coulomb forces; electric fields and potentials; Laplace equation; boundary value problems and dielectrics; multipole distributions; magnetic induction; introduction to Maxwell's equations.

PHY 441
ELECTRICITY AND MAGNETISM II
3, 3/0
Prerequisite: PHY 440. Continuation of PHY 440. Vector potentials; Faraday's law; magnetism; electromagnetic wave propagation; radiation.

PHY 445
NUCLEAR PHYSICS
3, 3/0
Prerequisites: PHY 305, PHY 320, or equivalent. Nucleons and nuclei; radioactivity; detectors; interaction of nuclear radiation with matter; nuclear reactions; nuclear models and gamma emissions; introduction to high-energy physics.
PLN 215
INTRODUCTION TO URBAN AND REGIONAL PLANNING
3, 3/0; DI14, DIIF
Introduction to the practice, history and theory, critical issues, and tools and methods of planning of urban and regional planning. Topics covered include sustainability, land use, housing, community and neighborhood planning, and transportation.

PLN 225
PLANNING METHODS
3, 3/0
Prerequisites: PLN 215. Introduction to urban and regional planning methods and techniques commonly used in plan-making. Methodological skills, including data collection and analysis; survey design; public participation and engagement; the use of technology such as GIS, SketchUp, Google Earth, and Excel; public speaking; and development of technical writing.

PLN 310
URBAN TRANSPORTATION PLANNING
3, 3/0
Prerequisite: GEG 309 or PLN 315. Comparative study of the modes of transportation, transportation planning, and the benefits and effects of transportation. Emphasis on application to urban transportation. The importance of accessibility to the development of a modern metropolitan transportation system. Equivalent course: GEG 310

PLN 315
PRINCIPLES OF URBAN AND REGIONAL PLANNING
3, 3/0
Prerequisites: PLN 215. Techniques to determine appropriate site design, use of land, and physical development patterns within community planning efforts. Methods to inventory existing land uses, determine locations for future land uses, and examine tools used in the evaluation of sites for development.

PLN 325
MAPS AND MAPMAKING USING GIS
3, 3/0
Maps as essential form of communication. Geographic information systems (GIS) tools for creating digital and hardcopy maps. Spatial thinking, concepts, principles and methods of mapmaking, map development and display using technology. Equivalent course: GEG 325

PLN 330
LAND RESOURCE ANALYSIS AND PLANNING
3, 3/0
Prerequisite: PLN 315. Principles of land resource management with emphasis on land-use patterns, controls and policies. Attention to urban, suburban and rural land-use situations. Offered Alternate Years. Equivalent course: GEG 330

PLN 340
LAND USE PLANNING AND ZONING
3, 3/0
Prerequisite: PLN 215. Composition and administration of site plan local laws, subdivision regulations, and zoning ordinances and their adoption. Practical and legal relationship between current planning and long-term planning. New York state legislation, including relevant environmental regulations.

PLN 341
HOUSING AND REAL ESTATE
3, 3/0
Prerequisite: PLN 315. Housing elements relevant to the professional practice of planning, including the considerations of consumers in selecting communities, neighborhoods and sites; the description, conveyance, and marketable rights associated with real property, forms of home ownership, less conventional housing choices; government policy affecting housing. Investigation of local housing stock, both from the perspective of potential purchaser and historic preservationist.

PLN 350
PLANNING FOR SUSTAINABLE COMMUNITIES
3, 3/0
Prerequisites: PLN 215. Theoretical and methodological examination of the role planning plays in creating sustainable communities. Focus on land use and urban design, housing, green buildings, transportation, food systems, and water resources. Relevant plans and policies at varying geographic scales. Measures of sustainability.

PLN 360
ENVIRONMENTAL IMPACT ASSESSMENT
3, 3/0
Prerequisites: Upper-division status and minimum of 9 credit hours in geography, planning, earth science, biology, or related environmental discipline. Introduction to the legislation and technical procedures involved with the development of Environmental Impact Statements (EIS) and Environmental Assessments (EA); emphasis on practical experience in conducting an EIA and writing an EIS. Field trip.

PLN 370
WATER RESOURCE PLANNING
3, 3/0
Prerequisite: GEG 375 or GES 452. Introduction to water resource planning in the United States. Emphasis on project management and planning processes used by federal water resources agencies. Field trip and group project required.

PLN 380
NEIGHBORHOOD REVITALIZATION
3, 3/0
Prerequisite: PLN 315 or permission of instructor. A study of neighborhood housing conditions, population displacements, gentrification, and historic preservation. Past, present and potential housing programs from various government agencies will be analyzed.

PLN 390
QUANTITATIVE METHODS IN GEOGRAPHY AND PLANNING
3, 3/0
Prerequisites: Upper-division. Introduction to statistical methods with a focus on spatial and time-series data analysis in geography and planning applications. Statistical theory is reinforced through application of commonly used computer software to solve real world problems. Equivalent course: GEG 390

PLN 396
RESEARCH METHODS
3, 3/0
Prerequisites: GEG 390 OR PLN 390, and 6 upper division credits in GEG/PLN courses. Research theories, designs, and methods relevant to conducting research in geography and planning. Research designs and
methodologies for approaches with human subjects, human/social geography, physical geography, field-based research, and planning projects. Development of a research project proposal. Equivalent courses: GEG396, GEG396W, PLN396W

PLN 401
COMPREHENSIVE PLANNING STRATEGIES
3, 3/0
Prerequisites: Upper-division status and PLN 215. The role of comprehensive planning as it influences future patterns of municipal land use. Techniques for identifying issues and reaching consensus on goals for future development. Detailed examination of the process of preparing and adopting a master plan and stakeholder participation, including inter-municipal collaboration.

PLN 405
URBAN ANALYSIS USING GIS
3, 3/0
Prerequisites: GEG 309 and GEG 325; or instructor permission. Data and techniques for analyzing urban systems and urban areas using Geographic Information Systems (GIS). Implementation of urban models introduced in GEG 309.
Equivalent course: GEG405

PLN 410
SUSTAINABLE TRANSPORTATION PLANNING
3, 3/0
Prerequisites: PLN 310. Sustainability and transportation. Evolution of transportation planning goals with respect to "three Es" of sustainability (Equity, Ecology, and Economy). Policies and solutions at local, state, and national levels. Methods for impact assessment.

PLN 412
COMMUNITY PLANNING AGENCIES AND ISSUES
3, 3/0
Prerequisite: PLN 315 and GEG 199 or CIS 101 or competence in computing. The role of the professional planner in a range of government and private agencies; introduction to the tools needed by the professional planner; discussion of planning techniques and issues. Emphasis on professional ethics and the function of staff in a variety of planning agencies.

PLN 415
SEMINAR IN PLANNING
3, 3/0
Prerequisite: PLN 315. Investigation, discussion, and research of topics of current interest in planning or economic development; techniques and methods of analysis used in planning process. Topics vary each semester.

PLN 430
SENIOR THESIS
3, 3/0; OCIF
Prerequisites: GEG/PLN 390 and GEG/PLN 396 C or better and senior geography or planning major. Research in geography or planning presentation of selected research-related topics.
Equivalent courses: GEG430, GEG430W, PLN430W

PLN 431
PLANNING PRACTICUM
3, 3/0
Prerequisites: PLN 225 and senior planning major. Capstone experience; students engage in a group project focused on applying specific knowledge and skills gained in the program to a real world planning problem. Utilizes a project-based research approach to identify a problem or issue and develop a plan to address it.

PLN 488
INTERNSHIP
1-15, 0/0
Prerequisites: PLN 315, 6 credit hours of geography or planning coursework at the upper-division level, minimum cumulative GPA of 2.5, background of courses or experience within area of interest, adviser and department chair permission. Guided, supervised field experiences that complement the academic program.

PLN 495
SPECIAL PROJECT
3, 0/0

PSC - POLITICAL SCIENCE

PSC 101
INTRODUCTION TO GOVERNMENT AND POLITICS
3, 3/0; SS14, SSIF
The nature and scope of political science; ideological foundations of politics; comparative study of the governments of constitutional and developing systems; the development and adaptation of democracy; the dynamics of politics and functions of political institutions.

PSC 102
INTRODUCTION TO AMERICAN GOVERNMENT AND POLITICS
3, 3/0; AH14, AHIF
Historical development of American government and politics. Conceptual studies of the key transformative phases of institutions (U.S. Constitution, federalism, Congress, the courts, the presidency), politics (political parties, interest groups, media, social movements), political economy (regulation, federal bureaucracy) and political culture (citizenship and identity, public opinion, political behavior).

PSC 103
GREAT POLITICAL ISSUES
3, 3/0; SS14, SSIF
Examines great political issues such as civic engagement, civil disobedience, democracy, freedom, equality, ideology, identity, law, morality, and political obligation and discusses them in light of their various historical contexts and political implications.

PSC 203
POLITICAL ANALYSIS
3, 3/0
Prerequisite: PSC 102 or PSC 101. Design, execution, and interpretation of research in the field of political science including quantitative and qualitative research methods, theory building, and constructing and testing hypotheses; data collection techniques including survey research methods.
Equivalent courses: PSC203W, PSC300

PSC 204
POLITICAL STATISTICS
3, 3/0
Prerequisite: PSC 102 and PSC 203. Introduction to quantitative political science research methods, univariate, bivariate and multivariate analysis, statistical inference, sampling, hypothesis testing, measures of association, tests of statistical significance and model assumptions.
Equivalent course: PSC301

PSC 210
THE AMERICAN PRESIDENCY
3, 3/0
The contemporary presidency, constitutional roles, political powers and the factor of personality, the executive and other political and social institutions, problems and prospects for the presidency.
Equivalent course: PSC210W

PSC 215
URBAN GOVERNMENT
3, 3/0
Introduction to the political economy of urban areas in the United States; focus on explanation of current urban public policies; public vs. private political power, bureaucracy, citizen organization.
Equivalent course: PSC215W

PSC 218
AFRICAN AMERICAN POLITICAL CULTURE
3, 3/0
Political beliefs, attitudes, and practices that pertain to African American politics in a cultural context; causality and linkage inherent in the reciprocal relationship between African Americans and the American political system.
Equivalent courses: AAS218, PSC218W

</table>

The American party systems: two-party competition and third party challenges; suffrage rules and electoral processes; changing patterns of party organization, nomination, campaigning, and finance; party identification and voter behavior; the role of parties in governing; parties and the future of American politics.

The structure and dynamics of politics in major European countries with emphasis on political behavior and political processes; issues of economic and political integration.

The energy situation in both the United States and the international community from political viewpoints; U.S. energy policy, process, and strategies within their economic, physical, and political settings; conflict and cooperation among nations over the rational use of energy resources.

The development of ethnic politics in urban areas of the United States. Political development and conflict among major ethnic, racial, and religious groups, including African Americans, Irish, Italian, Jews, Latinos, Native Americans, and Polish. Contemporary patterns of organization, leadership, strategy, political mobilization; key issues examined, such as affirmative action, school desegregation, and welfare reform.

The development of American Constitutionalism; judicial review and its use throughout history; the Supreme Court's interaction with Congress, the president, and the states; evolving concepts of federalism; development of governmental regulation of private property and contracts; the evolution of the principles of constitutional due process and equal protection.

Prerequisite: Upper-division status. This course provides a cross-cultural, longitudinal perspective of U.S. GLBTQ movements and interest-based organizations. It examines queer legal theory, human rights, and constitu-
tional issues surrounding GLBTQ rights. The course considers GLBTQ
politics in the context of federalism, with examination of federal legislation
such as the Defense of Marriage Act and individual state laws with respect to
GLBTQ rights.
PSC 320
U.S. CIVIL LIBERTIES
3, 3/0
Legal principles influencing the origin and development of our criminal laws
and the way these principles have evolved by court interpretation to accommodate social change and attitudes; the Bill of Rights and due process clause
of the United States Constitution.
Equivalent course: PSC320W
PSC 321
CIVIL PROCEDURE
3, 3/0
Prerequisites: Junior or Senior standing. Imparts knowledge of, interest in
and an appreciation for the civil litigation process in the federal and state
court systems of the United States and provides students with a guided tour
of the litigation process including but not limited to: pre-complaint actions,
subject and personal jurisdiction, complaints and answers, pre-trial motions,
discovery, dispositive motions, trial preparation and organization, jury selection and appeal decisions.
PSC 325
POLITICS OF WELFARE
3, 3/0
America's social insurance and support systems. Major welfare programs
including social security, veterans' benefits, tax expenditures, food stamps,
subsidized education, and military retirement; the costs and benefits of
America's welfare system.
PSC 326
POLITICS AND MEDIA
3, 3/0
The relationship between the mass media and contemporary American
politics, its impact on voting behavior, and the role of the media in the presidential and congressional elections.
PSC 327
PRACTICAL POLITICS
3, 3/0
Classroom and extra-classroom experience and interaction with political
practitioners; participation in quasi-political organizing, campaigns and elections, and day-to-day operations of government and politics.
PSC 330
AMERICAN FOREIGN POLICY
3, 3/0
Prerequisite: PSC102. Basic ideas that shape American foreign policy; isolationism, domestic and international pressures, cold war, peaceful coexistence
and détente, major problems.
Equivalent course: PSC330W
PSC 333
AFRICAN INTERNATIONAL RELATIONS
3, 3/0
African international politics vis-à-vis international relations theory, models,
and concepts; power; multipolarity; bipolarity; pan-Africanism; North-South
debate; approaches to international politics; and state and international organizations as international actors.
Equivalent course: AAS333
PSC 335
INTERNATIONAL RELATIONS OF THE MIDDLE EAST
3, 3/0
Patterns of interaction within the Middle East and with other states; problems of security and peace in the region; ideology, nationalism, and economic interests as factors influencing the behavior of the states.
Equivalent course: PSC335W
PSC 336
LATIN AMERICA IN WORLD POLITICS
3, 3/0

246

SUNY Buffalo State Undergraduate Catalog 2016–2017

PSC 337
POLITICS OF GLOBALIZATION
3, 3/0; NW14
Prerequisites: Upper-division status; PSC 101 or PSC 102. Interdependent
global political economy; complex process by which governments, corporations, individuals, and information technology are integrated and interconnected on a global scale; costs vs. benefits of globalization.
PSC 340
POLITICS OF DEVELOPING COUNTRIES
3, 3/0; NW14, NWIF
Prerequisite: PSC 101 or PSC 230. Problems of developing countries, political process, and its relation to societal transformation; the role of the army
and bureaucracy in political development; problems of nation-building and
democracy in developing countries; and globalization.
PSC 341
GOVERNMENT, POLITICS, AND POLICIES OF THE EUROPEAN UNION
3, 3/0
Prerequisites: Upper-division status; PSC 101 or PSC 102 or PSC 240. Government, politics, and policies of the European Union. Origins and development of European integration, European identity, theories of economic
and political integration, treaties and law-making, institutions and decisionmaking, internal and external policies and policy-making.
Equivalent course: PSC341W
PSC 342
RUSSIAN POLITICS
3, 3/0
Prerequisite: PSC 101 or instructor permission. Theory and practice of Russian political institutions and processes in light of Russian history; Soviet
efforts to redirect that history; current political, social, and economic changes in Russia today.
PSC 345
POLITICS AND HISTORY OF THE MIDDLE EAST
3, 3/0
Geographic, cultural, and political settings; historical development since the
nineteenth century; the disintegration of the Ottoman Empire and Western
colonialism; nationalism, independence, and turmoil; Arab-Israeli question;
oil and its impact and problems; great power and inter-area politics.
Equivalent courses: HIS313, PSC345W
PSC 351
HISTORY OF POLITICAL THOUGHT I
3, 3/0; WC14, WCIF
Prerequisite: PSC101 or PSC103. Main problems of political theory examined through the writings of major political thinkers from Plato to Aquinas.
Equivalent course: PSC351W
PSC 352
HISTORY OF POLITICAL THOUGHT II
3, 3/0; WC14, WCIF
Prerequisite: PSC101 or PSC103. Main problems of political theory examined through the writings of major political thinkers from Machiavelli to
Rawls.
Equivalent course: PSC352W
PSC 355
AMERICAN POLITICAL THOUGHT
3, 3/0
American political thought from colonial to contemporary time; the development of persistent political values and beliefs, how interpretations and
applications of these values and beliefs have changed through different
periods; the roots of contemporary American political culture and ideology.
PSC 360
PUBLIC ADMINISTRATION
3, 3/0
Introduction to public administration: analysis of government administration
in its social, economic, and political settings; the role of public administration in formulating public policy; organization and management in public
services; personnel and financial management.
Equivalent course: PAD360


PSC 364
AMERICAN PUBLIC POLICY
3, 3/0
Governmental policy with emphasis on the sources of policy, the policymaking process in national political institutions, and the social impact of policy choices.

PSC 368
COMPARATIVE PUBLIC ADMINISTRATION
3, 3/0
Introduction to cross-cultural, cross-national, or cross-institutional study of public administration institutions and practices; the administrative systems of European countries and the processes of administrative change in developing countries; the evolution of bureaucracy.
Equivalent course: PAD368

PSC 370
CANADIAN PUBLIC ADMINISTRATION
3, 3/0
Canadian public administration institutions and processes and the development of public policy; the federal level; secondary attention to provincial and local administration and policy; similarities and differences with other administrative systems, especially the United States.
Equivalent course: PAD370

PSC 375
RACE, SEX, AND POLITICS OF MYTH AND STORY
3, 3/0
Prerequisites: Upper-division status and successful completion of English basic skills competency requirement; PSC 101 or PSC 105. The institutional and human force of story in race/sex/politics; legitimizing myths of the U.S. political system; limits to the achievement of consensus in group values and politics; standpoints of race/sex/political privilege and disadvantage; difficulties posed to the regime by the refusal of consent; and the transformation and assumption by citizens of self-government.
Equivalent course: PSC375W

PSC 389
TOPICS IN POLITICAL SCIENCE
3, 3/0
In-depth study of current issues of substantial political significance, such as: public personnel administration, defense policy, computers and political science, environmental policy, political communication, health policy, and human rights.

PSC 390
THE ITALIAN-AMERICAN EXPERIENCE: POLITICS, SOCIETY, & IDENTITY
3, 3/0; DIIF
Examination of the experience of Italians in the United States from an interdisciplinary perspective beginning with the peak years of emigration (1870-1920) including the culture, society, economy, and government of Italy (push factors) and the promise of America (pull factors). Identity, citizenship, worldview, family structure, expressive culture, politics, economics, crime, and social relations in the Italian-American community.
Equivalent course: PSC390W

PSC 399
RESEARCH SKILLS
1, 1/0
Prerequisites: PSC 203, PSC 204, and junior or senior standing; or instructor permission. Preparation to study selected topics in political science through in-depth examination and analysis.

PSC 410
POLITICAL BEHAVIOR AND PUBLIC OPINION
3, 3/0
Conditions of democratic political behavior, opinion formulation in democratic systems, voting behavior and party affiliation in the United States, mass political behavior and governmental institutions, mass political behavior in selected western European societies.
Equivalent courses: SOC406, SOC440

PSC 415
URBAN PUBLIC POLICY
3, 3/0
Prerequisite: Upper-division status. Urban problems and government policy responses to them; economic development, poverty, and crime; roles of all levels of government; policy analysis.

PSC 420
CONTEMPORARY CONSTITUTIONAL ISSUES
3, 3/0
Recent developments in American constitutional law; comparison of the Warren, Burger, Rehnquist, and Roberts courts; First Amendment liberties and rights; the rights of the accused and criminal due process; equal protection and African Americans; reapportionment and representation; the president and national security.
Equivalent course: PSC420W

PSC 421
DISCRIMINATION AND THE U.S. CONSTITUTION
3, 3/0
Prerequisite: Junior or Senior standing. The role the equal protection clause plays in prohibiting and allowing discrimination in the United States. The development of equal protection jurisprudence throughout the past century and a half. The reach and potentialities of equal protection analysis: fundamental rights, suspect classes, expansion and retraction.

PSC 450
CONTEMPORARY POLITICAL THOUGHT
3, 3/0
Central problems of political philosophy (such as equality, freedom, justice, and political obligation) as discussed by contemporary philosophers.
Equivalent course: PSC450W

PSC 470
SENIOR SEMINAR
3, 3/0; OCIF
Prerequisites: PSC 203, PSC 204, PSC 399, and junior or senior standing; or instructor permission. Selected topics in political science examined and analyzed in depth.
Equivalent course: PSC470W

PSC 485
MOOT COURT
3, 3/0; OCIF
Prerequisite: Upper-division status or permission of instructor. Simulation of a trial court or appellate court proceeding involving teams of students acting as prosecutors’/plaintiffs’ attorneys, defense attorneys, and witnesses. Students develop case strategy, analyze evidence, integrate legal precedent, prepare a written brief, question witnesses, and present oral arguments to the court in opening and closing statements. Final project is a mock trial presentation held in a formal courtroom setting.
Equivalent courses: CRJ485, SOC485

PSC 488
INTERNSHIP
1-15, 0/0
Prerequisites: PSC 203, 204, and 399. Field experiences that supplement departmental academic offerings; geared to students’ interests. Faculty intern supervisor and department chair permission necessary.

PSC 495
SPECIAL PROJECT
1-3, 0/0

PSC 497
WASHINGTON SEMESTER
1-16, 0/0
State University of New York’s Washington semester program. Class, work, seminars, and internship work; selection based on college-wide competition; contact Political Science Department chair for information and application forms.

PSC 499
INDEPENDENT STUDY
3-12, 0/0
PSY 101
INTRODUCTION TO PSYCHOLOGY
3, 3/0; SS14, SS1F
Introduction to the scientific study of psychology; research methodology; genetic, biological, cultural, and environmental influences on behavior; perception, learning, memory; intelligence; maturation; motivation; emotion; stress and coping; personality; social processes and psychopathology. Required for psychology majors.

PSY 205
INDEPENDENT READING
1, 0/0
Prerequisites: PSY 101 grade of C, and permission of instructor. Supervised readings on a specific topic in psychology chosen mutually by the student and faculty supervisor at the time of registration.

PSY 304
LEARNING: THEORY AND RESEARCH
3, 3/0
Prerequisite: PSY 101 grade of C. Theories of learning and the scientific investigation of the learning process; the psychological correlates of learning, memory and attention, empirical laws and principles and their derivation from research on humans and animals; theoretical explanations of the learning process.

PSY 306
STATISTICS IN PSYCHOLOGICAL RESEARCH
3, 3/1
Prerequisite: PSY 101, grade of C. Completion of the IF mathematics and quantitative reasoning requirement. Intensive study of the major descriptive and inferential statistics used in psychological research; graphic and tabular presentation of data, measures of central tendency and dispersion, probability theory, t-tests, analysis of variance, chi-square, correlation techniques; experimental design. Required for psychology majors. Completion of PSY 306 with a grade of C or better is a prerequisite for the required major course PSY 450.

PSY 308
SENSATION AND PERCEPTION
3, 3/0
Prerequisite: PSY 101, Grade of C. Major facets of perceptual functioning, from sensory processes to complex perceptual integrative processes. Emphasis on basic concepts such as physiological correlates of perception, empirical laws and principles, and theoretical explanation of perceptual processes and their determinants.

PSY 311
PERSONALITY: THEORY AND RESEARCH
3, 3/0
Prerequisite: PSY 101, Grade of C. Theoretical problems, methods, and empirical findings related to the development of an adequate theory of personality development and function; problems of theory construction, major theoretical approaches, personality determinants, and personality assessment; empirical research.

PSY 321
COMPARATIVE ANIMAL BEHAVIOR
3, 3/0
Prerequisite: PSY 101, Grade of C. The study of animal behavior from a psychological perspective; current theoretical models; evolution and adaptive functions of sexuality, predator-prey interactions, evolution of social organization, territoriality, dominance, aggression, learning, and instinct.

PSY 325
SOCIAL BEHAVIOR
3, 3/0
Prerequisite: PSY 101, grade of C. Theoretical and empirical examination of the role of social factors on an individual's behavior; attitude formation and change, affiliation, attribution process, interpersonal attraction, small-group dynamics, aggression, conformity, leadership, and competition.

PSY 327
ADULT DEVELOPMENT AND AGING I
3, 3/0
Prerequisite: PSY 101, grade of C. Introduction to human development and change throughout early, middle, and late adulthood; current psychological theory and empirical evidence on patterns of aging, problems of aging, and benefits of aging; social, psychological, and biological determinants of adult development; cognitive change; personality change; family relations; life satisfaction; the stigma of old age.
Equivalent course: PSY 327W

PSY 330
THE PSYCHOLOGICAL POWER OF LANGUAGE
3, 3/0
Prerequisites: PSY 101, Grade of C. Study of language from a psychological science standpoint. Properties of human languages; how language is represented in mind and brain; how it is acquired; whether it is specific to humans; relationship between language and culture; verbal and non-verbal aspects of how language is used to communicate.

PSY 340
COGNITIVE PSYCHOLOGY
3, 3/0
Prerequisite: PSY 101, Grade of C. Introduction to research and theoretical issues in cognitive psychology, history of memory and thought, acquisition of information, attention, short-term and long-term memory, pattern recognition, speech perception, space perception, and higher-order mental processes.

PSY 355
LIFESPAN DEVELOPMENTAL PSYCHOLOGY
3, 3/0
Prerequisite: PSY 101, Grade of C. Psychological, biological, and social factors that affect psychological development throughout the lifespan; physical development, language acquisition, cognitive development, social development, personality development, morality and changing life tasks; genetic, cultural, and experiential determinants of development.

PSY 356
CHILD DEVELOPMENT
3, 3/0
Prerequisite: PSY 101, Grade of C. Psychological, social, and biological factors that affect development from conception through preadolescence; comprehensive exposure to research findings and theories in child development: Physical development, language acquisition, cognitive development, social and emotional development, and moral development; mechanisms of developmental change such as genetic, cultural, historical, and experiential influences.

PSY 357
ADOLESCENT AND YOUNG ADULT DEVELOPMENT
3, 3/0
Prerequisite: PSY 101, Grade of C. Current theoretical and empirical understandings of the transitions from early adolescence to young adulthood; multidisciplinary approach; biological, psychological, and social factors emphasized. Biological, cognitive, interpersonal, self-concept, family, academic, and career transitions as well as psychosocial problems encountered.

PSY 365
PSYCHOLOGY IN THE WORKPLACE
3, 3/0
Prerequisite: PSY 101, Grade of C. Theory and research in industrial/organizational psychology emphasizing personnel selection, classification, placement, training, and development; work motivation, job satisfaction, factors that influence productivity, leadership, and organizational theory.

PSY 367
ORGANIZATIONAL BEHAVIOR
3, 3/0
PSY 370
ENVIRONMENTAL PSYCHOLOGY I
3, 3/0
Prerequisite: PSY 101, Grade of C. Environmental psychology and the role of physical environment on behavior; physical environment-behavior relation, research methods, territoriality, privacy, crowding, environmental perception and attitudes, pollution and behavior, buildings and behavior.

PSY 375
FORENSIC PSYCHOLOGY
3, 3/0
Prerequisite: PSY 101, Grade of C. Application of psychological knowledge to the civil and criminal justice systems; research endeavors that examine aspects of human behavior as well as the professional practice of psychology within the legal system; clinical, applied and research activities of psychology and law.

PSY 376
HEALTH PSYCHOLOGY
3, 3/0
Prerequisite: PSY 101, C or Better. Theory and empirical research in the psychology of stress, coping, and health; health psychology, major physiological systems, components of stress, relationship of stress to health, physical and psychological consequences of stress, social support systems, coping with life crises, relaxation techniques, psychological intervention and treatment, and the holistic health model.

PSY 381
PSYCHOLOGY OF CULTURE
3, 3/0
Prerequisite: PSY 101, C or Better. Similarities and differences in behavior cross-culturally; the dimensions along which individuals vary between cultures; the issues involved in conducting cross-cultural research; differences and similarities between cultures in the areas of the self and personality, conformity, obedience, aggression, attachment and child-rearing; abnormal psychology and culture-bound syndromes, and interpersonal and group relations.

PSY 382
PSYCHOLOGY OF THE CONSUMER
3, 3/0
Prerequisite: PSY 101, C or Better. Psychology of consumer behavior; psychological theory and measurement techniques as tools for understanding consumer behavior. Relevant material from learning, perception, attitude formation, personality, and motivation literature as it describes consumer decision making.

PSY 383
THE PSYCHOLOGY OF HUMAN SEXUAL BEHAVIOR
3, 3/0
Prerequisite: PSY 101, C or Better. Psychological aspects of human sexuality; historical views of human sexuality; sex research; physiology of sex; gender identity; puberty; early learning of sexuality; heterosexuality, homosexuality, and bisexuality; ways of sex; sexual minorities; social and legal issues of sex; portrayal and handling of sex in the media; sexual difficulties; eroticism; social-psychological attitudes toward sex; future trends of sexuality.

PSY 384
PSYCHOLOGY OF AGGRESSION AND VIOLENCE
3, 3/0
Prerequisite: PSY 101, C or Better. Reasons for aggression; biological vs. environmental causes of aggression; definitions and scientific study of aggression; methods to control aggression.

PSY 387
PSYCHOLOGY OF GENDER
3, 3/0; DI14, DIIF
Prerequisite: PSY 101, C or Better. Empirical and theoretical issues of the psychology of gender issues; differences in female and male behavior in terms of such social factors as conformity to societal pressures, sex-role stereotyping, and gender-specific socialization patterns; biological influences on gender differences; development of sex differences; gender-role development; sex differences in cognition, personality, achievement, and leadership.
delay in newborns and infants, early intervention for high-risk infants and their families, psychological issues of parenting the high-risk infant.

PSY 421
PHYSIOLOGICAL PSYCHOLOGY
3, 3/0
Prerequisites: PSY 101 grade of C, and 3 credit hours of psychology. The brain and nervous, endocrine, and immune systems, and their relationship to animal and human behavior; psychosurgery, physiological basis of language, intelligence, emotion, motivation, learning, sexuality, abnormal behavior, perception, and motor behavior.

PSY 427
ADULT DEVELOPMENT AND AGING II
3, 3/0
Prerequisites: PSY 101 grade of C, and PSY 327. Complex psychological issues pertaining to late-life development and adjustment; theoretical and applied issues, research methodologies, empirical data in relation to cognitive processes, personality, self-conceptions, social contexts, clinical assessment and intervention, and cultural influences on the behavior of older adults.

PSY 430
PSYCHOLINGUISTICS
3, 3/0
Prerequisites: PSY 101 Grade of C, and PSY 330 or PSY 340. Empirical approach to how we produce and understand language. Major theories, looking at language sounds, words, sentences, conversation, and discourse. Integrates language representation and processing into the general framework of cognitive science. Includes laboratory exercises and final project.

PSY 432
HUMAN MOTIVATION AND EMOTION
3, 3/0
Prerequisites: PSY 101 Grade of C, and PSY 304 or PSY 376. Motivation and the fundamental, empirical, and logical basis for its postulation and use in psychological explanations of animal and human behavior; motivation and how motivational processes interact with other psychological processes.

PSY 440
ADDITIVE BEHAVIORS
3, 3/0
Prerequisites: PSY 101 Grade of C, and PSY 311; PSY 411 recommended. Etiology, prevention, and treatment of addictive behaviors, emphasizing biological, psychological, and social factors; dependence on alcohol, nicotine, and other drugs, as well as gambling, eating disorders, and compulsive sexual behavior.

PSY 441
INTRODUCTION TO NEUROPSYCHOLOGY
3, 3/0
Prerequisites: PSY 101 Grade of C, and 3 credit hours of psychology. The relationship between human brain function and behavior; functional anatomy of the brain; experimental and clinical techniques employed by neuropsychologists to uncover brain-behavior relationships.

PSY 450
RESEARCH METHODS IN PSYCHOLOGY I: INTRODUCTION TO RESEARCH METHODS
3, 2/2
Prerequisites: PSY 306 with a grade of C or better; completion of Mathematics and Quantitative Reasoning IF (general education) requirement. Laboratory investigation in the behavioral sciences; higher-order correlational and parametric statistics, various approaches to research, and the interpretation and communication of research findings. Laboratory experiences to illustrate course content. Requires minimum of five laboratory exercises and reports. Required for psychology majors. Equivalent course: PSY 450W

PSY 460
ADVANCED LEGAL PSYCHOLOGY
3, 3/0
Prerequisites: PSY 101 Grade of C, and PSY 375 or PSY 325. How behavior in legal contexts is influenced by social psychological, cognitive, and developmental processes. Social and cognitive influences on eyewitness testimony and memory, false confessions, jurors’ decision making and evaluation of trial evidence, social influence among jury members, children’s participation in the legal system, and discrimination in the legal system.

PSY 466
PERSONNEL PSYCHOLOGY
3, 3/0
Prerequisites: PSY 101 grade of C, and PSY 365 or PSY 367. Problems, tools, and strategies involved in applying psychological principles to personnel selection, placement, training, and assessment in organizations; the roles of personnel psychologists, job analysis, developing performance criteria for jobs, performance appraisal, interviewing, the uses of employment testing, predicting job success, training programs, and social and ethical issues in personnel psychology.

PSY 471
HISTORY AND SYSTEMS OF PSYCHOLOGY
3, 3/0
Prerequisites: PSY 101 Grade of C, and 6 credit hours of psychology. History of the emergence of modern psychology from pre-Socratic thought to the present. Emphasis on systematic examination of psychology’s historical roots as expressed in contemporary theories and models. Required for psychology majors. Equivalent course: PSY 445

PSY 472
SEMINAR ON PSYCHOLOGY
3, 3/0; OCIF
Prerequisites: PSY 101 Grade of C, PSY 306, PSY 450, and 6 credit hours of psychology. Topics areas for each course vary and are announced prior to student enrollment. Coursework involves the study of basic theoretical principles and empirical laws of different psychology content areas; individual presentations on relevant topics. Required for psychology majors. Equivalent course: PSY 472W

PSY 480
PSYCHOTHERAPY: THEORY, RESEARCH, AND PROCEDURES
3, 3/0
Prerequisites: PSY 101 Grade of C, and PSY 311; PSY 411 recommended. The contribution of psychology to the practice of psychotherapy; theory, research, and clinical applications; the scientist-practitioner model; major theories of psychotherapy; the social impact of therapy; research support for major therapy systems; ethical issues.

PSY 481
PSYCHOLOGICAL TESTS AND MEASUREMENTS
3, 3/0
Prerequisites: PSY 101 Grade of C, and PSY 306. Issues and problems surrounding psychological testing. Test reliability, validity, construction, administration, norms, and interpretation; commonly used intelligence, personality, neuropsychological, and personnel-assessment techniques. Provides limited practicum experiences.

PSY 488
INTERNSHIP
3-15, 3/0
Prerequisite: Approval of the faculty supervisor. Supervised field experience in a variety of settings to supplement classroom instruction.
PSY 499
INDEPENDENT STUDY
3-12, 0/0
Prerequisite: Faculty adviser permission.

REL 104
INTRODUCTION TO RELIGIOUS STUDIES
3, 0/0; HU14, HUIF
Introduction to the rational study of religion, including religious practices and philosophies and concepts basic to religious experience. Equivalent course: PHI104

REL 105
INTRODUCTION TO CHRISTIAN THOUGHT
3, 3/0; WC14, WCIF
A study of Christian thought from its origins to the present, and its influence on the literature, art, architecture, music, government, education, and lifestyle of Western civilization. Equivalent course: PHI105

REL 121
INTRODUCTION TO JEWISH THOUGHT
3, 3/0; WC14, WCIF
Examination of basic Judaism, major trends in Jewish thought, the Bible, and its influence on Western Civilization; Jewish ideas of God, time, Messiah, and history and their influence on Western Civilization. Equivalent course: PHI112

REL 205
INTRODUCTION TO THE OLD TESTAMENT
3, 3/0; HU14, HUIF
The Old Testament, the backgrounds and cultures from which it grew, and the philosophies and literature it contains.

REL 206
INTRODUCTION TO THE NEW TESTAMENT
3, 3/0; HU14, HUIF
Introduction to the New Testament, with emphasis on its literary content, the society from which it emerged, the structures and varieties of its literary contemporaries, and the tools necessary for understanding it.

REL 303
WOMEN IN GLOBAL RELIGIONS
3, 3/0; NW14, NWIF
A study of women in world religions, with special attention to the effects of patriarchal religious institutions and religious myths that influence their lives. Feminist contributions to global religious thought and practice, and their effects upon the developing world.

REL 306
WRITINGS OF JOHN
3, 3/0
Historical and literary background of St. John’s Gospel, the letters of John, and the Book of Revelation; the content of the gospel, its major theological themes, and its distinctive contributions to Christian thought.

REL 321
WORLD RELIGIONS
3, 3/0; NW14, NWIF
A study of various world religions, such as Hinduism, Buddhism, Taoism, Confucianism, Shinto, Judaism, Christianity, and Islam, along with Native American, traditional African, and other oral religions.

REL 329
CONTEMPORARY CHRISTIAN THOUGHT
3, 3/0
Prerequisite: Upper-division status or one course in religion. Worship, ministry, and theology of various Christian traditions and the context in which they developed, from the sixteenth to the twentieth centuries; contemporary challenges to Christianity.

REL 332
MYSTICISM
3, 3/0
Prerequisite: Upper-division status or one course in religion. Introduction to some of the major mystical disciplines of the world, such as Zen, Christian, Jewish, Sufi, European, Far Eastern, African, and Native American mysticism; their underlying philosophies.

REL 488
INTERNSHIP
1-12, 0/0
Prerequisites: Upper-division status; minimum cumulative GPA of 2.5, with at least one-third of philosophy major or religious studies minor coursework completed. Supervised field experience (experiential learning) consisting of supervised on-site activities and an academic component consisting of training sessions, seminars, and reports.

REL 499
INDEPENDENT STUDY
3-12, 0/0
Prerequisites: Sophomore, junior, or senior status and minimum cumulative GPA of 2.5 (overall, previous semester, and in major courses). Studies arranged and meeting hours undertaken individually with instructor.

SAF 305
FUNDAMENTALS OF SAFETY
3, 3/0
Fundamentals of accident prevention as applied to areas of living, with consideration of human and environmental factors, legal aspects, and home and fire safety. Equivalent course: SAF400

SAF 310
PERSONAL SAFETY AND FIRST AID
3, 3/0

SAF 320
PRODUCT SAFETY
3, 3/0
Product safety, agencies that control the manufacture and distribution of dangerous products, product safety laws and legal liability, product-injury data, evaluative criteria, product testing, determining standards for safety.

SAF 333
OCCUPATIONAL SAFETY
3, 3/0
Hazards in the workplace, with emphasis on various accident-prevention methods and techniques for employees and management; The Occupational Safety and Health Act (OSHA) of 1970.

SAF 340
COMMUNITY SAFETY
3, 3/0
Human and environmental factors affecting community safety, accident prevention and control principles, agencies and organizations, safety laws and ordinances, standards and codes, legal liability and insurance, disaster and emergency medical care, safety in places of public assembly, recreational facilities, transportation systems. Required for safety minors.

SAF 360
INDUSTRIAL HYGIENE
3, 3/0
Introduction to industrial hygiene; detection, recognition, evaluation, and control of factors emanating from a workplace that may impair health, cause discomfort, illness, or disease, and/or reduce efficiency of workers and the community.
SAF 431
ORGANIZATION, ADMINISTRATION, AND SUPERVISION OF INDUSTRIAL ACCIDENT PREVENTION PROGRAMS
3, 3/0
Prerequisite: SAF 430 (R). Methods and techniques of efficient industrial accident prevention programs; corporate responsibility, employee responsibility, and complex psychological relationships that affect the typical program.

SAF 450
MOTOR FLEET SAFETY MANAGEMENT
3, 3/0
Fleet management techniques and their application; scope and functions of the motor fleet safety supervisor; federal, state, and local laws and regulations; selection and maintenance of equipment; customs and public relations.

SAF 499
INDEPENDENT STUDY
3, 0/0

SCI 100
CONTEMPORARY SCIENCE
3, 3/0; NS14, NSIF
Introduction to the role of science in contemporary society. Emphasis on the process of science for solving problems and organizing information to understand science and technology. Contemporary issues and case studies illustrate the methods of science.
Equivalent course: HON102

SCI 105
PHYSICAL SCIENCE FOR NONSCIENCE STUDENTS
3, 3/0; NS14, NSIF
Activity-centered approach to the physical sciences. Extensive use of materials designed for students interested in a non-technical analysis of the nature and procedures of science.

SCI 125
INTRODUCTION TO COLLEGE SCIENCE AND MATHEMATICS
3, 2/2
Prerequisite: Participate in the Math Science Upward Bound Regional Center Program. Six-week residential program in which high school students are initiated into a college-level learning community. Introduces scientific inquiry in the context of three college-level disciplines: aquatic ecology, physics, and mathematics. Data collection and presentation, scientific writing, and research techniques.

SCI 200
FIELD EXPERIENCE IN SECONDARY SCIENCE EDUCATION
3, 2/2
Classroom and field experience designed to help students make a better-informed decision if they are contemplating a career in secondary science education. A 30-hour field component is required for each student enrolled. Required for all secondary education science majors.
Equivalent courses: FLE200, MED200, SED200

SCI 231
POLUTION, THE ENVIRONMENT, AND SOCIETY
3, 3/0; NS14, NSIF, TSIF
Scientific and societal implications of present-day global environmental problems, such as ecology, global warming, population, and pesticides. Causes and effects of, and possible solutions to, worldwide environmental problems, with implications from conservation, chemistry, health, and society.
Option in environmental major
Equivalent course: SCI231W

SCI 232
ENERGY, ENVIRONMENT, AND SOCIETY
3, 3/0; NS14, NSIF
Regional and global energy use and issues; environmental, economic, individual, and societal perspectives; major energy alternatives.
Equivalent course: SCI232W

SCI 300
TEACHING SCIENCE IN THE MIDDLE SCHOOL
3, 3/0
Prerequisites: SED 200 or equivalent, enrollment in an elementary or secondary education program, junior standing. Interaction with middle school interdisciplinary teams of teachers and their students, other members of the middle school, college faculty, and invited speakers. Stakeholders work together to facilitate learning about diverse learners and their preferred learning styles; develop a management plan and prepare a variety of assessments, develop an appreciation for the components of the middle school community, including interdisciplinary teams, finding and using community resources, and the school as a community. Field experience at the middle school level.
Equivalent course: SED310

SCI 310
PROBLEM SOLVING IN PHYSICAL SCIENCE
3, 3/0
Prerequisites: A college-level course in a science other than biology; upper-division status. Inquiry-based course for elementary pre-service candidates. Investigation of the life sciences through problem solving, laboratory activities, simulations, and explorations. Option in elementary education science concentration.

SCI 311
PROBLEM SOLVING IN LIFE SCIENCE
3, 3/0
Prerequisites: A college-level course in biology; upper-division status. Inquiry-based course for elementary pre-service candidates. Investigation of the life sciences through problem solving, laboratory activities, simulations, and explorations. Option in elementary education science concentration.

SCI 312
PROBLEM SOLVING IN EARTH SCIENCE
3, 3/0
Prerequisites: A college-level course in earth science; upper-division status. Inquiry-based course for elementary pre-service candidates. Investigation of the earth sciences through problem solving, laboratory activities, simulations, and explorations. Option in elementary education science concentration.

SCI 313
PROBLEM SOLVING IN ENVIRONMENTAL SCIENCE
3, 3/0
Prerequisites: A college-level course in environmental science; upper-division status. Inquiry-based course for elementary pre-service candidates. Investigation of the earth sciences through problem solving, laboratory activities, simulations, and explorations. Option in elementary education science concentration.

SCI 323
SCIENCE AS INQUIRY
3, 3/0
The procedures of science as a search for knowledge of natural phenomena; comparison with other methods of inquiry; implications for nonscientists. Option in elementary education science concentration. Required for 3-6 extension.
Equivalent course: SCI323W

SCI 335
OUTDOOR SCIENCE EDUCATION
3, 2/2
Prerequisite: One introductory environmental science course. Interdisciplinary approach to outdoor science education; basic concepts of natural history in classroom and field; extended field trips to the college camp. Option in environmental science major.

SCI 340
SCIENTIFIC STUDIES IN ENVIRONMENTAL POLLUTION
3, 3/0
Prerequisites: 9 credit hours of science and 3 credit hours of environmental science, or permission of instructor. In-depth examination of various types of environmental pollution. A field-based project is used to illustrate data-collection techniques. Option in environmental science minor.
Equivalent course: SCI340W

SCI 445
LITERACY FOR TEACHING SCIENCE
3, 2/2
Prerequisites: SED 200, EDF 303, EDU 416, and accepted into a teacher certification program. Study of literacy related to secondary science. Candidates will practice promotion of literacy, conduct an action research project on identifying literacy levels of students, and plan literacy activities based on data collection.
SED - SCIENCE EDUCATION

SED 200
FIELD EXPERIENCE IN SECONDARY SCIENCE EDUCATION
3, 2/2
Classroom and field experience designed to help students make a better-informed decision if they are contemplating a career in secondary science education. A 30-hour field component is required for each student enrolled. Required for all secondary science education majors.
Equivalent courses: FLE200, MED200, SCI200

SED 310
TEACHING SCIENCE IN THE MIDDLE SCHOOL
3, 2/2
Prerequisites: SED 200 or equivalent enrollment in an elementary or secondary education program, junior standing. Interaction with middle school interdisciplinary teams of teachers and their students, other members of the middle school, college faculty, and invited speakers. Stakeholders work together to facilitate learning about diverse learners and their preferred learning styles; develop a management plan and prepare a variety of assessments, develop an appreciation for the components of the middle school community, including interdisciplinary teams, finding and using community resources, and the school as a community. Field experience at the middle school level.
Equivalent course: SCI310

SED 401
TECHNIQUES FOR TEACHING LABORATORY ACTIVITIES IN THE SECONDARY SCIENCE CLASSROOM
3, 0/6
Prerequisites: SED 200 (not to be taken concurrently), EXE 372 or concurrently, EDF 303, and two required courses in each of the cognate sciences (lab based); second course in sequence may be taken concurrently. Science education majors learn selected laboratory techniques necessary to teach New York State Regents secondary science classes. Topics include designing cognate science lab activities, ordering and maintaining supplies/equipment, storage, safety, preparation of materials, lab set-up, and measurement techniques. Exploration of external influences and pressures in education. A field component of 30 science laboratory contact hours is required for each student enrolled.

SED 405
METHODS AND MATERIALS IN TEACHING SECONDARY SCHOOL SCIENCE
3, 2/2
Prerequisites: Minimum 2.75 GPA in science major (3.0 in earth sciences); SED 401, EDU 417 (may be concurrent). The components of an effective teaching-learning situation in a science (grades 7-12) classroom. Interrelationships of secondary science programs, micro-teaching experience and 40 hours of fieldwork.
Equivalent courses: FLE405, SED405W

SED 407
PRACTICE TEACHING SCIENCE IN THE MIDDLE SCHOOL
6, 0/0
Prerequisites: SED 405 (minimum grade of B), minimum cumulative 2.75 grade point average in major coursework (3.0 in earth sciences), completion of the NYSTCE LAST exam, successful completion of English and mathematics basic skills competency. If referred, satisfactory completion, or exemption from, SLA 100, Student Speech Clinic. Teaching under supervision at least five days a week for one quarter in a middle school science classroom; individual and group instruction; planning unit teaching; classroom management and routine classroom procedures; audiovisual aids, computer technology, evaluation and assessment of student progress; participation in total school program. A series of student teaching seminars.
Equivalent courses: FLE407, MED407

SED 408
PRACTICE TEACHING SCIENCE IN THE HIGH SCHOOL
6, 0/0
Prerequisites: SED 405 (minimum grade of B), minimum cumulative 2.75 grade point average in major coursework (3.0 in earth sciences), completion of the NYSTCE LAST exam, successful completion of English and mathematics basic skills competency. If referred, satisfactory completion, or exemption from, SLA 100, Student Speech Clinic. Teaching under supervision at least five days a week for one quarter in the high school science classroom; individual and group instruction; planning unit teaching; classroom management and routine classroom procedures; audiovisual aids, computer technology, evaluation and assessment of student progress; participation in total school program. A series of student teaching seminars.
Equivalent courses: FLE408, MED408

SED 409
SEMINAR IN SECONDARY SCIENCE EDUCATION
3, 2/2
Prerequisites: SED 405 (minimum grade of B), 2.75 GPA in science major coursework (3.0 in earth sciences), secondary majors SED 407 and SED 408 concurrently; elementary science extension SED 407 concurrently. Assist student teachers in analysis of their “real” classroom experiences from management issues to content presentation. Conflicting philosophies in current education. Portfolio development and ongoing development of personal teaching philosophy and practices. Develop interview techniques and make application for NYS teacher certification. Taken concurrently with SED 407 and SED 408.

SED 488
INTERNSHIP
1-6, 0/0
Prerequisites: Minimum 2.75 GPA and a background of courses or experience within the area of interest. Faculty advisor and department chair permission. Provides guided and supervised field experiences to complement the academic program.

SLP - SPEECH LANGUAGE PATHOLOGY

SLP 100
STUDENT SPEECH CLINIC
1, 0/0
Accent reduction services for non-native speakers of American English. Hours by arrangement.
Equivalent course: SLA100

SLP 101
AMERICAN SIGN LANGUAGE I
3, 3/0
Fundamentals of American Sign Language (ASL), including basic grammatical features, language functions, and finger spelling. Students will gain adequate receptive and expressive skills for communicating with deaf individuals using ASL. Supplemental lectures focus on issues related to deafness, deaf culture, and signed languages.

SLP 102
AMERICAN SIGN LANGUAGE II
3, 3/0
Prerequisite: SLP 101. Continuation of SLP 101. Students gain additional knowledge of American Sign Language (ASL) and the deaf community; increases competence in ASL conversational skills. NOTE: For some majors, SLP 101 AND SLP 102 serve as a foreign language equivalent. Check with your department.

SLP 206
LANGUAGE DEVELOPMENT
3, 3/0; S14, SSIF
Introduction to the nature and scope of language development in children; children's acquisition of language, speech sounds, words, sentence structure, and meaning factors that influence language development. Not open to speech-language pathology majors except by advisement.
Equivalent course: SLA206
### SLP 220
**INTRODUCTION TO COMMUNICATION DISORDERS**  
3, 3/0; NSIF  
Classification and causes of speech, language, and hearing disorders in children and adults; methods of treatment for communication disorders and suggestions for prevention; basic information on typical and atypical speech, language, and hearing development; videotaped observation of individuals presenting various communication disorders. Not open to speech-language pathology majors except by advisement.  
Equivalent course: SLA220

### SLP 302
**CLINICAL PHONETICS**  
3, 3/0  
Production, acoustic analysis, and representation of American English speech sounds, including the various English dialects; application of phonetics to deviations in speech. Students will use International Phonetic Alphabet (IPA) symbols to transcribe typical and atypical speech. Sophomores must obtain permission of instructor.  
Equivalent course: SLA302

### SLP 303
**LANGUAGE ACQUISITION**  
3, 3/0  
Prerequisite: SLP 302. Corequisite: SLP 329. Children’s acquisition of phonology, morphology, syntax, semantics, and pragmatics; structure and function of language of normal children at different levels of development; comparison and contrast of theories of language acquisition. International and cultural variations are considered.  
Equivalent course: SLA303

### SLP 304
**ANATOMY AND PHYSIOLOGY OF SPEECH AND HEARING MECHANISMS**  
3, 3/0  
Anatomy and physiology of normal speech and hearing mechanisms; possible deviations; embryonic development; neurology associated with production and reception of oral language.  
Equivalent course: SLA304

### SLP 305
**COMMUNICATION DISORDERS I**  
3, 3/0  
Prerequisites: SLP 302 and SLP 304. Corequisite: SLP 305. Use of special instrumentation related to articulation, phonology, phonemic awareness in reading and writing, craniofacial anomalies, and fluency disorders, including bilingual and dialectal considerations.  
Equivalent course: SLA305

### SLP 314
**AUDIOLOGY**  
3, 3/0  
Equivalent course: SLA314

### SLP 328
**AUDIOLOGY LAB**  
1, 0/2  
Corequisite: SLP 314. Operation and listening check of the pure-tone audiometer, pure-tone air-conduction threshold testing, screening, otoscopy, tympanometry, and reporting test results.  
Equivalent course: SLA328

### SLP 329
**LANGUAGE ACQUISITION LAB**  
1, 0/2  
Corequisite: SLP 303. Observation of language used by typical children. Practice with procedures to collect and analyze typical language.  
Equivalent course: SLA329

### SLP 400
**LANGUAGE AND LITERACY FOR SPEECH-LANGUAGE PATHOLOGISTS**  
3, 3/0  
Prerequisites: SLP 303 and 329. Role of the speech-language pathologist (SLP) in assessing and treating children with language-based literacy impairments; relationships between speaking, listening, reading and writing; linguistic components required for spoken language and literacy; language-based literacy disorders; assessment and treatment of language literacy impairments.  
Equivalent course: SLA400

### SLP 401
**AURAL REHABILITATION**  
3, 3/0  
Prerequisites: SLP 302, SLP 303, SLP 314. Effects of hearing loss upon speech perception, speech production, and language development; amplification options and intervention strategies for the hearing impaired; classroom acoustics; definition, diagnosis, and management of central auditory processing disorders.  
Equivalent course: SLA401

### SLP 411
**CLINICAL CLINICAL ACTIVITY**  
1, 0/3  
Prerequisites: SLP 302, SLP 305, SLP 412. Etiology, assessment, and intervention techniques related to voice disorders, developmental and acquired motor speech disorders, aphasia, traumatic brain injury, dysphagia, and augmentative communication. Cultural and bilingual issues are considered.  
Equivalent course: SLA411

### SLP 412
**SPEECH ACOUSTICS AND PERCEPTION**  
3, 3/0  
Prerequisites: SLP 302, SLP 304, SLP 314. Corequisite: SLP 428. Study of the scientific principles underlying the physiology, acoustics, and perception of normal speech production as a basis for subsequent understanding of disordered speech. Topics include basic concepts of sound, motor and acoustic theories of speech production, speech perception, instrumentation used to measure speech processes, and application to speech pathology.  
Equivalent course: SLP412

### SLP 424
**SPEECH-LANGUAGE PATHOLOGY PROGRAMS IN SCHOOLS**  
3, 3/0  
Prerequisites: SLP 305, SLP 314, SLP 411. In-depth examination of speech-language pathology in schools, including legislative foundations, current models of service delivery, assessment and intervention procedures, organization and administration of programs, emerging trends shaping the future of school speech-language pathology programs.  
Equivalent course: SLA424

### SLP 428
**ACOUSTICS LAB**  
1, 0/2  
Corequisite: SLP 412. Direct and guided use of special instrumentation essential to the collection, measurement, and/or analysis of the acoustic components of speech sounds. Focus areas are respiration, phonation, articulation, and resonance.  
Equivalent course: SLA428

### SLP 429
**CLINICAL ACTIVITY**  
1, 0/3  
Prerequisites: SLP 303, SLP 305, SLP 314, SLP 411. Observation of evaluation and treatment sessions in speech-language pathology.  
Equivalent course: SLA429

### SLP 495
**SPECIAL PROJECT**  
1-3, 0/0

### SLP 497
**WORKSHOP**  
1-3, 0/0

### SLP 499
**INDEPENDENT STUDY**  
3, 0/0
SOC 100
INTRODUCTION TO SOCIOLOGY
3, 3/0; SS14, SSIF
An introduction to the study of human society, its culture, institutions, processes, and change, including an examination of socialization, and relationships between and among individuals and groups in society. A prerequisite for all other undergraduate courses in sociology (except SOC 240, SOC 310, SOC 312, and SOC 320), and is required of all sociology majors. Useful for students planning careers in which they must interact with people of varying social and economic statuses.

SOC 199
INTRODUCTION TO COMPUTER USE IN THE SOCIAL SCIENCES
3, 3/0
Hands-on introduction to the application of computers to applied social research problems, including a review of past practices, current uses, and future trends; computer analysis of data to develop insights into the ways applied sociologists use computers in their work.
Equivalent courses: GEG199, SST199

SOC 208
SOCIOLOGY OF CONTEMPORARY CHINA
3, 3/0
Contemporary China from various sociological perspectives; brief history of China; recent developments of social structure, cultural values and norms in China; comparison of China and Western societies; practical outcomes of China studies.

SOC 212
FEMINIST THEORY
3, 3/0
Background in feminist social theory and changes in feminism over time. Introduction to theoretical analysis from a feminist perspective.
Equivalent course: WGS212

SOC 240
ANALYZING SOCIAL PROBLEMS
3, 3/0; DI14, DIIF, SS14, SSIF
Analysis of several major social problems selected according to faculty and student needs and interests; a variety of approaches, techniques, and theories will be used.

SOC 250
SOCIOLOGY OF BUFFALO, NEW YORK
3, 3/0
Prerequisite: SOC 100. The city of Buffalo from the perspectives of socio-historical development, socioeconomic conditions, environmental conditions, and neighborhood development. Use of secondary data and field experiences to better understand the condition of the city and its neighborhoods. Includes a field component as part of regular class time and outside assignments. Students complete term papers based on readings, research, and field work.

SOC 300
METHODS IN SOCIAL RESEARCH
3, 3/0
Prerequisite: SOC 100. The nature of scientific evidence, induction, and deduction; the application of scientific methods to sociological data; the use of statistics and other means of data collection; case histories, narrative and descriptive methods; methods of writing for publication; use of social materials from journals and books as illustrative material.
Equivalent course: SOC300W

SOC 301
SOCIAL STATISTICS
3, 3/0
Prerequisite: SOC 100. Statistical methods and reasoning will be used to analyze and clarify sociological information; Also, operationalizing variables; database management; probability; descriptive statistics; inferential statistics; and data presentation. Software applications, specifically SPSS and SAS, familiarize students with recent and powerful technology in the field.

SOC 302
QUALITATIVE METHODS
3, 3/0
Prerequisites: SOC 100. Introduces students to the basics of conducting qualitative field research. Requires original qualitative research projects. Prepares students for senior-level capstone coursework.
Equivalent course: SOC302W

SOC 310
SOCIOLOGY OF SEX AND GENDER
3, 3/0; DI14, DIIF
Critical examination of the roles women and men play in society; social statuses of women and men will be analyzed historically, comparatively, demographically, theoretically, and biologically; sociological implications of sex inequality in the economy and political systems, marriage, family relationships, and other social roles.

SOC 312
WOMEN IN SOCIETY
3, 3/0; DI14, DIIF
Multifaceted analysis of women in society; women’s issues in relation to the social and natural sciences; critical examination of modern societies in light of women’s perspectives.
Equivalent course: SOC312

SOC 320
SOCIOLOGY OF THE FAMILY
3, 3/0
Prerequisite: SOC 100. The family as a social institution, its historical development, function and structure, and interaction with other institutions; cross-cultural comparisons are made. The current status of the family, diversity in contemporary American families, as well as stability and change in the life course of families.
Equivalent course: SOC320W

SOC 321
THE AFRICAN AMERICAN FAMILY
3, 3/0; DI14, DIIF
Prerequisite: SOC 100. The relationship of American social institutions and the African American family; familial relations within the African American family. Useful for students who will interact with a diverse population in their careers, e.g., education and service occupations.
Equivalent course: AAS321

SOC 322
SOCIOLOGY OF CHILDHOOD AND YOUTH
3, 3/0
Prerequisite: SOC 100. The social construction of childhood and adolescence; interactive nature of the socialization process; children's production of peer culture; global social problems faced by children and youth.

SOC 323
SOCIOLOGY OF EDUCATION
3, 3/0
Prerequisite: SOC 100. The social organization of education in the U.S. and elsewhere, and schools as social institutions reflecting and influencing society; roles and behaviors of participants in the educational system, including educational goals, theories, philosophies, and methods; educational achievements, historical developments, and future trends.
Equivalent course: SSE323

SOC 324
SOCIOLOGY OF SPORT
3, 3/0
Presents an application of the sociological perspective to sport; focuses on the social organization of sports-related activities; the norms, goals, and values of sport using theoretical frameworks and empirical tools of the social sciences.
Equivalent courses: HEW319, HPR319

SOC 328
SOCIOLOGY OF RELIGION
3, 3/0
Prerequisite: SOC 100. Theories in the sociology of religion will be examined. Emphasis is upon religion and social change; religion in society; church and sect; social class and religion; the role of the minister, priest and rabbi.
Equivalent course: SOC328
SOC 330
SOCIAL PSYCHOLOGY
3, 3/0
Prerequisite: SOC 100. Human motivation and the nature of attitudes, including attitude change and stability; social phenomena, such as interpersonal perception and behavior, role prescriptions and role conflict, prejudice, and conflict resolution.

SOC 331
SOCIOLOGY OF GROUP DYNAMICS
3, 3/0
Prerequisite: SOC 100. The social structure and social dynamics of social groups, including the division of labor, types of leadership, communication and authority structures, social conflict, and social control mechanisms. The relationship of the individual to the group; comparisons of different types of "natural" groups such as family, peers, work groups; and the use of "experimental" groups to investigate various aspects of group life. Equivalent course: AAS351

SOC 333
SOCIOLOGY OF SOCIAL MOVEMENTS
3, 3/0; DI14, DIIF
Prerequisite: SOC 100. Social movements, their character, development, dynamics, and consequences; the relationship between discontent at the individual and wider social levels. Selected social movements and sociological theories.

SOC 340
SOCIOLOGY OF THE CITY
3, 3/0
Prerequisite: SOC 100. The social organization of urban life in the U.S. and elsewhere, with emphasis on the growth and development of cities and metropolitan areas; lifestyle in the city and suburbs; the relationship of power and social control to urban stratification and the distribution of wealth; racial and ethnic distribution and relationships in urban settings; such urban problems as poverty, blight, crime and violence; and urban planning and redevelopment.

SOC 350
POWER, CLASS, AND INEQUALITY
3, 3/0; DI14, DIIF
Prerequisite: SOC 100. Historical and contemporary dimensions of social inequality and power differentials in the United States and globally; contrasting theoretical interpretations of the origins and significance of social inequality, including the intersectional relationship between inequality on the basis of gender, race, ethnicity, and class; current trends and projected transformations in social inequality.

SOC 351
SOCIOLOGY OF RACE AND ETHNICITY
3, 3/0; DI14, DIIF
Prerequisite: SOC 100. The study of racial and ethnic groups in American and other societies; focuses on forms, causes, and effects of prejudice and ethnic conflicts, and the changing relationships of these groups to the larger society. Possible solutions to social problems involving issues of race and ethnicity are also explored. Equivalent course: AAS351

SOC 352
SOCIOLOGY OF AGING
3, 3/0
Prerequisite: SOC 100. How society structures the experience of aging; major transitions and role changes experienced by the elderly within social institutions such as family, the economy, and religion; understanding the way these same institutions adapt to an aging population. Includes investigation of programs and policies aimed at assisting individuals at varying levels of independence throughout the aging process.

SOC 353
ENVIRONMENT AND SOCIETY
3, 3/0
Prerequisite: SOC 100 or 6 credit hours of sociology. Analyzes the relationship of society and the natural environment (global, national, and local levels) using empirical and theoretical methods. Specific topics include the "toxics crisis," Central America, work, and environmental racism. Interprets societal structures and processes that lead to ecological crises and responses to them.

SOC 360
SOCIOLOGY OF WORK
3, 3/0
Prerequisite: SOC 100. The social relations surrounding the world of work as the contours of modern urban-industrial society emerge, mature, and begin to decline; typical forms of work in industry; the functions of work organizations; changing of structures of social class; patterns of labor relations; the transfer of these forms to non-industrial and government contexts; how these factors influence the interest and meaning workers find in their work; the consequences for social action and social change.

SOC 366
CULTURAL PROFICIENCY AND PUBLIC ACHIEVEMENT
4, 3/0; DI14, DIIF
Public achievement serves as a framework for analyzing diverse student perspectives, opinions, and assets to identify and meet the needs of different cultural groups and to learn to work effectively in cross-cultural settings. Students will be provided with practical experiences in implementing a project with children in a local school district. Equivalent course: SPF366

SOC 370
SOCIOLOGY OF DEVIANT BEHAVIOR
3, 3/0
Prerequisite: SOC 100. Deviant behavior in American society; its nature, theoretical perspectives, and societal reactions; deviance as both an interactive and political process, with special attention paid to the development of deviant identities; specific behaviors may include substance abuse, sexual deviance, crime and delinquency, mental illness, and social protest.

SOC 380
SOCIOLOGY OF CRIME
3, 3/0
Prerequisite: SOC 100. Crime, its nature, variation, and causation; social responses to crime; methods of crime prevention, punishment, and treatment of offenders. Theoretical perspectives and controversies are presented in social and historical context.

SOC 381
SOCIOLOGY OF VIOLENCE
3, 3/0
Prerequisite: SOC 100. An analysis of various manifestations of violence. Theories of violence will be presented, as well as investigation into such specific topics as child abuse, battered spouses, rape, violence in schools, and collective violence; programs which deal with violence.

SOC 382
SOCIOLOGY OF LAW
3, 3/0
Prerequisite: SOC 100. The numerous ways in which law permeates all forms of social behavior; focuses on the law itself and the social context within which it has been created and exists; dominant theoretical perspectives and sociological methods used to explain the interrelationships between law and society, including types and purposes of law, major legal organizations, the lawmaking process, law and social control, law and dispute resolution, law and social change, and the legal profession.

SOC 383
SOCIOLOGY OF PUNISHMENT AND CORRECTIONS
3, 3/0
Prerequisite: SOC 100. Recent theories and research findings regarding correctional practice; offender typologies, the nature and forms of treatment, and obstacles to treatment.

SOC 390
SOCIOLOGY OF JUVENILE DELINQUENCY
3, 3/0
Prerequisite: SOC 100. Juvenile delinquency; description, extent, and sociological theories of explanation; institutions and agencies dealing with and/or attempting to prevent delinquency, including courts, law enforcement agencies, social service agencies, and educational institutions; development of data.

SOC 391
SOCIOLOGY OF ADDICTION
3, 3/0
Prerequisite: SOC 100. Alcohol and drug abuse as a social problem and a sociological phenomenon; nature of drug and alcohol abuse, the situations in
which this behavior occurs, and the characteristics of users; legal, medical, and other efforts made to influence addicts.

SOC 392
SOCIOLOGY OF SEXUAL BEHAVIOR
3, 3/0
Prerequisite: SOC 100. Recent sociological findings concerning sexual behavior as a social process; the nature of various sexual practices, such as homosexuality and sadomasochism in light of sociological theory; sociological literature concerning sexual behavior with special emphasis on the interactionist approach.

SOC 393
SOCIOLOGY OF MENTAL ILLNESS
3, 3/0
Prerequisite: SOC 100. Sociological perspectives on mental health and illness, including their social histories; includes evaluation of social factors and processes involved in modern approaches to the causes and treatment of mental illness; problems of definition and diagnosis; recent research findings in areas of epidemiology, institutional care and control of the mentally ill, the care of mental patients, and social issues.

SOC 400
FOUNDATIONS OF SOCIOLOGICAL THOUGHT
3, 3/0
Prerequisites: SOC 100 and 6 additional credit hours in sociology. Ideas developed by the early founders of sociology, including Karl Marx, Max Weber, Emile Durkheim, and their contemporaries. Equivalent course: SOC 400W

SOC 408
CONTEMPORARY SOCIOLOGICAL THEORY
3, 3/0
Prerequisites: SOC 100 and 6 additional credit hours of sociology. The significance and uses of sociological theory; includes the major current approaches to understanding society and social life, such as contemporary Marxism, conflict theory, functionalism, and the interpretive theories, such as symbolic interactionism, phenomenological sociology, and ethnomethodology; and theories of rational choice such as behavioral sociology and exchange theory. Newly developing perspectives such as feminist theory and postmodernism. Equivalent course: SOC 408W

SOC 430
SOCIOLOGY OF INTERNATIONAL DEVELOPMENT AND UNDERDEVELOPMENT
3, 3/0
Prerequisites: SOC 100 and upper-division status. Societal development and change on an international level, with emphasis on the third world; topics include the major sociological theoretical models, conceptual frameworks and assumptions of development; the emergence and dynamics of the world system; the international division of labor; the interplay of development with gender, race, and ethnicity; social policy alternatives and strategies of social change and liberation.

SOC 484
PRACTICUM IN TEACHING SOCIOLOGY
3, 3/0
Prerequisites: SOC 100 and 15 additional credit hours in Sociology; 3.0 GPA and 3.0 in Sociology. How sociology classes are constructed and administered. Instruction in lecture development, exam construction, and record keeping. Experience in mentoring and helping to prepare students for exams. Required journal and analysis paper.

SOC 485
MOOT COURT
3, 3/0; OCIF
Prerequisite: Upper-division standing or permission of instructor. Simulation of a trial court or appellate court proceeding involving teams of students acting as prosecutor/plaintiff’s attorneys, defense attorneys, and witnesses. Students develop case strategy, analyze evidence, integrate legal precedent, prepare a written brief, question witnesses, and present oral arguments to the court in opening and closing statements. Final project is a mock trial presentation held in a formal courtroom setting. Equivalent courses: CRJ 485, PSC 485

SOC 486
PRACTICUM IN APPLIED SOCIOLOGY
3, 3/0
Prerequisite: SOC 100. The study of field research techniques in the classroom, subsequently applied during the completion of 75 hours of field experience working with an agency or organization in the community.

SOC 488
INTERNSHIP IN SOCIOLOGY
1-15, 0/0
Prerequisites: SOC 300 or SOC 302; SOC 400; senior standing; faculty intern supervisor permission. Supervised fieldwork in appropriate agencies where students expand their knowledge of sociology and establish interactive ties in the job market. Academic components include orientation, training sessions, ongoing conferences with faculty/agency supervisor, log/journal of the field experiences, and final report.

SOC 490
SEMINAR IN SOCIOLOGY
3, 3/0; OCIF
Prerequisites: SOC 300 or SOC 302; SOC 400; senior standing. Research in selected area(s) of sociology. Required for B.A. sociology majors with senior status. Equivalent course: SOC 490W

SOC 491
3, 3/0
Prerequisites: SOC 100, 6 credit hours of sociology in a related field, and permission of instructor. In-depth special problems in sociology. Interested students should contact a member of the sociology faculty, who will secure approval from the Sociology Department. The course is then listed in the master schedule with a subtitle indicating the area of special concentration.

SOC 495
SPECIAL PROJECT
1-3, 0/0

SOC 499
INDEPENDENT STUDY
3-12, 0/0

SPA - SPANISH

SPA 101
BEGINNING SPANISH I
3, 3/0; FLA, GE14
Fundamentals of Spanish with emphasis on the spoken and written language.

SPA 102
BEGINNING SPANISH II
3, 3/0; FLA, GE14
Prerequisite: SPA 101. Continuation of SPA 101.

SPA 106
SPANISH FOR EDUCATION PROFESSIONALS I
3, 3/0
Prerequisites: SPA 102 or three full years of 7-12 Spanish study. Targets ACTFL Novice-High level proficiency in Spanish with a focus on educational contexts. Taught in Spanish with the exception of outside readings in relevant professional literature.

SPA 201
INTERMEDIATE SPANISH I
3, 3/0; FLA
Prerequisite: SPA 201. Further development of basic skills with emphasis on reading and writing. Equivalent course: SPA 204

SPA 202
INTERMEDIATE SPANISH II
3, 3/0; FLA
Prerequisite: SPA 201. Continuation of SPA 201. Equivalent course: SPA 205
SPA 206
SPANISH FOR EDUCATION PROFESSIONALS II 3, 3/0
Prerequisites: SPA106 or SPA201 or four full years of 7-12 Spanish study. Targets ACTFL Intermediate-Low level proficiency in Spanish with a focus on educational contexts and field-based work with P-12 Latino students. Taught in Spanish with the exception of outside readings in relevant professional literature.

SPA 301
INTRODUCTION TO HISPANIC CULTURES 3, 3/0
Prerequisite: SPA 202 or equivalent, instructor permission. Intermediate-High level study of the Spanish language through exploration of Spanish-speaking cultures. Taught in Spanish.

SPA 302
INTRODUCTION TO HISPANIC MEDIA 3, 3/0
Prerequisites: SPA301 or equivalent. Advanced-Low-targeted study of the Spanish language through exploration of Spanish-speaking cultures. Taught in Spanish.

SPA 303
INTRODUCTION TO READING HISPANIC LITERATURE 3, 3/3
Prerequisites: SPA 301. Introduction to the reading of literature written in Spanish, from both Spain and Latin America. Practice in reading and analyzing literary texts. Further development toward American Council on the Teaching of Foreign Languages (ACTFL) Advanced-Low language proficiency. Taught in Spanish.

SPA 304
SPANISH FOR SPANISH SPEAKERS 3, 3/0
Prerequisites: Placement test for Spanish speakers. An overview of those aspects of Spanish grammar that will enhance bilingual students' effectiveness in oral and written communication in Spanish. Special attention will be given to Anglicisms.

SPA 305
SPANISH PHONETICS 3, 0/0
Prerequisites: SPA 301 and SPA 302. The speech sounds of Spanish. Comprehension and pronunciation difficulties caused by differences in the sound systems of English and Spanish. Exercises aimed at improvement of pronunciation and intonation.

SPA 306
CIVILIZATION AND CULTURES OF SPAIN 3, 3/0

SPA 307
SPANISH AUTHORS PRE-1800 3, 3/0
Prerequisites: SPA 302. Taught in Spanish. Overview of representative prose, poetry and theatrical works by authors from Spain from the eleventh through eighteenth centuries, studied in historical and broad artistic context. Further development toward the American Council on the Teaching of Foreign Languages Advanced-Mid language proficiency.

SPA 308
SPANISH AUTHORS 1800-PRESENT 3, 3/0
Prerequisites: SPA 302. Taught in Spanish. Overview of representative prose, poetry and theatrical works by authors from 19th century Spain to the present, studied in historical and broad artistic context. Further development at the American Council on the Teaching of Foreign Languages Advanced-Mid language proficiency.

SPA 309
CULTURE AND CIVILIZATION OF LATIN AMERICA 3, 3/0
Prerequisites: SPA 302. Taught in Spanish. Cultural diversity of the Latin American people, with emphasis on their achievements, customs and ways of life as affected by geographic, historical, political, and economic factors. Further development toward American Council on the Teaching of Foreign Languages Advanced-Mid proficiency level.

SPA 310
SPANISH AMERICAN AUTHORS: 1492 TO 1810 3, 3/0
Prerequisite: SPA302. Taught in Spanish. Literature-centered overview of representative prose and poetry by authors from Spain America from the late fifteenth through early nineteenth centuries, studied in historical and broad artistic context. Further development into the American Council on the Teaching of Foreign Languages (ACTFL) Advanced-Mid language proficiency in Spanish.

SPA 311
SPANISH AMERICAN AUTHORS 1810S-PRESENT 3, 3/0
Prerequisite: SPA302. Literature-centered overview of representative prose and poetry by authors from Latin America from the nineteenth through the present, studied in historical and broad artistic context. Further development into the American Council on the Teaching of Foreign Languages (ACTFL) Advanced-Mid language proficiency in Spanish. Taught in Spanish.

SPA 317
BUSINESS SPANISH 3, 3/0
Prerequisite: SPA 301, SPA 302, or equivalent. Introduction to Spanish commercial language. Extensive practice in translating and composing Spanish business communiqués.

SPA 321
ISSUES AND THEMES IN CONTEMPORARY HISPANIC CULTURES 3, 3/3
Prerequisites: SPA302 or equivalent. In Spanish. Development and practice of Spanish language through exploration of current issues facing Latin America and Spain. Targeted toward the American Council on the Teaching of Foreign Languages (ACTFL) Advanced-Mid level.

SPA 389
TOPICS COURSE 3, 0/0

SPA 401
SPANISH FOR SPANISH TEACHING 3, 3/0
Prerequisites: Must be officially admitted to the Spanish Education BS or Post-Baccalaureate 7-12 Spanish Certification Program. Survey of classroom use of Spanish and professional literature on Spanish pedagogy.

SPA 402
SPANISH DRAMA OF THE GOLDEN AGE 3, 3/0
Prerequisite: SPA 307. Prelopistas and the works of Lope de Vega, Tirso de Molina, Juan Ruiz, de Alarcón, and others.

SPA 404
CERVANTES 3, 3/0
Prerequisite: SPA 307. Reading and analysis of Don Quixote or the Novelas Exemplares.

SPA 408
TWENTIETH-CENTURY SPANISH LITERATURE 3, 3/0
Prerequisite: SPA 308. Appreciation, analysis, and criticism of major trends in the development of Spanish poetry and theater of the twentieth century.
### SPC - Speech Communication

</tr>
<tr>
<td>SPC 326</td>
<td>Film Analysis and Evaluation</td>
<td>3, 2/1</td>
<td>SPC 205; Prerequisite: Junior or senior standing. Aesthetic and philosophical analysis and evaluation of media; focus on ethical issues and themes found in films and media; considering film as an art form; reflection on values; morals; relationships relating to social questions. Offered occasionally.</td>
</tr>
<tr>
<td>SPC 333</td>
<td>Race, Class and Gender in the Media</td>
<td>3, 3/0</td>
<td>DI14, DIIF; Prerequisite: Upper-division status. Critical analysis of media representation of traditionally underrepresented groups (such as women, African Americans, Native American, Arabs and Muslims, and/or gays and lesbians). Equivalent course: COM333</td>
</tr>
<tr>
<td>SPC 407</td>
<td>Organizational Communication</td>
<td>3, 3/0</td>
<td>SPC 205; Prerequisite: Upper-division status. Theory and practice of communication within task-oriented organizations; focus on the interaction of structure, behavior, and message; role of communication in organizational change. Equivalent courses: COM407, JBS407</td>
</tr>
<tr>
<td>SPC 422</td>
<td>Media Criticism</td>
<td>3, 3/0</td>
<td>SPC 205; Prerequisite: Upper-division status. Critical analysis of mass media, including print, broadcast, and digital; application to news, documentaries, entertain-</td>
</tr>
</tbody>
</table>
ment programming, and advertising; focus on social, cultural, and political impact of media messages from a rhetorical perspective.
Equivalent course: COM422

SPC 424
SPECIAL TOPICS IN MEDIA CRITICISM
3, 3/0
Prerequisite: Upper-division status. Critical analysis of mass media, including print broadcast, and digital; focus on the role of media in a particular context (such as electoral politics or war).

SPC 426
DOCUMENTARY FILM ANALYSIS
3, 2/1
Prerequisites: COM 215. Study of selected themes, ideas and movements of the documentary film through analysis of representative documentaries; includes major modes of documentary production and historical, social, ethical and artistic developments of the documentary. Students develop a significant research project focused on selected topic; course may be repeated if topic is different. Offered occasionally.

SPF - SOCIAL PSYCHOLOGICAL FOUNDATIONS

SPF 202
CHILD DEVELOPMENT AND EDUCATION
3, 3/0
Introduction to the study of child behavior and development with emphasis on implications for teaching and learning. Focus on the child in school, from early childhood through preadolescence. Includes child-study and observation methods; theories of development; nature and sources of individual development from biological, cultural, and behavioral perspectives, with emphasis on cognitive, social, emotional, and physical areas of development as they apply to the classroom. Required for elementary education and exceptional education majors according to program; elective for others beyond freshman level.
Equivalent course: EDF202

SPF 203
SCHOOL AND SOCIETY
3, 3/0
Prerequisite: Successful completion of the basic writing requirement. Education as a function of a democratic society. Sociological and historical backgrounds of schools. Current issues and problems affecting schools. Objectives, control, and financial support of education in New York State and the United States. Directed observation. Required of elementary-education and exceptional-education majors according to program; elective for others beyond freshman level.
Equivalent courses: EDF203, EDF203W, SPF203W

SPF 221
THE HISTORY OF BLACK EDUCATION IN AMERICA
3, 3/0
The role of blacks in the American educational system. Changes that have taken place in order to improve or retard education for blacks. Approaches for providing meaningful education for blacks now and in the future.
Equivalent courses: AAS221, EDF221

SPF 222
THE DEVELOPMENT OF MODERN EDUCATION IN AFRICA
3, 3/0
Educational changes in Africa from the colonial era to the present and their effect on social and political issues in Africa and abroad.
Equivalent courses: AAS222, EDF222

SPF 225
ETHNIC STUDIES IN THE ELEMENTARY SCHOOL
3, 3/0
Ethnic diversity in American life and education. Cultural minorities, e.g., Native Americans, blacks, Spanish-speaking groups, Jews. White ethnic groups and mainstream American life and education.
Equivalent courses: AAS225, EDF225

SPF 302
EDUCATIONAL PSYCHOLOGY: ELEMENTARY EDUCATION
3, 3/0
Prerequisites: EDF 202, CWP 101, CWP 102, upper-division status. Learners, the learning process, evaluating learning, and establishing a classroom environment to maximize learning.
Equivalent courses: EDF302, EDF302W, SPF302W

SPF 303
EDUCATIONAL PSYCHOLOGY: MIDDLE AND SECONDARY EDUCATION
3, 3/0
Prerequisites: upper-division status. Psychological principles underlying learning and effective teaching. The effect of social and personality factors on learning, assessment, and evaluation of individual progress. Diagnosis of difficulties in learning, discipline, programming, and planning as related to instruction. Directed observation.
Equivalent courses: EDF303, EDF303W, SPF303W

SPF 311
FAMILY VIOLENCE
3, 3/0
Prerequisite: Successful completion of the basic writing requirement. Comprehensive overview and critical investigation into the field of family violence. Includes child abuse, dating violence, spouse abuse, sibling violence, adolescent maltreatment, parent abuse, and elder abuse. Explores history, prevalence, susceptibility factors, patterns of social interaction, demographics, sexual and emotional abuse, and the violence-prone personality. Theoretical perspectives on family violence, including cycle theory of violence, integrated within broader social science perspectives.
Equivalent courses: EDF311, EDF311W, SOC311, SPF311W

SPF 319
CULTURAL DIVERSITY IN CLASSROOMS
3, 3/0
Prerequisite: SPF203. Focus will be placed on the impact of culture on schooling through examination of the major conceptualizations of multicultural education and understanding of approaches that may be utilized by pre- and in-service teachers in ensuring that diverse cultures are addressed, respected, and integrated into classroom teaching, learning, and assessment.

SPF 345
PARENTING
3, 3/0
Prerequisite: Successful completion of the basic writing requirement. Relevant issues facing parents and professionals who work with them in today's changing society. Includes classical and current research, with emphasis on practical application and implication. Developmental approach to understanding parent-child relationships. Working more effectively with parents of varied cultural backgrounds, family structures, lifestyles, and at-risk factors.
Equivalent courses: EDF345, EDF345W, SPF345W

SPF 346
TEENAGE SEXUALITY
3, 3/0
Teenage sexuality and factors influencing its emergence. The incorporation of sexuality education into the teaching-learning process at home and in school. Cooperative efforts by parents and teachers. Development of skills in communicating with teenagers about their sexuality. Strategies for teens to deal with sexuality concerns more effectively. Community resources for teens, parents, teachers. Special issues and problems.
Equivalent courses: CFS346, EDF346

SPF 353
HUMAN DEVELOPMENT DURING EARLY ADOLESCENCE AND ADOLESCENCE
3, 3/0
Introduction to preadolescent and adolescent behavior and development, with emphasis on implications for teaching. Includes the nature of adolescence, developmental and behavioral characteristics, learning and education, problems and issues of adolescents in today's society, ways teachers can study adolescents, and self-understanding.
Equivalent course: EDF353
SSE 200
INTRODUCTION TO SECONDARY TEACHING
3, 3/0
Classroom and field experiences designed to help students make better-informed decisions regarding careers in secondary social studies education. For the general student, provides important background for their roles as citizens and as parents. Required for social studies education majors.
Equivalent course: SST200

SSE 303
METHODS AND MATERIALS IN TEACHING MIDDLE SCHOOL SOCIAL STUDIES
3, 3/0
Prerequisites: 6 credit hours of professional education courses, SST 200, cumulative 2.75 GPA (overall and in major coursework). May not be taken concurrently with SSE 309. Focuses on the problems of the teacher; techniques for teaching; analyzing classroom behavior; self-evaluation; and peer evaluation of teaching practices.
Equivalent course: SST303

SSE 309
METHODS AND MATERIALS IN TEACHING HIGH SCHOOL SOCIAL STUDIES
3, 3/0
Prerequisites: Upper-division status, SSE 200, minimum cumulative GPA of 2.75 (overall and in major coursework). May not be taken concurrently with SSE 303. The purposes, goals, curricular materials, methodologies, and instructional techniques of social studies education; students develop competency in designing and practicing instructional strategies drawn from methodologies and of the curricular materials of social studies education and the disciplines of history and the social sciences.

SSE 363
AMERICAN IDENTITY IN TRANSITION: DIVERSITY AND PLURALISM IN THE UNITED STATES
3, 3/0
The diverse, pluralistic makeup of American society. The roots of pluralism and what it means for the daily experience of living in America. Themes of diversity are explored through history and literature. Focuses on the activities of four major underrepresented groups in their struggle for liberation: African Americans, Native Americans, Latinos, and Asians. Encourages a multicultural view of America.
Equivalent courses: HIS363, SST363

SSE 370
COMPUTER TECHNOLOGY IN THE SOCIAL STUDIES CLASSROOM
3, 3/0
Prerequisites: History and social studies education major. Familiarizes students with relevant software and methodology for its use in the social studies classroom. All students have the opportunity to participate on the microcomputer.
Equivalent course: SST370

SSE 402
HISTORICAL AND PHILOSOPHICAL FOUNDATIONS OF SOCIAL EDUCATION
3, 3/0
Prerequisite: Upper-division status. The development of the social studies curriculum in relation to the larger social, economic, educational, and political forces operating in American society; enduring philosophical issues as to what is the “good” society, the “good” citizen, and the best curriculum and instructional methods to create them.

SSE 404
SEMINAR IN ELEMENTARY SOCIAL STUDIES
3, 3/0
Prerequisites: EDU 210 and EDU 352. Students learn to more effectively utilize their social science preparation for early secondary and elementary social studies instruction; make decisions concerning their tentative positions on the function of the school and society, the purpose of social studies, and the available alternatives to teachers in the areas of methodology, psychology, and curriculum.

SSE 407
THE TEACHING OF HISTORY
3, 3/0
Prerequisite: Upper-division status. The curriculum and practice of teaching history, the historical role of history in the social studies, the political uses of the teaching discipline; provides a research foundation as to how historical meaning is constructed as a base for instructional practice; serves as a link between the material presented in content and pedagogical courses in the program.
Equivalent courses: HIS407, SST407

SSE 409
STUDENT TEACHING OF SOCIAL STUDIES IN THE MIDDLE SCHOOL
6, 0/0; OCIF
Prerequisites: Minimum cumulative GPA of 2.75 (overall and in major coursework), grade of C or higher in SSE 303 and SSE 309, successful completion of English composition/basic communication and mathematics competency requirements. Supervised teaching experience five full days a week for approximately seven consecutive weeks. Effective demonstration of content knowledge, pedagogical preparation, instructional delivery, classroom management, knowledge of student development, collaboration with school professionals, and reflectivity of practice required.
SWK 105

INTERPERSONAL RELATIONS
3, 3/0

The impact of societal, cultural, and professional values on interpersonal relationships; increased awareness of interpersonal skills and examination of ways to overcome barriers to healthy interpersonal relationships.

SWK 220

INTRODUCTION TO SOCIAL WORK
3, 3/0

Introduction to the social welfare institution and to social work; social work knowledge, skills, sanctions, values, and ethics; generalist practice in social work. Requires 40 hours of volunteer work in addition to coursework.

SWK 301

POVERTY AND PUBLIC POLICY
3, 3/0; DI14

Prerequisite: Sophomore, Junior or Senior standing. Social welfare policies and social welfare programs. Historical treatment of poverty and the poor. Theories of poverty causation. Measurement of poverty and poverty demographics including age, gender, immigration status, socioeconomic status, Social change strategies and advocacy. Requires 20 hours of volunteer work in addition to coursework.

Equivalent courses: SWK319, SWK319W

SWK 307

HUMAN BEHAVIOR AND THE SOCIAL ENVIRONMENT I
3, 3/0

Prerequisites: SWK Majors Only, Junior/Senior standing, BIO 101, CWP 102, MAT 311. Conceptual frameworks for client assessment; theories and perspectives of life span development; professional communication, professional reflection, social work assessment, research.

Equivalent course: SWK307W

SWK 308

HUMAN BEHAVIOR AND THE SOCIAL ENVIRONMENT II
3, 3/3

Prerequisites: SWK Majors only, Junior/Senior standing, BIO 101, CWP 102, MAT 311. As a second course in the Human Behavior and Social Environment curriculum, SWK308 focuses on deepening the student’s knowledge of the theoretical frameworks that attempt to explain behavior and enlighten effective work with individuals, families, groups, organizations, and communities as a generalist social worker. Maladaptive patterns of adult psychological functioning are examined with a bio-psycho-social perspective in order that students may contextualize the information. Although students concentrate upon problematic human functioning, the course is presented in a manner that encourages them to view the strengths of clients along with their difficulties.

Equivalent course: SWK308W

SWK 310

SEXUALITY IN HUMAN DEVELOPMENT
3, 3/0

Examination and analysis of human sexuality as part of human development; designed for future human services professionals.

SWK 317

RESEARCH METHODS IN SOCIAL WORK
3, 3/0

Prerequisites: SWK Majors Only, Junior/Senior standing, BIO 101, CWP 102, MAT 311, SWK 220, SWK 301, SWK 307, SWK 308, and SWK 422. Application of research methods to generalist social work practice. Research ethics, evidence based practice.

Equivalent course: SWK317W

SWK 320

SOCIAL SERVICES ORGANIZATIONS
3, 3/0

Prerequisites: SWK Majors Only, Junior/Senior standing, BIO 101, CWP 102, MAT 311, SWK 220, SWK 301, SWK 307, SWK 308, and SWK 422. History, descriptions, and functions of social services organizations; creation, implementation of social welfare policy and programs; social justice, human rights, NASW Code of Ethics.

Equivalent course: SWK320W

SWK 321

THE ELDERLY AND SOCIAL SERVICES
3, 3/0

Prerequisite: Upper-division status. Needs of and services for the elderly; services and programs; policy issues regarding the aging, such as health, housing, and finances; intervention strategies for working with the elderly.

SWK 335

MENTAL HEALTH AND SOCIAL WORK
3, 3/0

Prerequisite: SWK 307 and CWP102 and (BIO101 or BIO308) and (MAT103 OR ECO305 OR MAT114 OR MAT122 OR MAT126 OR MAT161 OR MAT311 OR PHI107). Theoretical perspectives concerning mental health and mental illness; history of the mental health movement; institutional and community mental health services; roles and functions of social workers and other personnel in the mental health system.

SWK 345

CHILD WELFARE SERVICES
3, 3/0

Prerequisite: Upper-division status. Child welfare as a field of practice in social work; historical and philosophical bases; the impact of culture, ethnicity, and race on practice; current delivery of services; skills needed to practice in the field.

SWK 346

CHILD ABUSE AND NEGLECT
3, 3/0

Prerequisite: Upper-division status. Major issues in child abuse and neglect from a social work viewpoint; the nature of abuse and neglect, the actual incidence, workings of the current child-protection system; intervention and treatment issues; the role of other disciplines and the larger society.
SWK 419
SOCIAL WELFARE POLICY
3, 3/0
Prerequisites: SWK Majors Only, Senior standing, SWK 220, SWK 301, SWK 307, SWK 308, SWK 317, SWK 320, SWK 422, SWK 423, SWK 424, CWP 102, BIO 101, MAT 311. This course addresses the American social welfare state and its historical responses to need, in addition to the concepts of discrimination, oppression, social welfare policy, policy research, policy analysis, policy creation, grant proposals, and legislative briefs.
Equivalent course: SWK419W

SWK 422
ASSESSMENT AND ENGAGEMENT
3, 3/0
Prerequisites: SWK Majors Only, Senior standing, SWK 220, SWK 301, SWK 308, SWK 317, SWK 320, BIO 101, CWP 102, MAT 311. Fundamental skills of social work practice; communication, engagement, and assessment skills with individuals and families.
Equivalent course: SWK422W

SWK 423
INTERVENTION METHODS
3, 3/0
Prerequisites: SWK Majors Only, Senior standing, SWK 220, SWK 301, SWK 308, SWK 317, SWK 320, SWK 422, BIO 101, CWP 102, MAT 311. Models of generalist social work intervention; evidence-based practice with diverse populations; ethical guidelines for practice and self-reflection.
Equivalent course: SWK423W

SWK 424
GROUPS
3, 3/0
Prerequisites: SWK Majors Only, Senior standing, SWK 220, SWK 301, SWK 307, SWK 308, and SWK 422. Outlines the basic issues and key concepts of group process and practice.
Equivalent course: SWK424W

SWK 425
SOCIAL WORK WITH FAMILIES
3, 3/0
Prerequisites: SWK 308 and SWK 422 and CWP102 and (BIO101 or BIO308) and (MAT103 OR ECO305 OR MAT114 OR MAT122 OR MAT126 OR MAT161 OR MAT311 OR PH107). Focus on family and family intervention; family theory and practice principles studied through examination of families in specialized problem contexts.

SWK 429
POLICY PRACTICE
3, 3/0
Prerequisites: SWK Majors Only, Senior standing, SWK 220, SWK 301, SWK 307, SWK 308, SWK 317, SWK 320, SWK 419, SWK 422, SWK 423, SWK 424, SWK 493, SWK 496, CWP 102, BIO 101, MAT 311. Generalist macro policy practice skills. Social welfare policy research, policy briefs, grant proposals, policy presentations to governing bodies (e.g., Congress).

SWK 485
SENIOR SEMINAR
3, 3/0
Intensive analysis of selected topics in social work.

SWK 493
FIELD PRACTICUM I
6, 6/0
Prerequisites: SWK Majors Only, Senior standing, SWK 220, SWK 301, SWK 307, SWK 308, SWK 317, SWK 320, SWK 419, SWK 422, SWK 423, SWK 424, BIO 101, CWP 102, MAT 311, and a minimum 2.5 GPA in the SWK major and cumulative. This course involves a supervised internship where students develop and complete a learning contract in conjunction with their fieldwork agency that includes demonstrating mastery of the required social work practice behaviors. Additionally, it involves a concurrent on-campus seminar that integrates and supports all previous social work coursework and demonstration of mastery.

SWK 494
FIELD PRACTICUM II
6, 6/0
Prerequisites: SWK Majors Only, Senior standing, SWK 220, SWK 301, SWK 307, SWK 308, SWK 317, SWK 320, SWK 419, SWK 422, SWK 423, SWK 424, SWK 496, SWK 493, BIO 101, CWP 102, MAT 311, and a minimum 2.5 GPA in the SWK major and cumulative. This course involves a supervised internship where students develop and complete a learning contract in conjunction with their fieldwork agency that includes demonstrating mastery of the required social work practice behaviors. Additionally, it involves a concurrent on-campus seminar that integrates and supports all previous social work coursework and demonstration of mastery.

TEC 101
TECHNICAL DRAWING
3, 2/3
Prerequisites: none. Drawing techniques and part modeling techniques for 3D parametric solid modeling systems; multiview projections using 2-D and 3-D geometry, drawing annotation including text, dimensioning and layouts of a variety of drawing types suitable for plotting to scale; part modeling techniques including Industry-standard parametric modeling; introduction to geometric dimensioning and tolerancing; required for industrial technology, electrical engineering technology (smart grid), mechanical engineering technology, and technology education majors.

TEC 150
TECHNOLOGY IN EVERYDAY LIFE
3, 3/0; TSIF
The applied physics and technology involved in everyday life in order to gain an understanding of basic science and engineering principles; Newton’s laws of motion as they apply to an ice skater and bumper cars; principles of fluid mechanics like water flowing from a garden hose and the buoyancy of ships; heat transfer and phase transitions like water in its three phases and home heating systems; thermodynamic efficiency of automobile engines as well as air conditioners; resonance and mechanical waves developed by music instruments; basic electricity and its many applications from how it is produced by water and wind to how it is used to produce light; light and optics, for example, splitting the colors of sunlight to focusing light in a camera lens.

TEC 200
TOTAL QUALITY MANAGEMENT
3, 3/0
Prerequisite: Sophomore status. Fundamental concepts of total quality management: managerial commitment; organization mission and structure; quality problem-solving tools; variation, quality costs; vendor-customer relationships; quality evaluation techniques; quality philosophies of Deming, Crosby, and others.
Equivalent course: TEC200W
TEC 201
MATERIALS PROCESSING
3, 2/3
Prerequisite: TEC 101. Processes and problems associated with the conversion of materials into useful forms and goods; laboratory activities exemplify the major processes studied.

TEC 260
DEVELOPMENT OF TECHNOLOGY
3, 3/0; TSIF
The history of science and technology; the evolution of technology and its effects on humanity, for example, advances in agriculture and health care; era-specific technology such as weapons developed for defense and building processes to construct small communities and large cities; evolution of energy and power leading to current alternatives such as solar energy, wind power, hydroelectric power, fuel cells, and biomass energy; how technology has affected and been affected by ecology, climatology, health care, ethics, war, and politics.
Equivalent course: TEC260W

TEC 301
MATERIALS PROCESSING II
3, 2/3
Prerequisite: TEC 201. Continuation of TEC 201. Emphasis on numerical controlled and computerized numerical controlled materials processing.

TEC 302
CAD/CAM (COMPUTER AIDED DRAFTING/COMPUTER AIDED MANUFACTURING)
3, 2/3
Prerequisites: TEC 101 and TEC 201. Using computers to facilitate the production processes of designing, drafting, production planning, cost estimating, and materials processing; using CAD software to create the database for part geometry, material selection, and process requirements; using CAM software to control machines, directly or indirectly, to produce the product.

TEC 311
MATERIALS SCIENCE AND TESTING
3, 2/3
The origin of composition of industrial materials: metals and their alloys, woods, fuels, lubricants, cutting fluids, solvents, protective compounds or coatings, inks, adhesives, plastics, and ceramics; applications of testing procedures for identification and determination of physical and chemical properties suitable for specific industrial uses.

TEC 312
MATERIALS MANAGEMENT
3, 2/3
Prerequisite: TEC 201. Production planning and control functions in industry; techniques and procedures of production planning, scheduling, dispatching, and control. Required for industrial technology majors.

TEC 313
STATISTICAL QUALITY CONTROL
3, 3/0
Fundamentals of probability; sample space, events, probability distributions; binomial, Poisson, and normal distributions; application of probability in quality control; variable and attribute control charts; process capability studies; acceptance sampling; standard tables for sampling plans.

TEC 314
ELECTROMECHANICS
3, 2/3
Fundamental laws of electric circuits; DC and AC circuits; application to electric power systems and electronics industry; fundamentals of electrical machinery, introduction to three-phase systems; laboratory experiments with electrical circuits and devices.

TEC 319
TECHNOLOGY AND VALUES
3, 3/0; TSIF
Prerequisite: Upper-division status. Social and ethical impacts of technology; the often conflicting roles of historical and current creators and users of technology; examination of selected current technical-ethical issues of societal importance.
Equivalent course: TEC319W

TEC 321
MEASUREMENT SYSTEMS
3, 3/0
Prerequisite: TEC 313. Theory and application of measurement; tolerancing, variable, and attribute measurement devices; gauge variation, automated measurement input equipment, and gauge control systems.

TEC 323
QUALITY IMPROVEMENT THROUGH DESIGN OF EXPERIMENTS
3, 3/0
Prerequisite: TEC 313. Various experimental designs applied to manufacturing environment. One-, two-, and three-factor factorial designs; nested, partially nested, and repeated designs; simple and multiple linear regression techniques presented to enhance quality problem-solving ability.

TEC 351
ENERGY SYSTEMS
3, 3/0
Prerequisites: MAT 124 and PHY 107. Energy and power from sources through conversion systems and mechanisms to the application of power for manufacturing.
Equivalent course: TEC351W

TEC 400
MARKETING
3, 3/0
Prerequisite: Upper-division status. Conceptual framework for marketing; the movement of goods and services through channels from source to consumer; product formulation; market research; prudent pricing; distribution channels; promotion systems. Industrial technology (manufacturing option) majors.
Equivalent course: TEC400W

TEC 402
ERGONOMICS
3, 3/0
Prerequisite: Upper-division status. The interaction of people and machines; development and use of human factors information including sensory, cognitive, and psychomotor processes as they influence the design of displays, controls, and work space; environment and safety considerations necessary to achieve desired machine outputs.

TEC 403
SYSTEMS ANALYSIS
3, 3/0
Prerequisite: Upper-division status. Fundamental concepts and analytical techniques of systems analysis; trends related to modeling, computer technology, feedback, and information systems; quantitative methods and their use in decision making in practical situations involving industrial, managerial, and technological settings.
Equivalent course: TEC403W

TEC 404
INDUSTRIAL SYSTEMS APPLICATIONS
3, 2/3
Prerequisite: Upper-division status. Investigation of management science and communication principles leading to a series of hands-on laboratory projects, case studies, and group problem-solving/decision-making activities; building positive management communications abilities as applied to the components of contemporary work settings; cultivation and personalization of leadership behaviors such as team building, coaching, and conflict resolution.
Equivalent course: TEC404W

TEC 405
MANUFACTURING TECHNOLOGY
3, 2/3
Prerequisites: TEC 312 and final semester senior status. Hands-on experience in the manufacturing cycle of a product from the engineering drawing stage through project and processing planning, prototype manufacture and testing; experience in setting time standards and taking time studies.
Equivalent course: TEC405W

TEC 465
SAFETY MANAGEMENT
3, 3/0
Prerequisite: Upper-division status. Development of the industrial safety movement; psychology in accident prevention; appraisal of accident cost factors, severity, and frequency; job safety analysis and corrective measures;
plant inspection and preventive maintenance; storage and handling of materials; fire prevention; education and training of employees.

Equivalent course: TEC463W

TEC 488
QUALITY INTERNSHIP
1-12, 3/0
Prerequisite: Completion of 12 credit hours in quality minor or all TEC-prefixed courses in industrial technology quality option. Analysis of a quality problem at a local manufacturing/service organization on or off campus; evaluation is based on a formal written and oral report presentation.

Equivalent course: TEC488W

TEC 495
SPECIAL PROJECT
1-3, 0/0

TEC 497
WORKSHOP
3, 0/0

TEC 499
INDEPENDENT STUDY
3, 0/0

TED - TECHNOLOGY EDUCATION

TED 100
INTRODUCTION TO TECHNOLOGY EDUCATION
3, 3/0
Prerequisite: Major status. An introduction to technology education for students considering a career as a public school technology teacher; provides information relating to core issues such as New York State Learning Standards, contemporary ideas and practices in the technology classroom; introduces and prepares students for the field service requirement.

TED 101
RAPID VISUALIZATION
3, 2/3
Basic conceptual and technical skills in technical drawing and illustration; basic drawing techniques from sketching and rapid visualization to rendering and 3-D computer modeling; lectures, demonstration, and practice; intended as a technology foundation course and as a pre-mechanical drawing and pre-CAD course.

Equivalent course: TEC100

TED 123
PRINCIPLES OF MANUFACTURING
3, 2/3
Operative principles common to the majority of manufacturing industries; research and development, manufacturing, organization and management; industrial relations; engineering; production; labor; financial control; marketing; quality control. Presentations by leading industrialists.

Equivalent course: TEC123

TED 253
FUNDAMENTALS OF BOAT BUILDING
3, 0/6
Prerequisite: DES 105. Fundamentals of boat design, lofting, and construction through lectures, demonstrations, and the construction of a small boat.

Equivalent course: TEC253

TED 300
CONSTRUCTION SYSTEMS
3, 2/3
Exploration of habitable structures through hands-on laboratory experiences. For technology education majors and those who wish to meet certification requirements of New York for teaching technology education in the state’s public schools.

Equivalent course: TEC300

TED 320
HISTORY AND THEORY OF WATERCRAFT DESIGN
3, 3/0
Prerequisite: DES 215 or permission of instructor. A survey of the history and theory of naval architecture and watercraft design with special attention to the development of design solutions within specific cultural contexts; special emphasis on American small craft and local traditional designs.

Equivalent course: DES319

TED 349
COMMUNICATIONS SYSTEMS
3, 2/3
Review of communication techniques throughout history; current techniques and modern communications programs and materials; broad spectrum of experiences with conversion and transfer of information from one form to another.

Equivalent course: TEC349

TED 360
TECHNOLOGY EDUCATION METHODS AND EVALUATION
3, 3/0
Prerequisites: OEC 301, OEC 302, and EDF 303. Basic principles and methods of teaching technology education subjects; strategies utilized in planning for instruction; strategies utilized in evaluating students, course content, and overall program; teaching and evaluating students with special needs; preparation of instructional materials.

Equivalent course: TEC360W

TED 361
TRANSPORTATION SYSTEMS
3, 2/3
Energy/transportation systems focusing on the moving of people, materials, and products; types of transportation vehicles, energy and power, controls, careers; the effects of transportation systems on the environment and society. Course meets guidelines of the national and state professional associations regarding the systems approach to the technology education discipline.

Equivalent course: TEC361

TED 450
PROFESSIONAL SEMESTER
6, 0/0; OCIF
Prerequisites: CWP 102, BME/CTE 301, BME/CTE 302, EDF 303, TED 360, EXE 372, EDU 416; minimum cumulative GPA of 2.5. Students must have completed 105 credit hours, including all 33 credit hours of approved technology core courses. Full-time assignment in a junior and/or senior high school as a student-teaching intern working with a supervising teacher and a college supervisor; seminars on campus and in public schools to study teaching techniques, organization, management, oral communication delivery and other aspects of teaching technology education; guided full-time teaching experience including the use of electronic recording to analyze teaching; participation in school and professional activities.

Equivalent course: TEC450W

TED 451
PROFESSIONAL SEMESTER II
6, 0/0
Prerequisites: EDF 303, BME 301 or CTE 301, BME 302 or CTE 302, and TED 360, EXE 372, EDU 416; minimum GPA of 2.5 in major course work. Full-time assignment in a senior high school as a student-teaching intern working with a supervising teacher and a college supervisor; seminars on campus and in public schools to study teaching techniques, organization, management, and other aspects of teaching; full-time teaching experience including the use of videotape to analyze instructional performance; participation in schools and professional activities. Students must have completed a minimum of 105 credit hours, including all 33 credit hours of required technology core courses. Students must be prepared to accept assignment at any facility and may not enroll in any other college courses.

Equivalent course: TEC451W

TED 453
WOOD/EPOXY BOATBUILDING
3, 2/0
Prerequisite: DES 251. Theory and application of wood/epoxy boatbuilding materials and techniques through the construction of a wood/epoxy skiff.

Equivalent course: DES453

TED 495
SPECIAL PROJECT
1-3, 0/0
### TFA - TELEVISION AND FILM ARTS

<table>
<thead>
<tr>
<th>Course Code</th>
<th>Course Name</th>
<th>Credits</th>
<th>Notes</th>
</tr>
</thead>
<tbody>
<tr>
<td>TFA 189</td>
<td>TOPIC COURSE</td>
<td>3, 3/0</td>
<td>Topic course</td>
</tr>
<tr>
<td>TFA 201</td>
<td>INTRODUCTION TO TELEVISION AND FILM ARTS</td>
<td>3, 3/0</td>
<td>Introduction to the history of storytelling and the various ways in which stories can be told today. Emphasis on television, film, theater, and other visual media. Equivalent course: TVA201</td>
</tr>
<tr>
<td>TFA 301</td>
<td>TV AND FILM CRITICISM</td>
<td>3, 3/0</td>
<td>Students study great directors and the screenplays they have produced, focusing on analyzing story structure, characters, and theme of screenplays that compose the established canon. Directors include Spielberg, Kubrick, Hitchcock, Wilder, Allen and Tarantino. Equivalent course: TVA301</td>
</tr>
<tr>
<td>TFA 389</td>
<td>TOPIC COURSE</td>
<td>3, 3/0</td>
<td></td>
</tr>
<tr>
<td>TFA 401</td>
<td>PRODUCING SHORT FILMS I</td>
<td>3, 3/0</td>
<td>Prerequisites: TFA 301, TFA 304 and TFA 329. Students form virtual video production companies and work collaboratively with other students, alternately assuming the roles of writer, producer, director, and production crew. In the process, students develop the ability to assess their strengths, weaknesses, and interests. Equivalent course: TVA401</td>
</tr>
<tr>
<td>TFA 420</td>
<td>PRODUCING SHORT FILMS II</td>
<td>3, 3/0</td>
<td>Students function as true &quot;&quot;auteurs&quot;&quot; using advanced techniques to write, produce, direct, and edit their own single-camera short video project. Emphasis on the effectiveness of the story rather than production quality. Critiques from peers and instructors focus on developing storytelling skills.</td>
</tr>
<tr>
<td>TFA 450</td>
<td>SENIOR PROJECT</td>
<td>3, 3/0</td>
<td>Prerequisite: TFA 420. Students write a short script, partner with other students (for acting and production services) and faculty, and bring their short scripts to life in a professional, multi-camera studio production. Final projects are shown in a public forum. Equivalent course: TVA450</td>
</tr>
<tr>
<td>TFA 460</td>
<td>ADAPTATION</td>
<td>3, 3/0</td>
<td>Students adapt literature for television or film. They choose a short story, poem, or other piece of literature and translate it into a short script. Equivalent course: TVA460</td>
</tr>
<tr>
<td>TFA 480</td>
<td>ADVANCED DIRECTING/PRODUCING I</td>
<td>3, 3/0</td>
<td>Students focus on directing the actor for a single-camera production. Each student directs short scenes from selected plays, then shoots a scene (single camera) as a final project. The class and students from other departments act as the &quot;&quot;Acting Company.&quot;&quot; Equivalent course: TVA480</td>
</tr>
<tr>
<td>TFA 481</td>
<td>ADVANCED DIRECTING/PRODUCING II</td>
<td>3, 3/0</td>
<td>Students focus on directing the actor for a single-camera production. Each student directs short scenes from selected plays, then shoots a scene (single camera) as a final project. The class and students from other departments act as the &quot;&quot;Acting Company&quot;&quot; and &quot;&quot;Production Company.&quot;&quot; Equivalent course: TVA481</td>
</tr>
<tr>
<td>TFA 488</td>
<td>INTERNSHIP</td>
<td>3, 3/0</td>
<td>Students work at organizations to help further their careers in TV, film, or digital media. Supervised field experience in a professional setting for students who have completed extensive academic preparation in the discipline; weekly group meeting; 150 hours of field work for 3 credits.</td>
</tr>
<tr>

</tr>
</thead>
<tbody>
<tr>
<td>THA 106</td>
<td>INTRODUCTION TO THEATER ARTS</td>
<td>3, 3/0</td>
<td>AR14, ARIF</td>
</tr>
<tr>
<td></td>
<td>An introduction to the art of theater. Examination and analysis of the creative process, elements of production, history, genres and styles of the art form. Attendance at live theater is required. Offered every semester.</td>
<td></td>
<td></td>
</tr>
<tr>
<td>THA 107</td>
<td>THEATER PERFORMANCE FOR NON-MAJORS</td>
<td>3, 2/2</td>
<td>AR14, ARIF</td>
</tr>
<tr>
<td></td>
<td>Prerequisite: Instructor permission. Participation in the rehearsal and performance of a Buffalo State College Theater Department production.</td>
<td></td>
<td></td>
</tr>
<tr>
<td>THA 189</td>
<td>TOPICS COURSE</td>
<td>1-3, 0/0</td>
<td></td>
</tr>
<tr>
<td>THA 200</td>
<td>INTRODUCTION TO ACTING: THE ACTOR'S INSTRUMENT</td>
<td>3, 2/2</td>
<td>Introduction to basic voice and speech practice. Develop skills and knowledge associated with freeing the natural voice and extending vocal range and physical capacity for sound, and develop awareness of the potential for articulate, precise, and expansive vocal and physical presence.</td>
</tr>
<tr>
<td>THA 216</td>
<td>THEATER FUNDAMENTALS</td>
<td>3, 3/0</td>
<td>ARIF</td>
</tr>
<tr>

<td>------------</td>
<td>------------------------------------------------------------------</td>
<td>---------</td>
<td>-----------------------------------------------------------------------------------------</td>
</tr>
<tr>
<td>THA 218</td>
<td>SCRIPT ANALYSIS I: PLAY READING</td>
<td>3, 3/0</td>
<td>Prerequisite: THA 216 or instructor permission. Pivotal plays, classic and modern, that have had an impact on theater. Play structure will be examined and analyzed. Attendance of live performances is required.</td>
</tr>
<tr>
<td>THA 222</td>
<td>MOVEMENT I</td>
<td>3, 2/2</td>
<td>Prerequisite: Successful completion of THA 200. Introduction to basic movement for actors. Develop skills and knowledge associated with organic physical practice and the range and physical capacity of the moving body, and develop awareness of the potential for precise and expansive actor presence. Equivalent course: THA 260</td>
</tr>
<tr>
<td>THA 226</td>
<td>ACTING I</td>
<td>3, 2/2</td>
<td>Introduction to the fundamental demands of the acting process. Student actors will engage in focus and concentration development; improvisation, scene work, and performance as they identify and develop themselves in the artistic process of acting.</td>
</tr>
<tr>
<td>THA 227</td>
<td>ACTING II: SCENE STUDY</td>
<td>3, 2/2</td>
<td>Prerequisite: Instructor Permission or THA 226. The fundamental demands of preparing, rehearsing, and performing scenes from contemporary plays. Student actors will focus on character development, research, and script analysis as they synthesize concepts from THA 226. Apply previously learned acting skills to the preparation, rehearsal, and performance scenes. Students will further identify themselves as young theater artists and their personal place in the creative process of making theater. Equivalent course: THA 326</td>
</tr>
<tr>
<td>THA 230</td>
<td>PRACTICUM I: INTRODUCTION TO THEATER TECHNOLOGY</td>
<td>1, 0/2</td>
<td>Introduction to the elements of technical theatrical: costume, scenery, sound, and lighting production including the proper use of tools and equipment. Emphasis on safety and teamwork. Offered annually.</td>
</tr>
<tr>
<td>THA 231</td>
<td>THEATER PRACTICUM II</td>
<td>1, 0/3</td>
<td>Laboratory experience as a run-crew member for a departmental theater production.</td>
</tr>
<tr>
<td>THA 222</td>
<td>STAGE MANAGEMENT</td>
<td>3, 3/0</td>
<td>Prerequisites: THA 106 or THA 216 or Instructor Permission. Instruction of the student in the duties, responsibilities and techniques of a successful stage manager. Preparation of all materials needed to run a rehearsal and maintain a performance as the stage manager. Participation in one of the departmental productions to explore hands-on work and interactive experiences. Equivalent course: THA 208</td>
</tr>
<tr>
<td>THA 234</td>
<td>INTRODUCTION TO THEATER DESIGN</td>
<td>3, 3/0</td>
<td>Fundamentals of theatrical design using period research, graphic tools and presentation skill. Students are required to attend live theater performances. Offered annually. Equivalent course: THA 208</td>
</tr>
<tr>
<td>THA 235</td>
<td>COSTUME CONSTRUCTION I</td>
<td>3, 2/2</td>
<td>Prerequisite: THA 234. The foundation of costume construction. Basic costuming from the ground up with emphasis on period construction, theatrical techniques, and nonconventional methods used in theater, dance, and screen through vocabulary, demonstration, and hands-on production.</td>
</tr>
<tr>
<td>THA 236</td>
<td>DRAFTING FOR THE THEATER</td>
<td>3, 3/0</td>
<td>Prerequisite: Instructor permission. A study of basic drafting principles as they relate to theatrical design. Computer-aided ground plans, elevations, and sections.</td>
</tr>
<tr>
<td>THA 245</td>
<td>STAGE COMBAT I</td>
<td>3, 2/1</td>
<td>The study of unarmed stage combat techniques, the creation and performance of choreographed fight scenes, physical control and safety. This course is the first of three required for Society of American Fight Directors Actor/Combattant certification.</td>
</tr>
<tr>
<td>THA 300</td>
<td>VOICE AND MOVEMENT II</td>
<td>3, 2/2</td>
<td>Prerequisite: THA 200 and THA 226. Intermediate voice and movement course for actors, integrates previously learned voice and movement vocabularies with a variety of acting styles. Introduction of the International Phonetic Alphabet and the General American accent. Equivalent course: THA 320</td>
</tr>
<tr>
<td>THA 316</td>
<td>SCRIPT ANALYSIS</td>
<td>3, 3/0</td>
<td>Prerequisites: THA 106 or THA 216 and CWP 102. Analysis of dramatic works for structure, theme and style.</td>
</tr>
<tr>
<td>THA 317</td>
<td>THEATRE HISTORY: ANCIENT TO BAROQUE</td>
<td>3, 3/0; WC14, WC1F</td>
<td>Origins and development of physical theater and theater literature from the ancient period to the baroque period; its function in society and its historical context in both Western and global civilizations. Students examine how theater as an art form is a reflection of or reaction to the socioeconomic, scientific, political, philosophical, and other artistic forms of its surroundings. Students attend live performances. Equivalent course: THA 317W</td>
</tr>
<tr>
<td>THA 318</td>
<td>THEATER HISTORY: BAROQUE TO MODERN</td>
<td>3, 3/0; WCIF</td>
<td>Majors Only and THA 106 or THA 216. The origins and development of physical theater and theater literature from the baroque period to contemporary theater; its function in society and its historical context in both Western and global civilizations. Students read plays and examine how theater as an art form is a reflection of or reaction to the socioeconomic, scientific, political, philosophical, and other artistic forms of its surroundings. Students attend live performances.</td>
</tr>
<tr>
<td>THA 325</td>
<td>THE BUSINESS OF PERFORMING ARTS</td>
<td>3, 3/0</td>
<td>Prerequisites: THA 106 or THA 216 or Instructor Permission. Comprehensive overview of the numerous aspects of business relating to the performing arts of drama, dance and music. Equivalent course: PAR 325</td>
</tr>
<tr>
<td>THA 327</td>
<td>ACTING III: STYLES</td>
<td>3, 2/2</td>
<td>Prerequisites: THA 227 or Audition. Apply previously learned acting skills to a variety of acting styles in a variety of environments. Student actors will specifically address the demands of physically, intellectually, and emotionally adapting their acting and artistic process. Student actors will also be expected to further define and identify themselves in each new style.</td>
</tr>
<tr>
<td>THA 328</td>
<td>VOICE ACTING FOR ANIMATION AND VIDEO GAMES</td>
<td>3, 2/1</td>
<td>Prerequisites: THA 200 and THA 226. A studio class focusing on voice acting, developing vocal quality and characterization for a variety of genre and media.</td>
</tr>
<tr>
<td>Course Code</td>
<td>Course Title</td>
<td>Credits</td>
<td>Hours</td>
</tr>
<tr>
<td>------------</td>
<td>--------------------------------------------------</td>
<td>---------</td>
<td>-------</td>
</tr>
<tr>
<td>THA 329</td>
<td>ACTING IV: SOLO SHOW</td>
<td>3, 2/2</td>
<td></td>
</tr>
<tr>
<td></td>
<td><strong>Prerequisite:</strong> THA 327 and THA 350, or Instructor Permission. Advanced acting course involving the creation and performance of solo work. Students apply previous theater training in script analysis, directing, rehearsal practices and performance.</td>
<td></td>
<td></td>
</tr>
<tr>
<td>THA 330</td>
<td>THEATER PRACTICUM III</td>
<td>1, 0/3</td>
<td></td>
</tr>
<tr>
<td></td>
<td><strong>Prerequisite:</strong> THA 231. Laboratory experience as a crew leader for a departmental theater production.</td>
<td></td>
<td></td>
</tr>
<tr>
<td>THA 331</td>
<td>THEATER PRACTICUM IV</td>
<td>1, 0/3</td>
<td></td>
</tr>
<tr>
<td></td>
<td><strong>Prerequisite:</strong> THA 330. Laboratory experience in the student's area of specialization for a departmental theater production.</td>
<td></td>
<td></td>
</tr>
<tr>
<td>THA 332</td>
<td>PERIOD STYLES FOR THE THEATER</td>
<td>3, 3/0; TSIF, WC14, WCI4</td>
<td></td>
</tr>
<tr>
<td></td>
<td><strong>Prerequisite:</strong> Junor or Senior status. A survey of style from early civilization to the present day. Students identify and describe characteristics of architecture and fashion from a variety of viewpoints. From Ancient Egypt through the 20th century visual information is evaluated based on historical roots and evolution. The course provides the vocabulary and identification of period style necessary to examine and evaluate the translation of a period style to the stage or screen. Equivalent course: THA315</td>
<td></td>
<td></td>
</tr>
<tr>
<td>THA 333</td>
<td>SCENE PAINTING</td>
<td>3, 2/2</td>
<td></td>
</tr>
<tr>
<td></td>
<td><strong>Prerequisite:</strong> College-level arts course or upper-division status. Basic scene painting techniques applicable to theater, film, and video production; hands-on exploration; creating full-scale painted scenery from scaled drawings; paint mixing; faux finishes, including marble, wood grain, brick, and stone; and specialty paint finishes.</td>
<td></td>
<td></td>
</tr>
<tr>
<td>THA 334</td>
<td>COSTUME CONSTRUCTION II</td>
<td>3, 2/2</td>
<td></td>
</tr>
<tr>
<td></td>
<td><strong>Prerequisite:</strong> THA 235. Continuation of Costume Construction I. Advanced costuming techniques emphasizing dying, painting, footwear/hoisery, undergarments, accessories, and hat and wig construction as they apply to theater, dance, opera, film, and television.</td>
<td></td>
<td></td>
</tr>
<tr>
<td>THA 335</td>
<td>COSTUME DESIGN FOR THEATER</td>
<td>3, 2/2</td>
<td></td>
</tr>
<tr>
<td></td>
<td><strong>Prerequisite:</strong> THA 234 or Instructor Permission. Introduction to costume design for a variety of period and contemporary genres; script analysis, design theory, historical research, rendering skills, fabric selections. Equivalent course: THA311</td>
<td></td>
<td></td>
</tr>
<tr>
<td>THA 336</td>
<td>LIGHTING TECHNIQUES</td>
<td>3, 2/2</td>
<td></td>
</tr>
<tr>
<td></td>
<td><strong>Prerequisite:</strong> THA 234 or Instructor Permission. Introduction to lighting design for theater, dance, studio, and industrial applications; principles of optical systems, stage lighting equipment, color media, electricity, control systems, stage lighting, history, and the McCandless stage lighting system; assigned practical experience required. Equivalent course: THA312</td>
<td></td>
<td></td>
</tr>
<tr>
<td>THA 337</td>
<td>SET DESIGN I</td>
<td>3, 2/2</td>
<td></td>
</tr>
<tr>
<td></td>
<td><strong>Prerequisite:</strong> THA 234 or Instructor Permission. Introduction to theatrical set design: basic design components of line, form, mass, composition, balance, color, and texture as they relate to set design; script analysis, research, color theory, drafting techniques, and mechanical perspective drawing. Equivalent course: DES318</td>
<td></td>
<td></td>
</tr>
<tr>
<td>THA 338</td>
<td>DIGITAL DESIGN MEDIA FOR THEATER</td>
<td>3, 3/0</td>
<td></td>
</tr>
<tr>
<td></td>
<td><strong>Prerequisite:</strong> Instructor Permission. Introduction to fundamental skills in area current area-specific software programs for the realization and presentation of theatrical designs.</td>
<td></td>
<td></td>
</tr>
<tr>
<td>THA 340</td>
<td>PLAYWRITING</td>
<td>3, 3/0</td>
<td></td>
</tr>
<tr>
<td></td>
<td><strong>Prerequisite:</strong> THA 316W or Instructor Permission. Students will use research, script analysis and writing skills to develop and refine the script for a stage or screenplay. Equivalent courses: ENG340, THA319, THA340W</td>
<td></td>
<td></td>
</tr>
<tr>
<td>THA 345</td>
<td>STAGE COMBAT II</td>
<td>3, 2/1</td>
<td></td>
</tr>
<tr>
<td></td>
<td><strong>Prerequisite:</strong> THA 245 Stage Combat I or Instructor Permission. The study of weapon specific stage combat techniques, performing choreographed fight scenes with the single weapon. This is the second of three courses required for Society of American Fight Directors Actor/Combatant certification.</td>
<td></td>
<td></td>
</tr>
<tr>
<td>THA 346</td>
<td>STAGE COMBAT III</td>
<td>3, 2/1</td>
<td></td>
</tr>
<tr>
<td></td>
<td><strong>Prerequisite:</strong> THA 345 Stage Combat II or Instructor Permission. Multiple weapon Stage Combat techniques with an emphasis on choreography and application for stage and screen. This is the third of three courses required for Society of American Fight Directors Actor/Combatant certification.</td>
<td></td>
<td></td>
</tr>
<tr>
<td>THA 348</td>
<td>VOICE ACTING FOR ANIMATION AND VIDEO GAMES</td>
<td>3, 2/1</td>
<td></td>
</tr>
<tr>
<td></td>
<td><strong>Prerequisite:</strong> THA 200 and THA 226. A studio class focusing on voice acting, developing vocal quality and characterization for a variety of genre and media.</td>
<td></td>
<td></td>
</tr>
<tr>
<td>THA 350</td>
<td>DIRECTING I</td>
<td>3, 3/0; OCIF</td>
<td></td>
</tr>
<tr>
<td></td>
<td><strong>Prerequisite:</strong> THA 316W and THA 227 or THA 234, or Instructor Permission. Examination of the theater director's craft and responsibilities through lecture and hands-on projects.</td>
<td></td>
<td></td>
</tr>
<tr>
<td>THA 359</td>
<td>MUSICAL THEATER I</td>
<td>3, 2/2</td>
<td></td>
</tr>
<tr>
<td></td>
<td><strong>Prerequisite:</strong> THA 226 and DAN 214 and either MUS 123 or MUS 210; or by audition. An introduction to integrating the necessary singing, dancing and acting skills to meet the requirements of performing in the musical theater. Offered annually.</td>
<td></td>
<td></td>
</tr>
<tr>
<td>THA 370</td>
<td>STAGE MAKEUP</td>
<td>3, 3/0</td>
<td></td>
</tr>
<tr>
<td></td>
<td><strong>Prerequisite:</strong> THA 234 or Instructor Permission. Principles and techniques of theatrical makeup application and design.</td>
<td></td>
<td></td>
</tr>
<tr>
<td>THA 400</td>
<td>VOICE AND MOVEMENT III</td>
<td>3, 2/2</td>
<td></td>
</tr>
<tr>
<td></td>
<td><strong>Prerequisite:</strong> THA 300. Advanced study of physical, vocal and phonetic skills as they apply to stage and screen. Equivalent course: THA322</td>
<td></td>
<td></td>
</tr>
<tr>
<td>THA 416</td>
<td>SEMINAR IN THEATER ARTS</td>
<td>1, 1/0</td>
<td></td>
</tr>
<tr>
<td></td>
<td><strong>Prerequisite:</strong> 24 credits in THA with Senior status or Instructor Permission. Development of skills including defining professional and personal goals, sharpening of critical capacities, and creating and sharing a portfolio or audition presentation.</td>

</table>
THA 418
CREATIVE DRAMATICS
3, 3/0
Prerequisite: Instructor Permission. History, philosophy, methods, and materials of informal playmaking with children, observation and participation.

THA 421
BLACK DRAMA IN AMERICA
3, 3/0
Thematic and technical development of black American drama.

THA 426
ADVANCED ACTING
3, 3/0
Prerequisite: THA 327. Styles, periods, and methods of acting.

THA 435
COSTUME DESIGN II
3, 3/0
Prerequisite: THA 335 or permission of instructor. Advanced studies in costume design and rendering techniques; drawing skills necessary. Design and construction project for performing arts production required.
Equivalent course: THA411

THA 437
SET DESIGN II
3, 2/2
Prerequisites: DES 318/THA 337 or permission of instructor. Continuation of DES 318/THA 337. Intensive exploration of advanced set-design techniques; continued development of set design skills, with concentration on different performance venues, model building techniques, portfolio-quality work, and presentation styles; advanced scenic considerations with the limits of budget, stage space, and technical support.

THA 450
DIRECTING II
3, 2/2
Prerequisite: THA 350. Practical application of directing theory and technique through class scenes and the public performance of a one-act play.

THA 459
MUSICAL THEATER II
3, 2/2
Prerequisites: THA 359. An advanced studio class that focuses on performing in different musical styles and developing audition technique. Offered annually.

THA 470
ENSEMBLE THEATER
1-3, 3-9/0
Prerequisite: Audition. Examination of ensemble theatrical production through preparation and performance of plays.
Equivalent course: THA407

THA 488
INTERNSHIP
1-12, 0/0
Prerequisites: Upper-division status and permission of instructor. Supervised field experience in a professional setting for students who have completed extensive academic preparation in the discipline; 50 hours of fieldwork in theater per credit.

THA 495
SPECIAL PROJECT
1-3, 0/0

THA 499
INDEPENDENT STUDY
3-12, 0/0

UNC 100
MASTERING THE ACADEMIC ENVIRONMENT
3, 3/0
Strategies and skills for academic success at Buffalo State. Overview of the structure and benefits of a liberal arts education. Introduction to critical thinking. Application of critical thinking skills to various dimensions of college life to develop skills and increase likelihood of success.
Equivalent courses: EDF207, INS207

UNC 101
LEARNING COMMUNITY INTEGRATED HOUR
1, 1/0
Integral aspect of each learning community; provides students the framework to see connections among seemingly disparate courses and to make connections across disciplines. Faculty and students explore the theme of the learning community, integrate course material, and relate both to their lives outside of the classroom.
Equivalent course: INS101

UNC 111
CAREER PLANNING IN THEORY AND PRACTICE
1, 1/0
Multiple theories of career decision making processes. Includes lecture, discussion, and small-group activities. Students construct long- and short-term goals to assist them in the career-planning process.

UNC 120
READING AND STUDY STRATEGIES
1-3, 1-3/0
Competency-based course designed to improve students' college reading and study skills. Includes lecture and laboratory work.
Equivalent course: INS120

UNC 150
ADVANCED READING AND STUDY STRATEGIES
3, 3/0
Strategies for effective learning: study, note-taking, and examination strategies; time management; preparing research papers.
Equivalent course: EDU150

UNC 189
TOPIC COURSE
1-9, 0/0
TOPIC COURSE

WGS 101
INTRODUCTION TO WOMEN AND GENDER STUDIES
3, 3/0; DI14, DIIF
Prerequisites: None. Gender as a social construction that influences women and men and intersects with other social categories. Introduction to feminist theories. How gender affects childhood experiences, education, employment, family, bodies, and violence. Portrayal of gender in art, literature, and media. Gender in the social and natural sciences. Current issues related to women and gender.

WGS 212
FEMINIST THEORY
3, 3/0
Background in feminist social theory and changes in feminism over time. Introduction to theoretical analysis from a feminist perspective.
Equivalent course: SOC212

SUNY Buffalo State Undergraduate Catalog 2016–2017   269
WGS 495
SPECIAL PROJECT
1-3, 0/0
Prerequisite: Faculty supervisor permission. Research conducted under the supervision of a faculty member.

WGS 499
INDEPENDENT STUDY
3-12, 0/0
Prerequisite: Faculty adviser permission.
ADMINISTRATION
SUNY Buffalo State

College Council
Linda A. Dobmeier, ’71, Chair
James Brandys, ’71, ’73

System Administration
Chancellor's Cabinet
Nancy L. Zimpher, Chancellor
Alexander N. Cartwright, Provost and Executive Vice Chancellor
Eileen G. McLoughlin, Senior Vice Chancellor for Finance and Chief Financial Officer
Joseph Porter, Senior Vice Chancellor for Legal Affairs and General Council
Stacey Hengsterman, Chief of Staff
Johanna Duncan-Poitier, Senior Vice Chancellor for Community Colleges and the Education Pipeline
Robert Haelen, Vice Chancellor for Capital Facilities, & General Manager of the Construction Fund
Elizabeth L. Bringsjord, Vice Chancellor for Academic Affairs and Vice Provost
Jennifer LoTurco, Assistant Vice Chancellor for External Affairs
Mary Beth Labate, Senior Advisor to the Chancellor for Fiscal Policy

David Belsky, Director of Marketing & Creative Services
Jeff Cheek, President of the Research Foundation for SUNY
Marc Cohen, Student Assembly President
Kellie Dupuis, Assistant Vice Chancellor for Operations
Stephanie Fargnoli, Senior Director of Academic Health and Hospital Affairs
Carey Hatch, Associate Provost for Academic Technologies and Information Services
Peter Knuepfer, University Faculty Senate President
Jason Lane, Vice Provost for Academic Planning and Strategic Leadership and Senior Associate Vice Chancellor
Curtis L. Lloyd, Vice Chancellor for Human Resources
Paul Marthers, Associate Vice Chancellor for Enrollment Management and Student Success
John R. McDonald, Assistant Vice Chancellor for Strategic Initiatives
Carlos Medina, Vice Chancellor and Chief Diversity Officer
Joel Pierre-Louis, Secretary of the University
Nina Tamrowski, Faculty Council of Community Colleges President
Jessica Todtman, Executive Director of Government Relations and Policy
Casey Vattimo, Director of Communications
SUNY Distinguished Teaching Professors
Andrea Guiati, Ph.D., Muriel A. Howard Honors Program Director, Modern and Classical Languages Department (2009)
*Date indicates year award received.*

SUNY Distinguished Service Professors
David A. Carson, Ph.D., History and Social Studies Education Department (2010)
*Date indicates year award received.*

SUNY Distinguished Professors
Ann C. Colley, Ph.D., English Department (2009)
*Date indicates year award received.*

Anthropology Department
Lisa Marie Anselmi, Ph.D., University of Toronto, Chair and Associate Professor (2004)
Dennis L. Gaffin, Ph.D., University at Buffalo, Professor (1989)
Kimberly L. Hart, Ph.D., Indiana University, Associate Professor (2007)
Susan E. Maguire, Ph.D., University at Buffalo, Associate Professor (2004)
Julie A. Wieczkowski, Ph.D., University of Georgia, Associate Professor (2008)

Art Conservation Department
Jonathan L. Thornton, M.A., SUNY Oneonta, Professor (2015)
Judith C. Walsh, M.A., SUNY Oneonta, Professor (2005)

Art Education Department
Alice C. Pennisi, Ed.D., Teachers College-Columbia University, Chair and Associate Professor (2005)
Lucy Andrus, M.S.Ed., SUNY Buffalo State, Professor (1982)
Michelle S. Bae-Dimitriadi, Ph.D., University of Illinois, Assistant Professor (2010)
Cheryl M. Hamilton, Ph.D., University of Wisconsin-Milwaukee, Associate Professor (1999)
Candace P. Masters, M.F.A., Catholic University of America, Associate Professor (2008)
Michael E. Parks, Ed.D., Ball State University, Professor (1981)
Joseph R. Piccillo, M.S., SUNY Buffalo State, Professor (1967)
John F. Siskar, Ph.D., University at Buffalo, Associate Professor and Director, Center for Excellence in Urban and Rural Education (1992)

Biology Department
I. Martha Skerrett, Ph.D., Indiana University, Chair and Associate Professor (2005)
Derek L. Beahm, Ph.D., University of California, Irvine, Research Assistant Professor (2012)
Amy M. McMillan, Ph.D., University of Kansas, Associate Professor (2003)
Christopher M. Pennuto, Ph.D., University of Kansas, Professor (2003)
Alicia Perez-Fuentetaja, Ph.D., College of Environmental Sciences, Associate Professor (2006)
Gary W. Pettibone, Ph.D., Bowling Green State University, Professor (1986)
Daniel L. Potts, Ph.D., University of Arizona, Associate Professor (2007)
Howard P. Riessen, Ph.D., Yale University, Professor (1988)
Randal J. Snyder, Ph.D., University of California, Davis, Professor (1990)
Edward A. Standora, Ph.D., University of Georgia, Professor (1985)
Gregory J. Wadsworth, Ph.D., North Carolina State University, Associate Professor (1992)
Robert J. Warren II, Ph.D., University of Georgia, Assistant Professor (2012)
Thomas D. White, Ph.D., University of California, Los Angeles, Professor (1991)

Business Department
Michael J. Littman, Ph.D., Ohio State University, Chair and Associate Professor (1986)
Sokochedi Ol. Ahirah, Ph.D., University of Pittsburgh, Associate Professor (1990)
Yew Wah Chow, Ph.D., University at Buffalo, Assistant Professor (2013)
John L. DeNisco, M.B.A., Canisius College, Associate Professor (1982)
Daniel E. Gaygen, Ph.D., University at Buffalo, Assistant Professor (2009)
Uma G. Gupta, Ph.D., University of Central Florida, Professor (2007)
Joseph M. Kelly, J.D., Northern Illinois University, Professor (1990)
Christine A. Lai, Ph.D., University at Buffalo, Associate Professor (2007)
Edward J. Marecki, M.S., Canisius College, Professor (2005)
Lorena D. Mathien, Ph.D., University at Buffalo, Assistant Professor (2011)
Daniel S. Raciglio, M.B.A., University at Buffalo, Assistant Professor (1979)
Benjamin D. Sackmary, Ph.D., University of Massachusetts, Professor (1988)
Lynne M. Scalia, M.B.A., Niagara University, Associate Professor (1983)

Career and Technical Education
N. John Popovich, Ed.D., Wayne State University, Chair and Associate Professor (1974)
Judith S. Davis, M.S., SUNY Buffalo State, Lecturer (2005)
Clark W. Greene, M.S., SUNY Buffalo State, Lecturer (2000)
Steve M. Macho, Ed.D., West Virginia University, Associate Professor (2006)

Center for Excellence in Urban and Rural Education
John F. Siskar, Ph.D., University at Buffalo, Director and Associate Professor (1992)
Kathy L. Wood, Ph.D., University at Buffalo, Associate Professor and Associate Dean, School of Education (2001)
Center for Health and Social Research

William F. Wiegoreck, Ph.D., University at Buffalo, Director and Professor, SUNY Chancellor’s Award for Excellence in Scholarship and Creative Activities (1997)

Chemistry Department

M. Scott Goodman, Ph.D., Arizona State University, Chair and Professor (1996)
Zeki Al-Saigh, Ph.D., University of Birmingham, Professor (2002)
Kimberly A. Bagley, Ph.D., University of Illinois, Professor (1993)
William S. Durfee, Ph.D., Case Western Reserve University, Professor (1995)
Gregory W. Elbert, Ph.D., University of Nebraska, Professor (1985)
Jinsok Heo, Ph.D., Texas A & M University, Associate Professor (2009)
Joonmyeong Kim, Ph.D., Texas A & M University, Associate Professor (2005)
Alexander Y. Nazarenko, Ph.D., Kent State University, Associate Professor (2000)
Maria D. Pacheco, Ph.D., University of Puerto Rico, Associate Professor (1985)
Douglas A. Riddiford, M.S., San Francisco State University, Coordinator of Forensic Chemistry (2012)
Mark W. Severson, Ph.D., University of Minnesota, Professor and Dean, School of Natural and Social Sciences (2008)

Coaching and Physical Education

Stephen E. Schwartz, Ph.D., Ohio State University, Professor (1974)

Communication Department

Joseph J. Marren Jr., M.A., St. Bonaventure University, Chair and Professor (1997)
Aaron Daniel Amas, M.F.A., Governors State University, Assistant Professor (2015)
Bruce G. Brisky, Ph.D., Pennsylvania State University, Associate Professor (1983)
Annemarie Franzczyk, Ed.D., D’Youville College, Associate Professor (1992)
Ruth B. Goldman, M.F.A., University at Buffalo, Assistant Professor (2013)
Joseph W. Kasko, Ph.D., University of South Carolina Union, Assistant Professor (2015)
Marguerite E. Knowles, M.F.A., Temple University, Associate Professor (2006)
Ann Liao, Ph.D., University at Buffalo, Associate Professor (2008)
S. Diane McFarland, Ph.D., University at Buffalo, Associate Professor (2002)
Michael I. Nimmo, Ph.D., University at Buffalo, Professor (2002)
Seth A. Oyer, Ph.D., University of Florida, Assistant Professor (2012)
Louis V. Renu, M.A., University at Buffalo, Associate Professor (1999)
Deborah A. Silverman, Ph.D., University at Buffalo, Associate Professor (2005)
Ronald D. Smith, M.S., Syracuse University, Professor (1990)

Computer Information Systems Department

Barbara A. Sherman, Ph.D., University at Buffalo, Chair and Associate Professor (2007)
Sarbani Banerjee, Ph.D., University at Buffalo, Associate Professor (2000)
Robert A. Barone, Ph.D., University at Buffalo, Associate Professor (2000)
Michael P. Barry, M.S., New Southern University, Lecturer (2002)
John T. Favata, Ph.D., University at Buffalo, Associate Professor (1997)
Steven E. Gareau, Ph.D., Mississippi State University, Professor (2005)
Ruth X. Guo, Ph.D., University of British Columbia, Professor (2007)
Neal M. Mazur, Ph.D., Arizona State University, Associate Professor (2002)
Ramona S. Santa Maria, Ph.D., University at Buffalo, Associate Professor (1999)

Criminal Justice Department

James J. Sobol, Ph.D., University at Albany, Chair and Associate Professor (2008)
Michael A. Cretacci, Ph.D., University at Albany, Associate Professor (2006)
Jill M. D’Angelo, Ph.D., American University, Associate Professor (2007)
Shashi M. Gayadeen, Ph.D., University at Buffalo, Assistant Professor (2005)
James R. Gillham, Ph.D., University of Illinois, Professor (1977)
Scott L. Johnson, Ph.D., Pennsylvania State University, Associate Professor and Dean, University College (1994)
Dae-Young Kim, Ph.D., University of Nebraska, Assistant Professor (2012)
Melissa A. Menasco, Ph.D., University at Buffalo, Assistant Professor (2013)
Scott W. Phillips, Ph.D., University at Albany, Associate Professor (2001)
John H. L. Song, Ph.D., University of California, Irvine, Professor (1988)
Elizabeth Szockyj, Ph.D., University of California, Irvine, Associate Professor (1991)
JawJeong Wu, Ph.D., University of Nebraska, Associate Professor (2009)

Design Department

Jörg Schnier, M.A., Dresden University of Technology, Chair and Associate Professor (2002)
Josef Bajus, M.F.A., Academy of Fine Arts and Design, Bratislava (Slovakia), Associate Professor (2002)
Stanley K. Friesen, M.F.A., Fort Hays State University, Associate Professor (2000)
Sun Hwa Kim, M.F.A., Savannah College of Art and Design, Associate Professor (2008)
Tara J. Nahabedian, M.F.A., Kent State University, Associate Professor (2002)
Brent D. Patterson, M.F.A., Washington State University, Assistant Professor (2013)

Economics and Finance Department

Frederick G. Floss, Ph.D., University at Buffalo, Chair and Professor (1983)
Theodore E. Byley, Ph.D., University of Cincinnati, Associate Professor, SUNY Chancellor’s Award for Excellence in Teaching (1984)
Susan M. Davis, Ph.D., New School for Social Research, Associate Professor (1985)
Bruce L. Fisher, J.D., University at Buffalo, Visiting Professor and Director, Center for Economic and Policy Studies (2008)
William T. Ganley, Ph.D., University at Buffalo, Chair and Associate Professor (2007)
Tae-Hee Jo, Ph.D., University of Massachusetts, Associate Professor (1993)
Victor Kasper Jr., Ph.D., Rutgers University, Associate Professor (2001)
Yung M. Kim, J.D./Ph.D., University at Buffalo, Professor (1968)
Joelle J. Leclaire, Ph.D., University of Minnesota, Associate Professor (2004)
Xingwang Qian, Ph.D., University of California, Santa Cruz, Associate Professor (2008)
Teal P. Schmidt, Ph.D., University of California, Riverside, Associate Professor (1990)
John L. Wilcox, Ph.D., Capella University, Lecturer (2005)

E. H. Butler Library

Marc D. Bayer, M.L.S., University at Buffalo, Interim Director and Associate Librarian (2007)

Richard J. Ross, M.F.A., University of Connecticut, Associate Professor (1995)
Stephen F. Saracino, M.F.A., Kent State University, Professor (1981)
Colleen Toledano, M.F.A., Ohio University, Assistant Professor (2013)
Carol A. Townsend, M.F.A., Ohio University, Associate Professor (2000)
Robert L. Wood, M.F.A., Indiana State University, Professor (1987)

Earth Sciences and Science Education Department

Elisa T. Bergslien, Ph.D., University at Buffalo, Chair and Associate Professor (2002)
Catherine Lange, Ph.D., University at Buffalo, Associate Professor (2007)
Bettina Martinez-Hackett, Ph.D., University at Buffalo, Assistant Professor (2004)
Jill K. Singer, Ph.D., Rar University, Professor and Director of Undergraduate Research, SUNY Chancellor’s Award for Excellence in Scholarship and Creative Activities (1986)
Gary S. Solar, Ph.D., University of Maryland, Associate Professor, SUNY Chancellor’s Award for Excellence in Teaching (2000)
Kevin K. Williams, Ph.D., Arizona State University, Associate Professor (2006)
Joseph L. Zawicki, Ph.D., University at Buffalo, Associate Professor (2002)

David A. Carson, Ph.D., Texas Christian University, Professor, SUNY Chancellor’s Award for Excellence in Teaching (1985)
Bridget M. Chesterton, Ph.D., SUNY Stony Brook, Associate Professor (2007), Chancellor’s Award for Excellence in Scholarship & Creative Activities (2016)
Cynthia A. Comides, Ph.D., Columbia University, Associate Professor (2000)
Martin F. Ederer, Ph.D., University at Buffalo, Associate Professor (1998)
Christianna D. Fryar, Ph.D., Princeton University, Assistant Professor (2013)
Jill M. Gradwell, Ph.D., University at Buffalo, Professor (2004)
Michael C. Lazich, Ph.D., University at Buffalo, Associate Professor (1997)
Kenneth S. Mermitz, Ph.D., University of Missouri, Associate Professor (1985)
Albert L. Michaels, Ph.D., University of Pennsylvania, Professor (2009)
William J. Mitchell, Ph.D., University of Missouri, Associate Professor (1991)
York A. Norman, Ph.D., Georgetown University, Associate Professor (2007)
Kenneth J. Orosz, Ph.D., SUNY Binghamton, Professor (2008)
Melanie L. Perreault, Ph.D., College of William and Mary, Provost and Professor (2015)
Misty D. Rodeheaver, Ed.D., West Virginia University, Assistant Professor (2010)

Hospitability and Tourism Department
Kevin F. Mulahy, Ed.D., University of California, Los Angeles, Chair, Associate Professor (1992)
Rebecca Dowsey, M.S.Ed., Niagara University, Lecturer (2002)
Chenchen Huang, Ph.D., University of Florida, Associate Professor (2008)
Kathleen M. O’Brien, Ed.M., University at Buffalo, Lecturer and Campus House Director (1989)
Lori L. Till, Ed.D., University at Buffalo, Associate Professor (1985)

Interior Design Department
Bhakti Sharma, M.S., Arizona State University, Chair and Associate Professor (2009)
Eric R. Dolph, MARCH, University at Buffalo, Assistant Professor (2013)
Barry R. Yavener, M.F.A., Rochester Institute of Technology, Professor (1985)

International Center for Studies in Creativity
Gerard J. Puccio, Ph.D., University of Manchester, Chair and Professor (1990)
Selcuk Acar, Ph.D., University of Georgia, Assistant Professor (2013)
Cynthia Burnett, Ph.D., University of Toronto, Assistant Professor (2000)
John F. Cabra, Ph.D., University of Manchester, Associate Professor (2005), Chancellor’s Award for Excellence in Teaching (2016)
Jon Michael Fox, M.S., SUNY Buffalo State, Lecturer (1997)
Susan M. Keller-Matthes, Ed.D., Argosy University, Associate Professor (1990)

Mathematics Department
David C. Wilson, Ph.D., University at Buffalo, Interim Chair and Associate Professor (2002)
Saizhi Byam, Ph.D., University at Buffalo, Associate Professor (2006)
Valentin E. Brinikov, Ph.D., University of Sofia, Bulgaria, Professor (2005)
Joaquín O. Carbonara, Ph.D., University of California, San Diego, Professor (1992)

Christina L. Carter, M.S., California State University, Lecturer (2004)
Daniel W. Cunningham, Ph.D., University of California, Los Angeles, Professor (1991)
Jane R. Cushman, Ph.D., University of Texas at Austin, Associate Professor (2006)
Chaitali Ghosh, Ph.D., University at Buffalo, Associate Professor (2008)
Tom M. Giambrone, Ed.D., University at Buffalo, Professor (1990)
Jodelle S. W. Magner, Ph.D., University of Maryland, Associate Professor (2000)
Susan E. McMillen, Ph.D., University at Buffalo, Professor (2008)
Peter R. Mercer, Ph.D., University of Toronto, Professor (1997)

Modern and Classical Languages Department
Mark K. Varford, Ph.D., University of Tennessee, Chair and Associate Professor (2000)
Andrea Guti, Ph.D., Rutgers University, SUNY Distinguished Teaching Professor, Honors Program Director, SUNY Chancellor’s Award for Excellence in Teaching (1985)
Deborah L. Hoyland, Ph.D., University of Minnesota, Associate Professor (1992)
Michael Johnson, Ph.D., University at Buffalo, Associate Professor, SUNY Chancellor’s Award for Excellence in Teaching (1975)
Carol B. Kirby, Ph.D., University of Kentucky, Professor (1985)
Rafika Merini, Ph.D., SUNY Binghamton, Associate Professor (1990)
Raul F. Neira, Ph.D., University of Texas at Austin, Associate Professor (1991)

Music Department
Emily W. Boyce, D.M.A., Eastman School of Music, Chair and Associate Professor (2003)
Ho Eui H. Bewlay, D.M.A., University of Rochester, Associate Professor (2005)
Benjamin C. Christy, A.Mus.D., University of Michigan, Professor and Dean, School of Arts and Humanities (2007)
Mark H. Filsinger, D.M.A., University of Rochester, Assistant Professor (2012)
Ricky L. Fleming, D.M.A., Florida State University, Associate Professor (2001)
Victoria J. Furby, Ph.D., Ohio State University, Associate Professor (2008)
